Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 272 & B/39 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". July 7, 1941.

**THANKS!** Appeal in B/270 brot some renewals, orders for books, and lists of names and addresses to whom AID! bulletins and "BEWARE - OPPOSE - INVESTIGATE" dodgers were sent. Grateful for the response, but wish some who are behind on AID! subscriptions would either remit or... Limited funds necessitate limited mailings - so - if some of you are not interested, please say so. Always more names on hand than we can afford to circularize. Since this is oldest service of its kind, it must have some merit or such an unsubsidized enterprise would have passed out long ago. Please...

**"HEIL ROOSEVELT!"** We purposely borrowed a car and drove into Iowa July 4 to see if highway patrols would stop traffic while FDR broadcast. We were not stopped, but in Nebr. (once "White Spot", but no longer since Organized Jewry-Intl. Finance took over Relief and WPA, and its supported-for-Gov. Dwight Griswold goes warmongering), its State Sheriff-instructed State Police desecrated the meaning of Independence Day by halting cars, forcing even those without radios to sit thru FDR's speech. One irate housewife, Mrs. H.W. Hoogstraet, 5005 Cass St., bailed home, lettered a large card, which staked out in front yard, read: "HEIL ROOSEVELT Our Boasted Independence Lost to Us on July Fourth Motorists Stopped by Police for Roosevelt's Speech - Is This GERMANY or the U.S.A.?" Congrats to Omaha World-Herald for showing picture of it, and for quoting her at length, in which she said: "... Altho we had no car radio and couldn't hear the speech we sat there like driven sheep until the cops released us. Had I not been so completely stunned I would have goose-stepped from car to car and given the nazi salute 'HEIL ROOSEVELT', asking other motorists to register protest by letters to senators and the governor..."

Nebr.'s State Sheriff reports he received many protests from all over the State, and justified his instructions, saying he had received a letter from Mayor LaGuardia (part-Jew) of New York City who requested cooperation in stopping traffic all over USA. Since when can such a FDR-appointee go over head of our Gov.? Incidentally, the Hoogstraets had to temporarily discontinue their phone because of queries by unidentified persons who demanded: "Why don't you take the first boat to Germany?" Yes, we too know from experience that kind of phoning - only in our case, many Jewish voices, also unidentified, week after week, promised in unrepeatable language "... If you publish another bulletin, it will be the last - you have but 3 days to live, etc., etc..."

For some weeks AID! felt that July 4 would be turned, some way, to reflect the dictatorship set up under H.R.1776. Incidentally, "hootchi-kootchi dancer promoter" Sol Bloom, Jew in key position as Chmn of Foreign Affairs Com. of House of Reprs., had arbitrarily selected "1776" as number of that Lend-Lose Bill, which creating an Organized Jewry-Intl. Finance controlled dictatorship, lost to once free Americans all and more than our Founding Fathers fought for. As might be expected, Bloom belongs to the B'NAI B'RITH, the intl. spy and pressure system which offered its services to FDR to help enforce "unity" and "democracy". (Get copy of THE OCTOPUS, 256-p. book illegally denied book post rate by dictatorial ruling of 3rd Asst. Postmaster Genl. Learn just how powerful that B'NAI B'RITH is - how far-reaching its activities. Only 60¢ for 1; \$1. for 2; \$3. for 7 copies - all to same address - remittance with order. Or, 1 FREE with \$5. year's subscription to these AID! bulletins.)

If Dwight Griswold yearns to succeed traitor Geo. Norris as Senator, he will find out that playing along with NUDEAL and NUDEAL gangsters will not win it for him. He should realize that the 9-against-1 vote in Congr. Fish's district in FDR's own neighborhood reflects the feeling against war here; that the resolution signed by 186 professor at Nebr. Uni. was not signed by those in the know, such as courageous Chancellor Boucher; and that many signed that war-mongering petition without knowing what they were signing; and that even in Texas not only was traitor Congr. Dies snowed under in a four cornered race for the Senate. but FDR's "favorite" was also defeated. Awake - Dwight!

"AMERICA FIRST" A mother out West has had her son adopted by America First Com. which has been sponsoring speeches by Chas. Lindbergh and other isolationists. This theme song now awaits some one's inspired music to fit these words:

"America, First, Last and Always"  
Is the patriot's only refrain.  
The Cross and the Flag are our banners;  
Peace-lovers we'll always remain.

Let's fight, sons and daughters of Liberty  
For "America First" and for Peace!  
We'll march on to Victory - banners held high  
And pray for the world wars to cease.

"Fight only for Peace" is our slogan;  
Stand fast - let the warmongers rave.  
We'll act for our great country's  
heart-beat  
Of Freedom, and our home of the brave!

"Down with traitors and dictators", loudly  
we cry;  
"Down with war and with hate and with greed"  
We'll fight for the Right, using Peace as  
our Might,

For "America First" is our creed!

By way of contrast, how pitiful that another mother, whose children frequent the divorce courts now and then, and racketeer big incomes one way or another because Dad is Pres. and mother the First Lady, who in turn has lectured at charity benefits where she took away not only all the gross take but forced sponsors to dig up the deficit out of their own pockets, with charities getting nothing, and who advises young girls to drink to get drunk, has sponsored what have claimed to be "peace" organizations. Yes, for "peace" only until Godless bloody Red Russia goes to war. Yes, on 7-5-41, Mrs. Roosevelt's friends, the Communist American Youth Congress, with 800 delegates meeting at Philadelphia (where Lindbergh was denied a hall), passed a resolution pledging full support to the British and the Russians - with but 10 dissenting votes - at that 7th annual convention.

Yes, Pres. Roosevelt set the example by profaning Independence Day by broadcasting attacks on isolationists, warning that we may have to shed blood. Yet, time after time, as Presidential candidate, and after his re-election, he had promised that no American boy's blood would be shed in foreign wars. And on that same July 4, the Jew actor Douglas Fairbanks, Jr., as Natl. Vice-Chmn of Com. to Defend America by Aiding the Allies, upon his return from trip to 5 So. American countries as FDR's personal ambassador, also broadcasts: "... We must act now! We must deliver a smashing blow on Hitler, NOW!!..." How significant this Jew mentions only one kind of 5th column - that of Nazism. Even the "controlled" Dies Com. admitted that Communism is by far the greater threat - until FDR officially proclaimed that we are to give all possible aid to USSR. This warmonger puffs his friend, FDR, with stories that So. Americans cheered FDR as their "spiritual" leader, shouting "Long live USA!", "Long live Roosevelt!"

Then this actor ridiculed both South and North Americans who want to have peace. This great (?) authority predicted Nazi invasion of both South and North America. This Jewish warmonger literally blasphemed our Independence Day - a Christian Nation's day commemorating our break-away from Organized Jewry-Intl. Finance that controlled Europe in 1776 as it now controls all the world. He talked "unity", "democracy", "a working religion", and called upon us to be "ministers of the gospel of democracy" - "We must not merely lease or lend" - we must make "Our way of life a Crusade!" Yes, he was calling upon you dear fellow Christians - to take up the sword under the banners of the God of this world --- SATAN! Will you willingly pay taxes, knowing that part of that money is to finance Satan's crews and Satan's cause? Will you willingly let the Anti-Christ usurpers now disgracing our White House and our Government, take your son and force him to serve Satan's cause?

It is too late for cards, letters and telegrams. Your last hope - is - to pile your family in your car - take your vacation - drive to Washington. Personally call on your Senators and Representatives and see that they know in unmistakable language that you, their master (they, not you, are the servants), will not tolerate further "selling-out" on their part. Demand that Congress be the Government of the U.S.A.! Demand IMPEACHMENT of Roosevelt, Wallace, the entire Cabinet, and all Senators and Representatives who turned traitor when they voted for H.R. 1776. Call on Congressman Clare Hoffman. He has demanded FDR be impeached. Help him to start the proceedings. Pass up this last opportunity - to live to regret it. PRAY! - but do what you can!

SELL-OUTS. Excerpts from CONGR. RECORDS that follow prove the dire need for you doing what you can - NOW! Get to Washington if you can. Help others to go!

The 6-30-41 debate. In House in re H.R.3 find Congr. Bath, Jew in key position as Chmn of Rules Com., saying: "... Within the last few weeks there has been a wide circulation of letters and pamphlets, and I have received many of them, which carry propaganda that attempts to create discord and dissension in our country. I believe that if this bill is enacted into law it will enable the FBI to run down and apprehend these subversive agitators in our midst whose activities are the same as those employed by the Nazi and Fascist agents in dividing the people in those countries which have been weakened and fallen a prey to Hitlerism. Many persons of these subversive elements cannot be deported because they are American-born, but under this proposed law they could be apprehended and prosecuted... They can only see, and daily point out, the danger from communism, refusing to see the real danger to America, namely, that from the Nazis and Fascists. They refuse to recognize that Russia at this time, regardless of what its policies have been and what it has done heretofore, is now fighting alongside of Great Britain against the Nazis, thereby aiding us to help Great Britain. Every practical person realizes that we can help to save Great Britain by assisting all the people fighting Hitler, including the Russian people, and the Russians are not as atheistic and are far more democratic than the Nazis. The fact is very clear to every reasonable person that Hitler is far more dangerous to Britain, the United States, and all the democracies than is Stalin, and we must be practical enough to concentrate all of our efforts on the defeat of the greatest of all enemies to democratic institutions, which is Hitlerism. Mr. Speaker, in conclusion let me urge that we should not remain blind to the subversive dangerous activities in our own country and, I repeat, there is far greater danger from Hitlerism and fascism than from communism..."

So, with the Jewish bloc of the Socialist Party of America, resigning 6-30-41, because such Jews cannot accept the isolationist stand of Gentile Socialists, and recalling Congr. Sabbath's above views, it is apparent that Organized Jewry-Intl. Finance is the warmonger of the world. And with THE JEWISH PRESS 7-4-41 praying for Russia's victory, reporting that "... thousands of Jews thronged the synagogues in Moscow, Leningrad, Kiev, Minsk, Odessa, etc. and scores of other cities...", and remembering that over 40,000,000, mostly Christians were slaughtered and starved to death in Russia the past 23 years with FDR's annual official blessings, you can know who runs affairs in that "democracy". Note, too, that this paper exults: "... The 2nd Corp Area, most important military district in the USA, is now under the command of a Jewish General.. He is Genl. Irving Philipson..." While same paper expects Bolshevik Jew Maxim Litvinov, Soviet ex-Commissar for Foreign Affairs, who made pact in Red Room of White House with FDR in 1933, to soon come to USA to "coordinate American aid to Russia" as Lord Halifax does for Organized Jewry-Intl. Finance ruled Britain.

Note that Congr. Sabbath, Czechoslovakian-born Jew in above key position, sponsors H.R.3 which is designed to have, as Jew broadcaster Winchell been clamoring for, the FBI "take care of" American-born citizens who circulate warnings that Communism is the greater threat. How that Jew defends Organized Jewry-Intl. Finance ruled Russia! If its war machine is so powerful after all these years during which Christendom failed to arm, why does USSR need our help? Its supposed to have more planes than anyone else except possibly Germany; to have an army of 16,000,000, and years of accumulations of guns, tanks, munitions, etc. on hand, so why should Russia, together with Britain and its 500,000,000 people and wealth estimated 4 times ours, need us? They don't! That "phony war" is being prolonged purposely to create the excuse to involve us in that Satanic scheme, which, besides serving the ends of those who desire business and profits inherent in prolonged worldwide wars, also facilitates "Christian killing off Christian - in all countries", the real purpose of such wars, as boasted by Rabbi David Cohen in New Year's edition of rabbinical magazine EMANUEL & THE JEWISH JOURNAL of San Francisco!

Note, too, that in same 6-30-41 CONGR. RECORD, in re debates over H.R.4228, which legalizes "wire-tapping" by agents of FBI, the only witness who appeared before the House Committee in favor of that un-Constitutional bill, was the special asst. to the Atty. Genl., a Jew by name of Alex. Holtzoff. Yet Omaha's Congr. Chas. McLaughlin spoke for that bill, notwithstanding as Congr. Robsion fearlessly pointed out: "... Representatives of patriotic groups and many individuals appeared and testified against the bill.... No one pointed out any real need of this legislation. It is most interesting to note that in all the history of this Govt, in peace-time and in all of its wars, no such

measure has ever been enacted into law. If we could fight our other wars successfully without such legislation, why pass this bill when we are not at war?... They have wire tapping in Russia and Germany and other nations ruled by dictators and autocrats. This espionage upon the lives of the people has created fear and caused a greater part of their population to discontinue the use of telephones.. Even so-called head of FBI, Edgar Hoover admits the abuses would far outweigh any value to law enforcement! But, as might be expected, the Organized Jewry-Intl. Finance controlled Secy of Navy, Frank Knox sends a note 6-30-41 to bolster up the wavering NUDEAL forces in the House with these words: "I should like to be put upon record as endorsing the passage of H.R.4228 and also H.R.3. These deal with the question of espionage and sabotage and their passage in my judgment would be in the public interest."

Yet Congr. Casey (Dies Com. member who defended Red Jew David Lasser -see B#269) warns: "... There are quite a few men in this House who voted against H.R.1776 (i.e., real patriots). A noted columnist wrote that the men who voted against H.R.1776 were 'little traitors'. I have read in another column written by a very famous woman writer, that you Congressmen who voted against H.R.1776 were subversive and ought to be prosecuted and investigated by the FBI. Who is going to determine these things? You are going to have a lot of men from the FBI working on these cases. This talk about the Atty.Genl. issuing the certificates personally is nonsense... You will not have any protection... This is an invasion of the rights of the citizens. It will accomplish nothing. You cannot write a good wire-tapping bill.. " Give Casey credit for his opposition, but he didn't oppose the parent dictatorship bill H.R.1776, and it will be interesting to see how he votes when the pressure is put on - for damnable H.R.4228!

How many times the NUDEAL Administration does illegal things, then calls upon Congress to pass "must" legislation making the illegal legal. Courageous Congr. Bender, in same 6-30-41 CONGR.RECORD, opposing the wire-tapping bill, reminding the House that: "... For a long time on the floor of this House and thruout the country political leaders of all parties have condemned the Ogpu of Joe Stalin and the Gestapo of Herr Hitler. It appears to me that here today, in order to apprehend, as they say, one or two or a group of individuals, we are violating this provision of the Bill of Rights ... I cannot conceive of the need for this additional power. Why create an American Ogpu or Gestapo? ... (Mr.Starnes of Dies Com.) remarked only last Sat. that he had visited some of the camps and they were training British air pilots in those camps. I am not objecting to the training of those air pilots, but where did they get their authority to train these pilots in the USA? Is there not an American Congress? When people will take privileges and rights that they do not have, without any law, what will they do when they have that right and privilege under such a provision as this (H.R.4228)?..."

With Gen. George C.Marshall asking to hold draftees and Natl. Guard beyond the promised 1 yr. service, and for authority also to send them outside of western hemisphere, all above reminds that on 7-7-41, FDR "informed Congress" that "in accordance with an understanding between himself and the Prime Minister of Iceland, Naval forces moved in to supplement and eventually replace British forces..." With Germany with its hands full in Russia, how can the Administration (not our Govt - one can be loyal to our Constitution, as Lincoln said, yet oppose with arms if necessary an un-Constitutional Administration) even attempt to justify more secret pacts and taking-over of lands overseas by our armed forces? We've done the same in Greenland! We are guilty of exactly the same tactics that we condemn Germany, Italy and Japan for! War is Hell!

Also, as AID! predicted, clerical spokesmen would be ballyhooed as "for war". Witness that the 7-7-41 press shows picture and makes big ado over Catholic Bishop Hurley who, in coming out for war now, voices typical Anti-Christ logic: "... In the present circumstances we must not lose sight of the fact the declaration of war, the constitutional prerogative of Congress, is no longer in style; the nazi has seen to that..." I.e., just because the head of one Govt goes to war, that is a good excuse for us to become likewise guilty of warring without declaration thru the legal channels. God, indeed, have mercy on us!

Wonder what happens to S.Res.138 submitted by Sen.Wheeler in 6-30-41 CONGR.RECORD calling for report to Senate of results of thoro investigation of charges that American Naval units are convoying ships or that American Naval units have destroyed by shooting or by dropping depth bombs on German Naval units, etc.? WAR MEANS DICTATORSHIP!!!

## THE JEW. ATTACK UPON CHRISTIAN CIVILIZATION

THE EVIDENCE as to the MONSTRAN JEW WORLD CONSPIRACY, purposed to obtain WORLD CONTROL for JEWRY, by means of the TWO powerful INSTRUMENTS of INTERNATIONAL FINANCE and REVOLUTION -after peaceful penetration into a Country by Jewry- working in HARMONY on both ends of the social scale, is both complete and well documented. There is no space here other than to indicate this incriminating EVIDENCE. Certain QUOTATIONS from JEWISH AUTHORITIES will suffice to DEMONSTRATE the FACT, which is PROVEN up to the HILT. ( See: "SECRET WORLD GOVERNMENT" and sequel, by Maj.-Gen., Count Cherep-Spiridovich; "THE OCTOPUS" by Rev. F. W. Johnson; "WAR GUILT AND WARMONGERS" by Col. E. N. Sanctuary; "EDMONDSON CASE" -complete court record-; "PROTOCOLS" -Patriotic Book Shop, Bremerton, Wash.-; and for TRUTH about current activities subscribe to the following publications: "AMERICA IN DANGER," OMAHA, NEB.; "BEACON LIGHT," TASCADERO, CAL.; "BROOM," SAN DIEGO, CAL.; "THE DEFENDER," WICHITA, KAN.; "INTELLIGENCE," NEW YORK CITY; "MONEY," NEW YORK CITY; "PUBLICITY," WICHITA, KAN.; "ROLL CALL," INDIANAPOLIS, IND.; "X-RAY," MUNCIE, IND.; and many other worth while publications.

LUNCHANSKY, A JEW, and a high OFFICIAL in the BOLSHEVIST GOVERNMENT, said: "WE HATE THE CHRISTIANS. They preach MERCY and LOVE of one's NEIGHBOR which is in contradiction to our PRINCIPLES. Christian LOVE curbs the DEVELOPMENT of the REVOLUTION. Down with the love of one's neighbor! That which we must have is to HATE."

HERMALIN, A JEW, lecturing in NEW YORK CITY, said: "The RUSSIAN REVOLUTION was brought about by JEWS. We formed Secret Societies... We JEWS suggested the REIGN OF TERROR... We JEWS made the REVOLUTION a success at last by our convincing PROPAGANDA and by means of MASS ASSASSINATIONS intending to make a GOVERNMENT OF OUR OWN."

THE JEWISH WORLD, March 15, 1923, wrote: "FUNDAMENTALLY, JUDAISM IS ANTI-CHRISTIAN."

THE JEW, RENE GOOS, writing in NOUVEAU MERCURE, May 1927, said: "The two INTERNATIONALS of FINANCE and REVOLUTION work with ARDOUR; they are the two FRONTS of the JEWISH INTERNATIONAL... THERE IS A JEWISH CONSPIRACY AGAINST ALL NATIONS."

TROTZKY, the REVOLUTIONARY EXPERT OF JEWRY, stated (N. Y. Times, Feb. 16, 1926): "That America is the greatest ENEMY and MUST BE DESTROYED." This was an ORDER to all JEWS that the UNDERMINING and DESTRUCTION OF CHRISTIAN AMERICA was in ORDER.

THE CATHOLIC GAZETTE, February, 1926, a monthly publication of high standing, has this to say: "We PUBLISH the following amazing EXTRACTS from a number of SPEECHES made under the AUSPICES of a JEWISH SOCIETY in PARIS." Excerpts from these speeches are as FOLLOWS: "As long as there remains among the GENTILES any MORAL CONCEPTION of SOCIAL ORDER and until all FAITH, PATRIOTISM and DIGNITY are UPROOTED, our REIGN over the WORLD shall not come... We have been STRIVING to discover the best way of SHAKING the CATHOLIC CHURCH to her very FOUNDATIONS. We have SPREAD the spirit of REVOLT and false LIBERALISM among the NATIONS of the GENTILES so as to PERSUADE them away from their FAITH. We have given them new THEORIES, impossible of REALIZATION, such as COMMUNISM, ANARCHISM, SOCIALISM, MONISM, which are now SERVING our PURPOSE... We have founded many SECRET ASSOCIATIONS, which all WORK for our PURPOSE under our ORDERS and RECTIONS... One of the many TRIUMPHS of our FREEMASONRY is that those GENTILES who become MEMBERS of our LODGES, should NEVER SUSPECT that we are using them to build their own JAILS, on whose TERRACES we shall ERECT the THRONE of our UNIVERSAL KING OF ISREAL.... We are the MASTERS of all REVOLUTIONS... We are the supreme MASTERS of PEACE and WAR... So far we have succeeded in OVERTHROWING most of the THRONES in EUROPE.... The rest will follow in the near future. RUSSIA has worshipped our RULE. FRANCE with her MASONIC GOVERNMENT is under our UMB. ENGLAND, in her DEPENDENCE on our FINANCE, is under our HEEL. SPAIN (was) and MEXICO are TOYS in our hands. Many other countries, including the U. S. A., have already fallen before our schemes."

"THERE IS NO RELIGIOUS PERSECUTION of the JEWS in the U. S., but there is very real RELIGIOUS PERSECUTION BY THE JEWS," says the 1921 Edition of "JEWISH ACTIVITIES IN THE U. S." It follows this group of citations from Jewish records:

"1899-1900: JEWS attempt to have the word 'CHRISTIAN' removed from the BILL OF RIGHTS of the STATE OF VIRGINIA; 1906-07: JEWS of OKLAHOMA protest acknowledgment of CHRIST in new STATE CONSTITUTION; 1908-09, PROTESTS made to ARKANSAS GOVERNOR against 'christological' expressions in his THANKSGIVING PROCLAMATION; 1907-10: JEWS agitate in many cities against CHRISTMAS celebrations or CAROLS; 1910-12: PHILADELPHIA KAHILLA demands JEWS be EXEMPTED from operation of SUNDAY LAWS; 1916-17: JEWS carry out immense campaign against LITERACY clause in migration bill. KAHILLA records show that JEWS have PROHIBITED reading of MERCHANT OF VENICE (Shylock) in many schools. N. Y. Police Commissioner BINGHAM was removed because of criticism of criminality among RUSSIAN-POLISH JEWS." Today the MONGOLIAN JEWS in the U. S. A. constitute 10 per cent of the total population, but they hold an estimated 54 per cent of Federal Government positions. and they compose at least 5

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 275 & B<sub>7</sub>42 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". July 28, 1941.

RENEWALS. Quite a number who receive this bulletin still have failed to remit after being reminded by "YOUR SUBSCRIPTION EXPIRED" stamped on margin of B<sub>7</sub>273. Renewals (or new subscribers) for 1 yr. @ \$5. receive FREE copy of THE OCTOPUS, the 256-p. book with over 2,300 in index, about which 7-26-41 front page of Chicago DAILY NEWS says: "... The yellow-backed volume is a hair raiser about 'the Jews'..." (Single copies- 60¢; 2 for \$1; 7 for \$3 - all to same address - remittance with order). I thank traitor Secy of Navy Frank Knox's (Kuhn-Loeb & Co.) paper for free advertising in several spots in a column front page story captioned: "'AMERICA FIRST' GETS BACKING IN NEW MAGAZINE - Anti-Semitic Publication Carries Letter 'Signed by Robert E. Wood.'..." The magazine is 'THE AMERICAN CITIZEN' (Dewey McKinley Taft, editor, 2728 So. Broadway, Englewood, Colo.). Its initial issue, for July, which reached Chicago today, plunks hard for 'AMERICA FIRST' It plunks equally hard for the well-known anti-Semitic book, 'THE OCTOPUS', and the similar broadside, 'WAR GUILT AND WARWOMERS' (Col. E.N. Sanctuary, 511 West 113th St., New York City - 70 p. book - 30¢; 4 for \$1)..." Thanks again, Col. Knox, for the "smear".

HENRY FORD, et al. Controlled press ballyhoos day after day typical Winchell-ite "smears" of those who maintain the world as well as USA stand to gain more by USA staying out of present war. LOOK, WHO, FRIDAY, etc. smear Chas. and Ann Lindberghs, demanding Congress investigate the ex-Col., notwithstanding he sometime ago (in asking that Harold Ickes apologize for calling him a Hitler agent) wrote FDR inviting him to investigate his activities and files. Principal basis for attacks on Lindbergh recognized in words of pro-war writer Robt. E. Sherwood about Ford: "... When the Nazis pinned a decoration on Henry Ford they were honoring their own symbol of the USA, and happily expressing their confidence in their own future.. It is easy to understand why Hitler and Goebbels were once so confident that the conquest of the USA would be an 'inside job'. They were assuming that Henry Ford is the USA; and they knew that they had already successfully invaded and occupied Henry Ford.."

Above quotations but a few of many in a 32-p. magazine larger in dimensions than is the SATEVEPOST. Its front cover has our Flag in upper lefthand corner, and the Swastika in lower righthand corner, with bold-type challenge on space in between: "HENRY FORD MUST CHOOSE". This 10¢ "smear" of Ford is full of purported documentation, photostats of pamphlets, clippings, etc., allegedly put out by Friends of Democracy, Inc. with Natl. Hdqtrs. supposedly in Fidelity Bldg., Kansas City, Mo., with Rev. L.M. Birkhead as Natl. Director. Its real hdqtrs., under Jew Schwartz, is at 103 Park Ave., New York City, the hdqtrs. of the Jewish Information Bureau, which incidentally, in Jewish N.Y. TIMES 7-27-41, announces that there are so many Jewish "refugees" in USA now, that this Bureau is going to compile a "WHO'S WHO" of such "refugees". I hope they do so we can remind you how many Americans have been displaced by such "refugees". Wonder if they will dare list such "refugees" on Govt jobs?

Arrogance of Organized Jewry-Intl. Finance, as it feels that its "'V'ictory" is near (when it will have enslaved the entire world thru military-economic-political dictatorships, is seen in this Ford MUST CHOOSE release, which seems intended to serve as authority for press and speakers in a concerted and intensified drive to intimidate and destroy all opposition to its plans. It was not enuf that Ford finally capitulated to Organized Jewry-Intl. Finance controlled Labor organizations AF of L and CIO by granting latter closed-shop contracts. No, Ford must grovel some more to be a good American! (?)

What MUST Ford CHOOSE? Last sentence of p. 31 of that "smear" magazine reads: "If Mr. Ford does not see fit to take any of the steps which we have here called upon him to take, we submit he will stand convicted as an enemy of the American people." What steps MUST Ford take, or be "convicted as an enemy of the American people"? First, he

MUST "Stop the further publication and circulation of pamphlets and books containing copies of or extracts from THE DEARBORN INDEPENDENT articles." Second, He MUST "Stop the further publication and circulation of pamphlets and books quoting Mr. Ford's endorsement of THE PROTOCOLS OF THE ELDER OF ZION or quoting from other anti-Semitic statements of Mr. Ford which presumably no longer represent Mr. Ford's true beliefs." Third, "Mr. Ford must make periodic statements to the press, giving the fullest publicity to the action that he is taking." Fourth, he MUST "Proceed immediately to dissociate himself absolutely from W.J. Cameron (Vice-Pres. of Ford Motor Co., radio speaker). Fifth, "After Mr. Ford has taken the steps outlined above, let him prosecute for libel any one who states he is anti-Semitic. At the present moment Mr. Ford is in no position to take such a step, since the record shows that he has acquiesced in widespread anti-Semitic activities in which his name and prestige have been employed by the foulest defamers of the Jewish race." Apparently, the "American people" are composed only of Jews and Judaized Gentiles, and of the latter, Christ accused them of being "two-fold more the child of hell than the Jews themselves". About 120,000,000 in USA will not agree with Organized Jewry-Intl. Finance's concept of the "American people".

I.e., Mr. Ford MUST use his power to STOP (and report periodically to the controlled press what action he takes), not only domestic, but even foreign publishers. P.28 of that "smear" magazine, under bold type caption "AMERICA'S LITTLE HITLERS PAY TRIBUTE", reproduces titles and parts of pages on which they appear, of, in order named; SOCIAL JUSTICE (Rev. Chas. Coughlin), AMERICA IN DANGER!, LIBERATION, THE HIDDEN HAND, ROLL-CALL, THE DEFENDERS, and INDUSTRIAL CONTROL REPORTS. Also reproduces excerpts from publications of Col. E.N. Sanctuary and Robt. Edw. Edmondson. In a box in lower righthand corner you read: "America's little Hitlers have stamped Henry Ford with their unqualified approval. He has been eulogized in a majority of the 300 regular Nazi publications in the United States..."

Of the 9 publications-publishers above (far cry from 300 - they used to claim there were over 800), at least 3 are no longer, i.e., LIBERATION and INDUSTRIAL CONTROL REPORTS (Jas. True) extinct, while Edmondson hasn't published anything for about a year. On p.30 of that "smear" magazine it lists 17 publications-publishers who MUST be STOPPED: "The Right Cause Publ. Co., Chicago, Ill.; The Pyramid Book Shop, Houston, Texas; the American Publ. Society, Seattle, Wash.; Wm. Dudley Pelley, Indianapolis, Ind. (ROLL-CALL); N.W. Rogers, Tompkins Corners, N.Y.; Gerald B. Winrod, Wichita, Kas. (DEFENDER); the Anglo-Saxon Federation, Haverhill, Mass. (Howard Rand - DESTINY); Wm. Kullgren, Atascadero, Calif. (THE BEACON LIGHT); Col. E.N. Sanctuary, New York City; Robt. Edw. Edmondson, Stoddartsville, Penna. (old address); the CHRISTIAN FREE PRESS, Glendale, Calif.; Mrs. L. Fry, Los Angeles, Calif. (hasn't been there for over year); NATIONALIST PRESS, New York City; Mrs. Livingston Schuyler, New York City; Pete Stahrenberg, New York City; Charles B. Hudson, Omaha, Nebr. (AMERICA IN DANGER!, - THE OCTOPUS, PLANNED ECONOMY); Elizabeth Dilling, Chicago, Ill. (THE RED NETWORK, ROOSEVELT RED RECORD, Ed. Table Ltrs.)

I don't know whether first 3 named above exist or not, but the CHRISTIAN FREE PRESS been out of existence for 2 years, and Mrs. Fry, its editor, hasn't gotten out anything since the book PLANNED ECONOMY (with its 3 large charts proves the interlocking national and international Jewish financial-political-military control) in 1939 (I have a few copies at \$1 each). Judge Rogers, Col. Sanctuary, and Mrs. Schuyler only infrequently put out limited printings of folders or pamphlets, while Stahrenberg nor Edmondson are publishing anything now. So, that leaves only Pelley, Winrod, Rand (allegedly supported by Cameron, whom Ford MUST fire), Kullgren, Dilling and myself, of the once claimed 800 "Nazis" that Ford MUST stop! Incidentally, I have never had as much as a postage stamp from either Ford or Cameron. The output of above few free-lance writers-publishers is but the tiniest drop in the bucket compared with the outpourings controlled by Organized Jewry-Intl. Finance. How Satan and his gangs fear TRUTH! Surely, if what we few put out is not the TRUTH, with all the liars in the world from high places on down, why does OJ-IF bother about us? How significant it was the Jewish-named Naft, a Nihilist, whose article listing most of us as being the first to be clamped in concentration camps, appeared in 5-29-41 issue of the CONGRESSIONAL RECORD. (see B#267). How interesting that the murderer Dr. J. Frank Norris's FUNDAMENTALIST 7-25-41 front-pages that things will happen faster and faster as America gets deeper into the war - "Look out then for all the Hitlerites!" - the FBI will get 'em! This NUDEAL and pro-war religious radio

minister (see THE OCTOPUS) spews his hate against Mrs. Dilling (and her friends) in words like these: "One of the principal ones (Hitlerites), whose connections are now well known, one that Senator Glass called 'A fish wife' - and she was convicted of 'disorderly conduct' (referring to trumped up arrests at Washington in Febr. when she was leader of MOTHERS CRUSADE against dictatorship-war Bill H.R.1776) - raved like a maniac in a padded cell - she is out with one of her characteristic sewer rat circulars, screaming that 'somebody is trying to crush my work' - 'against my platform', et cetera, ad finitum, ad nauseum! This great 'patriot', along with some Nazi co-conspirators whom she is associated with, has now been thoroughly unmasked, and those who had paid attention to her ebullitions and excretions, have long since found that she frames any concoction a la Joseph Goebbels. This 'patriot's' connections has now become so well known, that there is not a church of any consequence who would admit her further 'patriotic' fulminations in her writings on Anti-Semitism...." And that Dr. Norris claims to have largest Baptist church and Sunday School in the USA! His tirade against Mrs. Dilling et al includes this gem: (a supposed follower of Christ): "In this the greatest crisis in American history, there is but one course, and only one course - '100 per-cent all out for Britain.'..." Before the "control" got him, Dr. Norris used to have Mrs. Dilling in his churches, and used to condemn the NUDEAL, the CIO, the Communists, as well as Nazis. And, after a trip thru Europe, he published many kind words about the Nazis he now hates.

In re concentration camps, the 6-5-41 PATRIOT (London), just received, cover editorial "THE LIBERTY OF THE SUBJECT AGAIN" tells how the High Court of Justice finally on 5-27-41 handed down a judgment, releasing a Capt. Budd, who had been jailed for 11 months without charges, notwithstanding his record as officer in World War I was honorable, that he was on 75% disability pension for life, yet had been accepted back into the Army in 1939 when he had ceased any connections with the British Union of Fascists. Editorial comments: "... Mr. Justice Humphreys gave it as his opinion that no sufficient care and attention were paid to Capt. Budd's individual case by the Home Secretary. Seeing the powers which Parliament has conferred on the Home Secy, that is about as strong an indictment of the Home Office action as could be made, and must add to the grave doubts which already exist as to the wisdom of granting the present powers of detention (arrest and jailing) without much greater safeguards than at present exist. It cannot be forgotten that Mr. Morrison, in his position for carrying out these Defence Regulations, has been termed 'a complete dictator' in Parliament, where it has also been stated as a fact that on no fewer than 55 occasions has he differed from the recommendations of the Advisory Committees, and men have been detained (jailed) on his sole responsibility..."

This is what we can expect from  $\frac{1}{2}$  Jew La Guardia, similarly placed Socialistic "dictator" in USA, whose most recent tactic to impress war-consciousness upon the people was the aluminum racket-collection-drive, and prior to that his ordering State Sheriffs to stop autos on highways on July 4 so that you had to listen to der further FDR whether you wanted to or not. Reminds that when a man-on-the-street radio announcer let an answerer express freely about this racket and that such pots and pans cannot build planes, that announcer was criticized for not "stopping" the speaker, and a good part of that radio program the next day (first of the drive) was devoted to ballyhoo for the drive, with the American Legion official speaker intimating that anyone who did not heed this opportunity for displaying "unity", was a "5th Columnist".

Reminds also, that both the U.S. Bureau of Mines and the So. Dak. State Geological Survey claim that So. Dakota alone has 30,000 square miles, up to 1,000 feet deep, of untouched bauxite - enuf to make all the aluminum we could use in years! Other valuable minerals, manganese, tin, tungsten, beryllium, etc. also for some reason have never been permitted to be developed in So. Dak. Isn't it because Organized Jewry-Intl. Finance that controls mining rackets worldwide prefer to produce such at slave labor in Africa, Asia, and So. America, selling to USA at high prices? And imagine Wm. S. Knudsen, OPM director, and F.H. La Guardia, Civilian Defense director, mere FDR-appointees, telling cities they couldn't sell the aluminum scrap locally, even if they desired to use the money for patriotic purposes! Imagine Jewish Leon Henderson, "price control" czar, demanding the auto industry to cut down its production 50%! Dictatorship by decrees and degrees!!!

That technique of "dictatorship by decrees and degrees" seen in Senate's approval of that property seizure bill after only one day's debate on 7-22-41, to be followed by

expected approval this week of extending service of DRAFTERS, and then to declare an emergency which will put full force of dictatorship into effect. Only chance to kill these 3 vicious warmongering-dictatorship bills is in the House of Representatives. In that connection, AMERICA FIRST COM. sponsors special trains to Washington so that protesters can call on Congressmen and let them know that all polls to date show that from 70% to over 90% of voters are against USA going to war on side of Britain. AMERICAN WOMEN of New York City sending out postcards asking recipients to write FDR, Senators and Congressmen, and then to make copies to be sent on to at least 2 other women - to do likewise. An endless chain idea! A Minnesota farm-wife says farm shortage forcing them to work 12 to 16 yr. old boys in fields; that when local RR Agent couldn't furnish junk-dealer a car, that Jew threatened him with loss of his job, and sure enuf the Agt. got a letter telling him to take care of Mr. Jew or lose his job. Priorities - eh???

Reminding that the MOTHERS OF SONS FORUM, 3757 Woodburn Ave., Cincinnati, O. issued "P-S" - A post-script to the News bulletin No. 1 7-4-41 which climaxed with: "... Protest against proposed extension of the training period for DRAFTERS. Denounce vigorously any legislation that will permit the sending of DRAFTERS out of the Americas. Canadian draftees are not sent out of Canada... Are our American boys less precious than these? Are they forever to be used as pack horse for Britain's folly? Write to Mr. Taft, et al.. WRITE! WRITE! WRITE! Keep yourself in readiness to march on Washington. .... YOU NEVER PUT OVER WHAT YOU PUT OFF."

I am proud to wear a small white button, with Christian CROSS outlined in Red, overprinted in blue: "KEEP - AMERICA - CHRISTIAN". Patriotic lawyer designed and puts them out. If you desire get in touch with him, write me. Reminds that a fine Christian soldier boy writes that just a few feet away from his Camp is a dirty tavern in which 15-yr. old girls lollygag in laps of drunken soldiers, enticing them to enter side rooms at 50¢ per. Was it "planned that way" (see B, 274) that such boys have to go only a few steps from that dive to get prophylactic treatment in the Army Hospital? Yes, there are many reasons why FDR don't want the DRAFTERS to go home this winter.

That technique of "dictatorship by decrees and degrees" likewise applied in warmongering tactics abroad. Witness 7-26-41 FDR calling out armed forces in Philippines, about 75,000 Filipinos, following 7-25-41 British and USA joint freezing of Japanese assets. Then, following expected retaliation by Japan freezing American assets in Japan and gaining \$86,000,000 in the deal (just another way by which we have been supplying Japan about 80% of her war materials, altho some say we are at war with Germany Japan's partner), note that on 7-27-41 the Soviet Russia controlled Genl. Kai-shek is reported as having granted USA and Britain permission to use Chinese air bases. If we do, American airmen will be killed, and we'll be in the war, furnishing the excuse for clamping on full military-economic-dictatorship. Then, in about 60 days, a fake peace will be touted, with USA demanding a leading role as per acting Secy of State Sumner Welles speech of 7-22-41, who, while bluffing that "there can be no peace until the Hitler Govt of Germany has been finally and utterly destroyed", proposes another Jewish League of Nations - the same plan and bait that Pres. Wilson fell for. Will we bite???

How significant that with Stalin's brand of Communism now in favor, the FBI starts rounding up a few Trotskyites. For about 5 years AID! warned about the Dunne brothers and Jews Al Goldman and Al Russell. Russell cost Omahans alone millions of dollars in business driven away by strikes, threats, cracked heads and property damage, while Al worked both the AFofL and CIO organizing rackets. Yet Intl. head of B'NAI B'RITH (see THE OCTOPUS), as attorney for a firm, and attorney for several firms, a prominent Catholic layman and past Pres. of Chamber of Commerce, both "sold out" workers and employers by making contracts with that Red Jew Russell. Bet "alias" Al will never be punished.

How significant, too, as AID! predicted, Organized Jewry-Intl. Finance controlled labor unions are now being sold out, Red Jew Sidney Hillman, as powerful labor leader and real head of OPM, has forced AFofL building trades to accept uniform agreements with defense industries, which denies labor one of its most powerful weapons - the right to strike! Just as dictators rode into power on backs of labor in Europe, and then disbanded the unions, so is the same technique being carried out in USA.

With Reds supposedly in harmony with FDR war program, how come 2 latest type Hudson bombers, enroute from Calif. to Canada, both in succeeding days, burn up, the first exploding in air in daylight with both Army pilots killed? Both crashes in Ohio, looks like sabotage-by-chemicals intend planes destruction before crossing into Canada.

Information has been received from an unknown outside source, dated June 7, 1941 at New York, New York, to the effect that "The Hour" reports that Charles B. Hudson, editor of the anti-Semitic news-letter, America in Danger, has been, for sometime, voicing his dissatisfaction with our form of government.

It was reported that until recently, his disgust with democracy was expressed in theoretical terms. He denounced all democratic principles and praised every fascist trend. Now, however, he feels that statements of ideology are insufficient, and he is calling for action. In the last issue of his publication, he urges that our government be overthrown. Like Father Coughlin, he concedes that "Civil War" may be necessary. But this, he points out, is a minor consideration. The main thing is to topple the government, and according to Hudson, no exploit could be more patriotic. He states as follows:

"Yes, when we crusade to save the Christian Constitutional Representative REPUBLIC of our Founding Fathers, we are not revolting -- no more than Lincoln did. The usurpers now in power in the (not our) Administration, are the ones who revolted away from our Govt 'of the people, by the people, and for the people.' Those NUDEALers are the real traitors! They are the Benedict Arnolds! The 'real 5th Column' is already entrenched at Washington. They must be ousted -- peaceably or otherwise!"

Respectfully submitted,

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 276 & B#43 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Aug. 5, 1941.

WARNING! W.R. Davis, oil man who "knew too much", dropped dead with "heart failure" last week. A Christian Patriot, in wee sma hours, in ice-water brot to his hotel room, found enough poison to kill all people on that hotel floor. BEWARE!!

FRANKING PRIVILEGE. Because about 3 of 1,000,000 cards sent to voters under Sen. Wheeler's frank reached men at Army camps, Secy of War Stimson virtually called Wheeler a traitor, was seconded by FDR, then with other Senators coming to Wheeler's rescue in Senate discussion, Stimson apologizes, but FDR doesn't. Wheeler squelched opposition to such use of frank, pointing out that Wendell Willkie's friends sent out 7,000,000 cards in last campaign, while in '36 the Democratic Administration had sent out 13,000,000 cards under franks. And, the Willkie card was derogatory of FDR, whereas Wheeler's card merely quoted FDR and others re promises to keep out of war.

But, Omaha WORLD-HERALD 8-2-41 editorially keeps up "smear" tactics by suggesting: "Perhaps a congressional investigation of the strange uses (Wheeler's, and the franking remarks by ex-Pres. Hoover that had been inserted in CONGR. RECORD) of the congressional frank would not be out of order."

Is WORLD-HERALD afraid a wide circulation of uncensored facts in CONGR. RECORDS may expose, not only the propaganda nature of most news items in press but also the flimsy base on which its pro-war attitude editorially rests? E.g., lead editorial in 8-1-41 W-H not only OKs NUDEAL foreign policy, but trys to justify current legislation in Congress which enables FDR to keep enlisted as well as drafted men in Army indefinitely - to-wit: "... it is recognized that our army, in this hour of peril, cannot be two-thirds dismantled. It is recognized that the need for an adequate and trained military force today is far greater than on day the draft was ordered..."

W-H editor should know the CONGR. RECORDS are full of documentation to the contrary! That only 13,800 boys would be released in Nov.; only 5,521 in Dec.; only 73, 633 in Jan., etc. It is a lie that our Army would be "dismantled" if "must" legislation not passed now! Further, it is fact that the Army had discouraged re-enlistments; that Genl. Marshall (under orders from FDR) testified before Congress in June 1940 (after invasion of France, and size of armies overseas known), that USA needed for defense only 375,000 men; later he asked for not to exceed 500,000; now he asks for 1,727,000 men, while the national-defense bill (appropriations) passed by House and now pending in Senate (CR 8-1-41) "provides critical items of equipment for an augmented force of about 3,000,000 men"!

If not so tragic it would be to laugh that same editorial page has public pulse letter signed by one of Nebr.'s leading Communists, Dewey Hanson, who likewise puts his OK on NUDEAL foreign policy, warmongering with: "... If it is necessary to draft manpower, wealth or labor or whatever is necessary to bring about the defeat of tyranny ("nazi hordes, nazi socialism"), then that is the thing which must be done..." Sounds just like editorial after editorial in W-H. Strange bedfellows!

Obviously, even should Germany conquer Russia (believe will do so this mo.), it perforce must spread its armies on so many fronts, and with so many nations to police, it is childish to even suggest that Germany could ever invade USA. Thus, if a year ago less than 500,000 men were sufficient to defend this hemisphere, why the building up to 3,000,000 (even 20,000,000 - for Congress never fails to appropriate for the stepping up from 375,000 to 3,000,000 men in past year)? Also, since FDR is asking for stepping up of an indefinite "number" as well as "length of service", it should be obvious, with American armed forces already in Greenland, Iceland, Gibraltar and Asia, that the NUDEAL is now trying to legalize its present illegal A.E.F.

Not only do I understand that 30,000 boys are illegally at Gibraltar (i.e., an

land. That's but 3½ hours flying time to American base constructed in No. Ireland. Thus we may already be furnishing American pilots as well as planes in war on Germany. Congress denied facts, yet only Congress has power to declare war - unless Congress further abdicates its powers by passing "must" legislation now being demanded, supposedly by the Army, but in reality by Organized Jewry-Intl. Finance.

Rabid pro-NUDEAL magazine LOOK (feature article "smears" Lindbergh, Genl. Moseley, Rev. Coughlin) 8-12-41 issue glorifies 8 men who form the "up-stairs cabinet" which "slips in.. after dark", to plot, plan, write speeches, etc. for FDR. This Synagogue of Satan consists of financier Berney Baruch "who lunches in President's office every Tuesday"; Felix Frankfurter "political godfather.. of bright young men in Washington"; Sam I. Rosenman, FDR's "right arm" thru political career, who writes FDR's speeches but "his name is never on the WhiteHouse engagement lists... never listed.. on FDR campaign trains, but he is always there"; Wm. C. Bullitt, FDR's first ambassador to Red Russia, then to France, and now organizing a "natl. home defense corps", thus lined up with ½ Jew LaGuardia, Natl. Dir. of Civilian Defense, etc., whose organization contains many more Jews, including Intl. Pres. of worldwide OGPU spy and pressure system, Henry Monsky, head of B'NAI B'RITH (see THE OCTOPUS); Robt. E. Sherwood, who wrote foreword in "FORD MUST CHOOSE" "smear" magazine (see B#275); Lowell Mellett, selector of NUDEAL publicity men; Frankfurter protege Archie MacLeish, Librarian of Library of Congress; and Basil O'Connor, once FDR's law partner and no doubt a Tammany contact. With the most powerful men in this "up-stairs cabinet" prominent Jews, who is NUDEAL?

Undoubted intention appears to be, after whipping thru the "increased Army and increased length of service", to get from Congress a "national emergency", thus putting USA under military-economic dictatorship similar to Russia, Germany, Italy, and Britain. Then, after dividing up world into 3 major spheres under London, Berlin, and Washington, after a "peace" (really an armistice, for war-building programs will continue), possibly this winter, maybe early as Sept.-Oct., there will be no relaxing of dictatorship, but instead, an increased clamping down on all objectors.

That the aforementioned "strange use" of the congressional frank is getting under the hide of Organized Jewry-Intl. Finance seen not only in press, but in implied illegal usage attributed to me, in the "confidential weekly bulletin" THE HOUR, widely quoted in Jewish and other press. 7-19-41 issue says in part under caption "HUDSON AND HAMILTON FISH": "... Hudson is sending these reprints thru the U.S. mails in envelopes bearing Hamilton Fish's name; and he is using the Congressman's franking privilege. The latest item circulated by Hudson is entitled 'No Convoys! No War!' It is a speech made by Fish in Congress on April 21, in which the Congressman condemns Pres. Roosevelt's foreign policies and condones those of the Axis governments... It is only natural that Charles B. Hudson should want to publicize the views of Repr. Fish, since Fifth Columnists are in unanimous agreement that Fish's opinions should reach the widest possible audience. Fish has won their admiration and support by his consistent pro-fascist stand. American Quislings know he is one man they can depend on."

Obviously it is a lie that Repr. Fish or I "condone the policies of the Axis governments". Today, to be pro-American earns one the title "5th Columnist". THE HOUR would be surprised how many thousands of CONGR. RECORD reprints we get out. THE HOUR 8-2-41 "smears" Repr. John E. Rankin, ex-Congr. John C. Shafer, and Sen. Robt. Reynolds, labelling them "anti-Semitic", "pro-fascist", and "5th Columnists", and is quite put out that Sen. Reynolds is now Chmn of important Com. on Military Affairs, and vexed because all 3 are against USA going to war overseas for Organized Jewry-Intl. Finance.

Instead of WORLD-HERALD advocating a congressional investigation of American Congressmen now using their franking privilege to get facts to voters, it might well use its influence to help Senators Clark (of Mo.) and Nye get action on their S. Res. 152 calling for congressional investigation of war propaganda disseminated by motion pictures and radio. Confirming reports from West Coast on one specific instance of movie industry using its powers (in addition to production and promotion of propaganda) to force people to give support to warmongers, Sen. Wheeler in 7-31-41 CONGR. RECORD submits TWENTIETH CENTURY-FOX FILM CORPN. order to its employees: "... It is imperative that the Hollywood Bowl be crowded to overflowing. Mr. Willkie must leave Hollywood realizing that the motion-picture industry is behind him in his fight for

national unity. He must know that the good Americans . . . Hollywood can turn out as strongly as the bums and the other subversive elements turned out for Mr. Lindbergh."

With all this "draft" effort, only about 15,000 heard Willkie, whereas between 40,000 and 50,000 turned out without any ballyhooed or "lose your job if you don't" pressure being exerted, to hear Lindbergh. And about 150 picketed that Willkie meeting, with many press flashlight pictures taken of significant posters carried by Christian Americans, but press didn't use them and was strangely silent on affair. How significant that among other honors awarded by Organized Jewry-Intl. Finance to Willkie, the Jewish War Veterans should present an "American Leadership" award on 6-28-41. Since that traitor is doing all he can to "lead" USA into war and dictatorship, need one ask "Who Wants War?" And, with an "American" Legion, just why in this country should there be a "Jewish" war veterans outfit? Think that thru!

In re aforementioned S. Res. 152, a worker on soon forthcoming "MARCH OF TIME" movie wrote Sen. Wheeler anonymously "for fear of losing his job", that it was so bad he wished he could quit his job - but he has dependents to support. Also, if WORLD-HERALD is anxious for a congressional investigation, why not propose that Congress investigate why the Navy Band plays over radio for Friends of Democracy, Inc., that Organized Jewry-Intl. Finance "front" that just put out that 32-p. 10¢ magazine "smearing" Henry Ford, et al? (see B#275). Why does that Band play at rallies in New York City for similar pro-war groups, yet when the MOTHERS' CRUSADE vs. H.R. 1776 last Febr. tried to get even a drummer for its parade (with police escort) at Washington, not a drummer or band could be found?

Why doesn't the WORLD-HERALD demand an investigation of the Aluminum campaign? With deluded Gentiles in USA donating aluminum pots and pans, how significant that in New York City, with its 40% Jewish population, altho there was a special police booth and a guard of policemen on duty 7-21-41, a couple of kids' wagons could have hauled away all the aluminum deposited in a fenced plot 30 ft. square on TIMES SQUARE up to 9 PM that night. How confirmatory of AID! predictions is NY HERALD-TRIBUNE 7-29-41 report that the aluminum scrap would be baled by Jewish warehouses, "hauled to smelters, bid in at auction by (Jew) junk-dealers, the proceeds of sales to be devoted to defense production, and the reincarnated metal to reappear eventually in industrial production, either for actual defense or to replace vital supplies of the metal diverted to defense needs." How that confirms 7-28-41 letter from Col. McShane:

".. From reliable sources it was learned that our Bolshevik 'boss' of OPM, Sidney Hillman (Red Jew), is the supreme authority on aluminum and the racket 'for defense', and that he has turned it over to his Pal, (½ Jew) LaGuardia, the Natl. Dir. of Civilian Defense (?). That the utensils collected from the 'sucker' public, all over the country, and which cannot be used in 'defense', will be turned over to LaGuardia who will have it weighed, baled, and 'sold at auction' to scrap metal dealers, who in turn will sell it to industrial smelters where it will return to sales counters to replace the pre-arranged shortage, here, OR abroad. Our informat also says LaGuardia has promised to turn all (?) the proceeds from these auctions over to the super-defense U.S.O... How much more incentive do our people want before they start that 'MARCH to WASHINGTON' to impeach ALL persons guilty of this SELL-OUT of USA by 'defense' rackets and otherwise?...."

Now deluded women are storming retail stores (mostly Jewish) and buying up silk hose by reason of alleged shut-down of silk mills in USA, and alleged embargo on Japan. Ever so often NUDEAL propaganda goes out that USA is stopping certain trade with Japan, yet all thru that regime we have been supplying both Allies and Axis Powers, with about everything with which to carry on war. We get from such Organized Jewry-Intl. Finance skullduggery about as much consideration in re materials, as did the relatives of an American boy, they having to pay \$119. collect shipping charges on the decomposed body of that volunteer ("lend-leased") to Britain!

Since women buy over 75% of retail sales, I commend for adoption in every city, the plan of THE MOTHERS OF SONS FORUM of Cincinnati, Ohio, which is preparing a "most-favored-firm" list as a guide to shopping, to contain the names of merchants who, by public expression or policy, have indicated their opposition to American participation in the European War.

One group of MOTHERS from mid-west called on Congressmen at Washington last week- the closing paragraph of their argument reading: "We who went to war to give the Negro freedom, cannot be expected to look complacently on while we are being robbed

of ours." That's the spirit that will get results. It's the spirit of '76!

Another group of MOTHERS from an eastern city tried to get to Senate Gallery last week (after calling on Congressmen), and when the Guard stopped them, one MOTHER asked: "Who told you not to let us up? Give us his name and we'll see him?" That threat proved to be the key - he blustered: "Oh, go on up - if you know Sen...." With that Gallery only about 1/3rd full, Guards were herding long lines of people in basement and on first floor, keeping them so long they get tired and drop out. A little more aggressive and determined action taken by citizens necessary to enable one to see his "servant-Congressmen" sell him out. NUDEAL doesn't want citizens to get wise. I had same experiences last Febr. during MOTHERS' CRUSADE to defeat H.R.1776.

More and more agree that Christian Americans are obligated to convince their servants in Washington, not only that further subversion of the Constitution must end, but much of legislation passed the past 30 years must be repealed. Not only must the motor be put back into its once sweet running condition, but all carbon and sludge must be removed, and all dead weight of useless "crack-pot" inventions, trappings, frills, etc., must be removed from the chassis, so that our then streamlined Govt can permit the driver (private enterprise - the American Way) to pass any other on the Highway of Life, as we successfully did until the Collectivists (socialists, et al) started tinkering not only with motor but tagged on endless trailers, dewdads, etc.

File in your car - take your family - your vacation - in Washington. Profit by what you read herein. Don't let bureaucrats buffalo you! You are still boss - providing you assert your Constitutional rights! This is no time for half-way or half-hearted measures. The crisis of 1776 - the crisis of 1941 - both brot about by the same Organized Jewry-Intl.Finance - requires a renewed "Declaration of Independence"! A small weak group of colonists successfully broke away from the "control" then. We should be ashamed and deserve the enslavement we're going to sweat under if a Nation of 133,000,000 cannot assert its independence today! That "independence" now can be achieved only by IMPEACHMENT of all, from FDR down, who can be reached that way. Call on Repr. Hoffman. Help him set Impeachment proceedings in motion! It must be done!

If Army officers are permitted to testify "to influence Congress", that 90% of their men are for the indefinite extension of their service, if this is the "democracy" that the press insists we are (USA was once a Christian Constitutional Representative REPUBLIC), then why not permit the men and boys who have to do the fighting to at least be able to write to their Congressmen when they are not permitted to send representatives to properly present their views? It should be BIG news that notwithstanding such censorship, Congressmen are receiving thousands of letters and petitions which prove that the men are 90% against such extension. Press is not reporting such facts - thus proving the "control". Sen.Taft brings out in CONGR.RECORD 8-1-41 that the plan now being forced upon Congress as "must" legislation will destroy the already low morale of our Army. How idiotic that "... a man who is constantly complaining, taking no interest, and loafing on the job is to be rewarded by a discharge. A man who is conscientiously doing his duty, no matter how anxious he is to return home, is to be retained in the Army for life..."

In at least one Army camp, men talk about revolting! Even the publications giving the truth are being denied access into Army camps, and even the Jewish ex-ruiners at induction centers are rejecting informed Gentiles, thus trying to keep those in the camps in the dark, yet truth has a marvelous power of getting around. It is getting to be quite a stunt for "draftees", when quizzed by Jewish examiners at induction centers, to purposely display their knowledge of "The Jewish Question", with result such "draftees" are rejected. (see B#273). Yet, in every case, these boys if convinced they are needed to defend their Country, would volunteer gladly.

Wife and I have an only son, 6' 4" 20-yr-old Bill, whom we would gladly see volunteer to defend the Flag, thus following in the Hudson tradition (my father, brother and bro-in-law, and I, all enlisted in previous wars), but we will fight to the last ditch to prevent him becoming cannon-fodder in the service of the Anti-Christ Organized Jewry-Intl.Finance, the influence behind all the alien "isms" with which we are being plagued, and the power back of all dictator-regimes, here and abroad. As Abe Lincoln sensed it, a good American is one who fights to restore our once Christian Constitutional Representative REPUBLIC, and that necessitates kicking out un-Constitutional usurpers who today constitute the "controlled" Administration, or NUDEAL!

BULLETIN NO. 277 & B#44 "MARCH on WASHINGTON to IMPRACH Pres. Roosevelt". Aug. 12, 1941.

**RENEWALS.** If "YOUR SUBSCRIPTION HAS EXPIRED" stamped on margin, it reminds your remittance will be appreciated. Due to importance of bills in Congress, many copies of this and recent AID! bulletins been sent to Congressmen and other leaders, warning re program of Organized Jewry-Intl. Finance. Faithful subscribers made it possible to mail thousands gratis in this emergency. Crisis warrants your continued support of AID!

**Third Asst. Postmaster Genl.**, besides denying the 25¢ p. book THE OCTOPUS the 1½¢ per lb. postage rate (trying to hinder distribution), is now demanding that one distributor pay the difference between the 1½¢ and the 4th-class zones rates (7¢ to 14¢ in USA) on all books mailed since last fall. This illegal persecution by NUDEAL may be expected to an even greater degree, unless you tell your Congressmen that as long as 1½¢ rate is extended to Socialistic, Communistic, Godless books, it must be granted to publishers and distributors of Christian books. If such illegal rulings of Post Office Dept. allowed to stand, the BIBLE can likewise be denied the book post rate. Ask your Congressmen to inquire of the P.O. Dept. at Washington "why?" the discrimination against THE OCTOPUS. Every Congressman was sent a copy some time ago - he can see it meets all postal requirements. You can help stop this one illegal step towards dictatorship. Will you?

Renewals to AID! for 1 yr. @ \$5. entitles you to free copy of THE OCTOPUS. (1 for 60¢; 2 for \$1; 7 for \$3 - to one address - remittance with order). As long as supply lasts, I will send you a copy of out-of-print book TNT for every \$2. or more remitted.

**PUBLICATIONS.** Now that the power behind all dictatorships and wars (Organized Jewry-Intl. Finance) is clamping down all along the line, with recent passage of Property Seizure and Extension of Draft Bills, it is well to consider how our totally disabled, tubercular retired enlisted men who served in World War I are being taken care of. (House 8-12-41 voted 203 to 202 for draft extension in uproar - if Chas. McLaughlin of Omaha had joined all other Reprs. from Nebr. and Iowa in their vote against, his one vote would have defeated that betrayal bill - and ex-Sen. Burke of Omaha still traitorously serves on Com. of Military Training Camps Assn. which put over first Draft bill and followed thru with every conceivable pressure on Congress to extend it - Christian Americans will remember our betrayal by these 2 cheap politicians). (Such 18 mo. extension added to original 12 mos. of Draft constitutes "breaking faith" on part of NUDEAL, purposely to destroy morale of those already in and of newcomers, thus duplicating results of Organized Jewry-Intl. Finance control in France leading up to Hitler "take-over").

Send 20¢ to Editor, NATIONAL DEFENSE, 234 No. 1st Ave., Arcadia, Calif. for July-Aug. 41 issue and learn about cold-blooded betrayal of helpless victims of World War I; how, among others, the AMERICAN LEGION (which until recently opposed another A.E.F. but now is passing "resolutions" to all-out aid of Britain and Russia - yet its Americanism Com. continuously warns against dire dangers of Communism) offered no assistance whatsoever towards a legislative program this summer at Washington to aid the now discriminated against helpless victims of Organized Jewry-Intl. Finance's World War I.

To find out the extent of that power's perversion of issues, personnel and history of our Civil War (thus preparing public acceptance of destruction of our once Christian Constitutional Representative REPUBLIC), send 20¢ to Lucy S. Stewart, Secy., Society for Correct Civil War Information, 2110 Orrington Ave., Evanston, Ill., and ask for their bulletins. You will learn much about books and movies purposely propagandizing falsely.

To get, among other valuable documentation, an understanding of how the "Solid South" is still fighting that Civil War, and thus betraying successfully in the 1940s where the "control" failed in the 1860s, send 25¢ to Wm. Kullgren, Atascadero, Calif. and ask for Aug. '41 issue of THE BEACON LIGHT. - Read its expose of "UNION NOW"; "The Bank of England and its Control"; etc. Many ask "Who are the Intl. Bankers?" This names them!

among other valuable contributions, two by 2 of the 3 men who stood by Genl. Geo. Van Horn Moseley (retired Sept. '38 as 2nd in command of U.S. Army) when he was "on trial" before the traitorous Dies Com. Geo. E. Sullivan's "Stars And Stripes Forever" is a documented expose of "UNION NOW", while ex-Congr. J. Thorkelson's "Let There Be Light" takes you behind the scenes of Intl. Finance in World War I. Fact that this 50¢ per yr. monthly magazine fearlessly publishes what you should know about the plot and tactics of Organized Jewry-Intl. Finance, besides preaching the return of Christ as only solution to present Satanic regimes, with circulation over 100,000, explains venomous attacks by Winchell.

Proof that the NUDEAL is a "planned that way" program for worldwide control thru dictatorships, in which so-called Lease-Lend Bill H.R. 1776 plays a part suspected by few, is documented in last 3 releases of weekly bulletin THE INDIVIDUALIST, P.O. Box 373, Lincoln, Nebr. Send 30¢ and ask for Nos. 133, 4, 5.

You will never regret investing \$1. in the 5 publications named above as indicated.

"V - 'VOICE OF DOOM'". Pathetic to see how our press ballyhoos the "V" campaign in Europe - and now here! This concerted glorifying the idea of sabotage (and worse) in English, Russian, American, Jewish and Communist press illustrates who is in control. "V" represents "Victory" for the forces of the Anti-Christ! Ben Lewis, columnist for Jewish press ("Between You and Me" column in THE JEWISH PRESS 8-1-41) starts out with: "V FOR VICTORY: The V for Victory campaign is giving the Nazis the greatest headache they ever had.. Of course the Jews are, as usual, blamed for it by helpless Goebbels.. This time the Jews are however ready to take the blame.. The 'V' as a sign of hope to conquered peoples is really a Jewish invention.. For thousands of years the 'V' has been a significant symbol in the religion of the Jews.." NY SUN 7-18-41 dittos.

Now let's go back to 1929 - before Hitler and before NUDEAL. The magazine GODLESS published in Moscow carried cartoon showing monstrous "V" (with smaller "hammer & sickle" inside the "V") crushing Jehovah, God and Allah. As Dr. Wm. D. Herrstrom, evangelist and editor BIBLE NEWS FLASHES (317 W. Lake St., Minneapolis, Minn. 25¢ per yr.) says in Aug. '41 issue: "... There is nothing new about this 'V'. It represents the crushing out of all forms of religion as one can readily ascertain by a glance at the cartoon... The hammer and sickle represent the worker and the agriculturist whom the 'Reds' hope to organize to overthrow Christianity, Capitalism (which is their term for all private ownership of property); and all ordered governments the world around. Thus the 'V' represents 'Victory' for the forces of anti-Christianity. The 'V' represents international revolution - the overthrow of all governments not favorable to Soviet Russia - sabotage and fifth column activity to destroy nations from within. It is time for the USA to take her stand against the 6,000,000 Communists and sympathizers in our country and the 2,850 'known Communists' in 'key' positions in the New Deal govt (according to Chmn. Dies)"

Front page of BIBLE NEWS FLASHES reproduces the "V" cartoon. You should have it.

Now 7-30-41, columnist S. Burton Heath, in GRAND RAPIDS (Mich.) HERALD, comments: "NEW YORKERS (hdqtrs. for World Jewry - recall Jew Trotsky left NYCity in 1917 with millions, meeting Lenin whose "sealed car" of revolutionaries financed by Jew Schiff of international bankers Kuhn, Loeb & Co. went thru Germany while World War I was raging, and "took-over" Russia's 170,000,000 and their property for the "control") with excellent pipelines are informed that there is more behind Great Britain's new 'V' campaign than meets the eye. Ostensibly this is just another bit of psychological propaganda designed to strengthen morale at home, influence opinion in this country, and perhaps even to weaken industrial co-operation with the reich in the occupied countries. Actually, it goes much further, at least in intent and hope. What the British (Jewish) strategists are trying to do is capitalize upon the vast fifth column machinery which Moscow has spent two decades perfecting thruout the world. More than possibly with the collaboration and blessing of her new ally, London is reported to be working on the theory that the Comintern's very skillful agencies in every conquered nation, designed originally to promote a world revolution, can be utilized to sabotage Hitler's plans. Only pure speculation is available as to whether the scheme encompasses any sort of 'spontaneous' timed episodes, which inevitably would result in the severest punishment for thousands of innocent continentals along with the few Comintern agents who were caught, or whether the less sensational but more effective course will be followed of relying upon organized obstructionism, petty interferences, the skillful breeding of discontent and

non-co-operation."

In that connection the press 3 days later announced that Britain's radio "Voice of Doom" 8-1-41 had "summoned Europe's conquered millions to equip themselves for the hour of revolt, following reports of fast-spreading disorders, sabotage and guerrilla activities in the nazi-held nations... told the people to empty the shops 'before the Germans empty them', buy up all possible foodstuffs, coal, coke, warm clothing and shoes."

Press also states that Czech armies are joining with Russia, thus making history repeat, for in WorldWarI armies of Czechs served with Red armies of Russia, thus betraying and murdering Christians. Whereas USA and Britain then aided the white (Christian) armies of Russia against the Reds, now USA and Britain are on the side of the Bolsheviks.

This portends danger here. Visualize the SLAVONIC BULLETIN (Genl.P.O.Box 114, New YorkCity) of 7-23-41 listing 37 "Organizations of interest to Slavs" in USA. That in bold type it calls upon its readers: "In these dangerous days when brute force of all evil, the Nazis and the Fascists (CBH- note Communists not listed), thru their henchmen known to us all as the 'Fifth Columnists', are threatening our democracy, our liberty and our way of life from within and from without, we ask our fellow American Slavs to be on the alert - on guard! Open your ears and your eyes. Listen carefully to what is going on around you, be it in the factory, foundry, steel mill, on the farm, on the street, in the office or in the home (CBH- typical GPU spying - nabor upon nabor - even members of family upon family - as in Jew-ruled Russia). Anything you hear, or anything you see,... report immediately! There is a govt office in every principal town in the USA with which you should communicate. However, if you wish, you may send your report directly to us and we shall see that it is delivered immediately into the proper hands... Help us fight the evil forces of Nazism!" No doubt to B'NAI B'RITH hdqtrs.

This Red Jewish "Slavonic" paper front page carries in bold black type two "Vs" with the three dots-and-dash of Morse code under each big black "V" - "...-".

Now note this "Slavonic" paper's editorial under "JUSTICE and 'QUISLINGS'": "The name of 'Quisling' stands today as a symbol of the meanest and lowest kind of treason.. But, we all know that there'll be an end to them, and when the Victory the democracies (Russia, England, China and USA) are fighting for becomes an accomplished fact we feel certain that the leaders of the world of tomorrow will find a way to reward the 'Quislings' with a just punishment which they fully and unquestionably deserve. Prime Minister Churchill's (part-Jew) statement regarding an International Tribunal to deal with 'Quislings' of various countries is not an empty phrase, and decent humanity (Jews) can look toward the establishment of such a tribunal with a good measure of satisfaction, especially so in view of the fact that after the allied Victory there will be no escape for 'Quislings' - in no country..." And lead editorial in 8-1-41 THE JEWISH PRESS is for that "new League of Nations!"

Recalling that the NUDEAL, thru spokesmen Asst.Secy of State Welles et al, envisions this "world of tomorrow" with its Intl.Tribunal, Police Force, etc., and remembering that already NUDEAL spokesmen are calling Wheeler, Nye, Ford, Genl.Moseley, Col. Sanctuary, Col.Lindbergh, Revs.Coughlin and Winrod, Kullgren, Mrs.Dilling and a few of us "traitors", "Nazis", "Fascists", "Quislings", "Anti-Semites", etc., and reminding you that when Organized Jewry-Intl.Finance "took-over" Russia, some 40,000,000, mostly Christians, were murdered and starved to death, you should see how serious the plot.

Which reminds that THE JEWISH PRESS 8-1-41 says that some hundred-odd illegal anti-Nazi periodicals are now being published in Nazi-held Poland: "... The illegal publications in Yiddish are reported to have the largest circulation of all the underground minority papers..." Recalls that the posters and bulletins distributed in Petrograd and Moscow programming the "hour of revolt" were in Yiddish too - back in 1917! Supposing you, living in NewYorkCity or other large cities, happened to see a Yiddish bulletin being passed around. Could you read it? NO! The "take-over" thru a reign of terror would be over before you could find anyone to translate such instructions and plan. That was how 1,000, mostly trained in USA, under Trotsky, "took-over" Petrograd and Moscow while people were going about their normal affairs - before they knew it. Remember, too, that Organized Jewry-Intl.Finance spent the first 10 years in Russia in consolidating its power by wholesale murder, starvation and intimidation, before "taking-over" the countryside. Note, too, that most of our Army Camps are hundreds and thousands of

miles away from New York City. Yes, it appears its all planned that way!"

How pitiful that American men and women are now engaged in popularizing the Red Jewish "V - For Victory" (victory for Anti-Christ Organized Jewry-Intl.Finance) campaign in USA! How significant the boasting in feature article in July '41 THE JEWISH SPECTATOR (11 West 40th St., New York City - 100), by Joel Slonim, "one of foremost Yiddish poets.. on staff of Yiddish daily 'THE DAY' (official Jewish organ) and very active in many Jewish and civic organizations": "One of the chief commanders of the American army is a Jew. He is Genl.Irving J.Phillipson, commander of New York, New Jersey, and Delaware. His is, therefore, perhaps a greater responsibility in case of war than rests upon any other general of Uncle Sam's army (reminds that a practically hitherto unknown Genl.Chas.Huntziger, an Alsatian Jew, unexpectedly surrendered France to Germany; and ever since that General has been Minister of War and Generalissimo of French armies!)."

This Slonim got Jew Gov.Lehman (of New York State) to introduce Genl.Phillipson, and in interview the Genl. "... thinks that there are two other Jewish generals in the American army, but he isn't quite certain about that, for 'very simply, we never discuss such matters...' He is very friendly with Col.Julius Adler who is, incidentally, co-owner of the 'NEW YORK TIMES'..." Now get significance of this: "... During my conversation with military officials on Governor's Island I gathered the impression that they think it would be best for Jewish officers to be 'Americans only' for the time of their army term..."

That Jews are to put on the appearance of being an "American only" when it serves their purposes, seen in writings in that same THE JEWISH SPECTATOR, e.g., it quotes the famous Jew Bernard Lazare: "TO BE a Jew is the least difficult way of being truly human. It is for this reason that the Jew must remain a Jew." And A.D.Gordon says: "... For the Jew cannot be an integrated human being without being an integrated Jew. The assimilationist (who believes the Jew can become a German if he lives in Germany, an American if he lives in USA, etc.) errs in his notion that he is more a human being in proportion as he is less a Jew. Precisely the contrary is true: He is less human in exact proportion in which he is less a Jew.. Hence if a Jew goes about destroying the Jewish element within him, he does not replace it by an abstract human element, seeing there is no such thing, but by an.. English element in England and America, a national element, in other words, that is not natural to him. And so instead of being a good and authentic Jewish human being he becomes a second-rate and unauthentic Russian or German or Englishman." I.e., all others but Jews are inferior animal beings!

Reverting to Slonim's article about Genl.Phillipson, he points out that one-half of the war industries are concentrated in his 2nd Army Corps area; that most of the munition factories are in Delaware; while shipping industry is concentrated in New Jersey. Altho Slonim admits it was a surprise for FDR to elevate Phillipson to one of the highest commanding officers in our army 3 months ago, and then place him in charge of the all-important 2nd Army Corps area, yet he admits that the foregoing facts re war industries are "...why the President appointed Mayor LaGuardia ( $\frac{1}{2}$ -Jew) chief of civilian defense". Now please note: "... Civilian defense, too, will be under the command and jurisdiction of Genl.Phillipson. Measures taken against fifth columnists are likewise his responsibility... The forts in and in the vicinity of New York are being strongly fortified and they are virtually impregnable (so Red Jews can hold and command our munitions, shipping, etc. industries when the "take-over" hour of revolt comes)... His responsibilities by far surpass those of his predecessors on Governor's Island."

And, don't forget a number of Jewish Rear Admirals are in charge of our Navy!

And, who are on LaGuardia's "National Volunteer Participation Committee"? Front page of 7-25-41 THE JEWISH PRESS says: "MONSKY (Henry M. - Intl.Pres. of worldwide Jewish spy and pressure system, B'NAI B'RITH) NAMED BY PRESIDENT (Roosevelt also a Jew) TO COMMITTEE Asked to Serve on Group Headed by Mayor LaGuardia... Among others appointed were Mrs.Anna M.Rosenberg, Regional Director of Region No.2 Social Security Board, New York City; former Ambassador William Bullitt... B'NAI B'RITH has engaged in numerous national defense activities in cooperation with the govt and other national organizations." Among such "natl.Defense" activities is the B'NAI B'RITH's habit of calling on prominent citizens and pressuring them to stop subscribing to AID!

Only one thing left to do - MARCH on CONGRESS - demand IMPEACHMENT of FDR et al!

# Reviewing the Fifth Column

**I**T IS nothing uncommon these days of manufactured crisis to hear ill-informed speakers contribute to the current insane hysteria by inveighing against mysterious people who are called members of the fifth column.

As Robert Quillen said in July, everybody "hates the fifth column. . . ." Then he added: "Alas! we don't agree on what it is, except that everybody thinks it consists of the people he abominates."

Briefly, the term has become one of opprobrium, and is used so indiscriminately and thoughtlessly that its original meaning has been lost in the wild shuffle.

Not one person in a thousand could give an intelligible reply if asked the origin of the designating phrase. However, we must go back to the days of the Civil War in Spain. General Mola was asked about the strength of his forces. His reply gave the world the basis for a phrase which has caught its imagination. He said: "I have four columns of soldiers, and a fifth column in Madrid."

**T**HAT we may once and for all time get clearly in mind the meaning of what General Mola said, let us analyze his reply.

Cutting right through all the silly nonsense which has been said and written about it, we must remember that General Mola was one of General Francisco Franco's outstanding military strategists.

General Franco was then standing up to the Bolshevik elements, which were led by men from Moscow and from every country in the world which had a contribution of communistic revolutionaries and anarchists to make to the nondescript military forces opposing the Spanish nationalists.

The Red revolutionaries were internationalists whose avowed aim is now—and has been since the days of the Jew, Karl Marx—to set up a world government to be dominated by the political aristocrats of the same race as Karl Marx, Leon Trotsky-Bronstein, Bela Kun-Cohen, Leon Blum and Leslie Hore-Belisha, to cite a few internationally known names.

These Red revolutionaries had gone into Spain with the avowed intention of bringing Communism to Spain so that Soviet Russian leaders would have a base in southwestern Europe from which to work, their purpose being to put the Bolshevik squeeze on all Europe.

At the cost of a million lives—civilians and soldiers—Spain, under Franco's inspiring leadership, drove those political marplots from the country. Today many of them are in the Western Hemisphere, preparing a program for taking over North and South America—as they had planned to take over Spain and later all of Europe.

**W**HAT took place in Spain was simply a preview of what we now see occurring nearly all over the world, including our own beloved country.

Briefly put, it is a struggle between Jewish, anti-Christian internationalism, and Christian nationalism.

The nature of the world struggle is such, that there will be both internationalists and nationalists living in the same block

in every city and town in the United States. Breaking it down still further, sympathizers with the political ideology of internationalism, and those who believe intensely in the political philosophy of American nationalism, may live in the same house as members of the same family.

Sit down with the family Bible. Read the Gospels carefully. Therein you will find it was foretold that in these days father would be arrayed against son, son against father, mother against daughter, daughter against mother, and neighbor against neighbor.

That was the situation in Spain just before civil war broke out. Through election frauds early in 1936, the Jewish internationalistic elements had taken over the government of that Christian nation—and the closing months of 1940 find political leaders of the same materialistic ideology in the saddle in England and North America.

When conditions in Spain under the usurping Red murderbund became intolerable, civil war broke out. Caught in the territory where the Red "Loyalist" government held control, were hundreds of thousands of Christians who sympathized with General Franco—forced under the political and military control of sadistic, Jewish Bolsheviks who had come from the ends of the earth to do their butchering in a country in which they were aliens. Of course in every country there are natives whose propensity for evil is greater than their tendency to do good works, and in Spain such elements naturally went over to the forces which had come to put over the Red revolution.

**W**HEN General Mola said he had a fifth column, he coined a phrase destined to become a classic.

Note that General Mola's fifth column comprised the Christians—Spanish patriots—people who loved their country, but who were trapped inside the lines of the forces of the usurping Red government.

That phrase has since swept over the earth, capturing the imagination of friend and foe alike. To Jews, soul-sick liberals, and those who naturally gravitate toward the political idiocy of Communism, the designation was one to be seized upon eagerly. They publicized it as a term of opprobrium, building up the idea that to be a sympathizer with General Franco's Christian nationalists, was disgraceful. Naturally the Reds hated these sympathizers in their territory. They hunted them down, hauled them out and executed them by the thousand—those hated Christians who belonged to Franco's "fifth column"!

It must be perfectly clear, therefore, that anyone in the United States of America who believes that Jesus Christ is a greater teacher than Karl Marx, belongs to what Jews and their fellow travelers have been designating as the "fifth column." *Social Justice* recently ran as a headline in a full page advertisement the following, which is self-explanatory:

LET US BE "FIFTH COLUMN" AMERICANS

If Christian Americans understand thoroughly the origin and true meaning of the term, and if it is used correctly, one called a member of the fifth column is honorable.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate"

Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 278 & B#45 "MARCH ON WASHINGTON TO IMPEACH Pres. Roosevelt". AUG. 19, 1941.

IMPEACH FDR! (see editorial page 8-16-41 SATEVEPOST). 13 Congressmen died since Jan. 1, some mysteriously. Since FBI Hoover has published many types of sabotage (see B#277 re "V" campaign), from spies card-indexing people in all walks of life, to arson, explosions, mechanical interruptions, labor disorders, time bombs in traveling bags, "cracker" spark plugs screwed into motors causing explosions-fires after planes reach altitude, even to possibilities of spreading of diseases "... such as tularemia, for which there is no known treatment, by dropping refrigerated vermin from airplanes" and "the contamination of foods", and since FDR has committed USA to "give aid" to Soviet Russia (which FBI has found guilty thru its spies of treasonable activities), then according to our Constitution (still the LAW of our Nation) Pres. Roosevelt is likewise guilty of treason. He deserves impeachment at least!

Now, (added to many illegal acts - most of which FDR succeeded in pressuring Congress to make legal-after-the-act), if Jewish FDR met with part-Jew Churchill aboard the British battleship H.M.S. Prince of Wales, during week ending 8-9-41, outside of the 3-mile limit, any agreements he may have made, were as a private citizen - for FDR under such circumstances was no longer the Pres. of the USA!

Repr. Thill in 8-15-41 CONGR. RECORD reminded Congress that "... back in 1918 a Resolution was presented to the Congress for the purpose of permitting Pres. Wilson to leave the territorial confines of the USA in order that he might act officially as Pres. of the USA at the Peace Conference in Europe..." But, not only was Congress not asked for such a Resolution, but newsmen of USA were excluded (altho Britishers were aboard, thus scooping US press), Secy of Navy Knox even lying that FDR was on a newsless vacation!

Repr. Woodruff in 8-15-41 CR fearlessly comments: "... Of course, no one in Washington who knows his way around believes that this weak paraphrase of Wilson (8 of Woodrow Wilson's 14 points released as being outcome of FDR-Churchill meeting) by any means told the real story of what transpired on board the warship... The real details will come, as they always do, not frankly from the WhiteHouse..., but bluntly from London... Already the Associated Press dispatches from London said 'British feel U.S. has joined united front (Communist terminology)'. And then came the first revelation of this dramatic secret conference at sea which was not contained in Mr. Roosevelt's statement or in Mr. Wheeler's broadcast. Here it is: 'Four supreme commitments to the world - to help reconstruct post-war Europe, to support the British and the Russians on every front, to aid in stripping aggressor nations of their weapons, and to jointly police the world after the war is over, "altho all nations, including Germany, would be allowed to determine their own form of govt" - were made in the joint declaration of Pres. Roosevelt and Prime Minister Churchill, informed London comment held today...'..."

Repr. Burdick asked: "In view of fact that we have not yet declared war upon the enemies of Great Britain, does the gentleman (Repr. Woodruff) believe the President has any constitutional power to commit this country in aid of the destruction of any nation on earth?" And Woodruff replied: "He (FDR) has no such constitutional power whatever."

All this bolsters, not only cause for impeachment of FDR and all that can be thru that tactic, but also AID! insistent claims that as soon as USA comes under dictatorship, the world to be divided into 3 major economic-political-military spheres, dominated by Organized Jewry-Intl. Finance thru dictators at Berlin, London and Washington. Note the "sucker" bait-promise that "all nations.. to determine their own form of govt". Proclaimed need, after war, for dictatorships to continue will be even greater than during the war, but there will be fewer dictators - concentration of power is the rule today!

Obvious that Organized Jewry-Intl. Finance desires Congress out of way while it completes clamping dictatorship on USA. The "railroaded" close 203-to-202 vote 8-12-41 for

Draft-Extension Bill : House, undoubtedly put a ~~scam~~ into Organized Jewry-Intl. Finance. It must be afraid of the increasing understanding and resentment, even among Democrats who voted for the traitorous Draft-Extension Bill. Note what Southerners who voted for that Bill had to say, even the very next day!

Repr. Cox of Georgia, CONGR. RECORD 8-13-41: "... in the close vote on the Draft Bill taken yesterday, is to be found that deep truth which most refuse to write, that is a lack of confidence in too many of those who have been appointed to conduct public affairs. The people of this country are beginning to resent what they believe to be the fact, that their Govt has in large part been taken away from them, and delivered into the keeping of an alien and alien-minded group, wholly unfit for the work they have been assigned to do.... You will find an expression of that in the Banking and Currency Com. right now. That committee is considering a Bill sent down from somewhere, proposing price control. The man who has been put in charge of the administration of price control, operating at the present time under the alias, Leon Henderson, may be the most outstanding economist in this country, but the people as we find expressed in the Banking and Currency Com. are unwilling to put into his hands any such unlimited power. They simply do not trust him. The President ought to take notice of what is happening and do something about it."

Northerner Republican Repr. Fish, in same CR, comments: "... the vote on the Draft-Extension Bill yesterday, in which the Administration won a pyrrhic victory by 1 vote thru the use of power, patronage, and political bosses, ... If the President attempts to put us in an undeclared war against the will of 85% of the American people and in defiance of the Congress and the Constitution, there could be no unity and there would be no appropriations by Congress to carry out such a personal Roosevelt-Stimson-Hopkins war. The American people are weary of broken promises, hypocrisy, deceit, and inspired war propaganda..."

Repr. Leland M. Ford, who like Cox, had voted for Draft-Extension Bill, the next day warns Congress: "... We now have the latest Communist Party line move of the CIO leaders taking the Federal Shipbuilding & Drydock Co., at Kearney, N.J. (see B#277 re concentration war industries-shipping in 2nd Army Corps area - CONGR. RECORD 8-15-41 also says Army to construct a large embarkation base and supply depot at Jersey City, to occupy 40 acres, work to start ahead of acquiring the land, on a mammoth pier "planned to eliminate difficulties experienced at Hoboken during World War I") into camp with Govt operation, which is national socialism..."

While Repr. Hoffman, who like Fish voted against the Draft-Extension Bill, asked the Democrats and Repr. Cox, since so many lacked confidence in the Administration, why did they vote to put drafted men under it for 18 months more, which provoked "key" position Jew, Repr. Sabath, who had voted for that Bill, to display by his words and activities just who the real warmongers are, he smearing with: "... I consider statements that have been made by my colleagues (Cox, Fish, Hoffman)... manifestly unfair to our country. I regret that such statements are being radioed by Mr. Hitler... These statements are used by him for the purpose of weakening our country's defense and dividing America."

Apparently Democrat Cox took exception to Sabath's smear - fireworks took place - were not recorded in CONGR. RECORD, but Sabath got in it: "... I have been a Member of this House for 36 years... I am ready and willing, and always have been, to give all I have for my country. The statement by the gentleman that I am connected with the Communist Party is unjustifiable, unwarranted, and untrue... I am as loyal an American as the gentleman from Georgia, tho not born in this country..." Wonder what Cox said???

In ~~same~~ 8-15-41 CONGR. RECORD 2 other Southern Democrats who had voted for Draft-Extension Bill use up number of pages to paint direful picture that while Congress is gone until 9-15-41, race riots might break out in Washington, D.C. (incidentally, if national emergency so great as to justify passing Draft-Extension Bill, why does Congress go home?). They insist that even tho Washington does not have industrial problems and yet has police force large compared to other cities, at least 100 more police must be hired pronto, Repr. Rankin of Miss. declaring he would make it 300 more. Repr. Woodrum of Va. sings same song. Why worried? - because since Jan. 1, 19 accomplished ravages of white women by Negroes have occurred in Washington, with 65 reported attempts, and probably 100 more unreported, with many murdered; and due to fact that in 4 precincts "no policeman dares walk singly. They must walk in pairs..."

Repr. Rankin claims: "... The Communists in this town are stirring this trouble up."

They have been working amongst these Negroes for years, not only here, but all over the South, trying to stir up trouble between the races... Many white people are now moving out of the Dist. of Columbia because of the fear of what may happen. The law-abiding Negroes are scared to death... Certain Members have been nagging the South on the race question ever since they have been in Congress. One of the main planks in the Communist program is to destroy the white civilization in the Southern States. That is one reason they tried to sneak thru a provision here the other day to take our firearms away from us. Fortunately we caught it in time and killed it by a vote of five to one.

"Now, let me remind you that, as Henry Grady once said, we wrested the South from the rule of the Negroes, the skalawags, and carpetbaggers when Federal drum beats rolled nearer, and Federal bayonets hedged closer about the ballot box of the South than it ever will again in this Republic.

"During the 75th Congress the gentleman from Conn. (Mr. Kopplemann) (CBH- Russian-born Jew) introduced a bill (H.R. 5333) to force every white hotel, restaurant, picture show, theater, and every boarding house in the Dist. of Columbia to admit Negroes, under penalty of fine and imprisonment. I insert the entire bill at this point:.....

"I submit that no human being could have written a greater insult to the white people of the Dist. of Columbia, or one fraught with greater danger to the law-abiding Negroes, as well as the white people, in Washington. What has been the result of all this agitation (CBH- by Jews and Reds)? It has encouraged the brutal Negroes to assault white women in every section of the city... Every time that someone high up socially or politically (CBH- Mrs. Roosevelt, et al) comes out and advocates social equality, or race amalgamation, some innocent white girl in Washington pays with her life, or suffers humiliation that is worse than death. This is the only capital in the world, outside of the war zones, in which a white woman is not safe...

"Red' agitators are circulating thruout every Southern State and stirring up race trouble wherever they can. If they could get a bill of this kind passed (CBH- promoted by Jews), then they would try to make it a model for the whole country... I am in favor of a system of national defense that will forever protect my country against all enemies, foreign and domestic. I am for saving America for Americans."

This leading NUDEAL-promoter of socialistic TVA, etc., doesn't see, apparently, that Socialism-Communism (which preach free love, etc.), by its very nature, is bound to progress to its evil low levels. He can't be for NUDEAL phases of Socialism without expecting to reap its harvest. Incidentally, this is same Rankin whose short speech (see B#267 & 268) caused "martyr" Jew Repr. Edelstein to have "heart failure" in arms of a Wasserman (wonder if B'NAI B'RITH "hatchetman"?), after Edelstein 2-weeks-handrunning had flared up heatedly speaking from floor of House (just as Sabath above), only Edelstein apparently let too many cats out of the bag (see B#267).

Further light on who the warmongers are seen in fact that only 3 members of Tammany who voted for Draft-Extension Bill were Jews - Reprs. Bloom, Dickstein and Klein. New York SUN 8-14-41 points out that north of the Mason & Dixon's line a majority of FDR's own party voted against him on this issue; that even in the No. Atlantic States (NY, NJ, Pa., Dela., and Md) (CBH- where war industries concentrated, where Jews most numerous, as well as Socialists and Communists), the vote was only 38 for to 57 against; while in the No. Central and West (BIBLE-BELT), the vote was a mere 24 for to 115 against; while in the SOLID SOUTH the vote was 117 for and only 8 against. Thus the South won this Civil War contest by 1 vote - a continuation of the issues of "slavery", which the South lost in the 1860's. Organized Jewry-Intl. Finance was behind the split then as it is now. These Southerners so anxious to protect the white race had better get their eyes opened pretty fast, because it is my guess that the attempted completion of a dictatorship wherein men, women and children, white and black, will be enslaved by the same mongrels responsible thru the ages for the most vicious forms of slavery, vice, wars, etc. - is set for Jewish NewYear 9-22-23-41! Why did FDR publish his greetings to the Jewish NewYear over a month ahead of time, and after that set-to with Churchill? Was that news item a code message?

Another reason why Organized Jewry-Intl. Finance sent Congress home this week is so there will be no CONGR. RECORDS - up to now our only uncensored press! That it is intended to censor press and stop even the mimeographing of the truth, seen in the Property Seizure Bill S. 1579. It came back from Senate to the House, with the brazen at-

tempt of the NUDEAL House Com. to rush it thru the House 8-13-41, the day after the passage of Draft-Extension Bill, without the Members of the House having either a copy of the Bill as originally passed in the House (before going to Senate who doctored it), or of the Bill after it had been been doctored by the NUDEAL House Com. This was so rank that the House in revolt voted 5-to-1 to recommit it. It gave powers not only to seize property, but to invade your home or your business to register about everything, including firearms. Another Southern Democrat who had voted day before for the Draft-Extension Bill, Repr. Boren, helped kill the Property Seizure Bill S.1579 (temporarily) with such statements as this: "... A careful reading of (Red Jew) Trotsky's History of the Russian Revolution should convince anyone of the wisdom of our founding fathers in writing into the Constitution of the U.S. the provision that our right to bear arms as private citizens shall not be abridged.

"Altho I never carried a gun in my life,... I feel that the gun I own in my home is essential to maintaining the defense of my home against the aggression of lawlessness. I feel that it might even be essential to help defend the rights of my individual citizenship against 'red' revolution. I feel this strongly about it: The man that ever comes to my home to seize, because of any arbitrary despotic desire for power, that gun, will simply get the lead out of the front end of it. I am in dead earnestness about this. Under this bill you could disarm the State militia... I propose to defend our system of govt, our way of life. I propose to defend it against the soldiers of a Hitler and against a govt bureaucrat. All the invasions threatened against American democracy are not from without... I rebel against the destruction of freedom in America under the guise of emergency, I declare war on the 'fifth column' that would destroy constitutional govt while parading in the disguise of patriots interested solely in national defense. This attempt to destroy another constitutional right is an atrocious damnable rape of American freedom. Let us vote it down..." It was!

Repr. Reed of NewYork: "... in my opinion this is not a national-defense bill at all. It is simply the fulfillment of a prophecy made a long time ago. I do not know how many Members of this House recall reading Mr. Tugwell's Industrial Discipline (this Red recently appointed by FDR as Gov. of Puerto Rico, where nearly \$100,000,000. of relief funds were wasted in attempt to develop communistic projects), but those of you who have read it will remember that he used substantially these words: 'The future of the nations is becoming visible in Russia.'... that of necessity private industry would have to disappear and, altho it might require violence, it might be accomplished in other ways..." Above typical of revolt in House that killed Property Seizure Bill.

Who the warmongers are and why FDR should be impeached seen in front-page editorial 8-15-41 NY JOURNAL-AMERICAN: "... We have antagonized them (almost every nation) usually not to satisfy the sentiments of our genuine Americans but to gratify the revenges of the hordes of refugees who are overrunning our country and taking control of it..." Yesterday's and today's "refugee Jews" are taking us over. Now consider this, when; according to plan, Hitler defeats Russia, will many of the 3,000,000 Jews running things over there, come here as "refugees" to help complete the job of "take-over" here? See B#277. Consider these editorials in THE JEWISH PRESS 8-15-41: one gloats over fact that Jewish Genl. Jacob Shmushkovitch is chief of Soviet Air Force; that Jewish Genl. Grigory Stern, who smashed Finland, is now in charge of defense of Leningrad; that "3 of the best Genls. in USA are Jews"; under "DER TAG": "For months now the world has anxiously been waiting the day.. when conquered Europe would rise up against its recently-acquired over-lord, Nazi Germany.. From Norway to Greece, the people have rallied around the letter 'V'..." another says: "... we certainly do not need any Communists to tell us what to do in this hour of crisis. Everything they now plead for us to do, we have been doing..." That is Organized Jewry in USA talking!!!

"DER TAG" of Jewish Red Revolution is not far off - when a 62-year-old man in Milwaukee is thrown in jail by FBI, with bond fixed at \$5,000., for distributing a few mimeographed sheets ruled as "obstructing the draft", 8-8-41; when a Californian is jailed in Tenn. and in Ark. for knowing and saying who the warmongers are; when 8-16-41 the Ill. Comdr. of Veterans of Foreign Wars, Earl Southard, is suspended by Natl. Comdr. Jos. C. Menendez; when the Dies Com. refuses to do anything about the real plotters!

WRITE & WIRE Hon. Clare E. Hoffman, House Office Bldg., Washington, D.C., to call a Constitutional Convention of isolationists - to start impeachment against FDR et al!

BULLETIN NO. 279 & B#46 'MARCH on WASHINGTON to IMPEACH Pres. Roosevelt.' Aug. 26, 1941.

**IMPEACH FDR!** Congress been visited by thousands - men and women MARCHING on Washington - singly and in groups, demanding USA stay out of war, yet controlled press and radio keeps such facts from the public. Such MARCH another reason contributing to revolt in Congress, and why Organized Jewry-Intl. Finance ("control" behind organized phases of civilization, including all govts) sends Congress home. (see B#278).

A southwestern editor, too old, sick and poor to go, writes: "... Every particle of our grief as a nation lies at the door of Congress that has steadfastly betrayed us. The NUdeal majority is the lowest, dirtiest bunch of scallawag lawyers that ever gathered under one roof and I've written that to quite a number of them. I've hoped the American people would wake up and hang the whole gangster outfit. They are deliberately and coldly destroying the nation for the powers that be. I'd like to suggest if this drive on Washington takes place that every delegate carry a short piece of rope with a hangman's knot in it. That might make an impression on that traitorous double-crossing crew... May the justice of Almighty God soon overtake those oath-taking, Constitution-trampling traitors..."

A group of militant Mothers from Ohio, Mich., Ky., not only stormed a closed session meeting of Congressmen, but presented Sen. Pepper (warmonger with Jewish wife) with a "red coat" (British in our Revolution wore red coats; "red" is Communists' color). Mother giving Pepper the "red coat" had to assure him it wasn't a bomb. "Oh! those awful women!", jittered Pepper. Sen. Chandler of Ky., another warmonger, got a "sailor cap". We, the Mothers, Mobilize for America, Inc., now asking "all women's peace groups" to hold convention either at Chicago or Washington to mobilize against warmongers.

THE CHICAGO LEADER, 27-year-old paper, 1767 Greenleaf Ave., Chicago, 7-18-41, quotes above Mothers group calling upon Mothers to "turn heat" on Congressmen - to keep us out of war - to rescind the Lease-Lend Bill (H.R. 1776), and front-pages about the "Dubuque Plan", wherein Andrae B. Nordskog, of Los Angeles, has established lobby hdqtrs. at Washington, D.C. (care Box 1510), representing various "against war" groups. Paper says: "Mr. Nordskog sprang into natl. prominence in 1933 when, as a result of legal proceedings instituted by him, the Fed. Reserve Banks were forced to turn over to the U.S. Treasury seven billion dollars which they had been illegally holding, the profit on which had it not been for Mr. Nordskog's action, would have accrued to their own respective accounts instead of to that of the U.S. Govt." His plan of action at Washington has been endorsed by a number of groups, including chapters of AMERICA FIRST COM.

Indiana groups are circulating petitions to Congress to support Repr. Stephen Day's Joint Resolution to rescind the traitorous Lease-Lend Bill: "... Believing that to aid any warring nation only prolongs the war at tremendous cost of life..., and can only end in the loss of freedom to the American people, WE PROTEST any further aid to Great Britain or any other warring nation..." Urges similar petitions be sent to Hon. Stephen Day, House Office Bldg., Washington, D.C.

Citizens No Foreign War Coalition, Inc., 57 Post St., San Francisco, bulletin demands Congress immediately investigate and remove from public office the co-authors of present world war, regardless of position - high or low - race, creed or color; deport aliens invading and expecting to overthrow our Republic; and cease giving our substance to foreign countries; and do something to remedy evil conditions in USA!

THE HERALD, Lake Geneva, Wis. (publishers of SCRIBNER'S COMMENTATOR), 10¢ weekly, gives Summary of week's news in special fields, items from CONGR. RECORDS, publicizes Chas. Lindbergh's speeches, etc. Quotes Lindbergh: "... make your voice heard by our Govt in Washington. We urge you to speak, to work, and to pray that representative Govt may not perish from this nation."

Citizens are writing Repr. Clare E. Hoffman, House Office Bldg., Washington, D.C. urging him to start IMPEACHMENT proceedings now against Pres. Roosevelt et al.

Braniff Airways planes carry a large "V" on the nose, and that Line's planes are now called "V-liners" instead of "B-liners". English RAF cadets, now training at Dallas, Texas, give the "V-shaped victory salute" - the clenched fist with first 2 fingers extended in shape of a "V"; a combination of the "clenched fist" of Godless Communism and the 2-fingered "blessing" by Rabbis of Anti-Christ Judaism. In Europe, the signal of the underground Judeo-Red movement of sabotage and murder is the "V" made by the half-bent arm raised into the clenched fist salute. The fat, puffy-looking Red Star of Moscow (in movie ads and displays), symbol of Anti-Christ world revolution and bloodshed, is made up of 5 (V) such "V's" conjoined. That star, displayed in Red literature, worn on Russian uniforms, was one of chief symbols of the Intl. Brigades (leading weekly, THE AMERICAN HEBREW said 1/3rd of 110,000 in Red Loyalist Army Intl. Brigades in Spain 1936-39 were "Jews from all over the world").

THE JEWISH PRESS 8-8-41 front-pages: "V Appears on Synagogue Walls", reporting that Hungarian authorities threatened to close down a number of synagogues thruout that country following the appearance of the letter "V" on their walls - "The synagogues and the Jewish schools are nests of anti-Hungarian activities, and their existence can no longer be tolerated". In same paper, Jewish columnist Al Segal, under caption "Three Dots and a Dash", prophecies: "Yes, V-Day shall come...", climaxing discussion of Anti-Semitism in USA with: "... My V is for a victory that shall set free ALL the peoples and put Hitler in his grave and expel him from the hearts of men as well." "V-Day" joyously anticipated as day when Organized Jewry-Intl. Finance will enslave all the world - after Christians liquidated!

This recalls Jewish New Year's greeting in Rabbinical weekly magazine, EMANU-EL & The Jewish Journal, San Francisco, 9-8-1939, wherein Rabbi David Cohen gloated: "... A war in Europe will be of some good if the reactionary elements (Christians) in all countries kill each other off or wear each other out. This is a gruesome hope. But what other alternative is there?..." That is their plan in a nutshell!

That reminds that Jews were exempted from combatant corps of armies of England, France, Germany and Italy. So, as editor de Aryan says in weekly paper, THE BROOM (54-San Diego, Calif), 8-25-41: "V stands for victims and we are the victims who must pay for the war not only with cash and the Lease-Lend products of our fields and factories, mines and labor, but even with our manhood and independence from foreign dominion. V stands for the end of American constitutional govt when two men (Jew FDR and part-Jew Churchill) can meet on a British battleship and decide the fate of the world.. We are the victims of Communism for whom we must produce 'defense'..."

A national monthly in Oct. may have editorial based on our expose of "'V' for Victory" under "V- 'Voice of Doom'" appearing in B#277. How significant that since that expose of this "Victory" for Anti-Christ Judeo-Communism, the 8-22-41 issue of THE JEWISH PRESS has not one word about that campaign of sabotage-murder!

But that issue does front-page: "CONGRESSMAN BLAMED FOR REFUGEE BAN - Anti-Semitic Minority Is Accused by PM (Judeo-Red New York City paper) Writer", under which caption it complains that a "minority of Congressmen prejudiced against Jews and aliens are actually responsible for recent regulations which practically close the doors of the USA to refugees". It quotes radical Kenneth G. Crawford, Washington correspondent for PM: "The malignant political disease known as anti-Semitism has attacked a larger number of Congressmen than is generally realized. The very fact that they talk about the 'Jewish Problem' in relation to immigration - as they do behind closed committee doors if not in public - is a symptom..."

How significant this in 8-15-41 THE JEWISH PRESS: "...Britain's refugee population which consisted of some 80,000 to 90,000 people at the outbreak of the war, is gradually shrinking,.. since about 20,000 have emigrated. A large number departed at the beginning of the war, while emigration continues on a minor scale in spite of shipping difficulties." Since this is Jewry's war, why don't they stay over there and fight it?

THE JEWISH PRESS Wash. columnist in 8-22-41 issue boasts that the death of Jew Repr. M.M. Edelstein 3 months ago (after tirading in House against Repr. Rankin's speech against "Intl. Bankers"), has driven Congressional "anti-Semitism" underground. An editorial froths over Chas. Lindbergh's and others' concern over possible pogrom of Jews in USA should we become involved in war. It admits "... people of no nation have no desire to see their sons die on behalf of Jews, or to see themselves taxed to start a war to rescue the Jews.. The only thing that can be said by the Isolationist group is that large numbers of Jews are in back of the Administration's policy.." (not only does Organized Jewry-Intl. Finance control press, radio, etc., but its control of NUDEAL such that in 1937 tax-dodging-scandal, Jew publisher of 3 newspapers, Paul Block paid exactly nothing on a net income of \$1,100,278, but should have paid a tax of \$585,000. Yet our Defense Bill (for OJ-IF's benefit) up to 8-20-41 already exceeds 51 billion dollars, while the Dies Com. for 3 years has had sworn affidavit that Pres. & Publisher of NY TIMES, valued at \$50,000,000. which grossed \$25,000,000. income in 1929, Arthur Hays Sulzberger is in accord with Communism, yet that together with equally damning evidence of our "real enemy" - Organized Jewry-Intl. Finance, is pigeon-holed by Martin Dies. WHY???)

Now that JEWISH PRESS editorially praises the FDR-Churchill meeting in Atlantic, claiming that the 8 points (which significantly said nothing about part religion, particularly Christianity, to play in reconstructing world) are "their hope for peace, freedom and security for all Men". Most Gentiles don't realize that that hope is only for Jews, for they consider all others as beasts, not men. Then 8-26-41, Omaha's WORLD-HERALD, lead editorial almost deifies Churchill as greatest orator of the age, agreeing that there is a "total emergency", that FDR is Comdr-in-Chief, "he makes the decisions", "the Constitution itself may be relegated to the horse-and-buggy days, along with the Congress", "He (Hitler) is quite as much our enemy as he is Britain's", and then climaxes editorial with typical Yiddish: "He who dallies is a dastard and he who doubts is damned. If Winston Churchill has failed to bring the truth home to us then we are incapable of learning. And that would be just too awfully bad for all of us."

Thus our lone daily, the WORLD-HERALD, proves its control, putting its blessing on Churchill's: "The Pres. of the U.S. and the British representative have jointly pledged their countries to the final destruction of the nazi tyranny." (see B#278 - FDR had no power to so pledge USA to war on anyone!). IMPEACH FDR is only thing left!

Now Columnist Biron, under "STRICTLY CONFIDENTIAL" in 8-22-41 THE JEWISH PRESS,

promises "... More edifying reading will be Pres. Roosevelt's series of articles, titled 'THE FIGHT IS ON', to run in COLLIER'S next month (warmonger J.P. Morgan & Co. weekly)."

How significant that said WORLD-HERALD now running serially Douglas Miller's book YOU CAN'T DO BUSINESS WITH HITLER, of which famous writer and economist Samuel Crowther says in 8-18-41 CONGR. RECORD: "This is an extraordinarily dishonest book, in that the author purports to write of Nazi business methods from first-hand experience as a commercial attache at Berlin, 1925-39, but almost nothing in his book is drawn from experience except a few trivial and well-known incidents. Instead, most of the book has to do with events after 1939, and it is almost wholly a rewrite of the regular anti-Nazi propaganda. It is only slightly factual, and most of these 'facts' are wrong. The book bears every evidence of having been written by a propagandist and planted on the supposed author, who is an asst. prof. of economics in the Uni. of Denver. It would be interesting to trace this book to its origins.... The book is not unlike several that were published during the last war 'exposing' the Kaiser's world plans. The book differs from those in being more credulous and having a larger chamber of horrors. Considering the fact that most American corporations with property in Germany have long since charged it off, the terrible effects of confiscation are quite funny. It is also noteworthy that there is no mention of the fact that, altho Russia in 1933 had at least the intentions of Germany today, our Govt recognized her for trade purposes. The big point in my mind is who planted this book on this fresh-water college imbecile. And how did he get into the service and why did he leave it?"

You should read that whole review. Since Omaha WORLD-HERALD is suggesting Congress might investigate Congressmen's use of their franking privilege to get truth to the people, I suggest Congress investigate why certain newspapers publish lying propaganda.

Interesting sidelights on causes of destruction of previous highly developed civilizations seen in THE JEWISH PRESS items - in 8-1-41 issue: "... (prior to Christ the Jews of Italy) made many converts to Judaism among the Roman upper classes. On the whole, the Jews were happy and successful in pagan Rome (yet since Christ they claim Christians persecute them - but here's the truth)... Many early Christians became Jews in the days of persecution so that they could continue to be Monotheists (to save their hides)..."

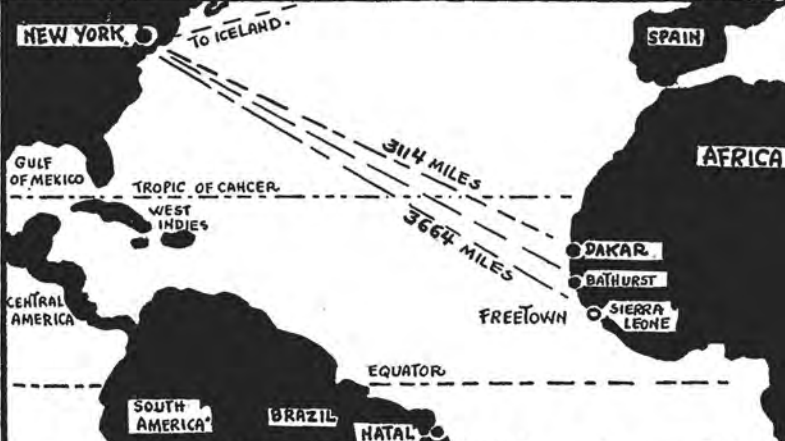

In 8-22-41 THE JEWISH PRESS: "... in the first century of this era a Jewish freedman by the name of Epaphroditus served as secretary to two Roman emperors, Nero and Domitian... When the Roman Senate condemned Nero (the Christian murderer) to death, he called in Epaphroditus to help him kill himself.. But Domitian reversed the process, and eventually had his Jewish secretary put to death." Yes, Organized Jewry-Intl. Finance responsible for inciting crucifixion of Christ and His followers ever since; its agents you'll find have been in key positions ruling "stooges" down thru history!

Today, files and even cabinets are seized from Christian patriots in USA - down South and up North - with return of property denied them. Ernst Goerner in jail at Milwaukee, with wife unable to raise \$5000. bail - the poor willing cannot help, the rich afraid, and don't. The Jewish "confidential bulletin" THE HOUR, 8-16-41, gloats over Goerner's arrest by FBI, climaxing page article with: "We urge that the FBI immediately investigate the close connections Ernst Goerner has maintained with Herbert Lawson Smith (of Phila.) and Father Charles E. Coughlin." THE HOUR claims FBI does its work!

Space prevents quoting in full editorials in 7-17-41 THE PATRIOT (London), which point out that the head of the Communist Party in England has been released by the Govt from his skilled trade in war production "to do important work for the Communist Party", and wonders "who is going to finance Mr. Pollitt on his speech job?" Is Browder next?

Another editorial gives history of an Englishman with an honourable record in World War I, who was arrested over a year ago with his wife who was separated for four months from her two small children. He was locked up in a dark and verminous cell, fed on 1/3rd of a convict's ration, kept in solitary confinement for 23 hours a day, denied all communication and speech, even letters from his wife, and when taken before the Advisory Com. was not permitted a legal representative - all without any charges being preferred against him. THE PATRIOT quotes CATHOLIC HERALD editorial: "While detention of certain individuals may have been necessary in the national interests, there was never any justification either for refusing an early trial under reasonable conditions in each case or for worse treatment than is commonly accorded to the lowest criminals." Calls upon Parliament to amend powers vested in the "dictatorial" Home Secretary.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 280 & B#47 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt." Sept. 3, 1941.

"V" For Victory! In re exposes in AID! Nos. 277 & 9 that this campaign is Judeo-Red, and point made in B#279 that THE JEWISH PRESS, which had been so full of items re that campaign had nary a word in last issues, of interest that the Omaha WORLD-HERALD, which had captioned daily a number of war and sabotage items with "-- V --", has likewise discontinued that practice. Why the soft-pedal all of a sudden?

Some of us get quite a kick out of reactions to Chas. A. Lindbergh's speech at Okla. City in a cow pasture (after being denied City Auditorium by City Fathers aided and abetted by patriotic (?) AMERICAN LEGION, etc.). Jew-controlled Britain's practice of turning on its former allies, re which Lindbergh reminded his Okla. audience, brot hot blasts in Jewish NY TIMES 8-31-41 by warmonger Clark M. Eichelberger, Natl. Dir. of Com. to Defend America by Aiding the Allies, and by B'RITH ABRAHAM-endorsed former magistrate Jos. Goldstein's demand upon recently appointed-by-FDR U.S. Atty-Genl. Francis Biddle "to investigate the AMERICA FIRST COMMITTEE as a Nazi propaganda agent".

Singularly, nothing been done about investigating Judeo-British-Red propaganda!

WARMONGERS. Jewish NY TIMES 8-31-41 editorial page devotes 2 full columns to letter signed by Jew Alex. N. Sack, Prof. of Law at NY Uni., under caption "OUR AID TO RUSSIA DEEMED WARRANTED - Aims of the Axis Against Our Form of Life and Resources Considered to Point Necessity". This Russian-born Communist served in Red Army and in other capacities in USSR, coming to USA in 1930, but NY TIMES fails to say so. Then at Buffalo, 8-30-41, "An assertion by a Protestant minister that 'Churchill shall have everything he needs, if need be, men', brot loud applause today from the Jewish War Veterans of the USA." Presbyterians at Miami, Fla. (another Jewish capitol in USA) should be right fond of their Rev. Richard Evans for that Jew-pleasing promise. He was on same program with Chmn of Non-Sectarian Anti-Nazi League who likewise was applauded when he smeared the AMERICA FIRST COM. as being "a thinly disguised front for Hitler".

With Jews admitting 3 1/2% of our population (really about 10%), how illuminating re these warmongers is the Army report of 8-30-41 that 59% of U.S. soldiers are Protestants, 31% Catholics, and only 2% Jews! And apparently some of that 2% get out of hard work, for Hank Greenberg, former Detroit Tigers baseball player who when inducted into Army had been pictured and ballyhooed as great Jewish hero in press, movies and over radio, it appears upon arrest for speeding in his own car at Ft. Custer, Mich. 8-27-41, that he is on housekeeping detail, instead of displaying his athletic prowess with the 5th Divn. on its trip to 2nd and 3rd Army maneuvers in hot sticky Louisiana.

Note how Jewish employer in Brooklyn, who at first refused to re-employ soldier who was sent home account death of his father made him the wage-earner of household, when Local Draft Bd made an issue of it, that employer gets his picture in papers and lot of free advertising praising him for paying the ex-draftee \$20. per week until he can find a better job. How would you like to be in that ex-draftee's job under the circumstances? Should the Army release round 200,000 about Christmas time, what a hard winter for a lot of them. Why not keep them in, except those asking release, at least until spring?

Who are the warmongers? How significant that the Ann. Peace Mobilization, successor to the disbanded Communist "front" Ann. League for Peace & Democracy (which claimed to represent millions of labor, youth, church, pink to red groups members, but allegedly disbanded because of exposes), and opposed to war, has changed its name again, to American People's Mobilization, but now since USSR been attacked, is all-out for war against Germany. It joined with Council for Democracy in its Madison Square Garden meeting (a flop, despite all ballyhoo and "great names" as speakers), 8-19-41, at which spoke these warmongers: Supreme Court Justice Owen J. Roberts, Rear Admiral Richard Byrd, Carl Sandburg, former Warden Lewis E. Lawes of Sing Sing (where no Jews said to be registered, yet comprise at least half of inmates), Gov. Robt. A. Hurley of Conn., radical labor leaders. and radical Em. V. Elliott of N.Y.

#266, 299  
HEREIN IS UNCLASSIFIED  
DATE 7/11/73 BY SP-104/bur

Repr. Lambertson of Kansas in CONGR. RECORD 8-28-41: "The plan to spend \$50,000. with Kansas newspapers for Navy advertising is typical of how the warmakers are trying to create war support... Mr. Churchill (part-Jew) says Britain would join the USA in action against Japan. First thing we know she will be telling us how she will back us on an invasion of Europe... Mr. Rosenman has been brot in to settle differences between the set-ups of Hillman and Henderson. They should come to a common understanding, for they all speak some English." A synagogue Jew ("right arm" of FDR during his political career, his speech-writer, and member of his "under cover of night" upstairs cabinet), Rosenman, to plot with Russian-born long-time Communist Jew, Sidney Hillman, our Labor Czar, and "alias" Leon Henderson, an unknown Communist (Jew?), our Price Control Czar.

Further evidence of efforts being made to put "political commissars" (as in USSR) in control of every phase of NUDEAL seen in attempt by FDR to appoint a former overseas Red Cross (Jew-controlled) official, Fred. Henry Osborn, to newly created job as Chief Morale Officer of the Army. Without Army or even personnel experience, FDR sent his name to Senate for confirmation, to the high office of Brigadier Genl. in Reserve Corps, presumably because he has been acting as Chmn of the Joint Army-Navy Com. on Morale.

This recalls that despite Sen. Taft's strenuous opposition to appointment of Rex Tugwell as Gov. of stragetic island from defense standpoint, Puerto Rico, yet the Senate confirmed that avowed Red to that key position. Tugwell confirmed even tho no quorum present. This arrogant action by NUDEAL leaders demonstrates the mopping-up process of Organized Jewry-Intl. Finance's "revolution" in its final stages of setting up its dictatorship is overriding all obstacles, legal and otherwise.

Illustrated further in statements FDR makes just a few days apart: upon return from his illegal conspiracy in Atlantic with Churchill, he says USA is no closer to war than before that secret session; yet a few days later he compares the present with Lincoln's appeal when we were actually at war. Analogy is false, for we are not fighting yet.

Altho not at war with any foreign foe, our casualties on 2 peace-time fronts are alarming. 1st, mortality of Congressmen, 14, many mysterious deaths, in first 8 months of 1941, far exceeds death rate of all civilians in England, where a war-to-the-death is supposed to be raging! I.e., during 1940, total death rate in England by war, disease and accident was only 14.3 per 1,000, while death rate in U.S. Congress this year is at rate of 40 per 1,000! Sabotage, yes, in USA, in high places!

2nd, as NATIONAL DEFENSE magazine for Sept. '41 (Arcadia, Calif.-20¢) reports, the U.S. Army peace-time mortality is inexcusable: "... An examination of record of 428 deaths of enlisted men covering a period of approximately one month reveals that most of them were deaths of violence..." Over 1/4th were from auto and motorcycle accidents, i.e., 111, while drowning accounted for 40, gunshot for 24, airplane accidents (not all due to aerial mishaps) 24, and suicide 22. NATIONAL DEFENSE comments: "... The above list of deaths would indicate the ranked inefficiency, lack of discipline or too much liquor in the Army. What the loss is to the taxpayers in broken equipment; in the broken lives of those who were injured in these accidents and who survive, plus the pensions that will be paid to them the balance of their lives and the additional pensions that will be paid to dependents of those who were killed, proves that ours is indeed an expensive peace-time Army..."

Significantly, CONGR. RECORD 8-15-41 proves that Army regulations do not take morals into account, which undoubtedly has much to do with conditions, accidents, and unnecessary deaths referred to above. Mothers and fathers whose sons have been, under excuse of a false "emergency", drafted, first for 1 yr., and now for 2 1/2 yrs., may learn to their sorrow what may turn to justifiable anger towards the rotten NUDEAL responsible!

Did you know that immorality is encouraged in the Basic Field Manual: Military Sanitation and First Aid, published last year by order of Secy of War Stimson? It provides, under head of control measures, that all "post exchanges are required to stock condoms of approved quality", and that "some one of these (prophylactic tubes) will be stocked by the post exchange." "The medical dept is responsible for operating sufficient prophylactic stations (hospitals) to serve adequately each command", and at these stations "any soldier may apply for treatment regardless of the hour".

Evidently, the NUDEAL is not quite sure of the efficiacy of its mechanical and prophylactic devices. The psychological effect on the young soldier of this elaborate set-up cannot but be bad. It conveys, almost irresistibly, the impression that the Govt expects him to indulge in riotous courses from time to time, and has no objection, provided that precautions are taken against disease. Words fail me!!!

In re NUDEAL sper for "health?" of our soldier. It mentioned, the "political" allocations of Army Camps (to buy up votes of SOLID SOUTH - see B#278) so putrid that even staunch NUDEALER Sen. Truman is "sorry", "utterly astounded", in report to Senate of special com. to investigate national-defense program in 8-14-41 CONGR. RECORD. He admits at least several hundreds of millions of dollars, out of about 1 billion expended, have been wasted as result of lack of foresight, planning and a large amount of inefficiency (i.e., the wasted millions equalled total cost of Army Camps in World War I - and there was plenty of waste and graft then!).

Being a good NUDEALER, Truman fails to mention the swamps, poor drainage, insects, vermin, snakes, all contributing to excessive costs, even aside from the more important effects on health and morale. Yet Truman agreed with Sen. Vandenberg that the dislocations due to defense program, particularly the summary and precipitate and arbitrary fashion in which priorities and curtailments are being administered is calculated to do infinitely more damage to the USA in next 6 months than any external enemy (Hitler) possibly could do, and that we are soon to see thousands of plants idle and hundreds of thousands of persons unemployed!

Yet in spite of such need for efficiency and regard for our own, that same CONGR. RECORD says the Dept. of Public Health of USA is expending \$1,150,000 to send 16 medical men to China to look after welfare of 250,000 Chinese working on Burma Road! Reminding, that since another mission to bring about efficiency on that Burma Road, consisted of Dan Arnstein, Marco Hellman and Harold Davis "rough, tough, experienced taxi-truck-and-transport executives" (obviously Jews), we wonder how many of those 16 doctors are ditto fattening off the public purse? Now all-out-for-war Omaha WORLD-HERALD editorially 8-30-41 glorifies that Arnstein expedition; "... but two weeks after they made their first recommendations traffic on the Burma Road had doubled in volume." Reminding that it was another alleged Jew, a Mr. Keeshin, head of Jewish controlled largest trucking firm in USA, the Keeshin Transcontinental Freight Lines (which was first to sign up with Trotsky Communist Truck Drivers Union, some of whose officers been arrested in USA as dangerous subversives), who went to China sometime ago to supervise operation of USA-built trucks on that same Burma Road. How come all this efficiency in China, and reverse at home?

Organized Jewry-Intl. Finance, behind all "isms" but Christianity, demands "tolerance" while it undermines and destroys Christendom. Note this in leading 15-yr-old labor publication, THE LABOR MAGAZINE (Muskogee, Okla-25¢), Sept. '41 issue: "WE AGREED TO CHANGE OUR COURSE FOR REASONS OF 'EMERGENCY' Certain representatives of Judaism approached us relative to a well defined policy of your-our Magazine. We agreed, in order to promote 'National Unity' to not, during 1941, use the words 'Jew, Judaism or Kike' in our columns, they to discontinue their fight on THE LABOR MAGAZINE. From the moment said agreement was made they continued their activities against THE LABOR MAGAZINE. We found their reason for so doing in their 'inspired' Talmud!" So - on p.16 that magazine fearlessly quotes "EXTRACTS FROM JEWISH LAW - THE TALMUD", climaxing with: "We wished to set up much other matter but the reference, the many statements referring to Gentiles is so vile we dare not print them and place in U.S. mails." Congratulations to a former Nebraskan, Editor A.L. McKenney of THE LABOR MAGAZINE!

This reminds that Col. E.N. Sanctuary, 511 W. 113 St., New York City, has brot out another edition "with additional 1941 data" of the 35¢ book THE TALMUD UNMASKED (4 copies for \$1. - order direct from Col. E.N.S.). Recalling also that PUBLICITY, 513 N. Main St., Wichita, Kas., weekly newspaper (5¢ - \$2. per yr.) which publishes articles by Col. E.N. Sanctuary and others, fearlessly exposing Organized Jewry-Intl. Finance, is offering free prizes, cars and cash, in a nationwide subscription campaign. Its 8-28-41 issue headlines that the Natl. Legion of Mothers (membership 4,000,000) is pushing for a Convention at which ways and means "to impeach Roosevelt and his War-Mongering Cabinet, Congressmen and Senators" will be discussed. Write Mrs. Frances Sherrill, 241 So. Nessam Ave., Los Angeles, Calif. for further information. Write PUBLICITY for details re its prizes.

If any reader knows anything about a "Margaret Russell" (said to have worn a death mask last Febr., crying out in Congress - "Victory Is Mine!"), who is now said to be trying to organize all "peace groups", I would be glad to get a report on her.

Not all religious publications fall for Organized Jewry-Intl. Finance-controlled Federal Council of Churches. CHRISTIAN BEACON (2¢ - weekly magazine), Collingswood, NJ, 8-21-41 issue, reproduces in full the expose of that Anti-Christ Council as put out by the American Women Against Communism, Inc., Vanderbilt Ave., New York City. Congrat.

Wonder how many religious and "patriotic" organizations will be lined up for proposed "BUNDLES FOR BRITAIN" Parade, originally scheduled for 9-3-41, but postponed to 9-18-41. Excuse - it was necessary for "patriotic" organizations to obtain authorization at board meetings, and promoters of Parade, even tho had arranged for some 1,500 "alien refugees", will not stage it unless can get participation of "patriotic" groups.

Incidentally, Canadians, who require Britain to pay for everything, draft their boys for but 4 months, and then do not ship them out of country unless they volunteer (who get paid much more than our soldiers), laugh at USA for being the saps we are to "give" everything to Britain. Did you know our troops are garrisoned in So. America?

Mayor <sup>1</sup>/<sub>2</sub>-Jew LaGuardia, besides all other key positions in our defense program, is on Sponsor's Com. for "BUNDLES FOR BRITAIN, INC." His henchmen arrested a little Irish girl for selling SOCIAL JUSTICE magazine in New York City, and altho she insists she never called anyone a "Jew", yet she was forced to apologize to one! It appears that one of these "BUNDLES" outfits, a Mr. Morris's "PARCELS FOR THE FORCES, INC.", was making at least 38% profit! What rackets - in sweet charity's name!

G. Allison Phelps, Box 576, Hollywood, Calif., broadcast over KGER, Los Angeles, 8-24-41 a hot expose, reminding Senate Com. to investigate propaganda in movies (Clark of Mo., Bone of Wash., McFarland of Ariz., Brooks of Ill., and Tobey of N.H.) that 6 Russian-made propaganda pictures are being released in USA: "Soviet Frontiers On the Danube", "The Great Life", "The Returns", "Professor Mamlock", "Alexander Nevsky", and "The Red Army" - yet Canada refuses those pictures! Now movie censor Czar Hays says there are no propaganda movies. He lies. As long as we don't have movies built round theme of British blasting natives to bits after tying them to mouths of cannon, nor of unspeakable tortures and murders by Bolshevik Jews of Russia (40,000,000, mostly Christians, liquidated past 23 yrs.), then hate-Germany pictures like "UNDERGROUND" should not be permitted in USA -- unless at least the foreword plainly tells audiences that what they see portrayed as heroes are really the Judeo-Red conspirators who aim to sabotage and overthrow all law and order.

Reminds that the Jew Charlie Chaplin's "THE GREAT DICTATOR" not only stirs up war-against-Germany spirit, but blasphemes Christ! In Chaplin's "closeup" climaxing appeal for "underground revolution" in name of "Democracy", he attributes to St. Matthew a statement not found therein. He misuses quote from Luke 17:21, claiming "the Kingdom of God is within you" as a basis for an Intl. Brotherhood of Man. He fails to tell the millions who hear him that Christ was being heckled by hypocritical Pharisees whom Christ called murderers, liars, etc. Obviously the Kingdom could not be in hearts of those who plot to kill Christ, who had already told those killers that "no servant can serve two masters". Those gangsters of 2,000 years ago had "taken-over" the professions, the church, local govt, finance, etc. (as so many of their kin have today). They wanted to know who were Christ's followers, where they were, and when was He going to set-up His Kingdom which would mean their overthrow. So Christ told those gangsters "the Kingdom of God is among you" - which is true today, for "where two or three are gathered together in My Name (Christians), there am I in the midst of them".

Christ repeatedly warned His followers to have no fellowship with those gangsters. Yet millions of Christians are being fobbed today as then. Witness the vast publicity given to speakers of Natl. Conf. of Christians & Jews, which cooperates with subversives particularly venting its spleen against so-called "Anti-Semites" - those who quote Jews and Jewish press. THE JEWISH PRESS 8-29-41 lead editorial praises the annual Williamstown Institute of Human Relations sponsored by Natl. Conf. of Christians & Jews, and day after day the Omaha WORLD-HERALD ran speeches made there by various internationalists, Jews and warmongers. Another editorial in same THE JEWISH PRESS is hot because Congress will be asked to require that "refugee doctors" become citizens of USA before becoming permitted to practice, yet another editorial in that paper says that in Palestine (where Jews run everything), "... the great majority of the refugee doctors do not even have the right to practice their profession.. In a country where the Jewish population receives free (socialized medicine) medical treatment in medical institutions, such a multitude (over 2,500) of doctors is a burden rather than a luxury... In addition, only 60 medical licenses are being issued in Palestine each year.."

If Organized Jewry-Intl. Finance, when it has complete control, doesn't even take care of its own, what hopes have Gentile professionals and workers in USA, when those

Dear Sir:

CHAS. B. HUDSON, Editor, Lecturer

2304 Fontenelle Blvd.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 282 & B#49 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Sept. 16, 1941.

FATEFUL DAY. In re 9-14-41, day when so many events as detailed in B#281 made it truly Satan's holiday, I failed to state that traitor Willkie was also elected to Bd of Directors of Jew Intl. Financiers, Lehman Bros. On same day Mrs. FDR offered Negroes, Jews, etc. in Pittsburgh audience, "revolution" as alternative to slower "education" of industry and army in re racial discrimination. Sidelights on such "education" follow.

Some months ago press claimed NUDEALers were destroying tons of German literature and mail. Without my asking for it, such literature had been coming to me (just as I get English, Australian, Canadian, Communist, Socialist, Labor, NUDEAL, Church, Educational, etc. literature) - then for months it ceased coming. (AID! bulletins barred from Canada, yet I still exchange with THE PATRIOT of London). Now, after FDR pledges USA aid to Russia and Germany wars on Russia, lo! and behold!, I now receive 2 WORLD SERVICE bulletins (exposing Jewish worldwide activities) from Germany, "Via Sibiria", and postmarked 3-28-41! Is this a trap - or what?

How inconsistent, when at same time our Post Office Dept denies 1<sup>1/2</sup>-per-lb. book post rate to a Christian book published in USA, meeting all postal regulations. (i.e., THE OCTOPUS, 256-pages, 2,300 WHO'S WHO index, so damning of Organized Jewry-Intl. Finance activities in USA that its circulation being hindered in every possible way: first edition soon be exhausted; 60¢ for 1; \$1. for 2; \$3. for 7 copies - all to same address - remittance with order; copy FREE with renewals or new subscriptions to these weekly AID! bulletins @ \$5. per year).

How inconsistent (or is it?) to learn from Editor A.L. McKenney, P.O. Box 522, Muskogee, Okla.: "... It seems that an effort is being made by certain NUDEAL Judaistic postmasters to deny THE LABOR MAGAZINE the right of U.S. Mails. They are threatening us and have made all sorts of accusations to our Joplin office so I was informed by long-distance phone an hour ago. Is that not great? And here in America, not Russia!..."

In re espionage and intimidation of patriots, THE JEWISH PRESS 9-12-41 says: "The power behind the new U.S. power police, they say in Washington, will be none other than Ben Cohen." The JEWISH REVIEW of New York City 9-11-41 gives another clue: in a 2-columns wide smear: "LABOR MAGAZINE, released from Muskogee, Okla., and claiming to be 'owned, controlled, edited and published solely by labor', is a 'vicious anti-Semitic, pro-Nazi, un-American publication ... the labor division of FIGHT FOR FREEDOM, INC., charged today!"

Since 3 Jews comprise staff of that "labor division", these attacks on a Christian Labor magazine are understandable.. Yet that FIGHT FOR FREEDOM, INC. letterhead lists "overaged destroyer" warmonger Sen. Carter Glass, Hon. Chmn, Rt. Rev. Henry Hobson as Chmn and Mrs. Calvin Coolidge as Vice-Chmn - see B#279.

Same JEWISH REVIEW front-pages attacks on Boake Carter and Genl. Moseley; also on Buick Motors. Threatens latter: "... The attention of Pres. Roosevelt has been called to the flagrant violation of his order that no discrimination should be tolerated in Amn. industry working on national defense program. The chief culprits were the Buick Motor Co. ... More than 100 Chicago youths were refused employment by Buick after completing a defense training course (costing taxpayers \$242. per student - in Ill. Tech) because they were Jews, negroes, and Italians.. Shortly before graduation a representative of Buick Motor Co. passed out applications to the students in school which emphasized 'religious preference', 'church membership' and 'birthplace of parents'..."

So - it becomes un-American to have such questions on application blanks! This Jewish paper devotes pages with pictures, photostats, etc., to attacking Buick and all Amn. industry. Claims that only 3 Jews of 70 enrolled in said Govt courses received letters from Buick asking them to report for interviews, and "3 Jews who had described themselves as having other religions were accepted." This editorial found no fault with such Jews who lied about such a sacred thing as their religion in order to get a job. An employer certainly would be justified in firing an employee who thus lied on his --

plication, but Jewish press froths when Gentile employers attempt intelligent hiring, and Jewry backs pressure campaigns applied thru NUDEAL, Labor and other channels to deprive employers of any say-so in running their affairs. Its just part of Organized Jewry Intl. Finance plot to destroy private enterprise, both large and small, and enslave us in all walks of life. THE JEWISH PRESS 9-12-41 predicts that about 1/3rd of nation's small business men will have to close up shop before the end of this year!

In re such predicted "liquidation", note following from the JEWISH REVIEW 9-4-41: Under across-page caption: "SWASTIKA OVER AMERICA", whole page devoted to smearing those who tell something of truth about Anti-Christ warmongers. In bold type, it threatens (those whom Jewry accuses of hating them, altho a real Christian harbors no hate when indicting the wicked): "... Anti-Semitism, like any other movement, must grow or die... He who hates Jews does so at his own peril if he is a member of a minority. It is a luxury that may destroy him..." Then it discusses the author of THE OCTOPUS; Rev. Winrod of Wichita, Kas. (DEFENDER magazine -50¢ per yr.); Wm. Kullgren (THE BEACON LIGHT, 25¢ monthly, Atascadero, Calif.); Dr. Brinkley (seriously ill with leg amputation and bad heart); Col. Sanctuary (THE TALMUD UNMASKED, 35¢ book, 511 W. 113th, New York City); Chas. B. Hudson, (your editor); Harry Jung "who has Natl. Assn. of Mfrs. backing", Chicago, Ill.; James True in Washington, D.C. (inactive for about year); C. Leon de Aryan (THE BROOM, weekly, 5¢, San Diego, Calif.); Rev. Coughlin, and a few others.

On another page, the JEWISH REVIEW, under across-page caption: "UN-AMERICAN ACTIVITIES", a 2-column-wide item demands Postmaster Genl. investigate use of Congressional frank, claiming anti-Semitic literature going under Repr. Hamilton Fish's frank in mails. Bernard J. Harkavy, Natl. Secy of Jewish Peoples Com. makes the charges. Another 2-column-wide article quotes at length address made by Prof. Jas. H. Sheldon, Chmn of Bd of Directors of Non-Sectarian Anti-Nazi League before Natl. Convention of Jewish War Veterans (see B# 280 re Jews only 2% of Army yet are at least 10% of population), wherein Sheldon charges: "... the so-called AMERICA FIRST COM. is nothing but a front for Adolph Hitler", offering his solution: "... The AMERICA FIRST COM. must be destroyed just as Adolf Hitler must be destroyed". Since Jewry yells for physical death of Hitler (THE JEWISH PRESS 9-12-41 says forecaster Louis De Wohl predicts "Hitler will die within a year"), I warn leaders of AMERICA FIRST to be very careful with whom, what and where they eat and drink! Particularly, now that since above Jewish press items, Chas. A. Lindbergh, under auspices of AMERICA FIRST, courageously named Jewry as one of 3 major warmakers in USA. Recall that at Des Moines last Thurs., said warmakers showed their true colors by booing, hissing, and yelling "Hitler!", when the clergyman raised his hand to pray for Divine Guidance over that AMERICA FIRST meeting. History was made that night FDR called for war!

Only logical to find the JEWISH REVIEW 9-11-41 smearing Repr. John E. Rankin for being excited over fact that white women are not safe in Washington, D.C., and that in 4 districts at night, not even a policeman dares go alone. Under across-page caption: "UN-AMERICAN ACTIVITIES", under sub-caption "RANKIN SLANDERS NEGROES", referring to AID! B#278, it climaxes with: "... This insult to the Negro people, delivered with characteristic impudence in the name of 'Americanism', has been welcomed by Fey Fifth Columnists thruout the country. Naziphile Charles B. Hudson, editor of the violently anti-democratic AMERICA IN DANGER!, approves so highly that in the latest issue of his publication he re-prints almost the entire text of the Congressman's speech." But the JEWISH REVIEW says not a word of how I took NUDEALER Rankin to task for fronting for TVA and other socialistic NUDEAL schemes, which lay groundwork for the end-results of Judaic free-love-atheistic-socialism - the "free-love" aspects of which are so distasteful to Rankin.

That JEWISH REVIEW proves who the warmongers are. You can't "smash Hitler" without going to war. That paper announces: "... The Natl. Trade Union Council of the Jewish Peoples Com., thru Arthur Osman, Chmn, announced today that a 'Smash Hitler Now' mass meeting will be held on Thurs., Sept. 18 at Manhattan Center.. called to rally support behind Pres. Roosevelt's program for full Anglo-American-Soviet collaboration, to defeat militarily the forces of Hitlerism. Outstanding trade union leaders and prominent American (?) liberals are expected to address the meeting."

Who really run Soviets sensed in 2-column-wide article: "... Russians Evacuate 1,000,000 Jews From Three Major Fronts of Russo-German War - ... The Jews, streaming into Russia, were evacuated from Soviet-held Poland, Lithuania, Latvia, Estonia, Bessarabia, northern Bukovina and from Russian cities in the path of the invading Nazi army. In line with the Soviet (Anti-Christ 40.000.000 Christian-killings past 23 years) 'scorched earth

policy, the Jews took whatever possessions they could carry and burned the remainder, including their homes... Most of the younger Jewish refugees volunteered for service with the RED ARMY, while thousands of others went into munition factories..."

Another 2-column-wide item in the JEWISH REVIEW 9-11-41, by Col. John H. Patterson, urging a Jewish Army in Palestine, shows who and how pressure made on our Congress: "... Jewish leaders have made little or no effort to put their case vehemently before the British public with result that you (Jews) are now placed in an exceedingly perilous position.. Therefore, my friends, for the safety, honor and welfare of the Jewish people and also in the interest of Great Britain, I would urge you to pull every lever to insure that this drive is pushed forward. Make it a regular blitz-campaign, get all your Jewish brethren in this whole hemisphere to back your efforts, bombard your congressmen, your senators, and above all your great and humane President. If you gain the support of these men, then the bureaucrats (relatively few Christians in key positions in Britain) will have to give way, because England today cannot ignore the voice of America. Time is short. The Jewish Army (REDS) is urgently needed. With a long pull and a pull together, victory will be yours."

Following in with that call to Jewry, the Communist DAILY WORKER 8-27-41 (SOCIAL JUSTICE - splendid weekly commentary on subversives - 10¢ - Royal Oak, Mich.) gives prominent display to a "moving and powerful appeal issued to the Jewish people of the world when the Nazis first invaded Vilna" by the Vilna Rabbinical Council, which climaxes with: "... Let us help guarantee the victory of our beloved liberators, the RED ARMY! Amen! Brothers and Sisters! Remember the victory of the RED ARMY is also the victory of our own Jewish people!"

In same JEWISH REVIEW the "THOUGHT OF THE WEEK" stretched across the page is quotation from Dr. Everett R. Clinchy, Pres. Natl. Conf. Christians & Jews: "Anti-Semitism will be as feared as a bubonic plague as soon as Christians are educated about the effects on Christians of hate and pagan hysterias..." Reminds that the Rev. Willard Johnson, once head of Anti-Christ Red-aiding Amn. Civil Liberties Union in Iowa, and Area Secy of said Natl. Conf. Christians & Jews, has moved to St. Louis, Mo., dropped the "Rev.", becoming Central Area Director of NCC&J over Ia., Nebr., Colo., Kas. and Mo.

His letter 9-9-41 protests expose of warmongering of NCC&J in B#280, claiming that Dr. H. N. MacCracken, Pres. of Vassar, was speaker for AMERICA FIRST in New York City, that "... the officers of the Natl. Conference are by no means agreed about the place of this nation in the present crisis", and "of course you will not mention this fact in your bulletin since you want to give the impression that the Natl. Conference is 'all-out' for war. But it is true." But we know that Organized Jewry-Intl. Finance always plays both ends against the middle (witness control of both CIO & AFofL, Willkie & Roosevelt, etc.). And Johnson cannot deny that the major emphasis of NCC&J is the discrediting of truth-tellers who have courage to name and describe the warmakers and prophet-killers thruout history.

NCC&J spreads lies and hate while crying for tolerance, and Johnson's closing paragraph illustrates plenty: "... We had a great conference at Williamstown. One of the most significant ideas discussed there was the report of a psychiatrist who stated that all research points to the fact that the intolerant person who hates other people is ill and that intolerance and hate not only produce mental unbalance and insanity but such organic ailments as cancer, tuberculosis and heart disease."

I replied: "Rabbi Johnson: Your letter Sept. 9, 1941, no doubt referring to item in B#280. According to the psychiatrist, Christ was a crazy man, and not the Son of God, and you seem to agree with the psychiatrist. But it is quite significant that Christ was not permitted to live long enough to die of cancer, tuberculosis or 'heart disease', and it is also significant that many 'who know too much' about the enemy of Christ and mankind, and are therefore judged crazy by Natl. Conf. of Christians & Jews psychiatrists do die in modern times of 'heart disease' - but it isn't intolerance that causes said demise, but rather snake poison distilled by your tribe's chemists. According to your crowd, Christ must have been one of the greatest "haters" of all time, but He was God, and God is Love, so how do you reconcile your blasphemous inconsistency? For Christ and Country, (sgd) Chas. B. Hudson."

Now note in Johnson's letter he did not mention that Dr. David M. Levy was the quoted Psychiatrist, who, incidentally, is such a great authority that he doesn't even appear in the "WHO'S WHOS", and yet his wife apparently, Mrs. David M. Levy, was Chmn of Hospital-ity Com. of said Williamstown Conference of "Anti-Christ" whose speeches were printed day after day in press of USA Aug. 24-29. While a handful of dupes took part, the main

Participants were Jews: (1) Ides Dr. & Mrs. Levy, Roger W. S. (warmonger millionaire metals industrialist); Harv. K. Guinzburg (Pres. of radical King Press); Jas. N. Rosenberg (Ann. Jewish Com. - one of 4 organizations that Genl. Moseley under Christian oath over his signature urged Dies Com. to investigate as real 5th Column in USA); Paul Klap- per (Jewish Pres. of Queens College, Brooklyn), and Rabbis Louis Mann, Morris Lazaron, Julian Feibelman, Herbert Goldstein, Louis Witt and Judah Nadich. "Stooges" who participated, of whom Christ said were "two-fold more the child of hell than the Jews themselves", were: Jas. P. Baxter, (college Pres.); Thos. E. Dewey (Dist. Atty of N.Y.); Dorothy Day (radical editor of Red "The Catholic Worker"); Frank Kingdon (warmonger ex-College Pres.); Jerry Voorhis (Dies Com. socialist-member who helped crucify Christian General Moseley); Geo. N. Shuster (college Pres.); Prof. Clyde R. Miller (of Jewish Institute of Propaganda Analysis ill-fame); Mrs. Chas. Poletti (husband a pink politician); radical Profs. Carlton J. H. Hayes and Wm. H. Kilpatrick (of Red Columbia U., who led and summarized all morning discussions); and Anti-Christ Federal Council of Churches propagandists, Walter W. VanKirk and Benson Y. Landis. Practically all above been exposed in AID before. There were some others on whom we had no information - maybe some were "dupes".

The JEWISH REVIEW 9-11-41 guilty of further blasphemy. Dr. W. A. Nichols, religious editor of N.Y. WORLD-TELEGRAM, claims: "... Anti-Semitism... is the result of subconscious realization in Gentile minds that the Jew has remained faithful to his religious idealism while Christianity has been watered down by its professed followers and emasculated if not ignored by the majority of non-Jews. In this connection it is worthy of note that the proponents of the tri-faith movements (NCC&J) are men whose religion is a vital feature in their daily lives, be they Protestant, Catholic or Jew... it may be noted that anti-Semitism has practically disappeared in those sects whose theology differentiates between the individual Jesus, and the Christos-Spirit which animated him. (small caps in original)... Anti-Semitism will fade when Gentiles realise that Christianity is not merely a spiritual fire insurance or celestial bonus-bond but is a development of that early Hebrew adoration to 'do justice and to love mercy and to walk humbly'." How contrary to Christ's teachings! This "controlled" press editor means that "Anti-Semitism" will disappear when Gentiles become Judaized by rejecting the Divinity of Christ!

If Christians would read Jewish and Communist press with understanding, and then act as militant Christians should, and as Constitutional Americans must to preserve this civilization, then Organized Jewry-Intl. Finance would not be able to set up its diabolical dictatorship which will "liquidate" the most courageous Christians and enslave the rest. As one writer says: "If we fail to clamor for the impeachment of public officials who choose to violate the oath respecting the integrity of the Constitution we are guilty of traitorous conduct, for we are unfaithful to that sacred trust: 'I pledge allegiance to the flag of the United States of America, and to the REPUBLIC (Constitution) for which it stands.'" What this country needs far more than misleading ballyhoo about 'democracy' and deceitful chatter about 'national defense' is men who understand the meaning of our Constitution, most specifically, ART. II, Sec. 4 (The President, Vice-Pres., and all civil officers of the United States shall be removed from office on impeachment for and conviction of treason, bribery or other high crimes and misdemeanors), also "the right of the people to keep and bear arms shall not be infringed", and, of sufficient character to have a high regard for the sacredness of taking an oath."

And, if more citizens would try to understand what history teaches, they would not go to the polls and elect a cripple to the Presidency, once, let alone thrice. As world famous geneticist, Chas. B. Davenport (see WHO'S WHO) wrote LIFE, throught history physical cripples, genial, gentlehearted, had led revolutions and aspired to dictatorships while burdening their country with heavy taxes and reducing its finances to chaos. The physically defective man tends to compensate for his defect by doing great and striking (even tho appallingly dangerous) non-physical things leading to full satisfaction of his, in other directions thwarted, ambition. And, I would say further, that when the cripple happens to be a mixed breed, a Jew, with history teaching that mixed breeds furnish a higher proportion of criminals, then indeed the informed citizen would work day and night to warn his fellow-citizens. All this should help you to understand the mixed breed preponderantly Oriental Jewish mentality that caused Roosevelt to intimate that the best thing that could happen to the world would be for some one to assassinate both Hitler and Mussolini! Is that the motivation you would wish in your President?

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 281 & B#48 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Sept. 9, 1941.

FLOYD B. ODLUM. 9-4-41 this financier was appointed by FDR to head new Division of Contract Distribution in Ofc of Production Management "to bring small mfrs. more effectively into defense production by spreading contracts more widely among smaller businesses". Just another link in Organized Jewry-Intl. Finance chain to control both big and small biz. Odlum relinquishes temporarily his duties as Pres. of Atlas Corp., an investment firm with assets exceeding \$100,000,000. So "big" finance is to corral "little" biz. Judeo-Red implications in this latest FDR appointment sensed in following - from Carl H. Mote's THE NEW DEAL GOOSESTEP, the press, and THE OCTOPUS. (this 256-p. book with over 2,300 in index, so hot that Post Office denied it book post rate to hinder its distribution: first printing soon be exhausted: 1 for 60¢; 2 for \$1.; 7 for \$3. - remittance with order: new or renewal subscriptions to these bulletins for 1 yr. @ \$5. entitles you to a free copy of THE OCTOPUS: it's a "must have" book.) (THE PROTOCOLS OF ZION may be obtained - 25¢ - from Wm. Kullgren, THE BEACON LIGHT, Atascadero, Calif.)

Mote in 1939 says radical Raymond Robins, friend of wholesale-murderer-of-Christians Jew Leon Trotsky, had assisting him as Dir. of Ann. Red Cross in Russia, Alex. Gumberg, a Russian-Ann. Jew for years in close touch with Bolshevik movement (no doubt explains why Ann. food and supplies meant for starving children was diverted to Red Army use): "Gumberg is back in America working for Floyd Odlum and is frequently in the vicinity of the sanctum of the New Deal at Wash., D.C. There has long been a question regarding the source of funds used by Trotsky in fermenting the Russian revolution and what, if any, part Gumberg had in delivering to Trotsky funds contributed by a distinguished American Jew for that purpose... After the Czar was overthrown, Schiff (Jacob H.S. of Kuhn, Loeb & Co.) supported the first revolutionary gov't with a subscription to a Kerensky loan of one million rubles..."

THE OCTOPUS says the controlling group of PARAMOUNT, one of largest movie industries (how significant Odlum's new job in view of Senate investigation of movies war propaganda - see B#280), is now Lehman Bros. (Jewish Intl. Finance - with Gov. Lehman supposed to be out of it); Royal Liverpool Ins. groups (British); Electrical Research Products, Inc. (A. T. & T. subsidiary); Public Natl. Bank & Trust of N.Y. (Jewish); and Floyd Odlum's Atlas Corp. With 2 of 3 financial houses admittedly Jewish that control PARAMOUNT, how about Odlum? As Pres. of Atlas, he is Dir. of United Fruit Co., controlled and headed by Jew, Sam Zemurray, and Zemurray, in turn, is Dir. of said Atlas Corp. Odlum's Atlas "took-over" the Jewish Goldman Sachs Trading Corp., in Apr. '33, and underwrote the re-organization of PARAMOUNT in 1935. Jewish-looking L. Boyd Hatch, V-P of Atlas, is Dir. of Jewish firm of Franklin Simon Co., and Oswald Johnson, another V-P of Atlas, is also Dir. of Franklin Simon Co. The Pres., V-P and Genl. Mgr., Chmn of Board, Asst. to Chmn of Board, respectively, of PARAMOUNT, are all Jews.

Senate Com. will necessarily have to investigate Judeo-Red-British control of movie industry if any results to come from its inquiry into movie war propaganda. It would also have to investigate the Jewish FDR's illegal committing USA to war partnership with part-Jew Churchill (Britain) and Jew-stooge Stalin (USSR), allegedly to kill Hitler and Nazism, but in reality to further liquidate Gentiles to make room for mixed-breeds who call themselves Jews. Alleged that leaders of Organized Jewry-Intl. Finance but a few years ago planned that by the early 1940's "50,000,000 non-Jews were to be liquidated thruout the world" to insure success of their diabolical plot of world dictatorship.

This recalls the terrifying New Year's Message in Rabbinical weekly, EMANU-EL & THE JEWISH JOURNAL, San Francisco, 9-8-1939, wherein Rabbi David Cohen gloats: "... A war in Europe will be of some good if the reactionary elements (Christians) in all countries kill each other off or wear each other out. This is a gruesome hope. But what other alternative is there?..." Despite that TALMUDIC attitude, Christian clergymen associate with Rabbis thus breaking Christian Divine Law - "Thou shalt not kill..."

With Judeo-Red Gumb, formerly with Amn.Red Cross in Russia, now associated with Floyd Odlum, who is now in such a key position, and with the few days earlier appointment by FDR of unknown former overseas Amn.Red Cross director, Fred.Henry Osborn (see B#280), as political commissar (USSR system) in charge of Army morale, together with all the Morgenthaus, Frankfurters, Hillmans, Hendersons, Philipsons, Tugwells, et al, in key positions in every phase of NUDEAL, the dictatorship is about completed. Significantly, FDR appoints Odlum a few hours after luncheon with Jewish financier, Bernard Baruch (Production Czar of WorldWarI), and after Baruch demanded a "single defense chief" and "a blanket ceiling on prices". Was the ballyhoo on that fateful 9-4-41 re alleged German sub attack on USS Greer near Iceland just another well-timed "incident" leading up to further "war" measures, at same time serving as convenient screen to minimize attention being paid to Baruch's demands and Odlum's appointment?

How timely that "stooge" for Organized Jewry-Intl.Finance, Windy Willkie (who represents movie interests before Senate Com.) announces on same fateful 9-4-41 that he has set out to rid republican party of "isolationism" or smash it once and for all; and on day before broadcasts over radio that he wouldn't mind a 150 billion dollar debt if it would beat Hitler; while 2 days later, 9-6-41, he again broadcasts urging use of force to keep seas open; while democrat and republican NUDEAL Senators Truman and Brewster join in asking FDR to appoint a "one man Czar" to direct defense program! While significantly on same fateful 9-4-41, part-Jew Churchill and Canada's W.L.McKenzie King called for full support by USA to Britain's war on Germany! Noteworthy that the "official spokesman" for Moscow is still the Jew S.A.Loovsky!

Despite the "hush-up" in Jewish and Gentile press re the once muchly ballyhooed "V for Victory" campaign, that Judeo-Red symbolism-movement for worldwide revolution is to be motif for BUNDLES FOR BRITAIN parade in NewYorkCity - their letter 9-5-41 announcing another change in date - now set for night of 9-17-41 (see B#280) - reads: "... It is the hope of Bundles for Britain that this V for Victory spectacle, in which the nationals (refugees) of conquered and fighting countries now resident in NewYork, patriotic, military, naval and veterans' organizations are to participate, will contribute notably to the spirit of national unity at this critical time.. Delegations will form in 24th, 25th, 26th and 27th Streets, east and west of Broadway at 7:30 PM. The procession will move north at 9 o'clock on Broadway from 24th St. to Greeley Square, forming a gigantic 'V' along the east and west sides of the triangle, where magnesium torches will be lighted to create the blazing symbol (of Judeo-Red revolution)..."

How logical, in view of their warmongering, to find on above Sponsors' Com., not only 1/2-Jew 3-key-positions-holding Mayor LaGuardia, but Jewish Dir.of Columbia Broadcasting System, big shot swivel-chair warmaker in WorldWarI, Herbert Bayard Swope; also, Mrs.Herbert H.Lahman, Mrs.Jas.Roosevelt, Mrs.J.Roosevelt Roosevelt, Mrs.Arthur Hays Sulzberger (wife of half-owner of Jewish NY TIMES - see B#279); and men, false prophets, like the 2 highup officials of Anti-Christ Federal Council of Churches, Dr.Samuel McCrea Cavert, Rev.Dr.Henry Sloane Coffin (how appropriate! - see Mrs.Dilling's works, THE RED NETWORK and THE ROOSEVELT RED RECORD), Bishop Jas.E.Freeman, Bishop Edwin H.Hughes; and those who should know better, like, Walter P.Chrysler, Jr., John W.Davis, Chas.G.Dawes, Jas.W.Gerard, Wm.Green (AFofL head), Ogden H.Hammond, Dr.Robt.M.Hutchins, Alfred E.Smith, Lowell Thomas (radio-movie commentator), Gene Tunney, Thos.J.Watson, Gen.Hugh S.Johnson, Gen.John J.O'Ryan, Gen.John Ross Delafield, Col.Wm.M.Chadbourne, Admirals Wm.H.Standley, U.S.N. and Harry E.Yarnell, U.S.N., et al. Traitors all!!!

NATIONAL DEFENSE, Oct.'41, Arcadia, Calif., which aids disabled War Veterans who in too many cases being miserably taken care of (contrast the billions we give to enemies of USA - Jew-controlled Britain & USSR), comments: "... On our travels and contacts since April, we failed to find one single individual who had a fertile idea, especially among Congressmen and Senators, in regard to the economic rehabilitation of our nation. All realize that the increasing national deficits and the increasing taxes that are being levied by other political subdivisions, portend inevitable disaster. At Washington, drawing unusually high salaries, are so-called Economists who appear to be employed for no other purpose except to deceive those whom they are paid to advise. They may be called domestic spies who are planted by their international masters (Organized Jewry-Intl.Finance) in positions of influence to prevent Congress from legislating except as this group directs. The power which they command is best expressed in an editorial in the July 19th issue of THE SATEVEPOST, wherein Hatton W.Sumners, the Chmn of the House

Judiciary Com., states: His Govt has not had the benefit except in a very modified sense, of an independent legislative body for a good many years. We all know where the important bills have come from. We know, speaking generally, that matters of policy of major importance are not fashioned by the policy-fixing agency of the Govt. Speaking generally, and the exceptions are rare, important legislation cannot be put thru which the President does not want.'

"When in Washington recently we were advised by a Senator that our War Dept acted under instructions from London. The British have driven, (thru blitzkrieg tactics of propaganda), spearheads and salients into our country to such an extent that they are brazenly recruiting for their service in our own cities Americans, and these Americans are offered salaries up to \$40 per week plus room and board; the funds for which will come from the 'Give and Tax Bill', commonly called the Lend Lease Bill.

"Our soldiers are forced to serve for \$30 per month; CCC boys also receive \$30 per month, room and board; while here in Los Angeles British agents are recruiting American citizens, paying them up to \$40 per week, room and board, for civilian technical service... If the British, with our money, can pay Americans \$40 per week, room and board, for foreign service, could not and should not we pay more to our soldiers and CCC boys who are serving American interests - not British? ....

"Boake Carter says: 'Let no one persuade you that the Roosevelt gold policy of production based upon debt can end in success. It must end in disaster when our national interest tops fifty million dollars a day and our national pay envelope is less than thirty-nine million a day.' ....

"We must warn our citizens against the subtle propaganda of the controlled press, the movies, the radio, etc., supported as this propaganda is with funds of the International Bankers whose only God is the gold buried in Kentucky and whose principles are embraced in the exploitation and further enslavement of the masses."

NATIONAL DEFENSE magazine at \$2. per yr., turns over half, \$1., of every subscription, to aid the unfortunate aged disabled retired enlisted men who served our nation in one or more wars, to either the Arcadia, Calif. Red Cross or to Natl. Defense Post No. 385 of the American Legion, whichever you designate when you send in subscriptions. Much of the millions raised in USA for Finns and Greeks never reached them, yet no accounting been made, and no investigation by Congress (as AID! been urging from time to time). Charity begins at home. Where better could you help than above?

Reminding that Americans constantly being implored to aid "refugees". How interesting that THE JEWISH PRESS 9-5-41 says "... refugees from Europe have been keeping Wall Street going thru the lean times of the last year..." Proves that wealth has been removed from Europe to USA in large amounts, despite propaganda that refugees are stripped before leaving Europe. One such "refugee" who has been getting rich from \$1,000.-per lectures, books, articles, etc., foul-minded Nobel-Prize-winner Thos. Mann, after the buildup as now being an American "greatest living German author", has been signed up by British Broadcasting Co. for a series of German-language broadcasts to the German people. Since his radical daughter-author-ess-lecturer Erika Mann has said she would be happy to see American mothers' sons' blood shed to kill the Hitler she hates, no doubt Thos. Mann will incite German people, ala "V for Victory", to engage in a bloody revolution.

Why doesn't the Dies Com. expose Judeo-Red-British activities? Just now discredited-at-home-in-recent-Senatorial-election Chmn Dies press-agenting that Leon Henderson's staff has "fellow-travelers". Back in B#271 of 6-30-41 we exposed the Red "alias" Henderson and some of his aids, but you'll note that Dies doesn't mention the Jew David Ginsburg, Leon's genl. counsel at \$8,000., one of Frankfurter's "hot dogs" who has been on NUDEAL payrolls ever since he left Harvard. No, the traitorous Dies Com., which almost to a man, voted for the Judeo-Red dictatorship Lend Lease Bill and Draft Extension Bill, has covered up the real "enemy", despite fact that in May-June 1939 Genl. Moseley (2nd in command U.S. Army when retired 9-30-38), under Christian Oath, testified and submitted signed statement (which cowardly Dies Com. struck from the record), which warned that the Dies Com. would not accomplish anything beneficial to safety of our nation, unless it investigated and exposed - the B'NAI B'RITH, The Ann. Jewish Congress, The Ann. Jewish Committee, and The Jewish Labor Committee (which controls AFofL and CIO).

Instead, that Dies Com. became party to a continual "smear campaign" against that Christian Soldier who had devoted 43 years to his country with honors bestowed accorded to but a few men in our entire history. Yes, the Dies Com. smears your humble editor.

Glad to learn thatarnation Milk Co. has disconti. services of warmonger radio commentator H. V. Kaltenborn whom we have exposed at different times in the past.

PUBLICITY, weekly newspaper, Wichita, Kas., which is offering \$6,000. in cars and cash in subscription contest, interprets the "Vifor Victory" by running a column inside a large "V", the words, "Vicious International Communistic Terroristic Oppressors! Royal Yoke!", which is about best definition of "V for Victory" that we have seen so far.

Understand that 14,000 heard Chas. A. Lindbergh at Okla. City, and as auditorium holds but 6,000, those who forced Lindy to speak in a cow pasture did him a favor. Glad to announce he speaks at Des Moines, Ia. 9-11-41, over Mutual Broadcasting System, following FDR's muchly ballyhooed worldwide broadcast wherein it is expected he will follow up his illegal declaration of war he made Labor Day, no doubt capitalizing on alleged ships sunk by Germany. History certainly being made in Sept. 1941!

WE, THE MOTHERS, MOBILIZE FOR AMERICA, Inc., 37 W. VanBuren St., Chicago, Ill., who are trying to mobilize a convention of all groups "against war", preparatory to demanding IMPEACHMENT of traitors at Washington, offers, as applying forcefully today, a prayer Geo. Washington, upon disbanding his army in 1783, sent to the Govs. of the States:

"ALMIGHTY GOD: we make our earnest prayer that thou wilt keep the United States in thy holy protection, that thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government: and entertain a brotherly affection and love for one another and for their fellow citizens of the United States at large. And finally that thou wilt most graciously be pleased to dispose us all to do justice to love mercy and to demean ourselves with that charity, humility, and pacific temper of mind which were the characteristics of the Divine Author of our blessed religion, and without a humble imitation of whose example in these things we can never hope to be a happy nation. Grant our supplication, we beseech thee, through Jesus Christ our Lord. Amen."

The correct address of another MOTHERS group (4,000,000 strong), NATIONAL LEGION OF AMERICAN MOTHERS (see B#280), with similar program, is 241 S. Western, Los Angeles.

Our warlike Pres. and his wordy wife, who now advocates anew the conscription of girls 18 to 24 (see B#264 of 5-14-41 wherein we exposed this plan, quoting THE PATRIOT of London as to unfavorable Christian reactions in England), would do well to get in tune with the spirit that actuated the Founding Fathers. Instead, Mrs. FDR insults their memory in radio broadcast re schools for "refugees", claiming they would work harder and become better citizens than those who settled this country! We would refer both to the inscription on slate tombstone on top of hill in Old Burying Ground facing main street in Concord, Mass., "in memory" of Col. John Buttrick, who commanded the Militia Companies which made the first attack upon the British troops on Apr. 19, 1775. A friend asks:

"Will our citizens of today permit the betrayal of the Minute Men of 1775 by the unscrupulous politicians holding power in our Goff and that of Britain and Russia?"

Reminding that at Pittsburgh, Pa., Mrs. FDR told NUDEALERS that "it is our part to convince the people that this country must go to any length necessary to insure that the world is not dominated by ideals in which we do not believe". She refused an opportunity to tell a MOTHERS group with "peace" signs, how she proposes to run the world when they were not sold that she even knows how to run her family. At a partly empty auditorium she told NUDEALERS, Negroes and Jews, and was applauded for it, that until we have a perfect democracy, until race prejudice is removed and that people can get along with people of other races, that along with educating parts of the Army to permit Negroes the SAME PRIVILEGES as Whites, that this seems to be very slow but was the only way to bring it about UNLESS you resort to revolution! Rabbi Solomon B. Freehof gave the invocation! Mrs. FDR wore a RED corsage on her LEFT shoulder - quite appropriate - eh?

An informed patriot urges that our citizens be asked to read at least one book on our Constitution - suggesting "THE AMERICAN CONSTITUTION AS IT PROTECTS PRIVATE RIGHTS" by Fred. Jesup Stimson. He reminds that our Founding Fathers intended our schools to give citizens a thoro grounding in history, particularly of the intent and purposes of our Constitution, knowing that would be the only way to safeguard our Christian Constitutional Representative REPUBLIC. How far our schools have been perverted from their true purpose is reflected in educators and students talk about "our democracy"! In the "planned-that-way" sabotage of our REPUBLIC, we have ignoble spectacle of Pres. FDR writing articles in COLLIER, under "The Fight Goes On", wherein he seeks to justify his "packing" of Supreme Court - the destroying of one of the bulwarks of our REPUBLIC!

There is but one answer - MARCH to WASHINGTON - IMPEACH the traitors!

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 283 & B#50 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Sept. 23, 1941.

EDUCATION. To date, Supt. of Schools, NUdealer Hobart M. Corning has not acknowledged my written offers in past to supply libraries of Omaha's 5 high schools with AID! service, plus donation of 5 copies of THE OCTOPUS. When schools opened I started mailing AID! bulletins and enclosures anyway to said 5 librarians. Last week I received from Benson High (from which both daughter and son graduated) B#s 280, 281 and enclosures, with unsigned pen note: "Please do not send to Benson High School".

Some years ago Miss McNamara, Principal, discouraged an investigation of books in that library, but even a hasty look disclosed socialistic, communistic books on its shelves. Since a number of leading universities have asked for AID! service, some of them paying for it, I wonder why this attitude on part of hired servants of Omaha taxpayers and parents. Are Omaha teachers and youth to be denied access to truth about Satanic subversions, while those fortunate enuf to be able to attend Omaha U., Nebr. U., Harvard, Yale, Stanford, et al can and do have access to AID! bulletins and enclosures?

I am a product of Omaha and Nebr. schools when education didn't emphasize nude "folk dancing", socialism and communism. USA would be better off were there some huge bonfires, and a wholesale purge of much activity and personnel masquerading in guise of education. Omaha School Board - what are you going to do about it?

THE PATRIOT (London). 8-14-41 issue proves that true Englishmen are concerned over what has happened to their educational system: "The declaration on Christian Education signed by 224 peers and members of Parliament and sent to the Pres. of the Board of Education is an indication of the uneasiness felt in widening circles at the lack of Christian teaching in our schools. It is easy to blame the Churches for this state of affairs, but the trouble lies far more with Parliament itself, which, under political pressure at the beginning of the century, deprived the Churches of their authority in the secondary schools. Too often the teachers in these schools are not imbued with Christian principles, and they are allowed to inculcate in the minds of the children political doctrines and theories foreign to the beliefs and policies of the parents of the children.

"There is here an assumption of authority by the teachers over both parent and child which is not sound. Various youth societies are in existence designed to turn the young people into good citizens, but it is not difficult for such societies, in the absence of a groundwork in Christian principles, to become penetrated by political and evil influences. The education most sorely needed in this country is in Christianity, which has been so largely driven out of the life of the nation by political considerations, with the ill effects after forty years which are now visible. The signatories to the declaration recognized this in their concluding suggestions for such Govt action either by administration or by legislation as shall:-

"(1) Make it possible for every school to have upon its staff teachers capable and willing to give instruction in religious knowledge and supervise and lead in religious exercises, securing at the same time that freedom of conscience for teachers, parents, and children which is at present their right;

"(2) Provide that religious knowledge be made an optional subject in training colleges, and in the examination for the teacher's certificate;

"(3) Secure that every day the work of the school shall include a service of united worship;

"(4) Provide that text-books or syllabuses of Christian education shall be prepared by a united and representative body for use in schools wherever acceptable;

"(5) Provide that His Majesty inspectors shall be authorized to inspect the religious education in any schools where this is desired by the local education authority or by the managers or governors of the school.

"As a matter of fact, no freedom of conscience need be imperilled by the employer of the clergy from all denominations, in this religious education, for which they are

66c 9922

certainly better equip  than the ordinary teacher." 

Editorials following above in THE PATRIOT 8-14-41 gives an insight into the parallel activities in both USA and England that accentuate the evil results of de-Christianizing education about 40 years ago in both countries, co-incident with Organized Jewry-Intl. Finance's plans formulated and put into action thruout Christendom particularly but in Asia as well, looking forward to setting up of "controlled" dictatorships thruout the world by 1942. THE PATRIOT: "The statement issued last month by the Labour Party and the Trades Union Congress announced that no association by these organizations with the Communist Party was possible. Yet we find that at Bristol on July 18 Communists and local leaders of the 'Labour' Party held a meeting to celebrate the signing of the Anglo-Soviet Pact. The largest hall was taken for the meeting. The meeting ended with the Internationale and the National Anthem. The meeting, says the NEW LEADER, '... was preceded by community singing. The Red Flag and The Internationale were sandwiched between such pieces as "Annie Laurie", "Land of My Fathers", and "England Arise!" and "Abide With Me." On the platform the Red Flag and the Union Jack hung side by side.'

"There seems no lack of association here, and it would be interesting to know if Bristol's Socialist leaders have since been told to be more circumspect."

What blasphemy! - with "Abide With Me" being sung in company with Anti-Christ songs!

Under "JEWS IN THE BOLSHIEVIK REVOLUTION", same magazine reports: "In the interests of accuracy some notice has to be taken of the editorial notes in The Jewish Chronicle of Aug. 8 dealing with Capt. A.M. Ramsay's libel suit against the New York Times in which he was awarded two sums of £d. each. The paragraph in The Jewish Chronicle to which special exception must be taken reads: - '... Then we get the familiar and if possible wilder imagining, on Capt. Ramsay's part, that the finance for the Bolshevik Revolution was supplied by Jewish bankers - in other words, that these bankers meekly provided the noose for their own necks...'

"It may be recalled that on Febr. 3, 1919, Lord Kilmarnock sent to Earl Curzon from Copenhagen a report, contained in the White Paper on Russia (No. 1) of April, 1919, giving information from a French refugee from Petrograd as follows: - '... The Bolsheviks comprised chiefly Jews and Germans, who were exceedingly active and enterprising. The Russians were largely anti-Bolshevik, but were for the most part dreamers, incapable of any sustained action, who now, more than ever before, were unable to throw off the yoke of their oppressors...'

"Mr. Boris Brasol, in 'The World at the Cross Roads' (CHH- published 1921, out of print; Brasol, now in USA, one of 3 signers, with Archbishop Vitaly and Boris Sergievsky, of letter 7-3-41 to FDR, protesting USA aid to USSR, claiming among other reasons: "... By demolishing Christian churches these godless politicians (Soviet Commissars) hope to destroy the Church of Christ. It should be also borne in mind that the red tyranny cost the Russian people up to fifty million lives, - a grand total comprising those who died of starvation and epidemics during the great famines of 1921-22 and 1931-32, as well as of those who have been done away with by the infamous G.P.U..." - send to Russian-American Natl. Com., Room 1409, 2 West 46 St., New York City for copy of that letter to FDR, which has been ignored by him), writes: - '... The full history of the interlocking participation of the Imperial German Govt and international finance in the destruction of the Russian Empire is not written.. It is not a mere coincidence that at the notorious meeting held at Stockholm in 1916 between the former Minister (Russian of the Interior, Protopopoff, and the German agents, the German Foreign Office was represented by Mr. Warburg, whose two brothers were members of the international banking firm, Kuhn, Loeb & Co., of which Mr. Jacob Schiff (CHH- see B/281, p.1; also THE OCTOPUS was a senior member...'

"Also it may be recalled that the late Mr. Robert Wilton, who was for 17 years the Russian correspondent of The Times, gave in his book 'Les Derniers Jours des Romanof', the overwhelming proportion of Jews in all the important positions. The details covered the Central Com. of the Extraordinary Commission and the Council of Commissars, functioning at the time of the murder of the Imperial family, the Council of the People's Commissars, etc., and out of 556 important functionaries of the Bolshevik State there were only 17 Russians and 457 Jews. It is obvious therefore that if Jewish bankers did provide the finance for the Bolshevik Revolution it was not at least for the purpose of supplying a noose for the necks of their own people. These facts are not given with any desire to create bad feeling with Jews, but if a paper like The Jewish Chronicle makes a

statement, which can be deemed other than misleading the corrective should be available."

The "White Paper" quoted is the official British Govt report to the King. I have a photostat, page by page, of that original White Paper which was suppressed by the British Govt and re-issued without the damaging truths about the so-called Russian Revolution, and in at least 13 official British Govt reports, by name, and in many more by inference, in that original White Paper, the fact is clear that Organized Jewry-Intl. France was responsible for that Revolution, and for the horrible tortures, killings, enslavements and starvation and disease that Christian Russian leaders now claim accounted for the liquidation of upwards of 50,000,000 Russians in past 23 years!

THE PATRIOT, 8-21-41 issue: "SOVIET FACTS AND FALLACIES. Between the acceptance of the aid which the Soviet Union is giving us in the war against Germany and the adulation of the Moscow Govt which is taking place in our Press there should be a very wide gap which, however, the editors of our daily papers have found no difficulty in bridging. It is possible to hope that the views expressed in the morning and evening editions do not make much impression on the readers, just as it is impossible to believe that the policy at heart of Moscow has so completely changed by being associated with the Allies that we can, without any pricks of conscience, '...take the Moscow Soviet Communist Revolutionary Govt under our wing, and clothe it in the furs of apology to shield it from the blasts of criticism..' That, we may remember was an outburst of the late Mr. Ramsay MacDonald in Oct. 1922, when he also stated that he was an '...unswerving hopeful regarding the Moscow Govt..'.

"Now we read in the Sunday Dispatch of Aug. 17 of a broadcast from Moscow calling '...to all Christians, Protestant and Catholic, to unite in a Holy Crusade against the anti-Christ, Hitler..' the appeal being made particularly to the Christian peoples of Germany and the unoccupied territories, and the announcer of this reported to have added '... The Soviet Union secures, according to her constitution, to the members of all Churches the right to perform their religious obligations..' a statement, which, for deliberate deception, it would be hard to beat. But it is, of course, the deception which has all along been carried out by the organisation of the Soviet Socialist Union under the domination of the Comintern. Anyone wanting to learn of the world-wide activities of the Comintern should read 'Out of the Night' (by Jan Valtin) by an ex-Comintern agent, one of the most terrible records of crime ever written, and showing to what appalling depths of degradation the agents of this organisation have descended. It must make the Devil himself laugh to hear that Stalin is calling a crusade for all Christians to unite ... (CHH- article then gives data on how Govt so-called clergy are G.P.U. spies)...

"Also in the Sunday Dispatch of Aug. 17 there was a long article professing to give 55 Vital Facts concerning the Soviet Union, all going to show how the USSR has developed to become an inspiring example for other nations in every branch of human activity. This article has an introduction by the Soviet Ambassador here, Mr. J. Maisky (CHH- a Jew), who speaks, of course, as a paid servant of the Soviet State, but is also a member of the Central Com. of the Russian Communist Party which controls the Comintern. In this article, therefore, he can quite readily subscribe to the statement that 'there is complete freedom of religious thought and practice' in Russia, at the same time being aware that the policy of the Communist Party is to stamp out all religion.

"Another of the Vital Facts deals with Trade Unions, and it is stated that 'membership of the trade unions is not compulsory, but few workers do not belong to one', for the very good reason that otherwise they have to starve. The workman moreover must buy all his food at the Co-operative, which never contains sufficient foodstuff to supply his minimum needs, but that is not given as one of the Vital Facts. Newspapers are all State (CHH- Jewish) owned and controlled. So there is no freedom in the expression of opinion; in fact, everything in the USSR is State owned, with the exception of personal chattels, and all work is for the State, and how 'loyalty' to the State is procured can be gathered from the following significant No. 9 of the Vital Facts:-

"The former O.G.P.U. is now merged in the People's Commissar for internal affairs (equivalent to our Home Office and Ministry of Home Security) (CHH- undoubted parallel in USA is  $\frac{1}{2}$ -Jew LaGuardia's Civilian Defense setup wherein Jewish FDR illegally gave LaGuardia unlimited powers), which includes the militia (police) and the Secret Service. The system of information is so wide and so well organised that each citizen is a kind of representative for the People's Commissar. The Soviet thus has the finest Secret Service in the world, and because of its activities nothing can happen without

the knowledge of the authorities.'

"There is only one Vital Fact which need be said that deals with Bolshevism, which is explain "as meaning majority, and we are told 'The Communists or Bolsheviks are the leading political party'. But in reality Bolshevism derives its name from the biggest socialist revolutionary programme as opposed to the lesser who called themselves the Mensheviks. And as regards this majority the truth is that the Mensheviks have been abolished and the Bolsheviks number but a small fraction of a population stated to be 200,000,000. That Vital Fact, however, is not given, for the Communists know that if the strength of their party were disclosed it would entirely upset the idea that the Soviet Govt, as constituted, represents the vast masses of the Russian peoples who, all over the age of 18, have the franchise, but know that they have no alternative to voting for the Communist Party nominee.

56020

"How, in the face of what is known as to the regime in Russia, it can be imagined that any good can result from our Press making out that black is white it is hard to understand. The British people can welcome the help which the Soviet army is giving in the war, but there is no excuse for the internal policy of Moscow, which is the absolute denial of that very freedom for which our Forces are fighting, to be put forward as something mere for their approval."

THE JEWISH PRESS - NEW YEAR'S EDITION - ROSH HASHONAH 5702 - FRIDAY, Sept. 10, 41. This special 76-page full newspaper-size edition front page has greetings from Gov. Griswold, banker Millard, Amn. Legion Comdr. McDermott, and Woodmen of World Pres. Bradshaw all flanking this message from FDR: "At this tragic hour in modern civilization I extend to the Jewish people of America my sincere greetings for the New Year, in the confident hope that the temporary darkness which appears to encompass the world shall not extinguish the light of liberty and the blessings of peace and freedom. Accordingly, with a united devotion to the just cause of tolerance and peace, we must rededicate ourselves to the task which lies before us in order that all peoples may live as equals"

Space prevents giving Christian Americans any conception of this "rededication" that Jewish FDR refers to, as found in this one issue of THE JEWISH PRESS, but the few excerpts below give you a few ideas. E.g., front page of Section F, carried onto p.2, reproduces "a recent issue of THE SYNAGOGUE magazine, published in connection with the 37th Biennial Council of the Union of American Hebrew Congregations, Waldo Frank, eminent American author and critic wrote this timely article, 'THAT ISRAEL MAY LIVE'. It is reprinted here by special arrangement with the Editor of THE SYNAGOGUE." (see Mrs. Dillings THE RED NETWORK for Communist record of Jew Waldo Frank). In above long article he says: "... Altho we cannot expect all Jews whose livelihood involves them in the nefarious Capitalist system to become martyrs and give up their sole means of earning bread for their wives and children, we can demand that they bear their necessary sin in consciousness and humility; that with contrite love they give all possible aid to the forces both progressive and revolutionary, which struggle to replace the present socio-economic regime of greed, possessiveness and stratified injustice, with another of true democracy." (CBH- "true democracy" is when Jews rule as in USSR).

Practically 3 full columns on p.8 of Section G, under "RUSSIAN JEWRY IN THE TRAP OF WAR" by Dr. Simon Segal, confirm what AID bulletins been giving you piece-meal - that Organized Jewry-Intl. Finance still controls Russia. He says "an entirely new generation of Russian Jews was reared in the spirit of the Communist ideology" (CBH- with which Segal finds no fault); that "As far as we are aware, for the first time in modern history, anti-Semitism was made a crime punishable by law. The fears which the Russo-German pact gave rise to, namely, that the agreement with Germany might influence Soviet policy toward the Jews, proved unwarranted". Claims the temporary removal of Jews Kaganovich "a friend of Lenin and one of the oldest and most active Bolsheviks" and Litvinoff "from Central Com. of Communist Party in Febr. 1941.. had nothing to do with their being Jewish. As a matter of fact, several Jews were appointed to important positions during the year under review. Mr. Mechaelis, a Jew, for example, became the head of the State Control, a position second in importance only to those of Stalin (lives with Jewess sister of Kaganovich) and Molotov. The duties of the new Ministry of the State Control were to supervise all public expenses and control the management of all State property." "... Russian Jewry, despite the Communist excesses, have enjoyed equality and respect for their human dignity for more than a score of years." (remember - only Jews are "human beings"!).

BULLETIN NO. 284 & B-51 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Sept. 30, 1941.

IMPEACH FDR! Every reader - write your Congressmen & Senators to IMPEACH FDR!

EDUCATION. Christian parents and School Bd members - a "must" book will amaze you and enable you to do something about it. EDUCATION FOR DESTRUCTION (180-p. book by Dr. Bessie R. Burchett, 5200 Warren St., Philadelphia, Pa. - \$1.50, 10 or more \$1. each) is an eye witness account by the ex-head of Dept. of Foreign Languages, So. Phila. High Sch. for Girls, who was fired on day FDR signed the treasonable dictatorship Bill H.R. 1776, which she had opposed, orally and in writing, and by her appearance at Washington last Febr. during MOTHERS CRUSADE TO DEFEAT H.R. 1776. Look for the books she exposes, in your high school libraries. Some were kicked out of Phila. schools as result of exposure.

THE DICTATE-APER. A Tale of Modern Times by D. Gusted, 94 pages of satire on present national and international affairs, may prove to be the book that will spoil the plot of Organized Jewry-Intl. Finance to enslave the world. Introduction says that the people, the events and the countries - except the USA and England are purely fictitious, and any possible resemblances to real personages is merely coincidence, the recent events have suggested trimmings used fictitiously. But many will recognize racial groups, tactics, leaders, and the full of chuckles, the book displays uncanny understanding of the plot, techniques being used to gain control and fool the peoples, while thru the heroism suggests counter-attacks that may defeat the "enemy of Christendom". This is another "must" book. Priced at 25¢, it should sweep the country. Ridicule may save our Nation where pure logic alone, or documentation and warnings may fail. Since no address is given, send me your quarters and I'll see if I can secure copies. You must have it!

UNITED MOTHERS OF AMERICA, Rm 348, The Arcade, Cleveland, O., calls upon patriots to demand of Senators & Congressmen a Committee to Investigate Un-American Activities (1) of the newspapers; (2) of the movies; (3) of the radio; (4) of this Administration!

A patriotic organization in New York City received this note from a group of Hunter College students: "A majority of us students attending the Social Science Class. are not enthusiastic over the compulsory study of a book costing students 5 cents, entitled "The Constitution of the Soviet Republic". The cost is insignificant, but the studying of this book does not appeal to us American girls. We would be pleased if you could help to have this unpleasant item removed from our course... P.S. to protect STUDENTS, withhold source of this information." Any comment necessary???

AMERICA FIRST! Geo. Shuster, Pres. of said Hunter College, is a leading warmonger very active in the Natl. Conf. of Christians & Jews, and Chmn of Bd of Loyal Americans of German Descent. He warned at a 9-20-41 FIGHT FOR FREEDOM meeting at Hotel Roosevelt (how appropriate) that the "most perilous invasion" is an invasion by ideas, proving he knows what he is doing by compelling American girls to study the "paper" Constitution of Christian-murdering-to-tune-of-over-40,000,000-past-23-years Judeo-Red Russia. At that meeting Dr. L.M. Birkhead, Chmn of FRIENDS OF DEMOCRACY, INC., demanded "restrictive measures" must be taken to stop Senators Nye & Wheeler, and citizen Chas. A. Lindbergh, and suggested the NUDEAL set up a Ministry of Enlightenment & Information to counteract truth-tellers, while Jew Herbert Bayard Swope urged support of Soviet Russia and attacked Lindbergh as the "anointed leader of the Fifth Column". Supreme Court Justice Ferdinand Pecora (as did Windy Willkie in press) added his bit by attacking ex-Pres. Herbert Hoover for his counseling against full aid to Russia, while Dr. Reinhold Niebuhr (see this pacifist's record in Mrs. Dilling's RED NETWORK), Chmn of UNION FOR DEMOCRATIC ACTION, asserted USA must eventually go to war, while Dr. Frank Kingdon, Chmn, saw to it that resolutions were adopted giving "full approval" to FDR's policies, pledging themselves to "whatever duties

of civilian defense we be called upon to perform", denouncing Nye, Wheeler and Lindbergh. Birkhead's FRIENDS OF DEMOCRACY, INC. is putting out a lot of dodgers and cartoons ridiculing and denouncing Lindbergh.

THE JEWISH REVIEW 9-18-41 front-page features bold type "answer to Lindbergh's Des Moines address" by same Geo. Shuster, some of captions reading: "DENOUNCES AVIATOR FOR HIS IGNORANCE - BLASTS REMARKS", with statement accusing Lindbergh of being "... in the fullest sense of the term, an 'agitator'..." Clear across that front-page captions read: "JEWISH REVIEW DEMANDS FULL CONGRESSIONAL INVESTIGATION OF LINDBERGH AND PRO-HITLER ORGANIZATIONS - Jew Baiting Unloosed On Grand Scale in U.S. Senate".

56022

Since NUDEAL's foreign policy sells out USA's best interests and declares war thru FDR's illegal order to Navy to shoot first, just how right Lindbergh is in his Des Moines claim that the British, the NUDEAL, and Organized Jewry are pulling us into war, seen in telegram sent by THE JEWISH REVIEW to Senators Robt. F. Wagner, Jas. M. Mead and Warren W. Barbour (all 3 stooges for Organized Jewry-Intl. Finance): "In a desperate attempt to sabotage our country's foreign policy and undermine our national defense effort, Chas. A. Lindbergh, the AMERICA FIRST COM., and an illegal Senate Sub-Committee (investigating movies propaganda for war) are deliberately seeking to divide the American people by rousing the destructive forces of racial hate, internal strife and disaffection. This attempt to destroy American morale is tantamount to treason. THE JEWISH REVIEW, an English-written publication of over 70,000 circulation, dedicated 'to promote better understanding among all creeds and races' demands a full dress congressional investigation of all the guilty parties."

In re above, recall that some months ago, Sen. Barbour's S.817 has been hailed week-after-week in same THE JEWISH REVIEW as a Bill that "will stop anti-Semitism", not only permitting persecution of Christians, but could stop circulation of our BIBLE!

Editorials in THE JEWISH REVIEW 9-18-41 promise Jewry their struggle "is entering a decisive stage", and that "it is in the spirit of the Will to Victory in action that American Jews greet the advent of the New Year". Confirm long ago plan of Organized Jewry-Intl. Finance to complete enslavement of world by 1942, thru "controlled" dictatorships. Same page smears Lindbergh, Coughlin, Nye, Reynolds, and quotes the Anti-Nazi League (headed until death by radical Jew Sam. Untermyer) demanding the Senate and House Military Affairs Committees investigate activities of Lindbergh on ground that he is "giving aid and comfort to the Nazi war strategy aimed at the United States". Typical Judeo-Red tactic of accusing someone else first of the very sin they themselves are guilty of!

Jewish pressure seen everywhere, proves existence of very facts they disclaim. Reported that 2 days after Hearst had praised Lindbergh, he wrote a retraction in Los Angeles EXAMINER, account Jewish advertisers threatened to take away all their advertising. He yielded not only to save the paper but the jobs of employees. Reported that the Grand Domain of New Jersey, KNIGHTS OF PYTHIAS, at its annual convention, adopted a resolution demanding a Senate investigation into the activities of Lindbergh. Yet who demands investigations of those pressuring for war? Jewish NY TIMES 9-28-41, under caption "NEW GROUP HERE ASKS DECLARATION OF WAR" says members of New York City League for a Declared War unanimously adopted a resolution demanding an immediate declaration against Germany. Maurice P. Davidson presided. WHO'S WHO IN AMERICAN JEWRY shows this warmonger's picture and lists many appointments to key positions given him by 1/2-Jew La Guardia and Jewish FDR. He is 32nd degree F.&A.M. and ex-Pres. of Dist. 1 of B'NAI B'RITH (see THE OCTOPUS, 256 page expose, with over 2,300 in index, denied book post rate illegally by Post Office; 1 for 60¢; 2 for \$1; 7 for \$3 - all to same address - remittance with order: or 1 FREE with subscription to this bulletin service @ \$5. per yr.).

Reminding that FDR's "right arm" Judge Sam. Rosenman's new Conservation Bureau, part of OPM, in full charge of "civilian goods" and "scarce materials", is headed by Jew L. J. Rosenwald, formerly of Sears, Roebuck & Co., a Willkie supporter, and of AMERICA FIRST COM. Reminding further that Federal Loan Adminstr. Jesse Jones is loaning, against problematical ore shipments from Russia, to USSR's spy system in USA, the Amorg Trading Corp. from \$50,000,000 to \$100,000,000, while Jew Secy of Treas. Morgenthau, Jr. loans "against future gold shipments" another \$10,000,000.

Yet the propaganda now is that one is a traitor to stay out of foreign wars. Thus from Geo. Washington on down, our greatest men, would be deemed "traitors" today!

MARCH ON WASHINGTON - Christian Americans - IMPEACH or throw all NUDEALERS out!

Who are the warmakers? Witness Rabbi Israel Goldstein attacking Lindbergh, yet that Rabbi is not only Pres. of Jewish Natl. Fund of America (with its stake of millions in Palestine under British mandate), but also Chmn of Interfaith Com. to Aid Democracies, saying in THE JEWISH REVIEW 9-18-41: "... The aim and program of the Jewish Section in the British War Relief effort have been warmly endorsed and supported by all elements of Jewish public opinion, religious and secular, orthodox and reform, Zionist and non-Zionist. It is sponsored by more than twenty national organizations including B'NAI B'RITH, American Jewish Congregations, Union of American Hebrew Congregations, United Synagogues of America, Zionist Organization of America and Hadassah..." "... It is estimated that of the \$10,000,000 received in contributions by the British War Relief Society, one-third has come from Jewish sources..." "... It is not entirely altruism. In the broader and ultimate sense, what we (Jews) do to help the morale of the British people (who are fighting Jewry's battles) we do for the last outpost of our own defense." There it is!!!

When AMERICA FIRST COM. issued a statement accusing Jewry of having injected the so-called "racial" issue first (which AID readers know to be true), the "controlled" Gentile press rushed to call the AMERICA FIRST COM. liars for making that defense of Lindbergh. All the more honor to AFC, for Organized Jewry-Intl. Finance and its Gentile stooges put terrific pressure upon it to disavow Lindbergh. E.g., the Jewish Anti-Defamation Council of Minn. (Lindbergh's home State) wrote Genl. Robert Wood of Chicago, asking AFC to repudiate Lindbergh. Ex-Gov. Al Smith, Secy of Navy Knox, Dist. Atty Thos. E. Dewey, Windy Willkie, and Geo. Gordon Battle (atty. for Communist Party Secy Earl Browder) all jump on Lindbergh in press. (significantly, now the Judeo-Red CIO is asking for Browder's release from prison).

FIGHT FOR FREEDOM, INC. (see herein and Bs#279 & 282) wired Genl. Wood, claiming "Lindbergh stands today as head of America's Fifth Column", and demanding AFC repudiate him. KEEP AMERICA OUT OF WAR CONGRESS proves its well-known Judeo-Red control by issuing statement expressing "deep disagreement" with Lindbergh's speech at Des Moines. The radical "intelligentsia" weekly THE NEW REPUBLIC joins the chorus, with LaGuardia putting in his smart-aleck 2-bits worth. And Gentile press sings same song from coast to coast.

Max Steinberg, Secy of Natl. Council of Jewish Communists, at 35 East 12th St., New York City (hdqtrs of N.Y. State Communist Party), pours out Rodgers "LINDBERGH - The Un-American Way!" crying: "... Lindbergh and his cohorts are Hitler's advance guard in America. Hitler's American 'rattlesnakes' are trying to strike. They are plotting bloodshed, violence and pogroms in America. Their treason must not be allowed to succeed... The activities and connections of the Lindbergh traitors demand the practical attention of the Federal Govt... Defeat the anti-Semites - betrayers of American democracy!..."

Other Communist leaflets reproduce the "appeal" quoted in part in B#282, sheet captioned: "VILNA RABBIS CALL ON WORLD JEWS: 'MAKE GOOD OUR TEARS.. SMASH HITLER'", while others read: "AMERICA MUST NOT GO THE WAY OF FRANCE!" In the latter you read: "... The Fifth Column in America today - the Lindberghs, Hoovers, Hearsts, Wheelers, Coughlins, Norman Thomases - united in the infamous AMERICA FIRST COM., under demagogic slogans of 'peace', betray our national independence and social security... IF AMERICA IS TO PRESERVE ITS VERY LIFE, IT MUST PARTICIPATE, TOGETHER WITH THE BRITISH AND SOVIET PEOPLES, IN THE MILITARY DEFEAT OF HITLER.. FOR COMPLETE AMERICAN PARTNERSHIP IN THE BRITISH\* SOVIET ALLIANCE TO DESTROY HITLER AND HITLERISM."

Note how Communist, Jewish, British, and NUDEAL appeals all read the same! Yes, we must give up our freedom as a once Christian Constitutional Representative REPUBLIC, become a partner with Judeo-Red DICTATORS (Churchill a part-Jew, and Stalin living with Jewess - both taking orders from Organized Jewry-Intl. Finance)! What folly!

THE JEWISH PRESS 9-26-41 editorializes re Lindbergh & Sen. Nye: "... we doubt if the Isolationist cause has been aided. What these two men are giving voice to is not an allegiance to Nazism, but to their own sense of frustration. Their cause has been unable to withstand the onslaughts of logic. Naïve in international politics, these men have done nothing constructive for the advancement of peaceful relations among men. Now they are trying to win America to a program of wishful thinking. The investigation of the movie industry is nothing more than attempt to find a scapegoat for the Isolationist failure. This industry is particularly vulnerable. It controls a vast area of public opinion, it is always a suitable doormat, and it does have the Jewish tag... Among us

may be many Jews who s a strong foreign policy (i. r policy)... The Isolationists, by their injection of the Jewish issue, have done nothing but admit their own miserable failure." With all polls showing over 80% of Americans opposed to our entry into war, it appears THE JEWISH PRESS doth protest too much, and since the tone of Jewish leaders and press is finding fault with that "wishful thinking" of the 80% majority, what need to go further for proof that Organized Jewry does want war. 36021

If "doubting Thomases" still fail to see why Christ almost 2,000 years ago handed down His verdict and warning - that Organized Jewry-Intl. Finance is Satan's personnel and program, and that Judaized Christians who "front" for it are "twofold more the child of hell than the Jews themselves", then note this. The rally welcoming Jewish-subsidized-from-beginning-of-her-writing-lecturing-career Dorothy Thompson was presided over by her employer, Jew Geo. Backer, Pres. & Editor of THE NEW YORK POST. At this 9-24-41 Carnegie Hall affair, Dotty not only called for all-out aid to Britain (".. We shall either be, with Britain, the co-liberators of the world, or we shall help to sell the world into slavery.." - she spoke truer than maybe she realized), but she urged listeners to obtain "tens of thousands of signatures" to a petition to be sent to Congress. What for? To "repeal the Neutrality Act", and "devise new laws protecting the rights of all religions and races and safeguarding the freedom of speech". Since our Bill of Rights already affords true Americans just such protection, you may know that such legislation is intended to do just the reverse - as has been done in England (where Dotty just visited), as well as in all other dictator-run nations. Recall Sen. Barbour's S.817 pushed by Jewry!

In re Dottie's program above, please give serious attention to this warning editorial in 9-4-41 THE PATRIOT (London), and remember that "parallel action" has been pursued in both England (first) and then USA (later). "I wonder whether any of the members of Parliament who sat complacently on their benches whilst this astounding law (called 18b) was being passed realised that they were forging a weapon which might one day be turned against themselves with deadly effect... Habeas Corpus could, of course, be revoked 'times of national emergency, when the guilt of the victim was obvious or suspected on good grounds which were made known to him, thus giving him a chance to defend himself without formal trial. It did not keep him for years in prison, not knowing what he was there for. 18b is thus not merely a revocation of Habeas Corpus but a return to the methods of the French Revolution, of which we are now told to admire 'the glorious principles'. But for the absence of the death penalty, its nearest counterpart may be found in the Loi du 22 Prairial, which deprived its victims of the right to trial and of witnesses for the defense, and heralded that bloodiest period of the Revolution known as 'The Great Terror'. Little did Robespierre, in framing this law when at the height of his power, dream that the dripping blade of the guillotine would one day fall on his own head.

"Thus in these chaotic days, when no one can catch a glimpse of the dark, uncertain future or of the political combinations which may arise, who knows into what hands the weapon 18b may fall? With the keystone of British justice removed, those in power can use it as they please against their opponents. In vain may its authors cry out for mercy asking of what they are accused, demanding the right to defend themselves. No answer will be vouchsafed but 'You destroyed that right yourselves; now you must bear the consequences'. 18b is, indeed, on one point even more unjust than the autocratic regimes of the past in that it acts on false pretexts. Under the former, when throwing a man into prison and treating him with the utmost cruelty, no secret was made of the reason, namely that he was an enemy of the political system in power, thus winning sympathy for him and often honour as a martyr in the eyes of those who shared his opinions. They did not publicly accuse him of being a traitor to his country and in league with enemies out to destroy it, which would have degraded him in the eyes of every patriot, even of his own party. And this is where another and important aspect of the matter comes in, to which hitherto little attention has been paid. It is not only arrest and imprisonment the victim of 18b has to fear, but other measures deriving from the French Revolution - ... 'Woe to him who has an enemy!' So today anyone who bears a grudge against another, or any jealous rival, can lodge an absolutely false allegation to the police against the object of his malice, with the result of a perquisition being made at his house. And then, even if officially proved to be the stoutest patriot, he receives no redress... Unless this unprecedented law is revoked soon,... and British justice is restored to her honored place, no man or woman in England can be sure of their liberty, and perhaps later of their life." Only one sure way to prevent this happening in USA - IMPEACH the Tribe!

RE: <sup>O</sup>CHARLES B. HUDSON;  
INTERNAL SECURITY - G.

Dear Sir:

Enclosed is the October 7, 1941, issue of

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 285 & B-52 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Oct. 7, 1941.

**IMPEACHING FDR.** A faithful subscriber quits, writing he cannot be party to any movement to impeach FDR, fearing that V-P Wallace would be worse. AID! has always maintained that no good would come of impeaching FDR alone, but that both Pres. & V-P, and all civil officers of the USA likewise guilty, as provided by Constitution, should be impeached. While Constitution provides that the House "shall have the sole power of impeachment", yet the Founding Fathers intended that (it would be possible for) a minority of the Senate could try and convict, Constitution reading specifically: "... and no person shall be convicted without the concurrence of two-thirds of the members present".

I.e., with a determined MARCH on WASHINGTON you could expect the guilty cowards in both House & Senate to run away, leaving the patriots, who could then go thru with the impeachment proceedings. That patriotic remnant of the Congress then could enact a law declaring who would serve as Pres., V-P, etc., until next election. That is the law!

Controlled press and radio have kept mum about the onrushing movement calling for such impeachment. Organized Jewry-Intl. Finance doesn't want the public to know that such a movement is growing by leaps and bounds, and that impeachment is possible even with a "rubber stamp" Congress. Yet it did break the press when a resolution was presented at the Ann. Bar Assn. convention at Indianapolis 10-2-41, and while no committee was appointed, and resolution was squelched as could be expected, that very fact aided the cause.

AID! was pretty much a lone voice when it started calling for a "MARCH on WASHINGTON to IMPEACH FDR et al" over a year ago. Yet that drive resulted in the "MOTHERS' CRUSADE to DEFEAT H.R. 1776" last Febr., and now tangible results thruout the Nation are seen.

Press and radio can be expected to silence if possible, ridicule and smear, as the MARCH on WASHINGTON gathers momentum (just as the "control" saw to it that the public was not informed re the thousands of citizens who have already been pouring into Washington, but fruit of their unsung efforts seen in the momentous 203-to-202 vote in the House on the Draft Extension Bill, which so scared the "control" that it sent many patriotic Congressmen home for a "vacation", while NUDEALERS stayed at Washington and tried to push thru un-Constitutional legislation and did confirm radicals in key positions).

Now my mail is full of evidence that a concerted MARCH on WASHINGTON to impeach the traitorous tribe is under way. PUBLICITY, Wichita, Kas., bold-types across top of front page: "IMPEACHMENT DEMAND GAINS MOMENTUM... Gentile Aryan Christians see in the attempt by Roosevelt and his Camarilla Govt, to give ALL-OUT AID to 'Bloody Joe' Stalin, a plan to completely Communize this Christian Nation and bring it under the same bloody set-up that has prevailed in the past twenty or more years in Russia... The alleged plan hatched up by the Jew War-Mongers is to get our regular army out of the country (like those who were sent to Iceland) and then the Jew Communists will attempt to completely take over the country and dish out to all Gentile Christians the same hideous fate that Christian people of Russia met when 'Bloody Joe' Stalin came into power there... As fast as they (petitions for IMPEACHMENT) can be signed... taken by a substantial delegation to Washington and presented to Congress with a prayer for speedy action. Should Congress choose to ignore the demands of these millions of Americans, whose names will be on the petitions - then God pity them. Americans are a peace-loving class and don't seek trouble - they will stand to be shoved around considerably - but there is a limit to all things and when that limit is reached, then BEWARE!"

THE X-RAY, Muncie, Ind., 10-4-41, climaxes article sizzling over fact that Dan. Tobin Pres. of Intl. Brotherhood of Teamsters (AFofL), had asked FDR to beg USSR to stop its Communist activities "at least until the present struggle between Hitler and Russia is ended (since AFofL went on record for all-out aid to Britain, Russia and China): "... Why not firing the thousands of Communistic Jews that Roosevelt has welcomed... Wav n"

expell the British invasion of Washington, and last, but most important, IMPEACH ROOSEVELT, THE CAUSE OF IT ALL? Now I ask you, is asking the Russian Ambassador to stop Communist activities APPEASEMENT? Or is it TREASON? It is BOTH!"

THE BROOM, San Diego, Calif., 9-29-41, front-pages letter Editor de Aryan wrote to Sen. McKellar, under caption "IMPEACH ROOSEVELT": "The AP reports that you introduced a resolution in the Senate today to repeal the Neutrality Act because while the law is on the statute books, the Govt was 'paying virtually no attention to it'. Sir, did you take an Oath to uphold the Constitution and the laws of the USA, or did you take an Oath to repeal the Constitution and the laws of the USA whenever the administration in power chooses to ignore the duly constituted Govt? There is a difference between the Govt of the USA and the office holders. The Govt is constituted of the Constitution and the laws under the Constitution. Any office holder who violates them is a criminal.

"It is your sworn duty to present charges against any and all officials of the administration who violate their Oath of Office and disregard the laws under the Constitution. Pres. Roosevelt stated that as Asst. Secy. of the Navy under Wilson he had violated enough laws to be sent to the penitentiary for 999 years. It is your duty to send him now to that penitentiary while he is violating his Oath of Office and the Neutrality Law. You have taken an oath to see to it that those in office uphold the Constitution and the laws under it. Before God you will be held accountable for malfeasance in office and you cannot escape God. Rest assured you will be called to account."

SOCIAL JUSTICE, Royal Oak, Mich., 10-6-41, captions full page radio address by Regional Dir. of AMERICA FIRST COM. of Northern Calif., over KJBS, San Francisco, 9-14-41: "PEOPLE ARE THE MASTERS, PRESIDENT IS A SERVANT", with opposite page captioning comments: "IMPEACH ROOSEVELT": IMPEACHMENT of the Pres., asked from time to time in resolutions of Mothers' organizations fighting to keep the nation out of war, and in demands of other groups of zealous patriots, reached the floor of Congress last week. Repr. Robt. F. Rich, Penna. Republican, told the House of Representatives that the 'country should not stand for' Pres. Roosevelt's shooting orders, the sending of Amn. ships into war zones, and the occupation of territory (Iceland) in the Eastern Hemisphere, contrary to the Monroe Doctrine. 'He should be taken out of office', the Penna. Congressman said. 'The power which was granted to Congress, which you stood here and swore you would uphold and defend - you are letting the Pres. take away from you', Mr. Rich warned his colleagues. 'Do you know what should happen to a man like that? He should be taken out of office!...'

THE BEACON LIGHT, Atascadero, Calif., Oct. issue editorial: "... But once again let me tell you, the responsibility for this nation rests on your shoulders; and you can MARCH ON WASHINGTON and put the fear of the living God into the whole gang of New Deal saboteurs... The reins of Govt have been seized by outlaws by their own admission; therefore we must impeach Roosevelt and his henchmen. It can be done, and it will be done... Already the bombardment of Congressmen has made many of them afraid to face their constituents, because of their betrayal of the nation..."

A dodger from Minneapolis reads in part: "MOTHERS - SISTERS - DADS Save Our Boys From Slaughter NOW or NEVER Join Mothers of the Nation March on Washington, D.C. Tentative Date October 10th. Before Congress Abdicates DEFEND AND PRESERVE The Constitutional Form of Govt of U.S.A. CHRISTIAN JUSTICE AND PEACE MUST REIGN MOTHERS OF MINNESOTA, Chmn of Arrangements, Mrs. Lulu Avery, 4012 16th Ave. S., Minneapolis, Minn...." This is one result of the Women's Chicago Conference held last week of Sept.

Dodger of THE NATIONAL PEACE CRUSADE on Washington (306 W. 3rd St., Los Angeles, Calif.) reads in part: "To Be PRO Anything Else - is Anti-American... AWAKE, CHRISTIAN AMERICA AND CLAIM YOUR BIRTHRIGHT!... A HOLY CRUSADE ON WASHINGTON to petition the Congress... 'to keep out of war' and to 'repeal the Lend-Lease Act (H.R. 1776)' and to further guarantee that there be 'NO UNION NOW' or 'UNION JACK' on the Stars and Stripes... GET READY Thousands going from the four corners - converging at central points enroute to the Capital - by train, motors, trailers, bicycles, buses and on foot... LET'S MAKE AMERICA AN ARSENAL OF PEACE INSTEAD OF AN ARSENAL OF MURDER Let's love the 'Finns' in '41' as we did in '39' ... LET'S SAVE U.S. FOR US..."

Altho I have aches high of material that I would like to put into this bulletin, yet the following are so pertinent that I quote them almost in full: The first.

from ex-teacher DR. Besse R. Burchett (see B#284 re her just-out book "EDUCATION FOR DESTRUCTION - a "must have" book), dated 9-30-41 to Repr. Hamilton Fish, Washington, D.C.:

"Since you have done so much splendid work against our involvement in war, I am sorry that an issue arose at the meeting Saturday night in which I had to disagree with you. The newspapers in their account of the meeting in their Sunday edition beclouded the issue, as we might expect. The 'RECORD'S' Monday morning 'smear' of me is about the worst I have received uptodate. I do not regret, however, that I spoke as I did. The 'smears' merely show that the point is one which the war mongers fear to have exposed.

"You stated very clearly and logically in graphic words that our entry into this war would mean the spread of communism here as well as in Europe. Our entry into the war would mean then the destruction of our Govt. To assert, therefore, that loyalty demands the support of such a war is absurd on the face of it.

"The religious issue also enters into Russia is the avowed enemy of all religion (even if FDR says to contrary- CBH) and has repeatedly expressed the intention of wiping out all religion. No Christian can support a war in behalf of Russia. To do so would be to fight against Christ. If Christians had to make a choice between their religion and their country it would be a terrible thing. Such a choice is not necessary because of the opposition of Soviet RUSSIA to all Govts, especially to the Constitution of the USA. To fight for Russia is to fight for an enemy of our country. Such a war is unthinkable. To support such a war would be treason.

"A declaration of such a war would not alter the treason: it would simply mean that Congress instigated the treason.

"The people are confused and the papers tried to increase the confusion about power and right. Congress has the power to declare war, as you so ably stated. But Congress has no right, to violate the Oath of Office and declare a war which means the certain destruction of our Govt. Congress has no right to declare a war in behalf of a country which intends to destroy our Constitution. Every Congressman who votes for such a war should be dealt with as a traitor to the USA. A majority vote would not alter the fact that the act is treasonable.

"The President, in the opinion of many, has been guilty of treason in performing many acts which he had no Constitutional right to perform. Congress has been guilty in allowing such acts and in relegating to the President powers which Congress has no constitutional right to relegate to another.

"Treason on the part of Congress added to the treason of the President does not make less treason.

"People are confused and the papers are adding to the confusion, about loyalty to our Govt and loyalty to the administrators of that Govt. It is obvious that Govt by the people would be an absurdity if the people had no right to criticise and to punish malfeasance in office on the part of their rulers, even tho they elected these rulers. If Congress declares a war to aid a country in the destruction of the United States, the people have a right to repudiate the acts of such a Congress.

"These are points which ought to be made clear to the people.

"I spoke Saturday night also of the great risk involved in presenting to Congress a resolution in favor of war. During the debate on the issue such pressure would be brot upon Congressmen as we have never seen. The warmongers are powerful, as we know. They have almost unlimited funds. THEY WILL USE BRIBES AND THREATS. They are cheered by this propaganda that, if Congress declares war, the people can not protest, and we shall be utterly suppressed. This is the apparent desire of the President, and of many Congressmen.

"I hope that you will continue your vigorous fight against our entry into war and that you will be successful..."

Please re-read that letter and get the full import of the facts and logic therein - then MARCH on WASHINGTON - in person, or by your delegates, - by mail, by wires -- demanding that IMPEACHMENT proceedings be started as soon as the MARCHERS arrive there. DELAY MAY CRUCIFY OUR (once Christian Constitutional Representative) REPUBLIC!!! Restore that God-given REPUBLIC before hunger and chaos brings on the Civil War so much desired by Organized Jewry-Intl.Finance during which they will kill off all opposition!

J.J.Fleck, of Philadelphia, emphasizes our rights and duties as citizens: "'A Republic, - if we c keep it', - Benjamin Franklin.... Strange as it may seem, the key-

stone of the Govt of this Republic is the Constitution.. The mere majority of the people do not rule in this nation; and, the mere majority was never intended to rule. (Art.V.) It is the right and, under existing circumstances, it may be the duty of the MINORITY to invoke all the might of this Union, including the Army and Navy, so as to remove the majority from office. If we are too damned dumb to know, we might do well to read, for once, the Constitution, and study its meaning.

"Govt ceases to be an object of obedience when it becomes an instrument of oppression". (The American Republic, -Woodburn p.33). Dr.H.VanHolst wrote in his book, 'Constitutional Law of the USA'(1887) p.237: 'The Constitution.. It not only promises that the UNION will interpose with all its might on the people's behalf if INTERNAL or external causes threaten to overthrow their REPUBLICAN form of Govt, but it absolutely forbids them to ADVOCATE or to adopt any other form under ANY condition or for ANY reason whatsoever.' 'The Framers believed in representative Govt to which they gave the name, "REPUBLICANISM" as the antithesis to DEMOCRACY'. (Constitution of the USA- Jas.M.Beck, 1925).

"Reminding that Sen.Holt stated that FDR boasted 'that he had violated enough laws to be sent to the penitentiary for 999 years', the venture to purge the representatives of the people and to pack the Supreme Court, the infamous Guffy Coal Bill letter, the continuous appeals to worse than savage mob passions, the treaty with Mr.Churchill, 'undeclared war' a-la-Hitler, and finally, Stalinism, - the OPA and CS by DECREE.

"It is high time to consider seriously the meaning of the language of Abraham Lincoln: 'I have done with Commissions... they are contrivances to cheat the Govt.. The people are the rightful masters of both Congress and the Courts... not to overthrow the CONSTITUTION, but to overthrow the men who pervert it... Is it unreasonable to expect that some man, possessed of the loftiest genius, coupled with ambition sufficient to push it to the utmost stretch, will spring up amongst us? And when such a one does, it will require the people to be UNITED with each other, attached to the Govt and laws, and generally INTELLIGENT to successfully frustrate his designs. This country, with its institutions, belongs to the people who inhabit it. Whenever they shall grow weary of the existing government they can exercise their Constitutional right of amending it, or their REVOLUTIONARY right to dismember or overthrow it.'

"The illegal sale of 50 'new' destroyers to the British Empire was a violation of the Constitution, the NATIONAL DEFENSE ACT OF 1917, and the Executive Oath.

"Quoting the Constitution of the USA, currently unpopular in Washington, we find that 'The Congress shall have power to dispose of and make ALL needful rules and regulations respecting the territory or other property belonging to the UnitedStates..' (Art.IV, Sec.3,Cl.2). Moreover in the Oath of Office which the Pres. has taken he swears that he will, to the best of his ability, 'preserve, protect, and defend the Constitution of the UnitedStates'. (Art.II, Sec.1,Cl.8). In addition to the Executive Oath, all Senators and Representatives are bound by similar affirmations respecting the integrity of the Constitution. (Art.VI,Cl.3).

"The penalty which the CONSTITUTION provides, 'on impeachment for, and conviction of, treason, bribery, and other high crimes and misdemeanors', is removal from office.

"The Constitution provides that the Pres. shall NEVER be more than an elective trustee or agent, chosen by the people to administer certain well-defined and specific trusts for them. The salaries of public officials and lawmakers are paid at the expense of taxpayers. Hence they should do the things they have sworn and are paid to do - and that right early - or be kicked out of office.

"If we desire to continue as a free nation, what this country needs more than any other one thing is men who understand the meaning of the Constitution and of sufficient character to have a high regard for the sacredness of taking an oath. If we fail to clamor for the IMPEACHMENT of unfaithful public officials and lawmakers, we are guilty of TRAITOROUS conduct. The pledge of allegiance provides I pledge allegiance to the FLAG (Govt) of the USA, And to the REPUBLIC (Constitution) for which it stands.

"So long as the potent influence of George Washington remains alive in the hearts of the American people, there will be no 'UNION NOW': So long as the spirit of Abraham Lincoln prevails in America the REPUBLIC will endure.

"Government by law -- A Republic if we can keep it. 'Lord God of Hosts, be with us yet, Lest we forget, lest we forget.' Can we, in the light of all this, truthfully say: 'I Am An American'? And if not it's high time to Think American, Talk, and BE American."

BENJAMIN FRANKLIN, one of the greatest Americans who lived at any time and whose name will always remain living, said, when the Constitution was put to be drawn, to those assembled:

"In whatever country Jews have settled in great numbers, they have lowered its moral tone, depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded by objecting to its restrictions; have built up a State within a State; and when opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1700 years the Jews have been bewailing their sad fate in that they have been exiled from their homeland as they call Palestine. But, gentlemen, did the world today give it to them in fee simple, they would find some cogent reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They must subsist on Christians and other peoples not of their race.

"If you do not exclude them from these United States, in this Constitution, in less than 200 years they will have swarmed in such great numbers that they will devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty.

"If you will not exclude them, in less than 200 years our descendants will be working in the fields, while they will be in the counting houses rubbing their hands.

"I warn you, gentlemen, if you do not exclude them for all time, your children will curse you in your graves. Jewish gentlemen, are Asiatics they will never be otherwise, let them be born where they will. Their lives do not conform to American's, not even if they live among us ten generations. A leopard cannot change his spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by the Constitution."

(Copied from a book written by Franklin Thompson, an American New Yorker.  
Published by the Community Press, of Woodhaven, New York.)

Note: I do not believe that Benjamin Franklin's speech at the time was printed in the Constitution records; however, I have written to the Librarian of the Congressional Library and to the author of the book for information.

I did not receive the desired information, but later read the same article in four different pieces of printed matter, and finally found who originally wrote it. It was Mr. Charles Pinckney, a close friend of Franklin's, also a member of the assembly which drew the Constitution; he wrote it in his personal diary, as also other speeches. I found it in the Protocols of the Elders of Zion when I was in Chicago last February. So I believe it to be true.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 286 & B#53 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Oct. 10, 1941.

**SUPPORT.** Just because AID! boosts other publications from time to time does not mean AID! does not need your continued support. Trust those who found "YOUR SUBSCRIPTION HAS EXPIRED" stamped on margin of last week's bulletin B#285, will send in their renewals.

While they last, I will give a copy of THE OCTOPUS with 1 year's subscription to this bulletin service - i.e., 52 issues for \$5., plus occasional enclosures. THE OCTOPUS has caused more jitters among NUDEALERS and the Mongolian mixed-breeds known as "Jews" than any book ever printed. Its 256 pages and index with over 2,300 WHO'S WHO of subversive organization ~~sonnel~~ must be studied to understand the real peril that menaces Christendom - NOW! Illegally denied the book post rate of 1½¢ per lb. by Post Office Dept. at Washington (to hinder its distribution, altho Communist, Sex, Anti-Christ books granted that low postage rate to aid in their distribution), forcing me to pay 7¢ to 14¢ per book, makes THE OCTOPUS cost: 1 for 60¢; 2 for \$1.; 7 for \$3. - wrapped in pkg. to one address - remittance with orders. Follow dictates of your heart today.

**IMPEACHING FDR & HIS HENCHMEN.** Surprise expressed by many persons that, as B#285 unfolded last week, it is possible for a handful of patriotic Senators sitting as a Court to try and convict the Pres., V-P., and all Civil Officers, fellow Congressmen, et al, and remove them from office, after which as private citizens they could be tried in the Courts for crimes committed. A militant MARCH on WASHINGTON by an aroused and informed citizenry could stiffen enuf spines in the House to bring about the starting of such IMPEACHMENT proceedings. The more cowards in both Houses that run away from such a MARCH makes more certain the success of IMPEACHMENT. Grim mothers and fathers are now pouring into Washington from Pacific Coast eastward. With Sen. Taft claiming the Repeal of the Neutrality Act means the last step into war, which then slaps military dictatorship upon us all, NOW IS THE LAST opportunity to peaceably re-establish our once Christian Constitutional Representative REPUBLIC. And thus forestall Civil War!

If you still doubt that this is your last opportunity, please note carefully and prayerfully. Where were the hundred or so members of House at Washington that voted against the un-Constitutional Draft Extension Bill, when votes were taken on the equally un-Constitutional Lend-Lease Extension Bill last Fri.? On 10-10-41 that traitorous H.R. 5788 was railroaded thru, paragraph by paragraph, with amendments all voted down which would have cut out some of the "graft" and cut down the "blank check" for \$1,000,000,000 given to FDR to do as he pleases with, including aiding Anti-Christ Jew-ruled Russia. The House resolved into the Com. of the Whole, voted down justifiable and patriotic amendments by such small numbers (out of 435 members) as 135 to 83; 116 to 69; 97 to 71; 137 to 95, etc. Where were the House members who almost defeated that Draft Extension Bill last Aug. by 202 to 203? Have they been bot or scared out since that courageous act?

Mighty sorry to see some who heretofore have been opponents of Organized Jewry-Intl. Finance's warmongering, vote for this \$6,000,000,000 gift to that Anti-Christ power now bent on destroying and enslaving Christendom in name of "defense" here as well as abroad. Their betrayal vote of 328 to 67, notwithstanding that of the \$7,000,000,000 Lend-Lease funds voted for previously, since Mch. '41 only 3% had been delivered to Britain and her allies, and much of that had been paid to British shipowners for transporting the stuff we are virtually giving to Britain. Notwithstanding that it will be about 2 years before that first \$7,000,000,000 is delivered to Britain in way of ships, planes, guns, munitions food, etc. Notwithstanding that the "control" understood will ask for another "gift" of equal or more Lend-Lease funds by next March. Notwithstanding that millions of above \$13,000,000,000 allocated in such manner as to assure economic repercussions in USA, involving unfair treatment of American labor, farmers, and capital, and eventual disaster! You have to read the debates in last week's CONGR. RECORDS to even begin to appreciate

the traitorous "sell-out", its magnitude, its implications, and that reading would soon convince you that that MARCH on WASHINGTON bringing about IMPEACHMENT and REMOVAL from office - NOW - is the only way to prevent chaos and bloody revolution.

There is no logic let alone sincerity when a Congressman votes against one phase of Organized Jewry\*Intl.Finance's warmongering "take-over" program, and then turns around and votes the money for our REPUBLIC's funeral. What difference is there between aiding a gunman to kill your son, or creating conditions that force him to commit suicide?

How in line with the ultimate intent of the Jewish FDRs and their henchmen, when Eleanor suggests that bombs ought to fall on Philadelphians to whip them into NUDEAL camp! How significant that these henchmen becoming so bold, as, e.g., real head of OFM Lithuanian-born Russian Communist Jew Sidney Hillman arrogantly refusing to accept the legal rulings of Atty. Genl's office! (CR p.7936-7) At one time 10-8-41 during debates on Lend-Lease Bill only 13 Democrats were on floor of the House, yet USA being betrayed!

Following excerpts from official Communist DAILY WORKERS prove that Communist, Jewish and NUDEAL aims are identical. As a sidelight, the Jewish, Communist and secular press of USA ~~all editorially~~ glorified the Jew ~~ex-Supreme Court Justice~~ Louis D. Brandeis, but a true valuation of that Jew proves he was one of the most dangerous saboteurs in history. Among many other subversions, he helped plunge USA into WorldWarI, braintrusted the NRA (which is now being accomplished thru other alphabetical agencies of NUDEALISM)!

DAILY WORKER 10-6-41: Thos.Mann, German "refugee" making fat profits from speeches, (both he and Red daughter Erika lectured here under "intellectual" auspices), book sales, magazine articles, radio talks, etc., cabled a message to USSR press, exulting: "... As I believe that all hopes for the future are tied up with an adjustment between Democracy and Socialism, I was, like many friends of freedom, an adherent of the popular-front idea... Hitler has accomplished a clarification of the external fronts. There is hope that this new constellation (union of USA, Britain & Russia).. will revive the idea of the popular front..." No one can gainsay that the "popular front" is a Judeo-Red device.

How thrilled must Americans be to have welcomed with such ballyhoo this viper into our midst. A true Christian cannot join hands with Anti-Christ in any "popular front". The only hope for the future is in Christ, in Christian rule, Christian economics, and definitely not in a union between Jewocracy and Socialism, both Anti-Christ by nature.

Yet listen to this false prophet, Episcopal Bishop of Calif., Edward L.Parsons, in his message to USSR quoted in same DAILY WORKER: "I am most earnestly behind every project which will bring America and Russia closer together in the effort to rid the world of the terrible evil of Hitlerism". Yet Judeo-Reds in Russia killed over 40,000,000!

Reid Robinson, Pres.Intl.Union of Mine, Mill & Snelter Workers, in his message to USSR says in part: "... Just as organized labor sympathized with and supported the people in China, Ethiopia, and Spain, in their struggles against fascism, so labor may boldly and justly support the Allies, the people of Britain and of the Soviet Union..." ( in Spain the Christians won that contest with Judeo-Reds at cost of over 1,000,000 lives, etc. in 1936-39 civil war instigated by Organized Jewry-Intl.Finance of whom, according to oldest leading Jewish weekly in USA, THE AMERICAN HEBREW, 1/3rd were Jews from all over the world, i.e., 35,000 of the 110,000 in Intl.Brigades constituting the nuclei of so-called Loyalist Armies trying to sovietize Spain, after seizing political-labor power).

While same DAILY WORKER shows Communist penetration among Negroes in USA, when Negro poet Countee Cullen greets USSR with: "... In elapsing hands on this issue ("the overthrow of Hitler's regime, and the reconstruction of the world.."), the USSR and Great Britain have taken the only logical stand, and I hope that our own country will give them every possible support." (and FDR publicizes that all possible aid is on way).

All above, except Bishop Parsons, are young enuf to fight. Why don't they enlist (FDR has made it possible, altho illegal) in Canadian armed forces and demand to be sent to fight in Europe, Asia or Africa? But, no, these Reds intend to be here so they can assist in the Red Terror "liquidation" program, when Christians to be killed wholesale!

In re Senate investigation of Jewish movie industry, just as NUDEALERS and Jewish press voice ridicule and hatred, note this in DAILY WORKER 10-6-41: "HOLLYWOOD SCREEN GUILDS UNITED AGAINST NYE ATTACK... Stinking and shining like Shakespeare's famed moon-

light mackerel, the Nye-Clark-Wheeler Com. wound up last week with continuance of its attack on Hollywood as a 'propaganda center'. Effect of the 'investigation' in Hollywood was to bring the filmtown's guilds into a solid front against the Nazistic 'isolationist' smear.. (guilds claiming) 'the inquiry has quickly indicated it is designed to breed racial and religious discord in our nation, thereby to destroy the unity of the vast majority of the American people to support the foreign policy of the nation!..'

Same 10-6-41 DAILY WORKER front-pages demands for a "federal probe of the AMERICA FIRST COM." claiming: "Enough evidence has already come to light to outline the operations of a vast under-cover movement more widespread, diverse and deadly than any fifth column which functioned in any conquered European country... Last Sat. afternoon a group of 100 women, representing pro-appeasement 'mothers' organizations from several Middle West states, met here (Chicago) in the LaSalle Hotel... After a treasonous keynote address by Mrs. Lyril VanHynning, president of 'We, The Mothers', the conference got down to business. An entire section of the program was devoted to 'the truth about the Jews'. This became a hysterical anti-Semitic orgy, in which Mrs. VanHynning attacked 'the Jews, the Wendell Wilkies, Mr. Rosenfelt and his satellites'. These pro-fascist women then howled for the impeachment of Pres. Roosevelt and went on to plan a 'March on Washington'.

Send for copies of PUBLICITY (5¢), 513 N. Main St., Wichita, Kas., 10-9-41 issue, and read the resolutions as actually passed by those Christian (not fascist) ~~mothers~~, many of whom are now in Washington, together with other patriots, men and women, who are trying to save our once Christian Constitutional Representative REPUBLIC from total sell-out

On editorial page of same DAILY WORKER is a long letter by Bernard Baruch, the Jew financier who lunches with FDR every Tues., and meets in FDR's bedroom at night secretly, and re whom the Jewish press brags as being, with Red Jew Justice Felix Frankfurter, the closest advisers to FDR. Baruch writes: "I have before me your editorial of Sept. 23 'What Does Labor Say About Price Control?' We are in accord on your first two paragraphs... I know that few people are in favor of price control (CEH - but we're going to have it anyway under Jewish Henderson, Baruch's stooge)... If anything is done, I also hope it will be done with the full cooperation of organized labor... I am with you heart and soul when you say 'Labor wants to make sure that the necessary sacrifices are apportioned among the various classes in such a manner as to protect the health and working ability of the population and to protect the country from monopoly chiseling.'" SW- Organized Jewry-Intl. Finance will want healthy slaves!

The greatest monopoly and most evil of all (recall that the only recorded instance of Christ using force was when He drove the money-changers out of the Temple, whom He claimed were thieves who had made of the Temple a Synagogue of Satan) is Organized Jewry-Intl. Finance's control of money thru the un-Constitutional Federal Reserve System and allied projects, brot over to USA by one of the Farburg Jews who later financed Lenin-Trotsky-Stalin Jewish "take-over" of Russia by liquidating over 40,000,000, mostly poor Christians. You may be sure the NUDEAL, Jewish and Communist press doesn't attack that monopoly!

Yes, high finance even advertises in DAILY WORKER. The Intl. Workers Order, a Jew-Communist insurance racket, claiming 155,000 members, whose local representative, a Jew, I personally heard at a Communist meeting, urge his listeners to drop their insurance in the Legal Reserve American companies, and join the IWO, ran a full page ad in 10-6-41 DAILY WORKER, built around the theme that Union workers should "ADD IWO PROTECTION TO YOUR UNION PROTECTION". The Jew president of IWO was also Treas. of Communist Party of USA. He was sentenced about same time as Gentile stooge Earl Browder for same offense, but got only half the sentence. Doubt if he is in jail, for Communist press and CIO while bellowing for Browder's release, are not crying over Am. Weiner (Welwel Warszower).

DAILY WORKER 10-7-41 front-pages: "PROUD OF RUSSIA, SAYS CANTERBURY BISHOP - London Oct. 6- 'We may well be proud of our new ally', the Soviet Union, the Archbishop of Canterbury told the Canterbury Diocesan Conference meeting here, for the way in which the Russians are conducting the 'battle for world freedom'.. It also blaes: "CALIFORNIA CIO SUPPORTS BRIDGES" 'CRUSH HITLER' CALL - Parley Votes 431-6 for Leader's Resolution Backing FDR Steps.." This state CIO director, Harry Bridges, alien Jew Communist, has cost American workers and business scores of millions of dollars thru strikes and sabotage. DAILY WORKER found fault with House passing Allen Bill requiring deportation of Bridges, claiming it was spurred on by "anti-labor decision of Judge Chas. B. Sears recommending to Dept. of Justice the deportation of Bridges.. (but).. it is believed that strong labor

pressure on the Senate result in defeating the measure", pointing out that former Atty. Genl., new Justice of Supreme Court, Robt. Jackson and Atty. Genl. Francis Biddle, both told Senate Immigration Com. last year that they strongly opposed the measure!

Same 10-7-41 DAILY WORKER flung across front page: "'DECISIVE ACTION' AGAINST HITLER URGED BY GREEN AT CONVENTION.. Seattle, Oct. 6- Unqualified backing for Pres. Roosevelt's avowed campaign to crush Hitler - to the point of 'more decisive action' than has yet been taken in the war - was pledged today by Pres. William Green of the Amn. Fed. of Labor before 550 vigorously approving delegates to this 61st annual AFL convention..."

As might be expected, same DAILY WORKER gloats over "CONGRESS APPROVES PROPERTY SEIZURE BILL - Measure Enables President to Act Against Firms Blocking Defense..."

Same DAILY WORKER reports "The Veterans of Foreign Wars called upon the AMERICA FIRST COM. to repudiate publicly the 'un-American expressions' of Chas. A. Lindbergh in a recent speech at Des Moines, Ia..." With Omaha's American Legion Post No. 1, largest in world, sponsoring Red Russian Jew Benj. Gitlow as one of its speakers this winter, and with its domination of Dist. Convention that resolved Lindbergh to be "un-American", no doubt it too has earned dishonorable mention in Communist press. However, Reds hardly need to pay 5¢ for DAILY WORKER when our 3¢ WORLD-HERALD not only features such well-known Communist writers as Anna Louise Strong, but also displays on windshields of its cars the familiar "fat" Communist 5-pointed star.

Also ~~as might be expected~~, the Communist press been carrying instances of pressure - being exerted to bring about REPEAL of the Neutrality Act, such repeal being about the final link in the slavery-chain being welded upon the American people as demanded by FDR. The truth is that for at least a month, the Federal docks in Brooklyn have been working 24 hrs. a day arming merchantmen without authority from Congress. The main excuse for repeal of Neutrality Act is to enable FDR to arm merchantmen, but like in so many prior instances, FDR is really asking Congress to legalize his illegal warmongering actions.

Illustrating the insincerity of certain "isolationist" Congressmen, Sen. LaFollette and Sen. Wheeler were both tipped off to the above, urging that the proper Senate Com. investigate, but as far as I can learn from reading the CONGR. RECORDS, nothing was done. Sen. Wheeler, with his 2 male and 1 female Jews on his staff, proves to be the same kind of "opposition leader" that I prophesied Willkie would be. When filibustering such un-Constitutional legislation as the Lend-Lease and Draft Extension Bills would have helped patriots to make their views known to Congressmen, Wheeler announced he would not be a party to that tactic. He is chasing around the country now when betrayal is taking place at Washington. Illustrating kind of personnel around Wheeler, one who is in a position to know, and at risk of his life, wrote a personal REGISTERED letter marked to be opened only by Wheeler, wherein he was warned about a plot by British Govt to destroy Lindbergh and all Congressmen involved in AMERICA FIRST COM., and asking him and Lindy to meet with the writer so that they could spot this spy at an appointment made for Teus. of this week, yet a M. V. Mitchell, "clerk", acknowledged it writing informant that he did not expect Wheeler back soon, and apparently made no attempt to forward it to Wheeler.

It is too bad that trusting patriots are taken in by men like LaFollette and Wheeler and, as in this plot of "character assassination" wherein a British hireling was assigned to pinning anti-Semitism, nazism, fascism and "being paid by German Govt" onto Lindbergh, you may depend upon it that the tip-off was turned to the "enemy", and both that letter-writer and Lindy had better be mighty careful where, with whom, and what they eat and drink, for the Anti-Christ's that crucified Christ and the prophets before Him and since, and who liquidate scores of millions of people thru man-made wars, pestilences and famines, do not hesitate, when bribery, intimidate, etc. fail, to eliminate individuals. Witness fact that the death-rate in Congress this year runs about 3 times that of England supposedly being pounded by death-dealing war. (in reality it is a "fake" war).

Reminding that Organized Jewry-Intl. Finance sees to it that its agents seldom have to serve in combatant corps of armies abroad or here (Jews being exempt in Germany, Italy, France & England, while in USA they are but 2% of our Army altho Jews constitute about 10% of our population). Also how significant that while many entertainers are Jews at USO recreation centers at our Army camps, and only 2% of army are Jews, yet 10% of the USO funds being raised by subscription thruout USA, or \$1,000,000 of the \$10,000,000 have been given to the Jews. I.e., Jews getting more than 5 times what they are entitled to of such charity funds. Check into your Community Chest for about similar condition.

# Lindbergh's Des Moines Speech

"It is now two years since this latest European war began. From that day in September, 1939, until the present moment, there has been an ever-increasing effort to force the United States into the conflict. That effort has been carried on by foreign interests and by a small minority of our own people, but it has been so successful that, today, our country stands on the verge of war.

"At this time, as the war is about to enter its third winter, it seems appropriate to review the circumstances that have led us to our present position. Why are we on the verge of war? Was it necessary for us to become so deeply involved? Who is responsible for changing our national policy from one of neutrality and independence to one of entanglement in European affairs?

## People Should Know Truth

"Personally, I believe there is no better argument against our intervention than a study of the causes and developments of the present war. I have often said that if the true facts and issues were placed before the American people, there would be no danger of our involvement.

"Here, I would like to point out to you a fundamental difference between the groups who advocate foreign war and those who believe in an independent destiny for America. If you will look back over the record you will find that those of us who oppose intervention have constantly tried to clarify facts and issues; while the interventionists have tried to hide facts and confuse issues.

"We ask you to read what we said last month, last year, and even before the war began. Our record is open and clear, and we are proud of it. We have not led you on by subterfuge and propaganda. We have not resorted to 'steps short of' anything in order to take the American people where they did not want to go. What we said before the elections we say 'again, and again, and again' today. And we will not tell you tomorrow that it was 'just campaign oratory.'

## Calls Subterfuge Obvious

"Have you ever heard an interventionist, or a British agent, or a member of the administration in Washington, ask you to go back and study a record of what they have said since the war started? Are these self-styled defenders of democracy willing to put the issue of war to a vote of our people? Do you find these crusaders for foreign freedoms advocating the freedom of speech, or the removal of censorship here in our own country?

"The subterfuge and propaganda that exists in our country is obvious on every side. Tonight I shall try to pierce through a portion of it to the naked facts which lie beneath.

"When this war started in Europe, it was clear that the American people were solidly opposed to entering it. Why shouldn't we be? We had the best defensive position in the world; we had a tradition of independence from Europe; and the one time we did take part in a European war left European problems unsolved, and debts to America unpaid.

"National polls showed that when England and France declared war on Germany in 1939, less than 10 per cent of our population favored a similar course for America.

## Pro-War Groups Named

"But there were various groups of people

here and abroad whose interests and beliefs necessitated the involvement of the United States in the war. I shall point out some of these groups tonight, and outline their methods of procedure. In doing this, I must speak with utmost frankness, for in order to counteract their efforts, we must know exactly who they are.

"The three most important groups who have been pressing this country toward war are the British, the Jewish and the Roosevelt administration. Behind these groups, but of lesser importance, are a number of capitalists, Anglophiles, and intellectuals who believe that their future, and the future of mankind, depends upon the domination of the British empire.

"Add to these the communistic groups who were opposed to intervention until a few weeks ago, and I believe I have named the major war agitators, not of those sincere but misguided men and women who, confused by misinformation and frightened by propaganda, follow the lead of the war agitators.

## Only a Small Minority

"As I have said, these war agitators comprise only a small minority of our people; but they control a tremendous influence.

"Against the determination of the American people to stay out of war, they have marshaled the power of their propaganda, their money, and their patronage.

"Let us consider these groups, one at a time. First, the British. It is obvious and perfectly understandable that Great Britain wants the United States in the war on her side. England is now in a desperate position. Her population is not large enough, and her armies are not strong enough to invade the continent of Europe and win the war she declared against Germany. Her geographical position is such that she cannot win the war by the use of aviation alone, regardless of how many planes we send her. Even if America entered the war, it is improbable that the allied armies could invade Europe and overcome the axis powers.

## Can Shift Responsibility on U. S.

"But one thing is certain. If England can draw this country into the war she can shift to our shoulders a tremendous

the responsibility for waging it, and for paying its cost. As you all know we were left with the debts of the last European war and unless we are more cautious in the future than we have been in the past we will be left with the debts of the present one.

"If it were not for her hope that she can make us responsible for the war financially as well as militarily, I believe England would have negotiated a peace in Europe many months ago, and be better off doing so.

"England has devoted and will continue to devote every effort to get us into war. We know that she spent huge sums of money in this country during the last war in order to involve us. Englishmen have written books about the cleverness of their use. We know that England is spending great sums of money for propaganda in America during the present war.

"If we were Englishmen we would be the same. But our interest is first America and, as Americans, it is essential for us to realize the effort that British interests are making to draw us into the war.

## A Dangerous Policy

"The second major group mentioned is the Jewish. It is not difficult to understand why Jewish people desire the overthrow of Nazi Germany. The persecution they suffered in Germany would be sufficient to make bitter enemies of any race. No man with a sense of the dignity of his kind can condone the persecution of the Jewish race suffered in Germany. But no man of honesty and vision can look on a pro-war policy here today without seeing the dangers involved in such a policy, for us and for them.

"Instead of agitating for war the Jewish groups in this country should be opposing it in every possible way, for they were among the first to feel its consequences. Tolerance is a virtue that depends on peace and strength. History shows that cannot survive war and devastation. If farsighted Jewish people realize this and stand opposed to intervention. But majority still do not. Their greatest danger to this country lies in their large membership and influence in our motion picture press, our radio, and our government.

## Using War as a Pretext

"The Roosevelt administration is the third powerful group which has been pressing this country toward war. Its members have used the war emergency to obtain a third presidential term for the first time in American history. They have used this to add unlimited billions to a debt which was already the highest we had known. And they have used this to justify the restrictions and congressional power, and the assumption of dictatorial procedures on the part of the President and his appointees.

"The power of the Roosevelt administration depends upon the maintenance of a wartime emergency. The prestige of the Roosevelt administration depends upon the success of Great Britain to whom the President attached his political future at the time when most people thought that England and France would easily win the war. The danger of the Roosevelt administration lies in its subterfuge. While it has promised us peace the moment the war was headless of the platform which they were elected.

### If One Stops, All Stop

"In selecting these three groups as the major agitators for war, I have included only those whose support is essential to the war party. If any one of these groups—the British, the Jewish, or the administration—stops agitating for war, I believe there will be little danger of our involvement. I do not believe that any two of them are powerful enough to carry this country to war without the support of the third. And to these three, as I have said, all other war groups are of secondary importance.

"When hostilities commenced in Europe, in 1939, it was realized by these groups that the American people had no intention of entering the war. They knew it would be worse than useless to ask us for a declaration of war at that time. But they believed that this country could be enticed into the war in very much the same way we were enticed into the last one. They planned, first, to prepare the United States for foreign war under the guise of American defense; second, to involve us in the war, step by step, without our realization; third, to create a series of incidents which would force us into the actual conflict. These plans were, of course, to be covered and assisted by the full power of their propaganda.

### Start Glorifying War

"Our theaters soon became filled with plays portraying the glory of war. Newsreels lost all semblance of objectivity. Newspapers and magazines began to lose advertising if they carried anti-war articles. A smear campaign was instituted against individuals who opposed intervention. The terms fifth columnist, traitor, Nazi, anti-semitic were thrown ceaselessly at any one who dared suggest that it was not to the best interests of the United States to enter the war.

"Men lost their jobs if they were frankly anti-war. Many others dared no longer speak. Before long, lecture halls that were open to advocates of war were closed to speakers who opposed it. A fear campaign was inaugurated. We were told that aviation, which has held the British fleet off the continent of Europe, made America more vulnerable than ever before to invasion. Propaganda was in full swing.

"There was no difficulty in obtaining billions of dollars for arms under the guise

of defending America. Our people stood united on a program of defense. Congress passed appropriation after appropriation for guns and planes and battleships, with the approval of the overwhelming majority of our citizens. That a large portion of these appropriations was to be used to build arms for Europe, we did not learn until later. (That was another step.)

### Planes Sent Abroad

"To use a specific example; in 1939 we were told that we should increase our air corps to a total of 5,000 planes. Congress passed the necessary legislation. A few months later, the administration told us that the United States should have at least 50,000 planes for our national safety. But almost as fast as fighting planes were turned out from our factories, they were sent abroad, although our own air corps was in the utmost need of new equipment.

"Today, two years after the start of war, the American army has only a few hundred thoroughly modern bombers and fighters, less, in fact, than Germany is able to produce in a single month. Ever since its inception, our arms program has been laid out for the purpose of carrying on the war in Europe far more than for the purpose of building an adequate defense for America.

### The Old Refrain Begins

"Now at the same time we were being prepared for a foreign war it was necessary, as I have said, to involve us in the war. This was accomplished under that now famous phrase, 'steps short of war.' England and France would win if the United States would only repeal its arms embargo and sell munitions for cash, we were told. And then a familiar refrain began, a refrain that marked every step we took toward war for many months, . . . 'the best way to defend America and keep out of war,' we were told, was 'by aiding the allies.'

"First, we agreed to sell arms to Europe; next, we agreed to loan arms to Europe; then, we agreed to patrol the ocean for Europe; then, we occupied a European island in the war zone. Now we have reached the verge of war.

"The war groups have succeeded in the first two of their three major steps into war. The greatest armament program in our history is under way. We have become

involved in the war from practically every standpoint except actual shooting. Only the creation of sufficient 'incidents' yet remains and you see the first of these already taking place, according to plan—a plan that was never laid before the American people for their approval.

### Democracy Being Tested

"Men and women of Iowa: Only one thing holds this country from war today. That is the rising opposition of the American people. Our system of democracy and representative government is on test today as it has never been before. We are on the verge of a war in which the only victor would be chaos and prostration. We are on the verge of a war for which we are still unprepared, and for which no one has offered a feasible plan for victory—a war which cannot be won without sending our soldiers across the ocean to force a landing on a hostile coast against armies stronger than our own.

"We are on the verge of war, but it is not yet too late to stay out. It is not yet too late to show that no amount of money or propaganda, or patronage, can force a free and independent people into war against its will. It is not yet too late to retrieve and to maintain the independent American destiny that our forefathers established in this new world.

### Time to Speak Up

"The entire future of America rests upon our shoulders. It depends upon our action, our courage, and our intelligence. If you oppose our intervention in this war now is the time to make your voice heard. Help us to organize these meetings, and write to your representatives in Washington.

"I tell you that the last stronghold of democracy and representative government in this country is in our house of representatives and our senate. There we can still make our will known. And if we, the American people, do that, independence and freedom will continue to live among us, and there will be no foreign war."

CHARLES A. LINDBERGH  
Des Moines, Iowa  
Sept. 11, 1941

## NATIONAL COPPERHEADS

The National Copperheads have chosen as a slogan what was intended as an insulting opprobrious epithet hurled at Colonel Lindbergh and his patriotic sympathizers by a peevish power-mad Roosevelt—a fighting slogan around which to rally and organize in support of the unpolluted Americanism, the straightforward realism and those sound enduring principles so ably and staunchly enunciated over and over by that most popular of all Americans, our beloved Lindy.

Events since launching this rapidly expanding organization prove more and more the need of a solid front to combat the sneer-smear campaign of subversive groups against Lindbergh and his followers and nothing has proved this more emphatically than the reaction of certain politicians, editors and other hypocrites to Lindbergh's epoch-marking Des Moines speech in which at long last, after months of patient restraint, he fixed the blame for the war-mongering precisely where it belongs.

We need new leadership in the United States, leaders who will think clearly and act courageously. Charles A. Lindbergh has proved himself outstanding as such a leader. Thus, unlike practically all other anti-war organizations, the National Copperheads is by no means a passing fancy, but is designed to carry on to further practical accomplishment after the war menace is removed and we are able once more to concentrate upon our own problems. We are for America first, not as an abstract proposition, but concretely by building an organization of true and intelligent patriots in order to eliminate from power those democracy-wreckers who now sit so arrogantly in the seats of the mighty.

For this purpose we need the active cooperation of similar-minded patriots everywhere. Won't you get in touch with us and tell us you will help. Get our literature. Show your colors by wearing "I'M A COPPERHEAD" pins. Distribute the above speech. Give us suggestions. — ELLIS O. JONES, Founder.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 287 & B#54 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Oct. 21, 1941.

**BETRAYAL.** B#286 expressed sorrow at seeing some who heretofore opposed Organized Jewry-Intl. Finance's warmongering, voting for billions to enable it to achieve its program of enslaving the whole world while bankrupting USA, and accused Senators LaFollette and Wheeler, in particular, of being false leaders. Now Hamilton Fish, Republican opposition leader in House has earned dishonorable mention, by his voting, not only the funds (10-10-41 vote for Lend-Lease Bill), but a week later for an Amendment to the Neutrality Act of 1939, providing for arming of merchant ships. A betrayal by one whose words (but not deeds) opposed it. Yet despite such betrayal by so-called opposition leaders, 138 Representatives voted against, as compared with the mere 67 that voted against the Lend-Lease extension the week before. Traitor McLaughlin (undoubtedly hoping to get a judgeship as reward for his betrayal) was only Nebr. Representative to vote for both measures!

As might be expected, all the Jews, also the members of the controlled Dies Com. (except Repr. Mason), voted for arming merchant ships, despite Navy officials testimony that so doing increases the hazard, recognized by insurance companies, of being sunk. How cold-blooded this betrayal when Jew Sol Bloom, Administration leader who railroaded thru the above amendment, exerted his power to prevent an amendment that would have provided Govt Life Ins. for the ten to 20,000 sailors to be placed on said merchant ships, paid for by taxpayers, while shipowners reap the extra profits admittedly earned during war times. This cold-blooded attitude reflected in fact that not only are parents, wives and children thus forced to lose their men-folk thru such "suicide sailings", but they are denied Govt Life Ins. protection to make their lot a little easier when they get the sad word re death at sea. Only 17 of the 33 men who went to a watery grave in the obsolete submarine O-9 (which should have never been put into service) had any life insurance. Not only does the Veterans' Adminst. which issues such Govt Life Ins., turn down first-class aviators, but many men who have served 10, 20 and 30 years in Army, Navy and Coast Guard cannot get such protection. What crimes in name of "national defense"!!!

This betrayal all the more glaring when brot out in debates in Congress that FDR already has power to do what above amendment calls for. I.e., very apparent that FDR placing onus of getting USA into war onto Congress. Also brot out that early in 1917 when Pres. Wilson (under same "control" that FDR is) got permission from the House to arm American merchant ships, but it was filibustered to death in the Senate, and then he ordered such arming of ships on 3-14-1917, within 21 days we had lost 63 American seamen and were officially in the first World War. Also, that under the Lend-Lease Act, FDR could instantly transfer the registry of the 1,200 American ships that are to be armed and manned, to Britain, just as we have already transferred billions of property, including ships, which allegedly is to be returned to USA. By so doing, the arming could be done more quickly, just as we are now repairing many British warships and others in your shipyards, and then any expected sinkings on the high seas would not involve USA into open warfare, and thus provide the pretext for another A.E.F. such as is being demanded by British leaders now.

This betrayal into another Organized Jewry-Intl. Finance World War best illustrated by fact that in above debates it was proven that FDR's order to the Navy "to shoot on sight" (i.e., a declaration of war against Germany) was 28 months earlier than his Sept. 12, '41 announcement. I.e., both public and Congress had not been told that it was on July 31 that the Secy. of Navy had radioed an order to all American naval vessels at sea "to prepare to take offensive action against all Axis surface craft"!

Only chance to save our once Christian Constitutional Representative REPUBLIC from being sabotaged from the top down into war and chaos - is for militant informed citizens to MARCH on WASHINGTON - demanding IMPEACHMENT of FDR and all equally guilty Civil Officer. After we are officially under military dictatorship, it will be too late!

Illustrating the trends, as AID! prophesied in summer of 1939 that war was due in Sept., and that it would be given a false ballyhoo, not only as a war to save democracy, but also to save "religion" (not Christianity), note that now 3 religionists tour USA after a flying tour of England, Ireland and Scotland, under auspices of Jewish created-and-financed Natl. Conf. of Christians & Jews. Way had been prepared for them and their propaganda, which is being voiced thru all possible channels of influence, by the formation of hundreds of local chapters of said NCofC&J. Local teams of 1 each, a Protestant, Catholic and Jew, during past few years, by appearing before luncheon clubs, Chambers of Commerce, school, college, etc. audiences, had accustomed adults and youth in all walks of life to their subtle propaganda, paving the way for public acceptance of their false "Brotherhood of Man" philosophy being applied to the present war.

I.e., democratic, freedom and religion-observing America must come to rescue of ditto Britain. It all sounds very idealistic, but a true Christian realizes that "Brotherhood of Man" is a satanic device, pitted against, and to destroy "Brotherhood in Christ"! That's why you observe the otherwise apparently illogical advocacy by such false religious leaders, of not only war (murder, which is un-Christian), but also of "brotherhood" with Anti-Christis like the Jewish-controlled British Empire and the Christian-killing-to-tune-of-over-40,000,000-the-past-23-years Jew-ruled Soviet Russia. A number of the Red Army Generals are Jews, including a Hungarian Jewess. Official Soviet spokesman-Jew Lozovsky.

Light on the ultimate goal of the "control" using dupes and adepts in such "brotherhood" movements as the NCofC&J, seen in the hate in Rabbi Morris S. Lazaron's voice as he praised Churchill (part-Jew) dictatorship for arrest and incarceration in prisons and concentration camps of so-called Anti-Semites. He thought it would be a good thing if USA did the same - that such "putting down of Anti-Semitism" would then bring about "UNITY" such as has been achieved in England. Quite significant that our one daily, the "controlled" Omaha WORLD-HERALD, in its 2-columns-wide article captioned by pictures of that trio (Dr. E.R. Clinchy, Pres. of NCofC&J; Rev. V.C. Donovan, head of Catholic Thot movement; and that Rabbi from Baltimore), did not report those remarks by the Rabbi. This trio not only talked at Chamber of Commerce luncheon 10-20-41, but also at Creighton Uni., (Catholic), and at Central High School. What would happen if AMERICA FIRST COM. tried to get Col. Lindbergh before those same audiences???

This Rabbi Lazaron has been awarded the Gottheil Medal for "year's greatest contribution to welfare of Amn. Jewry" (in 1933), while his Jewish compatriots in propaganda and for war, Pres. Roosevelt, was given same award in May 1937, while Jewish-subsidized-from-beginning-of-her-writing-lecturing-career Dorothy Thompson was tendered it in 1939. He is not only on Exec. Com. of above NCofC&J, but a member of 2 virulently "internationalistic" propaganda organizations, i.e., League of Nations Assn. and Foreign Policy Assn., as well as many others, including the Rabbinical conference that petitioned FDR and Congress to exempt Jews from combatant corps (as achieved in Germany, Italy, France and England prior to present war).

This is typical of the blah-blah in press coming out of mouths of above false prophets: "... They (English) see the war as it is, a great moral conflict for freedom of the soul, freedom of the human mind..." Yet true Englishmen are in jail while Judeo-Reds plot and sabotage downfall of Britain. Were it not so tragic that the peoples of Europe have been forced into this war by the same Organized Jewry-Intl. Finance that is inch-by-inch plunging USA into its charnel house and chaos, such blah-blah would be funny.

In support of Col. Lindbergh's Ft. Wayne, Ind. statement that he would speak as if it were his last, which has been ridiculed from coast-to-coast, I submit the following: AID! not only called the turn on the start of present war, but claimed that eventually all of continental Europe would be under Berlin (with London the hdqtrs. after this war of a larger empire, and with Washington the dictator over all the Americas - under stooges all taking orders from Organized Jewry-Intl. Finance); that the religio-democratic technique would be used to hook us into such dictatorship; that the 1940 presidential election would not be bonafide; that Willkie, under same control as FDR, would sell-out the anti-NUDEALERS; that the war in Europe would be a fake, designed to scare us under military dictatorship; and now I OK Col. Lindbergh's intimation that there will be no bonafide Congressional election in 1942.

More and more clear-sighted Americans agree that the only solution to stop above trend - is to IMPEACH and throw out of office the whole guilty tribe. Hope in that direction seen in Yonkers, New York, chapter of AMERICA FIRST COM. adopting resolution urg-

ing the Chicago hqtrs. of AMERICA FIRST COM. to take immediate steps to IMPEACH FDR.

B#286 quoted from several issues of official Communist DAILY WORKER to prove that the Communist, Jewish and NUDEAL program is one and the same, and that they are more afraid of so-called "anti-Semitism", and IMPEACHMENT of traitors at Washington so as to re-establish our once Christian Constitutional Representative REPUBLIC, than of anything else. Following from Jewish press throws more light on who our real "enemy" is.

The official organ of B'NAI B'RITH, THE NATIONAL MONTHLY, Oct.'41 issue editorially maintains that Jews must keep themselves a nation apart, i.e., that a Jew must not become an American. In feature article is statement of Dr. Otto Strasser, former Nazi leader and friend of Hitler, under caption "THE GERMANY OF TOMORROW": ".. politically, the Jewish problem can be solved only if the Jew, who prefers to be an American, is willing to become fully assimilated." The American people rightly demands that an American citizen, of German or Italian or English or whatever origin, become thoroly assimilated and thus no longer feel like a German, Italian, Englishman, etc.." Of this, the editor of official B'NAI B'RITH organ says: "We disagree violently with his solution of the Jewish problem."

This magazine editorially smears following Americans: Boake Carter, W.J. Cameron, and Gen. Moseley. But it strangely lets drop the truth in these words: ".. And America's 10,000,000 citizens of German background are proving a sad disappointment to the Nazis in Germany. Instead of engaging in sabotage and pro-Hitler work here, these ungrateful wretches are actually loyal to America!.." But, there is plenty of sabotage going on - in high and low places - in USA, and if Nazis are not doing it - who is? I could name a few saboteurs in key positions of NUDEAL, starting with Rosenvelt (now spelled Roosevelt), Frankfurter, Baruch, Hillman, Henderson, Morgenthau, Seltzer, Viner, Sabath, Bloom, Dickstein, Celler, Koppelman, Lehman, Bullitt, LaGuardia, Rosenman, Feis, Steinhard, Ezekiel, Bean, Wyzanski, Kaufman, Auster, Brill, Nathan, Feller, Bromberg, Katz, Lewisohn, Googel, Heltzoff, Margold, Jack, Cohen, Jurkowitz, Strauss, and married to Jewesses Hull and Pepper - ad nauseam!

A picture on p.35 of same magazine lets drop another hint, when sub-caption says: "All Jewish services in Canadian military camps are arranged by the Canadian Jewish Congress... This picture shows Rabbi David Monson (center)... The men come from all parts of Canada, and includes several Americans. On Rabbi Monson's left, for example, is Private Harry Schiff, of New York, who fought in Spain with the Loyalists and who is now in the Canadian Army 'to continue the fight against Fascism'.." This glorifying of the part that 35,000 Jews from all over the world who tortured, starved, and killed thousands of helpless nuns and priests in the Judeo-Red instigated-and-managed civil war in Spain in 1936-39, speaks volumes for the attitude of B'NAI B'RITH towards Christians!

This, on p.37, in re poor Finland for whom we once were being propagandized "to save" (in view of present fact that we are now joined up to destroy her), illustrates that Finland's Christian leadership has sensed the chief cause of her betrayal: ".. The Finnish press has become anti-Semitic, and all Jewish soldiers have been removed from the army on orders of General Mannerheim." And altogether, men, women, and children, there are only 2,000 Jews in all of Finland, a nation of four million..." Reminds that the North was not able to win the Civil War in USA until Gen. Grant had issued orders that no Jews were to be tolerated around Army camps, and under no circumstances were Jews to be permitted to go thru the lines. The old cry - "What can a few Jews do?", intimating that anyone is foolish to fear the claimed small number (5,000,000 - in reality over 10,000,000) of Jews in USA, doesn't hold water under the test of history. One saboteur, one traitor - can destroy an army, can betray a nation! No wonder Christ warned against having any fellowship whatever with the Jew! Breaking that Divine Law has always spelled disaster!

Page 57 advances the typical Judaic propaganda, which is being publicized by their Natl. Conf. of Christians & Jews, that a so-called "anti-Semite" (one who quotes the Jews) is "intolerant, bigoted, .. with a disordered mind", and that "anti-Semitism was a psychopathic symptom". That technique is hoped to befuddle the non-Jew so that he will be afraid of being that "screwy" if he ever tries to learn anything about the facts of history, of the Jewish problem (which Jewry admits exists), or if he ever voices anything on the subject. Its the same satanic principle behind the popularizing of "progressive",

"democratic", and "liberal". Most people, particularly those who pride themselves on being intellectual and of leadership calibre, want to be popular and "smart", and don't want to be labelled as "being against" anything that is touted as "progressive, etc.", so they fold their hands while the "enemy" takes over all the avenues of information and control. Did you ever hear of a highly publicized Jew or Jewish "Gentile stooge" that wasn't hailed as being a great "Liberal", "progressive", and "democratic"?

Who are the warmongers? P.58 gives more than a hint: "... A visiting British diplomat who prefers to remain incognito told us that Leslie Hore-Belisha (Jew), ex-Secy of War for Great Britain, refused invitations to come to the USA and remained in London, working out military plans for a British invasion (after they get an Arm. A.E.F. - CBH) of the European Continent. In the next British Cabinet shuffle, which is not so far off, he is slated for a come-back." P.75 gives another, when you recall that up until very recently, notwithstanding all the ballyhoo by Judeo-Red-Pink organizations for "boycott of Jap silk", many shiploads of junk were still going to Japan, Russia and no doubt to Germany, to be turned into guns, munitions, etc., with which to kill the poor Chinese for whom we are raising millions, and to whom we have loaned (given) scores of millions of dollars. P.75 says: "... Big, iron-grey businessman Louis J. Borinstein, past President of Dist. No. 2 (of B'NAI B'RITH) and former national chairman of Wider Scope (B'NAI B'RITH money-raising campaign), is in Washington as a dollar-a-year-man. Head of a big scrap metal business in Indianapolis and President of his Chamber of Commerce for five straight years, he is in charge of a national campaign to speed up the salvage of scrap iron and steel for defense needs..."

Recalling the racket in the Jewish "national defense drive for aluminum pots and pans", with it ultimately being let out that such aluminum not fit for plane production, but that the drive was an "all-out-for-war" propaganda campaign to whet the desired enthusiasm for war among the dumb Gentiles (the Jews getting the aluminum scrap collected and delivered free by patriots to their smelters and agencies), I wonder if you will be asked to part with your auto, and possibly your razor blades, for "national defense"?

That there is no abhorrence of Communism, as Jewry would like non-Jews to believe, witness this sentiment expressed towards the modern father of Judeo-Democracy (i.e., Communism), Karl Marx, a diseased Jew whose maniacal writings have been glorified and pushed upon the non-Jew to make him a "democratic, progressive Liberal" (i.e., a befuddled dupe of atheistic economics that the Jews themselves know won't work): "... as I understand it, ... we (Jews) are an ethnical or a historical group which, by its characteristics, is able to give to the world the benefit of its culture and lore that created a special way of thinking, so strong and so vital that even Spinoza and Bergson gave evidence of it, and Marx might have been a prophet had he not been handicapped by his partial German (Christian) education." That enlightening gem is on p.78.

To get a comprehensive picture of the power and ramifications of that power operating in USA, you need to read THE OCTOPUS, the 256-p. book, with over 2,300 in its index, which contains so much dynamite about the B'NAI B'RITH and the NUDEAL that the Post Office Dept illegally denied the book the book post rate of 1½¢ per lb., yet Sex, Socialistic, Communistic, etc. books are aided in their distribution by that special low rate. (THE OCTOPUS - 1 for 60¢; 2 for \$1.; 7 for \$3. - all to same address, remittance with order. Or, a free copy given with 1 year's subscription to these bulletins @ \$5. per yr.)

However, the double-page spread in 10-16-41 THE JEWISH REVIEW of New York City gives you an idea of the B'NAI B'RITH, how it gloats over its rapid growth in manpower and influence. "JOIN B'NAI B'RITH MANPOWER FOR NATIONAL DEFENSE" runs across top of page. Another caption reads: "YOU CAN'T RESIGN FROM THE JEWISH PEOPLE!" The message under that caption points out that the various fraternal orders, such as Odd Fellows, Scottish Rite Masons, Knights of Columbus, Knights of Pythias, Moose, Patriotic Order Sons of America, etc. have lost in membership from 20% to 66% (avg. of 17 - 40.4%), 1940 compared with 1929, whereas the B'NAI B'RITH during same period has doubled its membership! "... The average person can resign from an organization, but the average Jew cannot resign from the Jewish People. He is bound to it unto death for better or worse, and if he is wise, he will support its institutions..." In re the once bally-hoed "V for VICTORY", significant this admittedly Judeo-Red symbol - a big black one - is in center of the layout!

RE: AMERICA IN DANGER  
CHARLES B. HUDSON

"America In Danger" is a crudely edited, mimeographed publication consisting of from eight to fifteen pages which is published weekly by Charles B. Hudson of Omaha, Nebraska. The copyhead of this publication describes it as a weekly expose of un-Americanism in education, finance, labor, politics, and religion. The subscription price is \$1.00 for ten weeks. u

This paper first appeared in 1935, at about the same time as Hudson, a self-styled lecturer and editor, published a chart containing the names of alleged radical organizations and prominent individuals who he claimed were associated with these organizations. Hudson refers to this chart as the "Interlocking Directorate" and supplies each of his subscribers with a chart. This chart contains a list of thirty-five prominent individuals alleged appointees of President Roosevelt, who Hudson claims are affiliated with the radical and Communist organizations listed in the chart. This chart concludes by drawing an analogy between the A.A.A., N.R.A., and Socialism as practiced in Russia. u

RECORDED

161-7474-

Hudson's publication from its inception to the present time has continually published material caustically criticizing President Roosevelt's administration, blaming the Jewish race for all the ills of the world, deriding labor organizations and attempting to discredit, without any foundation, various Governmental Agencies including the Federal Bureau of Investigation. More recently, Hudson has devoted his efforts and his publication to criticizing President Roosevelt's foreign policy program and praising and encouraging the activity of all individuals and organizations opposed to this foreign policy. In line with this same activity, he has sought to block the passage of the Selective Training and Service Act and has accused the Roosevelt administration of attempting to inject the United States into the European war as the result of the influence of the Jewish population. u

Summary of "America In Danger" (61-7474)

g p

Hudson's utterances and writings indicate a very militant attitude on his part. He is reported to have addressed a Ku-Klux Klan meeting at Omaha, Nebraska, at which time he stated in substance that if it was necessary for armed forces to move into Washington, that action would be taken. [redacted] Omaha, Nebr., 100-2-178) -  
b7c

In March, 1941, Hudson advanced three courses of action which the American people could take to avoid war which he claims is being brought on by Jewish war mongers:

"First, if enough young men would get together and refuse to fight.

"Second, if vigilantes could clear up the situation in Washington and oust the Jews.

"Third, by enough Protestant Christians going into Washington and sitting around the Government buildings in a peaceable manner." [redacted] b7c

Hudson, in the May 26, 1941, issue of "America In Danger" stated: u

"Yes, when we crusade to save the Christian Constitutional Representative Republic of our Founding Fathers, we are not revolting - no more than Lincoln did. The usurpers now in power in the (not our) administration are the ones who revolted away from our Government 'of the people, by the people, and for the people', these Ku Dealers are the real traitors! They are the Benedict Arnolds! The 'real 5th Column' is already entrenched in Washington. They must be ousted - peaceably or otherwise! If it is not done now, you can depend upon it that civil war will eventually be engineered by them as a means of liquidating opposition to their Satanic plan!!! (61-7474)

Numerous issues of "America In Danger" during the early part of 1941 advocated and encouraged a "Mother's March" on Washington to protest the passage of the "Lend-Lease Bill" which march was to be led by Elisabeth Dilling. u (Summary of American In Danger, 61-7474)

Various issues of this same publication during recent months have exhorted the subscribers and readers of this publication to arrange "a march on Washington" to institute impeachment proceedings against President Roosevelt and Secretary of War ~~Henry Stimson~~ Hudson instructs that these proceedings should be carried on under the leadership of Congressman ~~Claude H. Johnson~~ of Michigan. U (Summary of America In Danger, 61-7474)

In December, 1940, Hudson was instrumental in publishing and distributing a 260-page pamphlet entitled "The Octopus", which pamphlet accuses President Roosevelt of being dominated by Jews and Hudson in his publication describes it as "an expose of Jewish control in the United States". This pamphlet was printed by the Geographical Publishing Company, Chicago, Illinois, and the cover page indicates that the Reverend Frank Woodruff Johnson is the author. Hudson has admitted that no individual such as the Reverend Frank Woodruff Johnson exists. It has been alleged that Elizabeth Dilling, author of "The Red Network" is the real author of "The Octopus", and an executive of the Geographical Printing Company has stated that Elizabeth Dilling's husband, a Chicago lawyer, ordered 30,000 copies of this pamphlet. This same executive has informed that the plates from which the book was printed have been turned over to William Dudley Pelley, founder of the Silver Shirts. U [REDACTED] b7C

61-7474-21 & 36; 61-7055-10)

"The Octopus" and "America In Danger" have been banned by the Canadian Customs Censorship. U (America in Danger, March 10, 1941; 61-7474)

It will be noted that "America In Danger" during the first part of 1941 criticized the America First Committee, claiming that it is Jewish-controlled and "being used merely as an outlet for war opposers' hand clapping yet so controlled that no direct action results." The more recent issues of "America In Danger" have carried articles commending the America First Committee's activities, in attempting to forestall the foreign policy of President Roosevelt. U (Charles B. Hudson and summary of America in Danger; 61-7474)

Information received in 1938 advised that the literature of Hudson enjoys a fairly large circulation throughout the country. More recent information advises that most people in Omaha have never heard of Hudson and he has no personal following but only sympathizers who occasionally give him a little money. He is said to exist by small contributions and the returns from the subscription money paid for "America In Danger". U [REDACTED] b7D, b7C

Omaha, Nebr.; 61-7474-11)

Hudson is native-born and forty-nine years old. He is married and has a son twenty years old. He is reported to have been formerly active in organizing a company union for a big business enterprise but that he lost his position as a result of the depression. He claims to have been a Methodist at one time but is no longer a member of any church and he alleges that the Methodist Church is presently controlled by the Jews. Hudson is said to be in modest circumstances, renting the home in which he lives and which also serves as an office for his publishing work. W [REDACTED] 12 P

b7c [REDACTED] u  
It is alleged that Hudson is a strong German sympathizer and that in the fall of 1938 he attended a convention of Nazi organizations from all parts of the country held at the Los Angeles German House. ?  
[REDACTED] Omaha, Nebr.; 100-2-178; [REDACTED] 62-32716-55)

Hudson is alleged to be closely associated with General George Van Horn Moseley, notorious for his connections with the "Knights of the White Camellia" and Elizabeth Dilling, author of "The Red Network". He accompanied Moseley when he appeared before the Dies Committee and aroused nation-wide publicity at that time due to his efforts in examining the drinking water of Moseley to safeguard him from being poisoned. He accompanied Elizabeth Dilling to Washington, D. C., in February, 1941, when she led a woman's demonstration protesting against the Lend-Lease Bill. u  
[REDACTED] 61-7474)

Hudson makes commendatory statements concerning and often quotes the following persons in "America in Danger": u

The Reverend Gerald B. Winrod, editor and publisher of "The Defender Magazine", Wichita, Kansas.  
Mrs. Leslie Fry, author of "Planned Economy".  
Gerald L. K. Smith, Chairman of the "National Committee of One Million". u

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 288 & B-55 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt." Oct. 28, 1941.

HISTORY from CONGR. RECORDS. Organized Jewry-Intl. Finance's program destroying our once Christian Constitutional Representative REPUBLIC (not a democracy) seen in items from latest CONGRESSIONAL RECORDS. 10-23-41 issue: Arrogant NUDEALER, Sen. Connally, now Chmn of Com. on Foreign Relations, sets typical NUDEAL precedent by deleting from CONGR. RECORD of 10-20-41 whole sentences of his attacks on Sen. Danaher. Latter is one of few Senators who is opposing with unanswerable logic the deceitful warmongering and unconstitutional program of NUDEAL. He is one of the courageous 13 who voted 10-23-41 against Lend-Lease extension, H.R. 5768. (with him were Senators Butler, Taft, Nye, both Clarks, Johnson of Calif., Aiken, LaFollette, Langer, Shipstead, Walsh and Wiley. 59 voted for, 24 didn't vote). The cowardly, lying tactics of NUDEAL illustrated by one of its chief spokesmen, Sen. Connally, resorting to faking CONGR. RECORD debates on repealing the Neutrality Act. Thus, what had been termed our "only uncensored press" is being re-written to suit the NUDEALERS. Yes, truth must be kept from the people at all costs!

Debates on Lend-Lease Bill brot out that that \$13,000,000,000. appropriated allegedly to help Britain and Russia kill Hitler, is to be used to maintain farm prices in USA, even to making payments to farmers. Thus the crazy spectacle of taxpayers putting up billions - to cut down farm production, deprive farmers of feeds necessary to the cows that are expected to produce the increased supplies of milk, butter and cheese that Lend-Lease funds are to bring into being. As Sen. Taft says: "... a complete inconsistency between the program of scarcity and the program of plenty." NUDEAL Senators Russell and McKellar evade and try to laugh off our Sen. Butler's questions re "... what provision is being made for the dairy interests of the country, who have today built up the greatest supply of butter that the country has ever known; and butter is not being taken care of, and is not being shipped under the Lend-Lease funds..." Yet NUDEAL is encouraging the consumption of oleomargarine, which still further aggravates injury to the dairy industry which is supposed to notwithstanding increase production to aid Britain!

Surely even this one example proves the real intent behind so-called NUDEAL manipulations. Organized Jewry-Intl. Finance is using NUDEAL, just as it is using wars and the threat of wars, military and economic, thruout the world in order to impose regimentation - slavery - upon the whole world. It must create chaos in our whole life - industrial, farming, labor, mining, educational, religious - to cause the conditions that provide the convenient and plausible excuse for still more regimentation. ABC stuff - isn't it?

Some of Sen. Taft's reasons for voting against that Lend-Lease addition of \$6,000,000,000. to the original \$7,000,000,000. appropriated last March: Original bill had policy expressly forbidding sending of our men abroad, the convoying of ships, and delivering of the goods. Yet in present bill, \$350,000,000. appropriated solely for delivering said goods; \$84,000,000. to provide for running continuously 135 boats, American flag and other wise, to the Red Sea. We pay entire expense of operating those vessels in our ports; we pay the expense of unloading all the material in Egypt; we pay all the sailors on the boats. In addition we are to spend approximately \$160,000,000. for running continuously 185 neutral boats and British boats, and a large number of tankers, which also fly neutral flags, from here to England. We pay all the expenses: "... We are actually operating many of those boats under the Panamanian flag, which seems to me a disgraceful evasion of the Neutrality Act, which is in force, and which the Congress put on the statute books..."

The bill contains a "blank-check appropriation". Under it the Pres. can, thru any agent, buy anything that is made or which exists in the USA. There is no limit - "... the power to spend \$1,875,000,000. without restriction is certainly a tremendous power..." In addition to that vast sum and power, the bill contains an item of \$432,000,000. for "spot purchases". "No one knows what those are, or when the things are to be bought!"

In Appendix of 10-13-41 CONGR.RECORD, rabid NUDEAL Sen. Giffey inserts radical Secy of Interior Ickes' speech made 10-20-41 at Chicago, in which Ickes smeared Lindbergh, the CHICAGO TRIBUNE, Arthur Krock, Ham Fish, Sen. Brooks, and called for a Congressional investigation of the AMERICA FIRST COM. Ickes lied and insinuated: "... Today, AMERICA FIRST is a tight little Nazi organization that follows the party line as laid down in Berlin... Perhaps we might be able to find out how the AMERICA FIRST COM., and some of its subsidiaries, get hold of so many franked envelopes in which to mail their propaganda!

That's like the rumour, told me by WORLD-HERALD reporter, that I mail AID! bulletins in Congressional franked envelopes. As if anyone would risk making such illegal use of the mails, particularly when Organized Jewry-Intl.Finance is seeking any excuse to lend color to such an accusation. Yes, I have mailed out tens of thousands of properly franked reprints of Congressmen's speeches. But, as hard-up financially as I am most of the time, I have observed the postal laws, even tho, as in the case of THE OCTOPUS, it is the Post Office Dept. at Washington that has illegally forced me to pay from 7¢ to 14¢ postage per book, when that book should be able to go anywhere in USA for 1¢!

(THE OCTOPUS - 256 pages exposing Organized Jewry-Intl.Finance, with 2,300 names in its index of the personnel and groups who are destroying Christendom: 1 copy for 60¢; 2 for \$1.; 7 for \$3. - all to one address - remittance with order. 1 free with year's subscription to this bulletin service @ \$5. If your subscription expired, please remit.)

I wonder if Ickes' smear of Sen. Brooks was part of pressure that caused that once-patriot to desert, and vote, as he did, for that iniquitous sell-out Lend-Lease Bill?

CONGR.RECORD 10-22-41 tells us that USA has only 2% of the ammunition it needs. Yet, FDR in his typically arrogant Jewish style (Judge Rosenman, FDR's speech writer, was mentioned over radio as being present when FDR broadcast night of 10-27-41 at Navy Day celebration at Washington), declared USA is already at war! Sen. Taft courageously charged: "... Now Mr. Roosevelt has publicly admitted he has tricked the American people. He informs us, 'the shooting has started'. He says: 'Very simply and bluntly, we are pledged to pull our own oar in the destruction of Hitler'. By what authority does the president make that statement? Who gave the pledge? Unless the president is willing to admit that he has assumed final, unconstitutional and dictatorial powers, then his statement that such a pledge has been given is not worth the paper it was written on, for only Congress can make such a pledge..."

How ridiculous - how traitorous - that arrogant boast by FDR - when we have but 2% of the ammunition we need, not to mention the lack of guns, tanks, planes, ships, etc. How infantile to pledge USA "shooting" aid, in such a "phoney war" in which even the press admits that for 3 months London has not had to sound air raid warnings - such a "phoney war" that even the worst year of blitzkreigs, 1940, saw a death rate in England of about 1/3rd the death rate in our Congress, where so many against-NUDEAL men have suddenly died the past year as to take such deaths out of the realm of coincidence.

Same CONGR.RECORD has inserted in Appendix, by Jew Congr. Kopplemann, an editorial from THE AMERICAN HEBREW (oldest leading weekly voice of Jewry) of 9-19-41, a smear of Lindbergh which claims that anti-Semitism now is dangerous, and that: "... Only such a personality, dramatized and almost deified in its heyday, could now head a movement of reaction, a movement of fascism in the USA..." Previous AID! have proved that "reaction" and "fascism" in the Jewish press mean "Christianity". Now read another part of that editorial: "... Where Father Coughlin failed because of a narrowness of appeal, due perhaps to his being a man of the cloth; where a Rankin (Southern Congressman) or a Holman or a Reynolds (Senators against unrestricted immigration) would fail because of their inability to arouse enthusiasm on the part of the hysterical fanatics who are so essential to real pogrom(slaughter of Jews); where a Winrod or a Pelley or a McWilliams can have inspired only disgust even among the unlettered - where these figures and the type each represents failed and will continue to fail, a Charles A. Lindbergh can succeed...

"There is something incredible and unpleasant, almost obscene, in the change which has come about in the character and behavior of this man. The modern Ulysses has become the comrade of evil; the daring explorer has become the consort of pogrom-makers; the symbol of youth and of America of tomorrow has become the plaything of Benedict Arnolds and the Copperheads. An idol has crumbled, a hope has vanished and a dream has turned to dust."

In same Appendix the same Jew Kopplemann inserts another attack on Lindbergh.

That CONGR. RECORD of 10-22-41 also tells us, in a long debate over IMPEACHMENT, that only 12 public officials have been brot to the bar of the Senate on charges preferred against them by the House of Reprs. Of these, 1 was a Pres., 1 an Associate Justice of the Supreme Court, 1 a Secy of War, 1 a U.S.Senator, 1 a Judge of the U.S.Commerce Court, and 7 U.S.Dist.Judges. Those like myself, who believe that our only salvation as a Govt is for immediate starting of IMPEACHMENT charges against FDR, Wallace, the Cabinet, and certain Congressmen, can read that CONGR.RECORD with profit.

Apparently Organized Jewry-Intl.Finance is afraid of truth leaking out - for one of about 12 was removed because he was insane. Certainly the past 9 years demonstrates considerable insanity in the NUDEAL. Repr.Hancock brot out: "... It is generally agreed that if a man is lazy and incompetent, refuses to decide cases, or is arbitrary or tyrannical, he is subject to impeachment under the fourth section of Article II (of the Constitution) ..." Surely those shoes fit a number of NUDEALERS!

Repr.Robsion stated: "They(Senators) do take an oath when a man goes on trial before them on an impeachment charge. But it has not been long ago when a certain man was being tried when there were less than a dozen of the 95 on the floor of the Senate when witnesses were giving testimony either for or against the accused..." AID! #285 had pointed out that 2/3rds of Senators present could find guilty, and thus remove the convicted from ofc.

Yes, Organized Jewry-Intl.Finance must be afraid of the possibilities under impeachment proceedings, for, notwithstanding in over 150 years there have been but 7 Dist.Judges brot up for impeachment, a drive was put on in the House on 10-22-41, with H.R.146 being rushed to a vote. About this Repr.Jenkins warned: "... If this measure passes today it will be because so many of the Members are away... This bill is just another instance of the New Deal tendencies to want to remake the Constitution.. I am opposed to this proposed legislation because it invades the rights of the people. It surrenders the constitutional power of the House of Reprs. and of the Senate. It is clearly beyond and outside of the Constitution. This bill has been before this body on several occasions, and I have been emphatically opposed to it, and I am more emphatically opposed to it today than ever. I cannot agree with any person or any policy that seeks to undermine the very foundations of the Republic."

Yet that bill was passed - 124 yeas, 121 nays, and 184 not voting, with Reprs.Kelley and Fogarty conveniently changing their votes from "no" to "aye" to make that 124 possible. Just think - that mere 3 majority out of a membership of 435! Jenkins' prophecy came true! Under that bill, instead of trying impeachment charges against Dist.Judges before the Senate, trial is had before a 3-Judge Court. This bill, should it pass the Senate, becomes another entering wedge - for if Dist.Judges can be denied trial on impeachment charges before the Senate, the precedent has been established by which it can be argued that the Pres. and all other civil officers need not be subject to trial according to the Constitution. Imagine, e.g., the present "packed" Supreme Court finding "guilty" (if you can), should it be named in any such future legislation as being the proper body to try the Pres., et al on impeachment charges!

As might be expected, Omaha's Repr.McLaughlin "fronted" for the gangsters, argued for that bill. It is said he hopes to be rewarded with a judgeship. (see B#287).

B#281 exposed that the appointment by FDR on 9-4-41 of Floyd B.Odlum (intl.banker) to head the new Divn. of Contract Distribution in OFM allegedly to bring small mfrs. into defense production by spreading contracts more widely among smaller businesses, was in reality enabling "big" finance to corral "little" biz, for Odlum is the tool of Organized Jewry-Intl.Finance. CONGR.RECORD 10-22-41 shows table of the Coordinators and Managers at 43 cities in USA, with 29 of their offices located in Federal Reserve Bank Bldgs. Since the Federal Reserve System of private banks is one of the chief agencies and channels thru which Organized Jewry-Intl.Finance operates its "controls", how significant that the bulk of Odlum's field staff offices are located in Fed.Res.Bank Bldgs.

In view of fact, as Jewish press gloats, that for over a year Wall Street has been kept alive by the vast sums brot over from Europe by "refugees" (mostly Jews, yet we are being fed the fiction that Jews are stripped of wealth before they leave Europe), and in view of fact that Organized Jewry-Intl.Finance is in position to make-or-break anyone on Wall Street (or anywhere else), and in view of further fact that OJ-IF is responsible for all wars, the editorial in 10-21-41 WALL STREET JOURNAL (inserted into CR-10-22-41 by

Repr. Shafer of Mich.) displays real courage. That damning-or-NUDEAL editorial compares the extended stay by FDR at Hyde Park "in order to enjoy the October sunshine" with the sorrow in the home of the boys who lost his life in the destroyer Kearny (due to FDR's dictatorial 7-30-41 order to the Navy to "shoot on sight", altho sly FDR kept that decree a secret until 9-12-41 - see B#287).

Then that editorial quotes Eugene Duffield about a "victory program", involving USA's detailed plans to push tank production to 2,000 or 3,000 a month, to schedule production of 77,000 or 80,000 planes and to double or treble ordnance and ship production. That such a program contemplates an "attacking army". That Britain cannot raise more than a third of the necessary army shown by Parliamentary debates within the past two weeks. Raising of the rest may fall on the USA, taking 1 of every 3 men between the ages of 18 and 45. This to require higher individual income taxes, etc., and eventual registration and "labor service". That at the present pace we are using up oil faster than we are discovering and opening up new pools. That we might get some back from Russia. But you can't brink back the boys who are killed - "who will die in Europe, because, make no mistake about it, that is where our course is leading - an army of millions fighting on European soil. We said we would not do that again, but we are doing it again. It will cost billions in money, and we will pay... And for mothers and fathers and wives, the October sun never again will shine quite so brightly."

In view of FDR's arrogant, bristling admission that we are already in a shooting war (radio night of 10-27-41), how prophetic above editorial from WALL STREET JOURNAL.

In Appendix of same 10-22-41 CONGR. RECORD, Repr. Curtis of Nebr. submits further proof of way we are being "sold-out". He shows tables giving prices on farm products in 1917, 18, 19 compared with 1940-1, wherein during World War I wheat and corn prices ran  $2\frac{1}{2}$  to 3 times present prices, with all other farm products likewise commanding higher prices than now. Yet, taking printing and building trades as typical, wages run about  $2\frac{1}{2}$  times now what they were in World War I years. Curtis points out the dangerous inequality that exists, asserting that the Administration has no right to legislate for the special advantage or disadvantage of any single group (yet NUDEAL is doing that constantly as witness foregoing herein), that our good-nabor policy with its trade agreements with Central and So. America has been at the expense of the American farmer, and yet, that as a group, farmers will pay a greater share of the tax burden being imposed by the New Deal than any other group.

Curtis might well have warned that it was parallel action by Organized Jewry-Intl. Finance operating thru the private Bank of England and its "controlled" Parliament back in the 1770's that forced truly Christian Americans to risk their property and their lives in revolting against the NUDEAL of that age. OJ-IF may welcome civil war in USA today, during which they could liquidate all opposition, but Christian Americans could save that chaos and bloodshed by MARCHING now on Washington. Such CRUSADERS could demand starting of IMPEACHMENT of FDR and all his henchmen, see to it that all such gangsters who did not flee were removed from office, and then aid in the rebuilding of our once Christian Constitutional Representative REPUBLIC. You are going to get that or civil war (instigated by Organized Jewry-Intl. Finance as they have done in so many countries down thru the ages)! Which do you prefer? Time in which to choose is getting short!!!

Repr. Mundt inserts in Appendix of same CONGR. RECORD: "... Here is a bit of alliteration which pretty well expresses the approach to the whole war problem by Pres. FDR: EVOLUTION OF THE B'S Blessings on Britain. Bundles for Britain. Boats for Britain. Bombers for Britain. Bomb sights for Britain. Blankets for Britain. Boys for Britain. Bodies from Britain. Louise Randel, Washington Chapter of WOMEN UNITED."

CONGR. RECORD 10-21-41 tells us NUDEALERS trying to laugh off Lindbergh's and others' prophecies re no bonafide elections in 1942, yet since USA is admittedly seeing parallel action here to many things happening in England, how significant that only 1 out of 615 in House of Commons protested their vote to extend their terms of office by another year. British Reform Act of 1911 limited the lives of Parliaments to 5 years (last election in 1935), but when 1940 came there was no election, and now "emergency of natl. defense" is excuse to stall off the election another year. Is not our NUDEAL perpetuating itself in effect, using same excuse, even tho a little different technique todate? Yes, history repeats itself, for Organized Jewry-Intl. Finance is the power that makes history repeat!

A FORM LETTER, dated 10-6-41 (but not received here until 10-30-41), with no file number, on letterhead of Dept. of Justice, Washington, D.C., signed by Chief & Asst. Chief of Special Defense Unit (Messrs. Lawrence M.C. Smith & R. Keith Kane), enclosing copy of Voorhis Act (provides for registration of foreign agents), addressed to AMERICA IN DANGER!, caused me to reply: "... I consider this an insult to a native-born Christian American, who, as your records will show, has constantly been cooperating with the law enforcement agencies, local and national. Since my activities are a matter of record, I can consider your communication only in the light of furnishing the 'enemy' with so-called evidence that I am supposed to be under surveillance, thus aiding them in their 'smear' campaign of all true Christian Americans who are trying to enlighten Americans as to their rights and duties under the Constitution - still the law of our Republic. I belong to no organization whatsoever. I enclose AID! No. 288 for your reading.

"For Christ & Country,

That Dept. of Justice "form letter", without any file number, is a "fishing expedition" tactic, and not a bonafide "investigation". Should the Jewish press now come out with purported documentation implying that I am being "investigated", you will have some additional proof of just who it is that runs the NUDEAL.

The American Jewish Com. (1 of 4 that Genl. Moseley dared the Dies Com. to investigate when it had him "on trial" in May-June '39, after which he was 'smeared') official bi-monthly organ CONTEMPORARY JEWISH RECORD of Oct. '41 devotes pp. 564-571 to "Anti-Semita Americana". 3 of those pages in part devoted to THE OCTOPUS. As I am not its author, merely a distributor, the following from p. 568 illustrates not only Judaic "smear" technique, but why Christ called Jews "liars": "... The somewhat shamefaced anonymity which once used to characterize all these books is now largely a thing of the past. Elizabeth Dilling (CBH- author THE RED NETWORK - send her 25¢ to Suite 731, 53 W. Jackson Blvd Chicago, for her 35-p. Oct. Bulletin which proves why the "enemy" so afraid of her), E.N. Sanctuary (CBH- author WAR GUILT & WARMONGERS), Leslie Fry (CBH- author PLANNED ECONOMY), Carl Mote (CBH- author THE NEW DEAL GOOSE STEP) and many others no longer hide their light under any bushel of modesty. On the other hand, the notorious Charles

Hudson apparently pretends to hide under the name of Frank Woodruff Johnson: his Omaha address appears on Johnson's book (CRH- THE OCTOPUS)...."

This "authentic" (?) smear attacks 13 Americans, and no doubt will be quoted extensively. P.561, quoting, among others, Alexander Lesser, prof. of anthropology at Brooklyn College, shows why Organized Jewry-Intl. Finance is so afraid of the documentation in such books and in these AID! bulletins: "... The condition of American Jews, he declares, has taken 'a violent change for the worse', and they can no longer reasonably 'count on American democracy to be intolerant of anti-Semitism in any form.'..."

Since Congressmen have been given copies of THE OCTOPUS, and many get AID! and other awakening material, p.562 of same CONTEMPORARY JEWISH RECORD gives another reason for the increased tempo of "smear" directed at certain Americans and their works: "... Of more disturbing proportions are the incidents which Reuven Frank discusses in 'Anti-Semitism in Congress' in THE JEWISH FRONTIER for Aug. Mr. Frank expresses his concern over the danger that the 'actually or potentially anti-Semitic bloc' in Congress may in fact contain 'the seeds of holocaust'..."

That Jewry has in mind seen in feature article by Jacob R. Marcus (p.501): "... But today the possibility is very real that in a few decades, not centuries, we may see the birth of a new medievalism far more revolutionary in character than that which followed the decline of the dying Roman state. If these revolutionary changes occur tomorrow in Western civilization - and they may - the Jew will be their most notable victim. He will suffer more than anyone else, for it was he who gained most thru the advent of the liberalistic system, and he will lose most thru its passing..."

I.e., Jewry recognizes that it has been the destroyer of civilizations down thru the ages, and in that aftermath of their "control" under their "liberalistic system" (which results in revolution, chaos, and then slow rebuilding under Christian control), the Jew loses control temporarily, suffers, until new generations come along who forget, or are prevented from knowing what their Gentile forefathers went thru, and why.

Reminds that historians, students and public of today are denied easy access to the writings of our Founding Fathers, with result that but a few in any one generation ever learn the part that Organized Jewry-Intl. Finance played in our Revolutionary, Civil, and World wars. How many realize that that "control" financed both sides of those and other wars? That our Founding Fathers met in secrecy for 4 months and kept no minutes of those meetings out of which was born that Divine Document, our Constitution - for fear of the Jews! That Jewish bribes kept out of that Document that which Christian leaders then desired to incorporate in the Constitution - to-wit: "No Jew, no Turk, no Infidel can ever become a citizen of the USA". That the immigration law enacted in March 1790, that "only free white aliens of good moral character after 2 years residence could become citizens", was sponsored by Jas. Madison, thus keeping his promise to the Constitutional Convention. That Madison fought successfully in that Convention to keep out the racial-religious restrictions desired by Christian leaders. That he was indebted to Haym Salomon, agent of Organized Jewry-Intl. Finance which had helped finance Washington's army while furnishing the Hessians in King George's army - thus enabling Christian to kill Christian while enriching Organized Jewry-Intl. Finance. That the Jewish press claims Madison nor any of his heirs had ever repaid Haym Salomon. That our Founding Fathers fully understood that Jews and Turks are not "white", and so accepted Madison's compromise, which incidentally planted the seeds of our own destruction. For, had that racial-religious restriction been a part of our Constitution, the "enemy" would have had a hard time keeping the Jewish question under cover, and inquisitive Americans down the years would have searched to find out why our Founding Fathers had fixed that plank in their platform on which to build their Christian Constitutional Representative REPUBLIC (not a "democracy")!

That the betrayer of the financial plank in that platform, Alexander Hamilton, organized what amounted to a branch of the private Bank of England (Organized Jewry-Intl. Finance's main avenue of "control" then, and today), thus undoing the work of the committee headed by Benjamin Franklin. The latter's letters prove he fully understood the "control". His plank "that only Congress shall have the power to issue money, etc." was intended to prevent that "control", which had all of Europe and much of Asia in bondage-slavery, from getting a foothold in the USA. But, we have had only one Pres. who ever attempted to enforce that part of our Constitution. Abraham Lincoln, who by so doing (issued greenbacks - thus winning Civil War and denying the "enemy" its 24% and 36% interest that it demanded), was not allowed to live and give America the benefit of what

he, Lincoln, had learned thru sad experience. How many of you know that it was Organized Jewry-Intl. Finance that instigated and financed the so-called Russian Revolution of 1917, with much of the money and many of the leaders going from New York City with Jew Trotsky, joining Jew Lenin in Russia, and that ever since poor Russia has been ruthlessly ruled by Jewish gangsters, who todate have starved to death and murdered over 40,000,000!

NATIONAL DEFENSE (Nov. '41 issue, Arcadia, Calif. - \$2. per yr.) adds some current history: "Genl. Andrew Jackson who drove the last remnant of British power from American soil at New Orleans in 1814 and who, as Pres. of the USA, fought the then growing international bankers racket (CBH- he refused to renew Hamilton's bank charter), were he alive today... would indeed be dismayed. Under the banner of Gold and with the support of International cohorts, the British have for the third time invaded America. Without firing a shot they have taken possession of Washington. In many of our Eastern seaboard cities where British war vessels are being repaired (at expense of American citizens), when Americans attempt to sing 'The Star Spangled Banner' or 'My Country 'Tis of Thee', their voices are dimmed by the singing of the British sailors who, taking possession, sing, 'There Will Always be an England.' It is getting so serious that Americans who do not bend the knee to English royalty are being charged with un-Americanism, so broad and powerful is the third British invasion of the USA sponsored and supported by the International Bankers whose gold lies safely buried under the protection of the American Flag at Fort Knox..."

That veterans' magazine calls upon Legionnaires to join the new Legion Rank & File, Inc., in opposition to the American Legion which sold out to the "enemy" at its Milwaukee Convention, where in one breath they resolved that Communist Jew Harry Bridges (CIO officer) should be deported, and in next voted 874 to 604 for all-out aid to Red Russia!

Aid to Britain, how prophetic of parallel action forthcoming in USA, is this complaint-editorial in THE PATRIOT (London, 9-25-41 issue): "THOSE EGGS AGAIN. I read, or heard on the wireless, that Lord Woolton, after having had some temporary misgivings, referred in triumph to the fact that being deprived of the eggs imported before the war from a not distant foreign country, we are now bringing them instead from a distance of 13,000 miles. But so far as I have heard, he said not another word about the destruction of the British Poultry production, which this importation was bringing about, or about the condition of some of the imported eggs when they arrived. With my stupid common-sense I should have imagined that a cargo of eggs must take up a far larger ship's space than would the foodstuffs necessary to keep our own poultry alive. But I am, I hope, becoming a patient pupil of bureaucratic control, and it was with only a mild explosion of surprise, and may I say impatience, that I have just received the information that I now require 'a permit' to sell a tomato!"

With Reds, Jews and certain NUDEALERS demanding an "investigation" of AMERICA FIRST COM., and certain so-called "Anti-Semites", and with columnist Raymond Clapper trying to make out Sen. Wheeler a liar, following from 10-31-41 CONGR. RECORD of decided interest: Sen. O'Mahoney. "Do I correctly understand from the letter which the Senator (Wheeler) has just read that Mr. Clapper was requested by the United Feature Syndicate to write a series of 12 articles for the LONDON DAILY MAIL?" Sen. Wheeler. "That is correct"... "I checked on it and found that he (Clapper) was registered at the State Dept. under the terms of the law which requires persons representing foreign govts or foreign principals to register..."

After bringing out that during World War I, Lord Beaverbrook (Jew newspaper publisher and key job holder in present British NUDEAL) offered free newsprint paper to American newspaper publishers - providing they would go along with British propaganda, and that the British admitted having spent \$150,000,000 to get us into World War I, Sen. Wheeler said: "...We have tried to get an investigation by the Senate, not only to show whether British propaganda is being carried on here, but to show how much paid propaganda in the USA is being carried on by Germany, how much is being carried on by Russia, and how much is being carried on by England. But, Mr. President, do you suppose we could get such an investigation? Certainly not..."

And NUDEAL leader, Sen. Barkley, after a lot of verbal exchanges, admitted that he had been a party, and would still be, to prevent any such investigation. And yet that same Barkley has the gall to take Sen. Aiken severely to task for having said earlier in the debate on present NUDEAL attempts to repeal the Neutrality Act, the following:

(Sen. Aiken): "... Mr. President, when the Lend-Lease bill was enacted into law last spring we were assured that it would not permit convoying. Yet our ships have been engaged in convoying and have been ordered by the President to hunt down and sink the ships of another nation with which we are not legally at war. Those orders were given without the knowledge or consent of Congress. The Greer was shot at while running down a submarine which was trying to escape. The Kearny was torpedoed while convoying ships carrying materials of war to a belligerent nation. The Reuben James was sunk - so we are told - while on convoy duty somewhere west of Iceland. Had the President of the United States and members of his Cabinet kept their promises no men of the United States Navy aboard those ships would now lie rotting on the floor of the ocean. It is time to place the responsibility for these deaths squarely where it belongs and to stop making apologies and excuses for those who do not deserve them. By ordering convoys in spite of his repeated promises, and in contempt of existing law and the Congress of the United States, President Roosevelt is personally responsible for whatever life may have been lost; and his disregard for representative government constitutes a greater threat to democracy than war itself."

A little more history in the making. CONGR. RECORD 11-1-41 quotes Sen. Clark of Mo.: "... Yet today we have Secy. Knox (CBH- obligated to Kuhn, Loeb & Co.), like one suffering from rabies, without any constitutional authority whatever, declaring war on nation after nation, and solemnly announcing a hundred-year alliance with Great Britain - merely a precursor of UNION NOW, which simply means our reentrance into the British Empire on terms yet to be determined..."

It would seem that Congress had better start pronto an investigation of FDR and his henchmen, and then start IMPEACHMENT proceedings at once. Then the public might learn why so-called NUDEALERS are talking and voting in Congress contrary to what they did in 1939. Why, as reported by patriotic Repr. Lambertson in CONGR. RECORD 10-30-41, "The Army is buying enough clothes for 10,000,000 men. Why talk about freedom of the seas? Just let an American boat carrying Red Cross food to starving Belgians try to run the British blockade and see what happens..." Why must we go bankrupt to supply Britain with everything, including ships and naval convoys, when, even after the sinkings of the past 2 years, Britain has, according to Sen. Taft (in same CONGR. RECORD), 25,000,000 tons of shipping compared with 21,000,000 2 years ago.

Sen. Taft's conclusion, in re amending Neutrality Act to permit arming of merchantmen, which always means greater loss of our ships and men (to Britain's gain, now, and for after-war trade), is unanswerable: "... the only possible conclusion is that the proposal to remove this restriction is solely for the purpose of creating international incidents which may bring us into war, creating international incidents at the expense of the lives of American citizens..."

When these Congressmen accuse FDR and his henchmen of being "traitors", why don't they voice the only and proper punishment - IMPEACHMENT? That would not only punish, but would create the opportunity for a return to our once Christian Constitutional Representative REPUBLIC - which would almost automatically solve most of our problems!

Glad to report that at the overflow audience at Madison Square Garden, New York City, last Thurs., where Col. Lindbergh called for "new leadership", some listeners wore "IMPEACH ROOSEVELT" buttons. The psychologic effect of several million Americans wearing such buttons would be tremendous. AMERICA FIRST COM. - why not make that your project?

That would go a long way to offset the "for war" psychology being built up, as the AFC monitoring of radio for 3 days determined, for there was not a 15-minute period during those 3 days from 8 AM until midnight when there was not some speaker, newscaster, preacher, govt official, visiting newshawk or warmaking society whooping it up for intervention. Yet no radio station would broadcast Lindbergh's "call to arms!"

A number of groups are sending petitions to Congress to start IMPEACHMENT. Norman H. Wilson, 32 Rockland Ave., Yonkers, N.Y. supplies an excellent petition for the purpose. UNITED MOTHERS OF AMERICA (Room 348, The Arcade, Cleveland, O.) letter 10-31-41 says a lot: "... If our affiliated groups known as 'The Defenders of the Republic of the USA' mean to accomplish anything in this struggle to save our country, we must act now. Our first efforts to form a march on Washington were sabotaged from within... so I am calling a meeting of delegates... We have passed the middle of the eleventh hour, and we must gird ourselves for the final effort, knowing that all things can be accomplished through Christ, our Lord...."

BULLETIN NO. 290 & B#57 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Nov. 11, 1941.

THANKS - To those who responded to appeal in B#289 - and to those whom I hope will send in their renewals. Paper, etc. costs, living, etc., all gone up, yet AID! price remains same, altho many have been kind enuf to say that AID! service is better. Your financial aid badly needed. If those who are behind will remit, more gratis copies can and will be sent to Congressmen and others.

The "enemy" (Organized Jewry-Intl. Finance) seems to think AID! is an ever-increasing obstacle to their slavery-butchering-dictatorship plans (see B#289; recall that B#267 told about 5-29-41 CONGR. RECORD listing me with Gen. Moseley, Jas. True, Robt. Edmondson, Rev. Winrod - 11 altogether - as being the first to be put in concentration camps, as England did coincident with its war declaration against Germany 9-3-39).

After the repeal-Neutrality Act amendments are acted upon by the House this week (if enacted means USA's "war declaration" against Germany), the next link in the slavery chain will be the Price Control Bill. Since the vote in Senate on the repeal-Neutrality last Friday (at beginning of Jewish Sabbath) was really 53-to-41, a majority of but 12, as compared with previous Senate votes of 60-to-30 ratio on other "enemy" desired legislation, and since more "incidents" may occur with their awakening effect on Congressmen, there is a slight hope that the "enemy" may be balked in its plans for complete dictatorship (in guise of "defense program") over the USA. It is worth the effort to put as much information as possible into Congressmen's hands - NOW. Help me to do it. Also, your personal wires and letters should flood Congress - NOW! Go there in person if you can!

IMPEACHMENT! Before the Intl. Labor Organization (part of "enemy" instigated and controlled Lg. of Nations) conference with 33 nations represented at White House on 7-6-41, Pres. Roosevelt illegally "declared war", proved that secret "war-making" commitments have been made, and warned that no interference will be tolerated. Keeping in mind that some delegates at above conference (hdqtrs. formerly at Geneva, Switzerland) were from nations under dictatorships, note FDR's declaration: "... The American people (CBH- we have had nothing to do with making any commitments) have made an unlimited commitment that there shall be a free world (CBH- Axis Powers to be warred upon, dismembered, enslaved in name of "4 freedoms"). Against that commitment no individual or group shall prevail..."

The iron fist of dictatorship is beginning to wear thru the shoddy glove of smooth words, hypocrisy, and false promises. The "4 freedoms" are mere propaganda - fooling Americans while that fist tightens its grip on our throats. Remedy? - IMPEACHMENT!!!

Sen. Clark of Idaho (CR-11-4-41) exposes that FDR's 10-27-41 broadcast re "secret" document and map re Nazi plans for a State Church and conquest of So. America, were old stuff - the first, lifted undoubtedly from 10-22-41 Christian Science Monitor; the second from map shown our State Dept. back in 1938 by Argentine Communists. I.e., FDR is a liar!

In re B#286 claim that FDR has been arming merchant ships illegally at Federal docks at Brooklyn, 24 hours a day, for at least a month before (over 2 months ago now), and would demand repeal of that part of Neutrality Act in order to have Congress legalize this treason (and that apparently Senators LaFollette & Wheeler had done nothing about it, altho informed), the following letter of 10-30-41 inserted by Sen. Nye in CR 11-7-41 is evidence that FDR was using other ports for same illegal purposes: "... It may interest you to know that while you are debating whether our ships should be armed there lies in Baltimore Harbor the Cold Harbor, an American ship (which was recently the RED CROSS relief ship), armed and ready to sail. The Cold Harbor is not a war vessel but a freighter, and the gun is plainly visible..."

Reminding that CR 11-6-41 quotes Boston Herald 11-5-41 that the destroyer Reuben James, torpedoed in No. Atlantic with loss of 97 Americans, was badly in need of repairs when it made that trip but could not get them because all available workmen and facilities were repairing British ships, and that it had been in illegal convoys for some time!

Chief witness before sub-committee of Dies Com., Edwin P. Banta (of whom Repr. Joe Starnes as chmn of said committee, wrote that Banta's testimony was implimented by irrefutable documentation), is the famous ex-spy in Communist Party who furnished Senators LaFollette & Wheeler with that tip re the illegal arming of merchant ships at Brooklyn. On Nov. 5 he wrote following "open letter" which discloses why certain Congressmen, such as practically all on Dies Com., consistently vote as the "enemy" desires:

Central Committee Communist Party, U.S.A.,  
35 E. 12th St., New York City.

Nov. 5, 1941.

(An open letter to the outcast Jew Communists of the U.S.A.)

The Communist Party dare not take up my challenge demanding that the Communist Party agree to a review of my charges before the Congress of the United States.

First, I charge that Congressman Martin Dies is remiss in the alleged investigating of subversive un-American activities in that not one of the 116 acknowledged members of the Communist Party, whose signatures are in his possession, have ever been called before the Dies Committee. I charge that J.P. Matthews, employed by that Committee, is notoriously "left" and still inclines toward his acknowledged "Fellow Traveler" record.

I charge that the American branch of the Communist Party is notoriously Anti-Christian and composed of outcast Jews; and has for its purpose replacing religion with atheism.

I charge that I was held a prisoner at 141 E. 29th on the evening of Aug. 29th, 1938, from 6 PM to 8:30 PM by members of the Central Committee of the Communist Party, and others, in an effort to obtain by force my membership book; that in this the Dies Committee were remiss in not summoning those who held me a prisoner.

I charge in particular that the Communist Party is placing its members in Roman Catholic churches and organizations for the purpose of destroying that institution of Christianity. I charge that the same activity is being extended into all other Christian bodies.

I charge that Communism has a secret Red Army in America; that licensed air pilots are assigned to the air branch of that body in America.

I charge that Communism maintains a highly efficient organization in the United States Post Offices, and have indexed and cross-indexed thru this arm of Communism, all persons for the purge at the moment it has been concluded that it is time for the Revolution in America.

I charge that Communism is responsible for removing from Mexican Public Schools all Christian teachers and replacing them with members of the Communist Party. And further charge that there is an army of highly trained soldiers, members of the Communist Party, in Mexico, ready to strike at America at the order of Stalin.

I charge white slavery against a Communist that the Dies Committee has pigeon-holed for three years.

I charge that the Newspaper Guild members of the Communist Party are in key positions in the newspapers of the country and radio; that their duties in the press are the tampering with news items and various other methods of sabotage of news unfriendly to Communism.

I charge that the same man assigned to bring on the Revolution in New Jersey was later assigned to go to Arizona, there to get a line on Boulder Dam for the purpose of sabotage.

I charge that Communists hold State and Federal civil service jobs, all to serve advance of Communism in key positions in local, State and Federal departments of government, ready to seize control and to supply the "Party" with all confidential records.

I charge that Communism has obtained key positions in all transportation; this includes buses, street railways, airplane lines and all transportation by water, inland, coastwise or trans-Atlantic or Pacific. All of these hookups are closely connected with the movement of food, munitions, military equipment and members of military forces.

I charge spies are placed in our Navy Yard by the Communist Party and in all other military units of the U.S.A.

In concluding this open letter, I charge President Roosevelt and satellites in his Cabinet, in Congress and the Senate, are selling out the American Constitutional form of government for a dictatorship.

Yours truly, (sgd) Edwin P. Banta.

The apparent reason why the Dies Com. has done nothing with Banta's testimony and documentation is because most of the Communists in such key positions are jews. That explains why, altho Banta holds signed receipt from that Committee, they have persistently

refused to return the documentation which he, Banta, had turned over to the Dies Com. Also, why, altho Rep. Barnes had promised (Govt. published hearings so show), Banta, now 70 years old and requiring constant medical attention, was not protected in his job, nor as to his person, the guard assigned to him having been removed but a short time after Banta had appeared at that secret Dies Com. hearing at New York City in 1938.

A big book could be written on the part this unsung hero has played behind the scenes wherein some tangible good has been effected (such as NUDEAL not daring to continue the Judeo-Red Federal Theatre WPA projects, thus saving taxpayers many millions of dollars besides depriving the "enemy" (Organized Jewry-Intl. Finance) of a propaganda device). Also, wherein much indirect good has been accomplished (such as furnishing Congressmen, patriots, leaders in all walks of life, etc., with expose-of-"enemy" material).

With such a patriot forced onto relief thru the machinations of said "enemy", some Christian Americans could do much to lighten his burden and furnish the medical attention he cannot get on relief, as well as display an appreciation of his militant Christian Americanism (his ancestors came here almost 300 years ago), by sending your donation in a letter to: Edwin P. Banta, 215 E. 17th St., New York City, N.Y. Badly as I need help, I hope some of you will help Banta thru the winter months at least.

Instead of doing something practical about the vast extent of Judeo-Red penetration in all phases of our civilization, particularly in unions and in NUDEAL bureaucracy, over which Congress has some control, you have spectacle of NUDEAL spokesman Sen. Lee (to be in Omaha soon), during debates on repeal of Neutrality Act (i.e. "declaring war"), demanding "who is financing the so-called AMERICA FIRST COMMITTEE?"

This traitor Lee, notwithstanding he was assured that the AFC has nothing to hide in that respect (altho I warn its officers not to turn over its membership-donor lists to the NUDEAL, for, if the "enemy" already doesn't have such names for liquidations purposes during the Revolution, that will be one quick way to give it to them), fulminates aplenty about the possibility of the now dead oil man Wm. Rhodes Davis having supported the AFC. Notwithstanding that oil man gave the NUDEALERS something over \$300,000 in their campaign of 1936, tries to insinuate the AFC may have gotten some such money for Lee claims that Verne Marshall's No Foreign Wars Com. (extinct) got \$41,000 from Davis.

Lee, intent upon such a purported "smear", maybe divulged more than he intended, for in 11-4-41 CONGR. RECORD he said: "... At that time Mr. Wm. Rhodes Davis became so afraid he was going to be investigated that in order to throw us off the track, like 'sicking' a dog on pigs, he announced that he wanted to be investigated, and he sent word to the Senator from Montana (Mr. Wheeler) that he wanted to be investigated. The Senator from Montana, like any Senator, said, 'All right; you come down here, and you will get a fair investigation.' Then a strange thing happened. I make no charges; I simply refer to facts. It was known then, and published, that Mr. Davis had received \$440,000 from Nazi Germany; and when this investigation was pending, suddenly a man who had never had heart disease in his life, according to all the information I could get, suddenly died from heart disease, or else it was a suicide. Certainly he was a man who was absolutely in good health..."

Can it be that Sen. Lee is subtly warning anti-NUDEALERS that good health is no insurance against "sudden death by heart disease"? It is quite significant that when AID: B#276 announced above Davis' "heart attack death", the press generally thruout the USA kept mum about it. Being dead, Davis cannot refute the smear that he was supposed to have Nazi money, but Sen. Lee didn't deny that the NUDEALERS had accepted over \$300,000 from that same Davis. I have reason to believe that it wasn't Germany that didn't want Davis to testify. And could it be that Lee was reminding the Senate that 18 Congressmen have died, some mysteriously, since Jan. 1st? I.e., the death-rate in Congress runs about 3 times that of England in 1940 - their year of worst blitzkreigs!

Almost co-incident with FDR's hypocritical reference to "religious freedom" in Judeo Red Russia, and his endorsement (along with that of Communist Party - see front-page of 11-4-41 DAILY WORKER, with LaGuardia's the only candidate's picture thereon, and with 5-columns-wide bold-type 2-line caption: "LABOR, ANTI-HITLER COALITION URGE LA GUARDIA'S REELECTION") of LaGuardia as first 3rd-term Mayor of New York City, comes a form letter sermon apparently sent only to Protestant ministers, urging its use on 11-16-41, in which (why didn't LaGuardia extol Red Jew Litvinov, USSR's ambassador, as a religious democrat?)

the theme is that "democracy" and "religion" are about synonymous.

Thus the evil, fo<sup>u</sup>mou<sup>th</sup>ed <sup>1</sup>/<sub>2</sub>-Jew Socialist, LaGuardia, as Civilian Defense head, sanctimoniously attempts to clothe his Judeo-Red dictatorship program with "religion". Naturally he receives the blessing of Anti-Christ FDR, just as the latter is hypocritically making a saint out of equally Anti-Christ Turk Stalin (wedded to Jewess), and then throws himself open to another IMPEACHMENT charge by giving said Stalin one billion dollars of Christian Americans money. In the debates in Congress, NUDEAL spokesmen said none of the \$13,000,000,000 Lend-Lease funds were intended for Russia!

Now, LaGuardia, dictator-to-be in USA, who illegally instructed State Sheriffs to halt motorists on July 4 to listen to FDR radio broadcast, covers with religious connotation his Civilian Defense tactics, which no doubt will include imprisoning of Christians and jailing and fining workers, as is being done in England where LaGuardia visited not so many weeks ago, no doubt to assimilate the "enemy" technique operating in that unhappy once-Christian land.

CONGR. RECORD 11-6-41 says that a 21-year-old girl, working 61 hours weekly in a munitions factory, was fined a week's wages, \$8., for refusing a job for which she was not trained and to which she had been assigned by the Labor Ministry. While a former miner of 39, for refusing to go to work in a coal mine, was sent to prison for 3 months at hard labor. Also illustrating the effects of "enemy" (Organized Jewry-Intl. Finance) technique, already operating in USA, in England 20,000 small businesses closed down within 2 months after England declared war, while another 20,000 were forced to close early in 1940.

The FDR-Churchill-Stalin-LaGuardia-Hitler-Mussolini technique as translated into the Army seen in this edict: "Following classification of AMERICA FIRST COMMITTEE headquarters here (Denver) as 'out of bounds' for 10,000 soldiers stationed at Lowry Field, the American Air Corps Technical School, Col. Early E. W. Duncan, commandant, said today churches whose pastors 'preach against true Americanism' also would be placed in the 'taboo' class.

Sen. Clark, in 11-6-41 CONGR. RECORD explodes: "... I say that is the most outrageous thing that has ever taken place in the military history of the U.S.A., and that this Colonel Duncan should be tried by a general court martial and drummed out of the Army." But, as Repr. Hoffman in 11-7-41 CONGR. RECORD says: "... When the President himself violates his constitutional oath of office (CEH- a Christian oath), when he denies obedience to and refuses to go along with a law which he himself forced thru Congress - the Lend-Lease Act - then what is the average citizen to think, and what is a poor colonel in the Army to think? If the President is stealing chickens, certainly the colonel can get a few eggs." However, it must not be overlooked that when a man becomes an officer of the Army or Navy he raises his right hand and takes a solemn oath to defend and support the Constitution of the United States - not the President.

Regards the Army, how significant that in just 6 days - Oct. 20-25 - contracts were awarded by the Army for \$1,026,250 worth of human blood - for transfusion purposes. These purchases were listed in bulletin 260 of the U.S. Dept. of Labor, Divn. of Public Contracts, just issued. Can anyone deny that that is not all the human blood contracted for, and that that item alone spells anticipation of heavy casualties? Where? - in Europe, Asia, Africa, on sea, in the sky, and on land. Reminding that, whereas millions are being killed and wounded in Europe, yet in England (where they fully expected USA to be in this war by Sept. 15, '41, and thus we would likewise be suffering casualties), according to Sen. Clark in 11-4-41 CONGR. RECORD: "... while the Germans and the Russians, and the Greeks, and the French, have had enormous casualties on the field, England's losses on the field in 2 years of war do not exceed 20,000 killed, while the Canadian Army, exclusive of the air force, ... had suffered only 461 killed..."

Auto casualties in USA, in peace, more than quadruple Britain's 2 years of war! We are already suffering another type of casualty that is result of our going to England's aid in this "fake" war, which apparently was manipulated solely as excuse to clamp dictatorships on the continent of Europe, British Empire, and the Americas under USA - all controlled by the "enemy" (Organized Jewry-Intl. Finance). Lead, brass, steel, tungsten, copper, aluminum (denial of which to American industries is closing them down, throwing Americans out of work) now being exported from England to USA, in toys; while English woolen mills are working night and day making clothing for our soldiers. Yet if we continue to import meat for our Army (killing our farming and live stock industries), we may lose thru poisoning at Army camps more than England has in its war. Over 200 tons of Argentine beef - after cans began to burst - were rejected by Army officers at San Francisco. How much of such food enters soldiers' diet, having been OK'd before cans start bursting?

RE: CHARLES E. HUDSON  
INTERNAL SECURITY - C  
REGISTRATION ACT

Dear Sir:

The Bureau is particularly interested in the statement on page 3 of the report of Special Agent [redacted] dated December 5, 1941 at Omaha, Nebraska, to the effect that Hudson was expecting a special delivery letter from a man in the East, containing a check. b7c

The one missing element to a Registration Act prosecution against this subject is the element of agency. If it can be shown that Hudson was acting under the instruction of or being paid by a foreign principal, it is believed this case can be easily brought to trial.

Another possibility which should be borne in mind by the Agent handling this case is that James Roland Clarke may be the source of payments to Hudson.

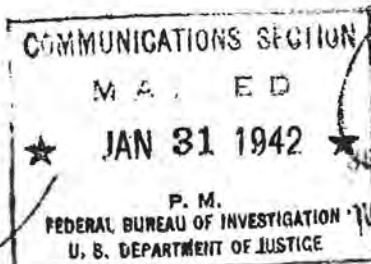

A letter was directed to your office on December 13, 1941 in the case entitled JAMES ROLAND CLARKE, with aliases, INTERNAL SECURITY - R, IMPERSONATION, suggesting the possibility that Clarke might be subsidizing Hudson and suggesting a method of checking this possibility.

This matter should be closely followed.

Very truly yours,

John Edgar Hoover

An examination of the chattel mortgages on file for the period July 26, 1938, to date, under the name of Subject and also under "AMERICA IN DANGER", disclosed no record of a chattel mortgage. There was likewise no record of any mortgage on an automobile under either name.

b7c The records in the office of the Register of Deeds indicated that 2304 Fontenelle Boulevard, where the Subject, resides, is owned free and clear by [REDACTED] Portland, Oregon. An examination of the tax record indicated that taxes for the year 1940 had been paid by [REDACTED]

A further check on the personal property returns made by the Subject for previous years did not indicate any bank accounts, but showed that he was in arrears in the payment of his taxes and that a distress warrant would be issued shortly.

b7c The records of the Motor Vehicle Bureau did not disclose an automobile listed under Subject's name. A car was listed as being owned by [REDACTED] which car was a 1938 green Hudson Brougham bearing 1941 Nebraska License #1-21651.

67C

[REDACTED] stated that she was personally acquainted with the Subject. She advised the Subject that she was intending to change her bank as she was dissatisfied with her present bank, and asked him to refer her to what he considered a good bank. The Subject told her that he does not presently maintain a bank account and has not maintained one for some years, and could, therefore, give her no advice concerning this matter. She questioned him with regard to his source of income and he told her that his income was derived from subscriptions to his pamphlet and some donations made by various individuals. He stated that a man in the East was helping him occasionally and that he was expecting a special delivery letter containing a check from him. He later told [REDACTED] that this check was not received.

*James R. [unclear]  
100-1528*

67C

[REDACTED] American Legion Post #1, City Hall, stated he had no information concerning the source of Subject's income, nor did [REDACTED]

Inquiry was made at the Omaha National Bank, the First National Bank of Omaha, The United States National Bank of Omaha, The Douglas County Bank, and the North Side Bank, but no record of a bank account under Subject's name was found.

A thirty-day cover is being placed on mail addressed to 2304 Fontenelle Boulevard, Omaha, Nebraska.

UNDEVELOPED LEADS

LOS ANGELES OFFICE

AT LONG BEACH, CALIFORNIA

b7C Will interview [redacted] Long Beach, for further information concerning Subject's statement that "if it were necessary for armed forces to move into Washington, such action would be taken." This statement was made by the Subject at a meeting of the Ku Klux Klan on June 7, 1941, at the Barker Building, Omaha, Nebraska, at which [redacted] was present. Will question [redacted] about any other statements made by HUDSON advocating the overthrow of the United States Government by force and violence.

KANSAS CITY OFFICE

AT KANSAS CITY, MISSOURI

Will attempt to obtain the full contents of a speech made by HUDSON on August 20, 1937, at the American Christian Conference at Kansas City. This conference was reportedly sponsored by the Militant Christian Patriots under the leadership of Mrs. Leslie Fry who was alleged to be the author of the book entitled "Waters Flowing Eastward."

OMAHA OFFICE

AT OMAHA, NEBRASKA

Will inquire at the United States Post Office, 16th & Dodge Streets, to determine whether there was an application made by the Subject for a permit to mail the pamphlet "AMERICA IN DANGER". If so, will obtain any information of value contained in the application.

b7C Will interview [redacted] who is friendly with HUDSON and has agreed to give this office information concerning HUDSON'S activities. The interview should be confined to ascertaining the source of Subject's income and statements advocating the overthrow of the Government by force and violence.

b7C Will interview [redacted] who is a former associate of HUDSON, and attempt to obtain similar information.

Will, through real estate firms, ascertain who is handling the collection of rent at 2304 Fontenelle Boulevard, and find out the amount of rent HUDSON pays for these premises and whether this rent is paid by cash or by check. If it is paid by check, will obtain the name and address of the bank, and will obtain further information concerning HUDSON'S resources from the bank.

OMAHA OFFICE (CONTINUED)

AT OMAHA, NEBRASKA (CONTINUED)

Will interview appropriate officials of the Sheriff's Office, Douglas County Courthouse, concerning the distress warrant which will be issued shortly because of non-payment of back taxes by HUDSON, and obtain any information that office may have concerning HUDSON'S finances.

Will report the results of the mail cover on 2304 Fontenelle Boulevard, Omaha.

Will conduct any other investigation which is pertinent and material to this investigation.

Re: CHARLES B. HUDSON

b7c [redacted] of ONI called the writer and requested to know the present address and physical description of Charles B. Hudson.

Re: CHARLES B. HUDSON  
INTERNAL SECURITY - G

Dear Sir:-

In compliance with Bureau teletype of December 18, 1941 to all offices, the following information is set forth regarding an individual who it is believed should be considered for Custodial Detention if and when the Department decides such action is necessary.

CHARLES B. HUDSON, 2304 Fontenelle Blvd., Omaha, Nebraska, is a native-born citizen of the United States. He publishes a weekly bulletin entitled, "America in Danger" which is anti-semitic and professes to be anti-Communist. A close associate of Major General GEORGE VAN HORN MOSELY of Silver Shirt fame. He spoke at a meeting of the Ku Klux Klan June 7, 1940, on the Fourth Floor of the Barker Building, Omaha. He stated in substance that if it is necessary for armed forces to move into Washington, that action would be taken. He is a strong German sympathizer. He is a subscriber of the "Free Press", a pro-Fascist weekly published at Bend, Oregon, as of February 3, 1940.

For the identity of the sources furnishing the above information, reference is made to Omaha letter to the Bureau dated October 10, 1940.

May I say that your cooperation is indeed a source of encouragement in this critical period when we are striving with every effort to perform our duties and obligations under the National Defense Program.

With expressions of my highest esteem and best regards,

# AMERICA IN DANGER!

CHAS. B. HUDSON, Editor, Lecturer

2304 Fontenelle Blvd.

OMAHA, NEBRASKA, U.S.A.

Phone WA-0490

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 295.

"End the War quickly!"

Dec. 16, 1941.

**FOREWORD:** "Nothing said, or omitted herein, should be construed as giving aid or comfort to our external enemies. It is merely to illustrate the oft made point of the writer that our Country could do the world (and themselves) a real Christian service by adopting a genuine George Washington hog-tight and bull-high closed door policy; instead of spraying the international fires with combustibles from the hands of gowned firemen, as amply shown herein in the case of the long China-Japanese conflict and Europe."

Those words of Frank A. Parker (5653 Post Road, Riverdale On Hudson, NewYorkCity) could well head AID! each week. This high official in A.E.F. in France in WorldWarI issues highly illuminating analyses of intl.finance and foreign trade (send him 25¢ for samples). Among many points 12-10-41 he makes: "... (1) That thruout this 10 year period of war on China we have been Japan's principal supplier of war material and related supplies. (2) In payment for these things, we as a nation, got practically nothing of value to us or things which we were not actually preventing our own idle people from producing; and which material will now be used against us, while we are ourselves destitute. (3) Even up to the alleged gasoline shortage here this Summer, we were furnishing Japan as high as 10 ship loads of gasoline per day. Less than two weeks before the catastrophe to our Pacific defense, gasoline was being transhipped from American ships to Japanese tankers right in SanFrancisco harbor. (4) We even bought \$35 million of useless silver; and \$692 million of useless gold from Japan since 1937 and then deed this gold over to the private Federal Reserve Banks by the non-circulating gold certificate payable to bearer process of conveyance..."

**READERS - YOUR ATTENTION PLEASE:** Do you, or do you not consider that, with the increasing censorship, an educational bulletin service should prove more valuable than it has in the past? The more paid subscribers to AID!, the more gratis copies for Congressmen and other key people. Many of you have been getting AID! for a long time - without any expression from you one way or another. Your comments NOW will be appreciated. Quite a number of the faithful have already written hoping that AID! be continued. Those who are behind with their remittances can voice their "wishes" by sending money. Please let me hear from you one way or another. Make it a Christmas gift.

**Until supply exhausted:** \$5. yearly subscription to AID! brings free to you THE OCTOPUS - 256-p. book with 2,300 names in index - a WHO'S WHO responsible for the mess we are now in - 60¢ for 1; \$1 for 2; \$3 for 7 copies, remittance with order. Also for sale: EDUCATION FOR DESTRUCTION - \$1.50; THE DICTATE-APER - 25¢; PLANNED ECONOMY & Charts - \$1.

**CONGRESSIONAL RECORD NEWS:** 12-12-41 issue: "There are more than 22,000 registered Japanese in city of Lima, Peru. It is known to the committee (CBH- House of Reprs. Com. to Investigate Airplane Accidents and related problems) that in Colombia there is located a colony of 70 Japanese families on a 2,000-acre bean farm, and that a search of their premises by the Colombian officials recently disclosed that there are stored in farm bldgs. unbelievable supplies of pistols, rifles, hand grenades, and ammunition..."

**Aug.H. Andresen:** "... the defense authorities need raw materials to perfect our national defense and prosecute the war. I notice a drive is now being conducted to secure waste paper thruout the country. I suggest to those in charge of the drive and to the administration that they can secure an abundance of good paper, not waste paper, if they will stop the propaganda agencies here in Washington from sending out tens of thousands of tons of propaganda to the American people..."

12-11-41 issue: **Sen. Tobey:** "... I happen to be a Member of this body, and like the President of the USA I took an oath of office to preserve, protect, and defend the Constitution of the USA.. I refer to Mr. Francis Biddle, the present Atty. Genl. of the USA, who supports me in my contention. Mr. Biddle, speaking at the Ann. Bar Assn. convention the other day, made this statement, in which I concur: 'It is particularly important at this time, when we are on the very edge of war, that we encourage forums which develop

open and full discussion of the policies of govt.' He further said, and well said: 'Every govt can live only on criticism.' But there is a greater authority, in my judgement, no less a man than the greatest liberal of all times in the history of our Supreme Court, the late, beloved Oliver Wendell Holmes, of blessed memory, who, in an opinion in Frohwerk v. The United States (249 U.S.), said: 'We do not lose our right to condemn either measures or men because the country is at war.' ...

".. an article from the NewYork TIMES (12-11-41).. reads: '.. In his radio speech the President also said: "If you feel that our Govt is not disclosing enough of the truth, you have every right to say so." The writer (Arthur Krock) of this article feels that the Govt is not disclosing enough of the truth about the losses at Pearl Harbor and respectfully avails himself of the right conceded by the President, to say so...' ..."

Sen. Tobey also claimed he understood that the mechanical listening devices (which would have warned of approach of Jap planes) were not in working order.

It is relevant that after such protests in Congress and in certain influential press the Administration has disclosed more in detail just what did happen, and promises to investigate and punish, if any, responsible for the asleep at the switch status in the Far East that resulted in loss of almost 2,900 lives, many planes, gasoline, etc., supplies, not to mention damage to many ships, and actual sinking of 6, by the 12-8-41 Jap blitz.

As AID! B#294 urged: "... Now that we are at war, every American must help bring it to an end as soon as possible. Tell your Congressmen that the unbelievable sum they have appropriated the past 2 years - \$68,000,000,000 - must be turned into defense and production to end that war. That faults described herein be remedied as soon as possible, and warnings heeded. That all our supplies and energies be directed towards our defense - not to A.E.F.s to all parts of the world. Govt statistics prove our foreign trade a net loss, particularly in Far East, therefore our first job should be to rescue our nationals there, and give up possessions outside our hemisphere..."

12-10-41 issue: Repr. Hoffman: "Mr. Speaker, you will find on p.9812 of yesterday's RECORD that the gentleman from NewYork (Mr. Celler) (CH- Jew Congressman) among other things said: 'The AMERICA FIRST COMMITTEE isolationists should apologize to Pres. Roosevelt... Our belated preparation and mobilization for war was due in part to what some of the isolationists inside the House and outside the House have said and their influence on public opinion.' That statement is utterly without foundation... But, Mr. Speaker, I wish to call attention to an article published in Secy. Knox's own newspaper, the Chicago DAILY NEWS. The article, a dispatch from Chungking, dated Dec. 10, was written by a NEWS correspondent, Leland Stowe, who states...: 'It seems incomprehensible here how the Japs were able to bomb the Army's big airfields in Oahu, losing a few planes, and without large numbers of American fighters getting in the air promptly... This is especially true since United States representatives in Chungking were warned by Washington of the seriousness of the situation as early as last Friday when a code message stated that relations with the Japs might be ruptured over the week end. On Sunday evening, at least 1 hour before the Jap blitz on Hawaii, an official of the United States gunboat Tulita warned your correspondent: 'It is going to happen tonight.'... It appears that this correspondent in far off China has information being withheld at this time from the American people...."

"It is only a few weeks ago that the President made the statement that no man would be forced by the Govt to join a union in order to hold his job. It is only a few hours ago that the Mediation Board appointed by the President determined that men cannot work in the coal mines which supply the coal for the steel mills which make the steel from which we build ships until they have joined a union..."

In re AID! suggestions from time to time that Congress has had 19 deaths, many mysterious, this year (about 3 times the death rate in England in 1940, year of their worst blitzkreigs), Repr. Mills of La., a Southerner who voted opposite to the way the warmongering and for-price-control Jews voted on recent bills-vital-to-dictatorship, says on p.9878 of CONGR. RECORD: "... I was absent as a result of illness due to food poisoning."

12-10-41 issue: Repr. Bland: "Mr. Speaker, I ask unanimous consent to take from the Speaker's desk the bill (H.R. 5074) to provide additional safeguards to the radio communications service of ships of the United States in the interest of national defense, and

for other purposes, with Senate amendment thereto, and of our in the Senate amendment.. The House Bill defines a subversive individual as one who teaches, advocates, or believes in, the duty, necessity, or propriety of overthrowing the Govt of the United States, or is, or at any time has been, a member of the Communist Party, the German-American Bunds, the Young Communists League, or any organization which teaches, advocates, or believes in, the duty, necessity, or propriety of controlling, conducting, influencing, seizing, or overthrowing the Govt of the United States by force. The bill further provided the machinery by which such individuals might be eliminated immediately, with the right of appeal afterward, and also provided for general investigations as to the general situation in the marine radio service. The evidence that was brot before the committee, as well as the evidence generally, was that there were about 200 radio operators who were under very considerable suspicion. That list was supplied by the Navy....."

Repr. Thomas of N.J.: "... the Dies Com. held public hearings on this same question about 2 years ago... And recommended at that time that they be discharged... recommended to the Federal Communications Commission that they do something about it, and nothing was done about it..." (CBH - proof of Reds in NUDEAL protecting Reds in key positions).

Repr. Fish: "... I am not in favor of the other proposal that may come before the House reducing the age limit of draftees down to 18 years. England has been at war for 2 years and has included only men 19 years of age. Last week they reduced it to 18. With our enormous reservoir of men, it is not necessary - at least, at the present time - to reduce it under 21 years of age..."

12-10-41 issue: Repr. Patman: "Mr. Speaker, much is being said in the newspapers about the Dist. of Columbia tax authorities levying on the Federal Reserve Bank Bldg. here in Washington for taxes and ordering the bldg. sold soon to satisfy a tax debt incurred over a period of years. It is claimed by the Federal Reserve officials that it is exempt from taxes, the same as public bldgs. The Federal Reserve Banking System is privately owned. Not 1 of the stock is owned by the Govt or by the people; it is owned by private banking corporations. It is a corporation owned by corporations. Many people believe that the Federal Reserve Banking System is owned by the Govt because it is named Federal, but of course this is not true..."

"... the Govt is now paying between forty and fifty million dollars a year to the Federal Reserve Banking System as interest on these bonds. (CBH- see p.3, B/293 re \$2 billion in bonds bot by Fed. Res. with fictitious money). The expenses, dividends, and profits of the System are paid in that way. It would be just as reasonable for each dept of our Govt to be allowed to purchase enuf Govt bonds to pay their expenses the same way. It would be just as reasonable for the Govt to set aside enuf interest-bearing bonds to each Federal employee to pay the Federal employee interest sufficient to pay his salary as it is for the Federal Reserve Banking System to get their expenses paid in that way. Under our present system the Federal Reserve banks can purchase twenty-five or fifty billion, a hundred billion, or an unlimited amount of Govt bonds the same way they purchased and now hold the \$2,000,000,000...."

"It is now proposed that we permit the banks to buy U.S. Govt bonds, interest-bearing, in the same way that the Federal Reserve banking system is buying bonds, in order to provide the funds to finance the war. The stockholders of the entire private banking system in our country have only \$8,000,000,000 invested in banking institutions. On that capitalization they have already loaned the Govt \$20,000,000,000 by purchasing interest-bearing securities. In addition, the banks, upon the \$8,000,000,000 capitalization and investment, have made loans and investments amounting to \$34,496,000,000, not including the Govt. securities. They can now make loans aggregating \$28,000,000,000 on the \$8,000,000,000 capitalization, in addition to the present total loans and investments of \$54,496,000,000..."

"The present banking system, thru the use of the Govt's credit, as now proposed to finance the war, can issue more than \$240,000,000,000 in money, and every bit of it will be issued on the \$8,000,000,000 capitalization and the Govt's credit... Why should the people be forced to pay \$2 for every \$1 the Govt uses?... It is a simple question of the Govt using its own gold to save interest, or permitting the banks to use it free of charge, along with the Govt's credit free, and collect interest from the Govt. The Members of Congress will do the people a great disservice for the next 100 years unless this Government bond racket is stopped."

CONGR. RECORD 12-9-41 issue: Repr. Rich: "... We must men in all branches of Govt. that are competent, efficient and it is the duty of the President to clean house of the politician and the Communists and 'reds' who think of themselves and the overthrow of our Govt. We want 100-percent Americans at the helm of our Govt from now on if we would gain victory from our enemies..."

Repr. Smith of Va.: "... I have a letter from one of these unions dated as late as Dec. 3 which not only confirms that condition but concludes with this ominous threat, and do not forget that they are talking about your manufacturer of propellers, and you cannot have airplanes unless you have propellers. This letter says: 'Further, that if you try to install any CIO sheet-metal prefabricated parts, all of the AF of L crafts at present working at the propeller plant will walk off the job immediately.'

"The question I ask again is, what are we going to do about those conditions? You cannot fight a war without equipment, you cannot fight it without planes, and you cannot have planes without propellers; yet that condition exists at this moment, when enemy planes are attacking both the Atlantic and Pacific shores of this Nation, and we are unable to do anything about it...."

Repr. Johns: "... I was interested in what my good friend, the gentleman from Georgia (Mr. Pace), had to say with reference to the \$200,000,000 that has been appropriated for the dairy industry. You would not have had to do that if you had not lowered the tariff twice on cheese during the last 8 years. When we have a lower tariff, of course it affects the imports of this country. During the first 6 months of this year we imported over \$400,000,000 worth of competitive farm products from foreign countries and exported only about half that much.

"They say that trade treaties bring about good will. We have been furnishing scrap iron to Japan for the last 4 or 5 years establishing trade and good will, and of course it is coming back in good will now in the form of bombs and bullets to kill our people. I do not say that is going to happen in every instance, but that is the kind of good will you get when you have to buy it... I say very frankly that unless something is done for the small businessman in this country within the next 60 or 90 days, a large percentage of them are going out of business because they can get no materials to operate their plants, on account of priorities..."

JEWISH PRESS NEWS: "With the rise of the Soviet regime, Jews have been granted rights not accorded even in the most advanced countries. The State, which previously did not employ any Jews, now employs in white Russia 61% Jewish officials. A Jew is commander of the Ukrainian army; a Jew is president of the State Bank; Jews occupy almost all important ambassadorial positions; universities, professions, judiciary and administration now have a greater percentage than any other nationality. Anti-Semitism has been declared a State offense, and is punished as counter-revolution." - Rabbi Stephen S. Wise, leading spokesman in USA, in JEWISH OPINION, Dec. 1933.

JEWISH REVIEW 12-11-41: "Florida, thru the United Daughters of the Confederacy, will dedicate a monument here (Sarasota) on Jan. 22 to Judah P. Benjamin, holder of three Confederate cabinet offices who fled thru Florida after the fall of Richmond..."

"What's wrong in USA is illustrated when, altho we are now at war, the leading co-conspirator behind the attempt to destroy our Christian Constitutional Representative Republic, thru the Civil War, and responsible for assassination of Pres. Lincoln by another Jew, is now being made a hero! - see B#293).

"GEORGE WASHINGTON - ROBERT MORRIS - HAYM SALOMON MONUMENT WILL BE UNVEILED IN CHICAGO DEC. 15" is caption across top of front-page of same JEWISH REVIEW, long article hailing Haym as "co-financier of the American Revolution". Truth is he was but a broker for Rothschilds who furnished the Hessians that killed Americans under George Washington!

"PROMOTER OF 'CHRISTIAN REPUBLIC' WAS A VICIOUS ANTI-SEMITIC IN PETROGRAD" is caption of article smearing Methodist Rev. Geo. Albert Simons, who prayed at AMERICA FIRST meeting at Madison Square Garden, New York City, 10-30-41, for our "Christian Republic". JEWISH REVIEW froths over fact that Simons was pastor of Petrograd Methodist Church from 1907 to 1918, and testified before the Senate Judiciary Com. on 2-22-1919, that the Russian Revolution was a Yiddish Plot, that it would not have been a success had it not been for the support it got from certain elements in New York, and that of the 388 men on the Petrograd Soviet, only 16 were Russians, "the rest Jews - 265 were from the East Side of New York".

Significant that with one of the 3 leading Jewish world revolutionary conspirators, Litvinov here as ambassador from USSR, the JEWISH REVIEW does not deny Rev. Simons' facts!

BULLETIN NO. 296.

"End the War quickly!"

Dec. 22, 1941.

NOTICE: If any soldier receives AID! bulletin, I did not send it. If any subscriber joins Armed Forces, advise so I can remove such name from AID! mailing list.

MERRY CHRISTMAS! While little to be merry about, yet I am thankful that God gave His Son, the greatest gift to man. That that Son gave His life to free men, who believed on Him, from the Synagogue of Satan (Organized Jewry-Intl. Finance). That that Son promised to return and rule evil with a rod of iron. That that Son gave us THE LORD'S PRAYER as a constant reminder that His Kingdom is yet to come "on this Earth as it is in Heaven". That in the meantime we enjoy sustenance, are forgiven as we forgive others, implore Divine guidance and protection from the Synagogue of Satan, the ruler of this world, and close our petition with faith in that future Kingdom on Earth "For Thine is the Kingdom, the Power, and the Glory forever". That every indication, every step, proving the mad attempts of the Synagogue of Satan to complete its military-economic dictatorships with the hope of liquidating all opposition, hastens the moment of His return. That righteous government will replace racketeering in all its hideous phases, destroying part and keeping remainder under rigid control. Thus will be fulfilled the hope of the ages: "Glory to God in the highest, and on earth peace among men in whom He is well pleased".

My wife and I, at this Christmas time, share that hope with those faithful who make possible our little contribution toward enlightenment. Prayerfully we work to deserve your continued support. We thank you for the many kind words, the beautiful greeting cards, wishing cold type could glow with the warmth we feel towards co-workers in His Kingdom-to-come. May God indeed continue to bless you thru the dark days ahead.

B#295 asked many of you, from whom we have not heard one way or another, to express your attitude towards continuance of this work. Already, some of the faithful encourage with: "... Now that we are in the war, AID! is more important than ever. I'm enclosing a little firewood to keep it going. If you run short at any time, just send us an SOS ... It seems to me you are doing a splendid job in the right way. Just keep a sharp eye on Communism as we go along. That is the great danger we have to fear for the future - an asp that we are pressing to our bosom more and more - one whose poison is penetrating and devastating. So more power to you in 1942. God bless you and guide you and give you everything good this Christmas day and always..." (from head of a great Christian institution.)

"Success to AID! Your quotations from the CONGRESSIONAL RECORD are most valuable." (from former Pres. of a great University.) "May you ever be protected and guided by the One who will not fail us." (from valiant feminine crusader in far West.) "Please accept the small balance as a Christmas appreciation for your noble and heroic work. God Bless You." (from legal luminary in the East) "May you and your family have a blessed Christmas and be sustained in these dangerous and troubled times by the faith that is so strong within you -- the faith that made our COUNTRY great!" (that tribute humbles us for we know we are not worthy - akin to John the Baptist in the presence of the Christ, for the sender of that holds 3 national offices in patriotic organizations.)

"Thank you for your courageous stand all along, against our country becoming needlessly involved in war. Now we all want America to win, overwhelmingly. We trust God will make America so powerfully victorious that no one (inside nor outside) will ever again dare try to destroy our freedom. But there must still be a way to remove from positions of authority those individuals who have wilfully mis-led the American people, while pretending to serve them! Our loyalty to America and our form of gov't does not mean blind obedience to individuals in power who in their hearts have no real loyalty to our country. We must keep our ideal -- freedom from all dictators, from un-American

gov't, and from un-American elements. As most Americans, especially mothers, have not wanted war, a strong determination for an honorable peace and the removal from office of all dishonest and undependable individuals surely will surge over America with the momentum of an avalanche! May that day come now! Ousting those who have betrayed their trust is compatible, even now, and equally patriotic, with winning victory over outside enemies. The sudden shocking events, recently, look suspiciously much as tho some elements had feared being exposed and ousted before they could complete their nefarious plans to drag down America! Enlightened, sincere Americans understand your warnings. Keep up your courage!..." (from witness of intl.intrigues in capitals of Europe.)

".. I thought your last bulletin splendid - (as the others)... Our greatest danger continues to be within as you very well see..." (from world traveler, versed in 17 languages.)

"If I don't owe you any money, pretend that I do anyway. P.S. Keep it up!" (from Detroit student.) "We have been connected with the MOTHERS OF USA, but feel that we will dissolve, since the objects of our organization are no longer possible. I have received your bulletins from time to time, and always appreciated them, and used them to the best advantage I could. Naturally, we feel there is something we can still do, perhaps a study club or something. I am taking the liberty of writing you, because I thought perhaps you could help us by suggesting something that we could do..." (I feel that B#294 and AID! since have outlined what can and should be done.)

"AID! is one thing I read and am grateful for... We sent delegates to Washington, sent telegrams, letters in endless succession. That was another in the long line of defeats (repeal of Neutrality Bill), each of which only serves to bolster our determination to fight the good fight to a glorious finish. We shall win the last battle-- and that is the one that counts... Your comment on 'National Defense' is straight from the shoulder. It is used glibly, but few stop to think what we are to defend. Everything worth defending will be sacrificed in the defense... We are going on - we shall now work for a just peace..." (from another Mothers organization doing valiant work thruout USA.)

"..Let us remember how this war was started: many years of subtle work.. How easily it could have been avoided. Let us remember that instead of 'UNION NOW', there was a Revolution to free this country from England. Let us now look ahead and put forth effort to keep this gov't a republic." (from a mid-westerner.)

"The following has been overlooked during recent years even by Lindbergh. We still require our public officials to take an oath to defend the Constitution of the USA - not the administration, and pay them to provide constitutional govt. The first duty of loyal citizenship is to see that we get it - peaceably if possible, and, if not then, by force (BILL OF RIGHTS). You can change Presidents any time... The immediate aim of the G.A.R. was to shoot sufficient ambitious and factious men to make clear the meaning of our Constitution and then uphold its wise provisions and keep the Republic..." (from eastern authority on our Constitution.)

"Demand the President and Congress maintain our Constitution and Bill of Rights at all times or face impeachment. HABEAS CORPUS is: 'A writ to produce a prisoner at a stated time and place to determine the cause of his detention'. In Great Britain, Habeas Corpus is suspended, anyone may be arrested there at ANY time, without giving cause, and may be imprisoned indefinitely without trial..." (from Philadelphia, birthplace of our REPUBLIC - see p.4 herein re attempts to deny Americans their liberty.)

".. Communists are not fighting the Nazi system -- they consider it superior to our system. And in view of past reports of Russo-Japanese pact, it is logical to suppose that if we send a lot of supplies to Russian ports to be used against Japan, Stalin would have no scruples against making another pact with Japan to confiscate all and double-cross us again. Our national defense certainly should contain safeguards against such multiple double-crossing." (from Minnesota historian.)

".. I wish to call your attention to HEARINGS ON INTER-AMERICAN BANK, Executive K, May 5 and 6, 1941, before sub-committee of Committee on Foreign Relations of U.S. Senate ... At foot of p.1, and in 3rd par. of p.2, the President recommends charter be granted. Art.2, p.5, Art.B, last sentence, reads: "... foreign exchange and precious metals shall be so made available to the BANK on a basis,.. no less favorable than the most favored treatment extended under any circumstances by the High Contracting Party to any govt including its own..". P.7, Section 4, reads: "... The USA agrees not to repeal or amend

this charter except upon the request of the BANK pursuant to a four-fifths majority vote of the board of directors of the BANK... — a board of directors on which the USA will always be a minority. We are having laws passed in Washington on ONE vote. Study this. Write Congress; tell the people. It is serious. Already a third of the nation's wealth is obligated, due the international bankers and the ammunition makers; and Russia et al owe no interest; according to some in England, no principal. Time is short..." (from Wisconsin; and copy of said HEARINGS gratefully received from New York.)

"The declaration of war has made the other two steps of my national program for preservation of American democracy imperative, immediately. I am writing to you, Mr. Hudson, because of your interest in my first step - the elimination of \$2 billion in unnecessary non-defense expenditures. This part of the program has been successful in that appropriate legislation has been enacted which offers every promise of accomplishing the desired results. There has suddenly been opened to Harding College an amazing opportunity which includes the columns of some 5000 newspapers and recordings on hundreds of radio stations. It is the most effective plan imaginable for preserving American democracy... This war is our war, and we must concentrate upon winning it. But we don't want to lose democracy at home while fighting for it abroad. (CBH- underlined in original) Critical as our position is between the Axis' jaws, the greatest danger to American democracy is from within. If the trends of the past decade continue, our democracy may not long out-live this war...

"When the recent billions of war expenditures began to be allocated, it seemed clear to me then that if the American way was to be saved, and if the fate experienced by Russia, Germany, France, and Italy, following the other World War, was to be avoided, three ideas had to be sold to Congress and to the American people.

"1. The strictest economy in non-essential, non-defense expenditures, including immediate elimination of at least \$2 billion. This, I thought, could be accomplished by direct appeal to Congress. It was done that way. 2. Complete price control, including wages. Already price rises have increased defense purchases by \$3 billion - which is felt when added to the tax bill. If prices are not controlled, we will be spending \$150 billion per year for \$75 billions of material. This step will require appeals to Congress, backed by factual information in the 5000 newspapers and recordings on the 400 radio stations. (To succeed, this program must be broader than No.1, above.) 3. Work now to prevent a dictatorial form of government after the war. It is always good strategy to prepare for war in time of peace, and to prepare for peace in time of war. The well known subversive elements in our nation, as happened in other nations, will certainly take advantage of the war period and do their best to end American democracy when the war ends. If no opposition is offered, they will succeed..." (from George S. Benson, Pres. of Harding College, Searcy, Ark. - needs \$50,000 to put over program - write him.)

Frank A. Parker, 5653 Post Road, Riverdale On Hudson, N.Y. City, 12-17-41 writes Repr. Wm. F. Lambertson and Senators Taft and Tolby: (re FDR's Message to Congress 12-15-41), asking: By what right did our President: ignore our Embargo Act of 1937 commanding him to embargo war material which both Japan and China had been, were, and continued to be, dependent on from the USA; - demand that Japan evacuate China or contiguous parts of Asia; - demand that Japan recognize the Communistic govt in China temporarily at Chungking; or any other govt in China; - demand even by implication that Japan abrogate its treaties with any other country with whom (and even ourselves) were at peace; - demand that Japan amend its import duties to world free trade; and how would that benefit us in any way; - demand that Japan adopt our monetary system? (I hope at least 1 of said 3 Congressmen will enter Parker's complete letter into CONGR. RECORD and investigate.)

FEEDSTUFFS, 12-13-41, weekly, Minneapolis, with branch offices in New York, Chicago, Kansas City, Toronto, and London, quotes HOARD'S DAIRYMAN that a Wisconsin co-op had boxes of evaporated milk marked "Not for Sale". That this canned milk was for country schools. That they also receive from Federal Govt, butter, prunes, beans, grapefruit, and peanut butter. That some farmers embarrassed that their country schools on relief, getting canned milk and butter, when same communities sell out of Wisconsin 95% of the milk produced. That they question the big campaign on now for increased production, with schools getting milk products considered "surplus", when "it is well known that the foreign demand for 15,000,000 cases of evaporated milk has not been filled." All this indicates that those in charge do not have an efficient method for surplus relief products.

CONGRESSIONAL RECORD NEWS: 12-18-41 issue: Sen. I. W. Foster: (Sen. Downey had just stated that first night of "Black-out" in Los Angeles Co. had 5 times as many auto accidents as on an avg. night) "... I wonder whether he has information such as that - apparently authentic - which I received last night, that in England the number of persons killed during black-outs and as a result of the activities of the Home Guards (CBH- such as European revolutionary Jewish La Guardia and Mrs. Roosevelt are organizing in USA) has been greater than the number killed by all the bombings of England.".....

Sen. Downey: "But I may state to the Senator that every year in the USA far more people are killed by auto accidents than have been killed by bombing in England in all the time since the war began. So the statement made to the Senator may well be true."

(CBH- previous AID's have quoted official British Govt casualty figures proving that the Synagogue of Satan - control behind all dictators - is not punishing Britain very hard by bombings while Organized Jewry-Intl. Finance enriches itself and extends the size and operations of the Empire. I have heard that "black-outs" cover embarkment of troops, tanks, etc.)

Sen. LaFollette: (debates on lowering draft age below 21 - FDR signed bill 12-22-41 registering from 18 to 64, drafting men 20 to 44) "... I repeat that in the months which lie ahead the fabric of the economic and social life of the USA is going to be ripped and torn beyond the imagination of anyone within the sound of my voice by the impact, as I have said, of priorities, unemployment, by the impact of the scarcity of farm labor, by the impact of the various war efforts. Why contribute further to that condition?... This group is probably at its most formative period. It is just coming out of the adolescent period... They are, for the most part, to some extent under parental or educational guidance and supervision... they should not be drawn into the situation that now surrounds too many of our Army camps..."

"I wish to quote briefly from the book, PLAIN WORDS ABOUT VENEREAL DISEASE, by Dr. Thos. Parran, Surgeon Genl. of the Public Health Service, and Dr. R. A. Vonderlehr, the Asst. Surgeon Genl....'.. From the first 1,000,000 examined up to April 15, 1941, almost 60,000 men were rejected because of venereal disease... Either the devices for detecting gonorrhea in selectees were not effective or new infections occur swiftly and in large numbers immediately after inclusion of the volunteers and selectees... The trend has been steadily higher thru 1940 and to the end of June 1941, when 40.3 gonorrhea infections per thousand mean strength were admitted to medical treatment..."

"The traffic in vice is vicious in many of the Central States, especially thru the highly industrialized areas... Like the modern army, however, the prostitute army has taken to wheels - mechanized, organized, and mobilized by professionals - following the man and the money wherever they go.... Near Ft. Knox, for example, trailer camps are populated with elderly 'parents', each with a surprisingly large family of 'daughters'... Our present methods of dealing with it seem about as bad as can be imagined. The whole prostitution racket has become so vast, so complex, so richly lucrative, so weighted with local influence, sprawling across the lines of city, county, and State govts, that only united action will abate it - just as it was proved that only united national action could abate the venereal diseases.'..." (CBH - MOTHERS' groups- go after Congress!)

Since THE JEWISH REVIEW of New York City has been conducting a campaign, securing petitions and otherwise bringing pressure upon Congress to pass S.817, which is claimed will "outlaw subversive elements" (defined as "anti-Semites", such as Col. Lindbergh, Revs. Winrod and Coughlin, myself, et al), and since Jewish Congressmen Celler (who severely criticized Repr. Hoffman 12-16-41 for maintaining that Roosevelt should see to it that all - labor and industry, and other elements, as well as Army and Navy, should function harmoniously for our defense), Dickstein and Sabath are now behind H.R. 6250, designed also to take care of "subversive elements", how significant is this other fact.

I.e., THE JEWISH PRESS 12-12-41 editorial "DEMOCRACY WILL LIVE", saying: "We are at war to defend our democratic way of life", while it calls upon Jewish youth to cut down on parties and dances in favor of forums, discussions and panels on the Bill of Rights, etc., yet nowhere does that editorial call upon Jewish youth to enlist in any of USA armed forces! Since any tyro knows who is behind prostitution, liquor, vice, dope, and scrap metal businesses (Repr. Johnson of Okla. 12-15-41 claimed much of bombs, bullets, shot, shells, ships, planes, gasoline, etc. Japan uses to wage war on USA came from USA) it is time Christian Americans make their voices heard in Congress before it is too late. That is the best way you can celebrate Christ's Birth. Remember who crucified Him!

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 291 & B#58 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Nov. 18, 1941.

AID FOR AID! Appeal in AID! B#289 resulted in number of faithful sending in their remittances - for which I am most thankful. However, there are many who have been getting this bulletin service for some time who have not responded. Some promised to remit - but have not done so. To them I appeal again for their help.

Until supply exhausted: \$3. remittance entitles you to free copy of 50¢ book, TNT; \$5. for year's subscription entitles you to free copy of 60¢ book, THE OCTOPUS (2 for \$1; 7 for \$3), the 256-p. book with 2,300 names in index, which put so much fear into NUDEAL and its "control" (Organized Jewry-Intl. Finance), that the P.O. Dept. denied it the book post rate of 1¢ per lb., forcing me to pay 7¢ to 14¢ parcelpost zone rates, all designed to hinder wide distribution of THE OCTOPUS. (I also sell: EDUCATION FOR DESTRUCTION - \$1.50; THE DICTATE-APER - 25¢; and PLANNED ECONOMY with its 3 famous Charts - \$1).

THE INDIVIDUALIST (P.O. Box 373, Lincoln, Nebr. - 10 issues \$1), No. 146, develops generally unconsidered angles on FDR's gift of one billion dollars for Communism (with no repayment until after this war, if ever, and with no interest, whereas Americans not only must pay interest but undoubtedly will be holding the sack for the billion). This bulletin, worth sending your dime for, climaxes with: "A Pacific War In The Making - The combination which includes the repeal of the Neutrality Act, arming our merchant marine, delivering supplies to Russia thru the Japanese zone and deliberately fomenting ill-will between Japan and ourselves, will insure the International New Dealers of the perpetuation of the wartime emergency even tho England and Germany sign an armistice this coming year. It will also please Stalin if we help him to defeat his enemies in Asia; it will please the reds who are looking after his interests in the USA; it will please Churchill if we have to get busy in the Far East leaving more of our trade to English manufacturers and the English merchant marine; it will please Hitler if Russia is forced to open up on another front. In fact, it will please everyone except the overwhelming majority of Americans who have been trying to preserve their country, avoid dictatorship and keep out of war."

HISTORY. In debates re repealing Neutrality Act, Repr. Landis (CONGR. RECORD 11-12-41), relying on figures obtained from embassies, War Dept. and Library of Congress, said: "... Before we condemn our own boys to agony and death, let us examine the record of the killed, wounded, and captured: Britain (2 yrs.) - 134,000; Poland - 1,675,000; France - 2,365,000; Russia (3 mos.) - 2,585,000; Belgium - 230,000; Yugoslavia - 225,000; Holland - 160,000; Greece - 95,000; Norway - 5,000..." B#290 gives British field forces deaths the past 2 years at less than 20,000. Consider, too, that the Institute of London Underwriters 11-11-41 announced a 25% reduction in the war-risk marine insurance rate between British ports east of Southampton and the Americas.

From such official figures it is plain that this "fake" war is not punishing Britain the instigator (and financier, along with USA, of Hitler's war machine from its start). For being Organized Jewry-Intl. Finance's chief tool for imposing military-economic dictatorships upon the world (thru war scares and "defense programs"), Britain is being rewarded, not only with such slight death losses, but with increases to its Empire, to its shipping, and its foreign trade. Also, on the Continent, where an awakening to the "control's" plan and purposes was taking place, death and destruction of property on a hellish scale materializes largely outside of Germany, exactly as in World War I. I.e., Germany is being saved, as England, from wholesale death and destruction (for property largely in hands of Organized Jewry-Intl. Finance), for doing its part in consolidating the Continent under a single dictatorship.

Slaughter now in White Russia conveniently destroys millions of essentially white Christians - those of central and eastern Europe. Thus when the armistice comes, those who might have offered resistance to the imposing of the final phases of slavery-dictatorship by Organized Jewry-Intl. Finance, will have been conveniently liquidated. The same

net result of the over 40,000,000 liquidation by torture, starvation and murder the past 24 years in Russia (in order to consolidate Organized Jewry-Intl.Finance's dictatorship in Russia), is being achieved thru the present war (continuation of WorldWarI), in Europe proper. Thus is the Satanic Plot being achieved as envisioned by Rabbi David Cohen of Temple Beth Abraham in the rabbinical magazine ELANU-EL & THE JEWISH JOURNAL of San Francisco, NewYear's issue 9-8-1939: "... A war in Europe will be of some good if the reactionary elements (Christians) in all countries kill each other off or wear each other out. This is a gruesome hope. But what other alternative is there?..."

I.e., only hope Organized Jewry-Intl.Finance has of completing its Satanic world-wide dictatorship, is to see to it that Christians "in all countries kill each other off or wear each other out". That's why Jewish FDR is illegally sending American boys to their deaths, at same time wearing us out with one emergency after another - 44 emergencies in last 9 years according to 11-12-41 CONGR.RECORD - with resulting debts, taxes, and chaos to come, all serving to clamp said military-economic dictatorship onto USA.

Following item purporting to be UP dispatch 10-3-1938 throws light on Jewishness of the Roosevelts: "The Gerhard Von Koschimbahr family, refugees from Germany, planned today to leave for Hyde Park to visit a relative - Mrs.Roosevelt, mother of the Pres... Von Koschimbahr's father was a Jew. Mrs. Von Koschimbahr resembles the Roosevelts. She said her mother was Cornelia Kernochan Roosevelt, daughter of Charles Yates Roosevelt."

Col.McShane's 5-p. bulletin sums up the above technique and suggests what the near future holds in store for those of us who so far have not been liquidated or intimidated:

".. In many well informed quarters we hear the underlying objective is to 'spend' vast sums of our money and to exhaust American resources, to regiment the people and all their activities to the end - complete Socialization, followed by international dictatorship by International Financiers. With Americans broke and bankrupt, the people and their enterprises destroyed or regimented, what could stop this international gang from foreclosing their mortgage and dispossessing the occupants?

"Defense of America - by 'lend-leasing' and giving to Britain, Russia and China (all in the Red Circle) 85% of our defense materials, billions of our money and more in resources; depleting even our own meager defensive weapons, while COURTING a war in the Far East and in the Atlantic and in Europe and in Africa?

"Defend America by calling great nations and their leaders vile names, accusing them of unprovable offenses against humanity; when these nations are at war to accuse them of 'piracy', of unspeakable crimes when, in self-defense they sink merchant and war ships actually attacking theirs? Such is an unknown 'defense' by Americans, until the reign of Emperor Franklin the First. At the same time building vast 'concentration camps' reportedly for 'aliens'? One just completed at Yaphank, L.I. At the same time erecting great hospital facilities in far away locations - reportedly for 'psychotherapy' sanitoriums?

"Anyone, any group, daring to oppose Emperor Franklin's personal policies, or edicts, is called 'unpatriotic', 'unAmerican', 'pro-Hitler', a 'Nazi', 'rattlesnake', 'copperhead', 'obstructionist', etc. Are these 'camps' and 'sanitoriums' for them? History records this procedure, all of it, as main items of Communist-Jew-Socialist 'legal' liquidations of enemy 'aliens'.

"Any of you with eyes to see with and a brain that is functioning can see all of these things around you. (CEH- the Colonel had used about 4 pages to itemize NUDEAL moves uptodate). And many more. How long will you just walk by and not do anything about them? Prompt impeachment of the whole mess is our surest DEFENSE, if it is not the only DEFENSE left for Americans."

Erratum. P.1 of B#290 had typographical error: the Intl.Labor Organization conference of 33 nations at the WhiteHouse, with FDR as speaker, was on 11-6-41, not 7-6-41. Incidentally, the official Communist DAILY WORKER played up that League of Nations ILO conference in big style, and praised FDR's speech, giving it 11-7-41 caption 4-columns-wide on front page: "BOOST PRODUCTION TO CRUSH HITLER, FDR URGES IN ADDRESS TO NATION".

Illustrating further that the NUDEAL program, with FDR as der Fuhrer, is identical with that of Judeo-Communism, a dodger advertising the 24th Anniversary (for which FDR gave \$1,000,000,000, and sent cabled felicitations to Moscow) Celebration of the Soviet Union on Sunday (what sacrilege - desecrating Christ's Day!), 11-9-41, at Los Angeles,

(Communist dodger) says in part: "... Without the uninterrupted production of war materials to aid the Soviet Union and Britain, Hitler cannot be defeated. That is why Pres. Roosevelt in his message to Labor declared: 'Every aspect of our national defense hinges on greater industrial production' and 'workers in bondage thruout the world look to you as producers of the weapons of freedom to release them from slavery.' Both the AFofL and the CIO wholeheartedly endorsed such a stand. Hitlerism can be entembed on the eastern front, if you and your fellow workers, together with your neighbors exert every ounce of effort now to SUPPORT THE POLICIES OF PRESIDENT ROOSEVELT FOR FULL CO-OPERATION WITH GREAT BRITAIN AND THE SOVIET UNION. DEFEAT THE AGENTS OF HITLER HERE! - THE LINDBERGHs, WHEELERS, NYEs, AND THE AMERICA FIRST QUISLINGS..."

How sincere the protestations of AFofL and CIO, when not only defense but industry generally being frustrated by millions of lost man-hours, not to mention murders, injuries, sabotage, property damage, etc.? As to sincerity of Sen. Wheeler's opposition to NUDEAL's "foreign policy", AID! some time back held that Wheeler is just another Willkie. Since "domestic" and "foreign" policies of NUDEAL are inseparable, the continued failure of Wheeler to do something with his opportunities and about material placed in his care confirms my stand. E.g., the "open letter" that ex-spy in Communist Party, Edwin P. Banta sent to Central Com. of said GP on 11-5-41 (see B#290), was also sent to Wheeler, and on 11-13-41 he acknowledged thusly: "... I have your letter of November 5th together with its enclosures. I do not believe I can use this material and am therefore returning it to you..."

Note that this alleged compatriot of Col. Chas. Lindbergh, passes up opportunity after opportunity that would put the NUDEAL on the defensive, verifying the Colonel's claims, at same time creating the offset to the terrific "smear" that is rolling against Lindy from coast to coast. As yet, Sen. Wheeler has not announced the firing of the two male and one female Jewish secretaries (spies) on his staff. Also understand that his son, John Wheeler, is sabotaging the AMERICA FIRST groups around Los Angeles.

The "smear" campaign against Lindbergh (designed to destroy AMERICA FIRST also), as it simultaneously emanates from press, radio, rostrum, etc., proves the very "control" that Lindbergh claims exists. Westbrook Pegler, "FAIR ENOUGH" columnist, who recently built a reputation for fearlessly exposing some labor rackets and racketeers, now prostitutes his "FAIR ENOUGH" 11-15-41 to an unfair attack on Lindbergh. He, who heretofore had been attacking Reds, now gloats about Judeo-Red Russia's successes, and ridicules Lindbergh as having earned "the title of the wrongest man of our time". History will prove Pegler as the "wrongest".

Even the American Flag that Lindbergh had carried on his famous flight to Paris in 1927, which had been the proud possession of New York City Hotel Lafayette owner, the late Raymond Orteig, has been removed by Orteig's son, from the hotel restaurant lobby. He is quoted: NY WORLD-TELEGRAM 11-15-41, as having had to remove that Flag "to keep peace among his customers after Lindbergh started making political speeches". Note that clever tactic - that Lindbergh's "truth-telling" is merely "political speeches", which reference, significantly, occupies a low estate ever since FDR has proven the Talmudic injunction of telling lies to Gentiles (they're so dumb they won't know lies from truth), and since Willkie testified before Congress that his promises to keep American boys from foreign wars were mere "campaign oratory".

The Judeo-Red New York Daily PM 9-22-41, under caption "RUSSIANS TAKE 32 VILLAGES", devotes almost all of front page to a cartoon depicting Uncle Sam as a revolting buzzard in stocks, with a card hanging from his beak "I AM PART JEWISH", and with a placard in front of the stocks reading: "PUBLIC NOTICE: THIS BIRD IS POSSESSED OF AN EVIL DEMON! SHERIFFS: C.A. Lindbergh, Gerald P. Nye". I.e., Lindbergh and Nye are portrayed as bigotted witch-hunters of the early Colonial days, when victims were punished by being clamped in stocks on the Public Square, subject to jibes of passerbys.

Today, it is Lindbergh who is pilloried in the stocks - that cartoonist's Judeo-Red conception twists the facts. Observe that the Judeo-Red THE PROTESTANT DIGEST, magazine which even Jew columnist Geo. E. Sokolsky 11-13-41 bemoans is being promoted by former staff members of leading Jewish weekly in USA, THE AMERICAN HEBREW, and is full of "pro-Jewish-anti-Catholic" propaganda, secured and published the names of 700 Protestant churchmen from all parts of the USA, who "smeared" Lindbergh, accusing him of being an "anti-Semite", "following identically the Hitler technique", and an "anti-Christian".

BULLETIN NO. 292 & B#59 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt". Nov. 26, 1941.

THANKSGIVING. I am thankful that God sent Christ, His Son, to show us His Way of Life, with the promise that when the world rejected it and embraced the Synagogue of Satan, with resulting gangsterism and chaos, for the elects' sake He would return and rule evil with a rod of iron. I am thankful that our Founding Fathers proved the efficacy of His Way, when they risked their lives and property to break away from the Synagogue of Satan that had all Europe then in its clutches, and founded a Christian Constitutional Representative REPUBLIC. I am thankful that there is today a minority, as there was then, electing to follow in the path of our Founding Fathers, and willingly accepting the risks to their lives and property. Men not deterred by "smear campaigns", intimidation, boycott, and machinations of the all-powerful Synagogue of Satan, thus earning Christ's promise of Divine intervention, and a shortening of the time and intensity of the punishment being meted out by Satanic forces. While my soul sickens thinking of the over 60,000,000 lives in Europe-Asia, mostly Christians, who have been sacrificed the past 27 years to the God of War to serve the interests of that Synagogue of Satan, I am thankful that, altho its intentions are to drag the Americas into another holocaust, in order to destroy our essentially Christian manhood and thus eliminate opposition to its Satanic-Slavery-System, it is still possible here to thwart that conspiracy. I pray that Christian Americans will become aroused in time!

Totally unexpected help came as result of appeals in recent bulletins, thus enabling AID! to continue doing its bit towards informing and warning about that conspiracy. However, there are still too many getting this bulletin service for some time who have not responded. If you do not appreciate AID!'s efforts for Christ and Country, please say so. Thus the limited number of AID! going out gratis can be diverted to those who will.

Until supply exhausted: \$3. remittance entitles you to free copy of 50¢ book, TNT; \$5. for year's subscription entitles you to free copy of 60¢ book, THE OCTOPUS (2 for \$1; 7 for \$3), the 256-p. book with 2,300 names in index, which put so much fear into NUDEAL and its "control" (Synagogue of Satan, i.e., Organized Jewry-Intl. Finance), that the P.O. Dept. denies it the book post rate of 1¢, forcing me to pay 7¢ to 14¢ parcelpost zone rates. Still available: EDUCATION FOR DESTRUCTION - \$1.50; THE DICTATE-APER - 25¢; and PLANNED ECONOMY with its 3 famous Charts of the Synagogue of Satan - \$1. Thanks!

I am grateful for the many manuscripts, articles, leaflets, pamphlets, clippings and letters that faithful supporters of the Cause continue to send in, and only wish it were possible to use all the documentation so kindly made available. If you don't always receive an acknowledgment please understand that there is a limit to what the good wife and I can do, but every bit of such help is deeply appreciated. Let AID! serve to answer.

E.g., I am indebted to Lewis O. Anderson, R3, Osakis, Minn., for his excellent "BLUE-PRINT FOR DISUNITY" - 3 pp., all deserving reproduction - and what a shame neither he nor I can afford even to mimeograph it for distribution. Its clarity of thought illustrated in these excerpts: "United national defense is impossible with these two basic errors: first, the attempt is to unite around a man instead of around principles; second, the man is not in a position to talk unity, anyway, as he appears committed to two lines of action which are contradictory to national defense as well as contradictory to each other.

"National defense is just a catch-word unless people are united on what principles they are to defend. A list of 'four freedoms' do not constitute a set of principles... The fake issue of war versus peace kept people divided and too confused to figure out what the war is about and what is to be defended. To war or not to war was not the question. Yet some argued as if the mere decision to go to war were the basis of unity. That would be shot-gun conformity, as in the case of the totalitarian pawns who do not know

from one day till next on which side they will have to fight.

"Of untold injury has been the false issue of foreign policy versus domestic policy, the war camp emphasizing foreign while scattered voices in the 'peace' camp emphasized domestic policy. The former argued that we should postpone consideration of domestic problems because of the foreign war emergency. This is a false issue because, in the American Communist strategy, foreign and domestic policies are inseparable:

"It is our job to make the struggle for a correct foreign policy inseparable from the struggle for a democratic and progressive domestic policy' -- THE COMMUNIST, Aug. '41, p.709. Likewise, in his Jan. Messages to Congress, 1939 and 1940, Roosevelt clearly indicated his foreign and domestic policies to be inseparable: 'Our nation's program of social and economic reform is... part of defense as basic as armaments themselves' -- Jan.4,1939.

"It was, therefore, a deplorable surrender on the part of Republican groups and other groups in the presidential campaign to endorse Roosevelt's foreign policy. It made their opposition to Roosevelt's domestic policy a meaningless gesture. Such a boost was given to the warmongers that public attention was turned away from the domestic field, while the Communists boasted of being the only national party putting emphasis on domestic issues in the 1941 local elections. So - in the name of unity the domestic field was left practically without opposition to the sowers of disunity....

"Sowers of disunity misrepresent the utterances of true patriots. Lindbergh has been flagrantly misrepresented. His plea for new 'leadership' was misrepresented even by Willkie to imply election of a new officer in an off election year. This confusion of the meaning of 'leadership' is typical. It is one of the serious defects of our national morale. A public officer, in the system of govt we talk about defending, is a servant, not a 'master'. A change of leadership, therefore, does not necessarily mean a new officer; it means a changed attitude toward the people's voice, -- as opposed to the alien advisors whispering into his ear, -- it means that we the people must know what we are talking about to our public servants. Since we cannot all do the talking, it means restoration of the principle of checks and balances in our govt so that the people's representatives, in the branches of govt and in the political parties, shall really represent the people and not be yes-men for an alien-minded autocrat."

Two contacts, best unnamed on account of nature of information divulged, inform: "... believes that he has discovered the hdqtrs. of what seems to be Grand Orient Masonry (CBH- claimed that FDR and 2 sons in such clandestine lodges, the kind driven underground in Europe because of being the revolutionary media thru which the Synagogue of Satan operates) uptown in NewYorkCity. A building in the middle of a large block, surrounded by apartment houses; in a sort of courtyard, with a high barbed wire fence around it. No one is ever seen to enter this place, altho access could be had underground from one or more of the surrounding houses. A large telephone cable, sufficient for over 100 lines, goes to the place which is guarded night and day by armed guards..."

"A rare book, 'Paper Against Gold, or, The History and Mystery of the Bank of England,' by Wm.Cobbett, has been loaned me. Published by John Doyle, 12 Liberty St., New York, 1834, it is a reprint of a series of articles originally appearing in 1812, in his 'Register', and was written while he was in Newgate State Prison, having been convicted on a charge of sedition. This is the same man who, as Peter Porcupine, raised ructions here, anent the banking swindlers of our Revolution and thereafter..." (see P.2 B#289).

"The Original Mr.Jacobs,' published by the Minerva Press, 1880, quotes Baron Hirsch 'That he does not see how the Gentiles are going to pay the interest on the national debt in the next ten years.' Jacob Henry Schiff, senior partner of Kuhh, Loeb & Co., shortly before his death, smugly remarked to an antique dealer, an Armenian whom he took to be a Jew, 'Within the next fifty years we Jews will own the whole of New York.' Ezra Pound, over the Rome short-wave radio, recently predicted that before 1947, the Jews in America would be on the run. Undoubtedly, they are jittery right now...."

For understanding of Russian duplicity, and the English rulers grasping Communism to save themselves, read "Aid to Stalin? Incredible!", by Boris Brasol, in the Nov. SCRIBNER'S COMMENTATOR (25¢, \$3. per yr., Geneva, Wis. - restricted to subscription circulation because of largely Jewish sabotage by newsdealers). Incidentally, the officers of this monthly magazine were recently subjected to Federal intimidation. (see B#289).

FLASHES FROM 'NEWS & VIEWS' Bulletin No.111, 11-21-41, 53 W. Jackson Blvd., Chicago, 5 pp. of important and significant news, divulges much - this an excerpt: "... Congressman Dies Has shown that our present price dictator, Leon Henderson, held membership in some of these Communist dominated 'Spanish Democracy' groups. In Chicago, these various 'Spanish Democracy' groups were located in the old Masonic Temple and were presided over by a Mary Gordon. This lady later managed the Communist Book Store on north Wells St. She is now at head of American People's Mobilization (another Communistic front) at 203 No. Wabash Ave., Chicago. The point in mentioning all this at this time is that in a recent issue of the DAILY WORKER Eliz. Gurley Flynn (ardent Communist activist and writer) has a set of questions and answers in which she attempts to make it appear that Earl Browder is innocent of wrong-doing on the false passport charge. She makes certain interesting disclosures. QUESTION No.8 asks: 'Where did he (Earl Browder) go on this passport?' ANS: 'In 1937 he went to the Soviet Union, to a conference of the Communist Parties of the world, to aid Loyalist Spain. He went to Spain in 1938 to encourage the American boys fighting there in the Abraham Lincoln Brigade against Hitler, Mussolini and Franco.' Madam Flynn's activities at present are coordinated with a general drive that is now on to get Pres. Roosevelt to pardon Earl Browder..." (CHH- according to oldest leading weekly, THE AMERICAN HEBREW, 35,000 of the 110,000 international braggadists in Loyalist Spain in 1936-39, "were Jews from all over the world").

SOCIAL JUSTICE, Royal Oak, Mich. 10¢ weekly, starting with 11-17-41 issue, presents the chronology of the Jews taken from the JEWISH ENCYCLOPEDIA (Vol. IV, p.71), which dated history of the Jews is so informative that every student of the Synagogue of Satan should possess those issues of SOCIAL JUSTICE. Excerpts from 11-24-41 issue: "... C.E. 1365 Jews expelled by Louis the Great from Hungary (typical of many instances where Jews were expelled from practically all European countries down thru the ages).. 1415 (May 11) Bull of Benedict XIII against the TALMUD and any Jewish book attacking Christianity. 1420 Charges of host-desecration lead to the putting to death of a number of Jews and to the expulsion of the remainder from Lower and Upper Austria... 1468 Jews expelled from Neisse by the guilds. Blood accusation brought against Jews of Sepulveda... 1475 Bernardinus of Feltre preaches against the Jews in Italy. The Jews charged with the murder of Simon of Trent for ritual purposes. Riots in Padua and elsewhere in Italy and Sicily. 1476 Blood accusation in Regensburg thru the convert Wolfram... 1510 Burning of Jewish books at Frankfort. 38 Jews burned in Berlin for host-desecration and child-murder (Gratz, ix, 94) ... 1543 Luther publishes his attack on the Jews (CHH- Martin Luther)..."

The Knights of the KuKlux Klan, P.O. Box 1204, Atlanta, Ga., have just issued a 10¢ pamphlet entitled: "THE INTERNATIONAL JEW The Jew in Character and Business Being the first reprint of a series of 96 articles originally appearing in the DEARBORN INDEPENDENT, publication of Mr. Henry Ford, issue of May 22, 1920." It will be interesting to see if the KKK will be permitted to reprint all 96 of those articles.

THE COMMONWEALTH, published by Waters F. Burrows, M.D., Bradenton, Fla., 50¢ annually, Nov. '41 issue announces this 7-year-old advocate of tax reform now becomes a quarterly with Jan. '42 issue. Its editor received same letter from Dept. of Justice that I did (see B#289). Apparently that Oct. 6 Dept. of Justice letter went to a number of independent publishers. Editor de Aryan of THE BROOM, 5¢ weekly newspaper, San Diego, Calif., got it, and apparently so did Garner of PUBLICTY, 5¢ weekly newspaper, Wichita, Kansas. For a copy of that "form letter", and the section of the Voorhis Act to which it refers, for compliance by foreign agents, get the Dec. '41 issue of THE BEACON LIGHT (25¢), Atascadero, Calif., in which editor Kullgren also publishes his reply which is a masterpiece.

THE BEACON LIGHT also reproduces "smears" from several Jewish publications, in full, and in his comments Kullgren says: "Incidentally, the key note of the Jewish press is that they must put the capstone of control and regimentation on the American public, and that soon, or all is lost. That will give you an idea of how close we are to the final act. There is a similar blast in the JEWISH VOICE of Oct. 3rd, directed chiefly at Congressman Stephen Day, author of WE MUST SAVE THE REPUBLIC...."

In that blast your editor is mentioned 3 times - once: "... Stephen A. Day permitted Charles B. Hudson, subversionist de-luxe of Omaha, to send out reprints of his (Day's) speeches under Congressional mailing franchises..." Incidentally, Christian astrologer-editor-publisher Kullgren predicted the two deaths in the Roosevelt family this year!

THE PATRIOT (London), 10-23-41, feature editorial by Mr Ernest Benn, proves the parallel "take-over" of Britain and USA by Organized Jewry-Intl. Finance, if you will but recall what is simultaneously happening in USA: "When the war against Nazi aggression began the people of Britain consecrated their lives, their liberties and their resources to the task of defeating the enemy. To achieve that purpose Parliament, at a single sitting, passed legislation putting into the hands of a democratic Ministry powers which in other countries and at other times could only be secured by a military dictator.

"After two years of war, and in the light of subsequent events, it is well that we should consider whether those powers have been always rightly used. We know that many appointments to the Ministry have been political appointments. We know also that some of those Ministers have openly declared their intention to use their powers to introduce a new social order bearing a striking resemblance to the anti-liberty systems against which the Nation is fighting...

"The primary need of the day is for increased production. Despite that, we constantly see the introduction of new measures which eliminate incentive to production, Arbitrary decisions over-night by inexperienced officials change the trend of industry, and the creation of hoards of inspectors, controllers and recorders cause bewilderment and despair amongst practical people. Letters appear daily in the newspapers from men and women engaged in every branch of business, agriculture and professional life, as well as from private citizens, complaining of the obstacles and tangles created by bureaucratic control.

"Much of the work of the Ministry of Labour, the Ministry of Health, the Board of Trade and the Ministry of Food is designed to introduce the socialist state. The telescoping of industries, the deliberate closing down of private businesses which will inevitably lead to the institution of monopolies are causing much alarm...."

SOCIETY FOR CORRECT CIVIL WAR INFORMATION, 2110 Orrington Ave., Evanston, Ill., Nov.-Dec. '41 bulletin reviews references to our Civil War in THE MAKING OF AMERICAN CIVILIZATION by Chas. A. and Mary R. Beard. This priceless bulletin service furnishes additional proof of the subversive tactics of the historians Beards whose books are so prevalent in our schools. Editor Lucy S. Stewart climaxes with: ".. SAVE OUR REPUBLIC. Powerful influences are at work within our Country aiming to destroy our Constitutional Govt. It is a singular and sinister situation that, 76 years after the Union soldiers successfully defended our Republic from the attacks of those who would have destroyed it, they are the objects of systematic defamation, while Robert E. Lee, though not the head of the rebellion, is now honored as if he had fought for our Country instead of against it. There is method in this madness that seeks to create disrespect for the defenders of our great Republic. Let us have one Country, our Republic! One flag, the Stars and Stripes! (CHH- B#293 will expose the open and undercover effort to replace that flag, etc.)

Above reminds that in the CONGRESSIONAL RECORD 11-19-41, Repr. Dies, writing letter 11-18-41 to Jas. Lawrence Fly, Chmn. of the Federal Communications Com., protests the appointment at \$5,600. annually of Goodwin Watson, to the very vital post of Chief Broadcast Analyst, because Watson has been ".. a propagandist for communism and the Soviet Union for many years..." After listing Watson's Red affiliations (see some in Mrs. Eliz. Dilling's THE RED NETWORK and THE ROOSEVELT RED RECORD), Dies concludes:

"... We are not concerned solely with the case of Watson as an individual. We are, I believe, compelled to search for the hidden influences which bring about the appointment and certification of such persons as Watson. The problem of ridding official Washington of the hundreds of Communists and fellow travelers who now occupy Govt posts will not be solved until we get at the root of the matter, namely, this prevailing influence which continues to bring such men as Watson to import Govt posts in the Nation's Capital. When that sinister influence has been identified and exposed, then we may hope that some Americans of undoubted loyalty will be called to these newly created posts of such strategic importance in the defense of America."

Readers of AID! know that Dies has had for 3 years the facts about that "influence" which he accuses of being "hidden", "prevailing", and "sinister". Yet he has failed to "identify and expose", that which he admits is so necessary in the "defense of America". (see B#290). Instead, he uses taxpayers money to "smear" the very ones who are digging up said "facts" and exposing them. He furnishes the very "smear" which the Synagogue of Satan turns against those who have the courage to name and prove the existence of the "real enemy" of all mankind. I dare Dies to fire the Reds he himself employs!!!

BULLETIN NO. 293 & B#60 "MARCH on WASHINGTON to IMPEACH Pres. Roosevelt & Henchment"

Dec. 3, 1941.

USSR'S PERSECUTION IS DIFFERENT. FDR recently declared he was not worried about persecution of religion in USSR because history proves that a nation will not long endure the absence of religion. But Bolshevism's program for exterminating religion is different. It is directed against children, before they have any religion to oppose. Measures were preventive on the one hand, and such official propaganda against it on the other, that the poisoned youthful mind would shrink against having any of it. In fact they are being fed Satan's religion of hate. In supposedly enlightened USA we dare not laugh off the effectiveness of such diabolical propaganda, for, with all our advantages, we today have spectacle of adult Americans carelessly breaking Christian traditions, political and otherwise (putting up with innumerable Anti-Christ NUDEAL edicts, and accepting Anti-Christ philosophy of compromising with Satan in fields of trade, labor, politics, education and religion).

Stalin (married to Jewess), quoted by press recently as saying "May God bless Roosevelt", as former theological student, undoubtedly knows the "God of this world" is Satan. Stalin merely called upon Satan to bless FDR's sell-out of Christendom. Stalin, as well as FDR and other dictators thruout the world, is but a "front" for Organized Jewry-Intl. Finance. Modern OF-IF is same Synagogue of Satan that crucified Christ for exposing it. Christ demonstrated that no Christian can afford to take into close fellowship (social, religious, business or marriage) an agent of OJ-IF. He took one Jew, Judas, into His staff of 12 who in 3 short years were not only to be trained to carry-on where He left off, but to learn by terrific soul-torturing experience that even 3 years association with God Himself on earth, did not convert a "money-changer" Jew into a Christian. Both Bible and secular history demonstrate that Christ and the 11 Disciples were not Jews.

Notwithstanding their age-long habit of changing their names (e.g., Rosenvelt to Roosevelt, Bronstein to Trotsky, Finkelstein-Wallach to Litvinov, Kubelsky to Jack Benny, Birnbaum to Geo. Burns, Benj. Zifkin to Benny Baker, et al), isn't it significant you rarely see Jews using Christ's or His Disciples' names. to-wit: Peter, Andrew, James, John, Philip, Bartholomew, Thomas, Matthew, James (son of Alphaeus), Lebbaeus (surname Thaddaeus), or Simon the Canaanite? Yet Christian Gentiles do use those names down thru the ages! While many Jews today still use Hebrew-Israelite (not Jewish) names such as Abraham, Isaac, Moses, just as today they use Western World names like Adams, Alexander, Baker, Black, Brown, Chase, Daniels, Dietz, Edwards, Field, Fisher, et al. Jews are age-long "name-changers" as well as "money-changers".

Always remember that Jews have always been a minority, from time the Jew first appears about 700 years before Christ. The Jew is the sinful product of mixing the 3 races! Helpless Jewish children are to be pitied, but for their own good as well as that of the majority, they should never be allowed to grow powerful. Welfare of majority must always be paramount. Breaking that Divine Law spelled destruction of civilizations during the past 2,500 years.

Our Christian Founding Fathers tried to prevent the Jew "money-changers" and their Gentile "fronts" (whom Christ condemned as being two-fold more the child of hell than the Jews themselves) from becoming even citizens when they created a Christian Constitutional Representative Republic. Since control of money and usury (Babylonish system Jewry brot into Western World) in hands of private bankers had always enabled the Synagogue of Satan to enslave the peoples of Europe, Asia and Africa, our Founding Fathers wrote into our Constitution the plan, which, if it had been observed, would have kept the "money-changers" from taking us over. But, they were betrayed by Alexander Hamilton, the "front" (if not a crypto-Jew), who, like Judas, was as Secy. of Treasury, the traitor. He stayed on the job long enough to put over the first (private) Bank of the U.S., similar to Banks of England and France, controlled by "money-changers", and headed a group which almost succeeded in plunging the young USA into war on side of Britain against France, notwithstanding

ing Geo. Washington's wars against "foreign entanglements" Lincoln, student of Bible and history, the only President who attempted to issue money as Constitution provides for, was "crucified" by the "money-changers". (Jew Wilkes Booth, the assassin of Lincoln, was agent of Jew holder-of-3-out-of-4 portfolios in Jeff Davis' cabinet, Judah P. Benjamin, another traitor whose first name reminds of "Judas", and who escaped to England).

How significant that now when Organized Jewry-Intl. Finance hopes to complete its age-old plan of setting up Satan's Kingdom and consolidating its power by liquidation of Christian opposition (thru Christian-killing-Christian wars, epidemics, poisoning, intimidation, bribery, corruption, taxes, slavery, etc.), you find devilish dictatorships supplanting monarchies and republics - with key positions held by Jews, part-Jews, and Gentile "fronts" (often married to Jewesses). Witness Socialist-Democrat-Republican leader Wendell Willkie, for reputed \$100,000 fee, defending Jew Movie Czars before Senate Com. investigating war propaganda films, etc., and then his 11-29-41 announcement he will, charging no fee, appear before U.S. Supreme Ct on behalf of alleged Jew Vm. Schneiderman, Secy. of Communist Party of Calif., whose citizenship had been revoked by 2 lower Courts.

Christ warned all posterity that the Jews were then and to be "Satan's Chosen People" and that compromise with them spells destruction. Because Christ's warnings have not been heeded by those calling themselves Christians, wars alone, created by "Satan's Chosen People", just the past 25 years, have liquidated over 50,000,000 Christians! To bring this close to home, another recent opponent of NUDEAL, Colorado's Sen. Alva Adams, died of a sudden heart attack, making 19 dead Congressmen so far this year - 3 times the death rate of England in 1940 their year of worst blitzkreigs!

Col. McShane gives a few illustrations of liquidation tactics mentioned above: "... I consulted 2 tax experts the other day. One said he was sure that by 1943 a wage-earner in the \$1800 class would have to pay taxes to the Govt in amounts of \$500 to \$700. The 2nd expert raised the figure to a possible \$900, or 50% on gross income. NOT for USA "defense" against anything - just to keep the aliens fighting to enthrone a 'Supreme Potentate'. Another whopper tax bill is to follow this pending 6 billion (bill now in com.) in 3 or 4 months to cover a 7 billion 'lease-lend-give' authorization now in the making. NOT for America and OUR problems, or safety. Also to cover the 1 billion of your money FDR gave to his Pal Joey in Moscow. In this he again violated his Christian Oath of Office and defied OUR Congress which expressly stated no funds of the last 'lend-lease-give' authorization were for the Reds. But Stalin got it... accompanied by a license to spread his atheism and revolution all over Europe and USA. At least that is the implied expectation because that billion, plus many other 'friendly acts' is supposed to insure Stalin's defeat of Germany. If he does no one could prevent his Godless butchers from doing to ALL of Europe just what they did to Estonia only last year.

"(CBH- THE N.Y. ENQUIRER - 9-21-41 cable dispatch: In 13 months Red occupation of Estonia, 150,000 or 10% of population were massacred and/or exiled). And 10,000,000 Reds would be working overtime in USA at the same time. (CBH- THE JEWISH REVIEW of N.Y. City, 11-20-41, says American labor helped finance sailing of 336 anti-Hitler refugee union leaders from Vichy, France concentration camps to Mexico, booked by United Amn. Spanish Aid Com. in cooperation with other groups. THE CURE, Oct.-Nov. '41, says that Mexico agreed to receive 100,000 refugees from Spain who had fled to France. When in 1938 it appeared the Red Armies in Spain were going to win, the leading oldest weekly THE AMERICAN HEBREW boasted that 35,000 of 110,000 Intl. Brigadists in Spain were Jews from all over the world. THE JEWISH PRESS, Omaha, 11-28-41, says that 200,000 refugees from Europe arrived in USA since 1933, with 120,000 in New York; that jobs are found for 600 refugees a month. How well OJ-IF is carrying out its plan to "take-over" USA by 1942!))....

"'Confidential' sources of information so frequently referred to by radio commentators, and others, such as Swing, Williams (CBH- Winchell, Kaltenborn), and several like propagandists, have fooled most listeners. A long check-up sort of removes the mystery. We have a large assortment of International Banks in USA. Most of them have branch offices in important countries and correspondents in other banking houses scattered all over the world, even in war-torn nations. Many of the larger banks have secured the services of trained listeners, reporters and investigators who serve in all important "spots" as an inside secret service. Of course from these 'confidential' reports such as are not according to the institution's 'policy' would get special treatment, but others make good propaganda 'releases'. Since Nov. 11... Knox, Swing, Hull (married to Jewess - Hull, according to THE JEWISH PRESS 11-28-41, was awarded THE AMERICAN HEBREW Medal for his con-

tribution to the cause of better understanding (?) between Christians and Jews, following like awards to F.D. Roosevelt, Myron C. Taylor (who sold-out steel industry to Judeo-Red CIO), and Newton D. Baker in previous years), Stimson (CBH- attorney for Kuhn, Loeb & Co.), Roosevelt, and W.A. Harriman (FDR's messenger in Europe) have all batted a high average for the 'Empire', 'Union Now', 'New Order', and 'Interdependence'. After much checking it appears safe to say the Administration's proposed St. Lawrence shipway is just another intended item to 'be ready' for this 'World Empire'. It would be of great value to Canada and Gt. Britain, likewise do incalculable damage to USA railroad transportation for freight, as well as almost ruin several local seaports.

"Pierre van Passen (CBH- highly publicized in Judeo-Red press) recently released a new book, THAT DAY ALONE. It portrays the Arabian-Jew-British fight over the longtime homeland of the Arabs. He was in Palestine reporting for local Jewish papers, protected by the Jews from death at the hands of Arab defenders of their age-old homeland. He apparently blamed the Arabs for fighting the Jews and British who were trying to drive them out. Last paragraph of his book is propaganda 'boost' for the 'New Order', which he says 'the world is so hungry for'.

"Priorities and other causes controlled by the international gang with hqtrs. for America in Washington, D.C. are already bearing bitter fruit for Americans in 'lay-offs' from small shops and distributors. It is just starting. Locally the American Railway Express is reported to have laid off over 100 employees, several oldtimers. This should be their busiest season. Express authorities say their business is falling off rapidly because 'priorities', etc. prevent small manufacturers from getting necessary materials. This hits distributors because there are less packages for delivery. Less for sale, too. Dept. stores and some importers are booming along with British goods. (CBH- Jewish Brandeis Store, largest dept. store in midwest, handling English-made toys, yet American toy manufacturers going out of business - and WORLD-HERALD made big news story showing pictures of some of these British toys; rumoured that Brandeis' ads pay large share of WORLD-HERALD's expenses, yet editorials therein claim the press is not controlled - huh!)

"Reports from military sources (confidential - but not from banking circles) offer a few things to think about. It is suggested, after as complete an observation in Europe as was possible - under restrictions, that Hitler's forces can TAKE Leningrad and Moscow any day he so orders. They could have done so for the past 3 months or so. Why the delay, you ask? Report suggests Hitler is delaying until Roosevelt and Churchill clutter up both localities with useful war supplies and materials. It claims Hitler's forces have refrained from blocking too many vital rail routes to permit this traffic to reach both places, and other centers.

"Same observer says his considered opinion is that both sides grossly exaggerate casualties of the opposite side and equally under-estimate their own, with fantastic figures for propaganda purposes - to fool outsiders, and sometimes the enemy. Important 'takes' have not been mentioned by either side. Since returning to USA he studied 'press reports' and radio 'releases' and was shocked at the 'control' of both thus revealed which is fooling our people and leaders to our great disadvantage. This 'fake' game has cost us about 70 billions already in commitments. When will we call a halt? Better soon!

"We hear rumors of a great bribery scandal to be 'exposed' soon, which will hit high spots in Washington, D.C. Pledges of certain legislation and a vast sum of money is said to have been involved. If true and proven, the very welfare and safety of America was at stake in this 'deal'. Was it the first 'deal' of the kind? Hardly. Something is rotten nearer than in Denmark." Col. McShane's remarks above should alarm.

Above reminds that the hearings on Price-Control Bill, 9-30-41, p.1262, brot out that while stock of Fed. Reserve Banks is less than \$140,000,000, yet they do several hundred billion dollars' worth of business a year, and claim to hold over \$2,000,000,000 in Govt securities. Congr. Patman, asking Mr. Eccles (Chmn of Fed. Reserve Bd) "How did you get the money to buy those \$2,000,000,000 of Govt securities?", got this reply: "We created it." Patman: "Out of what?" Eccles: "Out of the right to issue credit, money."

Correspondent comments: "Is it not thus made clear that fictitious debts are created by the fictitious money created to purchase bonds which, in turn, are the essential of national debt which has to be met by taxation? And, it should be recalled that this system of 'farming' the taxes was evolved by Paul Moritz Warburg, 12-23-1913, date of Act. ... it is Jewish and nothing else, the same old game of usury; and indirect, altho effective way of robbing the non-Jews..\* Remember that the Fed. Reserve Banks are private banks.

In view of foregoing it is significant that Jew Congr. K. (CONGR. RECORD 11-25-41) comes to Leon Henderson's rescue, after Congr. Dies exposes Red records of highly paid assistants to Price-Control Czar Henderson (man-Friday of World War I Price-Control CZAR Jew Bernard Baruch "advisor to Presidents"). Previously Dies had exposed Henderson's Red record. Yet Klein said: "... I am sure there is nobody I could think of in public life today that I would rather see hold the powers that would be given to him under this bill..." And, when that bill (with some of its obviously dictator provisions removed) was passed 11-28-41, notwithstanding debates proved it was a vicious dictatorship bill to be enforced by Reds and fellow-travelers, you find Jewish Congressmen voted for it. Vote: yeas 224, nays 161, not voting 44. Dies, former NUDEAL supporter, even the Chmn of committee supposedly exposing subversives in USA, finally broke away. Wonder if he stays converted?

The First National Technical Council Ltd., Oakland, Calif., gives me exchanges of letters with FDR and OFM officials which prove that sabotage at top, as in France prior to conquest by Germany, is our greatest danger. This organization, with 30 years background in engineering, mining, etc. tried to offer its services to NUDEAL. "These letters speak for themselves insofar as they deal with the strategic mineral magnesium. But they go further than that--they point to the presence of a satanic power in America--a power strong enough to effectively sabotage the development of strategic minerals critical to national defense at the very time when the Dir. Genl. of OFM was on the air exhorting the manufacturers of magnesium in America to greater production... What does this all mean? Is the Dir. Genl. of OFM merely spoofing us when he points to the shortage of strategic and/or critical minerals in one breath, and then tells us who volunteer to produce them that there is no shortage in the next? Or is he merely a convenient instrument in the hands of a sinister power which uses him as a sounding-board.. as it were, to stampede us into war, and to exhort into greater effort the 'slaves' of those who, as the beneficiaries of the \$550,000,000 worth of Govt-owned but privately-operated aeroplane, aluminum and magnesium plants which, according to the Oakland TRIBUNE, 5-25-41, Fed. Adminstr. Jesse Jones just allotted funds to build, are to be the 'masters' in the 'New World State' that is to be?...." I.e., Jews get such funds from Govt, but Gentiles can't!

WORLD PEACE POTENTATE. Years ago AID! claimed the final stage of setting up the Anti-Christ Worldwide Dictatorship would be ballyhooed in name of peace, democracy and religion. Press, radio, pulpit and forums chant that ballyhoo. Mrs. Ruth Bryan Rhode, daughter of late Wm. Jennings Bryan, here 11-24-41, before high and girl schools, alumnae assn., etc., advocated world peace thru "principles of democracy, world court, and an international police force". Again I ask, "Could Chas. Lindbergh, following in footsteps of our Founding Fathers, and guided by Christ's injunctions, get before same audiences?"

A Chas. Davis (76-yr-old promoter since 1911 of Natl. Highways Assn., which brot about Federal Aid for paved roads, and with a long pedigree in WHO'S WHO) is putting out voluminous and expensive press releases, advocating a "NEW WORLD STATE", headed by a "WORLD PEACE POTENTATE". He claims inspiration from Russian-born occultist Roerich (supposed to be in India after exposes of activities in USA) who was close advisor of occultist Henry Wallace (V-P of USA, destined to succeed FDR probably in 1942). Davis also claims inspiration from deceased Dr. Alfred Adler (No. 1 of 120 "greatest living Jews" - see THE OCTOPUS and former collaborator with filthy Sigmund Freud, another of the 120, whose death in '39 was honored by Communist and Jewish press). Dr. Adler's concept of co-operation, according to Davis' releases: "I would agree with any movement that has as its goal the improvement of mankind even tho I did not believe it wholly right." That, of course, is Satan's teaching as against Christ's that only a good tree can bear good fruit.

Davis is Trustee of World Govt Foundation, special auxiliary Council of World Fellowship, Inc., which has on its American Council as Pres., Chas. F. Weller, who not only is a Dir. on Natl. Council of Boy Scouts of America, but was head of Anti-Christ Fellowship of Faiths (see Mrs. Dilling's THE RED NETWORK under that caption). This World Fellowship, Inc. embraces Communists, Socialists, Modernists, and many Jews. Significantly its Omaha committeemen were Rabbis David A. Goldstein and David H. Wice (recently promoted to Eastern Synagogue). Apparently tied in with this fake "peace" movement was the first Inter-American Jewish Conf. at Baltimore, Md., with delegates from 18 American countries, where one of chief speakers, Rabbi M. L. Perlzweig of London, on 11-24-41 declared: "When the war began, a movement of worldwide proportions was established thru the cooperation of the British section of the World Jewish Congress and the British Govt to engage both openly and underground in combating Nazi forces...the two Americas will have a place in it."

BULLETIN NO. 294. "End the War quickly!"

Dec. 9, 1941.

**JAPAN STRIKES!** Now that we are at war, every American must help bring it to an end as soon as possible. Tell your Congressmen that the unbelievable sum they have appropriated the past 2 years - \$68,000,000,000 - must be turned into defense and production to end that war. That faults described herein be remedied as soon as possible, and warnings heeded. That all our supplies and energies be directed towards our defense - not to A.E.F.s into all parts of the world.

Govt statistics prove our foreign trade a net loss, particularly in Far East, therefore our first job should be to rescue our nationals there, and give up possessions outside our hemisphere. Let's not let war mania drive us into same madness we accuse others as being guilty of. Let's return to common sense advocated by our Founding Fathers and commanded by Christ. Let's stay as far as possible out of Armageddon - instead of inviting its train of evils by plunging further into the guilt already on our heads - the crime against God and man for which we are primarily responsible, having supplied both sides of this conflict abroad.

Had we not furnished billions of dollars to Germany before war started, and then continued to send money and supplies to Japan, Russia, China, England, et al, we now would not see our own steel, etc. killing our own boys. Before this war is over very likely Bolshevist Godless Russia and China will add their hundreds of millions of manpower to money and supplies we have given them, into a Yellow Race War led by mixed breeds, largely Jews, turned upon the remnants of the White Race here and abroad.

AID: B#291 warned that "A Pacific War In The Making" would perpetuate the wartime emergency for the Intl. Nudealers even tho England and Germany sign an armistice this coming year. That our war with Japan would please Stalin, the Reds in USA, Churchill, and Hitler - in fact please everyone except the overwhelming majority of Americans who have been trying to preserve their country, avoid dictatorship and keep out of war.

Wm. Kullgren, editor THE BEACON LIGHT (25¢ - Atascadero, Calif.), since 1909 been warning against Japan's part in Armageddon (in which if USA had remained Christian, we would have had no part). July '38 issue quoted Gen. Shigeru Honjo, conqueror of Manchuria:

"After we have conquered China, our empire will be so enriched by its natural resources that we can afford to increase our Navy until it is strong enuf to drive America east of Hawaii, leaving the Philippine lines in our hands. After America has been driven out of the Far East, the English at Hong Kong and Singapore will not be much trouble, for our Navy can easily take these two places."

Kullgren warned further: "... Japan has never forgiven the insult, or so she considers it, of our refusing to let down immigration bars. Ever since she defeated Russia she has been quietly planning for the day when she would challenge the USA; and while she is fighting Russia today (1938), thru China, Russia is really her ally, for Russian Communistic propaganda has laid the foundation for civil war in America.. which I believe will break out in 1939, or 1940 at the latest. And then, Japan will strike, like lightning, and just as ruthlessly as she is striking in China today.... And so suddenly will this come about that before we know what it's all about, the Japanese flag will fly on the Pacific Coast....

"Japan can land in Mexico and take that country first, without any trouble at all. The same thing could happen to Alaska. At the same time their fleet would be off the Pacific Coast. And don't forget Japan has men and war material already planted on this continent. One of those secret hideouts was recently discovered not far from the Mexican border.... Two years ago an immigration officer in Los Angeles told me that there no less than 50,000 Japanese reservists in greater Los Angeles alone. The wily Jap is strategically placed everywhere.. From Panama Canal to Alaska, every fishing port has its quota... You will not face a Russian invasion of America other than that we have received from immigration, but you certainly will have an invasion of Japanese; and with an army of them in our midst they sabotage they can demoralize the whole Pacific Coast at a given signal

in a very short time.." Then Kullgren's Dec.'41 issue warns: "... I tremble for the outcome of this configuration. If we keep out of a shooting war thruout the period while Mars is in Aries, I shall call it a modern miracle. The first week of December is extremely critical... all the indications of a conflict on foreign soil... Public opinion could stop the impending slaughter if our citizens were informed, active and aggressive. Americans are not on guard, we have placed the enemy in key positions expecting him to protect our interests; what a travesty!..."

All reminding that our Army is already complaining of the lack of cooperation at San Francisco particularly by citizens in re black-outs, obeying warnings, and that mysterious radiocasts, rumours, etc. are creating conditions of great aid to the enemy. Recalling that Communists are particularly strong there, and that shipping on land and sea on whole West Coast is Red dominated, and that much of our aviation industry is there, which has been sabotaged and can be seized when our armed forces busy in the Pacific, and that a few sticks of dynamite can isolate that Coast from rest of USA (few passes thru mountains), Kullgren's prophecy can happen. Yet mid-west Congressmen and businessmen have been pleading practically in vain for the locating of more of our vital defense industries inland in comparative safety.

AID! many times has pointed out that our Christian Sunday is the day on which Anti-Christ decisions and actions occur - locally, nationally and internationally. Witness Japan striking simultaneously thousands of miles apart on 12-8-41 - from our Maginot Line (Hawaii) to Singapore. And that civil war that Kullgren predicted would offer opportunity to Japan, does exist, for the NUDEAL has created friction between labor and capital, uncertainty, intimidation, waste, destruction of property and constitutional rights, and seizures of both property and persons. That type of civil war, with backbreaking taxation lend-leasing-giving away our vital resources, and Congressional rubber-stamping of dictatorial edicts, assures the real enemy (Organized Jewry-Intl. Finance - the power behind all dictators) the same take-over that OJ-IF has already accomplished in Europe-Asia-Africa. Don't forget that our West Coast is not only, next to New York City, the stronghold of Communists and fellow-travelers, but of those who call themselves "Jews"!

The Mongolian Jap is blood-brother to such Jews, who are more Mongolian than black or white. Even Einstein admitted in '38 that the Jew is a "mixed race" (mixture of black, yellow and white), and NUDEAL braintruster Jerome Frank in featured article in 12-6-41 SATEVEPOST admits that Jews know that "the Jews, unlike the Japanese, are not a race" but "a hodgepodge of many racial stocks". Frank stoops to trick that Einstein did, claiming that Germans, English and French are also a hodgepodge. Truth is, the basic German, Frenchman and Englishman is white, so when they intermarry the product is still white. High types of civilizations from ancient to modern times were all produced by white men, and destroyed by infiltration of the product of the sinful mixing of the races known as Jews the past 2,600 years.

Christ lived, taught and died to prove that only by accepting His teachings could all three races live in peace, and that for His followers to have fellowship of any kind with the Jews, Satan's Chosen People, and other unbelievers, would end in destruction. History of individuals and of whole nations prove correctness of Christ's teachings.

By all means read Frank's article in SATEVEPOST, and also Jack Alexander's "DO-GOOD-ER" which proves correctness of AID! B/#263, 5-5-41, comments: "... Why the Judeo-Red NYC tabloid, PM, which month-after-month smears those who oppose war, is subsidized by multi-millionaire playboy Marshall Field, is realized when you learn that Field seems to be under control of probably highest paid 'psychoanalyst' in USA, one Dr. Gregory Zilboorg. This Russian-born revolutionary was Secy. to Minister of Labor in first Russian socialist govt, coming to USA in 1919, posing first as a writer (praising Red Jews such as Bela Kun, glorying as a Russian revolutionists, attacking Christianity), now as a 'psychoanalyst' whose pro-Marxist and anti-Christian program is now being injected daily into minds of PM's 200,000 readers. Such a 'psychoanalyst', by uncovering secrets of rich men and women, and holding them as a club, wields 'control' over the subject."

From his picture, Zilboorg is the same revolutionary Russian Jew type as Lenin, Trotsky and Litvinov, all responsible for liquidation of over 50,000,000, mostly Christians, the past 24 years. Litvinov is Finkelstein-Wallach, according to WHO'S WHO IN AMERICAN JEWRY. Observe that that 1938-39 Jewish WHO'S WHO recognizes Litvinov, now USSR's ambassador to USA (but until now an European), as worthy of picture and flattering biography. Just as does that official Jewish WHO'S WHO recognize Leon Bronstein. i.e.

Trotsky as being worthy of his picture and flattering biography, despite fact of history that he is the greatest wholesale murderer in all the ages!

How singular that that world revolutionary Litvinov (long time at Lg. of Nations hdqtrs in Switzerland), should have been in the Far East and arrive here by clipper just ahead of Japan's attack on USA, which incidentally found us asleep and inflicted serious damage to our naval and air forces and equipment. France, with its supposedly impregnable Maginot Line, found herself betrayed by sabotage in defense industries and in high places filled by same kind of socialists and revolutionaries as are now so powerful in USA. Surely Christian Americans whose lifeblood and everything else are at stake in this war brot to our shores by intrigues of Organized Jewry-Intl. Finance, have the right to insist, as did Geo. Washington, that only Americans be placed on guard. And surely a Christian American youth who dared to say he would die for Uncle Sam but not for Britain, deserves better than being court-martialed for 6 months, and denied spending Christian Christmas with his mother!

Following few excerpts of many in recent CONGR. RECORDS illustrate dire need of putting only Americans on guard. Same Jew Congressman who voted for dictatorship Price Control Bill, to be administered by staff of Communists, fellow-travelers and Jews, under the revolutionary Leon Henderson, later voted against the Smith Amendment designed to curb radical activities and racketeers in labor and industry. That means those Jews voted against efficiency in our defense program! They are back of Henderson (Jew Baruch's protege) who falsely publicizes that our cost of living has gone up only 10% the past year. Yet Repr. Paul W. Shafer, upon comparing same store ads in same papers in Dec. '40 with Nov. '41 ads, in selected cities, found that food costs in 11 months have increased about 50% - not 10%. Also, that food products being purchased by Dept. of Agri. for distribution to families on relief (Food Stamp plan, etc.), to Ann. Red Cross, and for shipment to England under Lease-Lend program, show the biggest increases - result of Govt bidding in public market with taxpayers' money against our taxpaying domestic consumers! (With Jews controlling retail marketing, also much racketeering in said Food Stamp plan.)

Press been complaining of Congressmen sending out too much franked mail. Such objections were directed, not at NUDEAL propaganda going out, but at the small amount of factual material being distributed by the few Congressmen who opposed warmongering activities of certain individuals and organizations. Like so much of the smear laid on genuine patriots, those complaints were based on lies. Repr. Keefe, 12-5-41, submitted the P.O. Dept's official figures on franked mail for fiscal years 1937 to 1941 inclusive, and instead of any increase in 1941, fact is that 1941 franked mail was not only a big decrease under 1937, 39 and 1940, but also such franked mail is only about 2 3/4% of the total of franked and "penalty" mail. That the newspapers who have been inspired to spread such smears, are themselves beneficiaries in case of newspapers sent free, of 90 times the cost of the total franked mail! That certain members of the official family at Washington have sent out Christmas greetings under "penalty" mail. That Cabinet Members use "penalty" mail to send out thousands of speeches, but Congressmen do not use "penalty" mail. It is the depts. of the Administration that use "penalty" mail, and that did increase from \$32,625,126. in 1937 to \$49,020,190. in 1941! Let's have the truth!

The \$8,000,000,000 appropriations defense bill last week, not only for first time lumped together defense with lease-lend items, but gave FDR a blank check for two billions to give to anyone as he pleases. Repr. Dirksen, 12-5-41, protested that a provision in that bill attempted to restore to Jew Communist David Lasser the right to hold a key Govt job, from which he had been fired by an Act of Congress last June. Dirksen said: "... It is so obvious, however, that it becomes quite impossible to remove undesirable people from the Federal service by any other method... (CBH- what a tragic admission of the power of Organized Jewry-Intl. Finance, that even Acts of Congress cannot keep revolutionaries out of key jobs in our Administration)..."

Dirksen said further: "... Only yesterday and today a subcommittee of one of the committees of this House of which I am a member has been taking testimony from one of the large agencies of the Govt, and from the Administrator of that agency who has \$100,000,000. per year to spend. When the Chmn. of the subcommittee asked the Administrator point blank whether he would remove a Communist from the pay roll, his answer was, 'I would have to take that under consideration. After all, Mr. Chmn. Dirksen are dying on the

battlefields today.' The Chmn of that subcommittee expressed his amazement at the reply. I, too, was amazed, and I am frankly concerned when the Administrator of a Govt agency states to five members of Congress that he would have to take under consideration the removal of a Communist from the Federal pay roll. We have moved far on the pathway of self-destruction when the matter of separating Communists from the Federal rolls must be taken under advisement. That same Administrator was not familiar with the prohibition on Communists and bundists in the appropriation under which he operates until he was refreshed when the Chmn of the subcommittee read to him the pertinent provision in the Departmental Appropriation Act for the fiscal year 1942. Is it not time that we become rather steadfast and deal earnestly with this moving problem before it engulfs the Govt?"

Repr. Rich, in CONGR. RECORD 12-5-41, claimed that the War Dept not only would not give Congressmen a report on items supposed to have gone to various countries under the Lease-Lend Act, but reported that they did not know, yet the 12-2-41 Report of the Treasury showed that we had actually paid out \$654,923,462.97 of the \$13,985,000,000 appropriated for aid of our allies. He protested: "... We are now shipping out of this country the things that were manufactured for our own defense, and we could not defend our own shores if we were attacked..." (CHH- remember this statement made just 3 days before we were attacked!)

Repr. Lambertson also brot out that Repr. Cannon, NUDEAL spokesman, had claimed on 12-4-41 that there was nothing to the expose in the Chicago TRIBUNE, and yet Repr. Taber who agrees with Cannon's war policy, did say that all the quotes he thought were substantially true -- referring to alleged plan for over 10,000,000 Army with half to be an A.E.F. to destroy Hitler. Lambertson suggested it was permitted to let such a war plan leak out in order to bluff Japan. Yet Japan undoubtedly knew the truth which has largely been kept from our own people, as Repr. Stefan testified 12-5-41: "... Army experts to whom we talked in these recent maneuvers told us that we are far behind in being ready for such a thing. Even some of the foreign military experts who were there indicated that fact to us. Our confidential meetings with the War Dept experts also indicate that we are not ready (for an A.E.F.)..."

Repr. Mrs. Rogers pointed out that "there is a shortage in small arms and ammunition" and "There are many plants in my district (Mass.) that could be used, but those plants have not been used. Lowell produced more cartridges during the World War than any other community. Those buildings are ready for use today with highly trained labor available, power, railroads, and sidings, heat, and light... It is a tragic thing.. If available facilities had been used, the shortage of cartridges would not exist today..."

Repr. Bradley of Mich., 12-4-41, testified that he had talked to a number of soldiers who had been in the anti-tank corps some 11 months, but as yet had not seen a shell nor fired one. Yet Repr. Lambertson on that same day stated that FDR had "given an ultimatum to Japan with Mr. Hull's cooperation (Hull married to Jewess), yet nobody else in the Nation apparently knows what that ultimatum is. It is designed to lead us into war... I heard a high-up General in the Army say that he had no idea what was in the proposals.. We have given ultimatums and if Japan does not go back where Mr. Roosevelt tells her she shall, we have a shooting war on our hands without anybody else having anything to say about it..."

Despite all the above understanding of the forces at play sucking us into this war, Congress voted unanimously (except Repr. Jeannette Rankin), declaring that a state of war exists with Japan, as requested by FDR. Again, all this and much more proves the dire necessity of placing only Americans on guard. Also, end this war quickly!

WORLD PEACE POTENTATE. There is an under cover worldwide movement (see B#293), which is preparing certain leaderships, press, and organizations for springing upon the world that which will pretend to be a "peace" movement or plan. It is advocating now a UNION NOW of British Empire with the Americas, leaving the door open for entrance of peoples of Continental Europe. This movement already has a flag, constitution, anthem, etc. as symbols with which to sell the war-torn peoples into the final step of the Satanic Dictatorship. That world super-power to be headed by a WORLD PEACE POTENTATE (that title already being advocated) - all in the guise of religion, democracy and peace. The first flag (been used at meetings as far back as 1934) advocated incorporate our familiar red and white stripes, but in place of the blue field with stars, is the British Union Jack, with GOLD 8-pointed STAR in its center. The deeper we get into this war the easier it will be for the Synagogue of Satan to sell us over to the ANTI-CHRIST!

BULLETIN NO. 297.

"End the War Quickly!"

Jan. 19, 1942.

New address: 4327 Grant Street.

PERSONAL. Only those who have experienced likewise can appreciate - why no AID bulletins the past 3 weeks. Last of boarders-and-roomers we had to help reduce overhead, enlisted 2 weeks ago Teus. Then our 6'3" Bill, 21 in May, enlisted and left following Teus. AM. When in line being sworn in, he was called out and learned that the pneumonia, etc. he had 18 years ago, when physicians admitted only prayers could save, had placed him in Class 4-F. Thus twice our prayers were answered. While all this was going on, long put off health demands finally forced removal of all my teeth, and financial needs demanded removal of our effects to a \$20. per mo. cheaper working-living quarters. The sun shines again. The empty house that was a shell without Bill is now "HOME"! The good wife who lost 10 lbs. in that short Gethsemane is herself again; my gums are healing; and the will to carry on burns within us. May God bless and comfort as He did us.

We thank the many who responded to appeal in B#295. Many who receive this issue, with "YOUR SUBSCRIPTION HAS EXPIRED" stamped on margin, will receive no more unless we hear from you. Necessity demands we reduce the number of free copies. Until supply exhausted: \$5. yearly subscription to AID! brings free to you THE OCTOPUS - 256 p. book with 2,300 names in index - a WHO'S WHO of those responsible for World's ills. Single copy THE OCTOPUS - 60¢; \$1 for 2; \$3 for 7 copies, remittance with order. Also for sale: EDUCATION FOR DESTRUCTION - \$1.50; THE DICTATE-APER - 25¢; PLANNED ECONOMY & 3 Charts - \$1.

WARNINGS. Since F.P. Moran, Dir. of THE CHRISTIAN FRONT of Boston, Mass., whose bulletins packed a lot of meat, has quit, and since a number thruout the country have done likewise, and since the Dies Com. is again being used to persecute (W. Winchell, Jew radiocaster, said Sun. PM that ex-publicists Jas. True and Robt. L. Edmondson, and E.J. Smyth, writer in PUBLICITY, X-RAY, etc., all been subpoenaed), with Dr. Bessie Burchett (author EDUCATION FOR DESTRUCTION), whose crime was to oppose Socialism, Communism, Newdealism in Philadelphia schools where she taught for years, being smeared in press, it appears AID! fills a real need. We must depend upon present subscribers for new subscribers.

Excerpts from Mr. Moran's 11-25-41 bulletin explain why he had to quit: "... Many months ago we warned the public that conscription was coming very soon. Our readers laughed. Now let them laugh off the deaths of their sons and brothers from pneumonia contracted in the camps because of lack of blankets which had been shipped to England (CH- also to China where allowed to rot). Let them laugh off the misery of boys from New England who were sent to Camp Hulen, Texas, and who will soon be shipped to the Philippines. And while they are laughing, let them figure out why 20,000 draft names were lost in an armory in NY City with result that no serial numbers were assigned. Knowing New York as we do, and the people who make the most noise there, we venture to say that the majority of those names will not prove to be typically American. And we are equally skeptical about the investigation that will be arranged... Perhaps those who laughed before won't laugh so loud when they learn how their pockets may soon be attacked. Thus far, at least three bills and one amendment have been introduced in the U.S. Senate which call for the confiscation of wealth at the discretion of the President. Every citizen in the country with real or personal property (including bank accounts) in excess of \$1000 value is a potential victim. Before laughing, be intelligent enough to look up the following bills: S.1650, S.4213, S.4212, and the Amendment to S.4164...

"A bill has been introduced by the Jewish Congressman Sabath of Chicago which would make it a FEDERAL OFFENSE TO EXPOSE ANY CONSPIRACY AGAINST THE GOVERNMENT BY ANY GROUP OR RACE. Ridiculous! you say? Well, investigate this and then you tell us what has happened to America and free speech. There is such an Act in effect in New Jersey today, passed in 1935. A worse one was introduced in the New York State Legislature by Senator Schwarzwald of Brooklyn, N.Y. According to the Sabath Bill, any person owning a copy...

the BIBLE could be accused of a Federal crime and upon conviction could "be fined not more than \$5000 or imprisoned for not more than twenty-one years, or both". In New York City, even the courts have become so corrupt that Christians who become involved in an altercation of any kind with Jews are openly deprived of their legal rights. They are practically helpless in the grip of an alien and radical government which has almost openly declared war on Christianity. Things have come to such a pass there that an Archbishop of the Catholic Church was picketed by a rabble while attending exercises at Fordham Uni., and nothing was done about it. This was apparently in reprisal for the prelate's refusal to accept dictation from a group of Communistic Jews who made certain demands upon him..."

This reminds that S.2060 (identical bill in House) was passed 12-19-41 in a hurry without a recorded vote of yeas and nays, yet its section (j) empowers the Administration to imprison any person considered guilty of disseminating "political propaganda", which defined embraces any kind of oral, written or printed expression intended to influence one or a group with reference to the foreign policies of the USA or promote racial, religious, or social dissension. Will that power be used??? How significant that CONGRESSIONAL RECORD 12-20-41 has article from 12-16-41 LOOK magazine, inserted by Jew Rep. St. Bloom, which prophesies: "... Can it (Anti-Semitism) be halted? Yes. We must make it a crime to foment race hatred. Mr. Wilkie offered that suggestion..." That's the law in Russia, too. Practically same law in England, too. How interesting!!!

One Christian writes: "... There should be something we could do even in this late day. One thing is a call to prayer for every Christian. We can pray for God to end war quickly in His way... If the Senators could get a Bill thru to take profit out of that would put an end to it quickly. The evil forces in this Nation seem to be so much stronger than the good. It will take lots of praying. I believe the evil forces are more afraid of praying Christians than they are of armies and bombings..." Amen!

Which reminds that 1-6-42 CONGRESSIONAL RECORD claims the major oil companies, by tricky decisions, even tho the Dept. of Justice had a dead open-and-shut case, were excused from paying \$1,500,000,000 in penalties to our Govt for violation of the Elkins Act. Sen. Gillette disgustedly said: "... This was done at a time when we are trying to collect money for the national-defense effort. It costs \$21 a month to pay a private in the army \$252 a year. An army of 6,000,000 men could be paid for a year with the amount the Govt threw away..."

That reminds that said oil companies are making millions out of the war, and guilty of selling (CR 1-14-42) to Japan in 1939 an avg. per day of 72,000 barrels of oil and 15,000,000 gals. of gasoline; and an avg. per day in 1941 of 42,000 barrels of oil, 4,500 barrels of machine oil, and 15,000,000 gals. of gasoline, with express permission of the State Dept., even tho it was making demands on Japan that were certain to cause war!!!

Reminding further that some of major oil companies, with blood money profits, are among the 100 out of 2,922 firms who were awarded 15 1/2 billions from June '40 to Oct. '41 of war contracts, with said 100 getting 82.6% of that 15 1/2 billions. CR 1-8-42 says further that corporate profits for the year are estimated at 11 1/2 billions, which is more than the entire income of farmers who constitute 23% of our population; that thousands of men are now out of jobs, yet, as in one instance, even after 44 days after bids were opened for a defense job, the contract had not been let, so that the failure in our defense program is neither attributable to Congress which has appropriated billions, nor entirely to labor strikes, nor to business management, but to "sabotage at the top" - AID! has been warning against long before we were actively in this war. Tell your Congressmen to keep forever alert on all phases of our national-defense program!

THE HOUR of New York City, edited by Jews Albert E. Kahn, Prof. F. L. Schuman (so Red Chicago Uni let him go - see Mrs. Dilling's THE RED NETWORK), and by "front" journalist Johannes Steel, Leland Stowe and Wythe Williams, which is quoted in Jewish press and controlled publications, devotes much space to attacking SOCIAL JUSTICE (10¢ weekly, Royal Oak, Mich.). 1-10-42 THE HOUR, a spokesman for Synagogue of Satan (Organized Jewry-In-Finance), objects strenuously to what it calls "Fifth Column" activities of Christians. It accuses Christians of being "Fifth Columnists" if they seek to get into Civilian Defense organizations, and hold offices in patriotic organizations. THE HOUR from time to time has "exposed" me as being a "notorious fascist and professional Jew-baiter", yet AID! has consistently warned that all dictatorships are but pawns of the Synagogue of Satan, so how could I be a fascist? If quoting Jewish press makes me a "Jew-baiter" -

so be it. THE HOUR frequently takes credit for having inspired the FBI to make arrests. Yet nowhere does THE HOUR object to Communist Party or - that Reds should enroll in Civilian Defense key positions - particularly as Air Wardens. Nor does THE HOUR object to fact that another prominent Red, Jos.P.Lash (Jew?), former head of Red Amn.Student Union, was just appointed to Advisory Com.of Divn.of Youth Administration of the Office of Civilian Defense. Nor does it object to fact that another long-time Red, Malcolm Cowley, was appointed as a writer and analyst in the Office of Facts & Figures of the Office for Emergency Management at a reported salary of \$8,000 per year. (CR 1-13-42).

Incidentally, with Reds in key jobs at the top (Red  $\frac{1}{2}$  Jew LaGuardia, head of Civilian Defense; Red Jew Hillman, over Labor; Red Lash, over Youth; Red Cowley, doctorer of OFM figures; Jew Baruch's protege Leon Henderson (Jew?), Price Control Czar, with his best friend, ex-long-time employee of Jew-owned Sears-Roebuck, Donald Nelson now a War Production Czar; Red refugee, married to Jewess, Thos.Mann, now aide to radical Ar ibald MacLeish, Czar of Library of Congress; et al, et al), and with Reds as Air Ward in our large cities, our so-called defense program has devilish possibilities. E.g., Red Air Wardens would have access and full opportunity to get an absolute check (on personal firearms, etc.), block by block, of all citizens and non-citizens. Think it thru.

Despite pressure, such as Secy.of War Stimson's (ex employee of intl.warmonger financiers Kuhn-Loeb Co.-Jews) letter that he didn't want Civilian Defense under Army control, and despite Pres.Roosevelt's wife and Jew Secy.of Treas.Morgenthau's wife are LaGuardia's assistants, yet it was lack of confidence in LaGuardia with his known Red activities, that caused the House to vote 187-to-168, on 1-8-42, virtually ousting LaGuardia even tho he is Roosevelt's appointee. No doubt the pressure finally had effect, for the vote immediately following, by one vote (178-to-179) defeated another amendment to H.R. 5727 that would have created an Asst.Secy.of War to head Civilian Defense.

Synagogue of Satan knows only too well (despite its 3 Jewish Generals - Genl.Irvin Phillipson never known to be a Jew until after he was put in charge of most vital 2nd Corps Area, N.Y., N.J., Dela. where  $\frac{2}{3}$  of defense industries and most of shipyards are in key positions) that the Army doesn't like Reds, and that with Civilian Defense under the Army the Reds would be ousted. Now you know why all the Jews voted against said amendments to H.R.5727 which place Civilian Defense under Secy.of War, not LaGuardia.

As previous AID! have proved by quoting from CONGRESSIONAL RECORDS, Jewish Congressmen persist in voting against best interests of real defense. How can anyone get around such sheer logic as this from 1-8-42 CR: "Mr.Jennings. Against whom is it proposed that this agency defend us; against civilian attack or against a hostile military attack? Mr.Bradley of Michigan. I assume it is to protect the civilians of this Nation against hostile military attack. Mr.Jennings. Does anybody think for 1 minute that a civilian, even though that civilian may be a woman, is better qualified to defend us against military attack than a military man would be? Mr.Bradley of Michigan. I certainly think the question answers itself. Obviously this calls for a tremendous amount of military organization, supplemented by volunteer civilian workers in every community in this large Partisan politics should play no part in the vital question of civilian defense...."

With Reds and Jews making so much to-do over Negroes, isn't it more than a coincidence that LaGuardia puts a Negro Regiment patrolling critical points of New York City?

In re Reds in key positions of all kinds in our local, State and Federal Govt, it is well to recall the "traitor's" OATH that every Communist takes. In that oath there is only one mention of the "United States". It is the last word in the oath, and it is preceded by the following diabolical pledge: "I pledge myself to rally the masses to defend the Soviet Union, the land of victorious socialism. I pledge myself to remain at all times a vigilant and firm defender of the Leninist side of the party, the only line that insures the triumph of soviet power in the UNITED STATES." Recalling that that "triumph" is always achieved by means of bloody revolution, and that such "Leninist Line" in the past 24 years has "liquidated" by murder and starvation about 50,000,000 lives, mostly Christians, then you should realize the utter necessity NOW of impressing your Congressmen with the dire need of seeing to it that CIVILIAN DEFENSE becomes an Army function, and that "only true Christian Americans be placed on guard!"

Since common sense dictates that retired Army officers should be called into key positions to direct Civilian Defense, why wouldn't Genl.Geo.Van Horn Moseley be the man

Genl. Moseley, 2nd in command of U.S. Army when retired 9-30-38, commands respect in Army and Civilian circles, despite the Dies Com. "trial" of May-June '39 which smeared him because he fearlessly named the Synagogue of Satan as our real enemy. He probably understands subversive forces and their operations better than any other General. If this war is as serious as Pres. Roosevelt says it is, then he should be above "partisan politics" and make Genl. Moseley Asst. Secy. of War in charge of Civilian Defense. With all the Jews, Reds, refugees, and Jews' "hired men" in key positions, is it too much to ask that a few Christians be put into some of such key spots?

It should be remembered that if Genl. Moseley's advice from 1912 onward had been followed, we would not be where we are today. Belatedly, Congress and Pres. Roosevelt now recognize Col. Billy Mitchell as a hero and a martyr, tho he died in disgrace for having advocated what history now proves him right as to his advocacy re navy, air power, etc. Why wait until Genl. Moseley is dead to realize that if his "building manpower" program had been permitted to become law, we today would not find about 40% of our youth disqualified for military service? Beginning about 30 years ago he fought for a Bill which would have required every boy of 18, or as soon as he completed high school, to spend a year under Army supervision, whereby defects of eyes, teeth, living habits, etc. would have been ironed out, and all our youth would then go back to college or into civil life with an improved or rugged body, some knowledge of military defense, with an appreciation of correct living habits, duties of citizenship, etc., that only too obviously our youth lacks today. Pres. Roosevelt would have a hard time finding a man with Genl. Moseley's qualifications to serve as Asst. Secy. of War in charge of Civilian Defense. Surel LaGuardia, Mayor of 8,000,000, and Chmn of USA-Canadian Defense Com. has all he can do.

Col. Lindbergh is somewhat in same class with Col. Mitchell and Genl. Moseley, and certainly we shouldn't wait until he is dead to appreciate his value to our defense progress. Illustrating, however, how Jewish Congressmen constantly exert their influence against best interests of our Nation, witness Repr. Kopplemann writing Pres. Roosevelt, protesting against the possible assignment of Col. Lindbergh to any military position. It would seem that Jewish leaders would sense the wisdom in these days of toning down their activities. Many people begin to sense a correlation between Jewish objections to native-born Americans, particularly Christians, taking part in defending our once Christian Constitutional Representative Republic, and the boasting in Jewish press of the part their leaders have taken in REVOLUTIONS abroad.

I.e., the Jewish NY TIMES, 1-4-42, devotes almost column to glorifying Pinkus Rutenberg, who died as a financier in Palestine, a member of the Reform Club of London, and as "one of the most important business figures in the Near East", and who is listed in WHO'S WHO IN AMERICAN JEWRY 1938-39 edition, altho he only visited New York in 1914 (as leading organizer of the Ann. Jewish Congress - since 1924 headed by Rabbi Stephen S. Wise (incidentally, this "Congress" is one of leading agencies of Synagogue of Satan against which Genl. Moseley warned the Dies Com.). This Rutenberg returned to USA for a short time after he had aided Kerensky in Russia's RED REVOLUTION, "where, in his younger days, he had belonged to the Terrorist section of the Social Revolutionists". In 1919 he went to Palestine to become a great "financier", obtaining from the British Govt the first hydro-electrical concession for Palestine, even tho he was attacked in Parliament as being a "Bolshevik and murderer". How significant that the Winston Churchill (1/2 Jew) who defended Rutenberg then, is now dictator of the British Empire! And many think the real ruler of USA! Truly the Synagogue of Satan rewards its servants!

Remember, too, that Lenin and Trotsky, not to mention Turk Stalin, the first two Jews, were well rewarded for their part in that murder and plunder-bund.

Sources that enabled AID! to correctly diagnose 3 years ago that the 1940 presidential election would not be bonafide, and that "by 1942" the USA would be under military-economic dictatorship, prompt me to urge Christian Americans in their planning to take into definite consideration that "by 1944" the Yellow Race led by those who call themselves "Jews", will be pitted against what is left of the White Race. Anti-Christian Russia, Mongolia, Siberia, China, Japan, India, et al, whom we have helped educate, finance, and supplied with munitions of war, are only waiting until Whites have killed off each other and impoverished themselves of manpower, finance and munitions of war, thru the European wars, and thru scattering everything we have all over the face of the globe. Do you realize that the increase in population the past 10 years in those countries exceeds the total population of USA? Beware of Synagogue of Satan and its plans!!!

BULLETIN NO. 298.

"End the War Quickly!"

Jan. 26, 1942.

SMEARS. Unreliability and source of some of Jew W. Winchell's stuff proved in his DAILY MIRROR column (which he broadcasts goes in some 800 newspapers) last week. He quotes almost verbatim from 1-17-42 THE HOUR of New York City: "The Dec. 22, 1941 issue of a subversive bulletin, published by Charles B. Hudson, in Omaha, Nebr., includes this significant comment: 'Notice: If any soldier receives our bulletin, I did not send it. If any subscriber joins armed forces, advise me so I can remove such name from our mailing list! Apparently Hudson is well aware of the seditious character of his publication.' First, Winchell didn't quote correctly - failed to name "AMERICA IN DANGER!" Apparently afraid of the title. Second, he uses "subversive" and "seditious" to smear us. Third, his column is not quoted in its entirety by the "over 800 newspapers", for Omaha's WORLD-HERALD failed to quote that item, as well as a dirty dig at Herbert Hoover, yet it should have been local "news" for rarely does an Omahan "make" Winchell's column.

Since soldiers are no longer free agents, obviously they cannot bring pressure upon Congress to correct evils, so AID! bulletins to soldiers would be wasted. As to AID! being "subversive" and "seditious", both THE HOUR (Jewish "inside stuff" bulletin) and Winchell let their spleen get away with their judgment. Surely, they should know that AID! has been ruled "not subversive". That I put that "NOTICE" in B#296 to be on record so that if any AID! did show up in some Army Camp, it would place the onus on the Synagogue of Satan (Organized Jewry-Intl. Finance). For it would be just the tactic of that S. of S. to try to get me in bad with my Army friends, by sending copies of AID! surreptitiously obtained, to S. of S. soldier-agents in Army Camps.

And surely THE HOUR and Winchell know that my going on record in B#289 by quoting my letter to Dept. of Justice Special Defense Unit officials brot forth a half-way apology from them, 12-19-41, reading in part: "It is regretted that your letter in regard to registration under the Voorhis Act appears to indicate a misunderstanding of the aims and spirit of the Act. The purpose of this statute is not to suppress or intimidate any organization or to interfere with the rights of free speech, civil liberties, or peaceable assembly, but rather to protect those rights by providing the public with a full and fair disclosure of information concerning the goals and activities of organizations..." Since I belong to no organization whatsoever, that Act does not apply, and those Dept. of Justice officials at Washington, D. C. had had several issues of AID! before they wrote me that letter.

It is quite significant that B#289 apparently called somebody's hand, for to my knowledge no Jewish press accepted that challenge in B#289: "Should the Jewish press now come out with purported documentation implying that I am being 'investigated', you will have some additional proof of just who it is that runs the NUDEAL."

Jewish press calls me all kinds of names, but has stayed away from making claim so often made re others - to-wit - So-and-so is being investigated by the FBI, etc. However, a feature article in NEW YORK POST (like NY TIMES, Jewish controlled), not only brot me a couple of "fan" letters (now in hands of Post Office Inspectors), one of which full unprintable obscenity closed with: "... The Jews are just too good for guys like you. I wish you die right after you read this letter. If you dont die right away I'll pray to God every day that you do." (signed "A Good Jew"), but a Sam G. Halper on NEW YORK POST letterhead wrote me 1-23-42: "We would like to have our name placed on your mailing list so that we may receive your bulletin for the use of our news and editorial staffs..." I have to pay for newspapers even tho they have income from advertising while I have to depend entirely upon subscriptions, so I quoted our price to Mr. Halper.

Not only does 1-17-42 THE HOUR smear me by lies reaching presumably millions of people thru Winchell's column and other press quotations, with most of those millions denied access to the truth, but that issue also devotes 3 pages to smearing Boris Brasol, climaxing thusly: "... Boris Brasol moves in high circles in this country. His contacts include prominent businessmen, politicians, professors in leading universities. He

asts of his 'friends in Washington' and is said to have...  
tate Dept. At a time when Hitler and his allies are so desperately striving to disrupt the democracies, the inverted talents of such a man are in particular demand by the Axis powers. Today Brasol constitutes more of a menace than ever before to the unity of the American people. The Hour therefore urges that the Dept. of Justice conduct an immediate investigation of the current activities of Boris Brasol."

What has Brasol done to earn this special attention by THE HOUR? It says in part: "... In 1916 he came to the United States as the Russian representative to the Inter-Allied Conference in New York City. When the Russian Revolution occurred in 1917, Brasol decided his safest course would be to remain in the United States... One of the earliest of these ("unofficial labors") was distributing in the United States translations of The Protocols of the Elders of Zion. This infamous forgery, purporting to reveal a vast Jewish conspiracy to create a worldwide dictatorship, had been used by the Czar's govt to provoke anti-Semitic agitation and pogroms. By spreading the wretched canard of the Protocols in America, Brasol sought to rally support for the White Russians (CHH- i.e., Christians) and to convince public opinion that the 'Red Revolution' was part of the 'international Jewish conspiracy.' Through Brasol's efforts the Protocols reached Henry Ford, who reprinted them in his Dearborn Independent. Brasol even managed to have a copy of the Protocols placed in the files of the U.S. Secret Service as an explanation of the Russian Revolution. A prolific author himself, Brasol began writing books filled with anti-Semitic propaganda. The World at the Cross Roads, published in Boston in 1921 (CHH- out of print), typifies the Jew-baiting literature which flowed so easily from his pen. The book contends that the Russian Revolution was instigated, financed and led by Jews; and describes the overthrow of the Czar and consequent international developments as a 'sinister movement in which the Jews of the world and Mr. Wilson have become partners.'...."

This is the Brasol who, on 10-10-41, signed jointly with Archbishop Vitaly and Boris Sergievsky an open letter protesting Roosevelt's OK on Bolshevik treatment of religion in Russia, and quoting undisputed Soviet publications, edicts, and other authorities, giving the truth about the destruction and desecration of Christian churches in Russia, and the slaughter of millions of Christians the past 24 years. How significant that THE HOUR, self-evidently a mouthpiece for Synagogue of Satan, not only finds no fault with Soviet Bolshevik diabolical tactics, but does not even deny the truth of the "international Jewish conspiracy". How significant, also, that with Wm. D. Pelley now jailed for 2-to-3 years in No. Car., after almost 1 1/2 pages in THE HOUR attacking him and his publication THE GALILEAN, you find this query: "... The Hour asks: how much longer will this Nazi hireling be permitted to circulate his treasonable propaganda?" While I hold no brief for Pelley, note this timing - 5 days after THE HOUR's attack and query, he goes to jail!

And how timely Henry Ford's letter (because of his aforesaid Dearborn Independent exposures of that "international Jewish conspiracy" back in the early 1920's) written 1-7-42 to Sigmund Livingston, Chmn of the Anti-Defamation League of B'NAI B'RITH (the worldwide espionage and pressure agency of Synagogue of Satan, headed by Omaha Henry Monsky --- see THE OCTOPUS - 256 p. book with 2,300 names in index - the most feared book ever written - single copies 60¢ while limited supply lasts). How the Jewish press gloats over Ford's belly-crawling! THE JEWISH PRESS 1-16-42 editorializes: "... The value of the letter is the reaction on the general public and on those, who still think anti-Semitism a harmless pastime..." Re-read that to get full import of that threat! Then note this front-page opening paragraph in 1-16-42 JEWISH EXAMINER, largest weekly Anglo-Jewish circulation in America, "dedicated to the American Way of Life Through Interfaith Accord": (under 3-columns-wide caption): "Henry Ford, whose letter condemning anti-Semitism was made public this week by the Anti-Defamation League of B'NAI B'RITH, has been asked by L.M. Birkhead, national director of Friends of Democracy, Inc., to take legal action against all persons who continue to distribute a Ford publication, 'The International Jew', which the motor magnate repudiated in 1927..."

Now let's read a few more excerpts from Jewish press to begin to appreciate what they mean by their "American Way of Life". Editorial in Dec, '41 JEWISH FRONTIER of New York City, under "Dangers to Beware Of" - "... A Fifth Column can be a serious danger in this country... The not-so-different varieties of Lindberghs, Coughlins and other assorted fascist sympathizers have been trying hard to split this country along lines of race or religion... But these criminal activities should now be tolerated no longer.

BIBLE could be accused of a Federal crime and upon conviction could "be fined not more than \$5000 or imprisoned for not more than twenty-one years, or both". In New York City, even the courts have become so corrupt that Christians become involved in an altercation of any kind with Jews are openly deprived of their legal rights. They are practically helpless in the grip of an alien and radical government which has almost openly declared war on Christianity. Things have come to such a pass there that an Archbishop of the Catholic Church was picketed by a rabble while attending exercises at Fordham Uni, and nothing was done about it. This was apparently in reprisal for the prelate's refusal to accept dictation from a group of Communistic Jews who made certain demands upon him..."

This reminds that S.2060 (identical bill in House) was passed 12-19-41 in a hurry without a recorded vote of yeas and nays, yet its section (j) empowers the Administration to imprison any person considered guilty of disseminating "political propaganda", which defined embraces any kind of oral, written or printed expression intended to influence one or a group with reference to the foreign policies of the USA or promote racial, religious, or social dissension. Will that power be used??? How significant that CONGRESSIONAL RECORD 12-20-41 has article from 12-16-41 LOOK magazine, inserted by Jew Repr. Sol Bloom, which prophesies: "... Can it (Anti-Semitism) be halted? Yes. We must make it a crime to foment race hatred. Mr. Willkie offered that suggestion..." That's the law in Russia, too. Practically same law in England, too. How interesting!!!

One Christian writes: "... There should be something we could do even in this late day. One thing is a call to prayer for every Christian. We can pray for God to end this war quickly in His way... If the Senators could get a Bill thru to take profit out of war that would put an end to it quickly. The evil forces in this Nation seem to be so much stronger than the good. It will take lots of praying. I believe the evil forces are more afraid of praying Christians than they are of armies and bombings..." Amen!

Which reminds that 1-6-42 CONGRESSIONAL RECORD claims the major oil companies, by tricky decisions, even tho the Dept. of Justice had a dead open-and-shut case, were exempted from paying \$1,500,000,000 in penalties to our Govt for violation of the Elkins Act. Sen. Gillette disgustedly said: "... This was done at a time when we are trying to collect money for the national-defense effort. It costs \$21 a month to pay a private in the Army \$252 a year. An army of 6,000,000 men could be paid for a year with the amount the Govt threw away..."

That reminds that said oil companies are making millions out of the war, and guilty of selling (CR 1-14-42) to Japan in 1939 an avg. per day of 72,000 barrels of oil and 15,000,000 gals. of gasoline; and an avg. per day in 1941 of 42,000 barrels of oil, 4,500 barrels of machine oil, and 15,000,000 gals. of gasoline, with express permission of our State Dept., even tho it was making demands on Japan that were certain to cause war!!!

Reminding further that some of major oil companies, with blood money profits, are among the 100 out of 2,922 firms who were awarded 15 1/2 billions from June '40 to Oct. '41 of war contracts, with said 100 getting 82.6% of that 15 1/2 billions. CR 1-8-42 says further that corporate profits for the year are estimated at 11 1/2 billions, which is more than the entire income of farmers who constitute 23% of our population; that thousands of men are now out of jobs, yet, as in one instance, even after 44 days after bids were opened for a defense job, the contract had not been let, so that the failure in our defense program is neither attributable to Congress which has appropriated billions, nor entirely to labor strikes, nor to business management, but to "sabotage at the top" - as AID! has been warning against long before we were actively in this war. Tell your Congressmen to keep forever alert on all phases of our national-defense program!

THE HOUR of New York City, edited by Jews Albert E. Kahn, Prof. F. L. Schuman (so Red even Chicago Uni let him go - see Mrs. Dilling's THE RED NETWORK), and by "front" journalists Johannes Steel, Leland Stowe and Wythe Williams, which is quoted in Jewish press and controlled publications, devotes much space to attacking SOCIAL JUSTICE (10¢ weekly, Royal Oak, Mich.). 1-10-42 THE HOUR, a spokesman for Synagogue of Satan (Organized Jewry-Intl. Finance), objects strenuously to what it calls "Fifth Column" activities of Christians. It accuses Christians of being "Fifth Columnists" if they seek to get into Civilian Defense organizations, and hold offices in patriotic organizations. THE HOUR from time to time has "exposed" me as being a "notorious fascist and professional Jew-baiter", yet AID! has consistently warned that all dictatorships are but pawns of the Synagogue of Satan, so how could I be a fascist? If quoting Jewish press makes me a "Jew-baiter" -

one of Palestine labor, and this life, more than any others, characterizes the movement. A Zionist first, he is a labor leader second, even though he doubtless deems his Zionism and Socialism (C.H. i.e. Communism) are interlocked... something of a little Napoleon, feared by both friend and foe.. Ben-Gurion has come to America because he could make no headway with the British Colonial Office. Despite cancellation of the Jewish Army, Ben-Gurion has faith that Washington will urge England to permit Jewish Palestine to contribute its maximum to the war effort.. Why import Australians and New Zealanders all the way to Palestine when Jews already there are clamoring for a chance - a mere chance! - to battle the Nazi dragon..." You and I would ask, why don't these Jews join the British Army if they are so anxious to fight?

THE B'NAI B'RITH attitude towards the Christian BIBLE (p.161 of their magazine), quoting their "stooge" Dr. Everett R. Clinchy, Pres. of Natl. Conf. of Christians & Jews (CBH- B'NAI B'RITH financed): "... Many American mothers unwittingly expose their children to infections of prejudice and hatred within the family circle". Christ was the world's greatest "anti-Semite", and the NEW TESTAMENT is "poison" to Anti-Christ plans.

P.166 - "One of the most important sentences in the (Pres. Monsky's and Secy. Maurice Bisgyer's) joint letter was this: 'It is the government's desire for the activities of organizations such as ours to continue, particularly since we conduct special defense (CBH- i.e. attacking Christians) activities... It is essential.. that our lodges participate even more actively in the work of their local defense councils.. Each B'NAI B'RITH unit should notify its membership that donors of blood plasma for our army, navy, and injured civilians; air raid wardens, and those possessing knowledge of radio communication, are needed. This applies to women members as well.'... B'NAI B'RITH members and officers are urged to strengthen their lodges in preparation for a program that will grow in intensity and usefulness until the enemies of our country are finally and completely crushed!"

How significantly the above "program" parallels that of the Communists (see B#297), and B'NAI B'RITH in its Jan. '42 official organ proves that its greatest leaders, Zionist movement, war program, civilian defense, and Socialism (i.e. Communism) are interlocked! No wonder the Jewish press objects so strenuously to Christians trying to get into "key" Civilian Defense positions. Remember that "stooge" Landis, and Jewish LaGuardia, despite efforts of Congress (see B#297), with his tribe, still run Civilian Defense.

And all this Jewish, Negro, and now penitentiary criminals donating to "blood bank" holds terrible consequences for our White Race. Mixing blood streams thru "transfusions" easily done with so many Jewish doctors and internes in hospitals and armed forces!

With Henry A. Wallace, long-time Socialist, very likely to succeed Pres. Roosevelt, how significant that on Sun. AM, 1-25-42, at New York City, the B'NAI B'RITH 98th Anniversary Award Committee presents Wallace "the coveted award for 'honor, duty, achievement'"

Recalling that AID! doesn't go to Army Camps, p.176 tells you that this B'NAI B'RITH magazine, with its definitely seditious glorification of Socialism-Communism and traitors past and present, is being furnished to Army Camps by hundreds of copies. Yet with all Jewish claims of "patriotism", that magazine let's several cats out of the bag when it quotes a letter from "the only Jew in my barracks" at Ft. Bragg, N.C.!!!

THE CONTEMPORARY JEWISH RECORD, Dec. '41, official organ of The American Jewish Com. (rich Jews powerful organization), under "Fascism in America" devotes about 9 pages to smearing "Mothers" groups and leaders, with such as this: "... Altho their capers seem to be only a crude caricature of true mother love and genuine patriotism, their organizations must not be taken too lightly. Their success alone in mustering five hundred women for the trip to Washington in Febr. 1941 indicates substantial backing or true fervor, either of which may be dangerous (CBH- i.e., to real enemies of USA).. Only pitiless light which publicity can shed on the Nazi connections and Nazi aims of the 'Mothers' will prevent their leaders from exploiting such fears for their own dark purposes..." Opposition to warmakers always to be labelled "Nazi".

Mrs. Eliz. Dilling, fearless mother of 21-yr-old son (room 708, 8 So. Dearborn St., Chicago), author of THE RED NETWORK, THE ROOSEVELT RED RECORD, and publisher of bulletin issued about monthly, earns greatest spread in this smear, a few lines reading: "... Their major coup was the 'Mothers Crusade Against 1776', a demonstration which sought to prevent the passage of the Lend-Lease Bill in Febr.-March 1941. Marshalled by Mrs. Dilling, with Charles B. Hudson, editor of the rabid anti-Semitic dope-sheet AMERICA IN DANGER, stage-managing behind the scenes, about 500 embattled 'Mothers' stormed halls of Congress.

Honorable Karl Stefan

- 2 -

Numerous issues of "America in Danger!" during the early part of 1941, advocated and encouraged a "Mothers' March" on Washington, to protest the passage of the "Lend-Lease Bill", which was to be led by Elizabeth Dilling. During 1941, the publication also exhorted subscribers and readers to arrange a march on Washington, to institute impeachment proceedings against the President and the Secretary of the Navy.

According to an article appearing in the New York newspaper, "P. M.", of June 29, 1941, Hudson was a close collaborator of Mrs. Elizabeth Dilling, who is known as the author-publisher of the book, "The Red Network". This same source states that the high point in Hudson's activities is the publication and distribution of the "violent anti-Semitic book" called the "Octopus". This article continues, stating that the printer of the "Octopus" is "reliably reported to have turned the book plates over to William Dudley Pelley, of Silver Shirt fame, after printing the ordered 30,000 copies for Mr. Hudson".

Hudson accompanied General George Van Horn Moseley, when the latter appeared before the Dies Committee. Hudson occasioned nation-wide publicity at that time, by his examination in the Committee room of drinking water offered to Moseley. His ostensible purpose was to be sure that the water had not been poisoned.

b7c Hudson's publication makes commendatory statements concerning, and often quotes, among others: [redacted] of the Christian Mobilizers, New York City; The Reverend Gerald B. Winrod, editor and publisher of "The Defender Magazine", Wichita, Kansas; and Gerald L. K. Smith, Chairman of the "National Committee of One Million".

With expressions of my highest esteem and best regards,

Sincerely yours,

Edgar Hoover

BULLETIN NO. 299.

"End the War Quickly!"

Febr. 3, 1942.

New address: 4327 Grant Street.

"THE ROAD TO VICTORY" - by Geo. E. Sullivan (only atty. who appeared before Senate Com. to protest Red Jew Felix Frankfurter's appointment by FDR to Supreme Court), author of "Wolves in Sheep's Clothing", and one of 3 who appeared beside Genl. Geo. Van Horn Moseley when latter was crucified in 2-days' "trial" before Dies Com., is 195 pages of documentation of history up to Jan. '42 that identifies the "hidden rulers of the world", and their objectives and methods. It is definitely a "must have" book. \$1. per copy.

TYPHUS. Press reporting typhus epidemics abroad. Comparison of Jewish press now with fall of 1940 very enlightening. JEWISH EXAMINER (largest weekly Anglo-Jewish circulation in America) 1-30-42 front-pages Jewish Telegraph Agency dispatch from Zurich, Switzerland: "... Germany's two chief worries - the retreat on the Soviet front and the spread of typhus within the Reich - were attributed here this week by neutral observers to Hitler's blind hatred of the Jews... By starving the Jews in the ghettos to a point where they became infected with typhus, he overlooked the fact that the plague might spread to the German army and to the civilian population in the Reich. Spotted typhus is now raging in Berlin, Leipzig, Nuremberg and in many cities in Germany despite frantic efforts to check it..." Editorial in THE JEWISH PRESS 1-30-42 gloats:

"Riding over Europe today is the spectre of an Oriental horseman of legend... of the Apocalypse - Plague. This time the horseman has ridden from the ghettos of Eastern Europe - the packed, filthy ghettos into which the Jews of Europe have been herded by the Nazis. They are striking back in their last gesture of defiance, striking back altho they fall the first victims of the dreaded Typhus. So serious have the ravages of this malady become that it has been the subject of a prolonged discussion in the British House of Commons. Not only are the British concerned with its spread to the Middle East, but to the island fortress of Great Britain itself. Typhus also appeared during the last war, claiming as many victims as the battlefields. Eight million persons, it is estimated, died from the ravages of the disease... (today) Typhus may turn out to be the conqueror of Europe."

Before quoting Jewish press of 1940, note that while Hitler now is blamed for the spread of typhus thruout Europe (which helps wipe out White Race in Europe, thus making Yellow Race its conqueror), yet in World War I there was no Hitler to be blamed for the killing of those 8,000,000. The truth as to who is responsible for spreading Typhus, should furnish additional proof as to who and what constitutes real Yellow Column in USA. If preventive measures not taken, our large cities too will be laid low by typhus epidemics, for we have absorbed "refugees" who carry the seeds of that Plague!

FEB 5 - 1942

AID: B#243, 11-18-40, warned: "... Recalling that Biron (Jewish columnist in 9-27-40 THE JEWISH PRESS) claims there are 1,250,000 Jews in German-occupied Poland, listed to columnist Pat Frank (Jewish Telegraph Agency press bureau at Washington, D.C.) gloat over what is in store for German people: "... In every Rumanian district bordering Poland, they (American physicians) found a huge jump in the number of typhus cases. They checked further, and found this was true on every Polish border, Poland was like a poisoned well from which the deadly water seeped into the soil beyond... Typhus knows no boundaries, race, or creed. It can strike down the pure "Aryan" in a Berlin bomb shelter as easily as it strikes the burdened Jew.. in a Polish concentration camp. Hitler is likely to find this out. For Hitler is importing the newly created slave labor of Poland and France into his Reich. They'll bring with them more than dulled minds and unwilling hands to till the fields of Germany. They'll bring typhus..."

Then B#244, 11-25-40, warned: "... Eminent historian Lothrop Stoddard, writing in 1922 'The Revolt Against Civilization' quotes Jewish official Communist paper FREIHEIT (editor until death, Russian-born Jew M. J. Olgin, head of Jewish section of Communist Party and on Exec. Com. - picture plus glorifying writeup in WHO'S WHO IN AMN. JEWRY,

787), pay back in 1880 g: 'It is no longer aristocr and royalty that the pe-  
ple intend to destroy; here, perhaps, but a coup de grace or two are yet needed. No;  
in the coming onslaught the object is to smite the entire middle class with annihila-  
tion. Exterminate the entire contemptible brood! Science now puts means into our  
hands which make it possible to arrange for the wholesale destruction of the brutes  
in a perfectly quiet and businesslike fashion.'..."

B#248, 12-30-40, further warned, giving proof as to who "spread typhus": "... Since  
B#243 quoted THE JEWISH PRESS 9-27-40 that Polish Jews are typhus carriers, predicting  
that such brot into Germany would spread that disease and help destroy Hitler; and also  
quoted head of American Cryptographic Bureau in WorldWarI as deciphering telegram which  
reported an Entente plot to assassinate Pres. Wilson, either by administering a slow poi-  
son or by giving him the influenza in ice; and since B#244 quoted Jewish Communist FREI-  
HEIT in 1880 saying that science had now put into Red Jews' hands the means 'which make  
it possible to arrange for the wholesale destruction of the brutes (middle class, i.e.,  
Christians of Europe & America) in a perfectly quiet and businesslike fashion', follow-  
ing is highly significant.

(B#248) "The Jewish NY TIMES 11-20-39 quoted special cable from Berlin that Warsaw's  
ghetto was put under armed guards, segregation due to 'Jews were making profits from the  
need of the Polish population; furthermore, they were dangerous carriers of sickness  
and pestilence'. This is borne out by Board of Health WPA Project in 1934-35 in New  
YorkCity to determine the relation between rats and typhus fever cases, which are almost  
100% 'in the person of a Russian or Polish Jew, or a Jew from eastern Europe, where  
typhus fever is known to occur in large numbers at the proper season.' Results of  
this long research: 'Typhus here not carried by rat fleas. And body lice not found,  
hence it is not transmitted in the European way -- one conclusion may be that it is a  
racial or genetic strain peculiar to the classes (Jews) mentioned in the report.'

(B#248) "Since hundreds of thousands of such 'refugee' Jews have flooded our large  
cities during NUDEAL (aided and abetted thereby regardless of immigration laws), and  
since THE JEWISH PRESS boasts that such Jews taken into Germany will cause typhus epi-  
demics, what a danger exists in our midst! Was the 'accidental (?)' pollution of Roch-  
ester, N.Y. water supply just a test case to create fertile soil for spreading of typhus?  
Why did the present mild flu epidemic, for first time, start from West, whereas all pre-  
vious 'flu' epidemics started in the East, moving westward? Does fact that so much food-  
stuffs 'in ice' move from West to East presage another 'experiment' going on? Is this  
flu, 'a new kind hitherto unknown to medicine', being used to break down our resistance  
so we will be more susceptible to the more dangerous typhus fever? THE JEWISH PRESS  
12-27-40 'Frankly Speaking' column is devoted to comments on 1934 book by Ernst Henri  
who predicted that Germany by planes would scatter death-dealing agents 'in their gas,  
their incendiary bombs, and their bacillus grenades'. Is all this emphasis on destruc-  
tion of people by 'science' (fire, gas and disease germs), recurring in THE JEWISH PRESS,  
significant, or isn't it? It is usual tactic of Organized Jewry-Intl. Finance to accuse  
someone else (as smokescreen) of the very method they are already using, or intend to  
use, themselves."

Since there is much "unknown to medicine", isn't it possible that there are angles  
to the use of "blood banks" entirely foreign to the purported one of saving lives? In  
view of fact that Jewish press has proved so prophetic re Jewish-promoted "typhus epi-  
demics" in Europe, is their present energetic-widespread campaign for collection of Jew-  
ish "blood banks" for army, navy and civilian use prophetic of the predicted epidemics  
due in America? How would you like to have the bloodstream of your baby, or son, or  
husband, or daughter, or wife, polluted by dried blood collected from Jews, Negroes,  
and criminals? (Fulton Lewis, Jr., on Jew-headed Genl. Electric Co. radio program, 1-25-  
42, said criminals in prisons could donate their blood for "blood banks" for soldiers).  
So, with increasing use of "blood banks" by medical profession, note above and following.

Jewish NY TIMES 1-26-42 Special from Washington, captioned: "ARMY MAKES PLEA FOR  
BLOOD DONORS", quotes Col. Chas. C. Hillman of the Surgeon Genl.'s Office of the Army:

"In ordinary transfusions the patient and donor must be brot together under favorable  
operating conditions. (CBH- patient, or patient's kin then at least have chance to see  
who the donor is).. plasma is also more practical under wartime and emergency conditions  
because the dried form can be kept several years without refrigeration and does not  
have to match the patient's particular type of blood, as must whole blood..."

Since Labor Czar Sidney Hillman is Russian-born longtime Red Jew, and since it is  
notorious how many Jews are in medical depts. of Army & Navy, just who is Col. Hillman?

Since obviously the supplies of "several year-old" dried blood could not be kept track of, and since it does not have to match that of the patient, then consider the campaigns now on whereby "blood banks" are being created out of donations possibly from criminals, and assuredly from Negroes and Jews, whose bloodstream is a mixture of black, yellow and white! Note, too, that the propaganda for building up such "blood banks" emanates not only from War Dept. but from obviously "controlled" Amn. Red Cross, getting its greatest ballyhoo in Jewish press wherein you learn that the worldwide espionage, pressure and hatchetman organization, B'NAI B'RITH, is pressuring Jewish youth and adults to donate their blood to Red Cross "blood banks".

In B'NAI B'RITH official organ THE NATIONAL JEWISH MONTHLY, Jan. '42, the editorial "ANTI-SEMITISM IS TREASON!" (see B#298) that lashes out at non-Jews who quote the Jewish press, urging they be treated as "traitors to USA", also boasts what may mean considerable more than appears on the surface: "... JEWISH blood has already been spilled in this war to defend America and rid the world forever from the black, brown, and yellow Fascist poison that has infected some of its parts. In dim hospital vaults are bottles of blood taken from the veins of American Jews for the use of the wounded who need transfusions..."

Not only does B'NAI B'RITH canvass its members for 6,000 donors to the Red Cross "blood bank", but its "stooge", The Federal Council of Churches (B'NAI B'RITH financed) dutifully publicizes a resolution re the "religious significance of giving one's blood to a blood bank". In New York City, 1-30-42, three court officials contributed blood, initiating this B'NAI B'RITH drive: Magistrate Peter A. Abeles, Asst. Corp'n. Counsel Nelson Rosenbaum and former municipal judge Myron Sulzberger.

With all this rush to build "blood banks" from Jewish, Negro and criminal sources, note this word of caution by Geo. W. Calver, Capt., Medical Corps, U.S. Navy, in 1-27-42 CONGRESSIONAL RECORD: "... Not all people are suitable blood donors; much depends on their age, physical condition, blood pressure, and previous medical history.. Unless blood is taken under the strictest surgical asepsis, contamination is all too likely to happen and valuable material lost..."

In view of the Synagogue of Satan's (Organized Jewry-Intl. Finance) high pressure interest in building "blood banks", I have a right to wonder what its real purpose is!

CONGRESSIONAL RECORD NEWS. Repr. Ham Fish, who sometimes patriotically speaks one way, and votes another, inserts into 1-30-42 CR a letter to Jewish NY TIMES by Red Rabbi Stephen S. Wise, urging formation of Jewish Army in Palestine, Fish saying in part: "This issue is a most important one, and the facts should be considered carefully in order to make the best use of the lend-lease weapons in strengthening the democratic front against nazism and the Axis Powers.." Yes, intention is to use USA funds to build a Red Jew Army! Fish in 1930 headed House Com. similar to present Dies Com.!

Repr. Clare Hoffman, in same CR 1-30-42, blisteringly attacks Federal Union, Inc. and World Fellowship, Inc., saying every Congressman on morning of 1-29-42 received said Fellowship propaganda requesting support of a joint resolution (hoping) to be passed on FDR's birthday 1-30-42 - "a present to him, to us, to the world", with word "HIM" capitalized. Among others, that resolution provided for \$1,100,000,000 to be handed to FDR "... for immediate use of the United Nations of the World under its constitution as set up and created by the Pres. of USA". Hoffman rightfully asks "if FDR, Eleanor, Ickes, Perkins, and the horde of Reds which surround him, and those of us who are not satisfied ("to live under the Constitution which we have sworn to maintain and uphold"), emigrate to Russia, or to Germany for that matter - for Hitler has the same idea of uniting all the peoples of the world under his rule - and there establish the world govt?"

He inserted in CR a full-page ad of Federal Union, Inc. that had appeared in 1-5-42 Washington Evening Star, and other papers, and a H. Res. 425 calling for investigation and report by a House Committee on this movement seeking to destroy our Republic, even tho it is endorsed by Ickes, Supreme Ct. Justice Roberts, et al. How significant that, altho Hoffman specifically called upon Chmn of Com. on Rules, Jew Sabath, to support that H. Res. 425, that Jew in same CR evades his responsibility, crying: "... I am obliged to admit that I was unable to understand it (H. Res. 425)", and showing his true colors in his concluding remarks: "I am sure that these men who have been mentioned by the gentleman from Michigan (Hoffman), and who are endeavoring to effect more intimate international relations, do not intend to in any way weaken our own form of govt. They simply are trying to effectuate a closer cooperation between all freemen, looking to the establish

ment of a universal justice and understanding." Thus does this key position Jew sabotage H.Res.425 which offered an opportunity to expose the machinations of the real "5th column" in USA, for that resolution provided for investigation and reporting on objectives of Federal Union, Inc., et al, sources of funds, and all other questions in relation thereto that would aid Congress in any advisable remedial legislation. Literature of that "UNION NOW" movement proves that it not only aims to weaken our form of govt (despite denial by Sabath), but to destroy it, and force us to pay for our funeral!

Repr. Winter in CR 1-29-42 charges conspiracy, sabotage, and Reds in Rural Elec. Administration: "... First, They have delayed from 5 to 7 months the construction of an aluminum plant in Arkansas scheduled to produce 120,000,000 pounds of aluminum annually .. Second. They have attempted to destroy by misuse of hydroelectric power the equivalent of 50,000 kilowatts of power capacity in the Southwest.. Third. Over the protest and against the recommendations of the Army & Navy Munitions Board and also of the Dept of Utilities of the State of Ark., both of which are above challenge as to integrity, patriotism, and experience, R.E.A. is building a 250-mile copper transmission line..." Winter names and describes in detail the conspirators and extent of sabotage to date, including Leland Olds, Chmn of Federal Power Com. (CBH- Olds a longtime radical, once on staff of Communist Federated Press); pro-Communist Harry Slattery, R.E.A. Administrator; Harry C. Lamberton, Asst. Genl. Counsel of R.E.A., member of 8 Communist organizations; and placed in record of House Appropriations Com. hearing the names of 34 employees of R.E.A. in Washington, who according to records of Dies Com., are members of Communist front transmission belt organizations.

Winter shows how taxpayer-financed generation-transmission "co-ops" obstruct our national defense program, and that that ex-employee for many years of Jew-owned Sears-Roebuck, our new Production Czar, Donald Nelson, upon pressure by said "co-ops", on snap judgment over-ruled the findings of Army & Navy Board, etc., and went to the aid of said Communistic "co-ops". Winter concludes: "... The people of this Nation are united in their willingness to sacrifice with blood and money to win the war and preserve our American way of life. But so long as bureaucratic termites are permitted to bore from within our Govt with political schemes that tend to destroy that unity of purpose there is bound to develop in the hearts and minds of the people of this Nation a feeling of distrust in the good faith of the leaders responsible for our national defense effort..."

Sen. Danaher, in CR 1-28-42, quotes Churchill's 1-27-42 address to House of Commons: "... the probability since the Atlantic conference, at which I discussed these matters with Pres. Roosevelt, that the U.S. even if not herself attacked would come into the war in the Far East.. and that expectation has not been falsified by the events..." Then that patriotic Senator laments: "Mr. President, there has been no more cogent and pregnant utterance for days relating to the historical crisis in which this country finds itself than that of the Prime Minister... It seems to me that when the British Parliament is receiving advices of that sort, as reported in today's NEW YORK TIMES, they should at least come to the attention of the U.S. thru the medium of the RECORD." I.e., our Congress is last to learn of FDR's and Churchill's war-making plans!

Despite fact that the House had adopted Repr. Dies' amendments, 12-19-41, that would require the Communist Party, the Bund, and Kyffhauserbund to register and furnish names of officers and members, (only way to compel Dept. of Justice to go after Communists in Federal jobs, etc.), those amendments were rejected by the conferees of Senate and House. Then the House voted 1-28-42 to accept conferees decision, thus protecting identity of hundreds, possibly thousands of Communists in our Govt. Rabid NUDEALER, Repr. Chas. McLaughlin of Omaha, led the fight against the Dies' amendments, aided by such as Jews Repr. Celler and Repr. Sabath.

But what is most significant, is that neither in the House or the Senate did anyone point out that section (j) of (S.2060 - H.R. 6269), on which no hearings were held (altho Sabath was shown to be a liar for having claimed "many hearings had been held"), definitely censors, and can punish with 5 years imprisonment and \$10,000 fine, "any person" (not just "foreign agents", the subject of all the other sections of that Bill). And, all that "any person" has to do to earn such punishment is to talk, write, or print anything deemed "against the NUDEAL's foreign policy", or interpreted as "stirring up racial, religious, or social dissension". Unless I am mistaken, a Congressman, for oppos-

This memorandum is prepared in response to your inquiry regarding this subject, noted alongside Walter Winchell's column for January 20, 1942.

Hudson is an American-born citizen, forty-nine years of age. He has been publishing the mimeographed pamphlet "America In Danger" since 1938. The publication is a crudely edited, mimeographed news sheet consisting of from eight to fifteen pages published weekly at Omaha, Nebraska. The copyhead describes it as a weekly expose of un-Americanism in education, finance, labor, politics, and religion. The subscription price is \$1.00 for ten weeks. The circulation is estimated to be between 450 and 500.

At the time this paper first appeared, Hudson, a self-styled lecturer and editor, published a chart containing the names of alleged radical organizations and prominent individuals who he claimed were associated with these organizations. Hudson refers to this chart as the interlocking directorate, and supplies each of his subscribers with a chart. It contains a list of thirty-five prominent individuals, allegedly appointees of President Roosevelt, who Hudson claims are affiliated with the radical and Communist organizations listed in the chart. It concludes by drawing an analogy between the A.A.A., N.R.A. and Socialism as practiced in Russia.

Hudson's publication, from its inception to the present time, has continually published material caustically criticizing President Roosevelt's Administration, blaming the Jewish race for all the ills of the world, deriding labor organizations, and attempting to discredit, often without any foundation, various Governmental agencies including the Federal Bureau of Investigation.

Memorandum for the Director

- 2 -

For some time prior to the war, Hudson devoted his efforts and his publication to criticizing President Roosevelt's foreign policy program and praising and encouraging the activities of all individuals and organizations opposed to this foreign policy. In line with this activity, he sought to block the passage of the Selective Training and Service Act, and accused the Administration of attempting to inject the United States into the European war as the result of the influence of the Jewish population.

In October, 1940, Hudson, as an election officer in Omaha, Nebraska, was requested to help register men under the Selective Training and Service Act. He refused, stating: "It is not a patriotic duty to be a party to treasonably voiding the Constitution."

He is reported to have addressed a Ku Klux Klan meeting at Omaha, Nebraska, date unknown, at which time he stated in substance that if it was necessary for armed forces to move into Washington, that action would be taken.

In March of 1941 he suggested three courses of action to avoid war: "First, if enough young men would get together and refuse to fight; second, if vigilantes would clean up the situation in Washington and oust the Jews; third, by enough Protestant christians going into Washington and sitting around the Government buildings in a peaceable manner."

In the May 26, 1941 issue of "America In Danger," Hudson stated in part: "The real fifth column is already entrenched in Washington. They must be ousted peaceably or otherwise. If it is not done now, you can depend upon it that civil war will eventually be engineered by them as a means of liquidating opposition to their satanic plan."

Various issues of the publication have exhorted the subscribers and readers to arrange a march on Washington to institute impeachment proceedings against President Roosevelt and Secretary of the Navy Knox.

Hudson was formerly active in organizing a company union for a big business enterprise, but he lost his position as a result of the depression. He lives in modest circumstances, renting his

home which also serves as an office for his publishing work. It is alleged that Hudson is a strong German sympathizer and that in the fall of 1938 he attended a convention of Nazi organizations from all over the country, held at the Deutsches Haus, Los Angeles.

It is also known that many of Hudson's arguments against helping Great Britain may also be found in the publications of the German Library of Information.

An investigation is presently being conducted in an effort to determine whether Hudson's activities are being subsidized, and an acquaintance of the subject has advised that Hudson informed her that a man in the East was helping him occasionally.

Respectfully,

D. M. Ladd

## Advice

I may be wrong, but yet at times I feel  
That we will patch this twisted quarrel of ours;  
That some night I will have the heart to steal  
To your gay lair with fresh and fragrant flowers.  
If that night comes I only hope that you  
Have lost the vision of a wayward lad—  
That happiness and faith will spring anew  
As you recall the golden days we had.

For, after all, what use is it for me  
To stamp defiance at your certain charms?  
When all the magic play of memory  
Brings back your warmth within my eager arms;

Please, then, when you hear footsteps on your stair  
Smile at the past and run to meet me there!

—The Bard of Broadway.

Carole Lombard, one of the stars the 48 stars will always be proud of, died in active service selling defense bonds. Actors and actresses, directors, producers, cameramen, electricians and members from all the allied theatrical professions, have enlisted in some branch of the service. Giving their energy, time and money to playing benefits, buying tickets for them and entertaining Soldiers, Sailors, Marines and the Coast Guard, etc.

And it was only a few months ago when some Senators tried to stain the movie industry by alleging it was un-American!

One thing we are sure of. There must have been a wreath sent by the Army to Carole—inscribed with the highest compliment the Army can give a woman. To wit: "She was a Gentleman!"

Wm. Boehnel reports that some of the glamor stars are springing surprises by learning how to act. It might be harmful. As Oscar Wilde said of George Moore: "He wrote brilliant English until he discovered grammar."

Critic John Anderson, citing Evelyn Wyckoff's triumph in the flop, "The Lady Comes Across," made this way with his type-writer: "She carried off her part of the show superbly, and then noticed, probably with some chagrin, that the teamsters were carrying off the rest of it."

There's a Hollywood couple who want to get a divorce, but they can't agree on who gets custody of the spare tire.

So many Broadway shows and night clubs have folded (11) in the last two weeks that Tony De Marco says Broadway now has more flophouses than the Bowery.

Herbert Hoover, reports Time mag, authored the most untimely book of all time last week—which is as dated as a hoop-skirt.

Hoover, it appears, still seems to be as green as the grass he said would grow in the streets if FDR were elected.

At Cafe Bagatelle some Broadway vets remembered this advice by George M. Cohan to a performer who was considering a wild publicity stunt years ago: "Don't do it," counselled Cohan, "you've gotta draw the line some place if you're going to keep drawing a line at the box-office."

The sportswriters are getting much amusement from The New Yorker's boner in declaring in its last profile that Dan Aronstein, who is 50 and weighs 195 pounds, can do 100 yards in ten seconds.

An honest ten seconds is fast enough to win almost any big track meet, experts argue.

Bandleader Herb Sherry tells the story about the hard-up playboy who pleaded with a tycoon for his dotter's hand in marriage.

Being a buddy of Hitler is an unhealthful business. Some of his favored generals and cronies, including Quisling, are taking sick like all get out, many of them dying. All the demotions of the military men are ascribed to illness.

Probably compound fracture of the epaulets.

The Dec. 22, 1941, issue of a subversive bulletin, published by Charles B. Hudson in Omaha, Nebr., includes this significant comment: "Notice: If any soldier receives our bulletin, I did not send it. If any subscriber joins armed forces, advise me so I can remove such name from our mailing list."

Apparently Hudson is well aware of the seditious character of his publication.

Beatrice Kay warns you that if you don't pay for the purchase of defense bonds now you may have to pay a lot more for not buying them later.

Gjon Mili, whose fine pictures of Betty Bruce appear in Life was telling Betty of a small basement restaurant on the East Side where the food is marvelous and the prices modest. After work they went there for a snack, and Mili asked her how she liked it.

"Very fine," said Betty, "but I can't believe those cheap prices."

"Yes," sighed Mili, "It'll be all right, 'til that society crowd discovers it."

From the Buffalo (NY) News radio column: "Walter Winchell dropped his familiar dot-dash so fans wouldn't get jittery thinking it was some new alarm."

Huhhhh?

Sotto Voce: Kris Kay—Thanques, but the public and sports writers know that when Joe gave all his coin to Navy Relief, it included the share of his men. If you want to learn the names of the persons associated with the various outfits over here (wittingly and unwittingly helping Hitler's racket), see the newspapers for the names of those subpoenaed this week by the Dies Comm. Such as James True, Robert Edw. Edmondson, et al. Edward James Smythe, screwball of them all, was summoned last Thursday for the hearings. Up to now he has not been located and is subject to contempt. Line forms to the right, chumps.

Broadway Wiseguy: The Japs in vaudeville were mostly acrobats, called dumb acts. They always opened the show with reckless tumbling and diving, just like Pearl Harbor. But they were completely forgotten by the time the show was over.

What have we on  
Hudson & his publications?

He has known the Subject for about 5 years, but about two years ago he noticed that the Subject had gone over to the Nazi way of thinking, and since then he has only seen the Subject occasionally and then on the street. The Subject is not a [REDACTED] Prior to two years ago, the Subject often called at the home of [REDACTED] and borrowed books from his library. During this period of acquaintanceship, the Subject never intimated that he received funds from any outside source. His income was derived from subscriptions to his periodical and occasional contributions. [REDACTED] knew of no one who could give any information concerning Subject's source of income.

The following persons were interviewed concerning Subject: [REDACTED] of the B'nai B'rith, office address, Omaha National Bank Building; [REDACTED] of the Anti-Defamation League, Brandeis Theater Building; and [REDACTED] prominent in German affairs and cooperative with this office, his office is located in the City National Bank Building. All of these persons in substance gave the same information to the effect that Subject is a rabid Jew hater and anti-Communist and may be pro-Nazi. They did not know the source of his income other than the subscriptions to his paper.

[REDACTED] has been acquainted with the Subject for many years. At the request of Agent, she questioned the Subject concerning his income. He advised her that he is dependent upon the subscriptions to his periodical. There are two persons who sent him donations of \$20 a month. He did not indicate who these persons were. Due to his poor financial condition, he has had to keep two roomers in his home; however, both of these roomers have left, as they have been inducted into the U. S. Army. The records of the District Court of Douglas County indicate that an action is pending in that Court brought by [REDACTED] of Tulsa, Oklahoma against the Subject based on an alleged libel appearing in the Subject's publication, "America in Danger", Bulletin No. 210. The basis of the libel is a letter dated March 25, 1940 written by GERALD B. WINROD, publisher in Wichita, Kansas to CHARLES B. HUDSON, in which slurs are cast on [REDACTED]

[REDACTED] advised that the action is still pending and has not been brought to trial. He had no information concerning the Subject's resources. Among the periodicals, he receives "The Fundamentalist" from Detroit, Michigan; publication of the National Conference of Christians and Jews, 6372 Alamo Street, St. Louis, Missouri; the Defenders of the Faith, Conception, Kansas; The Roll Call, Indianapolis, Indiana; News and Views, 35 West Jackson Boulevard, Chicago, Illinois; Salvation For All, Post Office Box 343, Palo Alto, California; the Occult Digest, 833 East 89th Place, Chicago, Illinois; Bible News Flashes Box 77, Lake Street Station, Minneapolis, Minnesota; The Herald, Hot Springs New Mexico; Social Justice, Royal Oak, Michigan; "Publicity", Wichita, Kansas; The Broom, San Diego, California; "Meadow Brook", Tompkins Corners, New York. He also received five or six letters during a one-month period from Room 81 52 Vanderbilt Avenue, New York City.

He also received a letter postmarked December 31, 1941 from [REDACTED] Omaha, Nebraska. [REDACTED] is one of the leading pro-Nazis in Omaha.

Because of the amount of letters and literature received by the Subject, it was not deemed necessary or appropriate to set forth at length the results of the mail cover. The mail cover also indicated that he received mail from the Mutual Benefit Life Insurance Company of Omaha, Nebraska.

"End the War Quickly!"

Febr. 10, 1942.

New address: 4327 Grant Street.

"THE ROAD TO VICTORY" (by Geo.E.Sullivan - see B#299) p.11: "... Stalin added: 'And when the revolutionary crisis will open out in America, this will be the beginning of the end of world Capitalism. It is necessary that the American Communist Party should be able to meet this historical moment FULLY ARMED.' (Moscow Bolshevik, Jan.15,1930.)....

"Ten years previously, on Nov.5,1919, Winston Churchill told the House of Commons that the criminal band, headed by Lenin, which invaded Russia and laid her low in 1917 was not Russian, but 'international', that it despised 'such a commonplace as nationality' and constituted 'the most formidable sect in the world'..."(CBH- then follows verbatim quotations from Official Reports (Fifth Series) House of Commons, Vol.120 -year 1919- pp. 1631-1634; J301 .H62 Library of Congress of USA, which prove that in 1919 Churchill knew "who" was that "most formidable sect", he claiming that Lenin was "high priest and chief" of that "sect" whose "ideal is a worldwide proletarian revolution", and yet in 1939-42 part-Jew Churchill is proving himself one of said "high priests" in that same revolution!)

This "must have" book of 195 pages, with irrefutable documentation carrying you into Jan.'42, is a most timely expose of "hidden personages" who rule the world, now being flooded with what pretend to be "exposes" of "Stalinist penetration of America". Take "THE RED DECADE" by editor of THE AMERICAN MERCURY, once a reliable magazine, \*Eugene Lyons, author, admits he faked dispatches from Moscow to USA newspapers. That \$3. book gets big bellyhoo and is sold in stores, but "THE ROAD TO VICTORY" will either be smeared or given "silent treatment". To informed readers it tells much, but Lyons' book carefully refrains explaining or naming that "most formidable sect". Sullivan's \$1. book (remit to me - book mailed to you 'insured') helps you to understand the complexities of today.

To illustrate how \*Lyons, apparently exposing Communism, actually throws the uninformed off the scent, note how he ridicules Gentile Communist leaders, and puffs Jewish Reds (without telling you they are Jews), and praises or excuses the really dangerous "wolves in sheep's clothing" Gentile Reds. Witness p.94: ".. Honest educators like Prof. John Dewey and Dr. George S. Counts.." Every student of subversives knows that these two presumably Gentiles are two of the most dangerous agents for the Synagogue of Satan (Organized Jewry-Intl.Finance). Lyons makes Earl Browder a "milquetoast" weak tool of Stalin. (CBH- in this discussion, underlined are known Jews, with (\*) indicating person as listed in official 1938-39 WHO'S WHO IN AMERICAN NEWRY). FEB 13 1942

P.53 of Lyons' book calls "Morris Hillquit" "the brilliant lawyer"; Daniel de Leon "great theoretician"; p.57, Ruthenberg "whose major-domo was Jay Lovestone"; P.62 = "W. J. (Jewish name) and others who should know (i.e.- Jewish leaders), assert that the real power rested with Jack Stachel, a crafty fellow with an instinct for the wishes of the distant bosses (Synagogue of Satan) and a taste for behind-the-scenes control. Earl Russell Browder, a 100 percent American, too uncertain of himself to risk anything but the shadow of power, made a satisfactory figurehead." P.82 names "Comrade Lozovsky" "head of the Pro-Intern", but does not tell you that this Jew releases all dispatches from Moscow today.

P.86 calls \*David Lasser the "young, vigorous and capable socialist" head of Workers Alliance, even admitting that "Lasser needed only a pilgrimage to Moscow to abandon the Socialist Party and to become a useful instrument for the communists, until... he broke away from them." P.131 is typical of Lyons' attempts to put the halo of "innocence" on prominent writers and radio commentators, while admitting that others (some having discredited in press and thus no longer useful, such as Hicks), are not so innocent: "...Did Edmund Wilson, \*Waldo Frank, Clifton Fadiman, John Chamberlain, and a lot of others know what they were affiliating with...? The fact that they wrizzled out of it in time is cir-

thru "THE RED DECADE" Jew Lyons tries to say that certain "liberals" (many of them Jews) have left the Communist movement. Many merely moved into NUDEAL key jobs! CONGRESSIONAL RECORDS throw much light on this Judeo-Red penetration and control of the NUDEAL. CR 2-6-42 pp.1129-47 tells us: that Ickes has allocated out of Federal funds to Communist operations in Puerto Rico upward of \$200,000,000, more than half of which is a proven failure, with radical Rex Tugwell there as Gov. That Madam Perkins, maladministrator of Dept. of Labor, is friend of Red Jew alien Harry Bridges, whom the present head of Civilian Defense, Jas.M.Landis, whitewashed (as would be expected of a Gentile protege of Red Jew Supreme Justice Felix Frankfurter).

That a Mr.Keyserling, connected with U.S.Housing Authority, where they spent 14% in engineering and architectural fees and supervision in alleged defense construction work, is husband of Mary Dublin, who gets \$5,600 annually in Office of Civilian Defense notwithstanding she, up to June '40, was affiliated with number of Communist-front organizations. (she appears to be daughter of Jew 3rd V.P. of Metropolitan Life Ins.Co.).

That Jew Melvyn Douglas (movie actor politician whose actress wife Helen Gehagan is Democratic Natl.Committeewoman from Calif.), affiliated with number of Communist-front organizations, is rated \$8,000 annually in Office of Civilian Defense, which sum is all we pay Gen.MacArthur who is battling every minute, in danger of his life, "to preserve the fate of the White Race in the Orient" in words of Repr. (Col.) Chas.I.Faddis of Pa.

That Betty Lindley, at \$5,600 annually in Office of Civilian Defense, former agent for Mrs.Roosevelt's Sun.eve. radio broadcasts, is wife of columnist Ernest G.Lindley, press-agent for FDR. That Mayris Cheney, with husband Mr.Fox (Jew?), inventor of Eleanor Glide, at \$4,600 annually in Office of Civilian Defense, as dance instructor for children, gets almost twice as much as the base pay of Capt.Colin Kelly, who gave his life to defend this Nation.

That Communist Malcolm Cowley, on leave as literary editor of Socialist weekly, the NEW REPUBLIC, gets \$8,000 annually as chief analyst of defense information in Office of Facts & Figures. That Communist Jos.P.Lash (Jew?) is on Office of Civilian Defense pay roll as consultant (for whom Mrs.FDR had been seeking a commission in Naval Intelligence-secret service of USA- but was turned down because of his Red activities) (Manhattan draft board has reclassified Lash to 1A). (wonder if Jew Herbert Wechsler, former Secy to Supreme Ct Justice Harlan F.Stone, now \$3,000 Exec.Secy of Board of Legal Examiners, set-up by FDR last year "to promote development of merit system for attorneys in Federal service", will be fired now that his Communist affiliation is known).

That Paul Kellogg, another Red with a long record, is another consultant with \$800 annual rating, in Office of Civilian Defense. That another movie-radio star, Orson Well has become Ambassador to So.America, despite fact that another such star, Jew Douglas Fairbanks, Jr., in similar capacity, had made a mess down there.

That Jew Mayor LaGuardia of NewYorkCity, who is always promising to resign as head of Office of Civilian Defense (who conspired in Red Revolution while in USA Army in Europe in WorldWarI), and who takes credit for having built up its nationwide organization now claims he isn't responsible for hiring of some of above-named Reds & Jews (thus putting blame on his asst., Mrs.Roosevelt).

That notwithstanding War Dept. did not recommend "civilian defense gas-masks", yet Civilian Defense funds badly needed for fire-fighting equipment have been diverted. The money for above salaries and other wastes came out of a "lump-sum appropriation made to Office for Emergency Management last July" - thus illustrating how funds are being juggled from one dept to another with practically no restrictions, thus defeating some instances where Congress appropriates for specific purposes with specific restrictions.

CR 2-6-42 also tells us; that Col.Faddis, in disgust, warns: "... When I offered the amendment to create an Asst.Secy of War for Civilian Defense I was trying to place it under an agency which I was confident would keep it as free of individuals of questionable ability or loyalty as possible. I have the utmost confidence that those who are willing to offer their lives in the defense of this Nation from foes without will also exert the same vigilance and the same valor to defend it from foes within. My amendment failed by one vote to be accepted. (see B#297) Of course, I realize that that matter, as well as many other matters in the House, was decided by those who were absent during the discussion and came in and were voted by the doorman.

"Now our worst fears have been realized. This agency which the Congress has set-up in an endeavor to protect the civilian components of this Nation in case of warfare is

being prostituted to 'bo doggling' and to the interests of a class of the people of this Nation whose loyalty to the Nation is, indeed, in many cases questionable... I would not be surprised at any time to see Harry Bridges placed as an assistant to Mr. Landis and to see a movement to pardon Earl Browder in order he also might be employed...

"As far as I can see, to be on the blacklist of the Dies Committee is a good recommendation for an important job in some key position. There seems to be very active and influential assistance offered to these individuals of questionable activities as well as to Joseph Lash in his ambition to be commissioned in the Naval Intelligence...

"I wish there were some way.. some.. member (of the House) could offer an amendment to this measure (appropriating \$100,000,000 for Civilian Defense) whereby we could exert the powers we should have and name these persons by name and say that they should not be paid salaries... Think of the waste of money in paying salaries to movie actors and dancers when this country is full of retired Army and Navy officers, already drawing retirement pay from the Govt, who are capable and would be delighted to function in the various capacities necessary to organize the civilian defense of this Nation. (see B#297 wherein I urged Genl. Geo. Van Horn Moseley, 2nd in command up to 9-30-38, be put in charge.)

"It is time we were giving the Nation a break. It is time we were thinking of the welfare of the Nation and not resorting to boondoggling and tactics again as we did in the W.P.A. and like activities. I am sorry, as sorry as I can be, that the Congress of the United States has no way in this situation to save its face in front of the American people. For the assurance of our national security let us place no one but those of undoubted Americanism on guard. The safety of our mothers, wives, and children may some day be at stake."

That is the greatest indictment of the NUDEAL and impotency of our Congress I have seen anywhere for a long time!

Which reminds that I believe the "slipped-over" passage of the Pension Bill that included awarding pensions to Congressmen was done to bring about loss of confidence and prestige, thru the resultant uproar, criticism and ridicule, in Congress, just as the "9 old men" and "horse and buggy age" smear of our Supreme Court, and its consequent NUDEAL packing, led to its becoming nothing but a "rubber stamp". There will be no "Road to Victory" for our Nation unless Congress is first impressed with its responsibilities, and then upheld in its attempts to thwart the "dictator complex" of "that class of people.. whose loyalty to the Nation is, indeed, in many cases questionable".

Readers of these AID! bulletins know to whom Col. Faddis refers.

Re the Colonel's "would not be surprised.. to see a movement to pardon" ex-Secy of Communist Party Browder in order to give him a key Civilian Defense job, it is a fact that Judeo-Reds whooped up a drive for tens of thousands of individual telegrams and hundreds of thousands of postcards timed to reach the WhiteHouse last Jan.30, the day of Roosevelt's birthday ball. "Over 2,000,000 signatures are claimed"! That the small fry that compose leadership of Communist Party could not possibly secure signatures of such as former Republican Sen. Geo. Wharton Pepper, Rev. Harry Emerson Fosdick, Episcopal Bishop Edward L. Parson, Jas. T. Shotwell, Pres. of League of Nations Assn., et al, helps prove the existence of the all-powerful Synagogue of Satan that has ways and means of securing such signatures on Communist Browder's behalf.

Ex-spy in Communist Party, 70-yr-old Edwin P. Banta (chief witness in 1938 before Dies Com. with irrefutable documentary evidence), who has been unfairly maligned in so many quarters and denied the protection promised by the Dies Com., wrote FDR 2-5-42: "The Communist Party, composed of traitors and spies, instructs its membership to flood the WhiteHouse with mail seeking to embarrass you in behalf of the arch-traitor Earl Browder now in prison, this at a time when this Govt has associated itself with the Stalin Govt in the fight against the Axis. I suggest that every letter reaching you be turned over to the Dept of Justice to be searched for finger-prints of possible criminals, also for compiling a membership list for future reference."

Which reminds that FDR apparently has sent back S.2060-H.R. 6269 (see B#299), which provides for registering of Communist Party officers and members, for some alterations. This will enable some patriotic Congressman to battle for the elimination of that vicious 100% censorship Section (j) which was "slipped-over" a sleepy Congress.

The persecution of genuine patriots like Genl. Moseley, Lindbergh, Banta, et al, reminds that altho Jew W. Winchell gloated over radio 1-25-42 that "anti-Semite" Palley

was in jail, the fact is that Pelley was free and in New York City. I thus correct the statement in B#298. That adds to the "liar" record of Winchell as established re myself in that same AID! Now Editor E.J. Garner of weekly newspaper PUBLICITY, Wichita, Kas. pins another barefaced lie on Winchell, claiming that Winchell's smear to effect that Garner was on Nazi payroll boiled down to this. Garner has subscriptions coming in from all over USA, just as I have - here's his statement in 2-5-42 PUBLICITY: "... from out of the many received, one was from L.M. Birkhead, connected with 'Friends of Democracy', 103 Park Ave., New York City, purported to be a Communistic Propaganda Agency - one subscription was received thru Edward James Smythe, 149 Vermilyea Ave., New York City, who at that time was writing a column in PUBLICITY, for the German Railroads, the amount of money which we received was \$3.00 and covered a two years' subscription - This is the extent of any and all 'financial assistance' ever received by this office from the German Railroads or any other German, Italian, Japanese, British or any other foreign agency or corporation - Then too this subscription was received long before any hostilities began between America and Germany..."

This same Birkhead subscribed a while to AID! And I am aware of other Reds and Jews who have subscribed to AID!, attempting to "get something" on me, but the Cause needs the money so badly - I take it. That reminds that the largest circulation Jewish weekly, THE JEWISH EXAMINER, 2-6-42, editorially demands what they call "spreading racial antagonisms" "must be remorselessly stamped out", commending Birkhead for his efforts. Columnist Mark Loudon, under "SHAPE OF THINGS", prophecies: "Washington hears talk of a citizen's movement which will demand impeachment and obscurity for Wheeler, Hamilton Fish, Nye, Martin Dies (CBH- they know too much) and several others of that mentality on the basis of a huge petition bearing millions of names... Which reminds us: how much longer will the govt permit publication of such openly traitorous papers as AMERICA IN DANGER (Charles B. Hudson), PUBLICITY (E.J. Garner), THE ROLL CALL (Pelley), and SOCIAL JUSTICE?" Judeo-Red spy system rather faulty - don't seem to know that ROLL CALL was discontinued last Dec. Since possibly all but Nye above have proven amenable to pressure before, I consider above "impeachment" threat pure bluff to whip those and other Congressmen into line. I feel complimented by respect paid by Synagogue of Satan.

Dr. Passia R. Burchett, ex-educator in Phila. high schools (her \$1.50 book "EDUCATION FOR DESTRUCTION" is another "must have"), writes re 2-6-42: "I am enclosing copy of my letter to Mr. Dies to give you an idea of the treatment I received at the hands of his Committee. They were not interested at all in any of the evidence I had brought with me of Communism in the schools. Their only object was to discredit a patriot and if possible, 'get something' on me. The 'smear' in the newspapers was an awful thing... I dare visit only a few friends for fear the reporters skulking around may cause them embarrassment or even lose them their jobs..." I wish I had room to quote her 2-page letter to Repr. Martin Dies. It would make you sick at heart --- or mighty mad!!!

Re Repr. Hoffman's expose (see B#299) of UNION NOW, wherein promoter Clarence Streit (Jewish name) implied that Congressmen's indifference and hostility to it would win or lose elections in Nov., and re claimed UNION NOW membership of 30,000,000, how significant that with WhiteHouse receiving flood of UNION NOW and "Free Browder" petitions on 1-30-42, just 3 days later, 2-2-42, speaking over nationwide radio hook-up, Edward J. Flynn, Chmn of Democratic Natl. Com., tells Republicans they should not seek election.

In CR 2-6-42, Hoffman explodes: "... While the President's chairman of the DNC is repudiating the support of loyal Republicans, men who believe sincerely in a constitutional form of govt, and asking that none of that political faith be returned to Congress, the President's Secy, Mr. McIntyre, is advising members of the Communist Party of the President's appreciation of their support... the President is to address the Nation with another of his heretofore political fireside chats on the 23rd of Febr. That is the day chosen by the DNC... inasmuch as the Pres. is asking for unity, it might be just as well if he would select some other, some earlier, date for his report on the progress of the war.. I am not one of those who believe that the Pres. of the U.S. and his New Deal advisers, his Communistic appointees, are all-wise, that they are infallible;... I shall insist upon the right to criticize..." WHEW!!!

Re B#299 on "Typhus", "Flu", and "Blood Banks", how come that, with native reliable drivers of service trucks denied entrance to certain Army Camps, Jap truck gardeners are permitted to give away fresh fruit and vegetables inside said Army Camps? What an easy way by which flu and other germs could be fed our soldiers and create epidemics!!!

BULLETIN NO. 301.

"End the War Quickly!"

Febr. 17, 1942.

Now address: 4327 Grant St.

NOTE: B#300, p.1, should have said: "... (CBH- in this discussion on this page, underlined are known Jews, etc.)..." "on this page" was omitted by mistake.

YELLOW VS. WHITE. B#297 warned that "by 1944" the Yellow Race led by those who call themselves "Jews", will be pitted against what is left of the White Race, and that Anti-Christ Russia, Mongolia, Siberia, China, Japan, India, et al, whom we have helped educate, finance, and supplied with munitions of war, are only waiting until Whites have killed each other off and impoverished themselves of manpower, finance and munitions of war, thru the European wars, and thru scattering everything we have all over the face of the globe. And reminded you that the increase in population the past 10 years in those countries exceeds total population of USA.

Encouraging to see press considerably alarmed over what it refers to as "possibilities" of Japan, China and Russia "making separate peace". No - not peace, but joint war against the White Race. Reminds that on 4-13-41, when Moscow suddenly pacted with Japan to remain "neutral" in case of ANY attack, Stalin and Matsuoka (Jap ambassador), celebrating that deal initiated by Jew Litvinov (now ambassador to USA), drank toast:

"We are all Asiatics.. to the health of the Asiatics!" And todate, with USSR supposedly ally to Britain and USA, she made no effort to help save Singapore or Philippines. (send 25¢ to THE INDIVIDUALIST, P.O.Box 373, Lincoln,Neb. for Nos.151 & 2 for details).

Paul Mallon 2-13-42, devoting whole column to Jap blitz of Singapore, dares conclude: "... Can anyone now doubt what this war is about? Do these circumstances not prove that this is more than 'Axis aggression' or a belligerent search for raw materials, or the usual political war? Has it not now disclosed itself to be, as far as we are concerned, the long awaited war to conquer Western civilization, in which all questions now row down to the single one of whether we can survive or they?.."

That "impregnable Gibraltar of the East" - Singapore - fell 2-15-42 (Christian's Sunday), after a mere week's assault by Japs, whose success entirely made possible by Red Jew Litvinov aided by Jewish (American, English, Dutch) oil, machines, scrap metal (of which we are now so denuded that our defense program is bogged down), etc. Yet Washington entertains and fawns upon Litvinov. And FDR sends back to Congress S.2060-H.R.6269 (which provided for registration of foreign agents), with Communist official DAILY WORKER 2-10-42 front-page gloating: "FDR VETOES BILL ON FOREIGN AGENTS Takes Action to Avoid Interference With Collaboration Between Allies, quoting FDR: '.. Just as we are anxious to see nothing interfere with the functioning of our representatives in friendly countries, so we must do everything we can to facilitate their functioning with us in the common cause....'"

Can I be blamed if I see double meaning in those words? However, with that Bill sent back to Congress for alterations, now some courageous Congressman can demand elimination of Section (j) which provides for jailing and fining "any person" (not "foreign agent) who dares criticize administration's foreign policy or says, writes or prints anything deemed "stirring up racial, religious or social dissonance"!

Since a truly Christian Nation (USA was once a Christian Constitutional Representative REPUBLIC - not "a democracy") cannot possibly have a "common cause" with an Anti Christ Nation such as Soviet Russia whose "representatives are functioning", not only "friendly countries", but everywhere in the world, can it be that the "common cause" I and Jew Litvinov have in mind is found in these words of a prominent Rabbi? Rabbi Dan Cohen, in NewYear's edition of rabbinical magazine EMANU-EL & THE JEWISH JOURNAL of St. Francisco, Calif., 9-8-39 (recall that Jew-ruled England declared war 9-3-39), exulted: ".. A war in Europe will be of some good if the reactionary (CHR- Christian) element

"But what other alternative is there?..."

How can a Christ have anything in common with a Jew - a religious Jew (not to mention anti-religious Jews such as Litvinov), when Jewry's only hope to achieve its age-old plan for world dominion, is by seeing to it that non-Jewish elements in all countries kill each other off? No wonder Christ referred to Organized Jewry as the "Synagogue of Satan". No wonder He pronounced the greatest crime that can be laid against any non-Jew, when He claimed that that Synagogue of Satan, when it Judaized a Gentile, "made him two-fold more the child of hell" than those Jews are themselves!

This reminds that the Jew Lenin prophesied that Communism would be put over by non-Communists. Since "communism" is a misnomer, designed to mislead, substitute "Judaism", then find out what Judaism means, and you have the PLAN of the Synagogue of Satan. Read carefully the Gospel of St. John (also Matthew), and you'll begin to understand why such legislation as S.2060-H.R. 6269 was "slipped-over", without debate of Section (j), when neither House nor Senate had many present on 12-19-41, just before Christmas. Yes, that unheralded Bill can stop preaching of the Gospel, talking to one or a group, writing, printing, or distributing "anything" that can be termed "stirring up racial, religious or social dissension." Now you should know why Jews sponsored that Bill!

WRITE YOUR CONGRESSMEN TO JERK SECTION (j) OUT --- NOW!!!

One of best students of world problems analyzes: "... This war would seem to be becoming more evidently to be a war for the destruction of the White Race and Occidental Civilization by means of 'DIVIDE & RULE' and 'CONFUSION' tactics. If the White Races don't soon listen to the Boom of Doom now sounding, it will soon be too late. The news is terrible. England spent half a billion dollars on a fortification and more than 20 years of work, yet Yamashito and his people take it in seven days. We'll have to alter the Bible - Joshua had to walk his troops around Jericho three times, but this man simply walks in. ONLY some forms of Treachery & Treason can explain this. IF the British do not get rid of Churchill at once, I'm afraid they are doomed..."

From what I can learn, very few Englishmen know that Churchill is part Jewish, and that Lord Beaverbrook (called "evil genius of the inner cabinet" by Editor Arthur Moore of CALCUTTA STATESMAN of India, next to be taken by Japan, and charged with "harding tens of thousands of aircraft and tanks in England" instead of helping Colonies), overlord of production ala Donald Nelson in USA, is reputedly Jewish, while many of the key position men are either Jews or the kind Christ condemned as being twice as bad. E.g., Sir Stafford Cripps, former ambassador to Moscow, whom controlled press now ballyhooing as "sincere, ruthless", and possible successor to Churchill, is in words of Red Jew Eugene Lyons (who knows his Communists - in THE RED DECADE), the "Corliss Lamont of England". Lamont is the (supposedly) Gentile "front" in intellectual, society, and other circles, who helps popularize and finance various Communist activities in USA. He is son of leading partner of J.P.Morgan & Co., international banking firm.

Letter from Large City illustrates current tie-ups between USSR and those who are being "divided, ruled and confused": "... I wish you might see some of the absurd and laughable (tho costly) goings-on around here. You would be amused and a little mad, as I am. Society is out with teas and theatre parties to Soviet films to raise money for Russian Relief, blind to the fact that Stalin would not only relieve it of its property but its existence as well. List of supporters are just copies of the Social Register. Just at present the Russian Relief is the fashionable fad, and Bundles for Britain is taking secondary place. Probably the next thing will be straight old-fashioned Devil Worship. The female of the species is quite rampant, right up on the good old hind leg pawing the air, and paying \$36. each for uniforms purchased of only one local j...firm of outfitters. (Yo,ho, for the jolly old graft!) These dames have full military titles. One is Major Genl. Judge Advocate of Civilian Defense. Just why civilians should have uniforms is another funny matter. They drill and march and flub-dub around with great energy, like a litter of kittens chasing their own caudal appendages. The uniforms do not look so bad, but the head-gear on every kind of hair-do is very funny. ..., in full regalia, is strutting from one dinner to another; eats being the great part of defense. I should think there must be a great consumption of sodium bi-carb, too.

"And this is the way to win a war. Send munitions to foreign nations, utilize our shipping to carry foods to them also, leave our own troops without adequate supplies, tax the civilian population to the last penny, let the sugar rot and the grain rot, and cut down the rations on each to the limit; then stick a lot of silly women into pants,

Yell Hurrah for dear Linnie and God Save the King the Japanese, Germans and Italians will be scared to death..."

DAILY WORKER, 2-6-42, 4-column caption across top of p.5: "Episcopal Bishop Oldham Joins Sponsors of RUSSIAN WAR RELIEF". Just below that article another 4-column caption: "Jewish Fraternal Groups Pledge \$250,000 for RUSSIAN WAR RELIEF". Again showing banking tie-up with Communism, that story reads: "... RUSSIAN WAR RELIEF at 535 Fifth Ave. (NYC) announced that a leading Poughkeepsie banker and businessman had assumed posts as executive officers of the Poughkeepsie branch of RWR.. Arthur S. Knudson, Pres. of the Poughkeepsie Trust Co., and Edward M. Landis, Pres. of Poughkeepsie Institute..."

6-column caption across p.3 of 2-3-42 DAILY WORKER typical and illuminative: "FREE BROWDER IS CALL OF 'WIN THE WAR' RALLIES ON EAST AND WEST COAST; APPEALS POUR IN TO F.D.R." Illustrating double-edged propaganda (see B#299) DAILY WORKER 2-8-42, under caption: "TYPHUS RUMOR IN CITY UNTRUE, SAYS DR. RICE", says: "... Declaring that there is no danger now of any outbreak of epidemic typhus in this country, Health Commissioner John L. Rice yesterday dispelled disquieting rumors which have spread thru the city... (it) is spread by the body louse (CBH- scientific 14-mo. investigation in New York area in 1934-35 disclosed that Russian, Polish and Eastern European Jews are the carriers, in many cases not sick with it themselves)... It is a very dangerous disease and the mortality is often as high as from 50 to 70 per cent." (CBH- how comforting!)

Incidentally that SUNDAY WORKER 2-8-42 largely devoted to Browder and Abe Lincoln! Now Congress says that not a single city in USA is adequately defended!

Reminds that strangely apropos column "STRANGE TO RELATE" by Rabbi Philip R. Alstat in 2-13-42 JEWISH EXAMINER (of Brooklyn; claims largest circulation in America) proves how USA is being duped down the same chaotic paths European nations are trodding. World War I saw Prince of Jewry Bernard Baruch the ruler of USA, with Pres. Wilson agreeing to his "Yes" or "No" absolutely. Now longtime employee of Jew-owned Sears, Roebuck & Co., Donald M. Nelson, now chief of War Production Board, is, according to Rabbi Alstat, a Judaized Gentile. Recalling Rabbi Cohen's "gruesomehope" New Year's Greeting in Sept. 1939, now read this part of Rabbi Alstat's praise of D.M. Nelson: "... When the heat on Yom Kippur of 1939 (Sept.) drove many of the worshippers to seek a breath of fresh air outdoors, one tall, broad-shouldered stranger, with a skull-cap on his head, sat thru the long service from morning till sunset without stirring from his seat. He devoutly joined in all the English responses. During the Hebrew prayers he shut his eyes, but his face took on the ethereal expression of one transported to unearthly altitudes. At the conclusion of the long Yom Kippur service many worshippers stopped to wish their rabbi a Happy New Year. Among them Dr. Goldman recognized that stranger who was none other than our present-day chief of the War Production Board... Alas, what Zionism needs is a Jewish Donald Nelson."

USA will never win with Judaized Gentiles as Czars no more than will England!

Illustrating further: same JEWISH EXAMINER p.1: "LONDON (Palcor) - Harold Macmillan who has shown a favorable interest in Palestinian problems, has been appointed Parliamentary Undersecretary of State for the Colonies succeeding George Henry Hall, who was transferred from his Colonial Office post to that of Financial Secretary. Philip J. Noel Baker, one of the warmest friends of Jewish Palestine, was also taken into the Government as Parliamentary Secretary in the Ministry of War Transport."

P.3: "MOSCOW (JTA) - The revelation that the Soviet General, Lev Dovator, famous commander of the Cossack troops who defeated the Germans at Rostov and caused their retreat along the entire Soviet front, was a Jew, is made this week in the RED STAR, official organ of the Soviet Army. Reporting that Gen. Dovator 'died the death of a hero' the Soviet Army newspaper emphasizes the fact that under the Czarist regime the Cossacks were used to carry out pogroms against Jews, while under the Soviet regime they are led by a Jewish General and dealt smashing blows at the enemy. This, the RED STAR says, the sign of the great changes that have taken place in Soviet Russia..." Jews rule!!

P.6: "LISTEN, MY CHILDREN... Approaching expiration date of the Dies Committee April 1st - has revived talk of a 'renewed Dies Com. minus Dies' (CBH- Dies knows too much, and has displayed backbone lately, with Jewish and Communist press down on him DAILY WORKER, day after day, been using pages "exposing" Dies, and demanding Congress disband his Com. - 2-10-42 DW blares across front page: "REP. DIES EXPOSED: Abolish Dies Committee, LAWYERS GUILD Urges, Charges Dies Is Favorite of Nazi Propagandists")..."

Further down in that same column in bold type you read: "The anti-Jewish propa-

gandists here seem to be getting more brazen than ever, claiming that the nation is concentrating on the war effort to the exclusion of the internal situation, the race hate boys have been extending themselves lately; Chas.B.Hudson in his surly 'AMERICAN IN DANGER!' keeps on fanning the flames of hatred. Hudson's proudest boast is that the F.B.I. is NOT investigating him!... THE NATION reports that a clergyman wrote to the Catholic weekly, AMERICA, asking why rubber priorities which prohibit the manufacture and sale of tires to civilians have not been applied to other goods, 'of whose use the church disapproves!'" (CBH- refers to contraceptives) (A new subscriber, after reading only one issue, B#298, writes: "... Enclosed \$1. for 10 weeks' subscription to AMERICA IN DANGER! I believe that it contains very timely warnings, and at length will prove beneficial to not only the Gentiles, but also to the Jews..." That Christian sentiment pervades many letters and most of them pray for Divine blessings and protection in this work. So, AID! is not guilty as per JEWISH EXAMINER charges above.)

P.8: "The Jewish Telegraphic Agency (JTA), the only world-wide system devoted to the gathering and distribution of Jewish news from all parts of the world, this week marked the twenty-fifth year of its existence. Founded during World War I... maintains large offices in London and Palestine.. while the Jewish situation in Soviet Russia... is graphically described in JTA dispatches from Moscow and Kuibyshev by such eminent writers as Ilya Ehrenburg, Valentin Katayev and V.Panferov whose reports are being featured in many American newspapers..."

Strange, or is it?, how JTA has its correspondents in all parts of the world, yet the U.S. Govt is not allowed to have its representatives inside Soviet Russia, Germany, Italy, Japan, et al. Just illustrates how the Synagogue of Satan truly operates as a "Nation within every Nation" - in fact, is the ruling power in all Nations!

A little item - but significant - Jew W.Winchell's column 2-7-42 is said to have: "The Mrs.H.V.Moody of Richmond, Va., who won \$64. on Phil Baker's 'Take it or leave it' is Bernard Baruch's niece and Leon Henderson's cousin according to a phone call." Previous AID! have proven Price Control Czar Henderson to be a protego of Baruch's, but always suspected he is at least part Jewish. Wonder what the relationship is? Reminding that while this Czar has decreed rationing of sugar (to accustom Americans to more and more regimentation), his excuse that sugar needed for wartime alcohol is like Harold Ickes' now exploded lie shortage of gasoline. Our sugar is to go to Jews in Russia!

To get more light on this and many other mysteries, send 10¢ to SOCIAL JUSTICE, Royal Oak, Mich. Febr.16 issue particularly valuable.

Try secure 8-21-1940 CONGRESSIONAL RECORD - turn to pp.16376-80 - read "STEPS TOWARD BRITISH UNION, A WORLD STATE, and INTERNATIONAL STRIFE" inserted by then Repr.J. Thorkelson (who, with Geo.Sullivan (author THE ROAD TO VICTORY - \$1.- see B#300), and your editor appeared with Gen.Geo.VanHorn Moseley when "on trial" before Dies Com). You will learn why the Synagogue of Satan just had to defeat Thorkelson for re-election. That insert is a reprint from SanFrancisco Leader of Febr.17 and 24, 1912. Lillian Scott Troy, an American overseas in 1912, wrote those articles which resulted in her expulsion from England, and persecution in USA. She had discovered a 24-point-program then being worked on by Synagogue of Satan, partially worked out in World War I, and being completed it appears in World War II and armed truce afterwards. These few of the 24 points should cause you to get that CONGR.RECORD: (1) Power of the Pres. of the USA to be increased so as to gradually diminish the powers of Congress. (2) Supreme Court to be revised so as to embrace only judges agreeable to absorption by Great Britain, and uniformly hostile to the U.S.Senate. (CBH- that was 30 years ago! - now see B#299 where Supreme Ct.Justice Roberts openly sponsoring UNION NOW)... (8) Quietly and unobtrusively American soldiers must be sent to Egypt and India; British soldiers may then be quartered in the USA... (17) When newspapers cannot be bought or leased, new publications must be started. (see B#294 re Russian Jew "control" of Marshall Field III who is supposed to be financing Judoo-Red PM of NewYorkCity and THE SUN, competitor of Chicago TRIBUNE)...

Back in Febr.1912 Miss Troy reported that the official mouthpiece of the Duke of Connaught claimed that England's alliance with Japan was made to offer the tempting bait of the Philippines as a reward for services which Japan must be ever prepared and ready to offer, if necessary... Was the attack on Pearl Harbor that "service", seeing as USA was so slow entering the war, and the giving of Singapore another part of that bargain? Yellow Race led by those who call themselves "Jews" is fast marching towards Armageddon

COPY IN FILE

It appeared that there had been forwarded by the White House to [redacted] several of the pamphlets "AMERICA IN DANGER" published by the subject, together with about fifteen postal cards addressed to various Senators by a [redacted] Omaha. All of these postal cards recommended that there should be no revision of the Neutrality Act and were apparently addressed to those United States Senators who favored its revision; postal cards were sent on October 7 and October 9, 1941, at Omaha.

The White House had instructed [redacted] to conduct discreet investigation with regard to HUDSON'S background. It apparently was also suggested that [redacted] may be one of HUDSON'S coworkers.

Some of the background information in the Omaha files concerning HUDSON was discussed together with several of the issues of "AMERICA IN DANGER." Mr. VOTAVA requested that this office furnish him with issues of AMERICA IN DANGER issued since the entry of the United States into the war. He was also desirous of knowing whether or not anyone was subsidizing HUDSON in any way.

67c An ad appeared in the classified section of the Omaha World Herald on Sunday, March 1, 1942, which stated that the premises at 2304 Fontenelle Boulevard were available for rental and gave as the rental agent, [redacted] of 201 Keeline Building. It is to be noted that 2304 Fontenelle Boulevard is the former home of CHARLES B. HUDSON.

[redacted] 201 Keeline Building, Omaha, advised that his principal was [redacted] of Ainsworth, Nebraska. The subject rented this home at a rental of \$50.00 per month and was there for a little over two years up to about December, 1941. The subject paid his rent directly to [redacted] and [redacted] had no knowledge concerning the method by which HUDSON paid this rent.

In November of 1941 [redacted] raised the rental of Hudson's home to \$60.00 per month and that was the reason why Hudson moved.

[redacted] further advised that subject has a brother, [redacted] who is in the real estate business and who is employed by [redacted] Patterson Building, Omaha.

[redacted] was discreetly questioned as to the reliability of subject's brother but [redacted] advised that the brother is also more or less eccentric.

Through the cooperation of [redacted] Assistant Postmaster, Agent with the assistance of Stenographer [redacted] obtained the complete mailing list of the subject as ascertained from the mailing of his pamphlets on February 18, 1942. The subject mailed a total of 531 pamphlets of which 165 were mailed to residents of Omaha, Nebraska. It is to be noted that a great number of these pamphlets were sent to people who obviously do not pay the subscription. Some of these people were United

States Senators and Congressmen, state and local officials, various schools, government officials, and prominent business men. It was estimated that of the 531 names there were probably at least 125 names of persons who did not subscribe to this pamphlet. There were also many pamphlets sent to other publishers of similar magazines and pamphlets who probably do not pay HUDSON for this periodical but exchange periodicals with him. This list of names is being retained in the Omaha file and it is not felt necessary to set out the names in this report.

It is noted, however, that one of the persons to whom this pamphlet was mailed was a [REDACTED] New York City. It is noted in reference report that during a period of one month in which a mail cover was placed on the subject, five or six letters were received by the subject bearing the return address of [REDACTED] New York City. It appears that [REDACTED] is more than a casual subscriber to Hudson's periodical. b7c

The following item appeared in the Omaha World Herald on March 2, 1942:

"Called a 'rabble rouser' by Walter Winchell last night in his weekly broadcast, Charles B. Hudson, 4327 Grant Street, who publishes a weekly bulletin called 'America in Danger,' said after he had heard the broadcast, 'I guess I'm getting under someone's hide.'

Winchell claimed Hudson was a distributor of 'insidious propaganda' and ended his remarks with the query 'Why doesn't congress or some authority do something about Charles B. Hudson of Omaha?'

Under the mast head of the bulletin Hudson publishes here is the printed statement 'Weekly expose of un-Americanism in education, finance, labor, politics and religion. Condensed reading for truth-seeking readers.'

'Winchell has bragged before that when he has tipped off the FBI, it has taken action but I don't know what is in his mind this time,' Hudson said. 'As long as we have a constitutional republic, I have nothing to fear.'

Hudson said he received 24 threatening phone calls within two hours after Winchell made his broadcast. He said Winchell 'had attacked him before and this is just what I expected. It is nothing but an effort to 'smear' me.'

The Omahan said he had been publishing his bulletin for the past seven years and that as far as he knew he would continue. b7c

In 1938 Hudson was mentioned by [REDACTED] for the Dies un-American investigating committee, as one of the 34 organizations engaged in anti-Semitic campaigns throughout the country.

"Winchell's remarks provided by the Associated Press:

'Omaha, Neb.- Like all rabble-rousers, Charles B. Hudson fears the expose spotlight. Because he was shown up, he is now raging at us in his newspaper. Such a reaction is not new to this newsboy. We merely file it away under our hohum department.

'This Hudson is the one who got his picture in the papers (during a Dies investigation) snatching a glass of water from Gen. Moseley, claiming it might be poisoned. Hudson is still spreading the most insidious sort of propaganda. Why doesn't congress or some authority do something about Charles B. Hudson of Omaha?'

ba, b7D

Confidential informant [redacted] advised that [redacted] advised him that he used to give HUDSON about \$10.00 from time to time as he believed that Hudson was fighting the Communists; however, he has not made such donations for some time.

By letter dated January 31, 1942, the Bureau suggested that JAMES ROLAND CLARK may be a source of payments to HUDSON and referred to another Bureau letter under the caption of JAMES ROLAND CLARK in which it was suggested that [redacted] of Lincoln, Nebraska, might be used to ascertain if this were true.

Special Agent [redacted] has made discreet inquiry in regard to the reliability of [redacted] through questioning [redacted] of the U. S. District Court, Post Office Building, Lincoln. Agent [redacted] has also ascertained that [redacted] has a slow credit record but has no criminal or arrest record in Lincoln.

Background information concerning CLARK is contained in the file under his name, Omaha file 100-593; Bureau file 100-18284.

It was suggested by the Bureau that [redacted] write to CLARK and advise that [redacted] publication "The Individualist" is being suspended due to lack of funds in order to see if CLARK will make any effort to make further contact with [redacted]. "The Individualist" is a periodical which is similar in form and some respects to "America in Danger" and the fact that CLARK would subsidize [redacted] is some indication that he may be subsidizing HUDSON.

[redacted] advised that subject has lately told her that at the present time no one is helping him in any way except through subscriptions. [redacted] suggested that subject's wife's maiden name was [redacted] and her father was [redacted] and was supposedly a reputable person.

BULLETIN NO. 302.

"End the War Quickly!"

Febr. 24, 1942.

New address: 4327 Grant St.

PRAYER BEFORE EACH MEAL: "From Satan's Henchmen, Good Lord deliver us.. Amen!"

HATE BOOM-ERANGS. Synagogue of Satan (Organized Jewry-Intl. Finance), living under its own "fear" psychology (inherent in ruthless dictatorship, which it seeks to impose on all mankind), and throwing so many "hate boom-erangs" (Hate Hitler, Hate Nazis Fascists, Anti-Semites, Reactionaries, and Hate Christians), now seems dumfounded that the Divine Law of Retribution actually works even in this, at present, Satan's world.

Its leaders cannot fathom Christian reaction. With imposition of censorship in name of "Unity" (democracy, brotherhood of man, leader worship) after the long planned-for "war declaration", the SofS thought it had solved a major problem. Liberal, Communist and Jewish press had bragged that with USA successfully entangled into World War II, there would be no more opposition. But - what happens? Not only do Christians continue to expose and name the "real 5th column", but even controlled press breaks loose with criticism, and Congress dares to show resentment over SofS tactics.

SofS is hoisted on horns of dilemma of its own creation. God Almighty never makes mistakes - only that lesser god, Satan and his henchmen do. SofS let loose floods of hate all over the world, and now Christians whom the SofS had calculated would hate each other to their own destruction, refuse to so react. Instead, thruout White Man's world boils up the cleansing reagent - the understanding that Christ knew what He was talking about when He warned against the SofS and its Gentile "stooges". Now this highly organized minority, despite wealth of world at its command, and "hatchetmen" who liquidate individuals and nations with equal impunity, seems stumped. It fears Christians!

SofS now sending up "trial balloons" to see whether it dare call off elections for Congressmen (as had been done in SofS-ruled England), or whether a change, other than by elections, be made in the Presidency. A revolt via the ballot this Fall holds distinct danger to SofS, so may try thwarting that revolt by tactics used in England.

Witness part-Jew Churchill periodically overhauling his war cabinet, yet staying in the saddle, and each time increasing the number of Judeo-Reds in key positions, while controlled press tries to sell the public that now the war will be waged efficiently. What press states is most drastic reorganization, now finds installed as Churchill's assistant, one being boomed as his probable successor, that "ruthless" Communist "front" Sir Stafford Cripps (Omaha WORLD-HERALD Sun. Magazine 2-22-42 devotes whole page to him calling upon Churchill, Stalin and Roosevelt whose Govts. "must achieve full political co-operation" - i.e. we're all to go "Red").

Then Churchill names as War Minister an "unknown" Sir Jas. Grigg, a "tough boy" and "ruthless administrator" who looks Jewish. Then Viscount Cranborne (married to great granddaughter of Jew Member of Parliament Bernal Osborn), new Colonial Secy, singularly had been Parliamentary Under-Secy to Viscount Halifax (ambassador to USA), when latter had been Secy of State for Foreign Affairs. (Halifax's heir married to granddaughter of a Rothschild). Note that Churchill retains in his cabinet as Secy of State for India, the Jew L. S. Amery. And our press runs pictures of 3 Englishmen (Moore-Brabazon, Greenwood, Margesson) whom Churchill had dropped, but doesn't show faces of successors - J.J. Llewellyn, Viscount Cranborne, Lords Portal and Wolmer, Hugh Dalton, Oliver Lyttelton, Clement Atlee, Alfred Duff Cooper, and Sir Archibald Sinclair, another "hold-over".

Press hints that newspaper-publisher-tycoon, said-to-be-Jew Lord Beaverbrook is demoted, but says he is being sent to USA as special agent - no doubt to set in with Red Jew Litvinov, probably world's most dangerous conspirator (ex-Pres. of Council of League of Nations, USSR's Foreign Secy, now ambassador to USA). Communist Labor Leader, Ernest Bevin (looks Jewish) (analogous to Red Jew Sidney Hillman in FDR's war cabinet) also remains in Churchill's war cabinet. Thus, will all so-called "shaking-up", the Judeo-Red control is all the more firmly clamped upon poor England.

Witness in USA, Mrs. Roosevelt resigns as asst. to Communist "front" Prof. Landis (successor recently to John LaGuardia original head of Office of Civilian Defense), claiming their organization nationwide completed anyway. And under all the "heat" in Congress and in press, Mrs. Roosevelt's friend Mayris Chaney resigns, but Communist Jew Melvyn Douglas stays in his key spot. Then a newspaperman Jonathan Daniels ("unknown", but undoubtedly satisfactory to Synagogue of Satan) succeeds Mrs. Roosevelt, but he retains the Communist, said-to-be-Jewess, Mary Duolin at \$5,600 annually, yet her husband Mr. Keyserling is on payroll of U.S. Housing Authority, whose head until recently was Jew Nathan Straus (expected to be placed in another key post by FDR - incidentally, Jew Secy of the Treas. Morgenthau's draft-age son gets good USHA job, while Jew Pres. of General Electric Co. affiliated with many other firms profiting under NUDEAL, Gerard Swope becomes full time Special Asst. to Secy of Treas. Morgenthau). But press doesn't say that Communist Jewess, Justine Wise Polier (daughter of leading Red Rabbi Stephen S. Wise) has or has not resigned from her \$22.22 per day OCD consultant job, nor whether Communists Jcs. P. Lash or Paul Kellogg, another \$22.22 per day consultant, nor whether Communist Norman Corwin, a \$10.55 per day consultant, have resigned. Yet drafted soldiers are paid only \$21. a mo!

I hope that Congressional leaders who failed (in House by 1 vote - see B#297) to put OCD under an Asst. Secy of War, will now succeed, and that Gen. Geo. VanHorn Moseley will be brot out of retirement to head it. Civilian Defense is vital - particularly in view of fact that 2-23-42 while Pres. Roosevelt was broadcasting his report on progress of war, a large Jap sub calmly fired about 25 shells from a deck gun at the Banklin Oil refinery 12 mi. west of Santa Barbara, Calif., one 5-in. shell hitting a well.

Army should be in charge of OCD, as Gen. MacArthur in Philippines demonstrates it has some efficiency, whereas the pampered Navy twice within 2 mos. (Pearl Harbor 12-7-41 Normandie disaster 2-9-42) has displayed criminal negligence. And old ammunition claimed only 30% effective (Rear Admiral W.H.P. Blandy 2-24-42 admits some in use made more than a decade ago), which prevented the few Americans on the alert from being able to do much damage to attacking Japs who apparently put 8 out 9 capital ships out of commission, destroying 3, and obliterating scores of our all too few planes, looks like "sabotage from the top", giving more color to Pearl Harbor disaster having been "planned that way".

More color to that treachery when you learn that Jew Litvinov, "lost for 9 days", on way over to USA, brags after the event that he had warned both Philippines and Hawaii that Japan was going to attack us. He had just arrived by clipper in USA when Japs hit! Now consider this from CONGR. RECORD 12-12-41, p.A-5906: "On Wed. Dec. 3, the Australian Govt announced that war would break out between the USA and Japan on the following week end, which meant the week end just past. Australia thereupon canceled all Christmas and other leaves, put all the island continent's armed services on the alert, immediately shifted all war activities to a 24-hour-a-day basis, and prepared resolutely to meet and face, without hesitation, the ineluctable crisis just ahead."

All this smells just like the "sabotage" said to have supplied poor English boys, in the Norway expedition-disaster, with ammunition that had no power, thus enabling the Nazis to drive that expedition into the sea. Smells like the guns and ammunition said to have been issued to the French Army just before the Nazi advance on the Maginot Line - shells didn't fit the guns. USA has more to fear from sabotage from within!

Glad that some Congressmen are kicking against the "secret inquiry" by Navy into the burning-and-sinking of the \$60,000,000 Normandie right in New York harbor just a few days before it was to have been ready as a troop carrier to our sorely pressed boys in the Philippines. Congressmen are crying that resignations such as Admiral Kimmel's (FDR's friend had been jumped ahead of 44 men when given that Pacific Fleet command) and Gen. Short's, because of Pearl Harbor debacle, will not be enough punishment, for Admiral Andrews was on the job when the Normandie sank. That its bulkheads were left open; its ballast tanks were empty; that the pumps were not used, yet the engine room was dry, and the fire had been confined to the 2 upper and part of the third decks, and was out at 8:30 pm, yet the sliding over on her side didn't happen until about 6 hours later. That if the Navy didn't know how to handle the ship in her condition right after the fire, there were salvage companies who knew how and had equipment to pump her out.

Repr. W. A. Lynch of New York inserts in CONGR. RECORD 2-18-42 following letter from the principal of a public school in the Bronx which typifies, in his opinion, "the feelings of the American people": "Dear Congressman: Pearl Harbor was bad; the Normandie was inexcusable. How can Washington expect children in the schools to buy Defense stamps

with patriotic fervor, what they hear is a tale of management that makes their own fire drill a miracle of efficiency? If Admiral Hart was old and sick and Helfrich available, why didn't Helfrich get it in the first place? Our errors make England win. English errors make American soldiers victims. When can the American feel confident that America is really on the job and no fooling?"

And fearless Repr. Clare Hoffman of Mich. asks: "But should not the man at the top be punished as well, if anyone is to be punished? How can the Secy of the Navy escape responsibility? He is the head; he is at the top; he is chargeable with the knowledge of the location of this ship (Normandie) with the conditions surrounding it..." And a newspaper reporter demonstrated that anyone could get a job on that ship while it was being renovated for war purposes, without any investigation, so that while it is claimed there was "no sabotage", yet the demonstrable gross carelessness was worse!

Knowing how the Synagogue of Satan works, the almost too transparent "sabotage" or negligence at the top, as illustrated in the failure to aid Gen. MacArthur; the shifting of responsibilities in the Dutch East Indies; the Pearl Harbor and Normandie debacles; the Civilian Defense scandals; those in war contract lettings; in toleration of labor strikes, etc., when combined with certain "trial balloons", all lead me to believe that the skids are being greased for ousting of the Roosevelts and some of the weak sisters (possibly Madam Perkins, Ickes, Hopkins, Stimson, Knox) to make way for parallel-to-England's more "ruthless" Judeo-Red administrators.

Before going into said "trial balloons", let's recall "black skull-capped" Donald M. Nelson (see B#301), the "front" for Synagogue of Satan recently made Czar of War Production Board. Note now that, according to THE JEWISH PRESS 2-20-42, Sidney J. Weinberg, whom FDR calls "Sidney", is Nelson's Asst. That his appointment "is tantamount to a guarantee that if finance and industry really want to do a job, they will receive a fair hearing" (CHH- from what I hear about fees, splitting of swag, etc. in re war contracts, with Jews in on the take, you guess what they mean by a "fair hearing").

Weinberg, the "practical liberal", is partner in Goldman, Sachs & Co., and a director of Soars, Roebuck & Co., Nelson's long-time employer. (CHH- see THE OCTOPUS, 256 page book, a WHO'S WHO of the Synagogue of Satan, for Weinberg's many affiliations - while they last: 1 copy 60¢; 2 for \$1; 7 for \$3 - remittance with order; or 1 free with \$5. annual subscription to AMERICA IN DANGER! bulletin service). Weinberg, first a 2nd cook in the Navy, but shortly assigned as special agent to Navy Intelligence Service, during World War I, wound up as special agent for the War Trade Board, when Prince of Jewry Bernard Baruch headed the War Industries Board. (and Baruch's protege, said-to-be-Jew Leon Henderson, present Price Control Czar, appoints as his asst., the ex-NRA official and socialist college Pres. Doxtor M. Keezor - so it goes, on and on).

Now let's look at a few recent "trial balloons". Notwithstanding that Democratic Natl. Com. Chmn. Edw. J. Flynn's 2-2-42 radioed demand that Republicans stay out of '42 Congressional elections provoked a storm of criticism over such "one party dictatorship ala Russia, Germany, Italy", yet THE JEWISH EXAMINER (largest circulation in America) of 2-6-42 dared follow that up by claiming that a huge petition bearing millions of names was the basis of a movement calling for impeachment of Congressmen Wheeler, Fish, Nye, and others. That was more pressure on Congress. Then on 2-16-42, the Jew columnist David Lawrence, in his widely syndicated Washington release captioned "ROOSEVELT'S LEADERSHIP ALSO ON TRIAL" builds a very smart case on tactics for removal of Pres. Roosevelt from office! This confirmed my suspicion that when the controlled press concentrated so much criticism and even abuse on Mrs. Roosevelt, it was a sign that the Roosevelts are no longer useful to the Synagogue of Satan.

David Lawrence carefully refrains from using the word "impeachment", but refers to the method in mind when B#296 reminded "You can change Presidents any time". He points out that the "never-used phrase in Article II of the Constitution" provides that "lack of ability" displayed by the Pres. and/or Vice Pres. is grounds for removal from office by a vote of both houses of Congress. He asks: "Whenever the American people make up their mind that they do not want to wait till the end of a four-year term to change Presidents, can they invoke the above-quoted article of the Constitution?" Lawrence then proceeds to justify such a removal: "... Mr. Roosevelt keeps in office his personal friends and the sycophants who worship at his feet.... Naval officers are afraid of the White House. Senators are saying that after Admiral Stark, Chief of naval operations,

told the Senate Naval Affairs Com. in confidence recently some of the facts about Pearl Harbor he was promptly reproved by the President. Mr. Roosevelt has not seen fit to inform either the House or Senate committees about the major policies dealing with the war... Can we get an administration responsive to public opinion or is our Constitution so outworn and obsolete that there is no way to compel efficiency in the executive establishment when the nation is in peril?"

More evidence that possibly the Synagogue of Satan is greasing the way out for the now-being-discredited Roosevelts seen in 14-p. pamphlet entitled "ELEANOR ROOSEVELT, First in Travels, First in Writings, First in the Hearts of the Communists". It is being distributed by Rev. Rembert Gilman Smith of Tulsa, Okla. whom the press stated had sued me twice for \$25,000 for libel. A flat lie! Smith had built up a reputation of exposing radicalism, claiming to be founder of Oklahoma League Against Communism, Naziism, and Fascism. He was starving to death - then all of a sudden he was putting out expensive pamphlets attacking Revs. Coughlin and Winrod. (CRH- glad he and his wife are living together happily again). I am convinced he became a tool of B'NAI B'RITH, the worldwide spy and pressure system said to control Washington (see THE OCTOPUS).

Now this 1941 Smith attack on Mrs. Roosevelt is largely photostats of exchanges of letters, including a letter enclosing her personal check for \$25. to wife of Communist leader in Okla. who had been arrested with others for violating criminal syndicalism law. This money was for Communists defense. One of them, Robt. Wood, was convicted and sentenced to 10 years in prison. It is a very damaging attack on Mrs. Roosevelt, and probably is designed to be most effective in the Democratic South which Smith reaches.

It will be interesting to see if Jew David Lawrence's tactic will be followed thru or if the sub-rosa threat of it influences Pres. Roosevelt to make good his promise to resign in favor of crack-pot Henry Wallace. Back in 1940 Co-op promoter M.W. Thatcher wrote his friends (see B#241) that FDR had confided to him about July 30 "that he didn't expect to live long, and if he lived thru the election he intended to hand the Govt over to Wallace". Recall, too, that the unwanted Wallace was forced onto the Democratic Convention in 1940 at Chicago, and is Vice Pres. now. It would be interesting, too, to see if ~~the~~ such a "shake-up" would fool Americans as apparently Britishers are now being fooled by the Judeo-Red "shake-ups" over there. And, will such an unprecedented "resignation" be so timed as to throw the elections, if any, into such a mess that the Synagogue of Satan would have no more difficulty in keeping control ~~that~~ it did when it slipped its "tool" Wendell Willkie over on the Republicans in that 1940 election?

HAVE YOU WRITTEN YOUR CONGRESSMEN DEMANDING THEY JERK SECTION (j) OUT OF S.2060-H.R. 6269? See previous bulletins. I believe the present press comment on another alleged "censorship" bill is merely smokescreen to keep attention away from above bill which gives the administration censorship power plus! FDR sent it back to Congress for a little renovating to eliminate necessity of requiring Communists to be registered. Now is opportunity for Congressmen to bring to light the heretofore undiscussed Sec. (j).

How prophetic is lead editorial in 2-20-42 JEWISH EXAMINER: "MOCK TRIAL: PREVIEW FOR AMERICA?... For America the Riom trials have striking significance; they give us a nightmare vision of the kind of future we face if we fail out of softness and dull sloth to put our own Vichy-ites where they can do no harm. It is unrelievedly sickening to have to stand by and watch American officialdom make the same awful blunders France made to tolerate, to appease - and more, to protect! - the venomous Coughlin, Doatherage, Hudson, Mrs. Dilling, and the rest of that crew of reprobates. There are laws designed to curb efforts of disaffection and sedition, and the notorious fifth columnists named above are flagrantly guilty of the violation of those laws. To permit them to carry on their inflammable work is to beg for France's unspeakable fate!"

Jewish and Communist press been raving about Geo. E. Doatherage having a naval defense job with a private contractor who found his work good, but AP 2-23-42 at Washington says Secy Knox found him an "undesirable person", and barred him from employment on Navy work. Yet same Knox, when asked by Congressmen why Jew W. Winchell is permitted to broadcast (smears) for a coml. firm while on active duty in full uniform, passes buck to Rear Admiral Randall Jacobs, saying he know very little about Lieut. Comdr. Winchell's case.

And Omaha has spectacle of largest USA AMERICAN LEGION POST sponsoring lecture by Red Jew Benjamin Gitlow, who urges aid to Synagogue of Satan-ruled Russia. God Save Us!

Dear Sir:

There is enclosed herewith the March 17, 1942 edition of "America in Danger" put out by CHARLES B. HUDSON.

It is noted page 4 contains the following statement: "This 'brotherhood' stuff is being applied locally. Jews are telling local business men that the FBI is after me, and that it has turned over to them their names. Local FBI chief denies it."

You are advised that HUDSON was in the Omaha office on March 13, 1942 and stated, the "Omaha Jews" are out to suppress his paper on account of his "Americanism" utterances; that the purpose of his paper is to warn America of the dangers from within brought about by what he terms "International Jewry." He stated that such Jewish leaders in Omaha like [REDACTED] and members of what HUDSON termed as the "so-called Anti-Defamation League" are going to his subscribers and telling them that the FBI is after him, in order to get them to cease taking his newspaper. b7c

I informed Mr. HUDSON that I knew nothing of the above activity on the part of these persons; that the FBI is not out to "get" him or any of his subscribers; that the business of this Bureau is to investigate violation of the Federal laws under our jurisdiction and handle National Defense matters in connection with the present war emergency; that if in the course of our duties we obtain a complaint against him, we would investigate him like any other citizen, and submit our findings to the United States Attorney.

Mr. HUDSON stated that he welcomed any investigation that the FBI might care to make of him. Mr. HUDSON stated that he would accept the above statement.

I have heard nothing further from him until the aforementioned comment appeared in his publication.

Director,

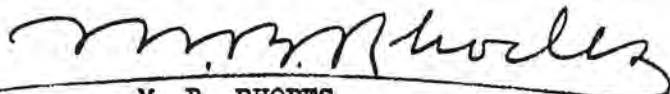

Re: Charles B. Hudson

b7C

Following the above conversation with HUDSON, I talked with [REDACTED] of the Anti-Defamation League, and discreetly suggested to him that in the controversy between the Anti-Defamation League and HUDSON that he leave the name of the FBI out of the matter, and he stated that in the future he would do this.

It will be remembered that an investigation is presently being conducted by this office of CHARLES B. HUDSON with a view to prosecuting him for violation of the Sedition Act.

Very truly yours,

M. B. RHODES,

BULLETIN NO. 305.

"End the War Quickly!"

March 17, 1942

PRAYER: "From Satan's Henchmen, Good Lord deliver us. Amen!"

UNION NOW. First come, first served - for about mailing cost - you can have copies of that insert with B#304 - "DON'T HAUL DOWN THE STARS AND STRIPES" - to give your friends. 30 for 10¢ in coin or stamps. That reprint from CONGR. RECORDS Jan. 27-30, 1942 speeches by Repr. Clare E. Hoffman exposes threat to USA greater than the war.

Congrats to UNITED MOTHERS OF AMERICA (Rm. 348, The Arcade, Cleveland, O.) for the RESOLUTION adopted 3-3-42 and sent to all Congressmen, asking their support to H.R. 425 and to Repr. Joshua L. Johns for his entering that RESOLUTION into CONGR. RECORD 3-13-42.

Have you written your Congressmen to support H.R. 425 asking for appointment of a committee to investigate the purpose and ascertain who are the members of those organizations which advocate the surrender of our independence and the sources from which they derive the funds they are spending? Here's a few hints:

Communist Jew Prof. Fred L. Schuman (Consultant for THE HOUR "confidential bulletin" mouthpiece of Synagogue of Satan (Organized Jewry-Intl. Finance), whose releases are used by Jew Walter Winchell, Jewish, Liberal papers and magazines to attack Christians), at UNION NOW luncheon, New York City, 2-11-42, reported as saying: "... The first world war for the League of Nations. We lost it. THIS WAR IS FOR WORLD GOVERNMENT. We have already lost the war - we have about two months to win the peace. If we do not put on a world govt we will lose the peace..."

Since UNION NOW "world govt" incorporates an international bank, currency, etc., significant that that set-up is already functioning. Did you know that while the Nazi blitzkrieg was cutting France to pieces and driving the British towards Dunkirk, it is reported that the 10th regular yearly meeting of the Bank of Intl. Settlements took place on 5-7-1940 at Basle, Switzerland? That its annual report carried "the signatures and approval of all directors, Nazi and British alike"? That "all the belligerents and non-belligerents agreed" that it must carry on its work? That the British Chancellor of Exchequer Sir Kingsley Wood (see Jewish tie-ups and re this bank in THE OCTOPUS) defended that bank in the House of Commons? "It can do no harm during the war", he said in Oct. 1940, "and it will be useful for reconstruction purposes afterwards". That FINANCIAL NEWS, influential London financial newspaper edited by part-Jew Churchill's private secretary Brendan Bracken, 3-26-41, revealed the startling fact that millions of dollars in profits from British war industries were still being paid to investors in Germany, most of such transactions being carried on thru the Bank of Intl. Settlements?

That this bank is a meeting ground for high ranking representatives of warring nations who daily collaborate without a single hitch? That, founded in 1930, its original charter, signed by financiers of Britain, Germany, France, Italy, Japan, Belgium, Holland and Switzerland, contains this enlightening provision: "... the bank shall be free from all... interference in time of peace and war..." That the USA is represented by a banking group headed by J.P. Morgan and including First Natl. Banks of Chicago & New York, and that less than a year ago its Pres., Thos. H. McKittrick (Morgan's agent), had as his chief assistant, Paul Hochler of the Nazi Reichsbank?

Reminds how Jew-owned mines, smelters, munitions plants, etc. on adjoining French German soil in World War I were not blitzkreiged, and if had been that war would not have lasted 6 months!

61-7474-71 34  
SOCIAL JUSTICE (invaluable 10¢ magazine - Royal Oak, Mich.) 3-16-42 quotes and comments on Samuel Untermyer's address 8-6-1933 over WABC, which called upon Jewry and others to declare a "holy war" against Germany. He spoke as Pres. of World Jewish Economic Federation, upon his return from Amsterdam. He admitted Jewish bankers lent money to Germany and called for a worldwide boycott of Germany to whip them into line. That was 8½ years ago! Note that by 1940 and 1941 all bankers were in line, and no doubt had been all that time, the boycott merely contributing to forcing the "hate Hitler" and "war" program.

All foregoing adds emphasis to AID's long claimed thesis that World War II is but part of Synagogue of Satan conspiracy to kill off opposition thru wholesale murder at same time consolidating its military-economic slavery upon all peoples thru its control i.e., dictatorships. Only such a thesis explains the otherwise incongruous inconsistencies, such, e.g., as USA, according to part-Jew Churchill, pledged in Aug. '41 to attack Japan if Japan didn't attack us, yet continuing to ship war materiel to Japan right up her Dec. 7, '41 attack on USA at Pearl Harbor. Also, how could a supposedly weakened and financially impoverished Japan, after 4 years war with China (also aided by Russia, USA & England), succeed in whipping to date the combined forces of England, Holland and USA? And why doesn't our great friend and ally (?), Russia, do something when it has armies, planes, submarines at Vladivostok within a few hours of Tokio? And why does it continue to supply Soviet oil to Jap warships and transports waging war against said allies???

Following, few of many, "incongruous inconsistencies" confirm the thesis further. Recalling that Intl. Finance controls rubber, and that Harry the Hop has been messenger boy between Washington and London, note Repr. (Colonel) Faddis' remarks in 3-10-42 CONGRESSIONAL RECORD: "... during her last weekly broadcast, Mrs. Roosevelt charged that the economy-minded Congressmen... 'were economy minded in days gone by on preparation for our defense and have only become aware of the fact that we need war material in the last 3 months'. This is not the first time such a statement has come from that quarter. Just to keep the record straight, I arise to remark that this group of economy-minded statesmen are the very ones who 'in the days gone by' led the fight for an adequate national defense. We plead for airplanes when others were calling for Arthurdales (Federal financing-housing project sponsored by Mrs. FDR & Rex Tugwell who poured \$2,646,000 into this one of many similar projects - now to be sold to tenants for \$175,000 on credit)... We shouted for rearmament when others shouted for relief. We were balked when working for national security by a preferential program for social security... There seems to be an effort to drag a red herring across the trail of this matter of preparedness. Let those who are to do without tires, however, remember that legislation was passed authorizing a stock pile of rubber, but that the advice of the armchair strategist Harry Hopkins outweighed that of those in the Army & Navy entrusted with such matters and the money went for leaf-raking and boondoggling."

CR 3-9-42: Quoting Gen. Johnson Hagood (been spanked before for speaking out of order): "... Military secrets are mainly secrets from the American people. We fool one another but we do not fool the enemy. The Japanese knew that we had no inner patrol at Pearl Harbor, but Admiral Kimmel (pet of FDR's jumped over 44 ranking officers) (now retired on fat pension as punishment for Pearl Harbor tragedy) did not know it. The Japanese knew that we had no outer patrol, but Gen. Short (likewise punished with pension) did not know it. The Japanese high command knew that the army watch was to be relieved at 7 o'clock on the fatal morning of Dec. 7 but the American high command in Washington did not know it... There were six different agencies in charge of one phase or another of the Pearl Harbor defenses, and each of these agencies received its order from a different source. The Army alone received orders from several different sources..."

CR 3-12-42: Sen. O'Daniel inserts articles illustrating deplorable conditions in the Army, calling attention that as long ago as 1-16-42 he had tried to bring bill S.860 before the Senate for consideration of prohibition of liquor traffic and vice near military camps: "... If the 500 saloons in the Honolulu area were not a vital contributing cause to the major military and naval disaster of American history, why were they immediately closed by military order and kept closed ever since?... If the 500 saloons in the Pearl Harbor area, 285 of them owned and operated by unnaturalized Japanese, were a contributing cause of the disaster because of their lack of alertness, why were they overlooked as a fruitful fifth-column source of seditious dissemination, and subversive activity? And why was not that relation included in the Roberts Commission Report? Why must the liquor traffic always be protected against investigation and exposure, as it was in France until after the disaster?... If the Govt can prohibit the citizen from purchasing a new automobile, or tires for his old automobile, which is a blessing to society, a necessity to business, recreation for himself, and a pleasure to his family, it can prohibit liquor, which is a curse... The same Govt which supplied our most potential enemy with scrap iron and steel by the shiploads, and gasoline by the hundred million gallons, to be used, like the sword of Damocles, against us, has prohibited the sugar bowl on the restaurant tables and limited American citizens to a single lump, while it

liquor interest gets all the grain and coal and trucks and wires they need to convert the staff of life into nonessential and devitalizing intoxicating liquors... We know too well the relation of alcohol in any form to sex indulgence. Over 40 pregnant high-school girls are reported in the hospital of a small city contiguous to a training camp.. As a father of six, three of them sons, I am wondering what may happen to that boy at the end of a year of training in a camp where intoxicating liquors are sold, and where contraceptive appliances are supplied to the boys for sex indulgence with underworld women when they leave camp for the big city..."

Sen.O'Daniel 3-12-42 also inserts letter written by Secy of War Stimson (long-time servant of Jew Intl.Financial house, Kuhn,Loeb CO.), 1-22-42, seeking to influence Congress against S.860! Since WorldWarI experience, and all history prove the necessity of controlling or prohibiting liquor and vice in order to have an efficient armed force, and with all the hypocritical cry for achieving that efficiency, why at this late date does the NUDEAL not only permit, but encourage dissipation that always results in defeats???

Sen.O'Daniel showed that he has received thousands of letters and petitions alarmed over such army camp conditions, and asking for passage of S.860, but just as wishes of over 80% of Americans who were against war have been ridden over roughshod, so are their pleas for safeguarding health and morals of their sons being disregarded by the very same war-mongers, now in key NUDEAL positions, who precipitated our entry into that war. The Senator also inserted NY SUN 2-20-42 article re "gambling unrestrained and prostitution uncontrolled" round Southern army camps. I know of a camp where a Jew civilian is making \$2,000. profits per day feeding our boys poor and inadequate diet, causing sickness, etc

Sen.Bilbo in same CONGR.RECORD reports he is receiving more letters and complaints dealing with liquor-vice conditions at army camps than he had ever received on any question pending before Congress: "... It is heart-rending to note the number of physically and mentally disabled veterans whose conditions are attributed mainly to the effects of liquor habits and social diseases acquired while in the service... Dr.Parran, Surgeon Gen. of U.S.Public Health Service.. report showed that tens of thousands of young men in our armed services were found to have contracted social diseases during the past year... Hon.Harry J.Anslinger, U.S.Comr. of Narcotics, in a recent report, disclosed that many attempts had been made by the Nipponese to poison the blood of the American people with dangerous drugs. He said that Japanese officials had three objectives in their drug traffic - to gain revenue, to corrupt western nations (CBH- i.e., White Race - see B#s 299, 301,304), and to weaken or enslave the peoples of lands invaded or marked for invasion by Japan... that in every territory conquered by the Japanese a large part of the people become enslaved with drugs, because the Japanese are master technicians at poisoning with drugs. Just as the Japanese are master technicians at poisoning with drugs, so, too, are the liquor traffickers master technicians at poisoning with alcohol...."

Recalling that the ruling class of Russia, and Asia, are Orientals - past masters at poisoning down thru the ages - and that Jews are mixed-breeds predominantly Oriental, is it any wonder that so much of the liquor, dope and white slave traffic in the whole world is essentially Jewish? Re-read Par.1 of Page 2 herein - again.

To keep said "western nations" impotent and asleep while the "poisoning" and "killing" goes ahead, let's remember that the Father of Communism, Jew Marx's infamous "Religion is the opium of the people" slogan has a hidden meaning. Synagogue of Satan doesn't mean "Christianity" - for the true follower of Christ becomes sensitized, and then proceeds despite persecution even unto death, to warn others. That's why the dopy false religion eulogized today as the "Brotherhood of Man" (not Brothers in Christ) is being palmed off on "western nations". Observe that it is Jewish-financed Federal Council of Churches and its Jewish-financed-and-promoted offshoot, to embrace Catholics and Jews as well as Protestants, the Natl.Conference of Christians & Jews, that are ballyhooing that false religion thru every possible channel in No.America.

Witness CR 3-12-42 with over 2 pages devoted to "Brotherhood Week Script No.3" inserted by Repr.Emanuel Celler of NewYork (who just day before, with other Jew Congressmen, voted against continuing the Dies Com. investigations of unAmerican activities). This was a NCofC&J broadcast over WNYC - a Round Table discussion by 3 laymen - a Jew, Protestant and Catholic. Part of highly publicized and financed program going on thru-out USA and Canada. This "Script" played up "brotherhood of man", Federal Council of Churches, and rightfully condemned Nazism, Fascism, Japanese, yet failed to even mention dangers of Communism, let alone those of Intl.Finance or Synagogue of Satan. It did stre

so-called "anti-Semitism" as being so dangerous that it must not be allowed "to disrupt the community in which you live". This "Script" however enlarged upon - the Jew speaker initiating the subject: "... the Central Conference of American Rabbis has just issued a program of world reconstruction.. something like (the League of Nations). A parliament of nations, with an international police force to back it up..."

Repr. Woodruff in same 3-12-42 CR: "... a good many Washington observers thought there might be something in the claim of Att. Gen. Biddle that he had never read the bill he set up recently to be passed, he hoped, by the Congress. The bill, the most vicious proposal in the long history of the Congress, perhaps, would, if passed, muzzle free speech, free press, free radio, and enable every political henchman in the colossal bureaucracy which has been built up under the New Deal to conceal all mistakes, slackness, or even designs to overthrow our form of govt and our way of life... Now the Att. Gen. has showed his real trend of thinking and his real policies in another way, at a dinner in Washington (March 5). This dinner was given by the pink publication - the very pink publication - the NEW REPUBLIC.. About a hundred New Dealers of the more radical type were there, it is reported.. Now, the Att. Gen. prides himself on being a 'liberal' except when it comes to letting the people know what the bureaucrats in governmental jobs are doing. In that case the 'liberal' Att. Gen. would muzzle the press, the radio, and the people, and give the head of every bureau, commission, or other agency the power to put citizens in jail and fine them heavily for revealing any information about their Govt any bureaucrat might not want known for his own reasons. So, Att. Gen. Biddle made a speech at this dinner... Regardless of the way, he told his hearers, they must keep up the political fight for the liberalism of the New Deal... The Washington representative of the NEW REPUBLIC, presiding over the dinner, declared that the New Deal which Mr. Biddle talked about is 'more dynamic than fascism and more revolutionary than communism'.. How can we hope for unity when incidents like these continually arouse in the people the distrust that the radicals in the administration are conducting a social revolution in America under cover of the bloody war abroad?..."

AID! B#297 and since have warned that Section (J) in S.2060-H.R.6269, passed once without a record vote in both Senate & House, and likely to be jammed thru any time, is more vicious than the Biddle bill. That the Synagogue of Satan is not passing up any bets, note that Russian-born Jew Assemblyman Bernard Austin has designed and is sponsoring a bill now before New York State Assembly "to place sharp penalties on the spread of race hatred" (anti-Semitism in Jew-ruled Russia is punished by death).

JEWISH EXAMINER 3-13-42 lead editorial "SELF-PRESERVATION" urges: "... The need for legislation of that kind is immediate and imperative.. Mr. Austin's appears to be an exceptionally well written bill, and may provide the answer. The pressing point is, above all, that official action must be undertaken at once to halt the increasingly brazen activities of the bigot brigade. It is not a matter of anti-Semitism alone, grave tho that issue is; treachery is the danger here.. Self-preservation demands their speedy extermination." Typical Judeo-Red attitude towards awakened Christians.

JEWISH REVIEW 3-5-42 blares across top of front page: "COUGHLIN'S SOCIAL JUSTICE IRKED BY JEWISH REVIEW'S CHARGE OF TREASON; OFFERS 'PHONEY' REWARD OF \$25,000 RABBI ROUSER IS FORCED TO SHOW HIS TRUE COLORS Friend of Fifth Columnists Submits Five 'Simple' Questions Which Are Answered.." Whole page devoted to attacks on Rev. Coughlin and other Catholic Clergy. P.5 under "UN-AMERICAN ACTIVITIES" goes after Protestant Reverend Gerald L.K. Smith of Detroit because he is organizing "The Inner Circle" whose slogan is "Christ First!" That page also, under "TREASON IN OMAHA", quotes THE HOUR's smear which I quoted to you in B#304. P.4, editorial page, has cartoon which insults our Christian American FLAG by wrapping it around a slimy serpent, and then sticks two Swastika flags into the "blue and white star" section of our FLAG! Yes, these two leading Jewish newspapers continually "star" the Natl. Conference of Christians & Jews' and Federal Council of Churches' activities, and mouth many words about "Brotherhood of Man"!!!

This "brotherhood" stuff is being applied locally. Jews are telling local businessmen that the FBI is after me, and that it has turned over to them their names. Local FBI chief denies it. Politician-lawyer Edson Smith tells Republican meeting group that he has proof (a lie) that I get my stuff direct from Germany. Communist Teachers Union head, Prof. Guenther, smears me at a P-T. Assn. meeting. Letters in Public Pulse. A concerted effort to starve me out - having failed to intimidate Bill, wife and I with death threats I must depend on out-of-town subscribers. If you feel AID! is rendering a needed service digging up Synagogue of Satan's hidden plans, send in your renewals (or tell me to stop

BULLETIN NO. 303.

"End the War Quickly!"

March 3, 1942.

PRAYER: "From Satan's Henchmen, Good Lord deliver us.. Amen!"

**WORRIED WINCHELL.** Time and again AID! bulletins have voiced sympathy for poor misled Jews and pity for their children (here thru no fault of their own), but for their sake as well as that of the great majority of non-Jews (whose welfare comes first), guided by the admonitions of Christ and the verdicts of history, AID! must reiterate warnings that Christians must have no brotherhood with unbelievers, particularly the Synagogue of Satan (Organized Jewry-Intl. Finance). Nor can any Christian Nation (USA so ruled by Supreme Court) permit it to become powerful without suffering chaos.

Apparently the Synagogue of Satan fears the power of truth. Witness a series of articles in Red, Jewish, and Liberal press, climaxing with Walter Winchell's 2-paragraph blast at me (see B#298) followed up by Sun.nite 3-1-42 radio squeal repeated in AP dispatch in newspapers. Since W.W. reaches many millions against AID!'s few thousand, it would be funny if not so illuminating. Wonder if the glaring inconsistency in said "squeal", together with W.W.'s gloatingly cruel slander of Mrs. Elizabeth Dilling (author THE RED NETWORK, ROOSEVELT RED RECORD & ITS BACKGROUND, leader of Mothers' March against Lease-Lend Bill year ago at Washington, now in midst of trying to get out another RED NETWORK) last Sun.nite, had something to do with his highly press-agented desire to be assigned to active Navy duty.

His "squeal" bawled over radio reached classic heights of ludicrousness (if not lunacy) considering he is a mouthpiece of the all-powerful Synagogue of Satan that rules the world: "... Hudson is still spreading the most insidious sort of propaganda. Why doesn't Congress or some authority do something about Charles B. Hudson of Omaha?"

Congrats to Repr. Carl Vinson for advising the Navy Dept. 3-2-42 to either call Winchell to active duty or drop him from the reserve list. Should that happen radio listeners will hear no more blasphemous desecrations of the Christian Sabbath. In meantime Christians would serve justice and welfare of their Country, if they would flood Jergens Motion, care of DAILY MIRROR, New York City, with protests over Winchell's dirty attacks on two Christian mothers (of two fine youngsters each), Mrs. Dilling, and Mrs. N.W. Lundeen, widow of apparently "liquidated-because-he-knew-too-much-and-had-courage" Sen. Lundeen.

Proving existence of Synagogue of Satan conspiracy and its criminal organization which jumps to commands of its leaders, since Winchell's radio "squeal", over 40 fone calls have warned and threatened, accusing me of being "a Nazi" and attacking "a nationality and a religion". Yet W.W. carefully refrained from saying I was either a Nazi or an Anti-Semite! He knows that I am neither. I am a native-born American with not a drop of German blood, and a grandfather humbly seeking to follow in Christ's footsteps, knowing when I started out eight years ago that I would be smeared and possibly crucified as was my Leader 2,000 years ago. I advocate return to our once Christian Constitutional Representative REPUBLIC as envisioned by our forefathers. I belong to no organization and am supported by none, depending entirely on subscriptions to AID! bulletin service, occasional book sales and gifts. I thank God every day that I have a wife who is faithful to the Cause despite death threats, despite the boycott that prevents our 21-year-old Bill (who enlisted in Army but was rejected, as did his dad in World War I) from getting a job, and despite the uncertainty of carrying-on from day-to-day. (if some who get this would remit - it would help a lot).

Some callers on fone went so far as to promise to "hang" me, to "beat" me, etc. Many of them used language of the foulest. Many cannot hide their "nationality". One alien-tongued female told my wife she hoped our "house would be bombed up". One Jew heatedly boasted he had the "power" to put me out of existence. Another promised "WE are going to GET you". One told Bill: "How's the balls of your feet?" Another said

that petitions among Organized Labor and other groups were going to "stop the circulation of your... sheet". He promised "WE are going to put you in a concentration camp!"

To give those living outside of New York City (with Washington, D.C. the co-seat of the Synagogue of Satan) an idea of the power, money behind it, and tactics other than those just related herein, please note. At the Grand Central Palace on Febr. 11-13 a 73-booth "Carnival of Democracy" passed out stacks of literature attacking some leading Americans, including Congressmen who fight for a Christian America, and little "me".

According to front-page story in "largest circulation weekly in America", JEWISH EXAMINER, 2-6-42, Rev. L.M. Birkhead, with his FRIENDS OF DEMOCRACY, INC. (whose Natl. Com. consists of Liberals, Jews & Reds) participating in said "Carnival of Democracy", was quoted: "... (it) will afford the first opportunity for the important organizations in the New York area to join together under one roof in a real demonstration for democracy ... Participating organizations include... American Women's Voluntary Services, ... Boy Scout Foundation, ... British War Relief Society, ... Bundles for Britain, Campfire Girls, ... Co-Ordinating Com. for Democratic Action, Council Against Intolerance, ... the JEWISH EXAMINER, the Jewish Frontier, ... Russian War Relief, Student League of America, Union for Democratic Action."

Note Boy Scouts and Campfire Girls mixed in with type of organizations that worked for entry of USA into World War II, and now working to end the Dies Com. which exposed some of their activities and personnel, some of whom are in high places in all walks of life, including the NUDEAL. Key to that "brotherhood" seen in "CARNIVAL FOR DEMOCRACY" editorial in JEWISH EXAMINER, which, saying that that "event merits the fullest support of Jewish circles..." because it was sponsored by Rev. Birkhead, the "highly capable fighter of anti-Semitism...", declared such "must be remorselessly stamped out..."

Highly publicized in Jewish press, the Natl. Conf. of Christians & Jews sponsored so-called "Brotherhood Week" (endorsed by FDR), starting Febr. 15. JEWISH REVIEW 2-5-42 had page "Call for Action" article, with 2 cartoons, by Unitarian Minister, who challenged:

"... Is it not possible for churches at this time to DO something so startling and so thoroughly telling that Anti-Semitism and all similar religious prejudices may receive their most serious set-back?... " While JEWISH EXAMINER 1-30-42 featured front-page double-column spread by officer of NCofC&J, Robt. A. Ashworth, captioned "Now, in Midst of War, TIME TO IMMUNIZE AGAINST HATRED 'Build Understanding, DEFEAT INTOLERANCE'."

Illustrating how advertising is "sold" to regular press to celebrate such "Brotherhood Week", THE CHARLOTTE OBSERVER, 2-15-42, had full page captioned "CHURCH OF THE WEEK" with subcaption "The Hillel Foundation of B'nai B'rith, and with reading matter flanking picture of Henry Monsky, Pres. of B'NAI B'RITH (see THE OCTOPUS - 256 p. book exposing Synagogue of Satan operations and personnel - over 2,300 in index - single copy 60¢; 2 for \$1; 7 for \$3 - remittance with order; free copy with \$5. annual subscription to AID! weekly bulletin service).. The lower half of that page was filled with ads!

Illustrating how some churches, whose pastors are prominent in Federal Council of Churches which co-operates in such "Brotherhood Weeks", participate, the Men's Dinner Club of Christ M.E. Church, New York City, 2-16-42, listened to a Henry Hoke who repeatedly damned all AMERICA FIRST-ers as "Nazis", and spoke insultingly of Lindbergh, Wheeler, Fish, Nye, Champ Clark, D. Worth Clark, Taft, CHICAGO TRIBUNE, et al. Brotherhood???

As part of this campaign to intimidate, and defeat for re-election (if we have Nov. Congressional elections - see B#302), observe that the FRIENDS OF DEMOCRACY, INC., has protested to Secy of War Stimson against giving an Army commission to Lawrence Dennis, called "intellectual leader of American fascism" by Rev. Birkhead, who gloated over Secy of Knox's ousting of Geo. Deatherage from an executive job in a private firm building ships for our Navy. Birkhead urged his audience "to consider carefully the records of the Congressional candidates in the next election..."

Illustrating to what lengths the "Union Now" (with Britain, Russia & China) idea is being propagandized that all Americans are glad to so unite, witness an Indian Confederation of America ceremony 2-20-42 at Riverside Plaza Hotel, New York City, wherein the head of Soviet Military Mission Major Gen. Alexander Repin accepted for Joe Stalin of USSR, "Joe's" installation as Honorary Chief of the Indian tribes in USA, Canada, Mexico and Central America.

In view of previous quotations from Jewish press and Walter Winchell's repeated gloatings over arrest of Pelley, how significant that Pelley's weekly, THE GALILEAN, a

critic of NUDEAL somewhat long lines of AID!, has been and the mails! Such treatment accorded THE GALILEE, yet Communist, Jewish, and un-Christian propaganda fills the mails, the forums, the press, the radio, the theatre, etc.

That the Synagogue of Satan pressure is producing results elsewhere seen in letter from ex-editor A.L. McKenney (member of American Legion, 40 et 8, ORC, EPOE, etc.): "...I am forced to consolidate THE LABOR MAGAZINE (Muskogee, Okla.) with LABOR JOURNAL, INC. for the reason of Jews spending from \$10,000 to \$25,000 in blackmailing THE LABOR MAGAZINE; committees of Rabbis, Jew men and women personally visited our advertisers in many towns and threatened business firms, wrote intimidating letters, ran ads in various dailies; THE HOUR, JEWISH MESSENGER and many other Jewish papers attacked us; Jewish attorneys for labor organizations very craftily induced soft Gentiles and organizations to pass resolutions condemning me and THE LABOR MAGAZINE, and with their control of advertising, I confess, broke me... They printed infamous lies, made many believe me 'pro-German', etc., altho I was a volunteer in World War and a member of America's first place American organizations.... Jews control our local Chamber of Commerce, Merchants Assn. and Better Business Bureaus; they are 'the tail that actually wags the dog' in organized labor, too... do you know that?..." Some years ago AID! exposed that "labor" control. And that was a 15-year-old labor magazine!!!

Same pressure is being exerted to put the 25¢ monthly magazine THE BEACON LIGHT out of business. Wm. Kullgren, editor-publisher, Atascadero, Calif., sells a most complete line of books and pamphlets - see list in his magazine. I can supply one book he is now pushing, NATIONAL DESTINY, for \$1. Its title indicates its contents.

THE ROAD TO VICTORY by Geo. H. Sullivan (see B#300) is causing nationwide comment. Wonder how long before it will be subjected to treatment accorded to THE OCTOPUS by the P.O. Dept. at Washington? Latter is denied book-post rate of 1¢ per lb., in attempt by Synagogue of Satan to hinder its distribution. THE ROAD TO VICTORY - a "must have" book still available for \$1. THE OCTOPUS is 60¢. You need both to understand our problems.

Rabbi Louis I. Newman, appropriately enough, under "UN-AMERICAN ACTIVITIES" in 2-19-42 JEWISH REVIEW, under sub-caption "FATHER COUGHLIN SHOULD FOLLOW HENRY FORD" says: "... Now that Henry Ford has renewed his abhorrence of Anti-Semitism, steps should be taken to cause Charles Coughlin from writing against the welfare of our Country, and in terms echoing the propaganda of Goebbels and his ilk. The weekly issues of 'SOCIAL JUSTICE' continue to carry articles offensive to anyone who loves American institutions. If a layman can publicly confess his error and seek to make amends, it is time that a cleric should do the same..."

The full page editorial "HAVE THE REDS GOT US?" on back cover of that 10¢ weekly, 2-23-42 issue of SOCIAL JUSTICE (Royal Oak, Mich.), is a classic. It starts out: "TOO MANY of us do not realize that the Marxists' greatest victory, to date, has been won not in Europe nor in Asia but at the city of Washington, D.C. There our preparedness has been sabotaged. There our morale has been beaten into the mud. There our spirit has been crushed. There the enemy is preparing for the final blow. We contend that Moscow and Tokyo are operating under a secret alliance. We contend that the German retreat and the Soviet winter victory are a twin hoax designed to deceive us.. (climaxing with) Unbelievable as it is, there appears to be a plot hatched in Moscow, blessed in Berlin, grinned at in Tokyo and executed in Washington to defeat the USA from within. The sooner Americans rise in their wrath and demand the expulsion of Communists and Communist-lovers from Washington - yea, demand their incarceration in concentration camps - the sooner victory will be ours - but not until then."

This front-page item in 2-20-42 JEWISH PRESS, coupled with what previous AID! have warned you re Section (j) undiscussed in Congress and hidden in S.2060-H.R. 6269, should indicate the desires if not fulfillment already achieved in USA by Synagogue of Satan:

"London. (JTA) - Legislation prohibiting 'collective defamation' in England will be asked for shortly in the House of Commons by Daniel Lipson, Independent Conservative.. .. motivated by recent attacks against Jews." Englishmen now getting wise to SofS!

The same fear motivated Winchell last Sun. nite. Proof in 2-27-42 JEWISH EXAMINER editorial "NATIONAL UNITY: A MIRAGE" WE SHOUTED WITH JOY when at last we espied the oasis of National Unity. But on closer approach we discover the unnerving disillusionment that it is just a mirage.. Why does Washington permit this sort of thing to go on? The anti-administration and anti-Semitic campaign have become amazingly voluminous since Dec. 7th. Failure to take action against these venomous dissidents places the

American war effort in the gravest jeopardy."

This fear of America's becoming awakened as to who the "real 5th column" is in the world (i.e., the Synagogue of Satan) is also reflected in feature article "OUR FASCIST ENEMIES WITHIN" in Red Jew Eugene Lyons' monthly magazine for March, THE AMERICAN MERCURY, wherein he in effect calls certain persons, including me, a "saboteur", "traitor", and calls for "adequate counter-measures" - apparently imprisonment. I wrote Lyons on 2-28-42 calling his attention to discrepancies in that article, daring him to publish my letter in THE OPEN FORUM of his magazine; ending it with: "Since when has a Russian-born Communist Jew, like yourself, the right to deny native-born Christian Americans, like myself, the freedom of the press? If standing up for Christ and for the re-establishing of our Christian Constitutional Representative Republic as envisioned by our Christian forefathers, makes me your enemy - so be it!"

NEWS FROM CONGR. RECORDS. 2-28-42 issue shows that a "Dr. Brandeis" is in charge of Dept. of Agriculture handling of creating a rubber supply in USA thru the planting of guayule and other rubber-bearing plants. S. 2282 providing for Govt assistance in making USA independent of foreign sources of rubber (Synagogue of Satan controlled - now lost to us), is being held up so long it looks like we'll never get rubber that way.

Despite obvious necessity of removing Japs from Pacific Coast area, the same Ann. Civil Liberties Union, headed by Communist Roger Baldwin and with 2 Jews as chief attorneys, that demands liquidation of Dies Com., tells Congress to let "our brother" Japs stay. Repr. Daniel A. Reed of N.Y. tabulates our exports of certain war materials to Japan, Germany and Italy, from 1936 thru 1940, but observes: "It is impossible to give exports to Japan for 1941, because the Bureau of Foreign & Domestic Commerce early in 1941 ceased the publication of figures giving individual export items by countries."

I.e., a slick way by which the NUDEAL covered up the extent of war materials shipped to Japan in 1941 right up to her attack on us. Yet NUDEAL's figures verify statement in 2-21-42 COLLIER'S that 85% of materials that Japan has used to wage war on China and those it is using today against the USA were purchased from the USA, Canada, Netherlands Indies, British Indies and British Malaya, while less than 6% came from Germany & Italy.

Repr. Leland M. Ford of Calif. demands Military and Naval Affairs Committees investigate ridiculous conflicting reports issued by Secys of War and Navy, Stimson and Knox re the Air Raid Alarm at Los Angeles wherein 3,000,000 people were terrorized, and whereby falling shells, some unexploded, from our anti-aircraft guns destroyed property and 4 persons died. Repr. Carl Hinshaw of Calif. asks that those Secys issue a joint statement giving the truth, while Repr. Robt. F. Rich of Penna., noting that Democratic leaders were to "hit back at needling by the opposition", warned the House majority: "... unless you, the majority party, change your attitude and stop blindly following the administration's wild, communistic ideas, the country is lost. We need the best Americans with the soundest ideas of constitutional govt, of sound business judgment, if this country is to survive. The responsibility is yours. What will you do about it?... change your course or you will wreck the country..."

Note what several of that House majority do: Repr. A. G. Klein, one of Jew Congressmen from N.Y., protests Army commissioning as Capt., Lawrence Dennis, quoting editorial from Judeo-Red PM newspaper to justify his objections. That same editorial gloats over efficient engineer Geo. Deatherage being canned from executive job building ships for our Navy. Another Jew Congressman, Emanuel Celler, from N.Y., inserts in CONGR. RECORD his radio address of 2-27-42 over WJAF, entitled "Carping Critics", wherein he calls for his kind of "unity", and criticizes those who criticize the administration.

Then Repr. Wm. T. Pfeiffer, asking for time "to clear up some of the amazing misconceptions... with regard to the remarks I made on Thursday... concerning Lt. Franklin D. Roosevelt, Jr." exclaimed: "I here and now cordially invite any Member of the House and the public to submit me a bill of particulars in any case wherein the son or a relative of any prominent Republican whatever, either in or out of the Congress, has received a commission without working for it and thereafter has received favored treatment from either the Army or the Navy. Sauce for the goose is sauce for the gander."

2-27-42 CONGR. RECORD at length shows how all the friction at Detroit over a defense housing project was due to pressure exerted by joint activities of Communist, Negro, Jew and Jewish Rabbi, CIO, et al agitators, utilizing trickery, lies, pickets, Negro vs. white propaganda, and Repr. Tenerowicz's conviction as to our real danger confirms AID!

BULLETIN NO. 304.

"End the War Quickly!"

March 10, 1942.

PRAYER: "From Satan's Henchmen, Good Lord deliver us. Amen!"

**RIGHTEOUS ANGER!** You, who believe in TRUTH, have opportunity to encourage one fearfully maligned over radio and in press, and learn "inside" technique of the Synagogue of Satan (Organized Jewry-Intl. Finance), by sending 10¢ or more to (Mrs.) Elizabeth Dilling, 8 So. Dearborn, Chicago, Ill., and asking for her 5-page 2-28-42 bulletin. Winchell lied at least 3 times in his lip-smacking radio smear 3-1-42. Mrs. D. sued for divorce, not the other way round; she is a teetotaler; she is not a drug addict. Her son and daughter stand by her. Husband's lawyer is Maurice T. Weinshenk "toughest kike lawyer recommended by B'NAI B'RITH" (see THE OCTOPUS - 256-p. book gives activities and personnel - over 2,300 in index - of this "hatchetman" pressure and spy agency of Synagogue of Satan: 1 copy 60¢; 2 for \$1; 7 for \$3. - remittance with order; or 1 copy free with \$5. annual subscription to AMERICA IN DANGER! bulletin service). Have you renewed?

Illustration of how Synagogue of Satan's Gentile "stooges" jump to command (as its criminal gangsters did in Omaha even before Winchell's WOW 3-1-42 broadcast, with death threat, etc. fone calls - see B#303). THE FUNDAMENTALIST weekly, 3-6-42, mouthpiece of Dr. J. Frank Norris, ran gloating front-page smear under caption: "Elizabeth Dilling Charged by Husband in Divorce Suit as Guilty of Habitual Drunkenness and Taking Dope". Norris claims to have largest Baptist churches in Detroit and Ft. Worth, to be a "flying parson", and world-traveler-intimate of part-Jew Churchill and NUDEALers at Washington. This typically Judeo-Red attack starts out: "Her husband ought to know. The Chicago papers, and other great daily papers carry the above tragic news, and it is a matter of record in the courts of Chicago. It has been known for some time that Mrs. Dilling was using her anti-communistic crusade as a smoke screen to do the work that Hitler wants done in the United States right now. The first of last year, she called a group of men, mostly anti-Semite preachers, and among them were certain enemies of Dr. Norris.."  
P.1 of that "religious" weekly shows its true colors under 2-columns-wide caption: "The Quislings in the Ministry of America": "... Another one in his little paper is howling about Great Britain not suffering any losses... If it had not been for Britain, Hitler would have long since been on our shores. And then there is a bunch of Rev. Quislings who are hollering their heads off about the Jews taking control. They show where their ignorance is steeped in prejudice.." (see THE OCTOPUS re Norris).

**TYPHUS & BLOOD BANKS.** I considered B#299 the most powerfully enlightening of all AID! bulletins. Synagogue of Satan apparently thinks so, too. Its "confidential bulletin" THE HOUR 2-21-42 raves (as does other Jewish press I understand), but fails to deny: "TREASON IN OMAHA With each week the treasonable propaganda distributed by Charles B. Hudson, of Omaha, Nebr., becomes more vicious. His pro-Axis mimeographed bulletin, America In Danger!, has one objective: to create dissension among Americans by pitting Gentile against Jew, white against colored. The latest issue of the fascist publication offers a particularly sickening illustration of the Nazi-spawned lies with which Hudson hopes to disrupt this country. (CBH- Whew! - on the contrary I'm doing my bit to help save it.) The issue contains a two-page article entitled 'Typhus', which purports to deal with the epidemic sweeping Nazi-occupied Europe. Hudson, with brutal cynicism, asserts that Jews are purposely spreading the plague and that, 'The truth as to who is responsible for spreading Typhus should furnish additional proof as to who and what constitutes the real "5th Column" in the USA. If preventive measures (are) not taken, our large cities too will be laid low by Typhus epidemics, for we have absorbed "refugees" who carry the seeds of that Plague!'

"According to the Omaha Fifth Columnist, a vast conspiracy lies behind the typhus epidemic, 'which helps wipe out White Race in Europe, thus making Yellow Race its con-

queror.' (In the Dec. 9 issue of 'America In Danger!' a pointed out: 'The Mongolian Jap is blood-brot to.. Jews, who are more Mongol than black or white.')

"Hudson's pro-Nazi propaganda reaches a peak of scurrilousness in the following passage from the current issue of 'America In Danger!': 'Since there is much "unknown to medicine," isn't it possible that there are angles to the use of "blood banks" entirely foreign to the purported one of saving lives? In view of.. Jewish-promoted "typhus epidemics" in Europe, is their present energetic widespread campaign for collection of Jewish "blood banks" for army, navy and civilian use prophetic of the predicted epidemics due in America? How would you like to have the bloodstream of your baby, or son, or husband, or daughter, or wife, polluted by dried blood collected from Jews, Negroes and criminals?' (CBH- my authorities were largely Jewish press and NUDEAL reports).

"Hudson on Winchell and The Hour" Like all fifth columnists, Hudson fears any publicity which exposes the true character of his seditious work. On Jan. 26 he devoted the first two pages of his bulletin to attacking Walter Winchell and The Hour for spotlighting his machinations to obstruct the war effort of the United States. (Hudson characterized The Hour as a 'mouthpiece of International Jewry' and a supporter of 'Soviet Bolshevik diabolical tactics.'). Needless to say, The Hour will continue to expose the treasonable activities of Charles B. Hudson until the government authorities take proper action against him and his pro-Axis publication."

Now you can guess why Jew Winchell 3-1-42 howled: "Why doesn't Congress or some authority do something about Charles B. Hudson of Omaha?"

Co-incident with the "criminal gangster" intimidation campaign (see B#303), Republican ex-Congressman Mac Baldrige had a letter published in Omaha WORLD-HERALD. Since then two other letters have appeared on its editorial pages. And, amusingly enough, co-incident with Baldrige's letter, that paper editorially patted Congr. Vinson on back for his advising the Navy Dept to call Winchell to active duty or drop him: "... The latter alternative seems the sounder".

My letter 3-6-42 to Baldrige, as yet unanswered, tells its own story: "You sign a letter in the March 6, 1942 issue of the Omaha World-Herald's 'As the Public Pulse Beats', as Secretary of the 'National Conference of Christians and Jews', which, incidentally, I note is not even listed in the telephone directory, no doubt because it is more of a 'paper' organization than anything else. A favorite trick of both Communists and Jews is to set up many paper organizations to be used as pressure agencies. Thus when anything is published over the signature of an imposing name it is supposed to carry considerable weight among the uninformed reading public.

"You say: 'Walter Winchell deserves an orchid from the American people for throwing the spotlight of publicity on the activities of Charles Hudson of Omaha.' Then you spread the usual 'bull' - a conglomeration of generalities, such as: 'disunity', 'great war crisis', 'high officials', 'race and religious intolerance', 'helping Hitler and the Japanese', 'nazis', 'strategy of Goebbels and Hitler'. You, like Communist-aiding Jew Winchell, carefully refrain from naming any particular crime of which I surely must be guilty to rate the attacks by Winchell over radio Sunday night, in the newspapers, and now by yourself. Both of you stoop to the typically Red Jew type of smearing by innuendo. I have no fear of publicity.

"By contrast my bulletin AMERICA IN DANGER! names the enemies of Christ, exposes their activities, and has adhered sufficiently to the truth as I find it, that a number of advertised libel suits disappeared into the thin air. I demand that you publish a retraction in the World-Herald or name one instance of where AMERICA IN DANGER! has aided Germany or Japan, as you infer, or how it is possible in a country of 130,000,000 people that a few thousand Christian American readers of my bulletins could constitute any threat to the unity of our Nation. I don't know how you or your unchristian 'conference' measure 'patriotism', but the record shows I enlisted in World War I, and my only son tried to enlist in January 1942. I am now engaged in doing my little bit to help restore our once Christian Constitutional Representative Republic as it was envisioned by the Christian minority known as our 'Founding Fathers'.

"For Christ & Country,

CHAS. B. HUDSON."

Personally, I hope Winchell stays on the air - the more he desecrates the Christian Sabbath as he has been doing, the more Christian Americans are going to get their eyes opened. I feel that the Synagogue of Satan may be concerned, too, over the contents of

B#302 - re expected parallel action in USA following Br. Jew's "take-over" upon installation via "re-organization for war efficiency's sake" by Jewish "fronts" and Communists, Sir Stafford Cripps, et al. (see 3-9-42 LIFE magazine for some of his Red ideas).

One of America's foremost students of subversive movements comments: "... Some things are working out too darned close to your predictions, also some of mine. Much rather both of us were totally wrong..." Re the 24-point "take-over" program exposed 30 years ago, of which points (1), (2), (8) and (17) were commented on in B#301, how significant that point (8) is now being fulfilled since that issue. (8) read in part:

"Quietly and unobtrusively, American soldiers must be sent to Egypt and India; British soldiers may then be quartered in the USA..." Nebr. State Journal of Lincoln, Nebr. 2-28-42 carried 3-columns-wide picture captioned: "BRITAIN SENDS TROOPS TO U.S.A." with sub-caption: "Three British Tommies, members of a combat force sent for undisclosed reasons from England to a post 'somewhere in the New York metropolitan area', drink with U.S. soldiers at a post canteen." Will they be dined and wined?

In category with 3,000,000 British soldiers sitting around unharmed in England, and with transfer of some of such "combat" forces to USA, and with sending our untrained forces to Britain and all other parts of the world, note this official letter 2-26-42 from Randall Jacobs, Chief of Bureau of Navigation at Washington, D.C.: "... Lieut. Comdr. Winchell has not yet been ordered to active duty. At such time as is compatible with the best interests of the Naval Service, he will be ordered to active duty for service in the mobilization billet which warranted his appointment to commissioned rank in the U.S. Naval Reserve..." Should he be called looks like he won't be in any danger!

A world-traveler student of subversive movements gives the key: "... Know your enemies is the secret of success. Not to know your enemies is the basis of disaster."

This reminds that another Red Jew is in a key spot. Jas. Waterman Wise (40-yr-old son of leading Rabbi, Stephon S. Wise, whose daughter Justine Wise Polier had \$22.22-per-day Civilian Defense job - see B#302), who has been very active in Communist affairs, has just been appointed as Washington, D.C. representative for the Inter-American Jewish Council... was formed last Nov. when representatives of 18 Jewish communities met and adopted a program to create Inter-American solidarity and to carry out "important work with respect to immediate Jewish needs and the preparations for the restoration of rights for Jews at the end of the war." Another Judoo-Red "pressure" lobby.

That reminds that the JEWISH PRESS 3-6-42 reports: "... Monroe Oppenheimer, a New York attorney, has worked up a plan for a post-war world government that is now being studied by the Board of Economic Warfare in Washington, which is headed by Vice-Pres. Wallace... Nathan Straus (CBH ex-head of U.S. Housing Authority, now run by Mr. Keyserling - see B#302),... will be returning to public life soon, and it may be that He'll turn up in a State Dept. post (CBH- headed by Cordell Hull, getting old, wed to Jewess!)

Re AID's warnings about "Blood Banks" and fact that so many Jews are doctors, internes, etc., here's another angle. Robt. Finkelstein, former bacteriologist at Michael Reese hospital, according to Chicago TRIBUNE 2-19-42, pleaded not guilty to a charge of conspiracy to steal \$515 from the hospital in connection with the theft of blood from the hospital's blood bank. "Leslie V. Curtis, assistant State's Attorney, accused Finkelstein of taking blood from the hospital bank when needed for patients, and then charging the hospital for fictitious blood transfusions..."

The JEWISH PRESS 2-27-42, under "IN RE REFUGEES", says: "We hope the Government will take up seriously the suggestion to make use of the German and Austrian refugee physicians in this country for military purposes..." Put Americans only on guard!!!

Front page of JEWISH EXAMINER (largest circulation in America) 3-6-42 illustrates activities designed to keep truth from Americans even about their own history:

"FRANKLIN FORGERY ON LOOSE AGAIN FBI, Police Trying to Track Culprits Police and FBI agents are attempting to discover the person or persons who have been circulating the old Benjamin Franklin anti-Jewish forgery here for the past few weeks. Copies of a leaflet bearing what is purported to be an extract from the diary of Charles Pickney, discussing an 'anti-Jewish speech' made supposedly by Benjamin Franklin at the Constitutional Convention in 1787, has appeared in subways, taxis, hotel lobbies, restaurants, buses, railroad terminals and similar places. This Franklin forgery was proved to be a fake several years ago... Competent historians, such as Charles Bear?

(CBH- because he serves Synagogue of Satan, Beard's book "Fill our school libraries"), have repeatedly branded the letter a barefaced forgery.

Quite a while back AID! proved Ben Franklin's understanding of the "Jewish Question" by quoting from several letters he had written, which Synagogue of Satan carefully ignores - and dares not call them "forgeries". THE ROAD TO VICTORY (by Geo. Sullivan - a "must have" book - \$1. - will be mailed insured to you), p.74, quotes one of those letters as found in Vol.VII, p.333, Complete Works of Benjamin Franklin, catalogued in Library of Congress "E302.F82": So serious was the financial plight during the entire Revolution that Benjamin Franklin was in negotiation with the firm of John de Neufville & Son, of Amsterdam for a needed loan to lessen such plight, but the terms demanded by that firm were so outrageous and impossible that, in reporting the terms to John Adams on Dec.11,1781, Franklin said: "By this time, I fancy, your Excellency is satisfied that I was wrong in supposing John de Neufville as much a Jew as any in Jerusalem, since Jacob was not content with any per cents, but took the whole of his brother Esau's birthright, and his posterity did the same by the Canaanites, and cut their throats into the bargain; which, in my conscience, I do not think Mr. John de Neufville has the least inclination to do by us while he can get anything by our being alive."

If the JEWISH EXAMINER and JEWISH PRESS reports are true, it would seem that with USA at war, the police and FBI should have more important things to do than trying to run down distributors of leaflets giving Americans some ideas on the true history of their country now denied us thru the usual channels of press, history books, etc.

This same JEWISH EXAMINER under "The Bigot Brigade" says: "The U.S. has its Coughlin-Hudson-Deatherage crew, Mexico has its Sinarquistas, and Canada its Nationalist Party..". Further down in that column one reads: "... The Co-ordinating Committee for Democratic Action, which has been doing a magnificent job in exposing the activities of hate hierarchy, reports that Col.E.N.Sanctuary, of the American Christian Defenders is using his Manhattan apartment (at 511 W. 113th St.) as a distribution center for KKK literature; Sanctuary has to his 'credit' the authorship of 'The Talmud Unmasked' ... Word, deeply distressing, is that after Lindbergh serves a 'probationary' period he will be accepted into active army service..."

Observe that smear of Christian patriots of proven worth. The JEWISH REVIEW of 2-26-42 devotes page under caption: "UN-AMERICAN ACTIVITIES Courtesy Coordinated Committee", with its sub-caption: "Coughlin's Brooklyn Agent Fr. Curran Preaches Fascism" to attacks, not only on Catholic clergy, but reproduces mastheads of what it calls "subversive publications". Shows as "Courtesy - Non-Sectarian Anti-Nazi League" these mastheads: SOCIAL JUSTICE (10¢ weekly - Royal Oak, Mich.); THE INDIVIDUALIST (12¢ weekly - P.O.Box 373, Lincoln, Nebr. - splendid publication); THE WEEKLY FOREIGN LETTER (\$24. per yr. - 205 East 42 St., NewYorkCity); and reproduces excerpt from Pelley's 25¢ monthly magazine GALILEAN.

This recalls that the Judeo-Red newspaper FM of NewYorkCity 2-27-42 devoted part of front-cover and two pages to: "AMERICANS! Do a Deathorage on Lawrence Dennis", calling upon Judeo-Red individuals and organizations to bring pressure upon the Army Dept. at Washington to keep editor Dennis of said WEEKLY FOREIGN LETTER out of a Captaincy in the Army, since similar pressure succeeded in forcing Secy. of Navy Knox to have Geo.Deatherage fired as an engineer for a private contractor building Navy ships.

While I may not agree with Dennis in every respect, I do with this statement in his 3-5-42 release: "... The Editor supports the Constitution and tries to obey the laws and all in authority over him. He refuses to profess beliefs he does not hold or to recant beliefs he still holds. He puts America first, even ahead of the crusade (FDR) for an international Utopia. He believes that facing honestly the facts should not be suspended for the duration of the war." He warns: "... For over a century the practice of the Western Nations has been to punish people only for what they did or left undone of what they ought to have done. NOW IT IS PROPOSED TO PUNISH PEOPLE FOR WHAT THEY BELIEVE OR WHAT THEY REFUSE TO BELIEVE..." Some comfort to learn that finally some Congressmen are looking into that hidden Section (j) in S.2060-H.R.6269, which gives more censorship powers than any other legislation rushed thru Congress. That Bill is back for doctoring-up to please Communists, FDR urging that "such adjustment might be achieved by granting broad discretionary powers to the Atty Genl during the emergency". Thus opportunity now exists bywhich that Section (j) can be passed in Congress for first time, and jerked out before the Bill is re-passed. AMERL.

BULLETIN NO. 306.

"End the War Quickly!"

March 26, 1942.

PRAYER:

"From Satan's Henchmen, Good Lord deliver us. Amen!"

THANKS! Appeal in B#305 already brot many encouraging letters and remittances. Orders for extra copies of B#305 appreciated. And many orders for Repr. Hoffman's "DON'T HAUL DOWN THE STARS AND STRIPES" being filled - 28 copies for 10¢ in coin or stamps. May God indeed bless, protect and comfort you all in the trying days ahead.

HOPE! From different sources come proof that there's light ahead. When the real enemy of all mankind, the Synagogue of Satan (Organized Jewry-Intl. Finance) thot at last it had everything coming its way, behold, Christian Americans display more, instead of less bravery and activity. Resultant increased hysterical attacks by that Synagogue of Satan in turn awakens more Americans to the fact that only the very "conspiracy" claimed can account for the simultaneous attacks, lies and smears. Following illustrate it.

Atty. Geo. E. Sullivan, Washington, D.C., author of THE ROAD TO VICTORY (\$1, 6 for \$5-mailed insured upon receipt of remittance): "... Repr. Sabath attacked me by name in CONG. RECORD of Mch. 11th, but dared not mention my book lest it would advertise it. I have written the libeller calling for retraction of his libelous matter, and also to advise me what, if anything, he has ever done against either Communism or Talmudism, as I contemplate dealing with him in the next issue of my book. I think some are beginning to learn that it is dangerous to resort to smear tactics against me... The demand for it (book) is growing steadily. Those who think the American spirit is dead are in for a rude awakening. Many of my best friends thot it was too late to awaken the people, but they are now admitting their error. The letters I am receiving from every part of the country are magnificent. With the sure aid of Divine Providence, and the American people awake, our enemies within and without are doomed..."

W. D. Kelley, Indianapolis, Ind., whose weekly, and now monthly magazines, THE GALILEAN, have in effect been denied U.S. mails, and who is constantly being plagued with court actions: "... Nothing cheers me more in my own fight than to see the spirit and nerve displayed by Elizabeth Dilling in going after her defamers, particularly Walter Winchell (CH- he jointly with Jergens Lotion and NCG being sued for \$200,000 by Mrs. Eleanor Patterson, owner of Washington TIMES-HERALD). This morning's papers announce that she is making her husband's attorney Weinshenk, and Walter Winchell, practically codefenders with her husband, in her divorce and (million dollar) damage suit, for naming her as a drunkard and user of narcotics. I can pass the word along to all good Galileans that Mrs. Dilling - according to the testimony brot me by hundreds of mutual friends - is as abstemious and moral a lady as is anywhere engaged in this Gargantuan task of cleaning America of its alien besmirchers... It's just another of those cess-pools of putridity that we fighters for a Renovated America are forced to flounder thr at times as part of our jobs... Mrs. Dilling should have the moral and substantial support, in her splendid fight, of every decent-minded man and woman in America..."

I hope Mrs. Dilling also sues Rev. J. Frank Norris (Detroit & Ft. Worth radio-flying-parson), for his 3-20-42 weekly THE FUNDAMENTALIST again front-pages terrible smears, following up that in 3-6-42 issue (see B#304). Yet he should have known that that B'NAI B'RITH lawyer Weinshenk had on 3-10-42 amended the original "smear complaint bill" (whic served Winchell-Jewry's purposes), "striking out charges" of Mrs. D. being a dope fiend and drunkard, using improper language to her children, and that her Patriotic Research Bureau had been set up for purpose of opposing NewDeal policies and stirring up class an religious hatreds among the peoples of this nation. Such deleting of those false charge proves that Weinshenk didn't dare to try to prove them in court. Yet some religious and

Communist-aiding Jew  
- help her!)

C. Leon de Aryan, editor THE BROOM, San Diego, Calif., in his fight to continue his 5¢ weekly newspaper, devotes 3-23-42 issue largely to letters signed by prominent citizens who testify to his character and genuine Americanism, and suggest the FBI devote its time and talents in going after real unAmericans. He promises to sue PM, Judeo-Red newspaper of New York City, unless it retracts lie-smear in its 2-24-42 issue. I quote de Aryan re questions put to him by investigating committee: "Why? and Who is persecuting him? Well, how could I tell? Why don't you ask Bert Leech, the Communist instructor; or Nate Baranov, the jeweler; or Irvy Friedman, city park commissioner and confidential advisor to the Mayor; or Harry Nathan, the FBI boss; or Eli Levenson, chmn of the Anti-Defamation Com. (CEH- of B'NAI B'RITH - see THE OCTOPUS - 256 p. book with over 2,300 in its index, exposing this "hatchman" pressure and spy agency of Synagogue of Satan: 1 copy 60¢; 2 for \$1; 7 for \$3 - remittance with order; or 1 free with \$5. annual subscription to AMERICA IN DANGER! bulletin service --- have you renewed?); or any of the business agents at the Labor Temple? Try, and ask them and see whether they can tell you who wants my citizenship cancelled, and why?"

UNITED MOTHERS OF AMERICA, Rm 348 The Arcade, Cleveland, O., adopt Resolution 3-17-42 sent to all State Officials, reading in part: "... AMERICA CRIES FOR 'GEO. WASHINGTON LEADERSHIP' TO SAVE OUR REPUBLIC FROM CHAOS AND TO SAFEGUARD 'OUR WAY OF LIFE'..... RESOLVED, That 'ALL' PUBLIC OFFICIALS AND THE GENERAL PUBLIC BE AWAKENED TO THIS DANGER (UnionNow); THAT THEIR FULLEST COOPERATION BE SOLICITED; THAT COPIES OF CONGR. CLARE HOFFMAN'S CONDENSED ADDRESSES on 'DON'T HAIL DOWN THE STARS AND STRIPES' of Jan. 27 and 30, 1942, be sent to Patriots; that ALL be asked to immediately write to Representatives at Washington to support Congr. Hoffman's Bill HR-425, demanding a vigorous investigation of this plot; that investigation be made as to what connection 'total draft' has with the circumvention of citizens' constitutional rights, and on the same basis opposing conscription of women; also demanding the repeal, without delay, of ALL LAWS depriving Americans of the right to vote, express convictions, and exercise full control over their Government and destiny." Why doesn't Dies Com. investigate???

Edwin F. Banta, ex-spy in Communist Party, credited by Repr. Starnes of Dies Com. as having been "chief witness" whose testimony was implemented and supplemented by irrefutable documentation (CEH- proving preponderance of Communist Jews in key positions), which Banta claims has been pigeon-holed by that Com., writes Pearson-Allen, Washington Merry-Go-Round: "In your broadcast over WJZ last night (3-22-42) you asked for a war slogan. My offer for such will follow. I suppose you will be too cowardly or too Jewish to use my suggestion, but it will be the slogan during and after the war - it is: 'ONWARD CHRISTIAN SOLDIERS'. Failure to use it must brand you as above indicated. America, by a Supreme Court ruling, is Christian. The press will be supplied with copies..."

Banta, 3-23-42, writes Repr. Starnes: "I call upon the Com. Investigating unAmerican Activities to get before Congress the activities of the underground secret Communist Party in its effort to force Pres. Roosevelt to release traitor Earl Browder, a lifelong enemy of this country. He elected to go to prison rather than register for the draft in the first World War, thus lending aid and comfort to the enemy. The American people will look to your Com. for action. A copy of this call for action will go to the press. When you write your Congressmen re action on HR-425, also remind them to see to it that Browder is not pardoned "to keep friendship of Soviet Jew-ruled Russia".

Banta, 3-25-42, writes Atty. Gen. Biddle: "Last night's WORLD-TELEGRAM carries an article that The Independent Order of Brith Abraham has sent a letter to your attention demanding that you suppress SOCIAL JUSTICE, a Catholic publication with executive offices at Royal Oak, Mich. The writer is a Protestant, but I demand that an appointed officer to the Federal Govt shall not exercise the power of his office to violate a Constitutional guarantee, unless he is bent on arousing a revolution, for the Americans are being goaded to the end of endurance. I can prove that a powerful secret service organization is maintained by the powerful Jewish organizations in America who maintain spies in Christian organizations there to break down American Christian unity and bring about racial dissention. Having spent 2½ years as an American patriot in the ranks of communism, 90% Jewish, I learned first hand of nefarious unAmerican activities by these

as you will see what he charges that the ad with Nazi groups", ar

letters. Note, too, et al, are "affiliated-investigated" them!

To justify his opposition to continuance of the Dies Com., Sabath inserted in CR 3-11-42, 3 pages of samples of what he claimed were among "thousands of letters, telegrams, news items, articles, and editorials from papers and people all over the U.S. Many of them who formerly supported (but now urged its disbanding)". Among them was a long letter from wife of Communist organizer, Shaw, who was sentenced to pen in Okla. - but Sabath failed to state that she was a Communist friend of Mrs. Roosevelt (see p. 302).

So that you will realize the far-reaching activities of the "conspiracy", note that Sabath received telegrams and letters urging his influence to disband the Dies Com., not only from Communists, Labor, and other "progressives" and "liberals", but also from such as follows: Elbert Russell, Dean Emeritus of Duke Uni.; Fleming James, School of Theology, Uni. of the South; Garner M. Day, of Christ Church Rectory, Cambridge, Mass.; John Nevill Sayre, Secy of Fellowship of Reconciliation; David Grant, chmn of Religious Forum, Los Angeles; J. A. MacCallum, of The Walnut St. Presbyterian Church, Phila.; Prof. E. A. Ross, Uni. of Wis.; Mary E. Woolley, ex-Pres. Mt. Holyoke College; Ernest N. Votaw, Pres. Phila. Lawyers Guild; Arthur M. Weatherly, Unitarian Church, Lincoln, Neb.; Rosalia Manning, Pres. N.Y. Conf. For Inalienable Rights; V. D. Scudder; Farmers' Union Live Stock Com., Chas. D. Egley, Mgr., who wrote that "... at its Omaha convention the Natl. Farmers Union passed a strong resolution condemning the undemocratic character of the Dies Com...." and called for its dissolution; Rev. Dwight J. Bradley, Director, Council FOR SOCIAL ACTION, Congregation Christian Churches; and among others quoted one from Dr. Emily Hickman, chmn, of public affairs committee of the Natl. Board of the YWCA.

Naturally the Jews in the House voted against the continuation of the Dies Com. Isn't it obvious that the Synagogue of Satan is afraid that some day the proof of its "conspiracy" to enslave the whole world thru political-economic-military dictatorships, as now lodged in files of the Dies Com., might come to light? If the Dies Com. was truly courageous, patriotic, and Christian, it could blast the "control" - and save all Christendom. TRUTH is might!!!

Repr. Rich, in CR 3-23-42, asks Congress to pass laws that will make it a crime for anybody to create a slow-down in industry or for any reason to object to American citizens furthering the interest of this country in winning the war - punishment to be imprisonment or internment. He related instances of union and other activities causing slow-downs in defense industries. He stated that the Aluminum Co. plant at Cleveland, O. had furnaces that were operating at only 50%, 30%, and 20% of capacity; that on 3-21-42 900 men were out of work due to lack of material for the sand foundry; that some of the men in that plant were trying to spoil materials, one of them pulling the thermocouple out causing the furnace temperature to run higher, resulting in inferior metal which would crack up in planes; that after that thermocouple had been replaced, the same man pulled it out again. He, Repr. Rich, climaxed his speech: "... It seems to me we need to take action, and do so at once, to govern radicalism in our country if we do not lose our form of government. Will the Congress act? Let us hope they do and do it before it is too late."

Significant items: On 3-20-42 Donald Gordon (similar to Leon Henderson in USA) told Canadians that the "competitive system must go", and that Canadians must be prepared to "accustom themselves to a standard of living based on bare essentials". Just like in Jew-rifed Russia! Same press carried AP item from London that Soviet Russia and Japan had renewed their fisheries agreement for another year. Again, more evidence that "our ally" Russia is far from being one, for it is admitted that "a flat refusal by Russia to renew would have been a severe blow to Japan". 3-22-42 Chicago TRIBUNE shows large picture, Australian News Bureau release, of Australian Air Cadets arriving in Canada for training - with most of them giving the "clenched fist" Communist salute! With USA and Canada shipping shiploads of planes to Australia, and with our boys shipload after shipload landing in Australia, there "to save Australia" under Gen. MacArthur as supposed head of Allied Nations' Armies, what is meaning of all this? Note that USA's "lease-lend" political commissar there is Phila. buker, Jew Wm. Stix Wasserman, who promises: "... we will not have to pay for trenches the way Americans did in France in the last war!"

RE: CHARLES B. HUDSON,  
INTERNAL SECURITY - G;  
REGISTRATION ACT: SEDITION

Dear Sir:-

Reference is made to Bureau letter of March 28, 1942,  
(61-7474).

You are advised that I have assigned this matter to  
Special Agent [REDACTED] of this office, with instructions that he  
devote his entire time to the investigation in accordance with your  
desires, expressed in the reference letter.

-67C-  
You are further advised that Special Agent [REDACTED] is  
presently assisting with the Technical Equipment at the FBI WAR TRAFFIC  
SCHOOL FOR POLICE, which is being held in Omaha this week. However,  
that school will end on April 4, 1942, at which time Agent [REDACTED] will  
start work on this case.

I have had this case assigned to Special Agent [REDACTED]  
[REDACTED] however, in view of Agent [REDACTED] other commitments in  
this office, I did not deem it advisable to take him off all his other  
assignments, and assign him to the Hudson case exclusively.

I feel Agent [REDACTED] is competent to handle this matter.

Very truly yours,

SEDITION

Dear Sir:

Reference is made to your letter dated April 3, 1942, in the above-entitled matter, wherein advice was requested as to whether or not you should continue sending copies of reports and literature obtained by your office to the office of the United States Attorney at Omaha.

The instructions received from the Department, which were subsequently set forth in Bureau Bulletin Number 24, First Series, 1942, dated March 25, 1942, clearly sets forth the Bureau's policy relative to handling matters of this kind.

It is my desire that your office discontinue immediately the practice of furnishing the office of the United States Attorney in Omaha with copies of reports involving a possible violation of the Sedition Statutes on the part of subject, and also copies of literature published by subject. If and when prosecution of subject should be authorized by the Department for violation of the Sedition Statutes, your office will be notified concerning the further disposition of reports.

Re: CHARLES B. HUDSON  
INTERNAL SECURITY - G  
REGISTRATION ACT  
SEDITION

Dear Sir:

Reference is made to Bureau letter of March 28, 1942 (61-7474).

Your attention is invited to my letter to you dated April 2, 1942, wherein I informed you that I had assigned this case to Special Agent [redacted] of this office for investigation.

Your attention is also invited to the report of Special Agent [redacted] Omaha, March 6, 1942, in this case, wherein it was pointed out that United States Attorney JOSEPH T. VOTAVA, Omaha, had at a conference attended by Agent [redacted] and myself on March 2, 1942, stated that he is considering the prosecution of HUDSON for violation of the Sedition Act; and, as reflected in Agent [redacted] report, all of the issues of HUDSON'S publication, "AMERICA IN DANGER", subsequent to the Pearl Harbor incident on December 7, 1941, were furnished to Mr. VOTAVA for his information. Likewise, a copy of Agent [redacted] report was furnished to Mr. VOTAVA.

It is noted that Bureau Bulletin No. 24, First Series, 1942, dated March 25, 1942, prohibits field division offices from presenting to United States Attorneys these Sedition Act cases, this as a result of specific instructions issued by the Attorney General.

In view of the fact that the HUDSON case was taken up with Mr. VOTAVA on March 2 and 3, 1942, which is prior to the date of Bureau Bulletin No. 24 above referred to, and inasmuch as this office has been furnishing to Mr. VOTAVA copies of the HUDSON reports, the advice of the Bureau is requested as to whether or not I should discontinue sending to Mr. VOTAVA copies of these reports or whether I should continue to send them to him in accordance with previous practice.

I desire to point out that in our Conference of March 2, 1942, as mentioned in Agent [REDACTED] report, Mr. VOTAVA made it plain that before he instituted any prosecutive action in this matter, he intended to present all of the facts to the Attorney General at Washington, D. C., and that it was for the purpose of obtaining those facts that he has requested us to investigate HUDSON for violating the Sedition Act.

Receipt is acknowledged of your memoranda dated March 25, March 31, and April 3, 1942, enclosing photostatic copies of "America in Danger!" dated February 24, March 3, and March 10, 1942. It is noted that you request an opinion whether the material submitted constitutes a violation of any statute within the investigative jurisdiction of the Bureau.

As a preliminary matter, it is requested that copies of "America in Danger!" for the six month period prior to the instant date be transmitted to the Criminal Division, if available, and that future issues of this bulletin be forwarded to the Division as they are published.

It is also requested that a thirty day mail cover be placed upon Hudson's new address, 4327 Grant Street, Omaha, Nebraska, effective immediately, and that the Division be advised of the results of the cover.

Reference is made to the statement on page 3 of the Bureau report relating to Hudson, dated March 6, 1942, at Omaha, Nebraska by [redacted] that the subject had received a number of communications from a [redacted] New York City. It is requested that any information contained in the Bureau's files regarding [redacted] be made available to this Division. Reference is further made to the statement on page 1 of the Bureau report concerning Hudson, dated February 13, 1942, at Omaha by Special Agent [REDACTED] that Hudson is reported to have several thousand subscribers to his bulletin. The subscription price of "America in Danger!", as reflected in the statement in the masthead of the paper, is \$5.20 yearly. Nevertheless, as appears from page 2 of the Bureau report by Special Agent [REDACTED] dated December 5, 1941, Hudson has not filed a federal income tax return for the years 1937 through 1940. It is requested that investigation be conducted to determine why no returns were filed for these years, and that it should also be ascertained, if possible, whether Hudson filed a tax return for 1941.

Reference is made to your memorandum dated April 8, 1942, in the above-entitled matter.

I wish to advise that the Omaha Office of this Bureau has been requested to obtain copies of each publication of "America in Danger" for the past six months, and upon receipt of this material, it will be made immediately available to you for your consideration.

With reference to your request that a thirty-day mail cover be placed upon Hudson's new address, 4327 Grant Street, Omaha, Nebraska, I wish to call your attention to the report of Special Agent [redacted] Omaha, Nebraska, dated February 13, 1942, wherein are reported the results of the mail cover placed on subject's previous address. It is not believed that any additional information will be obtained as the result of placing another mail cover, and your advice is requested as to whether this procedure should be followed.

With reference to your request to be furnished with any information available in the files of this Bureau concerning [redacted] New York, New York, I wish to advise that no information of value is contained in the files of this Bureau. I further desire to call your attention to the lead set forth in the report of Special Agent [redacted] above-mentioned, copies of which have been furnished you for the New York Office of this Bureau to conduct investigation concerning the background and activities of [redacted] A copy of the report reflecting the results of this investigation will be furnished to you immediately upon receipt.

Without warning, about 10 A.M., April 6th, my wife, son Bill, and I were served with summons reading as per above, and since we have to leave Omaha Tuesday noon in order to arrive in Washington, D.C. on time, there is no regular 4-page AID! this week.

We go with a clear conscience, wondering what on earth can be required of the Hudson family, particularly of son Bill who knows nothing you might say of the work I have been engaged in the past eight years. Wonder how many friends we'll meet there?

When we get back we hope there will be stacks of mail awaiting us from friends of the Cause.

For Christ and Country,

BOASTING? No, not even exaggerating.

Before World War I YOUR EDITOR WAS AN UNSOPHISTICATED PROSELYTE OF SOCIALISM, DUE TO MANY OVERDOSES OF LOFTY, CHRISTIAN IDEALISM ADMINISTERED BY MY DEEPLY CONCERNED, BUT NOT TACTFUL, NOR TOO SAGACIOUS PARENTS. THEY MEANT WELL ENOUGH, AND THEIR CHRISTIANITY AND INTEGRITY WERE ABOVE ANY QUESTIONING — AND MY FATHER WAS POSSESSOR OF THE HIGHEST MORAL COURAGE (THE FINEST TYPE OF COURAGE) I EVER MET.

MY VISION BEGAN TO CLEAR AS THE SMOKE FROM THE 1916 ST. LOUIS SOCIALIST CONVENTION CLEARED, AND SO, SHINGING TO ANOTHER EXTREME, I ENLISTED IN THE U. S. NAVY IN DECEMBER, 1917. PRACTICALLY ALL OF MY ENLISTMENT HAS SERVED IN THE "JEW NAVY" AS GREAT LAKES NAVAL TRAINING STATION HAS CALLED BY THOSE WHO KNEW IT, AND FOR A GOOD REASON, AS YOU SHALL SOON SEE. I SOON DISCOVERED HOW JEW PAYMASTERS AND OTHER JEW STAFF OFFICERS, INCLUDING RABBI CHAPLAINS, WATCHED REGIMENTAL AND COMPANY ROSTERS TO SEARCH OUT JEW NAMES AND/OR HATCHED INCOMING RECRUITS FOR JEW FACES WHOSE OWNERS WOULD BE CALLED ASIDE AND ASKED IF THEY WOULD PREFER TO BE TRANSFERRED FROM SEAMAN, FIREMAN, ETC. (OR WHATEVER LIMITED NUMBER OF BRANCHES OF THE SERVICE MIGHT THEN HAVE BEEN OPEN FOR ENLISTMENTS) TO BE YEOMAN, COOK, STOREKEEPER (SMALL STORES), PAY CLERK, ETC., FROM WHICH RATINGS MEN MIGHT BE SELECTED TO "HORK" IN THE CANTEENS, GALLEYS (KITCHENS), ETC., WITH A CHANCE TO RISE TO COMMISSARY STEWARD, AND EVENTUALLY TO PAYMASTER. FURTHERMORE, THE CHANCES WERE 100 TO 1 THAT A MAN IN SUCH A RATING WOULD BE KEPT ON THE STATION AND NOT SENT TO SEA.

YOU DON'T NEED ANY MORE EXPLANATION TO SEE HOW GREAT LAKES N. T. S. BECAME THE "JEW NAVY," WHAT WITH THE COMMANDANT MARRIED TO A JEWESS, AND THE WELL-KNOWN JEW SEA COOK, "PACKY" SCHWARTZ, BEING SO "PALLSY-WALLSY" INTIMATE WITH HIM.

SO WHEN I GOT DISCHARGED I BECAME INTERESTED IN THE JEWISH ASPECT OF THE COMMUNIST REVOLUTION IN RUSSIA, AND BECAME AN AVID READER OF FORD'S DEARDORN INDEPENDENT, ETC. IT DAWNED UPON ME THAT STOUT-GUTTED AMERICANS MUST NOT "LEAN ON THE ARM OF FLESH" OF A RICH MAN, BUT MUST JOIN HANDS TO LEAD AMERICA BACK TO RESPECT FOR CONSTITUTIONAL GOVERNMENT, AND TO CHERISH ALL THAT IS BEST IN AMERICAN INSTITUTIONS AND IDEALS — GET BACK TO TRUE AMERICAN FUNDAMENTALS.

REGISTRATION ACT  
SEDITION

Dear Sir:

Reference is made to Bureau teletype dated April 10, 1942 requesting one copy of each issue of "America in Danger" issued during the last six months.

There are enclosed herewith copies of "America in Danger" beginning with Bulletin No. 285 dated October 7, 1941 and ending with Bulletin No. 308 dated April 6, 1942, which is the last issue. Missing from this group is Bulletin No. 287, which was apparently published between October 10, 1941 and October 28, 1941. An effort is being made to locate Bulletin No. 287, and as soon as it is obtained will be forwarded Air Mail Special Delivery to the Bureau.

Attention is called to the fact that the Omaha Field Office has been sending to the Bureau one copy of each issue of "America in Danger" for more than the past twelve months.

It is requested that when these issues have served their purpose that they be returned to the Omaha Field Office.

Very truly yours,

Dear [REDACTED]

I have your letter dated April 8, 1942 relative to Charles B. Hudson, and have noted with considerable interest its enclosures.

As you have undoubtedly noticed, Hudson in answer to a subpoena, made an appearance on April 9, 1942 at Washington, D. C. before the Special Grand Jury investigating Nazi activities. Upon being questioned concerning the author of a certain post card, Hudson refused to disclose the information desired and was promptly sentenced to serve sixty days in jail for contempt.

It is now reported that Hudson has purged himself of contempt, but is still confined to jail pending a release from Justice Jennings Bailey of the District Court.

Sincerely yours,

J. Edgar Hoover

Gentlemen:

I note in your column of March 26th, 1942

that you mention my name in an uncomplimentary way.

Inasmuch as you give some some purported evidence as being the excuse for President Roosevelt giving orders to Attorney General Francis Biddle "to get tough.. immediately", I would appreciate very much learning from you as to what was said or produced in my case, that led you to include my name in your press release. Surely it must have been a very serious charge to warrant such personal attention by the President.

Also, would you please give me the names of the "White House advisers" who presented the President with the "mass of evidence dealing with" those you named?

Future action on my part will be based in part on the promptness with which you furnish the information requested herein.

For Christ and Country,

PRESIDENT ORDERS BIDDLE TO GET TOUGH WITH HOME-GROWN FASCISTS;  
PARENTS OF BOYS IN SERVICE DEMAND OUR DOMESTIC FOES BE JAILED;  
AVIATION EXPERT SAYS ARMY MUST GET NAVY OKAY TO BOMB U-BOATS;  
ALUMINUM WORKERS STAGE SLOW-DOWN TO SHOW BONUS PLAN WON'T WORK.

WASHINGTON -- After three months of temporizing with native Fascist champions, Attorney General Francis Biddle is finally going to get tough -- on direct personal orders of the President.

Roosevelt directed Biddle to take vigorous legal action against certain factional leaders who have been publicly denouncing the war against the Axis and in some instances actually expressing pleasure over Jap victories.

Complaints have poured into Washington from parents of boys in the armed services demanding that these domestic foes be jailed. But Biddle demurred on the ground of "preserving civil liberties."

Shortly after Pearl Harbor, FBI agents arrested Robert Noble, rabid Los Angeles Fascist leader, on serious charges involving statements concerning the war. Despite the FBI's evidence, Biddle ordered Noble released.

This brought down a storm of protests on Biddle's head that steadily increased as the hostile operations of these elements became bolder and more outspoken. Still Biddle refused to allow either the FBI or federal district attorneys, who were champing at the bit, to crack down.

Finally White House advisers, alarmed over the situation, took the matter direct to the President. They laid before him a mass of evidence dealing with Noble. Father Coughlin, Francis P. Moran of Boston, Gerald L.K. Smith of Michigan and Charles B. Hudson of Omaha.

One document shown Roosevelt was the March 16 issue of Coughlin's weekly publication which declared that a "world-wide sacred war" was declared against Germany nine years ago. The publication also attacked aid to Russia, denounced the British bombing of French plants making Nazi supplies, and contained such statements as:

Unless the German forces can overcome Russia and successfully invade England by the end of September, there is every evidence that the entire world will have elected to experience a blood bath the like of which was never imagined by the most poetic minds." -- "It has been the practiced policy of the Roosevelt Administration to favor the Chinese in their war against Japan. This policy has rankled in the hearts of the Nipponese war lords who are devoted to the policy of Asia for the Asiatic, a policy which, after all, is nothing more than an expression of our own Monroe Doctrine."

After carefully examining the evidence, the President summoned Biddle, ordered him to get tough and do so immediately.

ARMY VS NAVY

Col. Joseph E. Myers, retired, President of the Aviation Defense Association, recently testified before the House Rules Committee that an Army pilot told him Army air patrols were not free to drop bombs on submarines until they got clearance from the Navy.

When an Army bomber spots a submarine, Col. Myers said, it has to withhold action until it can report the location to Naval authorities and get permission to

Navy's reason for this statement is ostensibly to protect

U.S. submarines, but why they cannot inform the Army in advance of location of U.S. submarines remains unexplained. Also what value are U.S. submarines off the Atlantic coast these days?

#### TWO HUSBANDS

Mrs. Lionel Atwill exclaimed at a recent Capital dinner party: "I saw both of my husbands in the same movie! First, in the newsreel, I saw Douglas (Gen. MacArthur) having a medal pinned on him, and then in the feature, I saw Lionel -- and he was a Nazi spy!

"The management thought it was so unusual -- a woman seeing two husbands in the same show -- that they gave me a free ticket!"

#### ALUMINUM SLOW-DOWN

Though the great majority of labor is 100 percent for speeding the war program, a recent incident at the Aluminum Corporation plant in Cleveland illustrates how a small group is giving a black eye to all of labor.

Last week the Aluminum Company put into effect a bonus plan in line with Roosevelt's proposal to speed production through voluntary incentive.

But before the workers had a chance to try out the plan, they went on strike, fearing a speed-up which would force them to accept faster standards of work indefinitely.

But finally the workers agreed they had not given the bonus plan a fair trial, so they went back to work. But then they instituted a definite slowdown, apparently to make sure that the bonus system does not work.

As a result, two aluminum furnaces have been operating at only 50 percent capacity; and six others at far less.

Meanwhile the Cleveland Ordnance District telegraphed the War Department in Washington:

"Union contends there is no slowdown.... Unless Delco-Remy Company, Anderson, Ind.; Ellison Engineering Company, Indianapolis; and other companies supplied by Alcoa have backlogs of material, which appears improbable, they will be seriously affected by this labor trouble.

"FBI entered picture today when a union steward, William P. Finctre, pulled a thermo couple out because he wanted furnace temperature to run higher. This results in inferior metal which would crack up in planes. After thermo couple had been replaced, Finctre again pulled it out.

"Alex Balint, reportedly an alien and communist, who had moved to the background as head of Die-Casters Union, has again come to the foreground and was active in tonight's meeting."

Note:-- Aluminum is one of the most precious ingredients to the airplane program.

#### MERRY-GO-ROUND

Germany is famed for its gusty drinking, but according to Intelligence reports, war shortages have produced almost complete prohibition in Naziland. Only very weak beer and cider, and even then only in small quantities, is available. All spirits have been ordered confiscated for the Army..... Lawrence Dennis wrote in one of his pro-fascist books: "If there are superior races, it is obvious that the Germans and Japanese belong in that class." Now he seeks an Army commission..... Kansas Democratic leaders are complaining to national party chiefs over lack of state campaign funds, charging that National Committeeman Lynn Brodrick is making no effort to aid the State organization.

Latest candidate to be touted for Miss Frances Perkins' job as Secretary of Labor is bespectacled Arthur Altmeyer, chairman of the Social Security Board. Altmeyer is being boosted by what is known in Washington as the "Falls River (Md.) crowd", leaders of whom are Budget Director Harold Smith, National Labor Board member William Leiserson, and Mrs. Clare Beyer, aggressive subordinate of Miss Perkins..... Congressional critics of President Roosevelt are caustically denounced by A.F. Whitney, white-crested president of the Railroad Trainmen, in the latest issue of the union's magazine. In a lead editorial Whitney declares, "No congressman or congressional committee, no senator or group in the Senate, no Axis agent or anyone else seeking to use the war to discredit the President will throw any sand in our eyes in any way useful in their desire to advance a selfish or an ignoble purpose."

Reference is made to my memorandum to you dated April 7, 1942, wherein I advised that information had been received from Special Agent in Charge Brantley, Kansas City, calling for the appearance of [redacted] Kansas City, [redacted] Wichita, Kansas, and [redacted] also of Wichita, Kansas, at Washington, D. C., on April 9, 1942.

Special Agent in Charge Rhodes of Omaha advised by teletype dated April 7, 1942, that Charles B. Hudson, wife [redacted] had been served with a subpoena for their appearance at the U. S. District Court, Washington, D. C., Room 312, Municipal Court Building, on April 9, 1942, to testify on behalf of the United States in the case of UNITED STATES vs. JOHN DOE.

Hudson is an American born citizen, 49 years of age. He has been publishing the mimeographed pamphlet "America in Danger" since 1938. This publication from its inception to the present time has continually published material of an anti-Administration and anti-Semitic nature. For some time prior to the war Hudson devoted his efforts and his publication to criticizing President Roosevelt's foreign policy program and praising and encouraging the activities of all individuals and organizations opposed to this foreign policy. In line with this activity he sought to block the passage of the Selective Training and Selective Service Act and accused the Administration of attempting to inject the United States into the European war as the result of the influence of the Jewish population.

The activities of Charles B. Hudson have been under investigation by the Bureau for an extended period of time and reports reflecting his activities, together with copies of his publication, have been furnished to the Department from time to time for its information and consideration. On several occasions upon receipt of information from the Bureau the Criminal Division has stated they desired further investigation be conducted into the activities of Hudson.

As you will recall, this case is one of the nine cases discussed at the conference in the Office of the Attorney General on March 22, 1942, in which the Department was desirous of entertaining prosecution either under the Alien Registration Act, the Selective Service Act, or under the statutes pertaining to Sedition.

Dear Sir:

In connection with an investigation in the above-entitled case, it is requested that the Bureau procure the 1941 Federal income tax return of CHARLES B. HUDSON, whose address is 4327 Grant Street, Omaha, Nebraska, when the same is available for the use of the Omaha Field Division.

It is understood that HUDSON was seen to file a 1941 return in March of this year. HUDSON is a resident and has been for many years of Omaha, Nebraska.

BENJAMIN FRANKLIN, one of the greatest Americans who lived at any time, and whose name will always remain living, said, when the Constitution was about to be drawn, to those assembled:

"In whatever country Jews have settled in great numbers, they have lowered its moral tone, depreciated its commercial integrity; have segregated themselves and have not been assimilated; have sneered at and tried to undermine the Christian religion upon which that nation is founded by objecting to its restrictions; have built up a State within a State; and who opposed have tried to strangle that country to death financially, as in the case of Spain and Portugal.

"For over 1700 years the Jews have been bewailing their sad fate in that they have been exiled from their homeland as they call Palestine. But, gentlemen, did the world today give it to them in fee simple, they would find some cogent reason for not returning. Why? Because they are vampires, and vampires do not live on vampires. They must subsist on Christians and other peoples not of their race.

"If you do not exclude them from these United States, in this Constitution, in less than 200 years they will have swarmed in such great numbers that they will devour the land, and change our form of government, for which we Americans have shed our blood, given our lives, our substance, and jeopardized our liberty.

"If you will not exclude them, in less than 200 years our descendants will be working in the fields, while they will be in the counting houses rubbing their hands.

"I warn you, gentlemen, if you do not exclude them for all time, your children will curse you in your graves. Jews, gentlemen, are Asiatics they will never be otherwise, let them be born where they will. Their lives do not conform to American's, not even if they live among us ten generations. A leopard cannot change his spots. Jews are Asiatics, are a menace to this country if permitted entrance, and should be excluded by the Constitution."

(Copied from a book written by Franklin Thompson, an American New Yorker.  
Published by the Community Press, of Woodhaven, New York.)

Note: I do not believe that Benjamin Franklin's speech at the time was printed in the Constitution records; however, I have written to the Librarian of the Congressional Library and to the author of the book for information.

I did not receive the desired information, but later read the same article in four different pieces of printed matter, and finally found who originally wrote it. It was Mr. Charles Pinckney, a close friend of Franklin's, also a member of the assembly which drew the Constitution; he wrote it in his personal diary, as also other speeches. I found it in the Protocols of the Elders of Zion when I was in Chicago last February. So I believe it to be true.

Report of SA [REDACTED] Omaha, March 6, 1942.  
Bureau letter dated March 28, 1942 (Bureau file 61-7474).

DETAILS

At Omaha, Nebraska

Bureau letter of March 28, 1942, advised that the Attorney General had advised that the Department is desirous of proceeding against Subject and has requested this case be afforded expeditious investigative attention, working for a possible violation of Section 9, Title 18, Subsection 2 or 3; the provisions of the Registration Act, Section 311 of Title 50; or Section 33 of Title 50.

All the files in the Omaha Office bearing on this case have been reviewed for any pertinent material which would assist in the investigation of this case and also in order to place this material into one file.

The following material was taken from Omaha file 65-9:

A memorandum by Special Agent [REDACTED] dated April 11, 1941, reflects that Subject sent a large manila envelope postmarked April 7, 1941, addressed to Mrs. ELIZABETH DILLING, 753 53rd West Jackson Boulevard, Chicago, Illinois. From a confidential source, it was ascertained that the contents of this large manila envelope are as follows:

67c (1) One typewritten letter from [REDACTED] Crosswell, Michigan, dated April 5, 1941, to Mr. CHARLES B. HUDSON, 2304 Pontenelle Boulevard, Omaha, stating in part: "Enclosed find check for the following Ten Weeks subscription to Aid, one copy Planned Economy, and for the balance copies of the Octopus. . . . Sometime ago I sent a contribution to Mother's Crusade. I received a reply stating that I would hear from Mrs. DILLING as soon as she returned from Washington. Since then the papers reported her arrest and the raiding of her Chicago office. To date I have not heard from her. Would like to know what become of her." The letter had no check attached but had \$3 in one-dollar bills attached. To [REDACTED] letter was a typewritten note to the following effect: "Dear Comrades-- Please note that he [REDACTED] sent money to Mother's Crusade and would like to hear from Mrs. We haven't seen anything here re raiding of Chicago office. Please keep me informed. Are you still able to get books out at book post rate? It cannot be done here. As ever, C.B.H."

(2) A letter from [REDACTED] Minneapolis, Minnesota, dated April 5, 1941, to Mr. CHARLES B. HUDSON, which was to the effect that [REDACTED] liked the March 31 report very much, and contained a request to determine if some individual is a Jew. A notation in pencil was written on this letter: "Comrades--Please return. Do you have anything on him? C.B.H."

(3) One envelope addressed to REV. FRANK WOODRUFF JOHNSON, 2304 Fontenelle Boulevard, Omaha mailed April 6, 1941, with the return address of [REDACTED] Chicago, Illinois. This envelope contained a handwritten letter dated April 4, 1941, to FRANK WOODRUFF JOHNSON, and signed by [REDACTED] which letter requested that copies of the "Octopus" be sent to nine people as follows:

[REDACTED] San Diego, California  
[REDACTED] Lodin, California  
[REDACTED] San Francisco, California  
[REDACTED] Chicago  
[REDACTED] Willmette, Illinois  
[REDACTED] Chicago, Illinois  
[REDACTED] Oak Park, Illinois  
[REDACTED] Milwaukee, Wis.  
[REDACTED] Strawano, Wisconsin

[REDACTED] requested that the above persons receiving copies of the "Octopus" not know that he was the person who caused such copies to be sent to them. Attached to his letter there was an uncashed check for \$6.00, dated April 6, 19\_\_, #642, drawn on the Lake View Trust and Savings Bank, Lincoln and Belmont Avenues, to the order of REV. FRANK WOODRUFF JOHNSON and signed by [REDACTED] and endorsed on the back by REV. FRANK WOODRUFF JOHNSON. [REDACTED] letter contained the notation: "Comrades-- Please handle. C.B.H."

There were various other letters containing checks drawn to the order of Rev. FRANK W. JOHNSON and endorsed by Rev. FRANK W. JOHNSON. These letters requested copies of the "Octopus" and contained checks for the same, and they contained a pencil notation: "Comrades--Please handle. C.B.H."

It thus appears that Subject signed checks for payment of the "Octopus", using the name, "Rev. FRANK WOODRUFF JOHNSON," and that after endorsing the checks, he sent them to Mrs. ELIZABETH DILLING, Chicago, Illinois.

In the case entitled "JAMES ROWLAND CLARKE WITH ALIASES, INTERNAL SECURITY-R," Oklahoma City origin, report of Special Agent [REDACTED] made at Omaha, Nebraska, May 12, 1941, states that CLARKE had advised that Subject's name had been given to him by THERESA C. HOLM, 339 East 87th Street, New York City, and that Miss HOLM is pro-German and a member of the German-American Bund.

Confidential Informant [REDACTED] in Omaha, whose name has been previously furnished to the Bureau, advised in May of 1941 that Subject had furnished him with a copy of "The Free American" dated May 15, 1941, and also with copies of the newspaper, "Publicity," published at Wichita, Kansas, together with copies of "America in Danger," and he stated to [REDACTED] that his publication, "America in Danger," is distributed throughout the United States, and that he exchanges literature with different publishing companies, such as the publishing company for "The Free American," which is the organ for the German-American Bund.

b2, b7D

According to Source [redacted] a private investigation discloses that the "Octopus" was printed by the Geographical Publishing Company, 621 Plymouth Court, Chicago, Illinois. An executive of this publishing firm said that 30,000 copies were ordered by Mrs. DILLING'S husband, [redacted] and that the plates from which this book was printed had been turned over to WILLIAM DUDLEY PELLEY, founder of the Silver Shirts. He stated that HUDSON is taking orders for the book, but on at least one order placed with HUDSON, the book was mailed from [redacted] Chicago, Illinois. This is a boarding house, he said, formerly the residence of [redacted] of the Anti-Semitic American Guard. [redacted] recently moved the center of his operations to Boston, Massachusetts. According to Source [redacted] HUDSON distributed official Italian Fascist newspaper reprints and enclosed with his bulletin copies of a pamphlet, stating that "Japan is waging our battle for civilization!" and urging American aid for Japan against China. This pamphlet was published under the name of The Nationalist Press Association, Post Office Box 18, Station U, New York, New York. b7C

b7C

b2, b7D

b2, b7D

The complete interview with Source [redacted] was furnished the Bureau on June 29, 1941, by this office.

In connection with the Subject's correspondence with Mrs. ELIZABETH DILLING of the Patriotic Research Bureau, 53 West Jackson Boulevard, Chicago, Illinois, [redacted]

b7C

[redacted] From a review of HUDSON'S bulletins, it is apparent that he is closely associated with Mrs. ELIZABETH DILLING, and it is thought that perhaps she or her husband possibly have aided Subject to finance his literature or that they may have acted as a clearing house for him and for others engaged in a like work.

In the case entitled [redacted] REGISTRATION ACT; ESPIONAGE (J & G)," San Francisco origin, report of Special Agent [redacted] made at San Francisco October 21, 1941, it was noted on page 11 of this report that Subject, publisher of "America in Danger," recommends "Seeking Foreign Trouble" to its readers. [redacted]

b7C

In the case entitled [redacted], ET AL, FLANDERS HALL (corporate name), Scotch Plains, New Jersey; REGISTRATION ACT," New York City

origin, it is stated in the report of Special Agent [redacted] New York, New York, dated September 9, 1941, that [redacted] Broadway, New York, had seen advertisements of FLANDERS HALL books in the publication entitled "America in Danger." FLANDERS HALL have published many pro-German books and pamphlets. b7C

It is noted, according to report of Special Agent [redacted] made at Washington, D. C., October 28, 1941, entitled "GERMAN ACTIVITIES-- UNITED STATES, ESPIONAGE-G," of which Washington, D. C., is the origin, that Subject periodically sent pro-Nazi printed matter to the German Embassy at Washington, D. C., from the period of June 17, 1941, to August 16, 1941.

#### Background of Subject

b7C [redacted] Western Union Office, 1323 Farnam Street, on April 6, 1942, advised that Subject had been employed by the Western Union Telegraph Company from January 9, 1918, to 1927 and again for a short period in 1931. At one time his salary was \$350 per month. The records show that he was born at Omaha, Nebraska, January 18, 1892; that his father was born in England; and that his mother, CAROLINE, was born in Sweden. Subject has also been employed by the Hudson Essex Company as District Sales Manager; by the Union Pacific Railroad Company; and by the Burlington Railroad Company at Omaha. He was employed by the Western Union altogether for fifteen years and was considered to be a capable sales promoter. He became very much interested in church work and conceived the idea of getting the churches to pool their purchasing power together and agree to let him act as their commercial agent. However, this plan fell through, and he is said to have turned against all churches. An unsuccessful attempt was made to ascertain whether or not Subject maintained a bank account in Omaha.

[redacted] owner of the premises at 4327 Grant Street, Omaha, advised that [redacted] is the agent for this property and collects the rent from Subject, which is \$30.00 a month. He pays his rent promptly and previous to the time that he lived at Grant Street, he paid \$50.00 a month, she said, and is reported to have paid such rent promptly.

b7C [redacted] Omaha, advised that Subject pays his rent of \$30.00 a month in cash, and he has never received a check from him. [redacted] believes that HUDSON does not maintain a checking account in Omaha. He advised that [redacted] but that he himself is not in sympathy with Subject, although he believes that HUDSON is sincere and of good character. He said that HUDSON had attended the local high schools in Nebraska and then went to the University of Nebraska at Lincoln. He has two children: a son, [redacted] and a daughter, [redacted]

[redacted] said that Subject had mentioned to him a number of times that his subscribers occasionally

gave him donations which kept him going and that about seven or eight months ago some women, whose name he did not know, sent him several suits of clothes. He said that Subject occasionally would say that he received \$10 or \$15 from a subscriber or a friend, but that he never mentioned getting any large sums of money. He advised that Subject was very much interested in his work and had told him that even if he were offered a good-paying position at better money, he would not accept it because he enjoys his work as editor and publisher of "America in Danger" better than any other work he has ever done.

In talks to [REDACTED] Subject made several predictions. About a year ago, he said Subject predicted that the United States would not be involved in war and he also predicted that Roosevelt would be impeached, and there would be an uprising against the Government. [REDACTED] stated that Subject was not pro-Hitler, and yet Subject had told him that Germany's treatment of the Jews was entirely justified.

[REDACTED] Underwriters Acceptance Corporation, stated that Subject and his son [REDACTED] purchased a 1938 Hudson Sedan, Motor #8118687, on May 28, 1941, for \$410. The car was purchased from [REDACTED] Omaha, Nebraska, and a 1931 Ford was traded in for it on which an allowance was made of \$140, so that no cash down payment was actually made. At the present time, Subject pays \$19.95 a month on the car he recently purchased and makes his payments promptly. He still owes \$159.60. Subject made payments for this car in cash, but on March 28, 1942, he endorsed a check from [REDACTED] for \$6.00, to the Underwriters Acceptance Corporation. [REDACTED] did not recall the address of this [REDACTED] but advised that in the future he would make a note of any checks which were turned in by Subject to apply on his payments.

A mail cover placed on Subject's mail reflected that he corresponded with the National Printing Company, Omaha, Nebraska.

[REDACTED] of the National Printing Company, whose home address is [REDACTED] advised that his firm has done printing for Subject and furnished him with paper since September 28, 1940. His purchases from this company are as follows, as obtained from the ledger sheet:

March 31, 1942	--	16,000 mimeo. sheets. . . . .	17.00

Subject made payments in cash and by the use of endorsed checks and at the present time he owes a balance of \$26.00.

With reference to the circulars and cards, [REDACTED] stated that the cards which Subject ordered August 26, 1941, and September 27, 1941, were the so-called "V Cards," with a heading "West Africa Is Not Iceland--It's Anything But a Nice Land!" The order number on this order is 22247. [REDACTED] was questioned as to where Subject obtained the sample and he related that HUDSON brought the sample in and that he gathered from him that HUDSON did not compose it, but obtained it from some outside source, which he did not reveal. b7c

b7c Concerning the 500 circulars which Subject ordered October 11, 1941, Order #22353, [REDACTED] handed over a sample, which is a printed sheet alleging that BENJAMIN FRANKLIN had stated that the Jews should be excluded from the United States. It was supposed to be a speech made by BENJAMIN FRANKLIN castigating the Jews and at the bottom contains the notation "(Copied from a book written by FRANKLIN THOMPSON, an American New Yorker. Published by the Community Press of Woodhaven, New York)".

The 2,000 circulars printed April 12, 1941, Order #22009, were circulated to HUDSON'S subscribers along with his bulletin and a sample sheet was also obtained from the National Printing Office. This sheet is headed "Beware:" and alleges that ulterior motives not apparent, are behind a number of movements to disarm the citizens; to take the control of food and other necessities of life out of local hands; to organize individuals into unions, relief societies, cooperatives, etc. It calls upon the people to oppose these movements and to investigate the projects in America designed to put America under a world-wide dictator, whether it be union now, League of Nations, Federal Union, United States of Europe, etc., and contains the notation, "It is Satan's -- not Christ's Kingdom!" Copies of this printed matter, which was circulated by HUDSON, were obtained from [REDACTED] and they are being forwarded to the Bureau under separate cover with the request that they be photostatted and the original thereof returned to the Omaha Office. It is noted that b7c

8

a copy of the card, "West Africa Is Not Iceland -- It's Anything But a Nice Land!" has previously been furnished to the Bureau by this office. In this connection, according to an article in the Evening World-Herald, Omaha, Nebraska, April 10, 1942, subject was sentenced to jail for contempt of court because he refused to answer questions as to where he obtained the "V Card." HUDSON was being questioned by the Federal Grand Jury in Washington, D. C., according to this article. This article further states that this card has become known as the "V Card," and first came to light through British censors checking mail sent from this country to Europe by German agents. A Nazi agent, it is stated, mentioned the "V Card" and reported that good use was being made of it. It is further stated that HUDSON refused to answer a vital question and told the court when cited for contempt that his reason for refusing was that he had a hunch that he was going to be asked a lot more questions along the same line. The Grand Jury investigation at Washington is said to be a follow-up on the one which recently brought the conviction of [REDACTED]

[REDACTED] of the National Printing Company, advised that very frequently Subject made payments on his account by the use of checks made out to Subject and endorsed by him, and these checks usually were from persons living outside of Omaha and were in small amounts. The largest amount which he recalled was about \$7.50, and he believes that these checks came from HUDSON'S subscribers. HUDSON has paid on his account in a satisfactory manner.

b7c [REDACTED] further stated that before Subject bought his paper from him, he obtained it from the Carpenter Paper Company, 9th and Harney Streets, Omaha, Nebraska; and that one [REDACTED] had sent Subject to him, saying that he could get printing done at the National Printing Company. This [REDACTED] of the Carpenter Company, a large business concern, Omaha, Nebraska.

[REDACTED] was interviewed on April 7, 1942, and he stated that he had been furnishing Subject with paper since 1937 and that subject still gets paper from him. [REDACTED] related that he used to give HUDSON mimeograph paper but that during the last several years he has given him about \$15.00 or so in cash in order that Subject could buy paper, as he did not wish to have Subject getting paper from him. He also advised that HUDSON comes in about three times a year, and he gives him about \$5.00 each time with which Subject purchases 10,000 sheets of paper. He believes that HUDSON is sincere in his views, is of good moral character, and he is inclined to be sympathetic with Subject's views about the Jews. It is noted that this [REDACTED]

[REDACTED] said he did not believe HUDSON was being subsidized from any source but received a number of contributions from prominent business persons in Omaha and elsewhere. He stated, for example, that he personally knew that [REDACTED] of the Carpenter Printing Company, assisted HUDSON and gave him stencils and other materials which HUDSON used in printing his bulletin, "America in Danger." He

also said that he knew that [REDACTED]

[REDACTED] Omaha, gave Subject money and assisted him. He related that several months ago--he did not recall the exact date--HUDSON told him he had received a gift of \$25.00, and he seemed quite elated over this; HUDSON said this person who donated the money lived outside of Omaha but he did not give his name.

It is noted that [REDACTED] seemed somewhat reluctant to divulge this information and stated that if Subject was being subsidized from a foreign source, he wanted to know about it, but that he felt that HUDSON was a straight-thinking American who said things that lots of people believe but do not dare to speak. As far as he knows, Subject has no bank account in Omaha.

[REDACTED] Omaha, whose home address is [REDACTED] advised that he has known Subject [REDACTED] and that he is a former subscriber to Hudson's bulletin, "America in Danger". He stated that he is personally familiar with the fact that prominent business men in Omaha have given Subject money in order to help him pay for the publication and circulation of his bulletin.

In this connection, it is noted that [REDACTED] of the Anti-Defamation League, Brandeis Theatre Building, Omaha, had advised that [REDACTED] of the advertising firm of Bozell and Jacobs, had learned from [REDACTED] that he, [REDACTED] had subscribed to 10 copies of HUDSON'S periodical, and that he pays HUDSON \$100 a year. However, [REDACTED] denied that he had ever given Subject any money. He admitted, however, that he had taken the bulletin, "America in Danger" for the last few years, but stated he discontinued it about the first of March 1942. He said that he had not observed that Subject had much money, and he personally believes that HUDSON is barely making a living. He also said that HUDSON is quite religious, and has attended the First Methodist Church of Omaha on frequent occasions, and that HUDSON is against Jews and Communists, and is a good American.

On March 26, 1942 Special Agent [REDACTED] interviewed [REDACTED] Omaha.

[REDACTED] He and Subject were close neighbors for many years on [REDACTED] in Omaha. Subject, he said, inherited from his wife's parents the premises at 2304 Fontenelle Boulevard and 4327 Grant Street, Omaha. Both of these properties were lost for the non-payment of taxes.

[REDACTED] of the Mutual Life Insurance Company, City National Bank Building, on March 27, 1942 told Special Agent [REDACTED] that Subject holds a \$2,500 policy with his company, and the premiums amount to about \$85 a year, which policy was issued November 4, 1937. According to [REDACTED] Subject on February 13, 1942 paid his insurance premium with a check in the amount of \$100 drawn on the State Street Trust Company of Boston, Massachusetts. Subject advised [REDACTED] that he obtained this check from a woman in Boston who believed in the same things

he did. This check was deposited by [redacted] in their account at the United States National Bank of Omaha on February 13, 1942. Cash in the sum of \$20 and a \$60 check were given to the Subject. The \$60 check was cashed by Subject at the United States National Bank.

[redacted] Subject does not maintain a checking account at the United States National Bank.

In connection with the \$100 check on the State Street Trust Company, the file in this case reflects the names of the following women subscribers to Subject's publication reside in Massachusetts:

67C [redacted] Boston, Massachusetts  
[redacted] Boston, Mass.  
[redacted] Brookline, Mass.  
[redacted] Cambridge, Massachusetts  
[redacted] Haverhill, Massachusetts  
[redacted] Jamaica Plains, Mass.  
[redacted] Melrose, Mass.  
[redacted] Winchester, Mass.

The Boston Field Office is being requested to ascertain whether any of the above women have an account at the State Street Trust Company of Boston, and to conduct an appropriate investigation.

It was learned by Special Agent [redacted] at the office of the Register of Deeds, Douglas County Court House, that the premises at 4327 Grant Street, where Subject lives, are owned by [redacted] Omaha, Nebraska.

[redacted] 324 Omaha National Bank Building, was interviewed on April 8, 1942. He stated that he is [redacted]

[redacted] displayed photostatic copies of release No. 23 of the American Propaganda League, Inc., Box B.5., Station E.R., Los Angeles, California. This article alleged that the World Service, which is published at Erfurt, Germany and edited by [redacted] lists CHARLES B. HUDSON as an organizer fighting for the truth in the United States. However, [redacted] did not have any first-hand knowledge of Subject's activities.

The following investigation was conducted by Special Agent [REDACTED]  
[REDACTED] on April 7, 1942:

At Ainsworth, Nebraska

[REDACTED] who owns the residence at 2304 Fontenelle Boulevard, Omaha, where Subject formerly resided, advised that Subject lived at her property from September 1939 to January 10, 1942, and paid a monthly rental of \$50. He moved because she went up on the rent to \$60. She said he paid his rent by money orders, and she believes that he did this because his poor financial condition would not permit him to maintain a checking account. He was often slow in the payment of his rent. She said that she talked with him only on two occasions, and he expressed anti-Semitic views but did not express any indication that he was pro-German or that he was acting as a foreign agent. She believes that Subject's family are in harmony with his views, and she personally believes that he is a super patriot.

The following investigation was conducted by Special Agent [REDACTED]

At Lincoln, Nebraska

[REDACTED] advised that he is presently staying temporarily at the home of [REDACTED]

[REDACTED] advised that he has recently resigned his position as [REDACTED] of the Fairmont Creamery Company at Omaha, Nebraska, because of differences with his employer, [REDACTED] of what he described as sharp and unethical practices of the Fairmont Creamery Company. He stated that he expects shortly to accept a Civil Service position as Principal Industrial Specialist with the Federal Government at Washington, D. C.

[REDACTED] advised that he has known Subject for approximately four years, and was first introduced to him by [REDACTED] of Fairmont Creamery Company, at the Omaha offices of that company. [REDACTED] requested [REDACTED] to ascertain whether or not Subject was sincere in his professed efforts and whether he was worthy of financial support as solicited by him. [REDACTED] stated that he had a lengthy discussion with Subject at that time, and ascertained from him that he was interested in bringing about what he called "the re-establishment of the Christian constitutional government in the United States." Subject at that time stated that he was enlisting aid of subscribers and other persons similarly interested to fight collectivism and socialism which threatened "our Christian republican form of government". Subject stated that International Jewry had become ascendant in governmental affairs, and was threatening to socialize and internationalize the entire country.

b7c  
[redacted] advised that he became interested in Subject's work, and believed him to be entirely sincere in his efforts. He stated for the past four years he has been a subscriber to Subject's publication, "America in Danger", and has also during that period contributed between \$150 to \$200 to Subject by way of subscriptions for friends, whose names he furnished to Subject. [redacted] further advised that Subject has never intimated to him in their frequent contacts that he is receiving subsidization from any foreign source. [redacted] states that it is his belief that Subject is entirely supported by subscriptions to his paper and by contributions to him by persons who believe in Subject and the principles for which he is working. He stated further that it is his opinion that Subject's publication, "America in Danger", presently has between 500 and 600 subscribers.

[redacted] further advised that he knows that Subject exchanges views and publications with [redacted] of Wichita, Kansas, and other publishers of anti-Semitic literature in the United States. He stated further that Subject is very friendly with [redacted] of "The Individualist". [redacted] described [redacted] as working along the same line as Subject, but being less rabid and much less anti-Semitic than Subject.

It is noted that during the interview, [redacted] expressed himself as being anti-Semitic, although he stated that in his opinion there are some "good Jews". He stated further that in his opinion Subject was being prosecuted by those influences against whom he has aimed his criticism, and that if Subject has violated or is violating the law, he should be given an opportunity to defend himself in a legally constituted judicial proceeding. He also furnished Agent with a copy of Subject's latest edition of "America in Danger", which he carried in his billfold.

#### Quotations from "America in Danger"

Before December 7, 1941

The following are excerpts from Subject's publication:

BULLETIN NO. 253 A B-19 "MARCHERS MARCH ON WASHINGTON TO IMPROVE FDR".

Febr. 3, 1941

"Under our Constitution, it is the right and duty of Americans to alter or abolish the present un-Christian, un-American, un-Constitutional and socialistic Govt at Washington, and institute a new Govt, holding those guilty of 'treason' from President down. Isn't fact of Govt order for 4,500,000 'casualty tags to be placed on killed or wounded soldiers' as in 1-31-41 press, sufficient evidence of the CONSPIRATORS going ahead knowing in advance that a bought or intimidated, hence 'traitorous' Congress will guiltily legalize after the act? That 'Govt order' alone justifies a complete housecleaning!

"Hence, if Congress does not kill Lend-Lease Bill, and impeach FDR, the MARCHERS ON WASHINGTON can hold a Constitutional Convention, acting as delegates from each State, and dissolve present un-Constitutional usurpers, irregardless of how they got in power."

BULLETIN NO. 254 "MOTHERS MARCH ON WASHINGTON TO IMPEACH FDR" March 3, 1941

"Contrary to impressions generally current, and played up thru all possible channels, the Govt (not the Administration) property at Washington and elsewhere belongs to the people. The Senate is not a 'holier-than-thou' private club as many of those Senators and Administration leaders would have one believe. Any rule such an Administration makes that interferes with the Constitutional rights of free citizens, is an admission of the guilt of that Administration, which thereby convicts it of treason and demands that the citizens oust such usurpers, by force, if necessary. Citizens have a perfect right to sit down in the halls of the Senate Office Bldg., or any other of the mammoth Govt bldgs. that house bureaucracies paid for and supported entirely by taxpayers.

"Citizens by the tens of thousands can, and maybe will have to, in order to save our REPUBLIC, pour into Washington and peacefully take-over such bldgs. as living quarters until Congress sees its way to break away from the 'control', and once more act as servant-representatives of the people."

BULLETIN NO. 255 "MOTHERS MARCH ON WASHINGTON TO IMPEACH FDR" March 10, 1941

"H.R. 1776. Passed by Senate 3-8-41 by 60 to 31 (in reality 63 to 32). Side-by-side with that front-page news was article that the draftee's year may be extended by 6 or 12 months. Thus go NUDEAL promises to the wind - one by one. If USA to be kept out of World War II, revolt must come from BIBLE BELT - mid-west and far west - as AID! has maintained for years. Vote on H.R. 1776 proves our contention and hope. 25 of the 32 Senators who voted against H.R. 1776 were from said BIBLE BELT, constituting a majority of the Senators from that section. As Sen. Taft radioed Sunday, fight was worthy.

BULLETIN NO. 262 "MOTHERS MARCH ON WASHINGTON TO IMPEACH FDR" April 28, 1941

"THE CITIZENS FO FOREIGN WAR COALITION - MANUAL. This 160-p. booklet by Oscar Brumback, who was Secy. to Senator THOS. D. SCHALL (who apparently was liquidated because he knew too much and was too outspoken in Congress, is just off the press, and should be in every American's work-kit. It, like THE OCTOPUS (256-p. book - 60¢ for 1; \$3. for 7 copies, remittance with order), is the kind that you will read carefully and then loan to your best friend who as yet cannot see the Worldwide Conspiracy for destroying all Christendom. BRUMBACK spent years in the Library of Congress and presents documentation that startles even the best informed. He is writing a larger book AMERICA AWAKE!, but is running into printing troubles. He advocates a MARCH ON WASHINGTON, too, besides flooding Congress with protests re NUDEAL plans for involving USA in foreign wars. Contributors to the work will receive a copy of above MANUAL, and those sending a dollar or more will also receive the new book AMERICA AWAKE!, besides the MANUAL. Write to: The Citizens Fo Foreign War Coalition, The Belvedere, 1301 Mass. Ave., N.W., Washington, D.C.

"BRUNFACK'S documentation confirms, and even goes farther than what AID! been giving you. e.g.: (p.65): '... The American people have a right to know that by common agreement the headquarters of the higher commands on both sides (World War I) were never intentionally bombed or fired on; that the munitions plants of the Munitions Barons and War Lords of the Hidden Rulers of the earth on both sides were immune to attack; though for a long time the British high command refused to use tanks for the reason, as H. G. WELLS has pointed out, that tanks gave too much protection to the British private soldier!.... The American people have a right to know, also, that since the slaughter in 1918 on the Western Front was not sufficiently extensive, even with the use of poison gas, to satisfy the powers-that-be, that disease germs were "experimented" with to increase the death rate!"

"From p.154 - quoting letter from Detroit lawyer, re impeachment: '... The members of the House who voted against H.R. 1776 and the Conscription Bill could vote through resolutions of Impeachments against all others in both chambers of the Congress and the Chief Executive. There can be little doubt but that their acts stamped them as enemies of the Constitution of the United States and certainly such acts as distinguished from mere words expressed, furnishes the best possible basis for proceedings of that nature. The Constitution furnishes the method. It is the basic law of the land and should be enforced before we ever think of enforcing any other law on the statute books. Under the powers of impeachment it is perfectly possible for a minority of Representatives to vote through such indictment against a majority thereof as alleged criminals are never permitted to sit on the grand jury...."

Particular attention is drawn to Bulletin No. 266, dated May 26, 1941. This bulletin urges a march on Congress to remove members of Congress and the President.

BULLETIN No. 266 "MOTHERS MARCH ON WASHINGTON TO IMPEACH FDR" May 26, 1941

"Organized Jewry-Intl. Finance must be mighty jittery, for imagine them running the risk of having it pointed out to the fast-awakening public that the UP story, read by millions in the press, failed to quote the most significant sentences in the SATVEPOST editorial, 5-21-41, which the controlled press-radio is ballyhooing as proof that the heretofore anti-MUDEAL SATVEPOST has fallen in line with said MUDEAL. That editorial twice gave the only alternative to going 'on and on at any cost, to reconquer Europe and destroy Hitler there, even with American man power...' It said: 'For the truth is that the only way now to avoid the shooting, if it has not already begun, is to repudiate the Government.' Just how do you and I, and the boys in our Army and Navy 'repudiate the Govt'? With no elections now to say whether we go to war or not, the only way we can 'repudiate' the Administration - is to kick it out!!!

"But, fellow Americans, let's get this straight. Did Lincoln revolt? No - he saved the UNION. That's our job today! Who will be the Lincoln to lead us, I don't know. God has His mysterious ways of providing for His own - providing they prove their loyalty to Him - instead of to glib fireside liars.

"It is not being loyal to 'go along' with a rotten Administration, no more than it was Christian or common sense for citizens to 'go along' with gun-men of the frontier towns.

"I pray that God will give me even a little power to help you to see that 'direct action' - no more compromising the Synagogue of Satan - is the only answer to our problems. We are faced with the identical crisis that faced our Revolutionary Fathers. We are not supinely accept a 'Crusade to Chaos' such as envisioned by the editor of the SATEVEPOST! Christ gave us the answer: 'Come ye out of Babylon' - cut clean from the various 'entangling alliances' of Organized Jewry-Intl. Finance. Ho, Washington, and Lincoln - all showed the way. That means Christian Americans must march on Washington in a 'CRUSADE TO CONGRESS'!

"You know the answer as well as I do. You would see a turning about face, and acceptance of the leadership of the fearless folk already in Congress who have proven their stamina and worth by the courageous stands they have been taking when too many of us have whimpered 'Oh, what's the use? That militant minority can IMPEACH President Roosevelt and all of his traitorous crew that can be so reached - the rest would run!!!

"Yes, when we crusade to save the Christian Constitutional Representative REPUBLIC of our Founding Fathers, we are not revolting - no more than Lincoln did. The usurpers now in power in the (not our) Administration, are the ones who revolted away from our Govt 'of the people, by the people, and for the people'. Those FUDEALers are the real traitors! They are the Benedict Arnolds! The 'real 5th Column' is already entrenched at Washington. They must be ousted - peaceably or otherwise! If it is not done now, you can depend upon it that CIVIL WAR will eventually be engineered by them as a means of liquidating all opposition to their Satanic plan. Then it will be too late!!!

"Give up your planned vacation - forgo a new car - gather a group of Christian Americans (no others can be tolerated) - and start towards Washington - before the 'enemy' can manipulate a disbanding of Congress! Tell it to press and radio. Let them ridicule - such publicity will be invaluable to the Crusade. DARE TO BE A CHRISTIAN AMERICAN - miracles will assuredly fall. Christ never forgets His own! With less reasons than now insistently press upon us, several hundred MOTHERS did go to Washington last February. Now even the weather, and everything else, is in your favor!

With Bulletin No. 279 dated August 26, 1941 was sent a card entitled "West Africa is not Iceland - It's Anything but a Nice Land!", showing a map of the World, and at the bottom stating, "Shall we give American youth the 4 D's, (extended Draft, Distress, Disease and DEATH) to buy the '4 Freedoms' for somebody else and a valueless victory on a foreign shore?". At the bottom

of this card is the notation, "This card is intended only for Americans in possession of their full civic rights; it is not intended for the Armed Forces of the U.S.A." On the right side of the map is the following: "V is for Victory. Those Vaix Visionaries would send our Valiant Vanguard to Africa's Vilcely Vicious clime, Victimized by Verminous Voracious insects, Venomous snakes, Vitiating tropical diseases, Voo-dooed and hoo-dooed by the horrors o' war in the hottest hell on earth! We think they're all Vertiginous Vagrants" (A bunch of dizzy bums)."

BULLETIN NO. 282 "MARCH ON WASHINGTON TO IMPEACH PRES. ROOSEVELT" Sept. 16, 1941

"Some months ago press claimed NUDEALers were destroying tons of German literature and mail. Without my asking for it, such literature had been coming to me (just as I got English, Australian, Canadian, Communist, Socialist, Labor, NUDEAL, Church, Educational, etc. literature) - then for months it ceased coming. (AID! bulletins barred from Canada, yet I still exchange with THE PATRIOT of London). Now, after FDR pledges USA aid to Russia and Germany wars on Russia, lo! and behold!, I now receive 2 WORLD SERVICE bulletins (exposing Jewish worldwide activities) from Germany, 'Via Siberia', and postmarked 3-28-41! Is this a trap - or what?

BULLETIN NO. 285 "MARCH ON WASHINGTON TO IMPEACH PRES. ROOSEVELT" Oct. 7, 1941

"Altho I have inches high of material tht I would like to put into this bulletin, yet the following letters are so pertinent that I quote them almost in full: The first from ex-teacher DR. BESSIE R. BURCHETT (see B#284 re her just-out book 'EDUCATION FOR DESTRUCTION' - a 'must have' book) dated 9-30-41 to Repr. HAMILTON FISH, Washington, D.C.:

'Since you have done so much splendid work against our involvement in war, I am sorry that an issue arose at the meeting Saturday night in which I had to disagree with you. The newspapers in their account of the meeting in their Sunday edition beclouded the issue, as we might expect. The "RECORD'S" Monday morning "smear" of me is about the worst I have received up to date. I do not regret, however, that I spoke as I did. The "smears" merely show that the point is one which the war mongers fear to have exposed.

'You stated very clearly and logically in graphic words that our entry into this war would mean the spread of communism here as well as in Europe. Our entry into the war would mean then the destruction of our Govt. To assert, therefore, that loyalty demands the support of such a war is absurd on the face of it.

'The religious issue also enters in. Russia is the avowed enemy of all religion (even if FDR says to contrary- CBH) and has repeatedly expressed the intention of wiping out all religion. No Christian can support a war in behalf of Russia. To do so would be to fight against Christ. If Christians had to make a choice between their religion and their country it would be a terrible thing. Such a choice is not necessary because of the opposition of

"Soviet RUSSIA to all Govts, especially to the Constitution of the USA. To fight for Russia is to fight for an enemy of our country. Such a war is unthinkable. To support such a war would be treason.

'A declaration of such a war would not alter the treason: it would simply mean that Congress instigated the treason.

'The people are confused and the papers tried to increase the confusion about power and right. Congress has the power to declare war, as you so ably stated. But Congress has no right, to violate the Oath of Office and declare a war in behalf of a country which intends to destroy our Constitution. Every Congressman who votes for such a war should be dealt with as a traitor to the USA. A majority vote would not alter the fact that the act is treasonable.

'The President, in the opinion of many, has been guilty of treason in performing many acts which he had no Constitutional right to perform. Congress has been guilty in allowing such acts and in relegating to the President powers which Congress has no constitutional right to relegate to another.

'Treason on the part of Congress added to the treason of the President does not make less treason.

'People are confused and the papers are adding to the confusion, about loyalty to our Govt and loyalty to the administrators of that Govt. It is obvious that Govt by the people would be an absurdity if the people had no right to criticise and to punish malfeasance in office on the part of their rulers, even tho they elected these rulers. If Congress declares a war to aid a country in the destruction of the United States, the people have a right to repudiate the acts of such a Congress.'"

BULLETIN NO. 288 "MARCH ON WASHINGTON TO IMPEACH PRES. ROOSEVELT" Oct.28, 1941

"CURTIS (Repr. Curtis of Nebr.) might well have warned that it was parallel action by Organized Jewry-Intl. Finance operating thru the private Bank of England and its 'controlled' Parliament back in the 1770's that forced truly Christian Americans to risk their property and their lives in revolting against the NUDEAL of that age. OJ-IF may welcome civil war in USA today, during which they could liquidate all opposition, but Christian Americans could save that chaos and bloodshed by MARCHING now on Washington. Such CRUSADERS could demand starting of IMPEACHMENT OF FDR and all his henchmen, see to it that all such gangsters who did not flee were removed from office, and then aid in the rebuilding of our once Christian Constitutional Representative REPUBLIC. You are going to get that or civil war (instigated by Organized Jewry-Intl. Finance as they have done in so many countries down thru the ages)! Which do you prefer? Time in which to choose is getting short!!!"

" End the War Quickly "

December 16, 1941

"In re AID! suggestions from time to time that Congress has had 19 deaths, many mysterious, this year (about 3 times the death rate in England in 1940, year of their worst blitzkreigs), Repr. Mills of La., a Southerner who voted opposite to the way the warmongering and for-price-control Jews voted on recent bills-vital-to-dictatorship, says on p. 9878 of CONGR. RECORD: '... I was absent as a result of illness due to food poisoning.'"

BULLETIN NO. 296

" End the War Quickly "

December 22, 1941

"Previous AID!s have quoted official British Govt casualty figures proving that the Synagogue of Satan - control behind all dictators - is not punishing Britain very hard by bombings while Organized Jewry-Intl. Finance enriches itself and extends the size and operations of the Empire. I have heard that 'blackouts' cover embarkment of troops, tanks, etc.)"

BULLETIN NO. 297

" End the War Quickly "

January 19, 1942

"Sources that enabled AID! to correctly diagnose 3 years ago that the 1940 presidential election would not be bonafide, and that 'by 1942' the USA would be under military-economic dictatorship, prompt me to urge Christian Americans in their planning to take into definite consideration that 'by 1944' the Yellow Race led by those who call themselves 'Jews', will be pitted against what is left of the White Race. Anti-Christ Russia, Mongolia, Siberia, China, Japan, India, et al, whom we have helped educate, finance, and supplied with munitions of war, are only waiting until Whites have killed off each other and impoverished themselves of manpower, finance and munitions of war, thru the European wars, and thru scattering everything we have all over the face of the globe. Do you realize that the increase in population the past 10 years in those countries exceeds the total population of USA? Beware of Synagogue of Satan and its plans!!!"

BULLETIN NO. 301

" End the War Quickly "

February 17, 1942

"YELLOW VS. WHITE. B#297 warned that 'by 1944' the Yellow Race led by those who call themselves 'Jews', will be pitted against what is left of the White Race, and that Anti-Christ Russia, Mongolia, Siberia, China, Japan, India, et al, whom we have helped educate, finance, and supplied with munitions of war, are only waiting until Whites have killed each other off and impoverished themselves of manpower, finance and munitions of war, thru the European wars, and thru scattering everything we have all over the face of the globe. And reminded you that the increase in population the past 10 years in those countries exceeds total population of USA.

"Encouraging to see press considerably alarmed over what it refers to as 'possibilities' of Japan, China and Russia 'making separate peace'. No - not peace, but joint war against the White Race. Reminds that on 4-13-41, when Moscow suddenly pactcd with Japan to remain 'neutral' in case of ANY attack, Stalin and Matsuoka (Jap ambassador), celebrating that deal initiated by Jew Litvinov (now ambassador to USA), drank toast: 'We are all Asiatics.. to the health of the Asiatics!' And to date, with USSR supposedly ally to Britain and USA, she made no effort to help save Singapore or Philippines.

"Try secure 8-21-1940 CONGRESSIONAL RECORD - turn to pp. 16376-80 - read 'STEPS TOWARD BRITISH UNION, A WORLD STATE, and INTERNATIONAL STRIFE' inserted by then Repr. J. THORKELSON (who, with GEO. SULLIVAN (author THE ROAD TO VICTORY - \$1 - see B#300), and your editor appeared with Gen. GEO. VANHORN MOSELEY when 'on trial' before Dies Com.) You will learn why the Synagogue of Satan just had to defeat THORKELSON for re-election. That insert is a reprint from San Francisco Leader of Febr. 17 and 24, 1912. LILLIAN SCOTT TROY, an American overseas in 1912, wrote those articles which resulted in her expulsion from England, and persecution in USA. She had discovered a 24-point-program then being worked on by Synagogue of Satan, partially worked out in World War I, and being completed it appears in World War II and armed truce afterwards. These few of the 24 points should cause you to get that CONGR. RECORD: (1) Power of the Pres. of the USA to be increased so as to gradually diminish the powers of Congress. (2) Supreme Court to be revised so as to embrace only judges agreeable to absorption by Great Britain, and uniformly hostile to the U. S. Senate. (CBH - that was 30 years ago! - now see B#299 where Supreme Ct. Justice ROBERTS openly sponsoring UNION NOW)... (8) Quietly and unobtrusively, American soldiers must be sent to Egypt and India; British soldiers may then be quartered in the USA... (17) When newspapers cannot be bought or leased, new publications must be started. (see B#294 re Russian Jew 'control' of MARSHALL FIELD III who is supposed to be financing Judeo-Red PM of New York City and THE SUN, competitor of CHICAGO TRIBUNE)...

"Back in Febr. 1912 Miss Troy reported that the official mouthpiece of the Duke of Connaught claimed that England's alliance with Japan was made to offer the tempting bait of the Philippines as a reward for services which Japan must be ever prepared and ready to offer, if necessary... Was the attack on Pearl Harbor that 'service', seeing as USA was so slow entering the war, and the giving of Singapore another part of that bargain? Yellow Race led by those who call themselves 'Jews' is fast marching towards Armageddon!

"OMAHA SCHOOL TEACHERS - the Ann. Federation of Teachers, under Natl. Organizer IRVIN KUENZLI of Chicago, is a Communist outfit trying to get foothold in Nebraska!"

"SOCIAL JUSTICE (invaluable 10¢ magazine - Royal Oak, Mich.) 3-16-42 quotes and comments on SAMUEL UNTERMEYER'S address 8-6-1933 over WABC, which called upon Jewry and others to declare a 'holy war' against Germany. He spoke as Pres. of World Jewish Economic Federation, upon his return from Amsterdam. He admitted Jewish bankers lent money to Germany and called for a worldwide boycott of Germany to whip them into line. That was 8½ years ago! Note that by 1940 and 1941 all bankers were in line, and no doubt had been all the time, the boycott merely contributing to forcing the 'hate Hitler' and 'war' program.

"All foregoing adds emphasis to AID!'s long claimed thesis that World War II is but part of Synagogue of Satan conspiracy to kill off opposition thru wholesale murder at same time consolidating its military-economic slavery upon all peoples thru its controls, i.e., dictatorships. Only such a thesis explains the otherwise incongruous inconsistencies, such, e.g., as USA, according to part-Jew CHURCHILL, pledged in Aug. '41 to attack Japan if Japan didn't attack us, yet continuing to ship war materiel to Japan right up to her Dec. 7, '41 attack on USA at Pearl Harbor. Also, how could a supposedly weakened and financially impoverished Japan, after 4 years war with China (also aided by Russia, USA & England), succeed in whipping to date the combined forces of England, Holland and USA? And why doesn't our great friend and ally (?), Russia, do something when it has armies, planes, submarines at Vladivostok within a few hours of Tokio? And why does it continue to supply Soviet oil to Jap warships and transports waging war against said allies???"

From:

Date: April 18, 1942

Lizzie Dilling's, April 8 bulletin, after calling you Vulture Vinchell, contains this statement:

"Hudson Jailed"

A news despatch of April 10 reports that Charles Hudson has been jailed for 90 days. He "refused" to reveal where he had obtained isolationist postcards mailed with his publication." (UP)

That the Torch of Christian Liberty and Truth may not be extinguished, act at once!"

What does Lizzie mean when she states: "act at once"? Is she advocating that the public gang up on the constituted authority, overthrow the Government and take Hudson out of jail?

The isolationist postcard which she states Hudson was jailed for refusing to reveal where he obtained it, is so vicious and seditious that it contains on the bottom of the card,

"This card is intended only for Americans in possession of their full Civic Rights and is not intended for the armed forces of the U.S.A."

Enclosed is a copy of a postcard printed in the Enquirer on 8/25/41 which I understand is the same postal card which Hudson has been sending out since Pearl Harbor.

I am also enclosing substantiation of this statement in the Christian Science Monitor of April 10.

*Dilling's magazine is called "Patriot Research Bureau" - Chicago, Ill.*

BULLETIN NO. 310.

MAY 6th, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us, Amen!"

ENGLAND. Inspired press constantly calls me anti-British, as well as pro-Nazi, and anti-Semitic. If following in Christ's footsteps makes me "anti-Semitic" - so be it. But being 100% pro-American makes me "anti" all un-American "isms", such as Judaism, Talmudism, Communism, Fascism, Nazism, and UNION-NOWISM - because all are not only un-American but also anti-Christ. Following quotations from THE PATRIOT (London) prove, if anything, that I am somewhat pro-British. My father was born in England.

3-12-42 issue: "WHAT FEDERAL UNION MEANS. In the New York TIMES (CBH - Jewish) of 21 January there appeared a long letter, which gives furiously to think, from Mr. Clarence K. Streit, the author of 'UNION NOW' and, apparently, president of Federal Union. Mr. Streit makes the argument that as Mr. Churchill (CBH - part Jewish) is indispensable to the winning of the war and has been in such close collaboration with Mr. Roosevelt it is unreasonable that the House of Commons should have the sole power to overthrow the Prime Minister. In other words the wishes of America must also be considered. With his Federal Union idea in mind Mr. Streit suggests that what is wanted is an Inter-Continental Congress, and in his own words

'have it represent the democracies in the councils of the United Nations as the Soviet Government already represents there all the Soviet Republics. For such a Congress to represent democratically the people, representation would have to be apportioned according to self-governing population. That would give the American people more representatives in this union than all the British democracies combined. The present set-up gives 70,000,000 people in the British Commonwealth five votes to one for 130,000,000 Americans. Through our representatives in this Union Congress each American would have the same voice as each Englishman in deciding what powers Mr. Churchill should have to win the war for all of us. And each Englishman, Canadian, Australian would gain relatively the same vote as each American in deciding this with reference to Mr. Roosevelt.'

"There is the Federal Union scheme disclosed for everyone to understand. Other nations are to have the power of keeping in position a minister whom his own nation may want to replace, and presumably to dismiss a minister whom his own people wish to retain and the whole business is to be arranged on the basis of the Soviet Government, itself the result of an alien-inspired revolution. The scheme has only to be understood to recognize that an enemy has planned it." (CBH - yes - the "enemy" of all Christendom, that Synagogue of Satan defined as "Organized Jewry-International Finance".)

"THE U.S.S.R. as the JEWISH FATHERLAND. Not content with the headway they have made in this country towards securing their objects the Zionists are doing all they can to get the U.S.A. to put on pressure for obtaining Palestine as a Jewish State. The argument is that not only is that country theirs by right, a matter which Arabs and others dispute, but that no other country is suitable. In this latter connection it is interesting to read the Report of the International Conference of Jews held in Moscow on 24 August, 1941, for in this document quite a glowing picture is painted of the Jewish Autonomous Republic of Birobidjan, which covers a rich area in the Far East, and with the aid of the Soviet Government has apparently become a flourishing Jewish centre. There is also reference in this report to the fact that Jews of the U.S.S.R. 'have at last found a real Fatherland' in Russia. Twice in the recorded speech of Prof. Solomon Mikhoels the Soviet Union is mentioned as the Fatherland of the Jews, and Peretz Markish, described as a poet, said at this conference: 'After thousands of years of wandering and perse-

healed the innumerable wounds they suffered in the past.

"If this is really so it is surely a pertinent question to ask why there should be all this bother about the Jews having Palestine, when they can only get what they profess to want by first dispossessing the Arabs?" (CBH- Synagogue of Satan wants Palestine for its estimated mineral wealth worth  $1\frac{1}{2}$  to 3 trillion dollars, so that it can then rule the world thru dictators - nominal, but not real heads of the various nations. Since Jewish press in USA boast there is no "anti-Semitism" in Russia, that alone points to who actually rule that union of Socialist "republics". Also to who is responsible for murdering and starving to death the past 24 years some 40,000,000, mostly Christians. Also, since some Jewish press insist that "anti-Semites" are synonymous with "traitors" in USA, and should be stamped out, then Christian Americans should be warned, knowing that the Synagogue of Satan has always used the same tactics down thru the ages whenever it usurped supreme power. With this in mind re-read Matthew, Mark, Luke and John of your Christian BIBLE.)

3-12-42 issue THE PATRIOT (London): "A SURVEY OF THE WAR... Japan is thus firmly established on the eastern fringe of the Indian Ocean, with our naval bases at the disposal of her great navy and her fleets of transports. She is thus in a position, if that is part of her plan, to sally out against the islands in the Indian Ocean and to harass, and possibly to sever, our Indian Ocean communications with Australia, India, the Persian Gulf, and Red Sea. In the West, according to Mr. Churchill, our reinforcements and supplies to our Egyptian and Middle Eastern armies have to travel round the Cape (So. Africa) and thru the Indian Ocean, while Axis transports and supply ships, in spite of considerable losses, which they accept, are crossing the narrows of the Mediterranean. From the foregoing it is clear that our Egyptian and Middle Eastern armies are in danger of being isolated and overwhelmed by superior numbers, as were our armies in the Far East. In German or Norwegian ports a powerful German fleet is concentrated. U-boats are multiplying in the Atlantic, and tankers and food ships are being sunk in the Caribbean and close to the coast of America.

"A strong French squadron, including battleships, is at Toulon under the command of Admiral Darlan, whose enmity to England has been whetted by our bomb raids on Paris. So much for the threats overhanging us. What of our resources for meeting them? In this island we have millions of soldiers, few of whom have heard a shot fired in anger and many of whom have not heard the explosion of a bomb. (CBH- see p.5 of B#309 - then realize that this underlined confirmation herein is by Capt. Bernard Acworth, D.S.O., R. N. "well known (to Englishmen) by his articles in the Press and a number of books on naval matters...")

"In Egypt we have an experienced army whose means of reinforcement are threatened. In the Middle East an army with only such war experience as was to be had in the Syrian and Persian incidents. These armies are also threatened with isolation. The numerically enormous armies of Russia and China are separated from us by thousands of miles of sea, and their communications with England are liable at any moment to challenge.

"This is a fearsome picture, but, happily, the British Navy and, we hope, the American Navy stand between the enemy and the exploitation of these terrible strategical opportunities. In 1797 England's danger was hardly less acute, strategically, than today. But in 1798 the British Navy, led by Nelson, recovered its supremacy, and by the great victory of the Nile defeated Napoleon's Eastern plan of campaign, which in many respects resembled that of Hitler's.

"If we are, like our forefathers, to wring victory out of the dangers that threaten us we must act as Nelson did, and, by concentrating every available warship and putting an end to the dissipation of our naval forces, set right about recovering a passage for our troops thru the Mediterranean and denying its use to the enemy. Only by such means can we afford, for a short time, to disregard the Japanese threat in the Indian Ocean. Secure in the Mediterranean and in Egypt, we can then begin to set about dealing with the situation east of Suez and the Cape."

"RUSSIAN HEROICS. That courage and vitality have been the keynote of Russian resistance to the Nazi onslaught is beyond question, but the sickening regularity with which the man-in-the-street refers to Russia as being somewhat akin to 'the man who would save the world' compels one to 'sit up' and 'take note'. For twenty years or more Russia has had unhindered control of all the resources of that vast country, for all properties and wealth invested by foreigners were confiscated after the Bolshevik

revolution, and the t's regime definitely refused to acknowledge any debts contracted as a result of the war of 1914-18.

"Thus with a clean slate and with full control of their vast manpower, every opportunity was afforded them to build up a state almost without parallel in the world's history, for their resources in minerals and other commodities were such as to make for most unlimited production of the necessities of life and materials for their defence against aggression. Yet when attacked by Germany - who had already been engaged in strenuous warfare for two years - the Russian legions began 'a great retreat' which eventually brought the German army right to the gates of Moscow. A retreat which cost thousands of square miles! Add to all this the twist in Russian diplomacy in signing the 'Pact' with Nazi-Germany and the great campaign in favour of 'peace at any price' organised by Left-wing sympathisers in this country, and it at once becomes apparent that we have nothing to applaud, but much to condemn, in Soviet dealings with 'democracy' previous to the German invasion of their territory.

"True the entry of Russia into the conflict has proved of inestimable value to the Allied cause, just as 'General Winter', aided by numerous tanks and bombers sent to Russia by the Allies, has been the means by which the great Russian offensive was initiated and pushed forward. Hence it follows that it is bordering on fanaticism for Socialist leaders to propound the theory that Russian heroism and courage is alone responsible for Germany's eclipse on the Eastern front, for such propaganda is paving the way to political warfare which may ultimately prove disastrous to the so-called democracies.

"The extent of this propaganda can be seen in the 'guilds', 'debating societies' etc., which are springing up like mushrooms in the mining areas, and invariably Anglican Church premises are secured for the meetings, altho Communist propaganda dominates most of their activities. Numerous concerts, etc., are also now held in the Churches, missions and schoolrooms - both Nonconformist and Anglican - with a view to securing funds for the 'Russian Relief' organised by the Communist Party, and no thought is taken of the party's attitude to religion. Yet in answer to a question put by me a speaker who claimed to have come direct from Moscow stated that 'Communism did not entertain religion at all', and a little later she supplemented this statement with the words, 'We Communists contend that there is no God, and that therefore Jesus could not possibly be the Son of God.' Does the Church really think it is called on to aid propaganda designed to undermine the Christian faith?" (CBH- identical Anti-Christ program in USA!)

3-12-42 issue THE PATRIOT (London): "THE 'FREE PRESS'... Since 'THE MORNING POST' was absorbed we have not had 'An Independent Press.' If anyone does not believe this let them write to any of the most important papers pointing out the incalculable benefit to the State and the people would derive if the State was to create and issue all the currency on sound lines, instead of, as at present, such a small fraction. The present method of using cheques enables the bankers and banks to create nearly all our currency (Sir) A. Verdon-Roe." (CBH- Pres. Lincoln won our Civil War by obeying our Constitution issuing Greenbacks which the banks depreciated to 70¢ on the dollar as punishment for Lincoln's not paying them 24% to 36% interest; almost parallel procedure after World War I when many Americans forced to sacrifice Liberty Bonds for round 80¢ on the dollar)

"THE RATIONING PROGRAMME. So far the Public has accepted each downwards instalment of the Rationing without criticism, but the rationing of coal in London raises some questions which require attention and answer. Is the one cwt. of coal per week for six weeks in reality the thin edge of an official wedge for a late rationing during the winter of 1942-43? And now further cuts in the food rations are announced. If the reduced food rations are to remain for the duration of the war, even if they are not in due course further reduced, the combined effect of less food and firing may so injure public vitality as to make us the ready hosts of pestilence, even if it be not the actual cause of pestilence. (CBH- Rationing system now being installed in USA not for sugar alone; also recall earlier AID! warnings re epidemics, etc.) There may be no limit to the political docility of the British Public, but to imagine that Nature will show a like docility to be playing with fire. It is no doubt impossible, in view of the lay-out of our armaments to import even the hitherto war-time quantity of food from overseas, as the country is blockaded partly by the enemy and partly by its own policy, but that blockade can only extend to home-produced coal if our country deliberately blockades itself. The reason for that blockade is not obvious and cannot be accepted without explanation of the Gov

ernment's real intention for next winter. The explanation of the present six weeks' ration that it has been used by the recent state of the roads hindering horse-haulers is not convincing, seeing that horse-drawn coal-carts have become the exception, at least in my part of London. If the Government had been able to present the nation with a series of military and naval successes it would be the more ready to accept on trust the incessant and increasing domestic interferences, the one and only field of the Government's undoubted achievement to date. It may conduce to the real winning of the war, instead of the prolific shouting about it, if the Government be somewhat roughly pulled on its haunches in regard to such items of domestic necessities as are and can be produced within our own borders. To remain silent may be encouraging incompetence amounting to stupidity among leaders in whom Genius is so obviously and so unfortunately absent. - W. B. Laurence." (CBH- reminds of our cutting down home production of sugar, rubber, magnesium, etc., and depending upon sources thousands of miles away.)

Foregoing from THE PATRIOT (London), founded in Febr. 1922 by the 8th Duke of Northumberland, K.G., in view of parallel actions taking place in USA, should serve as warning to Christian Americans. Vigilance is not only the price of liberty, but today of victory. THE PATRIOT goes thru both British and USA mails, the issue just quoted from, reaching me today - "Passed Free of Duty U.S. Customs, Omaha, Nebr." Yet we now have the spectacle in USA of greater censorship being applied to our press than now exists in England, which truly is in danger, and which has been at war since Sept. 3, 1939! SOCIAL JUSTICE and other publications similar to THE PATRIOT have not only been denied our mails but have been forced out of existence. Yet THE PATRIOT still circulates throughout the world. I am glad that it still does. Maybe our Congress will wake up and demand reinstatement of "freedom of the press". What point is there to fighting throughout the world for the "four freedoms" for other peoples, while denying it to ourselves?

For some reason the 3-12-42 issue of THE PATRIOT was delayed, for last week I received the 3-26-42 and 4-2-42 issues. Feature editorial in 4-2-42 issue: "TROUBLES MAINLY MONETARY" climaxes with: "... One result of the world war, when the nations seem to appraise their war effort by the vast sums of money which they are spending, is likely to be a realisation that money itself is powerless to accomplish anything, and it never seems to be realised what is going to be the problem to pay interest on the colossal sums now being borrowed. It looks as if the present system will automatically kill itself, and then the nation will indeed require to be inspired and guided by a sense of religion and duty."

The 3-26-42 issue feature article "THE CHALLENGE TO CHRISTIANITY" (cont. in 4-2-42 issue) quotes at length from "The Idiocy of Idealism", written by the prominent Jewish author Dr. Oscar Levy, before the war, but published in 1940: "... Dr. Levy dispenses that confusion of thought - Talmudic, Cabalistic, Illuminised - which has contributed so much towards the chaotic condition of the world today... Christian patriots must quickly find an antidote... We all know the danger of declaring ourselves whole-hearted followers of Christ today, but we are determined to meet the challenge to Christianity. We might be shocked by this book were the ground whereon we stand less firm. Nevertheless, we must marvel that in an allegedly 'Christian' country, when we are at war and pray to God for victory, that such obscene insults should be heaped upon the head of His beloved Son - 'Nazi-Christ', as Dr. Levy describes Him (p.119) - without a word of official protest....

"Dr. Levy summarises (p.54), 'is it a wonder that this gospel of hatred has become very popular, has been translated into all languages, and has proved itself a best-seller for two thousand years until this very day?'... He suggests that 'the repulsive language (of the Gospels) was not Christ's own' but had been 'falsified'... 'Yet Christ, the fiery rebel, the fiendish hater, the wild mob-orator, has been indulgently overlooked by most (not by all) religious historians' (p.57)... In healing the daughter of the Canaanite (Matt. xv. 22-28), 'Christ, Nazi-Christ,' writes Dr. Levy, 'condescended to apply his power of healing to a "Non-Aryan" dog or bitch' (pp.119,120)... Dr. Levy elegantly terms a Christian 'a believer born and bred, botched and bungled' (p.61) and the Founder of Christianity 'this minor specimen of Jewry' (p.69), 'an illuminate Jew' (p.61) 'the Demon whom Christendom honours' (p.88), 'the Bolshevik of Bethlehem' and 'the Nazi of Nazareth' (p.139)... Luther,... 'with a tongue as foul as Christ's' (p.70)... Marx,... 'most Christlike of Hebrews', filled with the Holy Ghost 'up to the brim' (p.131)... Despite Christ's warnings, so-called Christians still fellowship with such Anti-Christ!

[REDACTED] CLINTON DAVIDSON is President.  
[REDACTED]

The corporation is very highly regarded and carries a sizeable margin in their bank account in the Trust Company of New Jersey. All the men in the above organization are said to bear good reputations. CLINTON DAVIDSON owns the outstanding stock, is 53 years of age, and was born in Louisville, Kentucky. He was former General Agent for the Connecticut Mutual Life Insurance Company at Louisville. DAVIDSON is really an insurance broker and the underlying idea of the corporation is that of life insurance. This corporation has merged with the Fiduciary Counsel, Inc. with JACKSON MARTINDELL as President and Treasurer. The latter is in his middle 40s and was at one time a statistician for Stone, Webster, and Blodgett, Inc. from New York, N. Y. He formerly wrote financial articles for publication, having contributed to the New York Times and to the magazine of Wall Street.

[REDACTED] advised that the corporation offers its services to wealthy people in planning their estates so as to avoid more than a minimum of income taxes and to make certain the beneficiaries receive exactly what the deceased wished. The fee charged is in proportion to the amount of income tax saved.

In the December 10, 1937 edition of the New York Times, page 47, column 5, there appeared an article relative to MARTINDELL and upon investigation it was ascertained that [REDACTED] of Bernardsville, N. J. Upon interview [REDACTED] advised that the entire community of Bernardsville dislikes MARTINDELL because of his anti-Administration and anti-Jewish and anti-British views. [REDACTED] further advised that MARTINDELL is a very suspicious person; that he never comes into the town except at night, and that he always leaves at night.

Further investigation regarding MARTINDELL will be considered by the Newark Office and if deemed necessary will be conducted in a new case.

<p>Synopsis:</p> <p>HUDSON requested assistance and advice from [REDACTED] Washington, D. C., and from R. A. DIEHL, Sharon, Connecticut, on 4/6/42. He was visited by ERNEST F. ELMHURST, author of "The World Hoax" and [REDACTED] both of New York City, in March, 1942, and he has stated that these individuals are Nazi agitators. HUDSON admits sending out the so-called "V" cards after the United States entered the present war. He requested the National Printing Company, Omaha, in the summer of 1941, to print a pamphlet for Judge H. W. ROGERS, Meadowbrook, Tompkins Corners, New York, but this request was refused. The May 6 issue of "America in Danger" is being held up by the Omaha Post Office pending advice from the Post Office Headquarters at Washington as to whether this issue is mailable. Subject received many money orders from a number of contributors. Many of his subscribers are registered with the Selective Service Boards at Omaha, but they state HUDSON'S bulletin has very little influence on them. the Washington Post, and that this had something to do with his release. [REDACTED]  
he said, is [REDACTED]

It is noted that HUDSON quotes from the Washington Post dated April 10, 1942, as follows:

"Persecuted, says HUDSON, was [REDACTED]  
HUDSON invites his readers to send ten cents for inside stuff about this trial."

b2, b7D  
Source [REDACTED] advised that on April 6, 1942, Subject made a long-distance phone call to [REDACTED] Lincoln, Nebraska. [REDACTED] a close friend of CHARLES B. HUDSON. Subject also made three telephone calls to the Western Union office, which he had charged to his telephone.

b2, b7D  
Source [REDACTED] advised that on April 6, 1942, Subject sent three telegrams as follows:

- A telegram to R. A. DIEHL, Sharon, Connecticut, and in this telegram he requested the assistance and advice of DIEHL.
- A telegram to [REDACTED] Washington, D. C., also requesting [REDACTED] assistance and advice.
- A telegram to [REDACTED] Washington, D. C. In this telegram he suggested that [REDACTED] confer with [REDACTED] and he asked [REDACTED] whether his family could stay with her while they were in Washington.

On April 27, 1942, letters were directed to the Special Agents in Charge of the New Haven and Washington Field Offices, in which it was requested that the identity, background, and activities of [REDACTED] and R. A. DIEHL be determined, and also their connection with the Subject.

On April 28, 1942, [REDACTED] who is presently staying at the Blackstone Hotel, was interviewed. He advised that several months ago [REDACTED] Lincoln, Nebraska, [REDACTED] had told him a person with a German name had phoned him one night requesting that he see [REDACTED] in a hotel lobby in Lincoln, and that he refused to state where he was staying. [REDACTED] subsequently met this individual, and he believes that this person is probably a German Agent. [REDACTED] also said that this same individual had met and talked with Subject.

[REDACTED] also advised that about a year and one-half ago both HUDSON and [REDACTED] introduced him to a [REDACTED] from California. [REDACTED] asked [REDACTED] if he were interested in the America First Committee, and if so would he contribute money to it. According to [REDACTED] he stated that he was not interested in contributing to the America First Committee. He stated that about six months

later he received a long distance telephone call from this [REDACTED] who was then in California, and she asked him for \$15,000 in return for which he would be given an interest in a new automobile carburetor, which would be very economical on gasoline. [REDACTED] said that he did not contribute any money to this project. He also advised that Colonel OSCAR ENGLER, who is now deceased, formerly contributed rather heavily to HUDSON'S America in Danger, and that when [REDACTED] started to contribute to HUDSON, HUDSON remarked that he was taking the place of someone who had died, and that [REDACTED] believes this individual mentioned is the late Colonel ENGLER.

AT LINCOLN, NEBRASKA

On April 29, 1942, [REDACTED] was interviewed. He stated that he is very friendly with CHARLES B. HUDSON, and generally sees him about once a week; that HUDSON, at the present time, is extremely anti-Semitic in his views, and blames all the troubles of the world on an international Jewish conspiracy. [REDACTED] said that he, himself, had formerly been anti-Semitic, but is now past that stage, and that he believes that the cause of wars and the threat to America comes from international financiers and Communists. [REDACTED] admitted that he had received the World Service bulletins from Germany at one time, and in fact he has a very good collection of Nazi propaganda, but that he is planning to destroy it because he might be raided, and that he is merely keeping it for historical reasons. He stated that he, himself, [REDACTED] He was asked whether or not persons of Nazi views might not have attempted to use him in any way. He stated that he is opposed to Nazism, Communism, Socialism, and all international groups, and volunteered the information that some time in March, 1942, an individual, whose last name is ELMHURST, had phoned him late at night, stating that he desired to see him in a hotel lobby in Lincoln. [REDACTED] inquired where ELMHURST was staying, and he refused to tell him, whereupon [REDACTED] said that he would not meet him. He subsequently received another call from ELMHURST, and ELMHURST stated that he would meet him in the Y.M.C.A. the following morning, and that he was alone. [REDACTED] said that he did meet ELMHURST the next morning at the Y.M.C.A., and ELMHURST asked him about his views as to the war, the Administration and Germany, and questioned him thoroughly along these lines. [REDACTED] gathered that ELMHURST was pro-Nazi and he became suspicious of him and was under the impression that ELMHURST was feeling him out with some purpose in mind, but that he did not make him any offers or propositions because [REDACTED] told him he was not sympathetic with HITLER and the Nazi Government.

[REDACTED] then called HUDSON, and ascertained that ELMHURST, along with another individual, had visited HUDSON the previous day, and HUDSON remarked to him that these individuals were Nazi agitators and seemed to joke at their expense. [REDACTED] said that HUDSON is sincere in his views, but is gullible, and might be taken in by persons of suspicious background, and he might be used without his being aware of it. [REDACTED] recalled that this visit was approximately about the same time that HITLER made a speech over the radio and was effecting what he termed a "fake peace proposal."

██████████ said that he had never seen ELMHURST before, but that he is the author of an anti-Jewish book called "The World Hoax", and that he is pro-Nazi. ██████████ remarked that he has made a study of secret societies and a study of occultism, and also of the Bible but that he is not affiliated with any group. In his opinion WILLIAM DUDLEY PELLE, founder of the Silver Shirts, is a racketeer and is engaged in pamphleteering purely for the money he gets out of it.

██████████ further advised that ██████████ he does mimeographing for JOHN DeQUER, of Chicago, and that DeQUER at the present time is engaged in writing interpretations of the books of the Bible, and he is mimeographing them for DeQUER. He said that DeQUER is expected to come to Lincoln within a short time in order to lecture, and that DeQUER was formerly a member of the I.W.W. and also of the Anglo-Saxon Federation of America, but now is engaged in exposing the international Socialist plot, and he is also no longer connected with the Anglo-Saxon Federation.

67C  
██████████ Y.M.C.A., made available the register, and it was ascertained that ERNEST F. ELMHURST and ██████████ occupied Room 412 in the Y.M.C.A. on March 22 and 23, 1942. In this connection it is noted that according to a report of subversive organizations in the United States received from the Chicago Field Division, with letter dated November 27, 1939, ERNEST F. ELMHURST is Secretary of the Pan-Aryan Alliance, Grand Central Annex, Box 472, New York City, and that ELMHURST was formerly associated with ██████████ in a organization known as the American Workers Progressive Club. Post Office Box 4472 is listed to the American Gentile Das Aryan Alliance, 139 East 57th Street, New York, New York.

According to the Quarterly Report on Subversive Activities in the United States, Volume 3, Page 738, "The War Hoax" by ERNEST F. ELMHURST, is printed by the Skyland Press, and distributed by PELLE Publishers, and further that this work is required reading of members of the Silver Shirts who desire to form a Chappel.

With reference to ██████████ of New York City, who visited HUDSON together with ELMHURST, it is noted that HUDSON in one of his issues of America in Danger ██████████

AT OMAHA, NEBRASKA

██████████ of the National Printing Company, Omaha, was recontacted on May 12, 1942, and he advised that in the summer of 1941,

CHARLES HUDSON inquired about having a printing job done on a pamphlet of 32 pages for a Judge R. N. ROGERS, Meadowbrook, Tompkins Corners, New York, and that HUDSON stated that Judge ROGERS is a retired individual in New York, who lives on a pension and that he would be in a position to pay for the printing. The price quoted to HUDSON was \$300, and apparently this was considered too high, as [redacted] heard nothing further about this printing, and did not do it. HUDSON told him that this pamphlet had to do with the manner in which the Jews in the United States were designing to get the United States into war in order that the Gentiles might be killed and the Jews would profit thereby.

[redacted] somehow received the impression that this same Judge ROGERS is the person who sent HUDSON a plate with the design for the so-called "V" card, with the heading "West Africa is not Iceland - It's anything but a nice land." This design shows a map of the world with the distances between the United States and West Africa, and a notation to the effect "Shall we give American youth the four D's (extended Draft, Distance, Disease and Death) to buy the four freedoms for someone else in a valueless victory on a foreign shore?" [redacted] said that it was shortly after HUDSON made the inquiry of him concerning the pamphlet to be printed for Judge ROGERS that he brought in the plate for the "V" card and requested that cards be printed from this plate. HUDSON also remarked that he had received this plate from some person, and that he was going to return it to the same person after the cards had been printed and therefore, he desired to have the original plate back. It was noted in previous reports in this case HUDSON had 2,000 of these cards printed. HUDSON also requested the National Printing Company at first to make the cards so that they could be mailed out as postcards, but [redacted] advised him that it was not the correct size for a postcard, and HUDSON remarked that he would then send them out along with his bulletins. [redacted] advised that after HUDSON returned from Washington after being subpoenaed as a witness, he paid \$25.00 in cash on account to the National Printing Company, and he appeared to have plenty of money.

[redacted] Omaha World Herald, advised that he had interviewed HUDSON after HUDSON returned from Washington in April of this year, and HUDSON told him that he was going to continue the publication of America in Danger, and that while he was testifying before the Grand Jury in Washington, he refused to tell the name of the printer of the so-called "V" card, and that the Judge gave him three days in jail, but that the prosecuting attorney and officials of the Department of Justice, together with prominent Jews, brought pressure to bear on the Judge, and the sentence of three days for contempt of Court was changed to three months. He admitted to [redacted] that he had distributed a number of these "V" cards after the United States had declared war on Japan and Germany, and stated that the Grand Jury at Washington did not learn anything from him.

[redacted] Assistant Postmaster at Omaha, on May 12, 1942, advised that copies of Bulletin #310 of America in Danger dated May 6, 1942, were being held in the Post Office pending advice from the Solicitor of the Post Office Department in Washington, D. C., as to whether or not this issue

is mailable. He said he was holding 552 copies, but that he had heard HUDSON had sent out some additional issues by first class mail. He allowed reporting Agent to examine this issue and it is noted that for the most part this issue contains long quotations from "The Patriot", a London, England, publication. [redacted] also furnished a list of the Lincoln, Nebraska, subscribers to America in Danger, a previous list obtained of subscribers having failed to show any persons from Lincoln, Nebraska. This list is being retained in the files, and the names are not being set out in this report, as it is felt it would not serve any useful purpose to do so.

[redacted] advised that the following money orders had been received by HUDSON:

b7c

2/25/41 - 50¢ from [redacted] Los Angeles, to the order of Reverend FRANK WOODRUFF JOHNSON.  
2/13/41 - 50¢ from [redacted] Oakland, California, to Reverend JOHNSON.  
2/20/41 - \$265 from [redacted] Jackson, Florida, to Rev. JOHNSON.  
2/11/41 - \$1.50 from [redacted] Kaukauna, Wisconsin, to CHARLES B. HUDSON.  
2/13/41 - \$1.50 from Mrs. A. SCHENK, Battle Creek, Mich., to Reverend JOHNSON.

3/11/41 - 50¢ from [redacted], Kaukauna, Wisc.

A number of individuals who subscribe to America in Danger were contacted in order to see if they have been influenced by this periodical, and whether they were within draft age.

ALFRED W. GORDON, President of the Omaha Loan and Savings Company, advised that he is 58 years old, and that he has been tendered a commission as Major in the Army Air Corps; that he has been receiving Subject's bulletin but is not influenced by it, and that he is registered with the Selective Service Board at Omaha, and that he also received the so-called "V" card.

b7c [redacted] Fifth Floor, First National Bank Building, advised that he is Commander of the Nebraska State Guard, and a Colonel of the Field Artillery of the Organized Reserve, and has been receiving Subject's bulletins. He believes that Subject is a crackpot, is sincere, and he stated that his military interests have not been influenced by America in Danger. He also stated that Subject had been a very good friend of Colonel OSCAR ENGLER, who was a Lieutenant Colonel of the Organized Reserve and Past National President of the Organized Reserves of the United States of America, and that Colonel ENGLER had aided HUDSON financially to a considerable extent, and it was through ENGLER that he met HUDSON.

GLEN CAVANAUGH, 1238 City National Bank Building, Omaha, advised that he is 52 years old and receives America in Danger, and has for a number of years. He is registered with the Selective Service Board, but he stated that HUDSON'S periodical has not influenced him, and that he is anxious to do anything he can for the United States, particularly since we are at war now.

b7c [redacted] He said that he has received and is receiving America in Danger, and that HUDSON asks him occasionally for rubber stamps which he gives to him in order to get rid of him, and that in return HUDSON sends him his weekly bulletin. [redacted] advised that he has not been influenced at all by reading this periodical, and does not pay much attention to it, and he believes that HUDSON is a harmless crackpot.

CLIFFORD SADDLER, 216 Keeline Building, advised that he is 63 years old, has registered with the Selective Service Board at Omaha, and that he has known Subject since 1933, and that he is a subscriber to Subject's publication, America in Danger. He advised that he has not been influenced by the publication at all, but that he gets some interesting information on Communism in it. He said that he knows Subject's family well, and regards them as sincere, loyal Americans. He advised that he would be willing to do whatever he could for the United States in the war effort.

A number of other subscribers were contacted, and all gave substantially the same information. None of the subscribers admitted that their attitude toward the war or the war effort had been influenced by HUDSON'S publication.

b7c [redacted] advised that two years ago she resided next to Subject, and is well acquainted with both him and his family. She said that [redacted] is well acquainted with [redacted], and that she has noticed that CHARLES B. HUDSON is very peculiar, did not associate with the neighbors, and that he would not let [redacted] into the room of his house which he uses as an office; that he worked late at night, usually until two or three o'clock in the morning. She saw no evidence that any meetings were occurring at his home, but she saw him mailing out considerable material in the nearby mailbox. He also seemed to receive large volumes of mail.

On May 5, 1942, a clipping from the Omaha World Herald was received from an anonymous source. This clipping was an article about HENRY WILLIAM WENDELAND, history instructor at Tech High School, and related that he was born in Linr, Germany, and that he came to the United States and became a musician and later principal of the Osceola, Nebraska, high school in 1905, where he also served as athletic coach. He was appointed the same year Director of the Second Regiment, Nebraska National Guard, and in his career he has been a painter, salesman, canvasser, cheese maker, newspaper reporter, and professional boxer. A pencil notation on the bottom of this clipping is as follows: "HENRY WENDELAND owns 10 farms near Osceola, etc." The indices of the Omaha Field Division reflect no prior information concerning this WENDELAND.

WENDELAND was interviewed on May 9, 1942, and stated that he had lived at 2702 North 45th Avenue, across the Street from HUDSON about three years ago, but that he was not on good terms with him at the present time, and could give very little information about him. He stated that he had noticed that HUDSON was frankly with one [redacted] who was very prominent in the America First Committee at that time. He had no other information of value concerning HUDSON.

b3 Rule 6(e)  
b7c By confidential source it was ascertained that [redacted]

[redacted] It is believed that possibly HUDSON refers to [redacted] with whom he frequently communicated. Her address is listed as [redacted] New York City.

HUDSON also indicated that he was corresponding with [redacted] and [redacted] both of Washington, D. C., and that either of these persons might have sent him material which he distributed through the mail.

The pertinent results of a mail cover placed on Subject's mail are listed below: **b7c**

- 1: From [REDACTED] Washington, D. C., 4/24, 25, 27, 28/42, letters.
- 2: From Dr. HERMANN J. BOLDT, White Plains, New York, Post Office Box 175, letters to Mrs. CHARLES B. HUDSON dated April 24 and May 2, 1942.
- 3: From E. P. BANTA, Room 814, 52 Vanderbilt Avenue, New York City, and also 215 East 17th Street, New York City; circulars and papers, 5/5/42; also letters, 5/3,4/42.
- 4: From the Federated Library, Inc., 36 1/2 West Second Street, Salt Lake City, Utah, a book, 5/2/42.
- 5: From the Anglo-Saxon Federation of American, Room 834 McCormick Building, Chicago, Illinois, a parcel on May 4, 1942.
- 6: From Loyal American Mothers, Flint, Michigan, 5/2/42, a letter.

In this connection it is noted that according to the Quarterly Report on Subversive Activities in the U. S. dated November 15, 1941, volume 3, Page 798, Dr. HERMANN J. BOLDT was born in Berlin, Germany, June 24, 1856, and came to the United States with his parents in 1865. He graduated from Medical College of New York University in 1879, and is a member of various medical societies, including the German Medical Society of New York. He retired from active practice in 1929, spends his summers at his home at 121 Westchester Avenue, White Plains, New York, and his winters at Hotel Albermarle, St. Petersburg, Florida. He is said to be a voluntary German propagandist, and since the first world war he makes a practice of tucking a piece of propaganda material into all his correspondence. He once published a book entitled "Reminiscence of the World War and the Germany of Today." Dr. BOLDT is believed to have made a visit to both Italy and Germany during the summer of 1939, and has a sister at the present time who lives in Rome, Italy. It is noted that this Dr. BOLDT has sent books and literature to Subject at various times.

With reference to E. P. BANTA, who communicates with Subject four or five times a week, it is noted, according to the Quarterly Report of Subversive Activities in the U. S., Volume 3, Page 887, that this E. P. BANTA is a disgruntled former Communist [REDACTED] **b7c**

It is also noted that in America in Danger HUDSON continually refers to this E. P. BANTA as a former Communist Spy who testified before the Dies Committee, and who is deserving of support.

67c  
On May 13, 1942, [REDACTED]

[REDACTED] advised that the day before Subject left for Washington, D. C., with his family in response to a summons to appear before the Grand Jury in April, 1942, she observed a lot of boxes being moved from the HUDSON home. These boxes appeared to contain papers and books. She advised that about six trips were made in order to remove this material, and that HUDSON'S car was used to haul it away. HUDSON'S wife [REDACTED] took the boxes away while HUDSON brought them out and remained at the house. [REDACTED] advised that Mrs. HUDSON and [REDACTED] were gone nearly an hour on each of the six trips. She did not know where these boxes were taken, but she received the impression that they contained his papers and files and were taken somewhere for storage. She has not seen them returned to the HUDSON home.

[REDACTED] also advised that HUDSON has quite a number of callers who drive to his house by automobile, and that many of the cars have out of state license plates. She also has observed that HUDSON received many large packages by express which appear to contain papers. She volunteered to advise the Omaha Office of any unusual activities which she observes at the HUDSON home and in particular if any boxes of papers are returned to his home by HUDSON.

Gentlemen:

We are enclosing herewith circular "America in Danger" which you have undoubtedly seen already as it is dated Febr. 10, 1942. However it was enclosed in the envelope which we are also sending you because of its condition, together with an order for merchandise from Dr. Herman J. Boldt, White Plains, N.Y.

Dr. Boldt has corresponded with us for the past three years and has a habit of enclosing pamphlets and literature in all of his communications. During the recent Presidential elections he was a bitter antagonist of Pres. Roosevelt and sent all kinds of Wilkie literature. He also had my name enrolled on a list receiving german propaganda before these agencies were stopped by the FBI. I know he was a violent pro-nazi before we entered the war - and this is the first intimation he has let slip that he is still in sympathy with them.

At any rate we are sending you this information for what it is worth.

Yours for Victory.

[REDACTED] Kansas City, Missouri, [REDACTED]

[REDACTED] Kansas City, Missouri.

[REDACTED] stated that [REDACTED] and [REDACTED] reported to him that Subject's speech was anti-Semitic in nature, linking the Jews with the Communist Party, and subject also implied that the Jews also controlled, or were trying to control, the United States Government at that time.

[REDACTED] was interviewed by agent, and she advised that she was formerly [REDACTED]

[REDACTED] in Kansas City, Missouri. She stated in this connection she attended the meeting held by the American Christian Conference at the Hotel Phillips in Kansas City, Missouri, in August, 1937, and that the following people from [REDACTED] were also in attendance at the meeting:

b7c

[REDACTED] Offices in Bryant Building, Kansas City, Missouri.

[REDACTED] stated that altogether there were about twenty-five persons in attendance at the meeting, but she recalled Mrs. LESLIE FRY, GEORGE E. DETHERAGE, and [REDACTED] CHARLES B. HUDSON, as being among those who were there. [REDACTED] stated that as she understood, the purpose of the meeting was to get a representative from all of the subversive groups in and around Kansas City together in sort of a Federation to plan future action and strategy. She stated that she got the impression at the meeting that GEORGE E. DETHERAGE was very anxious to be the leader of the group. [REDACTED] stated that she had no definite recollection of subject or his speech, except that she recalled his name as being one of those in attendance. She stated that all of the speeches at the meeting were to the effect that the Jews were the great enemies of America; that they were in control of the government, in control of the press, and in fact, in control of most of the activities in the country. She stated that she became rather nervous at the meeting, and left early. She stated some man who was in attendance at the meeting, recognized who she was, and all of those in attendance seemed to be so radical that she did not care to stay.

[REDACTED] Kansas City, Missouri, was interviewed by agent, and he advised that he attended three meetings held by the American Christian Conference in August of 1937 at the Phillips Hotel. He stated he finally received an anonymous telephone call at his home advising him, "Just as a friendly tip, it would be better if you would not attend any more meetings since the members of the Conference now know your identity." [REDACTED] advised without a doubt that the group was the most radical he had ever come in contact with. He stated

b7c

that remarks were made at the Conference to the effect that "they would take care of [REDACTED] and as a matter of fact, he was approached by one of the members of the Conference as to whether he would be willing to follow the wishes of the Conference in taking some action against [REDACTED]. He stated that a remark was made that "when they get finished, the good people of Kansas City would be troubled no more with [REDACTED] and he stated the members of the Conference even mentioned the use of rifles and bombs. He recalled as being in attendance at these meetings, Mrs. LESLIE FRY, Mrs. ELIZABETH DILLING, GEORGE E. DEATHERAGE, CHARLES B. HUDSON, a [REDACTED] whom he believed was from Detroit, one other woman, and two other men. [REDACTED] stated that the three meetings which he attended were held three nights in a row, the first night there being merely a meeting at which [REDACTED] were also in attendance; the second night being a dinner, and the third night also being a meeting. He stated that he was the only member of [REDACTED] group which attended the Conference on the second and third evenings. [REDACTED] stated that after attending the first meeting, he received a letter signed by DEATHERAGE, inviting him to be a member of the inner circle, which was to meet on the following night. He stated this letter included the phrase that he "had been recognized as a friend." He stated at the dinner he was seated next to DEATHERAGE and he got the impression that DEATHERAGE was armed, wearing a shoulder-holster. He stated that of all the members, CHARLES B. HUDSON was the most erratic in his opinion. He stated that at all the meetings which he attended, the only subjects which he recalled were discussed were the Jewish situation, and means of getting rid of [REDACTED]. He could not recall any of the actual statements which were made by Mr. HUDSON.

[REDACTED] with offices in the Bryant Building, Kansas City, Missouri, was interviewed, and he advised that he attended the first meeting which was held by the American Christian Conference at the Phillips Hotel in Kansas City, Missouri in August of 1937. He stated that the group was the most erratic which he ever came in contact with; that all the members had a rather "wild" look and were particularly worked up over the subject matter which was discussed. He stated that the only matters which he recalled which were brought up at the meeting were the situation with respect to the Jews, and the menace of [REDACTED]. He stated that various statements were made that the Jews were in control of the Government, and as a matter of fact, in control of practically everything in the United States. [REDACTED] stated he could not remember particularly subject speaking, although he did recall hearing his name as being one of those in attendance. He stated that all the members present

got up and said a few words in sort of a testimonial fashion. He stated that he did not get the impression that CHARLES B. HUDSON was by any means the speaker of the evening. [redacted] advised that [redacted] one of the group of [redacted] was in attendance, and he believed [redacted] had taken notes at the meeting. [redacted] advised that [redacted] was presently in Kansas City, being in charge of the office of the Friends of Democracy, Inc., the Kansas City Office being located in the Fidelity Building. He suggested that [redacted] would have [redacted] present address.

[redacted] Friends of Democracy, Inc., Fidelity Building, Kansas City, Missouri, was interviewed and advised that the last address that she had for [redacted] was Rex Arms Apartments, Los Angeles, California. She stated that [redacted] is presently [redacted] Under date of May 27, 1942, the Los Angeles Office advised that [redacted]

b7c [redacted] advised that he was employed by the Friends of Democracy, Inc., Kansas City, Missouri, as Liaison Officer; that the Friends of Democracy, Inc. conducted investigation of the Christian Militant Group, and he attended a meeting in August of 1937 and took notes on remarks which were made by CHARLES B. HUDSON and submitted them to the Friends of Democracy Office in the Fidelity Building, Kansas City, Missouri. [redacted] stated that it is doubtful whether his original notes were retained, but indicated a possibility that the notes may be at his wife's home at New Iberia, Louisiana. [redacted] advised that he was unable to recall the statements made by HUDSON.

Following the receipt of this information, [redacted] was again contacted, and she advised that all of the files of the Friends of Democracy, Inc. are presently in New York City, at the office of the Friends of Democracy located at 103 Park Avenue. She stated, however, that she understood from [redacted] that all information with reference to CHARLES B. HUDSON had already been turned over to the Federal Bureau of Investigation in Omaha, Nebraska.

[redacted] Kansas City, Missouri, was interviewed and he advised that he attended the first meeting which was held by the American Christian Conference in Kansas City in August, 1937 at the Phillips Hotel. He stated that while he recalled the general theme of the meeting; that is, that the Jews were the great menace in the United States; that they were in control of the Government

b7c

and were rapidly becoming in control of all activities of the United States, he did not recall specifically the statements made by HUDSON. He stated he was sitting next to Mr. HUDSON at the meeting in question and became rather friendly with him; that after the meeting HUDSON asked him, [REDACTED] to accompany him to his hotel room in the Phillips Hotel. [REDACTED] advised that he did accompany HUDSON to his hotel room and they talked for about an hour about "the cause." [REDACTED] stated he got the impression that HUDSON was very sincere in what he was doing, and that he actually believed he was somewhat of a crusader and doing a great piece of work.

[REDACTED] Phillips Hotel, Kansas City, Missouri, advised agent that her records showed that the American Christian Conference held meetings at the Phillips Hotel on Friday, August 20, 1937, on Saturday, August 21, 1937, on Sunday, August 22, 1937, and on Monday, August 23, 1937. She stated that the number of persons provided for on each of these days was forty, but she had no idea how many persons actually attended the meetings. [REDACTED] records did not show whether or not dinner was served at any of these meetings. She advised that she had no record as to who made the reservation for these meetings, but that there was a notation on one of the cards that the rooms were to be charged to [REDACTED] who was staying at the hotel. There was no further record at the hotel as to the identity of [REDACTED]

**[REDACTED]** Assistant Postmaster at Omaha, on May 27, 1942 advised that he had received orders from the Solicitor's Office of the Post Office Department in Washington, D. C. to release Bulletin No. 310 of "America in Danger" for mailing, and that accordingly he had done so.

On June 5, 1942 CHARLES B. HUDSON was interviewed at the Omaha Field Office. He advised that in June 1939 he had lectured at a meeting of the "Christian Front" in New York City, and that present at this meeting was **[REDACTED]** Subject advised that

he is suspicious of [REDACTED] and he has reason to believe that [REDACTED] is a [REDACTED] who is prominent in the Communist Party. b7c

He stated that one of his very closest friends is Mrs. LESLIE FRY, whose real name is Madame PACQUITA de SHISHMAREFF, who formerly resided in Los Angeles, California. He stated also that he had heard that Mrs. FRY had registered with the State Department under both these names. However, when questioned as to the reason for this, he then stated that she had not registered at the State Department but had been subpoenaed before the Dies Committee. He stated that she is the author of "Waters Flowing Eastward" and that she also had made up a chart which listed the leading radicals and organizations in the United States. He said that Mrs. FRY had paid his expenses to attend a convention at Los Angeles, California in August 1938, and that members of the German American Bund were also present at this meeting. She also paid his expenses to Kansas City, Missouri when he attended the American Christian Conference in August 1937, which conference was sponsored by the Militant Christian Patriots; and that Mrs. FRY had paid his expenses to attend other meetings. He advised that he had been distributing her bulletins and pamphlets for several years, and that he has sold her chart for \$1 a piece and has remitted to her 77¢ for each chart. He claims that he does not know her present whereabouts.

Subject also stated that he had received a letter from some person whom he believed to be Mrs. FRY'S son, and who lives at Hollywood, California. This individual is [REDACTED] and is still living at Hollywood. He believes that Mrs. FRY is a White Russian. b7c

HUDSON was very vague as to his finances, but said that he had been distributing pamphlets for Mrs. ELIZABETH DILLING, and received a small profit on these, and that he made a little money from his publication, "America in Danger", but that altogether he just made his living expenses and no more. He advised that he has no bank account. He did admit that he now and then receives contributions up to \$100 from people who believe in his work, but he would not state who these people are.

Concerning his views, Subject advised that while he feels sorry for the Jews because they are of mixed blood and consequently vile, he is not going to let his sympathy prevent him from exposing their aim to gain control of the world by any means whatever. He said, "Hitler is as vile as Roosevelt because he is a stooge for the Jews also." He went on to explain that while Hitler has kept all his promises to the German people, and that the German people are well fed and that there is no unemployment there; nevertheless, Hitler is under the domination of WARBURG, an international financier. He also stated that Hitler had sent many Jews from Germany to the United States because he had received orders to do so, inasmuch as the Jews would be safer in the United States from bombing than in Germany. The reason, he said, that so many British were able to escape from Dunkirk was that many Jewish refugees were present

there at that time, and the German Government had orders not to bomb them. Subject expressed great contempt for President Roosevelt, stating that he had broken more promises than any leader in the history of the world. In his opinion, Hitler, Mussolini, Stalin, and President Roosevelt are all stooges of the International Jews conspiracy and each one has his part to perform. He also advised that the B'Nai B'Rith is a world spy organization, and has spies planted even in the FBI.

He asked Reporting Agent what had happened to [REDACTED] and confided that he had distributed pamphlets when they were available. He was told that it was not known what had happened to [REDACTED]

He admitted that he had been visited by ERNEST F. ELMHURST and [REDACTED] of New York City in March 1942, and advised that ELMHURST is definitely pro-Hitler. ELMHURST stayed at his home overnight, and remarked to Subject that he admired Hitler very much; however, Subject would not disclose any further information about ELMHURST, merely saying that he had been corresponding with ELMHURST for some time.

Subject claimed that on his return from Washington, D. C. after he had testified before the Federal Grand Jury there in April 1942, he had visited his printer and had told him to destroy the plate which had been used to print the 2,000 "V" cards ordered by him, and that he had ascertained that this plate had been destroyed.

Subject was very vague in answering definite questions, but talked at great length about the Jewish conspiracy, and yet he claimed that he was not anti-Semitic but merely realized the true factors behind the present war. He predicted that great epidemics would sweep over the country inasmuch as the Jews were going to spread diseases just as he said they did during the first World War and so many people died of influenza.

Subject also advised that Mrs. ELIZABETH DILLING is one of his good friends, and that he had contributed material for the book entitled, "The Octopus", of which Mrs. DILLING is the author.

He stated that he realizes he is dealing with dynamite in his propaganda work, but that he and others engaged in like work must go on to teach the truth.

According to a newspaper article in the Omaha World Herald on June 16, 1942, Subject was subpoenaed by the Federal Grand Jury in Washington, D. C. and left for that city on the same day. A letter is being written to the Bureau in order to obtain any information in the Bureau files concerning Mrs. LESLIE FRY, also known as Madame PACQUITA de SHISHMAREFF.

Dear Sir:

Reference is made to your letter of June 19, 1942, which requested that your office be furnished with information contained in the Bureau's files concerning Mrs. Leslie Fry, who is also known as Madame Pacquita de Shishmareff. In compliance with your request, the information in the Bureau's files concerning this individual is briefly summarized as follows:

The records of the Immigration and Naturalization Service indicate that Pacquita Louise de Shishmareff was born of American parents in Paris, France, on February 16, 1882. In these records her occupation is listed as that of writer and publisher, and it appears that she was naturalized as an American citizen at San Francisco, California, on September 19, 1931.

In interviews with Bureau Agents this individual has advised that her true name is de Shishmareff and that the name "Mrs. Leslie Fry" or "Mrs. Leslie Frye" has been used by her as a pen name in connection with her various writings and publications. She stated that she lost her American citizenship through marriage to a Russian in 1906. According to her statement, her husband was a Captain in the Russian Imperialist Army during the Czarist regime and has been deceased for more than twelve years. She advised that she has two sons, one named Michael, who lives in London, and the other named Kyrill, who resides at Los Angeles and is employed as an interior decorator.

In correspondence with various persons and in interviews with Bureau Agents, Mrs. Fry has admitted that she was a member of the Militant Christian Front, the American League of Christian Women, both at Los Angeles and San Francisco. She was a member of these organizations from approximately 1930 to 1934 and described them as being "rather loosely knit organizations" designed for the purpose of combating Communism. She further admitted that she was the editor of the "Christian Free Press", an anti-Semitic and anti-Communist publication. Mrs. Fry is also the author of a book entitled "Fathers Flying Eastward", which has been characterized as an anti-Communist treatise.

b7c According to information received during the first part of 1940 from one [redacted] of Los Angeles, California, Mrs. Fry was at one time rather closely associated with Charles B. Hudson and General Masely. Allegedly, the former distributed certain charts which Mrs. Fry published during the summer of 1939.

Other allegations appearing in the Bureau's files are to the effect that this individual was associated with one [redacted] during the summer of 1939 in the formation of a Russian Fascist group. Reportedly her endeavors in this regard resulted in some association with [redacted]

On July 22, 1939, Mrs. Fry sailed for Rome aboard the S. S. Rex and remained there until her recent return to this country aboard the S. S. Drottningholm.

At the time of her arrival in New York aboard the Drottningholm on June 30, 1942, Mrs. Fry was again interrogated by Bureau Agents and at this time stated she had lived continuously in Italy since 1939 and that she was desirous of returning to the United States in order to escape possible internment and certain other "undesirable circumstances." She advised that she had been to Europe many times and had traveled extensively in France and Italy.

In connection with her activities in this country, she admitted that she is acquainted with George Deatherage and that for a time during 1937 and 1938 she exchanged certain information, news and bulletins with him, as well as with William Dudley Pelley. She admitted authorship of a number of publications anti-Semitic and anti-Communist in tenor and stated she had always made a close study of the "Jewish problem." She claimed that the activities of the Militant Christian Patriots had been dormant since 1939.

As to her activities and associations while in Italy, Mrs. Fry disclaimed any connection with the Italian government but admitted she had written articles of an anti-Semitic nature for the "Vita Italiana", a monthly publication published under the direction and control of the Italian Fascist Party.

Numerous allegations have been received to the effect that Mrs. Fry has been engaged in espionage activities, but investigation has failed to substantiate such charges. However, such investigation, as well as her own admissions, indicate that she was active in anti-Communist and anti-Semitic work in the United States during the period of 1936-1939.

# AMERICA IN DANGER!

CHAS. B. HUDSON, Editor, Lecturer

OMAHA, NEBRASKA, U.S.A.

4327 Grant St.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion. Condensed news for truth-seeking readers. Subscription, \$1.00 for 10 weeks includes "Interlocking Directorate" Chart that lists some of the leading Radicals, Organizations, and Publications.

BULLETIN NO. 311.

June 2, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD SAVE AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

WHAT TO DO? You are to decide whether this bulletin service continues or not. Please read carefully - all the way thru. Your prompt response is vital.

(1) No. 310 was held up by P.O. for almost 3 weeks, and then released, according to Omaha World-Herald of 5-27-42: "... after the Omaha office received a ruling from the postoffice solicitor in Washington that the leaflet did not violate postal rules..." Copies by first-class mail were not held up - only those under precancelled 1¢ postage.

(2) To obviate any possibility of such delays, this and future issues of AID! will reach you thru first-class mail ---- providing enuf of you make it possible to do so.

(3) If a number is inserted here \_\_\_\_\_, that number indicates that your subscription expired with that issue. Despite all costs incident to getting out this bulletin service have gone up in the past year, yet I will thankfully accept 10¢ per copy for the issues you received up to and inclusive of No. 311. If you should be around 50 issues behind in payment (some of you are farther behind than that), I will be glad, upon receipt of \$5. from you, to send you your choice of the following books:

THE OCTOPUS - a 256-p. book with over 2,300 names in its index proving the ramifications and power of the Synagogue of Satan - defined by Christ as embracing Organized Jewry-International Finance. (anyone desiring to buy this book - prices: 60¢ for 1; \$1. for 2; \$3. for 7 - remittance with order.)

THE ROAD TO VICTORY - a 195-p. book by Geo. E. Sullivan, a leading attorney of Washington, D.C. Published in 1942. Railroad executive ordering 6 more copies said this compact book contained more vital information than any 12 books in his library. (\$1. per copy - by insured book post.)

PLANNED ECONOMY - an unusually indexed book with its 3 large Charts portraying interlocking directorates of the Synagogue of Satan thruout world. (\$1.

(4) If a number is inserted here \_\_\_\_\_, that number indicates that your subscription expires with that issue. If you intend to renew, please advise if it will be satisfactory to pay at rate of \$1. for 8 issues. As long as above 3 books are available, you can have your choice upon remitting \$5. for a renewal or new subscription of 40 weeks.

Frankly, even the AID! bulletin service is well into its 7th year, I hesitate to accept such 40-week subscriptions, unless it is understood that in case of being forced to discontinue, balance to be considered a gift to the Cause. What I must learn now is whether enuf of you are going to stay with us to warrant sending AID! by first-class.

Since AID! is as far as I know today alone in its field, surely there must be enuf Christian Americans who would like to be kept posted on what is appearing in the CONGRESSIONAL RECORDS, the Jewish and Communist press, with comments based on other press and other private sources of information. All the attention given to this modest bulletin service (with its necessarily limited circulation) by the Synagogue of Satan, proves, if anything, that AID! must be dealing in TRUTHS dangerous to their revolutionary plans.

WRITE ME TODAY - before you lay this aside. Thanks!

Other reasons besides D. Dept. holding up No. 310 dictated delay to this No. 311. Since a Federal Grand Jury Kansas City, Kas. on 5-2-42 had indicted for sedition Editor Garner of PUBLICITY, Wichita, Kas., and since Washington on 5-21-42 had denied it the mails (same as done to SOCIAL JUSTICE and THE GALILEAN), I wondered if Washington's holding up No. 310 was to give color to a charge of sedition and that a Federal Grand Jury at Omaha May 25-29 might do ditto to me. It returned 55 indictments on 5-29-42 but none against me. Also, our son Bill was going thru expensive complete physical check-up made necessary account Army disqualification reported "military tuberculosis", and if was considered vital we move for his health, that had to be decided before releasing this appeal for continued support. Thankfully, leading a normal life Bill should emulate my father who was active at 86. Then, FBI men been calling on folks in all walks of life, they claiming that Washington felt Hudson must have a fortune hidden away. As God is my witness we live from day-to-day dependant entirely on those Christians who want this awakening bulletin continued, and have no assets left of any kind upon which we could live, hidden or otherwise. Then, too, much of our time was taken up by Treasury Dept. representative who had same mistaken ideas, and who required us to submit - from memory as we keep no records - Income Tax returns for 1938, 39, 40 and 41, which after including revenue from all sources, boarders-and-roomers, Bill's contributions from odd jobs, etc., required no payments from us for any of those years. Do you want us to continue?

If I do not hear from those affected by Par. (3) of p.1 hereof, it will be understood that they are not going to bear their share of expense already incurred. If any of you are unable financially to pay all you owe, whatever money or stamps you send will be gratefully received. Unless donations are made for that specific purpose the sending upwards of 100 to Congressmen each week will have to be discontinued. Certain exchanges will have to be dropped unless some share at least of our expense is arranged for. Most gratis copies running upwards of 200 or more each week necessarily will have to be discontinued. Omehans will appreciate that I cannot possibly get around to see them often enuf, so they will contribute much to the Cause if they will remit by mail as the out-of-towners perforce must do. Whatever you do, may God bless and protect you.

THE REWARD OF PATRIOTISM. This 484-p. book compiled heavily from Govt records of the Civil War by Lucy Shelton Stewart, published in 1930, makes vital reading when you recall Jewish press boast that traitor Judah P. Benjamin was the "brains of the Confederacy". You learn that contrary to modern propaganda, Gen. Robt. E. Lee was not a hero, but a traitor, and so called by Pres. Lincoln. That Lee was so deep in the conspiracy that he accepted a colonelcy from Lincoln on 3-30-1861 despite he had already been secretly appointed to highest command in Confederate Army (already mobilized while North was pacific) as a brigadier-gen. on 3-15-1861. That "Judas" Benjamin's report as Confederate Secy of War in Febr. '62 to stooge Pres. Jeff Davis, states that an active correspondence (part of conspiracy to destroy USA) had been carried on with "officers of skill and experience in the Army of the United States". That that Civil War started 4-15-1861, but Lee did not tender his resignation from U.S. Army until 4-20-1861!

Much of tactics prior to and during that Civil War (forced on the North), in the South as well, remind you of parallel activities in USA today. E. G., same Synagogue of Satan seemed to be in control, financing both sides (as it is thruout world today), attempting to use the "hick" from the West, Honest Abe (who got wise no doubt because his education had been based on Bible and Shakespeare, and had to be liquidated so that he could not use knowledge he had gained the hard way to rebuild the Union after that war), while the "brains of the Confederacy", holder of 3 portfolios in Davis's cabinet, "Judas" Benjamin functioned in the South. Recall that Jewry today honors traitor Benjamin as one of the great Jews of history, and that he escaped to England where he was rewarded and highly honored for his part in the conspiracy. Same folks honor Lee, too, today.

Is it coincidence that the same planets (students maintain that the Synagogue of Satan plots its events by time-clock of the heavens) were in same positions at outbreak of our wars of 1776 and 1861, and again on 5-16-42, the day Earl Browder, symbolical head of Communist Party of USA, was released from prison by Pres. Roosevelt? I feel that his release was a signal to worldwide agents of the Synagogue of Satan that they consider "they" have won their "revolution" in the USA. God never intended that the Synagogue of Satan should succeed in its plan for worldwide slavery under diabolical dictatorships -

providing there are at least a few who "elect" to be on Christ's side. So - a few under Washington (yet he finally had to accept aid from same international-financial gangsters who had caused that war of 1776, and who financed both sides) risked their lives and property, and out of that war came the greatest document and best form of govt devised by man under God's guidance, thus postponing again the Synagogue of Satan's plan of world enslavement. (Significantly, the 5-30-42 issue of SATVEPOST dropped from cover and editorial page "An Illustrated Weekly Founded A.D. 1728 by Benj. Franklin", thus obliterating reference to Christ's Birth, in line with its new editorial policy which crawled on its knees to the Synagogue of Satan, firing editors who dared let 3 Jewish writers, one a Nudeler, another a Communist, and third a religious educator, discuss the Jewish Question and in so doing let too many "cats out of the bag". Yet old Benj. Franklin understood that Jewish Question and tried in his "Money" plank in our Constitution, to prevent the Synagogue of Satan from ever getting the grip here that they already had on Europe when our Civil War of 1776 was fought to break away from that very same grip.)

Then - a few under Lincoln (he too had to yield to same gangsters to finance the North, altho his issuance of the first Greenbacks - only Constitutional money in your possession today - signed his death warrant) prevented the dissolution of our Christian Union ("In God We Trust" still on our coins), and again postponed the Satanic plan which needed only division and chaos to facilitate erection of their desired dictatorship. But for the relatively few of Christ's "elect", the Synagogue of Satan would have won out thru either of those 2 Civil Wars of 1776 and 1861. Too many fail to realize that both those wars were as unpopular among most Americans as is the Civil War being engineered in USA now, under cover of defense needs of waging an international war - WorldWarII.

History follows same pattern for Satan uses same tactics, and same kind of people - those Gentiles to whom Christ referred as being "two-fold more the child of hell" than the Jewish leaders of that Synagogue of Satan which came out of Babylon hundreds of years before Christ's time, and which was in control of finance, politics, law, education, and religion in Palestine as it is now worldwide for first time in world's history.

We are living in the fearful climax of the Ages - foretold in Bible, in skies, and in Pyramid of Gizeh. Under Satanic guidance all activities of man are being forced into roads leading to chaos and destruction. Money, brains, brawn, skill, inventions, and leadership of so-called Christian nations (only white, essentially Christian nations have built high types of culture back thru the ages) are equipping yellow races who outnumber whites many to one, while at same time exploiting and bleeding them, thus magnifying their hatred until they will turn what we have supplied them with and trained them in use thereof, against us. E.g., Japan could never have warred on the Chinese, and now against us, if we and the other so-called Christian nations had not furnished money, etc. that have in 6 short months already driven the Christian whites out of much of the Orient.

Yes, I have always been for a genuine defense program, for Christ's disciples went about armed in Satan's world - armed for defense, not for aggression. I am still warrented in being against turning all phases of our economy into a war mechanism, as an arsenal for those who will turn against us, just as prior to 12-7-41 I was against our financing and supplying Japan and China, and thru Russia, Mexico and So. America, Germany and Italy, thus inciting and prolonging wars thruout the world.

Just as in Civil War of 1861-5, some of those essentially Christian Southerners who had made that war possible thru their activities and acquiescence to plans of the "Judas" Benjamins, had a change of heart before that war was over, just so today you find Congressmen and others who made possible WorldWarII, becoming alarmed as they now realize that under that cloak has hatched a "revolution" destroying our Christian Constitutional Representative Republic.

Recalling that in May '42 more "revolutionary" changes have been set up and gotten under way than in any other month in our History\*, please note parallel expressions below \*(rationing, food cards, taking over airlines and certain bus lines no doubt all bus and truck lines and railroads later; dictatorship types of legislation and impossible-to-pay debt appropriations for financing our worldwide operations and other nations; curtailing freedom of speech and press, jailing some objectors while releasing long-time criminals and traitors like Browder and Annenberg, with FBI and Treasury Dept. agents unusually busy trying to "hang" something on certain Christian patriots, with some papers actually suppressed; and intimidation campaigns instituted against patriotic Congressmen, including stooping so low as publicizing a flat lie that Sen. Walsh was an habitue of a dive

worse than a house of prostitution (Jews involved in this diabolical smear being Communist Morris Ernst, Naval Comm. radio-press commentator Walter Winchell, N.Y. POST publisher Mrs. Geo. Backer, and Judge Leibowitz). Honest men in FBI and Congress proved them lies. Gov. A. G. Lagrath of So. Car. wrote Gov. Vance of No. Car. on 1-26-1865: "We have therefore presented in the whole progress of the war the startling contradiction of States united in a league for the support of their separate independence, called on to ignore, if not abjure, that independence. A compact of carefully guarded powers expanding into a government without limitation or responsibility... and if the State did manifest a purpose to assert its dignity and its rights the cry that the arm of the common Government would be thereby paralyzed forced it to abandon its purpose and trust to the hope that a speedy termination of the war would terminate the forced and unnatural.. condition in which it had been placed. As might have been expected, the exercise of powers which were never intended to be conferred upon the common Government has necessarily called forth an equally unauthorized administration of them. Impressment (CRB- priorities, rationing, seizures, etc.), for the sake of illustration, has supplied the place of contract. The order of a bureau accomplishes what Congress itself would not venture to do. .. And the court of justice is closed by the denial to a magistrate of the power to inquire into the cause of a commitment.... and a power more gigantic than any crowned head in Europe would exercise is presented to us as the means by which we are to insure success in a struggle to establish a free government. It is thus that we have dried up the openings from which new courage and fresh impulse could have been given to our people in this protracted contest in which they have been engaged. We taught them to know their States as their country, and in the defense of that country we have blotted out and hidden from their view those States which are that country." (pp.378-9 of THE REWARD OF PATRIOTISM.) Please re-read above carefully before continuing.

From CONGRESSIONAL RECORDS: 5-27-42 issue: Repr. O'Connor, Democrat: "... Maybe the minds that are stirring into activity the poisonous pen or tongue or both of the smearer are actuated or moved by a deeper and more destructive venture of trying to involve our country directly in a union of world politics, eventually absorbing our own form of government. Methinks a scent could be trailed leading to such a goal. Maybe, just Americanism is not liked anymore.."

5-28-42 issue: Nudeal Sen. George of Georgia: "... In the case of many restrictions which are being imposed, those who are imposing them seem to be entirely unaware of the fact that they may be destroying the economy of private business in the country, breaking up the means of livelihood on the part of our people, and destroying any possibility of collecting taxes..."

Nudeal Sen. Lucas of Ill.: "... we have delegated power to various governmental agencies.. If we do not receive that type of service (which public demands), the delegation of power to some of the bureaucrats will have to be withdrawn in order to protect the people.. Some of the individuals in the departments give a Senator the impression that he has no right to call them..."

Nudeal Sen. McKellar of Tenn.: "I have just returned from my home at Memphis, Tenn. The orders issued by officials in Washington have stopped innumerable businesses and have put them out of operation entirely. If such restrictive orders continue, I am wondering where we are going to get the tax money next year to operate the Government..."

Sen. Smith, Dem. of So. Car.: "... We have allowed all this authority to those august gentlemen whose feet rest upon the table, and who lean back in their great authority and power. Do not think that I am blaming them. I am blaming us for delegating to them power which we should have reserved to ourselves. However, we have reached a condition which is actually threatening the unity of the American people.. My mail frightens me..."

Nudeal Sen. O'Mahoney: "... Under that system (parliamentary) the representatives of all the people prescribe the policy which is followed in government, and adjust the details (thru committees) to the general objective. In this emergency we have abandoned that policy... The thing which stands out, however, is that when the Office of Defense Transportation, for example, passes a rule which has the force and effect of law, it is done in camera, it is done in secret, it is done without public hearing, it is done without proper review of the conditions which are to be affected by the order which is issued..."

Sen. Clark, Dem. of Mo.: "Did any Member of the Senate ever have any doubt in his mind as to what would happen when the Congress of the United States deliberately abdicated not only the authority but the duty imposed upon it by the Constitution to a number of bureaucrats in Washington?.. Endless examples could be given of alarm in Congress!

BULLETIN NO. 312.

June 9, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD SAVE AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

THANKS. Re appeal in B#311, "From a Friend" sent \$10. - for which we are most grateful. Already a goodly number have encouraged us to carry on. Some are taking advantage of the book offer in B#311. If you desire to purchase all 3 books - \$2.60 worth they're yours for \$2. All so far have expressed themselves as willing to get 8 issues of AID! by firstclass mail for \$1. Some who get this should let us know one way or other. If such cannot pay all they owe, whatever you send will be appreciated. Thanks!

EDUCATION. Illustrating what's wrong, and why TRUTHS are not being taught about our own history, let alone that of the world, please note. Homer Anderson, who as former Supt. of Omaha schools had been exposed from time to time in AID!, and apparently had earned a reward for serving the Synagogue of Satan (Organized Jewry-Intl.Finance), about 2 years ago was "promoted" to like position in St.Louis,Mo. Of interest that the controlled League of Women Voters goes to his rescue, as does one member of School Board, Max G. Baron who "praised his achievements". Having some years ago been an officer in a local Parent-Teacher Assn., I'm not surprised to see the St.Louis P-T Assn.Council appeal to School Board to give "all due consideration" to Anderson. When majority of that Board apparently want to fire Socialistic Anderson, how significant that the one member who fronts for him is a Russian-born Jew Judge, member of B'NAI B'RITH (see THE OCTOPUS for exposure of that Synagogue of Satan hatchetmen agency) prominent in Jewish, etc. circles.

"There can be no real restoration of the Republic without rescuing education and press, as well as religion. The life of our Republic consists of a series of links in a chain. Each generation of youth forms a separate link, and the Republic's preservation or destruction depends upon the education of the youth of each generation to understand and appreciate the Republic enough to want to fight, and if necessary die, for it. Consequently, in a Republic, PATRIOTIC EDUCATION IS VITAL TO NATIONAL DEFENSE! The enemies of our Republic know this so well that they have long been engaged in UNDERMINING EDUCATION as absolutely essential to their program for the destruction of the Republic!.... The subversive educators who prepared French youth for victimization in advance of the French Revolution of 1789 called themselves 'Academicians', and their Secretary later explained: 'Lest our object should be surmised we called ourselves "Economists".'....

"In the Fall of 1919, the two outstanding leaders of the Board of Education, John B. Lerner and George E. Hamilton, resigned and Rabbi Abram Simon became the new leading spirit of the Board. At Board meeting of June 28, 1920, upon motion of Dr. Simon, Dr. Thurston was supplanted by Dr. Frank W. Ballou, effective July 1, 1920, as Supt. of Schools of the Dist. of Columbia.. Dr. Ballou has held that office ever since. Shortly after assuming his office, Dr. Ballou was instrumental in having approved by the Bd of Education for use in the Public Schools a textbook called 'AMERICAN HISTORY' (1920) by David S. Muzzey, which asserted that 'the cause of the Revolution was a difference of opinion as to the nature of the British Empire', and which disparaged the Boston Tea Party as an 'insult' to the 'outraged King'. Protests by citizenship and patriotic groups to Dr. Ballou and the Bd of Education against continued use of this textbook were without avail. Several years later (1924), Congressman Summers, of Washington State, reported to Congress that his own children and those of other Congressmen were being subjected in the Public School of the Nation's Capital to the teaching of partisan politics, disrespect of the Holy Bible and that ours is an inferior form of Govt.." (THE ROAD TO VICTORY -documented thruout.)

Frederick L. Schuman, long-time Communist, now Prof. of Dept. of Govt at Williams College (teamed there with former natl. organizer of Communist Party, Prof. Max Lerner, Jew

who has also lectured on Satan at Harvard, etc.), where the Synagogue of Satan "holding company" called Natl. Conf. of Christians & Jews holds its institute each summer, is said to have warned at a UNION NOW luncheon at New York 2-11-42: "The first World War was for the League of Nations. We lost it. This war is for World Govt. We have already lost the war -- we have about 2 months to win the peace. If we do not put over a World Govt we will lose the peace." Demand your Congressmen support H.R. 425 calling for a Congressional investigation of the plot to set up a World Govt. About the first witness that committee should subpoena should be Prof. Schuman, demanding his source of information that we Americans are fighting thruout the world and financing the world to enable the Synagogue of Satan to set up its diabolical Anti-Christ dictatorship!

Lucy S. Stewart, author of THE REWARD OF PATRIOTISM (see B#311), writes: "... what is set forth in the book has a new meaning under present information - total conscription, impressments, etc., just what tyrants are doing now. I consider universal conscription by any Govt to be an acknowledgment that there is something wrong with their cause and that they cannot rely on the spirit of the people to back them up. While present day historians put forth the false idea that the draft in the Union Army was necessary because of lack of response by the Union people, that is really only a way of undermining loyalty, for there were only 46,000 drafted men in the Union Army of 2,000,000! The draft law was enacted in order to draft men in the disaffected localities like New York City. The record of Union volunteering is a superb one, showing the justice of the cause. Yet it is almost entirely misrepresented now, and those who do misrepresent, say nothing about universal conscription in the South..." This fully documented and indexed 484-p. TRUTH-telling book, published in 1930 to sell for \$5., now available for \$2.50, as long as supply lasts, since Miss Stewart (father was a volunteer officer in Union Army "would like them to be doing good somewhere". I'll gladly forward your orders to her.

Re B#311 comments re Pres. Lincoln, how pertinent today his testimony: "I have been brot to my knees daily by the overwhelming conviction, there is nowhere else to go. My own wisdom and that of all about me seems insufficient for the day." "There has never been but one problem in all civilization, how to prevent a few men from saying to many men, you work and earn bread, and we will eat it." The quality of that humble wisdom seen in these pregnant words: "There is an important sense in which the Govt is distinct from the Administration. One is perpetual, the other temporary and changeable. A man may be loyal to his Govt and yet oppose the peculiar principles and methods of the Administration." (Jan. 12, 1848) "The people are the rightful masters of both the Congress and the Courts... not to overthrow the Constitution, but to overthrow the men who pervert it... This country, with its institutions, belongs to the people who inhabit it. Whenever they shall grow weary of the existing Govt they can exercise their constitutional right of amending it, or their revolutionary right to dismember or overthrow it."

"Was Abraham Lincoln merely playing with words when he used the above language and the destiny of his country hung in the balance, or was he clearing up tremendously important distinctions on which the citizens of this Republic quite generally have been disastrously confused during recent years? The members of the Grand Army of the Republic had sufficient character to be faithful to their solemn oath, I pledge allegiance to the flag of the United States of America, and to the REPUBLIC for which it stands; those who died on the battlefields of Vicksburg and Gettysburg while defending the Constitution of the United States courageously discharged the duties of citizens, - in full. Flag and Constitution have travelled side by side. They will stay up or go down together." (excerpts from letter by J.J. Fleck, 6-5-42, to industrialists, Congressmen, et al.)

Lead editorial from THE PATRIOT (London, 5-7-42) throws much light on parallel propaganda, plans, and plight of patriots in England & USA: "ONE-SIDED PLANNING. The May Day (CH- Communist Labor Day) manifesto of the Natl. Council of Labour is a cunning piece of propaganda. It is in reality a call to the workers to unite in the class war, of which Karl Marx (CH- Jew) was an early advocate, but it is disguised in language which might well make the unwary think that it was a call for unity of the nation to fight against 'the Nazi and Fascist States.' In this document the war is depicted as if it were the sole concern of the working classes, and it is addressed not only to our own workers but also to the workers of the Allied nations, as well as to the workers of Germany and Italy, and we are gravely told that the struggle transcends every other conflict

of race and creed. What the signatories of this manifesto will not make clear is that the tyranny now in power in Germany - and, it might be added, in Soviet Russia - has developed just from such a Socialist regime as our Socialists approve, but, lost this should be too easily recognised, it is more usual for our chief opponents in this war to be labelled Fascist, which, as a matter of fact, in its original conception in Italy did secure equal representation for the workers with the managements of industry. But that did not prevent one-man control, any more than the National Socialism of Germany prevented Hitler coming to power, and it is quite certain that with the Socialists installed here it would be an end to the system of democracy for which we are generally believed to be fighting.

"As a matter of fact, it is anything but a true system of democracy for which the Socialists stand, and Mr. Jack Tanner, Pres. of the Amalgamated Engineering Union, at the recent Conference of Management Assns., was quite explicit on the aim when he said:-

'I tell you frankly that one of the objects of my own Union is the control of industry by the workers in the interests of the community.'....

"There is no doubt that the Socialists and Communists in the workshops are, under cover of war conditions, trying to lay the foundations of a new order based upon workers' control with the management in subjection. As the correspondent of the TRIBUNE puts it:-

'It is on the production front more than on the Parliamentary front that Socialism will be shaped. It is in the workshops and in the factories, in the mines and in transport, that Socialists are made, that the workers fit themselves for Socialism. And the union are the basic means to this Socialist end. The unions have a future, because the future is first and foremost with them.'

"It is on the various committees now being formed - Production Committees, Workshop Committees, Shop Stewards' Committees - that the Socialists pin their faith in securing their aim, which is State ownership of industry under workers' control, and it is being worked out by this section of the population when all the best elements are intent on one thing - the winning of the war....

"Hitherto it has been the custom to accept the idea that the world has been divided into the 'Haves and Have Nots', but now, presumably as a result of the war and the desire to have a 'new order', there has been produced a new division, 'The Planners and the Planned For'. The strange part about this is that there are people who seriously expect that those who in advance are branded and 'planned for' will fight and sacrifice everything they have got in order to provide the Planners with the means of governing them, regardless of their wishes. For instance, we read that girls of 18, who are not eligible yet for war work, will not be free henceforth to take any job except thru the Ministry of Labour. We also read that it is intended to register women up to 51, presumably so as to be able to control their existence. Then we have a Minister urging the sacrifice of our best young lives, 'violently', 'recklessly', and at the same time Sir Stafford Cripps (CBH- Red in key position in Churchill's Cabinet, ballyhooed to succeed Winston) broadcasts:- 'Nationally and internationally we want to see a world consciously planned for better standards of living for the great masses of the peoples. The interests of individual nations must give way, in some matters at least, to those of the wider community - whether the European or the world community of nations.' (CBH- see Red Prof. Schuman's plan-prophecy on p.2.) So, too, the interests of the individual in each country will have to yield to the interests of the community as a whole.'

"The point rises, again, who is going to control and enforce this planning, and are those who are called upon to give their lives in the present struggle willing to give them in order to provide the Planner with the weapons for enslaving the 'planned for', who will, after all, form the bulk of the nation?

"If this is, indeed, a people's war, as so often proclaimed, it must be recognised that those who are to be sacrificed so light-heartedly are also part of the people and have their undeniable rights. A moment's reflection would make clear the absurdity of expecting them to fight for their own annihilation, whether planned by Socialist or Communist. It is obvious that unity of purpose is not in this picture. Granted that social conditions can be improved, it cannot be denied that an improvement is continually taking place, and needs no vast internal upheaval. The more this progress can be left to the individual with his eyes spiritually opened - and that is surely the work for the Church - and without the interference of the State in every walk of life, the more likely is the nation to find that the war has led it on to the true path of progress."

Editors of THE PATRIOT know "who is going to control and enforce this planning", but dare not name them. Excerpts from the book PLANNED ECONOMY (with 3 marvelous charts

proving interlocking directorates of Synagogue of Satan), published July '39, gives information that should be common knowledge, but like so much of the TRUTH, is hidden from the "planned for", and even from many of the "planners" who do the work for the real rulers of all nations: "... In June 1934, the late Congressman Louis T. McFadden who was one of the very few Christian statesmen the country ever had, and withal a man of vision, read into the CONGRESSIONAL RECORD a British document entitled, 'FREEDOM AND PLANNING', analyzed it and so expressed himself: 'Mr. Speaker, this analysis is divided into 2 parts and represents only a portion of the data I possess showing a well organized plan for world control. It is given with a view of furnishing a synopsis or outline of a HELLISH CONSPIRACY to enslave and dominate the free peoples of the earth. There are sufficient facts therein to give the key to the thoughtful student of our national affairs, so that he may be on guard against the sinister Caesars in our midst.'

"The document 'FREEDOM AND PLANNING' referred to by Congressman McFadden was secret; it outlined the 'planned economy' which was to become the rule of the British Govt. The whole plan was the product of Zionist master minds, and the chief promoter and financier of the plans which were known as POLITICAL ECONOMIC PLANNING (P.E.P.) was a prominent Zionist Jew, Israel Moses Sieff, co-owner of the chain stores of Marks and Spencer in England (CBH- reputed now to be furnishing much supplies to British Army, etc.).

"The concordance between the P.E.P. planned economy of Great Britain and the British Empire, the New Deal N.R.A. of America, the GOSPLAN of Soviet Russia and the ECONOMIE DIRIGEE of France led to research work which has resulted in the accompanying chart. This chart lays no claim to anything like the completeness of so vast a subject as WORLD PLANNED ECONOMY, but if the Communo-Socialist Soviet dictatorship is to be imposed upon Americans, let them know what is the 'hellish conspiracy enslaving and dominating the free peoples of the earth'...

"Representatives of Zionist and non-Zionist leadership in the most important countries have merged into the JEWISH AGENCY 1929 whose policies are issued and dictated to all Govts of the world. The Jewish Agency is the united front of Jewry (a kind of Jewish League of Nations impenetrable to Gentiles) against the non-Jewish world, regardless of any internal dissension in their own midst. The exercise of power by the Jewish Agency is made possible thru the financial power of the two great banking houses, that of Rothschilds on the Zionist side and of Warburg on the Internationalist side... The former control the Banks of England and of France with their affiliations, as well as the wealth of India and other parts of the British Empire. The power of the Warburgs extends over the United States, Russia, Germany, part of China and of So. America..."

THE JEWISH EXAMINER (largest weekly in America - edited by Rabbi Louis D. Gross) 6-5-42 issue proves up to date tieups in articles captioned on front-page: "SOVIET TO NAM TANKS; BOMBERS FOR BAR KOCHBA"; "URGED TO PRAY FOR 'RIGHTEOUS ENDING OF WAR'"; and "VENGEANCE OF NATIONS WILL BE WREAKED ON NAZIS, JEWRY ASSURED". Under first you find a Moscow Jewish Telegraphic Agency dispatch (yet AP, Up, etc. press services kept out of Russia) saying that a worldwide campaign is on to raise money to build 1,000 tanks and 500 planes to be named after Bar Kochba, Jewish revolutionary of 132-35 C.E., also after Jew Spinoza et al. Recalling Prof. Schuman's "win the peace", under 2nd caption you read statement by Exec. Com. of Natl. Conf. of Christians & Jews asking churches next Sat. & Sun to pray for a "righteous ending of the war" urging "all races, peoples, and families shall unite their flags in a brotherhood of earthwide freedom". Sounds fine, but the only brotherhood that will ever succeed is under Christ - not a union of imperialism, socialism, fascism, and communisms ruled by Synagogue of Satan as contemplated by the unholy Conf. of Judaized Gentiles & Jews. Under 3rd caption you read a London JTA dispatch that the Polish Premier, Gen. Sikorski, as Pres. of Conf. of Allied Govts which pledged itself to post-war vengeance against Nazis guilty of terrorizing the population in occupied countries, issued a statement declaring that all Allied Govts deplore the Nazi crimes against Jews and will hold the perpetrators responsible for them, addressed to British Section of World Jewish Congress. Also quoted Czech leader, Hubert Ripka, describing anti-Semitism as a "deadly infection which can pass from country to country" and stating it is the "task of all civilized nations to act against this form of bestiality wherever and whenever it occurs." Its editorial gloats: "... Like Vice-Pres. Wallace's recent dramatic definition of a 'people's revolution', Churchill's magnificent declarations, and Roosevelt's memorable addresses, Welles' announcement of America's determination to abolish racial and religious discrimination in a post-war world is of historic calibre..." Jewry considers only Jews as "people" - all others only "cattle". Get it?

MEMORANDUM FOR MR. LADD *Over*

Re: Charles B. Hudson

*b7C*  
SA [redacted] called from Omaha and advised as follows:

At 5:45 PM yesterday they received a telephone call from the Omaha World Herald to the effect it had just received a flash news item from its Washington Bureau advising that the Department of Justice was moving today in six key cities, including Omaha, to arrest publishers of certain seditious publications who had been indicted by the Federal Grand Jury in Washington and the World asked for a confirmation and advised them the Omaha Office had received no instructions from the Bureau in regard to the matter. Last night the USA at Omaha received a telegram from the Attorney General, Washington, D. C., stating that Charles B. Hudson had been indicted under Section 11, Title 18, and Section 34, Title 50 and to file a complaint, the indictment having been secured in Washington yesterday. The USA filed a complaint this morning and gave the warrant to the USM to serve on Hudson who lives in Omaha. He went out to Hudson's house, but he was not at home. He made inquiries around the neighborhood. At 1:30 PM today [redacted] called and said that Hudson was in Lincoln, Nebraska, and that he would appear in Omaha tomorrow morning at the Marshal's office and was ready to make \$5,000 bond.

*b7C*  
Agent [redacted] said he wondered if the situation had been handled properly. I told him he did perfectly right; that no action should be taken by him in this matter.

Respectfully,

J. K. Mumford

July 1, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD HELP AMERICA!"  
e Praying: "From Satan's Henchmen, Good Lord deliver us. Amen"

GOLD VS. HUMAN LIVES. "The Communist controlled CIO Newspaper Guild press recently included Col. McCormick of the Chicago TRIBUNE among the list of those who are 'subversive' to the fellow travelers' cause. But while the administration in power is playing hand in glove with the real subversive elements in America who subvert the American way of Thought and of Life, McCormick's ace reporter on the ill-fated Lexington lived up to the tradition of his paper in saving human lives first and not the notes he had made for his boss who paid for them. He knew the Col. would rather have lost the notes, but not the lives of wounded and disabled men.

"What a contrast between McCormick's tradition and that of the International Bankers who rule Washington and had a submarine 'save their Gold FIRST' from Corregidor, rather than save some of the men. This explains why Americans who dare expose the ruthless rule of international bankers are being smeared by the Communist press and persecuted by bureaucratic nincompoops in federal offices.

"One will notice that this war is plainly fought for the same old stuff as every war in history: to save the gold of the international bankers for them and to save their investments in natural resources. Having invested heavily in oil, we are today faced with rubber shortage because they hold the key positions in our government and refuse to allow rubber to be made from alcohol. Soon, they'll succeed to wreck the small businessmen sufficiently in the U.S. and then they will reach out for complete control of the alcohol sources as well, so that they will profit from that source for rubber manufacture, too. Until the small man is wiped out, they'll continue to use the bureaucratic machine and invent regulations that enslave the small American, the individual, and tie him to the chariot of Internationalism, whether cartels (CBH- Standard Oil with Germany) or the Third Internationale, it's all the same to them; the same crowd runs it all."

Foregoing editorial from legal newspaper, THE BROOM, edited-published by C. Leon de Aryan, San Diego, Calif., candidate for Congress who too has been before Grand Juries.

It won't be long before Americans will be glad that the Internationalists did make USA dependent on foreign sources for rubber. Had the efficiency existed in the present administration that seems so much to be desired, we would have been using up our surplus crops (as alcohol, in fuel, rubber, etc., as is being done in Europe) from year to year with the result that worse starvation and disease would be our lot when the colder summers and winters ahead of us will militate against crop production. We will then thank God for the stored up grains we now have. Already restricted crop production due to Internationalists' schemes plus storms, floods, attacks by insects, etc. this year points to what may be expected in years 1943, 4 and 1945, in which scientists say we will be plagued with the coldest summers and winters in history. Conserve food supplies now!!!

Events manipulated by man and nature will more and more isolate us from the rest of the world despite all the plans of the Internationalists to involve us in their affairs. What all true Christian American leadership preached and practiced prior to Woodrow Wilson (who fell for wiles of Internationalists), will be forced upon us. Let's thank God that His Plan will materialize despite the obstruction tactics of Satan's crew. But, we will have to suffer much because as a Nation we financed and supplied munitions of war to both sides and made alliances with Anti-Christ Nations, some of which in past 25 years have demonstrated are our supposed friends today, and our enemies tomorrow. If we but lived up to the motto still on our silver coins: "In God We Trust", instead of putting our faith in Gold, Aggression and Godless allies, neither economic nor war threats could harm us.

Excerpts from CONGRESSIONAL RECORDS and other sources

First, 7 copies of GOSPEL WITNESS just received, organ of a so-called Fundamentalist preacher in Toronto, Canada, who travels thruout Canada a great deal like his counterpart Dr. J. Frank Norris (of Detroit & Ft. Worth - see B#314) does in USA, illustrate how the talents of false prophets are being used thruout so-called Christendom. This Dr. T. T. Shields of Toronto in 10-23-41 issue of THE GOSPEL WITNESS not only attacks Chas. Lindbergh, and a fine young minister Dan Gilbert (who has written books exposing Communism in colleges), but also a USA religious publication for quoting them.

This Shields, in his Prayer before his Sermon of 10-19-41, implores God's blessings in Christ's name, and then gives vent to a decidedly un-Christian plea: "... Breathe, we pray Thee on the Russo-German far-flung battle line; and as Thou didst make the chariots of Pharoah to cast their wheels in the midst of the sea, so freeze the German tanks and motor vehicles, and paralyze their armies with snow and hail. Breathe on them O God, and let them know that Thou art God. Bless those who ought to be our Allies. Bring them speedily to the help of the Lord,...."

God Almighty needs no puny aid from man, if in His Wisdom an event is to occur. But note this, our God is the God of Love -- only Satan is the God of Hate and Destruction. When we desert God Almighty we come under the control of Satan. As Christ put it, you are for or against Him - no fence-straddling under Divine Law. False prophets appeal to both Gods in the same Prayer and then wonder why there is chaos in the world!

Further evidence of such blind leading the blind seen in Dr. Shields' attributing to Roman Catholics the evil in the world, thus helping create division between Catholic and Protestant followers of Christ. Not once does he condemn the real Anti-Christ Internationalists who profit by such division; who are the control behind all Satanic perversions; who exert their control thru Education, Finance, Labor, Politics and Religion.

In 5-21-42 issue of THE GOSPEL WITNESS he upholds the so-called Loyalists (according to leading weekly THE AMERICAN HEBREW, 1/3rd of the Loyalist Intl. Brigades were Jews from all over the world) in Spain, who tortured, burned alive, raped nuns and girls, and forced Spain under a dictatorship. Dr. Shields warns against an early peace. In his Sermon of 5-17-42 he also quotes at length a "hate-Germans" book "I Was In Hell With Niemöller" "written by a Jew, Leo Stein." While I hold no brief for any kind of a dictatorship - all are un-Christian, therefore I am against 'em - yet experience proves that Jewish authority on "atrocities" is not reliable. Shields quotes this Stein as his authority that Hitler is a Catholic, and then quotes another "refugee" Otto Strasser, "now permitted to be at large in Canada", as authority "that the German priest Father Staempfle, not Hitler, really wrote Mein Kampf".

All this reminds of hope and prediction voiced by Rabbi David Cohen (long before war spread all over the world) in his Jewish NewYear's greeting in EMANU-EL & THE JEWISH JOURNAL, then in its 44th year, leading weekly of San Francisco, in special NewYear's edition dated 9-8-1939, p.50: "... A war in Europe will be of some good if the reactionary elements (CBH- Christians and others who oppose TALMUDIC enslavement such as Christ exposed in His day) in all countries kill each other off or wear each other out. This is a gruesome hope. But what other alternative is there?...."

Contributor editors to this Jewish weekly are all Rabbis except the Society Editor. Only by inducing Christian-to-kill-Christian can Satan's crew hope to take-over world!

Incidentally, bravest soldiers and policemen are the kindest of men. They do not need doses of hate to spur them to do their duty, no matter how unpleasant it may be. Clergymen who accept money from people as purported disciples of Christ are betraying their congregations and Christ by preaching hatred. Christ urged His disciples to go about armed for defense, found no fault with soldiers who had to carry out orders, but did voice Divine contempt and condemnation on those in high places who robbed the poor, racketeered the rich, and prostituted the professions, while giving lip service to ideals. He warned His true followers to have nothing whatsoever to do with such false prophets!

THE JEWISH EXAMINER 6-26-42 editorial: "Wendell Willkie has written for THE SATURDAY EVENING POST an article which the POST itself describes as 'a strong plea for the rights of minorities.' In it Mr. Willkie restates in forceful prose the commonly accepted decencies. It is a highly interesting, even significant, article, less because of what it says than because it is said in the columns of the POST. For this article is

what the boys in the t call a 'squarer'. It is the POST's transparent effort to square itself with the American public (consisting from the POST's point of view of advertisers and subscribers) for the Milton Mayer article of turbulent memory. We doubt that even Mr. Willkie's earnest piece will do the trick." (CBH- recall that the POST has even removed from its cover and masthead all reference to Christ's birth - yet the inference in above editorial, notwithstanding also the POST's firing of its editors, and Willkie's repeated bending of his knee to his bosses, the Internationalists, is that the POST is still under Jewish disfavor, which can be exerted thru and upon advertisers).

THE JEWISH EXAMINER 6-19-42 editorial: "The Vilna massacre story, with its stupefying excess of blood-letting (CBH- nothing ever said about 30,000,000 liquidated in USSR) underscores the oath of vengeance Soviet Jewry will take next Monday on the first anniversary of the Nazi onslaught against Russia. It is a grimly emotional vow of boundless sacrifice the Jews of Soviet Russia have made and they call in stirring words to the Jewries of the rest of the world to dedicate themselves with the same uncompromising, unswerving intensity of purpose to the extermination of nazism. Our response, and that of all the free Jewish communities to whom the Soviet Jews direct their fervid plea, must be writ large in letters of flaming, inextinguishable passion... It is well for all of us Jews to engrave in our hearts the words of the Soviet message that 'responsibility for the existence of the Jewish people lies with all Jews collectively as with every Jew individually.'"

THE JEWISH PRESS 6-26-42 editorial: "... The Inter-American Jewish Council, held in Baltimore about six months ago, linked us with our brethren in Central and South American countries. The War Emergency Conference of the Jewish Congress, held in Chicago the middle of May, clearly delineated the fronts upon which American Jewry must fight both nationally and internationally. The Advisory Council on European Jewish Affairs, which met in New York City the forepart of June, finally links the Jews of Europe with Jewry of the Western Hemisphere. Since all three gatherings took place in the United States, they complement each other in the effect they may have upon American Jewry, among whom the solid and united front for world Jewish co-responsibility is yet to be built... May it be granted to us the vision, the courage and the realistic grasp of historic events and problems to play a positive and constructive role in the redemption of Israel and of mankind on a global scale!" Who is behind worldwide dictatorships???

Cleveland papers of 6-24-25-42 had pictures and big writeups about City Council there being called upon to pass legislation barring Gerald L.K. Smith, candidate for US Senate, from speaking in Public Hall. Councilmen Louis A. Weinberg and Solomon Jaffe voted in favor of such denial of freedom of speech. A lecturer whom I exposed several years ago when she was in Omaha, a Mrs. Dorothy Fuldheim, spoke on behalf of such legislation. Mayor F.J. Lausche announced his policy unchanged - that Smith may not appear for a speech at Public Hall, yet the United Mothers may hold their meetings, but with his spies to report thereon. Council called for police to clear their chamber when some of these Mothers objected to another proponent for above legislation, a Sylvester McMahon, calling them "seditious", and saying: "We have enough lamp posts in America to hang all these un-patriots from". Knowing well the fine Christian lady who is head of that Mothers group, Mrs. David Stanley, I agree with Gerald L.K. Smith's reported remark: "Cleveland is becoming an island of extravagances in some fields. If we look like a seditious throng, God save America!"

Noting the efforts to prevent Christian Americans from being elected to key positions in our Govt (see previous issues of AID!), how significant the appointments to key positions in the administration of regimentation, censorship, relief of dependents. Wonder if any of them could ever win an election? Herbert Bayard Swope, Asst. Chmn. of War Industries Bd in World War I, and occupier of other key appointments, on 6-18-42 was appointed "expert Consultant" (CBH- undoubtedly Political Commissar as in Russia) to Maj. Gen. Alexander D. Surles, in War Dept. Bureau of Public Relations. On same day Pres. Roosevelt nominated Abe Fortas, 32-year-old director of Harold Ickes' Interior Dept. power division - to be Undersecretary of the Interior. He has been employed by NUDRAL since 1933, soon after he graduated from Yale.

Elnor Davis, admittedly without executive experience, is made Director of the Office of War Information, while Milton Eisenhower is announced by White House as Davis'

assistant, has been chief of the War Relocation Authority, and for years public relations chief at the Agriculture Dept., which had the most extensive information service of any Washington agency until establishment of OWI on Sunday 6-14-42.

Maj. Gen. Irving J. Phillipson, exec. dir. of Army Relief Fund, hands out about \$100,000 per mo. to relieve distress of military personnel and their dependents thru short-term emergency relief in form of money, by loans, by aid in kind, including fuel, medical and dental care, hospitalization, assistance in securing pensions, compensation, insurance and allotments, and thru information, consultant, placement and supervisory services. None of the press releases mentioned that Swope, Fortas, and Phillipson are Jews. I don't know about the others. Items taken from June 18 and 20 Washington papers. Note the key positions those named occupy - all without being elected. Note, too, that Jewish Wm. C. Bullitt, 6-24-42, was made Spl. Asst. to Secy of Navy, Knox.

CONGR. RECORD 6-27-42, p. A2663, in re food problem p.1 hereof: "Mr. Case of So. Dak. Mr. Speaker, in response to the problem created by the drafting of farm labor, it has been suggested that the problem is one for the local draft boards and can be handled by them. That does not answer the problem. When these boards are called on for so many men, they think it is up to them to fill the call. The boys who are in line do not want to ask for deferment; they do not want to appear in an unpatriotic light; they think if they are called, they should go, and if they should stay at home to handle their crops, the Govt should recognize that fact and defer them automatically until the crop is harvested at least. As evidence that there is a real problem at this point, and that failure to solve it is creating a regrettable situation in more ways than one, damaging to the war effort, I place in the RECORD an editorial from the Belle Fourche (S. Dak.) POST of June 19, 1942....."

CONGR. RECORD 6-26-42, p. A2650: "Mr. Rankin of Miss. Mr. Speaker, we gather from the press that the Communists in New York are now petitioning Wendell L. Willkie to run for Governor on the Republican ticket. I am sure Mr. Willkie's brief which he filed in the Supreme Court of the United States recently will secure many signers of his petition among those fellow travelers. In that brief he argued that a man should not be refused citizenship because he is a Communist. Atty. Gen. Biddle points out that the Communist Party in America is dedicated to the overthrow and destruction of the Govt. of the U.S. According to Mr. Willkie's brief, that should not bar him from becoming a citizen of the U.S.

"Now Mr. Willkie has joined the Communists in what they call their anti-Jim Crow fight, thru which they are trying to stir up race trouble all over the country and especially thruout the South. His picture with a Negro woman appears in today's issue of PM, the uptown edition of the Communist DAILY WORKER, which is being financed by Marshall Field 3rd, out of his swollen fortune that has been so successful in escaping taxation. Above this picture of Willkie and the Negro woman is the heading, 'Mayor, Willkie Joins Fight on Jim Crow Patriotism' together with a copy of Mr. Willkie's pledge.

"I suppose that carries with it a dedication of Mr. Willkie to the fight now being waged by PM to compel the American Red Cross to remove the labels from the blood it is storing up for our wounded boys in this war, so that it would not show whether it was taken from a white person, a Negro, or a Japanese.

"Maybe Mr. Willkie will now join Marshall Field in his frantic efforts to get Ingersoll, the editor of PM, exempted from the draft.

"I want to repeat again and again and again that these Communists and their fellow travelers, and all who aid and abet them in stirring up race trouble at this time, and especially thruout the South, are merely using the Negroes to further their selfish or subversive ends. The people of the South are bending every effort to aid in this war, and they resent these attempts on the part of a few Communists, politicians, crackpots, and parlor pinks to stir up race trouble, from which the Negroes will ultimately be the greatest sufferers.. these subversive elements.. are the worst enemies Negroes ever had."

CONGR. RECORD 6-25-42, p. A2599: "Mr. Plumley of Vermont... Futile, fumbling, ill-conceived, and worse-considered efforts of a would-be dictator not big enough for his job, obsessed by his egotistic, exaggerated idea of his own importance - that is Henderson... ought to know enough to resign before he is kicked out. He will have to be kicked out if we are going to win this war, for the people resent him and his arbitrary, czar-like, Hitleresque attitude... I am opposed to the attempt of Mr. Henderson to create, at the taxpayers' expense, another bureau to equip another army of paid snoopers and inspectors, to require more returns, to make places for more employees at a time when the people are ready to be bled white.. by voluntary effort to win the war...."

MEMORANDUM FOR MR. LADD

RE: CHARLES B. HUDSON  
SEDITION

SAC Rhodes of the Omaha Field Office advised, in response to an earlier call from Supervisor [redacted] that he had made a review of the file on the above named individual and that there is no indication that he has been used as a confidential informant, a source of information, or that any complimentary statements have ever been made to him by any of the Agents in the office. He advised that this individual has only been dealt with in connection with official investigations and that when he has been contacted he has been held at arm's length.

Mr. Rhodes further advised that Hudson has sent his paper, America in Danger, to the Omaha Field Office every week since last summer without any solicitation having been made from the Omaha Field Office. This paper was forwarded to the Bureau. The paper had also been subscribed to by the Omaha Field Office through a confidential informant.

Mr. Rhodes knows that the subject has had some contacts with G-2, but he does not know how often or in what connection such contacts were made. The subject, about two years ago, gave a list of Communists to the Chief of Detectives in Omaha.

Mr. Rhodes advised that he knows the subject when he sees him and has "passed the time of day with him" when meeting him, but emphasized that the subject has always been held at arm's length by that office and has only been dealt with on an official basis.

This memorandum is prepared in response to your inquiry regarding the nature of the services rendered this Bureau by subject, noted along side a Washington City News Service release dated July 24, 1942, which set forth certain statements made by subject in his Selective Service questionnaire.

On December 11, 1935, Charles B. Hudson, Omaha, Nebraska, called at the Omaha Field Office and stated that he was known as a "red hunter", meaning that he was interested in investigating the activities of radicals, socialists, communists, liberals and others of like socialist tendencies. He also advised that he had been gathering statistical data in connection therewith and informed that he was not associated with any social organization or political party and that his income was derived from lectures and selling charts and literature concerning organizations of the type in which he is interested.

Hudson exhibited to the interviewing agent a chart which he had prepared and inquired if this Bureau would be interested in purchasing it. The interviewing agent declined to buy the chart and did not comment upon it in any way and Hudson then left a copy of this chart with the Omaha Office.

A review of the file pertaining to this individual reflects that subject has never been utilized as a confidential informant or as a source of information and that he had only been dealt with in connection with official investigation and that on the occasion of each interview with him he has been held at "arms length". It is to be noted, however, that Hudson has sent a copy of his paper "America In Danger" to the Omaha Field Office weekly since last summer without any solicitation having been made by the Omaha Office. The files further fail to reflect any information indicating that he has at any time ever furnished qualifications for serving the nation as an RUC agent or as a Military Intelligence officer to any representative of this Bureau. There is no indication that he has ever cooperated with a representative of this Bureau in any manner other than set forth in this memorandum.

PAGE TWO

As for his cooperation with the Military Intelligence Service, it is known that he has had some contacts with G-2, but the extent and nature of these contacts are not known to this Bureau.

As you will recall, Hudson has been engaged in publishing the mimeographed pamphlet "America In Danger" at Omaha, Nebraska, since 1938. This publication is a crudely edited news sheet consisting of from eight to fifteen pages published weekly. The copyhead describes it as a weekly expose of un-Americanism in education, finance, labor, politics and religion. This publication has continually published material caustically criticizing President Roosevelt's Administration, blaming the Jewish race for all the evil of the world, deriding labor organizations and attempting to discredit various governmental agencies including the FBI.

Respectfully,

Dear Sir:

Enclosed herewith are two copies each of  
Bulletins of "American in Danger" numbers 313, 314,  
315, 316, and 317, the last issue. There is also  
enclosed two copies of his circular letter dated  
July 25, 1942 which HUDSON mailed to his subscribers  
requesting money to help defray the expenses of his  
impending trial.

There is also enclosed a circular entitled,  
"Save Our Republic" by Miss LUCY S. STEWART, which  
circular HUDSON enclosed with the last issue of his  
bulletin.

Attention is called to the fact that the  
Omaha Field Division has succeeded in obtaining nearly  
a complete file of all the copies of "America in Danger",  
the first bulletin being Bulletin No. 4, dated March 3,  
1936. These old issues are being maintained in the  
Omaha Field Office.

BULLETIN NO. 313.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD SAVE AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

SUMMONED AGAIN. Flash! Late today I was again invited by the President of the United States to appear before the Federal Grand Jury at Washington, D.C., at 10 AM on June 18, meeting on 3rd Floor of Municipal Court Bldg. Have wired for reservation at the Hotel Plaza, Washington, D.C. Walter Winchell, Sun. night, said Mrs. Dilling and Col. Sanctuary were likewise summoned. Wonder who else will be there?

THE PATRIOT (London) 5-14-42: (lead editorial): "The recent batch of by-election results does seem to show a change in public opinion and gives an indication that the people are refusing any longer to consider the Government as infallible. That is all to the good, for too many mistakes have been made in this war, and the reaction in such places as Grantham, Rugby, and Wallasey would appear to be that the people are taking the only means which they have to express their dissatisfaction. And so the Government nominees in these places were turned down and independents elected. (CBH- midwest primary elections in North - no contests in South - showed parallel results in USA.)

"In addition to disquiet as to the waging of the war there is undoubtedly growing up in the constituencies the feeling that there is nothing democratic about the working of the party machine. Mr. W.J. Brown, the new member for Rugby, has stated that 'You cannot become an officially endorsed Labour candidate without first promising, in writing, that you will never vote against the decision of the Parliamentary Labour Party,' and quite rightly, he calls that the death-knell of representative Parliamentary democracy. The Conservative candidate, too, once elected, is expected to accept the party Whip, a system now so developed as absolutely to destroy all initiative on the part of members. In spite of these signs of revolt in the constituencies, it has been stated in the Press that there is a movement on foot to increase the power which the Conservative Central Office has to select candidates. That would be another blow at independence, and should bring the existing regional system of representation into more discredit than ever by its neglect of particular local interests.

"In Putney the Conservative Central Office may consider that a sign has been given that the Conservative candidate, despite his being tied hand and foot, is coming once more into favour. But it is doubtful if that is a correct interpretation. The course of the Putney election was entirely changed by the letter which Mr. Churchill sent to the Conservative candidate in the closing stages of the campaign. In this letter Captain Bernard Acworth (CBH- see his statement in B#310 that England has "millions of soldiers few of whom have heard a shot fired in anger and many of whom have not heard the explosion of a bomb"), who stood as a National Independent intent on prosecuting the war with the utmost vigour, was accused of being a defeatist because he outlined in a memorandum sent last February to members of Parliament how, under existing conditions, we were likely to lose our eastern sea bases, as has largely happened in the intervening three months, and might have to face, in bringing about a settlement in the Far East 'some small territorial sacrifice'. To suggest under the circumstances that Captain Acworth is a defeatist seems grossly unfair, but that the Prime Minister's letter had a great effect on the Putney voting cannot be doubted.

"It was, however, as one wise man at Putney remarked when the result was declared a case of 'Truth forever on the scaffold, Wrong forever on the throne,' but that nearly 3,000 voters at Putney objected to a combination of Conservatives, Communists, Socialists, and Liberals is an indication that in such a stronghold independent

of thought does exist. As it be understood that this independence derives not from war weariness but from a determination to have the best men selected in this crisis of the nation's life. If Captain Acworth at Putney was critical of the Prime Minister, it was a criticism at the retention of too much of the direction of the war in the hands of one man, and he advocated that the functions of the Prime Minister and of the Minister of Defence should be separated. In this view he has the backing of many members of the House of Lords, as shown elsewhere in this issue, and these are all the little grains of mustard seed which may so grow as to help in bringing about the perfect arrangement for winning the war."

(CBH- in view of various tactics being used to discredit and try to defeat certain patriotic Congressmen whose sole effort, whose criticism is indulged in, is to prosecute quick and successful winning of the war, note the likelihood, based on past experience, of similar pressure here, as was done by our President's counterpart in England.)

THE PATRIOT (same issue): "THE DRIFT TO SOCIALISM. The Socialist tendencies of the new Archbishop of Canterbury have long been obvious, and on 3 May at Manchester he announced his ideas of social reform after the war, but they are reforms which belong largely to the Socialist Party; in fact, he declared that 'he did not see anything incompatible between economic Communism and Christianity.' Yet Communism (not altered by calling it economic) is wholly based on covetousness, and the distinct teaching of the Tenth Commandment and of Article 38 of the Thirty-nine Articles is against such ideas. A correspondent writes that he has been recently to two clerical meetings, and 'at each of them implied Socialism was thrust down the throats of the unthinking and economically ignorant clergy,' and he asks: 'How can we have the much-boasted Democracy and at the same time have Socialism and all the programme of the Malvern Conference?'

"Dr. Garbett, the Archbishop-elect of York, judging by what he said at Winchester on 6 May, also seems to think Socialism will benefit the country, tho it must be added that he did stress the ideal of service to the State by all. The usual Socialist view is for one section of the people to be bled white for the benefit of another, in spite of the statement made by Dr. Blunt, Bishop of Bradford, that 'Communism only meant the attempt to generate in the whole community a sense of community duty.' ..."

(CBH- parallel that and action in USA seen in the Federal Council of Churches program for Communism as quoted in CONGRESSIONAL RECORD 4-27-42 under title "The Drive for a New World Order" by Hon. Roy O. Woodruff of Mich. - reprint transmitted to you with copy of Miss Lucy S. Stewart's dynamic letter of 6-6-42 to Members of Congress, under title of "SAVE OUR REPUBLIC" - which I mailed to you thru courtesy of Miss Stewart, author of that TRUTH-telling history of Civil War, "THE REWARD OF PATRIOTISM" ---- She now informs me that she will send you that 484-p. \$5. book for only \$2.)

(CBH- further parallel action seen in prominent clergy petitioning Pres. Roosevelt to release Communist Party ex-Secy Earl Browder - which was done, altho now it seems an attempt being made to offset the unfavorable reaction to freeing that long-time Communist criminal, by Atty Genl Biddle's action towards deporting another long-time Communist criminal, Australian Harry Bridges. Mr. Biddle now enjoying some of the defamation and pressure heretofore directed by Communist and Liberal press against Christian patriots who for years had been maintaining that the Communist movement is revolutionary, criminal, and dangerous to welfare of our Christian Constitutional Representative REPUBLIC.

(CBH- another heart-sickening instance seen in experience a fine Christian woman had when she handed out a leaflet showing Uncle Sam bowed in prayer at God's Altar saying "God, be merciful to me a sinner", with block above him from Prov. 14:34: "Righteousness exalteth a Nation: but sin is a reproach to any people." Her letter in part: "... I stood in the hot sun handing tracts like these to girls as they came out of school. Some said 'Thank you', not knowing of course the contents. But many - oh, it would make one weep - just opened it up and when they saw Uncle Sam at prayer, just tore him in half and threw the pieces down on the sidewalk before they got 10 ft. away, and turned and looked at me in defiance. What kind of homes? I found out what I wanted to know...."

(CBH- further parallel action seen in following subscribed and sworn to before Notary Public Walter S. Oppermann, Bronx County, N.Y., by Edwin P. Banta 6-12-42: "Report of a phone conversation with Mr. J.E. Sproul, Program Executive National Council Y.M.C.A.,

347 Madison Ave., N.Y.C. 17 -1200. A campaign being led by the DAILY WORKER (Communist daily) against one H.J. Haase who had an arrangement with the Prospect Park branch of the Y.M.C.A., to conduct a meeting there bearing on some proposed 'Peace' plan. In its issue of June 11th the DAILY WORKER carried several items alleging that their expose of the Haase meeting was an offshoot from the late AMERICA FIRST COMMITTEE, that the meeting was canceled as a result of the Communist protest by one G. Edmund Ruelke, Executive Secy of the Prospect Park branch. Feeling that such a denial of privilege to an American citizen was a violation of his Constitutional Guarantee, and that the canceling of the meeting was, as alleged, the direct result of the DAILY WORKER Campaign I contacted Mr. Sproul by phone to call attention to the matter; in the course of that conversation Mr. Sproul stated that he wanted me to know that he read the DAILY WORKER very carefully every day and that the 'Y' was in accord with much of what the DAILY WORKER was doing and also with the Communist Party Program, much of which he considered alright some he did not agree with, but that the 'Y' was a powerful worldwide organization and was in a position to know more about the Communist Party than some of crackpots that are attacking it was. And he also threatened me not to attempt to put out any national story that would cast aspersion on the 'Y' involve the 'Y' over the canceling of the hall to the organization of which one H.J. Haase seems to be the head. (signed) Edwin P. Banta."

(CBH- a ray of hope sensed in this 6-13-42 letter from Edwin P. Banta (who, far from being a "crackpot", was a spy for 2½ years in Communist Party in New York City, whose testimony and documentation resulted in beneficial legislation by Congress, Repr. Starnes of the Dies Com. judging Banta "chief witness" with testimony backed by "irrefutable documentation"): "What a shock it must be to the descendants of the STAR OF DAVID to see ALL traffic signal lights in the Five Boroughs of Greater New York being changed, for the duration, from the full red and green circular light, about 6 inches in diameter, now to show A RED OR GREEN CROSS, for or against traffic. This change is made in the DIMOUT idea, but the use of the CROSS is the work of our Engineering department of the N.Y. POLICE, so the Jews can be reminded that this is a CHRISTIAN NATION. I hope every avenue of publicity will be made use of to propagate this event." The Police of USA well know that the first to be liquidated in the event of a "take-over" by the Synagogue of Satan (Organized Jewry-Intl. Finance) thru "revolutionary" tactics, are the Policemen.)

"THE RUSSIAN ENIGMA". The \$24. per-yr. private WEEKLY FOREIGN LETTER (205 East 42nd St., New York City) 6-11-42 issue says in part: "In our Letter 193 of April 9, 1942, referring to the Hopkins-Marshall flying visit to London, we said, 'But FDR, since and thanks to Pearl Harbor, is the United Nations' Generalissimo. Strategists Marshall and Hopkins are his deputies.' We may now add that we understand that the real strategist brain behind deputy Strategist Hopkins is Justice Frankfurter who is understood to have been responsible for President Roosevelt's choice of Knox for Secretary of the Navy and Stimson for Secretary of War. We suspect one reason why Justice Murphy took leave of the Supreme Court to take a Lieutenant Colonel's commission with the infantry was the fact that he resented the important role as strategy brains trustor being played by one of his Court colleagues...."

CONSISTENCY? Omaha WORLD-HERALD 5-31-42 ballyhooes ATLANTIC MONTHLY (June) article by Robt. Lasch, member of W-H editorial staff, Uni. of Nebr. and Oxford graduate, Nieman fellow at Harvard, under caption: "LASCH PUTS SPOTLIGHT ON MCCORMICK War Stand of TRIBUNE Publisher Dissected in Magazine Article", which ridicules Col. McCormick, Chicago publisher, and smears him as a "defeatist". This same Lasch smeared me in a Boston radio address which was reproduced in W-H Sunday Magazine 5-3-42, with caption under my picture: "Charlie Hudson is a queer sort of bird that Omaha has always been ashamed of. Lasch thus earns praise from Walter Winchell who 6-1-42 broadcast boost for above ATLANTIC MONTHLY article. Yet said Omaha WORLD-HERALD, altho notified that the Negro William Pickens, head of Natl. Assn. for the Advancement of Colored People, is a long-time Communist (according to Dies Com. reports, among other activities, this Pickens "served as lecturer to Chinese Communist generals in training in Russia"), said nothing about it in their glorifying writeups about Pickens' present capacity as "morale-builder" lecturer for Secy of Treasury, H. Morgenthau, Jr., when Pickens was in Omaha recently lecturing and entertained by Omaha banker, who had also been notified as to real character of said Pickens. That banker has just been promoted to key position in Nudal Administration.

JUNE 23, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD SAVE AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

IN MEMORIAM. Some 2 years ago AID! had much to say about local "relief" affairs exposing open and under-cover efforts to oust that Christian businessman, E.F. Magaret, who had been placed in charge after Intl. Pres. of B'NAI B'RITH (see THE OCTOPUS) Henry Monsky's protege C.F. McNeill (still head of Community Chest) had plunged the County into deep debt by racketeering away \$100,000. to \$400,000. per mo. in name of "relief".

Mr. Magaret went to his reward yesterday AM, after year's illness, and Omaha WORLD-HERALD 6-22-42 climaxes the campaign to which it had been a part, by leaving unfair inferences in readers' minds with this: "... As assistance director Mr. Magaret faced swelling relief rolls and a limited budget. Delegations demanding this and that were in his office almost daily. He never 'weakened' under pressure, nor under threats of ouster by unemployed factions, and once by the Central Labor Union. His dismissal finally by a 3-to-2 vote nevertheless was a surprise. Commissioner Sanderholm, then chairman of the assistance committee, explained the reasons were 'secret', and they never were fully divulged."

Following from AID! B#206 of 3-4-40 explains plenty - and much more could be said: "BETRAYAL! Omahans were astounded to learn last Teus. that Co. Comrs. 3-to-2 had voted to oust Relief Admstr. Magaret. Courageously Comrs. Bergquist & Bergman protested, unsuccessfully. Todate past-Ann. Legion-Comdr. Sanderholm, who claimed mysterious phone call caused him to vote for Magaret's ouster, has failed to name outsider with power to cause him and Comrs. Jelen & Post (who had backed Magaret, when 'heat' was on,...) to change their minds so quickly. WORLD-HERALD, apparently worried-sorry over its part in building 'pressure' against Magaret, editorialized re Comrs. taking orders from mysterious outsider. This betrayal of law-abiding taxpayers by the 'weak sisters', proves how right our exposes were of the 'pressures' applied by Organized Jewry - NUDEAL - Prof. Social Workers - League of Women Voters - Ministerial Union - Natl. Conf. of Christians & Jews - Radical Labor - Ex-Convict - Communist 'organized minorities'.

"Question is: are our 'hired servants', the Comrs. (responsible to un-organized law-abiding decent citizenry that elected and pays them) to take orders from such 'organized minorities', practically none taxpayers? Also, is question of betraying a Christian Relief setup, and putting relief into control of 'gang' that only 3½ years ago had sunk us so far in debt (by racketeering upwards of \$400,000. per mo.), that only by Magaret's ability to bring direct relief payouts down to less than \$10,000. per mo., plus other efficiencies, has the County recovered its sanity and solvency!....."

"...(CBH- following refers to "smear" attacks in "labor" papers, Des Moines & Omaha dailies, despite fact that none of the "pressure groups" had been able to show that anyone had suffered, and that various investigators wound up complimenting Magaret on his humane-efficient handling of clients)... Such aid to Anti-Christ forces sabotaging Christian America would only be in line with said papers' repeated 'smearing' of Relief Admstr. here, and Magaret in particular. Pilate's washing his bloody hands repeated in W-H 2-28-40 editorial, offering Magaret sugared vinegar, after abetting his crucifixion. Hope the W-H, the Rabbis, the B'NAI B'RITH, the Ministerial Union, the Professional Social Workers, the League of Women Voters, and NUDEAL politicians, who joined in with the underworld, radical labor, and Communists, now view with pride the gruesome spectacle of the Christian gentleman they maligned, lied about, and spat upon, and finally hung on the cross. How their sleek faces must burn with inward reproach as their consciences, if any, torture them!...."

I can say Amen! to that today!

JUSTICE. If certain regymen in Denver could read a letter written by one who had contributed to their support, their consciences would disturb them as should those consciences of Omahans who helped crucify and no doubt hasten death of Mr. Magaret.

Wonder if successor to Homer Anderson at Denver (see B#312 how St. Louis trying to get rid of him) parallels that of his successor at Omaha. I know of one fine Christian teacher whom I had known for many years, who resigned rather than put up with socialistic trends forced upon our educators by ex-Supt. Anderson and his fellow-Coloradoan-successor Hobart M. Corning, who seemingly had outworn his usefulness at Colorado Springs before coming to Omaha. Following excerpts from letter written to a Christian patriot, a perfect stranger who had espoused cause of a school teacher who had been jailed at Denver - and smeared in the press as "seditious":

"... There is a God and Christ Jesus too, and He must be reflected in you. Letters from my dearest wife and three daughters - Lucile 16, Patricia 14, and Diane 5 have moved me deeply, but when an unexpected message like yours is received after 61 days of incarceration, it is difficult to find adequate words which express such joy.... You probably know that because I wouldn't resign - like many have been nicely asked to do - I was dismissed on the grounds of incompetency etc. from the Denver schools after 12 years of teaching health education. 'They' may have instigated this charge of 'sedition' and 'unAmericanism'.

"After this I was led to trying to make a living selling paint and then magazines for McGraw-Hill Publishing Co.... I was getting along well so was given the state of Montana, when I was picked up by great surprise on March 28th. I had notified the Selective Service Board where I would be so that angle was taken care of, or there might have been other criminal charges against me.

"Briefly, after making proper arrangements, I made a trip to Lowry Field on Jan. 31st to sell magazines and succeeded in closing an Aviation Club of about 25 members... It so happened that someone suggested that I go to the B.O.C. and contact the officers there. This I did and took orders from Lieut... and about half a dozen more at the Bachelors Officers' Quarters.

"Naturally, to arouse interest in the magazine one talks about vital interests to the prospective customer. A discussion followed not only concerning aviation, but prophecy, the Pyramid of Gizeh, politics, apparent causes of war, the Bible, current topics, etc. The first point of interest was about the need of a fine magazine to keep them informed on airplane developments as an aid to winning the war. We kidded about the ground men knowing a lot about flying and how it should be done while the actual pilot that I was talking to wanted to learn more about the engine, etc. etc. They are fine fellows and I told them so.

"It might be that Lt..... and other witnesses only heard a part of the discussion and then concluded after a month and a half had elapsed that I was unAmerican and a 'seditionist'. If I or some of the officers mentioned things about the Internationalists, it was to find out the cause of things. They and all of us are interested to know if there is an invisible government with sinister motives behind Hitler, Mussolini, the Japs or even President Roosevelt.

"At any rate, I have a strong feeling that our Constitutional form of government and the Bill of Rights must be preserved, for if the Father of our Country wished to have it continued there was a reason for his Vision. Frankly, I am 100% for our republican form of government, and the Third Vision of George Washington has spiritual significance. When the people awaken spiritually God will see to it that American ideals and institutions are preserved. You are right in surmising that I didn't use Force or even persuasion. We just had a general discussion from information gathered from many sources. The conclusion was, "Now that we are in the war, what can we do about it?" One of the officers or I answered, "We have to win", and I said the same.....

"It was kind of Judge J. Foster Symes to reduce the bond to \$1,500. Down here they sing his praises to the last man. I would be indobted to my dying day to a couple of fearless porsons who would sign my Bond. It is a shame that people are intimidated so easily. I wouldn't have believed that I only had one friend - and that is you - to be willing to stand for truth and righteousness and do something about it.....

"Used to be a member of the Plymouth Congregational, Divine Science, and Episcopal Churches and frequented many others here in Denver, but not a word or an inkling of the desire to help from any of them.... Thankfully yours, (signed) Rudolph Fehl."

C. Schroeder of Denver, to whom above letter was written, reports in part: "It took

a jury 45 mins. to return a 'guilty' verdict in the U.S. Govt. against Randolph Fahl on alleged sedition charges. After 2½ months in jail... He admitted most of the allegations with which he was charged... that he had said to Lowry Field officers and personnel where he solicited subscriptions for an aeronautical journal....

"Judge Foster Symes, in his charge to the jury maintained that they should look dispassionately on this case, war or no war. We still have rights to opinions and rights to speak them in discussions of a scholastic nature and that the jury should determine first what he did say and to weigh that carefully. Secondly, after having these statements it was then up to the jury to determine whether these statements were made in an attempt to create dissention among them, the personnel, and to consider also that after this discussion most, or a majority of the personnel had still subscribed to Mr. Fahl's magazines which they would not have been likely to do had they deemed these statements so treasonous or seditious, and that the jury in this case would be the sole judge and only judge as to whether this man would be sentenced to the penitentiary or whether he would be turned free to continue his work as a citizen....

"The trial was not advertised in the press with the result that there were not over 8 or 10 persons to hear it... Mr. Fahl had much evidence at hand as to the sources of his knowledge, but did not introduce it because it did not seem necessary. He was high in his praise of the courtesies extended to him by the personnel of Lowry Field, during his testimony. He praised the scholastic ability and knowledge of socialism and communism of these college men that comprised the officers of the Air Corps. Judge Symes asked the jury also to remember and take note of all the behavior and straight-forward attitude of the defendant and of the witnesses present...

"The entire trial was quietly, deliberately paced.... The jury was composed of a very cosmopolitan group of businessmen, salesmen, farmers and a ranch hand, a tall strapping cowboy with high-heeled boots,.... Mrs. Fahl was there to deliver her resounding kiss and a few tears of happiness for a fitting climax to the trial after two months of separation.... The trial was a pleasing testimony of true American justice and a credit to judge and jury and the Western ideals of freedom for which apparently we are fighting. We hope that you can publish this as my observation of this trial..."

WASHINGTON. Typical of accuracy of Walter Winchell's "smear" campaign over radio and in press, Mrs. Dilling was not before the Grand Jury last Thurs. and Friday. Col. E. N. Sanctuary, author of over 500 Christian and patriotic songs, Pres. of a Mission, former oil company executive, personnel officer in World War I, 72 years old, and author of several books, most recent THE TALMUD UNMASKED, was there and due to be back again this week, as were editors of THE X-RAY of Muncie, Ind. and THE NEW YORK ENQUIRER - Messrs. Courtland Asher and Wm. Griffin respectively editors, and Newton Jenkins of Chicago, author of I'VE GOT THE REMEDY.

When I introduced myself around the waiting room, it was agreed that I had never met before Messrs. Asher, Griffin or Jenkins, and that I had not corresponded with Mr. Griffin, and that I had neither met nor corresponded with "The Russian Mystery Man" George Jamhar Djamgaroff, of whom Dillard Stokes in WASHINGTON POST (Intl. Financier E. Meyer, editor-publisher, who has \$500,000. libel suit filed against him for Stokes' smears of Geo. E. Sullivan, author of THE ROAD TO VICTORY) 6-19-42 reports:

".. Special Prosecutor William Power Maloney said Djamgaroff was regarded as a vital witness in the grand jury's investigation of enemy propagandists and their American stooges who foment disunity and disloyalty. The result of Djamgaroff's testimony in behalf of the Government, Maloney said, will become evident 'in due time'..."

For a self-proclaimed authority on Communism, it is strange that none of us had ever heard of this "Russian Mystery Man" before.

G. H. Williams of Herald Publishing Co., which Stokes says prints Dr. Winrod's monthly magazine, THE DEFENDER, in Newton, Kans., also shook hands and stated he had neither met nor corresponded with me before. The last man in the room refused to shake hands with me saying that he didn't believe I would want to in view of the things I had printed about him. I didn't recall ever having met him. Then he said I had seen him at the Omaha Chamber of Commerce dinner. "Oh!", I said, "You must be the fellow who was going to expose me, but when you saw me standing in plain sight, you flopped. You had just been run out of an American Legion meeting in Lincoln where my friends had gotten onto

you. You know, there are these "refugees" here that I have no use for at all." He had nothing more to say. It was John C. Metcalf, the "refugee" from Germany who for a short time had been an investigator for the Dies Committee, and then traveled around USA capitalizing on that connection in lectures before all kinds of audiences. I understand he "whispered" to certain big businessmen here that "Hudson's stuff comes from Europe" - hence I must be a dangerous Nazi-Bolshevik. I had been exposing this "refugee" back in 1939 and 1940. For some reason Stokes' paper didn't comment on Metcalf's testimony before the Grand Jury.

Stokes, however, did repeat his old smear, linking me with splendid patriotic Christians, Congressmen Clare E. Hoffman and Roy O. Woodruff, again misnaming Hoffman's Congressional Record speeches "DON'T HAUL DOWN THE STARS AND STRIPES", with the smear title of "ROOSEVELT IS A JUDAS". Stokes said in part: "... Recently Hudson has obtained copies of a speech in the House, in which Repr. Roy O. Woodruff (Republican) of Michigan quoted extensive criticism of the Administration's conduct of the war from George Peek and others. Like Hudson's copies of the 'Roosevelt is a Judas' speech, the copies of the Woodruff speech were produced by the Government Printing Office. Hudson mailed out the Woodruff speech with a copy of a letter in which a woman claimed the nation was being betrayed by men in high office..."

Stokes failed to state that both speech reprints were "not printed at Govt expense". Or that I had paid for stamps, envelopes, etc.

I know of at least 3 publishers who received, like I did, unsolicited subscriptions from one "Jefferson Broom" at 3917 Penna. Ave. S.E., Washington, D.C. I couldn't find any "Jefferson Broom", but I did find a Dillard Stokes at that address! Then I read this "ABUSED LIBERTY" editorial in THE WASHINGTON POST 4-11-42:

"... (referring to my arrest, the "Africa Is Not Iceland" card, my mailing of Repr. Hoffman's speeches, etc.)... And when Congressmen stoop to the level of even permitting their facilities to be used by these purveyors of hate, distrust and suspicion, they earn the contempt of the American people. We are pleased to note that the special grand jury is probing deeper into this subversive business, and that the investigations of Dillard Stokes, one of our own reporters, are a chief source of the evidence presented...."

One of the few newspapermen hanging around the Grand Jury room day after day is this Dillard Stokes, and his boss E. Meyer's WASHINGTON POST 4-14-42 reports: "... Others who testified before the grand jury yesterday were Dillard Stokes;..."

One of these newspapermen, according to another newspaperman, is said to have predicted somewhat as follows: "Two Jews from England were over here to see that Hudson does not get home alive" - from trip to Washington. I arrived safely Sunday night.

Since various tricks seem to be used to trap Christian Americans who still believe that the main job of every true American citizen should be to see that our Christian Constitutional Representative Republic is preserved, both during and after the war, and that that war should be won as quickly as possible, I wonder if the following form letter dated June 18, 1942 on the stationery of THE LIBRARY OF CONGRESS, Accessions Division, Washington, D.C., has a motive other than on face of it:

"... Cards for your publication below which is not in the Library of Congress have been requested. If you can supply us with a copy as a gift, it would be a very great favor. It would enable us to furnish the cards and to place your publication upon our shelves for the many users of the Library of Congress. We are enclosing a franked label which will bring your publication to the Library of Congress post free provided you are able to comply with our request. If you cannot do so, we should appreciate a reply to that effect. We will be grateful for such cooperation as you can give.

Sincerely, (signed) John H. Moriarty, Chief, Accessions Division."

That letter at bottom was addressed to Mr. Frank Woodruff Johnson, 2304 Fontenelle Boulevard, Omaha, Nebraska, and referred to "The octopus. Omaha, Nebraska, 1940."

I sent THE OCTOPUS, plus a copy of AID! B#311 in order to give the new address, 4327 Grant St., and the prices of the book single and in quantities, on 6-22-42, using that label. It is common knowledge that Mrs. Elizabeth Dilling wrote the book and that I have been one of its distributors ever since it was published. It was originally priced at 50¢, but due to P.O. Dept. at Washington, D.C. denying it book post rate of 1½¢ per lb., the higher parcelpost rate of from 7¢ to 14¢ forced me to price it at 60¢.

We had a mysterious phone call 6-23-42, an allegedly out-of-town man inquiring for

Rev. Johnson and asking if he could get copies of THE OCTOPUS claiming he was coming out to our house with it but he has not shown up writing.

I saw a large map while at Washington, which had been copyright 3-31-42, about six weeks before England took Madagascar, yet that map was colored showing that island as part of the British Empire as it is to be after this war. It is said that the purported author, Maurice Gomberg (P.O. Box 852, Philadelphia, Pa.), who sells this Post-War World Map for \$1., or a man by same name was an editor of Communist DAILY WORKER about 15 years ago. This map shows, as AID! started predicting years ago (if the Synagogue of Satan (Organized Jewry-Intl. Finance) succeeds), that the world is to be divided into 3 major spheres of influence, with Godless Red Russia dominating most of Europe and Asia, including Germany, with the British Empire increased by French and Dutch islands, etc., and with North America dominating the western hemisphere --- all using one monetary system, and policing the world with joint army, air and sea forces, etc.

There's a job for Congress - or that Grand Jury - to find out who the "we" is that Gomberg talks about doing all this; and how he could have known months in advance that England would seize Madagascar?

Some feel that this jury, however, will hand down a bunch of indictments against Congressmen and others, and with the Court not meeting until Oct., no trials might take place until after the elections. Such action would militate against the re-election of patriotic Christian Congressmen who are being subjected to so much smearing in the Communist, Jewish and controlled press and radio channels of the nation. We'll see!

As THE OCTOPUS proved the sell-out of Rev. J. Frank Norris (flying and world-traveling-celebrity-hobnobbing-with parson of Ft. Worth, Texas and Detroit, Mich., claimant of largest audiences, whose weekly THE FUNDAMENTALIST cruelly lies and casts insinuations against Mrs. Dilling and others), and following illustrates the part certain religious leaders and press are playing to crucify real Americans. THE FUNDAMENTALIST 6-19-42 issue on front page reproduces in red ink a long telegram that attacks Sen. W. Lee O'Daniel, and then devotes all and more than p. 2 to a continuation of that attack under title: "CAN THE LEOPARD CHANGE HIS SPOTS OR THE ISOLATIONIST HIS COLORS? Papers of Fort Worth Gave Large Space to the Greatest Religious Gathering in the History of Fort Worth SHALL THE NAME OF THE IMMORTAL ROBERT E. LEE BE USED IN A DISHONEST HYPOCRITICAL WAY?"

Note that the man who held Army officerships in both Northern and Confederate Armies simultaneously and who did not resign from his Colonelcy in the Northern Army until days after the starting of that Civil War (forced onto the North), and who was called rightfully so "a traitor" by Pres. Lincoln, is glorified by Rev. Norris as the "immortal" Lee!

Note the lies and insinuations in Rev. Norris' purported speech-article: "...Ladies and gentlemen, I am going to deal in plain, United States language. The time has come, and long past, when we should speak frankly, freely our soul's deepest conviction. If it had not been for the Isolationists of the Bert Wheeler, Vandenberg, Gerald Nye and Lindbergh type there would have been no war with Japan. Did not the President three years ago stand in Chicago and plead with this nation to stop sending scrap iron, oil, steel and other essential war materials to Japan? The very steel shells that were hurled at our boys at Bataan Peninsula and Corregidor came from America. (CBH- it was the State Dept. that permitted such shipments, so minority Isolationists shouldn't be blamed for that).

".... I want to say to you fathers and mothers, whose thirty-one sons were killed in action, paying the supreme price with their own lives - they gave all, those boys that went from Fort Worth - that the blood of these boys, together with the blood of the brave boys from all over America - there is not enough water in the seven seas to wash their blood from the guilty hands of the Isolationists in the Senate. And they are there at this present hour..."

Norris praises Tom Connally and Sam Rayburn "who holds the most important office in Washington next to the President", calls for defeat of Isolationists, and blames the Senators who kept USA out of partnership in Synagogue of Satan's League of Nations, warning that similar "Isolationists" "can wreck the peace that follows War Number two, as they wrecked the peace that followed War Number One..." AID! has long claimed that final stage of Synagogue of Satan's worldwide dictatorship sees religion as a tool!

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion.  
Subscription for 8 weeks \$1.00 by first class mail.

BULLETIN NO. 316.

July 7, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD HELP AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

THANKS! Grateful for the support to the work - out-of-towners more faithful so far - God bless you all. One subscriber airmailed list of ministers and priests, having AID! #315 sent to them. Glad to co-operate on cost basis - 50 or more such mailings under "Personal" firstclass, around 7¢ each. As long as available, the 3 books briefly described in #311 - THE OCTOPUS (60¢), THE ROAD TO VICTORY (\$1), and PLANNED ECONOMY (\$1) - all are yours for \$2. - remittance with order. The 3 large Charts with P.E. are alone worth \$2. The 484-p.book on Civil War, THE REWARD OF PATRIOTISM, is also yours for \$2.

TRAPS? Re subterfuges employed by Dillard Stokes (Internationalist E.Meyer's WASHINGTON POST feature writer and witness before Grand Jury there - see #314), and THE LIBRARY OF CONGRESS request for free copy of THE OCTOPUS, John H.Moriarty, Chief of that Library's Accessions Division, on 7-1-42 writes Rev.F.W.Johnson at our former Fontenelle Blvd. address: "By direction of the Librarian, I beg to acknowledge with cordial appreciation the receipt from you of the gift mentioned below, a welcome addition to the collections of the Library of Congress... A copy each of the publications: 'The Octopus,' by Frank Woodruff Johnson. 'America in danger!' (Bulletin No.311, June 2,1942)"

Doubly glad to have that acknowledgment to our use of "franked label" furnished by Mr.Moriarty to enable me to send above gifts free. Also because he enclosed copy of folder "THE LIBRARY OF CONGRESS TRUST FUND BOARD" which shows that Board made up of Henry Morgenthau, Jr., Secy of the Treasury, Chmn; Sen.Alben W.Barkley, Chmn of Joint Com. on the Library; Archibald MacLeish, Librarian of Congress, Secy; Adolph C.Miller, Esq.; and Mrs.Eugene Meyer. Note the Internationalist complexion of that Board, with Communist fellow-traveler MacLeish as its Secy, with WASHINGTON POST owner-publisher's wife, and (at least 20-year member of Federal Reserve Board) Miller as fellow members.

How interesting that above LIBRARY OF CONGRESS letterhead bears the same watermark- 2 stars above the Eagle & Shield - that I am told distinguishes a Major General's stationery. I have received 3 letters from a Charles T.Reyner, 1216 Powhatan St., Alexandria, Va. (practically same as Washington,D.C.), whose 3rd letter on plain paper, with no watermark, disclaims being in any branch of the military service, and wondering why I asked - and yet his first 2 letters were on expensive bond (not letterheads) bearing the "2 star" watermark.

I have a powerful reason to believe that a R.Gaynor Dunsmore, P.O.Box 219, Benj. Franklin Station, Washington,D.C. is, if not an alias, at least a writer of "trap" letters. He is one who asked for copies of Congressman's Hoffman speeches and added: "Would thank you to send me a little stack of the Iceland-Africa card to give out here along with the Hoffman speeches." He very "smartly" did not sign that letter, merely initialing a typed signature. All this mysterious stuff smells Internationalistic.

EXCERPTS from CONGR.RECORDS and other press sense our problems and answers.

June-July '42 issue of FREEDOM & PLENTY (309 Madison St.,SanAntonio,Texas) attributes to Jewess Pearl Buck: "... famous author of 'The Good Earth', in a brilliant analysis of relations between East and West, warned recently that if present attitudes remain unchanged 'this barrier will not only not be broken down, but it will grow higher and higher and the end will be a war between East and West, in which the Chinese will NOT be on our side. Asia is determined to have freedom.'..." Because AID! for years been warning that the Yellows will be against Whites, I come in for criticism. Wonder if Pearl Buck will ever be hailed before the Grand Jury?

THE HOUR of NewYorkCity, confidential bulletin, 6-27-42 issue (editor A.E.Kahn;

ALL INFORMATION CONTAINED  
HEREIN IS UNCLASSIFIED  
DATE 7/11/72 BY SP-6/BJH/BJH

Consultants Prof. F.L. Schumä, Johannes Steel, Leland Stowe, Hendrik van Doon, Wythe Williams - all propagandists) continues to attack Senatorial candidate Gerald L.K. Smith and his magazine THE CROSS & THE FLAG, climaxing with: "... With the United States entering its eighth month of war, it is high time to put an end to the seditious propaganda work of Detroit's self-proclaimed 'defender' of America's stormtroop bands." THE HOUR bases its attack because of Smith's quotations like this: "I am defending the friends of Father Coughlin, who have been bulldozed, manhandled and abused by a set of ruthless Communists." See AID! #312 re that long-time Communist Prof. Schuman's warning: "This war is for World Govt. We have already lost the war -- we have about 2 months to win the peace. If we do not put over a World Govt we will lose the peace." Who is this "we" if it isn't the Synagogue of Satan (Organized Jewry-Intl. Finance)?

H.J. Haase, editor of AMERICA'S HOPE (Rm 203, 1165 Broadway, New York City), re whom #313 told you of his peace meeting being barred by YMCA, in his interesting 7-1-42 issue, reminds that the War of 1812 ended without a real victory on either side and without partition of Canada or USA or reparations being called for in Treaty of Ghent - result, peace between USA and Canada for past 130 years. May we suggest, however, that the fact that at least until recently the Administrations of both countries and of England were essentially Christian, and that the peoples of all 3 countries and their underlying customs, ideals and governments were predominantly Christian, are factors contributing to said peaceful living side-by-side all these years. Also, that only a return to that Christian-set-up, or making more Christian rather than falling for the false promises of more "democracy", offers any hope for the present and the future. Also, that the real "causes of war" trace to end are inherent in the Anti-Christ Synagogue of Satan (in line with the TALMUDic recipe for their success enunciated by Rabbi David Cohen - see #315), and unless that basic fact is repeated insistently - with that "real enemy" named - any agitation for peace is hopeless. Only TRUTH sets us free! Wars will continue until Christ returns the 3rd time - which I believe will be within the present generation.

FOUNDATION OF CATHOLICS FOR HUMAN BROTHERHOOD, 384 E. 149th St., New York City, is one of the "false prophets" type of fund-raising and propaganda-spreading organizations that resort to the misleading and false "brotherhood of man" bait. Christ taught and proved by personal example (by taking in 1 Judas "money-changer" with 11 Galileans into His close fellowship) that His followers must not associate with non-believers.

The false philosophy is apparent in this excerpt from appeal-letter: "... This Movement has been based on the spiritual essentials: prayer and sacrifice. Today, the sin of hatred is rampant. (CBH- true - but who did Christ say would spread it?) It affects Catholics, Protestants and Jews in turn. Today, the Jews are the principal victims. Today, therefore, our sacred responsibilities (CBH- underlined in original) are towards them. As you know, our Lord gives us no alternative in this regard. Neither does our Holy Father, Pope Pius XII. Neither, dear Friend, do you.

"Ignorance, envy, malice, are the media through which this diabolical, soul-killing, nation-killing hatred works. (CBH- see p.2 #315) More and more education, along spiritual lines, will check it and we propose to make our future publication, CONCORD, a valuable factor in this educational field. The services of our most eminent writers shall be enlisted: on religion, economics, sociology, anti-Catholicism, anti-Semitism, current affairs, and all matters affecting the common good of the human family...."

This Foundation announces that its next booklet will contain the "RESOLUTION OF ESTEEM AND GOOD WILL TO HIS HOLINESS EUGENIA PACELLI POPE PIUS XII" signed by Herman Neaderland, Pres. of Council of Jewish Organizations of Bensonhurst and Mapleton, Brooklyn, consisting of 62 organizations representing 100,000 Jews, who resolved: "... that we, members of one of the largest Jewish Communities in the world, join our Thankful Prayers to the God on High, for the Divine Inspiration which guided the Conclave of Cardinals in selecting Your Holiness to the Throne of St. Peter..."

On back of contribution blank (provides for from \$5,000 Life Members down to \$5 for an Active Member, with "all contributions are accepted as voluntary donations and will be used solely for organizational purposes") you read: "Anti-Semites are an ANTI-CHRISTIAN breed, whether they be so-called Catholics or members of Protestant creeds. .. It is appalling to realize that the evil of anti-Semitism has found place in our beloved country.. Before it is too late, before the evil gets out of hand, let this

sacred Truth sink deep into the souls: ALL MEN ARE BROTHERS REGARDLESS OF RACE, CREED OR COLOR, AND GOD IS THE FATHER OF ALL. Look around you. What do you see? Disunion, bigotry, hate and un-Christian attacks on our BROTHERS, the Jews....etc." (caps in original) On the contrary Christ gave us the Lord's Prayer as a constant reminder that the Christian's Father is in Heaven to whom the Christian prays - for deliverance from the temptations and persecutions by "the Evil One" (this being Satan's world) - and for the eventual setting up of His Kingdom "on earth as it is in Heaven", where obviously none of the Evil One's gangsters can ever enter and gain control.

THE JEWISH EXAMINER, of Brooklyn, 7-3-42 issue, under across-page caption: "WIDER POWERS GIVEN FAIR EMPLOYMENT COMMITTEE" quotes Jewish Telegraphic Agency dispatch from Washington: "President Roosevelt's Advisory Committee on Fair Employment Practice is to be given the job of cracking down on discrimination against Jews, Negroes or any other minorities in all activities under the Federal Govt, it was reliably learned here this week. On July 1st, the beginning of the new Governmental fiscal year, the agency was shifted from the War Production Board to the Executive Office, where it will function directly under the President. A tentative budget has already been submitted which provides for expanding the staff of the committee from its present 25 to 200 employees and for the establishment of 13 regional offices in various parts of the country. It will be given broadier powers, including the right to investigate alleged unfair treatment of Jews, aliens, Negroes and others in both the military and civilian agencies of the Govt as well as discrimination by private firms engaged on war production contracts..." I.e., since more and more industries will be on Govt contracts, private employers will have less and less to say about whom they can or cannot hire or fire. Christians who constitute the vast majority, who do the work, who do the fighting, will have less and less to say about the personnel to achieve efficiency in war efforts.

That leading Jewish paper's gloating editorial should alarm true Christian Americans: "JOB BIAS: 'CEASE AND DESIST' JUDGING BY RESULTS OBTAINED thus far and the generally optimistic attitude of social work leaders, it is safe to regard the President's Committee on Fair Employment Practice as an effective instrument for dealing with the awful question of racial discrimination in employment. This is, of course, one of the major social and economic diseases afflicting our society. It is cheering, therefore, to learn - as reported elsewhere in this issue - that the scope and power of this Committee is to be widened; from now on this agency of correction is to have jurisdiction not merely in war production plants but in all offices and activities maintained by the United States Govt... All this is but the beginning; the problem is incredibly tough and enormous. Consistent, vigorous and courageous efforts are needed to cope with it; the follow-up measures must be unremitting. The work, however, appears to be in the right hands. We are gratified and hopeful."

Another editorial is about a campaign to collect signatures of hundreds of thousands of Jews to a petition addressed to Pres. Roosevelt, "calling on him to warn Germany to halt its unspeakable depredations or face calculated and powerful reprisals." Polish-born Socialist-politician-banker Adolph Held heads the radical Jewish Labor Com. securing the signatures. This reminds that the New York Socialist Party petitions for "temporary deferment" for its candidate for Governor, Coleman B. Cheney, "to allow him to campaign". He is economics prof. at Skidmore College, 42 and unmarried. Irving Barshop, exec. secy. of Socialist Party, wrote Maj. Gen. Lewis B. Hershey, director of Selective Service: "We believe the temporary deferment granted to Ralph Ingersoll, editor of the newspaper PM, to be a precedent for your grant of a deferment on our request."

PM, with other anti-Christian papers and organizations, is trying to defeat courageous Christian Congressmen who are up for re-election.

All this reminds what Rep. Rankin of Miss. says in CONGR. RECORD 7-2-42, p.42782:

"Mr. Speaker, it may interest the House to know that we have about worked out a plan to tax the vast fortune of Marshall Field 3rd, despite the legal subterfuge with which it has so far been protected... I note that PM, the uptown edition of the Communist DAILY WORKER, which is being financed out of the Field fortune, is still attacking me for backing up the Red Cross in isolating the blood now being banked for our wounded soldiers. PM seems to be more interested in this proposition, if possible, than it is in having its editor, Ralph Ingersoll, evade the draft. These crackpots are not going to compel the Red Cross or the Army or the Navy to pump Negro blood or Japanese blood

into our wounded white ~~ones~~ if I can prevent it. But ~~PM~~ ~~states~~ that the O.C.D. is not labeling the blood it is storing up for the men, women, and children who may be injured in air raids. If that is true, they had better pour it into the gutter and get their supply from the Red Cross, or, better still, turn that phase of civilian defense over to the Red Cross. Leading doctors thruout the country say that no one can tell the consequence of pumping the blood of another race into the veins of your child. The chances are that it would crop out in the children of the one so treated. This is one of the most dangerous and dastardly propositions that has ever been advanced by those enemies of our form of govt and our way of life. Wake up, Americans. While our boys are fighting the enemies from without, let us take care of enemies who are boring from within." Recall AID! early exposes of dangers in this "blood bank" field.

DAILY WORKER, 7-1-42, front-paging call for 2nd front in Europe and death to 8 Nazi spies, also demands: "... And that Martin Dies and Charles E. Coughlin be compelled immediately to register as 'AGENTS OF A FOREIGN GOVERNMENT'." It also front-pages 4-columns-wide: "Rep. Sabath Tells Congress: 'ATTACKS ON COMMUNISTS A FASCIST COVER-UP'" reporting: "Red-baiters in and out of Congress attack the Communists 'solely to hide their own fascist activities', Rep. Adolph J. Sabath, Illinois Democrat, chairman of the House Rules Committee. Rep. Sabath (CBH- Jew holding important key chairmanship) leveled his blast against poll tax Rep. John Rankin, Mississippi Democrat, after the latter had made a scurrilous attack on the newspaper PM, the Negro people and the Communists. Sabath called to Rankin to stop making 'these unjustifiable attacks'..."

See p.4 of #315 which gives you the "scurrilous attack" to which Sabath refers. The Communist DAILY WORKER front-paged also a picture of Rep. Sabath.

Communist THE WORKER, 6-28-42, p.2, under caption: "WORLD LEADERS ACCLAIM ALLIED PACTS" has pictures of and articles by Wm. Green (CBH- stooge Pres. of AFofL); Harry Hopkins, Lend-Lease Administrator, and Maxim Litvinoff, Soviet Ambassador to USA. Sub-caption reads: "DEMOCRATIC LEADERS HAIL U.S.-ANGLO-SOVIET ALLIANCE AS GUARANTEE OF VICTORY, FREE WORLD". Articles also by other "democratic" leaders, such as: Mikhail Kalinin, Pres. of Soviet Supreme Council, Soviet Union (CBH- where over 30,000,000 mostly Christians were killed, starved to death, tortured, to insure reign of such democrats); Harry Pollitt, Gen. Secy. of Communist Party of Great Britain; Allan Haywood, Red CIO Director of Organization; A.F. Whitney, Red Pres. of Brotherhood of Railroad Trainmen; Anthony Eden, British Foreign Secy. compatriot with Litvinoff when they ran the League of Nations.

P.6, under 6-columns-wide caption: "WEST COAST WRITERS BLUEPRINT WAR WORK" shows pictures of Alfred Kroymborg, John Howard Lawson, Albert Meltz, Marion Hall, Robt. Rosson. Underlined are Communist Jews - don't know about other 2. Lawson is quoted at length: "... 'Service of the people (CBH- Jewry considers only Jews as "people") also means that one is ruthless to the people's enemies.'... These enemies are Congressman Dies, Boake Carter, Hearst, etc., and it 'is part of the writer's job to expose the face of these people's enemies in Berlin, Tokio, Washington or San Francisco.' It also is necessary, he said, to 'fight the ideology of the enemy', particularly as it is shown in motion pictures fostering Nazi racial theories in such pictures as 'Gone With The Wind' and 'Gunga Din'.... THE SATURDAY EVENING POST, COLLIERS, LIBERTY and others are beginning to use honest, progressive articles, according to Carey McWilliams... The same thing is beginning to be true of their fiction, said Albert Meltz...."

Thus the truth about press control out of mouths of Red Jews! Illustrating Rep. Rankin's claim that Communists are stirring up Negroes, note that p.3 of same Communist paper spreads in bold type across top-page: "7 MONTHS AFTER PEARL HARBOR: HALF OF NEW YORK NEGROES STILL JOBLESS", using cartoon picturing same thought.

THE PATRIOT (London), 6-4-42 issue, proves parallel action taking place in England and USA: "Coming just before the Whitsun adjournment of Parliament, the debate in the House of Commons on 21 May on Retail Traders received scant attention in the daily Press. What did attract attention was the announcement by Mr. Ernest Bevin (Red Labor leader analogous to Red Jew Sidney Hillman, FDR's exec. asst.) that two-thirds of the population between the ages of 14 and 65 are now mobilised for war work - 22,000,000 out of 33,000,000.. (which) has had an effect on the life of the nation the full extent of which will not be apparent until the war is over, when it will be realised how many successful small traders have been ruined once and for all, and the way prepared for the concentration of business in a few hands, the stepping-stone to State Socialism...."

Radio and press have already told you of the indictments returned by the Federal Grand Jury at Washington, D.C. on July 22, 1942 against 28 individuals for alleged conspiracy to commit sedition. Cannot speak for all 28, being only in fairly close touch with a few of them. For myself I am not guilty of this charge, and belong to no organization whatever, and have never attempted to organize one.

The seriousness of this whole attempt is to stamp out constructive criticism of the administration and warnings against real enemies within our midst. This can probably best be illustrated by comparing actions taken in World War I with World War II. During that first war (in which my wife signed a waiver and I enlisted but never saw any service), it was internationalist revolutionaries such as Communist leader Earl Browder, who were imprisoned. Now, Browder is released from jail by the President's order, and Christian American nationalists who believe in living up to the Constitution, are persecuted and imprisoned.

Help, I need - because of my belief in your vital interests - to fight this terrible charge. Therefore, I trust you will send some money as a contribution and voluntary gift, or anything else that will help, to my faithful wife, Avis A. Hudson, at above address. May God protect and bless you.

For Christ and Country,  
CHAS. B. HUDSON.

BULLETIN NO. 317.

July 14, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD HELP AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us, Amen!"

PREDICTIONS. Since Pearson & Allen, columnists and radio commentators, seem to secure inside information, we wonder about Pearson's radio prediction Sun. night that next week will see 20 so-called American-born fascist propagandists indicted by Federal Grand Jury at Washington. (Witness their exclusive report that FDR had instructed Atty. Gen. Biddle to "get tough immediately" with 5 persons - Noble (recently convicted of sedition); Moran (Christian Front disbanded and publication stopped); Coughlin (SOCIAL JUSTICE stopped); G.L.K. Smith (Mich. Senatorial candidate-publisher of THE CROSS & THE FLAG being attacked thru many channels); and Hudson (AID! reported some of our trials)).

Pearson & Allen's WASHINGTON MERRY-GO-ROUND 6-1-42, claiming that "the three key Cabinet members indebted to Frankfurter for their jobs are Atty. Gen. Biddle, Secy of War Stimson, Secy of Navy Knox,... also Dean Acheson, Asst. Secy. of State" and that "Felix's greatest influence is in the War Dept" (Secy of War, Under Secy, and 2 Asst. Secys being very dear friends), gives even further examples to justify: "... For today,... it is a fact that second only to the President himself, Justice Felix Frankfurter has more to do with guiding our destinies of war than anyone in Washington..."

Since I have been before Biddle's Grand Jury 5 times in 2 trips, and know its temper, I am inspired to quote again and say "Amen!" to R. Fahl's letter written 2 weeks before his trial in Denver (where an American jury freed him of sedition charges after he had been forced to stay in jail 2½ months because no one would go his bond)- see B#314: "... I would be indebted to my dying day to a couple of fearless persons who would sign my Bond. It is a shame that people are intimidated so easily. I wouldn't have believed that I only had one friend - and that is you (a stranger who visited him in jail)- to be willing to stand for truth and righteousness and do something about it..."

This prayer is further prompted by INS 7-14-42 dispatch from Los Angeles: "A plea of not guilty to three charges of sedition had been entered in federal court today by William E. Kullgren, publisher of the Atascadero, Cal., BEACON LIGHT. Reduction of his bail of 25 thousand dollars was refused." From what I have read of Kullgren's writings he is a type of Christian American patriot of which this country boasts too few.

Regardless of whatever smears may be released, with God as my witness, I have never belonged to any subversive organization, nor have I ever countenanced anything except it was in harmony with the findings, intent and purposes of our Founding Fathers, and with the teachings of Jesus Christ. If that is sedition, God Help America!

Illustrating how the Jewish-controlled press has been laying groundwork for a possible charge of sedition against me, the NY TIMES 2-24-42 in front-page smear gloating over private employer-forced-by-Secy of Navy Knox to fire Geo. E. Deatherage, claiming he had corresponded with head of German-American Bund, etc., then lies, saying:

"... He (Deatherage) organized an 'American Nationalist Confederation', an alleged 'united Fascist movement', in association with William Dudley Pelley, Silver Shirt leader; the Rev. Gerald B. Winrod, Charles B. Hudson, James True, E.N. Sanctuary, Robt. E. Edmondson, E.J. Peyton and Henry D. Allen, several of whom were active in promoting anti-semitism, but according to the Dies Committee the grouping could never get going because the various leaders could not agree on an acceptable national leader..."

To the contrary, I have never joined that or any other confederation, and am on record time and again that since Christ, God on earth, had but 12 Disciples, knowing in advance that Judas was going to betray Him, that I, a mere mortal, would be foolish to become a part of any organization no matter how sincere its promoters might be.

EXCERPTS from WORDS and other press selections and answers. Amour, in these dark days, has its place: "DEEP, DARK FLOES. Bronx: Just before the city-wide blackout the other evening, I noticed in some suburban woods a profusion of fireflies flitting wickedly around and diffusing a bright and cheery light in flagrant violation of all blackout rules. I cannot believe that the Little Flower, that great rail-splitter and God's gift to the Fire Dept, will permit our lives to be put thus in jeopardy. Something simply must be done about these fireflies, this horde of bold marauders and saboteurs. Forward march, Fiorello!" (Agnes J. Lee in VOICE OF THE PEOPLE 7-10-42 issue of DAILY NEWS of NewYorkCity.)

"CAN WE UNSCRAMBLE THE EGGS? President Roosevelt today has more power than any American President before him... When Congress convened after the President's 1940 re-election, the Administration turned on the heat for passage of H.R. 1776, the Lease-Lend Bill, which passed, and which Mr. Roosevelt signed March 11, 1941. This legislation took away from the House of Representatives most of the power of the purse and gave it to the President. On Sept. 11, 1941, the President issued his 'shoot on sight' order, a few days later telling the American people: 'From now on, if German or Italian vessels of war enter the waters the protection of which is necessary for American defense, they do so at their own peril. The orders which I have given as Commander-in-Chief of the U.S. Army and Navy are to carry out that policy - at once.'

"Thus the President took from Congress the power to declare war, which the Constitution originally gave to Congress. At the moment, the President is trying to do that which is tantamount to appointing the next Governor of N.Y. State. He is making moves which indicate that he hopes to force the N.Y. Democrats to nominate somebody who is personally acceptable to him - and that the N.Y. Democrats' own present first choice, John J. Bennett, is not personally acceptable to the President.

"The first Roman Caesar, Julius (100-44 B.C.), who scrapped Rome's republican form of government, was an excellent ruler... Then the Julio-Claudian line ran into the Caligula and Nero degeneracies, and presently gave way to a long parade of emperors almost all of whom were nothing but drunken desperadoes booted into power and out of it by the soldiers. Rome, having once made the shift from republic to monarchy, was never able to unscramble the eggs. The people never were able to get back the rights and powers which Julius Caesar had taken from them - all for their good, most of them supposed at the time.

"It may be that we are witnessing some such abysmal change in our own country. It seems unlikely that the people ever can get back all the powers and rights which this Administration has taken from them..." (Lead editorial 7-10-42 DAILY NEWS, NewYorkCity).

"UP, Atlanta, June 16.- State Atty. Gen. Ellis Arnall ruled today that the Georgia Dept of Education could not train Negroes for defense work in the same schools with white students. The ruling followed complaints to the President's Committee on Employment Practices (see B#316) that Georgia Negroes were denied 'equitable opportunities' in defense training schools. Mr. Arnall informed Dr. M. D. Collins, State Supt. of Education, that the Georgia constitution provided expressly for 'separate schools for whites and Negroes'. Mr. Collins recently ruled that white instructors could not teach Negroes in the State."

"AP, Flagstaff, Ariz., July 11.- Six Negro soldiers armed with machine guns, automatic rifles and pistols terrorized the business district early today before one was shot and killed and another wounded, Sheriff Peery Francis reported. Maj. H. C. Nichols, commander of guard troops here, said police shot two of the soldiers and captured the others. The sheriff's office reported the soldiers had been angered by refusal of admittance to an all-night cafe... Major Nichols.. said the soldier killed was intoxicated and that all were absent from camp without leave."

CONGR. RECORD 6-23-42 finds Rep. Emanuel Celler of NewYork making fun of an attempt to hold a meeting in the Senate caucus room, gloating over its failure with: "... The purpose of the meeting was to aid in bringing back prohibition thru the back door. The newest dodge of the anti-liquor forces is to prevent liquor sales within two blocks of any war activity... I say to the drys, especially of these States (Miss., Okla., Kans.) before you try to clean up Army camps, clean up your own back yard... Finally, the attempted revival of prohibition is like the dog that returns to his vomit."

The real purpose of that attempted meeting was to try to get action on Senate 860 which would prohibit liquor and vice in specified zones about Military, Naval, Marine,

and Air establishments; all Industrial War centers. Thousands of petitions for passage of that Bill S.860 are being tabled in the Senate week after week. Why???

NY SUN, 7-10-42, reports Willie Roberson, one of Negro boys involved in the Scottsboro case 5 years ago, jailed for molesting a young woman: "... The Scottsboro case was in the courts more than six years, during which time nine youths, accused of attacking two young women while riding in a freight train in Alabama, were defended by Samuel S. Leibowitz (CBH- Judge who was party to infamous "house of degradation" smear of Sen. Walsh of Mass.- see B#311) and a partisan group known as the Scottsboro Defense Com. (CBH- a Communist "front") which raised funds for legal fees and propaganda... Roberson told the police.. his wife worked as a maid in the home of Judge Leibowitz's sister-in-law..."

Patriot Edwin P. Banta (spy for 2½ years in Communist Party, and chief witness before the Dies Com., which incidentally has failed to keep its promises to protect him) wrote Editor of NY SUN: "Under the atheistic and highly immoral training of the Communist Party I was not surprised that the former Scottsboro case member is in police toils again. The appeal daily by the Communist DAILY WORKER to racial hatreds and a revolution, on the Negro Question, part of the curriculum of the Workers School, is responsible for one of the most dangerous Fifth Column activities in America today..."

Same 7-10-42 NY SUN editorializes: "COMMUNIST ORDER NO. 1. The communists have already issued Order No.1 for the November election. It is: 'Beat COUDERT.' As Senator from the 17th district Mr. Coudert exposed the communist drive in the public schools of this city. Naturally the communists want to stop him. It is the duty of every right-minded voter in the district to keep them from doing it."

PM, the uptown Communist daily, whose war-mongering editor Ingersoll has been trying to evade the draft, not only viciously attacks NY DAILY NEWS for "America First" type of editorials (see p.2 herein), but 7-9-42 issue devotes 2 pages to smearing State Sen. Fred R. Coudert, Jr., listing as reasons why he should be defeated, that his "Committee made no mention of submitted evidence charging anti-Semitism in the schools", and that his "Committee failed to find any evidence of Nazi or Fascist activities."

PM 7-8-42 again attacks Rep. John E. Rankin for his speeches in House (see B#315 and B#316), ridiculing his warnings about the dangers of not labelling blood banks. PM claims that the Red Cross does not segregate the blood of Japanese donors, and that: "It is an open secret that medical men and nurses in an increasing number of Red Cross blood bank centers - outraged by the unscientific mummery of separating identical blood on the basis of the donors' skin-color - are simply neglecting to label the blood white or black (CBH- for Army & Navy use)... and it will probably dismay Rep. Rankin no end - .. that the Red Cross is already participating in the OOD civilian blood bank program.. Norman H. Davis, head of the American Red Cross, told me the other day that his organization has no objection to mixing the blood of Negroes and whites in civilian plasma banks..." Which reminds that notwithstanding all the fuss in Congress over his Communist activities, Melvyn Douglas (Jewish actor) is still a Civilian Defense official.

And that the 7-9-42 CONGR.RECORD finds Rep. Sol Bloom (following up Rep. Sabath's attacks on Rep. Rankin - see B#316) placing PM Ingersoll's defense of his draft evasion and attacks on Rep. Rankin, Col. McCormick, Capt. Patterson, Christian Fronters, and on the Draft Board - almost 3 pages of it - into Appendix of CONGR.RECORD.

CONGR.RECORD 7-6-42 contains Rep. Rankin's "Message to the American Legion" in which he warns the Miss. State Convention about this blood bank pollution, urging that Convention to adopt a Resolution backing up the Red Cross to insist that it segregate white, black and yellow blood banks. He urged them to present such Resolutions to the American Legion National Convention. I'm afraid that Convention will do nothing.

For such a stand and activity by Rep. Rankin, he has earned attacks by Communists and Jews. When such un-Christians favor mixing blood banks, Christians beware!!!

NY JOURNAL-AMERICAN 7-11-42: "THE POLITICAL PARADE By George Rothwell Brown. Earl Browder has now confirmed the charges that have been made at the Capitol that the Communist Party has originated and sponsored the smear and purge of the American Con-

are now under way. A number of members of the House have scarcely been able to credit this serious allegation against Communism that they have been listening to recently in numerous speeches, especially in the House. Browder, in his first public address since he left his prison cell, confirms the sinister fact that Communism, which owes its whole allegiance to an alien Govt, is now definitely in the open to defeat for re-election to the Congress those patriotic Americans who fearlessly have exposed Communism, and who have done all they could, as conscientious lawmakers, to rid the Govt service in Washington of the radical Left-Wing element that has wormed its way into so many key positions in our vast, sprawling bureaucracy....

"The ex-convict, recently pardoned by President Roosevelt, specifically names Representative Martin Dies, of Texas, for the purge, and has the brazen effrontery to say that the Chairman of the Dies Committee is one of Hitler's Fifth Columnists in the United States.... It would be lamentable if the House should permit to pass unnoticed a charge so grave as this, that one of its members is a traitor to his country....

"The fact that Earl Browder has exposed the Communist inspiration of this effort to punish members of the Congress who have fought Communism lends substance to the charge, recently heard in numerous speeches at the Capitol, that the smear-purge campaign is aimed not merely at individuals in Senate and House, but has for its object the DESTRUCTION OF CONGRESS AS AN INSTITUTION....

"The American people in November will have an opportunity to repudiate the Communist attack on Congress, and to serve notice on these radicals that an attack by them is the highest endorsement that an American statesman could receive. The pardon of Browder, which enabled him to become a preacher of disunity in this country, can be considered only as a most regrettable action."

The real issue is not that a Congressman has been an "isolationist" and therefore must be defeated for reelection, but the fact that he has fought Communism, Nazism, and radical labor leaders. E.g., not only is Rep. Rankin almost a 100% Nuddealer, yet now on the Judeo-Red "purge" list, but one who was 100% on the Nuddeal foreign policy, Rep. Leland M. Ford of Calif., is also on that "purge" list. Ford uses almost 3 1/2 pages of the CONGR. RECORD 7-7-42 to protest his inclusion in that purge.

Ford didn't expose the blood bank pollution danger, but did fight Harry Bridges, Melvyn Douglas, Fritz Kuhn, the Nazi Bund, Fascism! When Senator Taft quizzed Dr. Frank Kingdon, Pres. of Union For Democratic Action (CPH- Communist, Jewish, Liberal spear-head of attack on so-called "isolationists") in Sun. night 7-5-42 WJZ blue network "Wake Up America Hour", this Kingdon admitted that Mr. Ford had voted right, but he was "undemocratic and anti-semitic"!

What an admission to make! If you are, as the record clearly shows, sincerely against Communism, Communistic "fronts", Nazism, and Fascism, you then are "anti-semitic" and therefore must be liquidated. I have always maintained that the Synagogue of Satan (Organized Jewry-Intl. Finance) is back of all of those "isms". By a slip of the tongue one of the chief "fronts" for that Synagogue, Dr. Kingdon, confirms my stand.

Excerpts from J.H. Hoepfel's letter (a Calif. candidate for Congress) 7-11-42 remind you of attempts to bar AID from mails, etc. (he is past Commander: American Legion, U.S.W.V., and V.F.W.): "The Post Office Dept called for three copies each of our periodical issued since Pearl Harbor. That was a month or more ago, and nothing more has been heard from them. However, under date of July 5th, we received a cancellation from an officer subscriber at...., who informed us as follows: 'Please cancel my subscription for the NATIONAL DEFENSE as it has been listed as undesirable literature per letter A.G.O. June 28, 1942.'

"From this it would appear, not having any legitimate alibi to stop our paper, they would use blackmail or boycott, or whatever you would call it, to destroy our subscription list. Looks like we have lost one of the President's Four Freedoms in the War Dept.... Like yourself, we must pray to God for victory and the safety and welfare of our country..."

By contrast, while the lot of the true Christian American patriot is becoming harder, I read in "false prophet" Dr. J. Frank Norris' THE FUNDAMENTALIST 7-10-42 that he wears \$100. hats, "his life-long friend, Mr. Leon Gross of Washer Bros., Ft. Worth, Texas", at his request giving similar one to English Minister of Information, Hon. Brendan Bracken.

Hudson has published a mimeographed pamphlet entitled "America in Danger," the copyhead of which describes it as a weekly paper to expose un-Americanism in education, finance, labor, politics and religion, since 1938. It has from its inception been anti-Administration and anti-Semitic. Prior to December, 1941 Hudson severely criticized the President's foreign policy and advocated noninvolvement in foreign wars, and he made particular efforts to block the passage of the Selective Training and Service Act. Since December, 1941 his writings have been vehemently anti-Semitic.

Hudson's activities have been under investigation by the FBI for a considerable period of time, and copies of all 4 1942 reports, together with copies of his publication, have been referred to the Department which has from time to time requested that inquiries be directed toward one or more particular points of interest. In April, 1942 the Criminal Division advised it was tentatively planned to submit this matter to a Special Grand Jury at Omaha, Nebraska during the week of May 18, 1942. <p>COPIES DESTROYED MAY 2 1961 R367</p> <p>5 - Bureau 2 - Washington Field 1 - USA, Omaha 2 - Omaha</p>		<p><b>RECEIVED</b></p> <p><b>AUG 14 1942</b></p>	

By teletype dated July 3, 1942, the Butte Field Division was requested to cover this meeting and to obtain the contents of any speeches made by Subject. However, it does not appear that Subject was present at this meeting inasmuch as [redacted] Omaha, [redacted] advised that she saw Subject in Omaha on the evening of July 3 and the morning of July 4, 1942.

The report of Special Agent [redacted] of Butte dated July 23, 1942, in the case entitled "American Service Brotherhood, Ultra-American Party; Sedition," Butte origin, reflects that a number of radicals were present at this meeting on July 4 and July 5 at Boise, Idaho, but no mention is made of Subject's presence.

[redacted] furnished the following information:

On June 30, 1942, a car bearing Iowa license 97-20153 stopped two blocks from Subject's home, and the driver called on HUDSON.

On July 12, 1942, an automobile bearing Nebraska license 1-3240 stopped at HUDSON'S home; two men got out and went into Subject's house. One man was apparently a priest, and when he came out of Subject's house, he had a bundle of papers in his arm.

On July 13, 1942, a car bearing Nebraska license 1-30174 stopped at HUDSON'S house and one of the two men who visited HUDSON was the same priest who visited him on July 12, 1942.

On August 4, 1942, [redacted] stated that HUDSON had been gone from his home during the preceding day and that he returned about noon of August 4, 1942, in his own car and took into the house a large box, which appeared to be quite heavy.

On July 8, 1942, CHARLES HUDSON appeared at the Omaha Office and stated he had received several letters from [redacted] Alexandria, Virginia. He displayed one letter and wanted to know if the watermark on it is a Government watermark. He remarked that he had held the letter up to the light and had seen a watermark containing an eagle and several stars, and he believed that this meant the writer was a General. He was told by the writer that no opinion or information could be given to him by the Bureau on this Subject inasmuch as he is a private citizen. He then stated that he suspected [redacted] is a Government man and that the request for literature which he had received from him was not sincere but was a trap of some kind. The writer declined to comment on this matter.

He then inquired about Mrs. LESLIE EBY, also known as Madame PACQUITA De SHISHMARFFF. He stated that he had understood that she had

*when in [unclear]*

gone to Rome, Italy, to be under the protection of the Catholic Church, but had no information as to whether she was still there or not. HUDSON was informed that if information concerning her whereabouts was available, it could not be furnished to him. He then stated that Mrs. ELIZABETH DILLING and Mrs. LESLIE FRY are the two greatest women of the present century and that they had been a great inspiration to him.

On July 31, 1942, [REDACTED] b7C  
Omaha, brought to the Omaha Office a number of stickers, which she stated she had apparently received from HUDSON. These stickers apparently intended to be placed on letters, contained the statement, "Remember the Hidden TAXES When YOU vote." She also brought a one-page circular on which is depicted a combined American and British flag. Under this flag is the statement: "Is This the Flag of UNION NOW--FEDERAL UNION? (British Imperial World Domination) If so, it is T R E A S O N. Wake Up, Americans! Protect and Preserve O U R F L A G. The Stars and Stripes Forever!" The stickers and circular are being forwarded to the Bureau as an enclosure.

[REDACTED]

It is believed that probably this source is Mrs. LESLIE FRY, also known as Madame PACQUITA De SHISHMAREFF, author of Waters Flowing Eastward. HUDSON has admitted that Mrs. LESLIE FRY has financed a number of trips for him, as noted in the report of Special Agent [REDACTED] made at Omaha 6/19/42.

By letter dated July 18, 1942, the Bureau furnished the following information concerning Mrs. LESLIE FRY:

The records of the Immigration and Naturalization Service indicate that Pacquita Louise de Shishmareff was born of American parents in Paris, France, on February 16, 1882. In these records her occupation is listed as that of writer and publisher, and it appears that she was naturalized as an American citizen at San Francisco, California, on September 19, 1931.

b7C

In interviews with Bureau Agents this individual has advised that her true name is de Shishmareff and that the name "Mrs. Leslie Fry" or "Mrs. Leslie Frye" has been used by her as a pen name in connection with her various writings and publications. She stated that she lost her American citizenship through marriage to a Russian in 1906. According to her statement, her husband was a Captain in the Russian Imperialist Army during the Czarist regime and has been deceased for more than twelve years. She advised that she has two sons, one named [REDACTED] who lives in London, and the other named [REDACTED], who resides at Los Angeles and is employed as an interior decorator.

In correspondence with various persons and in interviews with Bureau Agents, Mrs. Fry has admitted that she was a member of the Militant Christian Patriots and the American League of Christian Women, both at Los Angeles. She stated she was a member of these organizations from approximately 1936 to 1939, and described them as being "rather loosely knit organizations" designed for the purpose of combating Communism. She further admitted that she was the editor of the "Christian Free Press," an anti-Semitic and anti-Communist publication. Mrs. Fry is also the author of a book entitled "Waters Flowing Eastward," which has been characterized as an anti-Communist treatise.

b7C

According to information received during the first part of 1940 from one [REDACTED] of Los Angeles, California, Mrs. Fry was at one time rather closely associated with Charles B. Hudson and General Moseley. Allegedly, the former distributed certain charts which Mrs. Fry published during the summer of 1939.

United States Attorney JOSEPH T. VOTAVA stated that Subject had been indicted July 22, 1942, in Washington, D. C., and furnished a copy of the complaint issued at Omaha on July 23, 1942, which copy is being retained in the Omaha file in this matter.

By teletype dated July 24, 1942, the Bureau was advised that Subject had surrendered to the United States Marshal at Omaha on the same date; was arraigned and released under \$5,000 bond for his appearance in the Federal Court in Washington for a violation of Section 11 of Title 18 and Section 34 of Title 50, United States Code.

On August 7, 1942, Subject's criminal record was received from the Bureau and is set out below:

As Charles Bartlett Hudson, #88837, PD, Washington, D. C., on 4/9/42, contempt of court.

As Charles Bartlett Hudson, #\_\_\_\_, USM, Washington, D. C., on 4/9/42, contempt.

As Charles B. Hudson, #58426, D. C. Jail, Wash., D. C., on 4/9/42, contempt; disp., 3 mos. given 10 days to purge himself, 4/14/42, rel. by court.

As Chas. B. Hudson, #2627, USM, Omaha, Nebr., on 7/24/42, vio. Sedition Act.

As Charles B. Hudson, #\_\_\_\_, USM, Wash., D. C., on 7/29/42, Sec. 11 Title 18 and Sec. 34 Title 50 USC.

■ SPECIAL BULLETIN    "MOTHERS MARCH ON WASHINGTON TO IMPEACH FDR"    Feb. 14, 1941

YOUR HELP NEEDED FOR THIS CRUSADE. While there are several hundred women in Washington who have arrived from other states, their numbers should be reinforced AT ONCE. Mothers have come to the capitol from all walks of life and from many different states. Many of them left home 'on a shoe-string,' hoping that by such sacrifice, their presence would add to the force of the command to the Senate to kill H.R. 1776 and put a halt to the step that would definitely spell the death of the Republic.

REASON, TRUTH, and JUSTICE have been thrown out the window. Not one single witness before either of the Committees has been able to show that H.R. 1776, if passed, will enable the rendering of any greater or quicker assistance to the Allies. Yet that is supposed to be reason for the alleged necessity to pass this bill.

MORE BEHIND this legislation than just 'aid to Britain.' This bill is but part of a more inclusive plan for making permanent the socialization of both the United States and England. That is reason why certain forces in this country are literally moving heaven and earth through New Deal administration in order to get it across. Democratic congressmen are being intimidated and marked out for political liquidation if they use their votes in any way to hinder passage of bill, either by voting against it or by voting in favor of amendments to curb its deadlines.

WHAT YOU CAN DO

1. Telegraph or write (send letter airmail) to your own Senator and all other Senators with whom you are acquainted. Get your friends to do same. Do not delay. No need to tell you to waste no time on New Deal Charlie McCarthys. Neither is it necessary to write Senators who are putting up valiant fight in this crisis. From informed sources we are able to classify some of the Senators to be worked on, in the following manner:

UNCERTAIN: McFarland, Ariz.; Russel, Ga.; Gillette, Ia.; Chavez, New Mex.; Gerry, Rhode Island.

FAVORABLE WITH RESERVATIONS: Wallgren, Wash.; Bailey, No. Car.; Barbour, New Jersey; Brewster, Me.; White, Me.; Ball, Minn.; Truman, Mo.; Murray, Mon.; Ellender, La.; Maloney, Conn.

PROBABLY OPPOSED: Aiken, Vt.; Smith, So. Car.; Davis, Pa.; Holman, Ore.; Boey, New Ham.; Butler, Neb.; Tydings, Md.; Lodge, Mass.; Capper, Kansas; Downey, Calif.; Johnson, Col.; Reynolds, No. Car.

2. If you possibly can, COME TO WASHINGTON. Join the crusade. If you can't come personally, then call in some of your friends and make arrangements to send some one who can make trip. If this impossible, then send financial help for mothers who have already come to Washington and who are still arriving, making the trip solely on faith. Whatever financial help that can be sent to Elizabeth Dilling, c/o Hotel Plaza, Washington, D.C., will go

towards assisting in carrying on this Crusade. Pennies are being stretched into dimes and dimes into dollars.

YOUR HELP IS NEEDED - HASTE IS NECESSARY. Time does not allow description in this bulletin of what is going on here in Washington. Senators who understand the situation are agreed that this crusade is the only thing that has a chance of defeating the dictatorship bill. ACT AT ONCE. Come or send help to Elizabeth Billing, c/o Hotel Plaza, Washington, D. C. NOW!

This case was assigned to the Reno Police Department and by letter dated June 22, 1942, received in the Salt Lake City office June 24, 1942, the Reno Police Department advised as follows:

On June 22, 1942, with a letter received from the Federal Bureau of Investigation, Salt Lake City, under date July 1, 1941, concerning the distribution of a mimeographed bulletin entitled 'America is in Danger'. Conducted a preliminary investigation and has ascertained the following facts:

BULLETIN NO. 318.

AUGUST 31, 1942.

WIN THE WAR - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD HELP AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

INDICTMENT. Consensus is - real "conspiracy" is against Christians! Have limited number of 11-p. copies of 28-p. Indictment. At 6¢ for postage alone, cannot make wide distribution. Some persons getting this AID! have not yet come to our "aid". You respond - and will gladly send you copy of Indictment that is, even before trial - said to be in Oct. - making history. Outstanding legal minds like Senators Taft and Brooks have courageously, on floor of Congress, warned of evil implications bound up in this "conspiracy" charge against 28 citizens, some good Americans, some convicted and jailed, and others I personally had never heard of before. Readers of AID! know that I have never even attempted to conspire with anyone or any group of any kind.

This AID! may prove to be fitting climax to years since Sept. 1, 1935 in which all my time, talents and efforts been directed towards exposing "enemies" of Christ - the real conspirators plotting to destroy our Christian Constitutional Representative Republic, and drive us into a worldwide dictatorship. Help is needed to fight.

REVIEW. Without having known that there was a set of predictions - rather the plan of action - enunciated in 1929, yet AID! predictions gathered from various sources hit quite close to that plan as events unfolded. Since AID! has always been against all dictatorships (being only pro-Christ and pro-America), maybe that is the real reason why your editor is included in the so-called "conspiracy" charge. Maybe, too, even the few who were being warned thru AID! as that Satanic plan unfolded, were more than the Synagogue of Satan (Organized Jewry-Intl. Finance) cared or dared let be acquainted with the TRUTH.

At close of this bulletin you will learn about a booklet whose content would appear too fantastic, but for fact that the Bible, Heavens, and Pyramid of Gizeh are its Witnesses. When your editor started out informing himself and others, what, by Grace of God, he dug up from time to time, appeared "fantastic" to educated and successful business and professional men. But in short space of 7 years, many of those "fantasies" have become all too real "realities". Hopeless outlook in present (getting worse) conditions thruout world confirms but one possible salvation - that of the early return of Christ Jesus to rule justly but with a rod of iron over the wicked still on earth.

Prepare yourself for astounding revelations by first reading brief review of some of the predictions found in AID! - from Jan. 1940 on:

B#200 (1-22-40): "...the world would be as good as divided into two zones of Jewish influence, one under the Rothschilds (England, France, etc.), and the other under the Warburgs (Germany, Russia, etc.). World slavery would thus be complete!..."

B#203 (2-12-40): "...Prof. A. A. Berle...advances theory 'that while the USA has kept out of war, it cannot keep out of the peace... must underwrite the financial, monetary and economic restoration of Europe - or else our own classic economic system would have to be revised... USA will have to save Europe to save itself..."

B#205 (2-26-40): "...Rabbi David Cohen excuses and exhorts Jewry in NewYear's edition (9-8-39, p.50) of leading Jewish weekly EMANU-EL & The JEWISH JOURNAL of SanFrancisco, with: 'A war in Europe will be of some good if the reactionary elements in all countries kill each other off or wear each other out. This is a gruesome hope (for Jewry plans to rule world). But what other alternative is there?...' Since only Christians and Gentiles do the fighting, when you read 'reactionary elements', you know what the Rabbis mean... THE PATRIOT (London, 2-8-40) tells how Christian Englishmen are being persecuted; how Jewish 'refugees' are not permitted to serve in front line troops in present war, but are placed in non-combatant corps, yet naturalised and dressed as soldiers... that Jew Hore-Belisha (ex-minister of War, now propagandist for a new Lg. of Nations)...(gave) a marriage allowance to any woman who has been living with a soldier for more than 6 months,

whether married or not..."

B#207 (3-11-40): "...Rev. Theo. N. Lewis, Brooklyn, NY. The New Testament is the ultimate source of anti-Semitism.. I.e., the BIBLE is full of lies, and Anti-Semitism will only cease in the world when Christians also can be 'educated' to reject Christ!.." Or, as found in B#255 (3-10-41): "...how reminiscent of Jew-ruled Soviet Russia with its death sentence for anti-Semites, to read...: 'Willkie said: "I regard anti-Semitism as a criminal movement and every anti-Semite as a traitor to America"..'.."

B#216 (5-13-40): "...How interesting that part-Jew Churchill became Prime Minister 5-19-40 as Organized Jewry press prophesied, practically to the day (see B#214).. That recently appointed Jew Genl. H. G. Winkelman, comdr-in-chief of Holland, can be depended upon to betray Christian Dutch as Jew Beck betrayed Christian Poles. That our prophecy that the 'control' would make it appear that the Allies are being beaten in order to suck USA into the war to save 'democracy', with Hitler invading Belgium and Holland, has already come true. ..JEWISH PRESS 5-10-40.. confirms our long ago stated belief that Hitler is under occult control (i.e., Organized Jewry-Intl. Finance), being moved as in a chess game to force a desired move by so-called Allies - all to create worldwide dictatorships: '..Adolf still times his important moves according to the horoscope cast by the Jewish "neocromancer" Mamussen..' ..THE PATRIOT 4-18-40: '..The idea that the Jew influence in the Soviets has given way to a Nationalistic policy is also utterly erroneous... (in Donnetz region) 'All the chief posts are occupied by Jews..'.."

B#295 (12-16-41): "...JEWISH REVIEW 12-11-41 froths over fact that Rev. Geo. A. Simons (pastor Christ Methodist Church, New York City) was pastor of Petrograd Methodist Church from 1907 to 1918, and testified before the Senate Judiciary Com. on 2-22-1919, that the Russian Revolution was a Yiddish Plot, that it would not have been a success had it not been for support it got from certain elements in New York, and that of the 388 men on the Petrograd Soviet, only 16 were Russians, 'the rest Jews - 265 from East Side of New York'.."

B#217 (5-20-40): "...Dr. Sacher plainly says that the Anti-Defamation League does not work in the open, but 'it has utilized the experience and technique of 25 years of service. It has operated thru trained representatives in more than 500 American communities ..' .. Now 5-9-40 PUBLICITY.. says the British Ministry of Information states that while over 3,000,000 Britishers are now under arms, only 234 Jews serve in Army! Excuse.. is that the Intl. Jewish Congress secured exemption of all Jews from military service in both English and French armies 'on grounds that if they were taken prisoners by the Germans they would be subjected to all kinds of persecutions'.. JEWISH PRESS 5-17-40: Hitler awarded Knight's Cross of the Iron Cross to 'Goering's genealogically non-Aryan righthand man, Genl. Erhart Milch... If it's any consolation to you (Jews), it was Milch who directed the operation of the Nazi air force in Norway'..."

B#220 (6-10-40): "...all dictators will try to seize Palestine and Suez Canal.. If we permit Satan to win USA over into a dictatorship (thru the pepped-up false 'emergencies' we hear so much today), and into participation at Armageddon, with our armed forces abroad depriving us of protection at home against the millions of criminals in our midst, then trained leaders (many from Spain now in Mexico) under Jew Trotsky, aided by the real '5th column' (such as Organized Jewry and their 'twice-accursed proselytes among non-Jews' - as Christ referred to them - in 'key' positions in political, labor, educational, religious, medical, and domiciled army and navy circles), will stage a local Armageddon terrible to contemplate... Organized Jewry-Intl. Finance using present war as excuse for using USA as 'control' over all the Americas.."

B#227 (7-29-40): "...it was Jew Genl. Huntzinger who signed French armistice with Hitler.. 7-19-40 JEWISH PRESS: '..Not only has Judenfresser Adolf arranged his entire career in accordance with horoscope cast for him by Jewish astrologer Hanussen, but it now appears that Hitler is timing his entire blitzkrieg to gibe with the prognostications of the 16th-century Jewish soothsayer Michael Nostradamus, who, as we reminded you a couple of weeks ago, foretold the fall of Paris after an axial attack from the east..'.."

B#230 (8-19-40): "...how significant that just the past week Britain accedes to Japan's requests for removal of British soldiers from Shanghai, leaving our forces in that hot spot.... mineral wealth, estimated by June '40 JEWISH FORUM, in petroleum alone in Dead Sea area, to be worth \$1,200 BILLION, or about 4 times total wealth of entire USA... you realize that over 5½ years ago our Congress and Administration were again warned that our petroleum (more important today than powder for protection) would only last 8 to 10 years! .."

B#232 (9-2-40): "...Demaree Bess (8-31-40 SATEVEPOST)..written at Paris.. 'there was the incessant roar of planes flying low over the city. We had seen none of these things

in Paris during the previous nine months of the year.. cc ms our repeated observations that there have been no real attempts to bomb hearts (Paris, London or Berlin (if done would have ended war in hurry), because Jews own most property therein.. Carl H. Mote.. '...Frank E. Gannett told a radio announcer during the Republican national convention he had personally discussed the "gold standard" with Herr Schacht and that Herr Hitler's finance minister said Germany would return to a metallic standard, once peace is established...'.."

B#233 (9-9-40): "...the harm done to military objectives, dock and harbor facilities is astonishingly small' even on English coast reached not only by thousands of Nazi planes but by guns on French soil. Reliable a reporter as H.R. Knickerbocker who had 'personally visited every port from Margate to Portsmouth, interviewed police, air-raid wardens, citizens,,,' calls this the 'poor man's war' in that '..90% of homes destroyed.. those of workers and small shop keepers..'.."

B#237 (10-7-40): "...now the press agrees that Hitler will not invade England.."

B#253 (2-3-41): "...SATEVEPOST.. Demaree Bess.. 'The Bitter Fate of Holland'...'Some of the homes had been hit by bombs.. British planes came only after dark.. The shipyard itself, so far as we could discover, had not been hit.. We had to search long to find any traces of aerial damage in Amsterdam (property there owned by Jews)..'.."

B#254 (3-3-41): "...to remind you what is behind the 'control's' plans, read on p. 293 of his own book 'THE WORLD CRISIS', part-Jew Churchill's suggested tactic to get your sons and mine overseas: 'It ought to be possible to organize in Canada an American volunteer force amounting to at least a division, which could go into action as such. Nothing will bring American sympathy along with us so much as American blood shed in the field..'.."

B#259 (4-7-41): "...the number of German, Italian and Danish ships in our ports seized by the NUDEAL is finally given as '69' - total of 6 and 9 is '15' - which signifies 'WAR'. 1941 adds up to '15', as did 1914. April is month in which USA went to war - Revolutionary War, with Mexico, Civil War, with Spain, and WorldWarI, all major wars.."

B#267 (6-2-41) claimed in 1941 it would be July-Aug. instead of April; and that Jewry would possess Palestine when Armageddon comes about Fall of 1947. B#287 (10-21-41) reminded that AID! been prophesying that eventually all of Europe would be under Berlin, larger empire than ever under London, and Americas under Washington; that the religio-democratic technique would be used to hook us into such dictatorship; that the 1940 presidential election would not be bonafide; that Willkie, under same control as FDR, would sell-out the anti-NUDEALERS; that the war in Europe would be a fake, designed to scare us under military dictatorship, and that I OK'd Col.Lindbergh's intimation that there'll be no bonafide Congressional election in 1942. That July-Aug. act of war prediction was fulfilled when FDR gave Navy order "to shoot on sight" on July 31, 1941. And B#279 (8-26-41) quoted Churchill saying FDR and he had jointly pledged total war at Atlantic Conference in that first week of Aug., which 8 points assigned no part to Christianity, yet both USA and Briton had been founded as Christian nations. B#299 (2-5-42) confirmed the Atlantic Conference plot when Churchill told Parliament 1-27-42 that he and FDR had an understanding that if Japan did not attack, the USA would, which took place 12-7-41. Then B#297 (1-19-42) recalled that 3 years before AID! had predicted that "by 1942" the USA would be under military-economic dictatorship, urging Christians to realize that "by 1944" the Yellow Race led by those called "Jews" to be pitted against what is left of White Race. And B#294 (12-9-41) stated there is an under-cover worldwide movement (see B#293) which is preparing certain leaderships, press, and organizations for springing upon the world that which will pretend to be a 'peace' movement or plan.. a WORLD PEACE POTENTATE to head a world super-power - all in guise of religion, democracy and peace; the UNION NOW movement being an entering wedge to that world super-power plan.

B#265 (5-19-41): "...IS WAR IMMINENTM.. While we are defenceless in every way, we are still supplying both sides in that phony war abroad - shipping 50,000 barrels of oil; 15,000,000 gallons of gasoline a day to Japan.. Stripping ourselves in a war designed to clamp military-economic dictatorships on all nations, in which poor Britain's losses in 18 months about equal our auto accident toll. I.e., press 5-17-41 gives British official report of only 35,756 (mostly civilians) killed by German air-raiders; with Navy losing but 11,204 killed and missing. Yes, we are to enter that crazy war.."

B#264 (5-14-41): "...'If Germany now turns to Palestine, acting according to plan, the immigration of German Jews to that country may have quite different explanation from the one generally accepted - viz. that of persecution..'.. ..as I see it,.. some or larger number of German Jews sent to USA, came for same purpose - to 'take-over'! AID! #135,

9-18-1938, first advocated idea that said 'persecution' was merely a blind by which to transplant several hundred thousand or more Red Jews from Europe to USA, and it was excerpts from that article that traitor Martin Dies read into the record as proof that I was a jew-baiting racketeer - dangerous - to whom??? Since 1938 Jewish Armies have been mobilized - here and in Palestine. Since it was Jews and their agents in Key positions that betrayed Christians in nations of Europe into needless slaughter and eventual surrender, it is logical to expect Jewish Army of Palestine to do likewise. That's why Organized Jewry right now (CBH- even more intensely now Aug.'42) bringing pressure on British Govt (which still has some Christians in key positions, particularly in Army), to permit Jews to have their own separate Army in Palestine.." (CBH- Synagogue of Satan now wants from 100,000 to 250,000 Jewish Army to welcome - not fight - combined Red-Nazi-Turk armies, now heading for Palestine and its mineral wealth).

"THE SUPER DECEIVER ON THE WORLD HORIZON"- by Jas.C.Hollenbeck (Box 5575 Metro Stn, Los Angeles, Cal.-\$1.) This Archaeologist, recognized authority in Translation of Ancient Manuscripts, especially those of Bible, scientific investigator of mysteries of the mind and its attendant phenomena as practiced in India, Tibet, Afghanistan & Haiti, lectured in 1938 on Continent and in England. His latest book tells of interviews he had in March 1929 with, and predictions-plans announced by, Prince Abdul Baraba Baha, who claims to be GOD! He is the Anti-Christ! He performs miracles aping those of Jesus Christ. He is a descendant of Abraham thru Ishmael, counting as ancestors (according to Genealogy in Bible and in Genealogical Records in Library of Congress, Washington, D.C.) such terrible dictators as Nebuchadnezzar, Bolshazzar, Alexander the Great, the prophet Mohammed, and many Sultans of Turkey infamous for their slaughters of Christians!

In releasing the prophecies to be fulfilled, the author claims such statements as made by Prince Abdul Baraba Baha, in March 1929, are for reference only: In 1942, India to be invaded by Japan; world's greatest naval battle to occur in South Pacific; the military might of the Northern Country would sweep southward into eastern Germany, then in a most strange manner it would suddenly turn in a southeasterly direction to Turkey. In the meantime, thru "secret diplomacy" Germany and Turkey would combine, joining forces with the "Northern Country" on a grand sweep to the oil fields of Iraq and Iran and then on to the Suez. "If this occurs, it will surely surprise the world."

Also in 1942, Australian cities would be bombed by the Japanese. Germany would suffer appalling losses from severe bombings, with large areas of her industrial cities in smoldering ruins. Same for London and other English cities - bombing to be worst of the war. German and Italian forces would have some success in Northern Africa, but due to revolt of natives would meet with severe losses. Cities there would be in utter ruins from countless bombings. Japanese cities would be bombed, terrorizing the Japanese.

In 1943: USA would not be invaded, but would suffer considerably from internal disturbances, due to saboteurs and alien enemies. Cairo and Alexandria to be bombed. A strange and deadly plague would break out in Central Europe (see B#299 for my predictions-CBH) and would spread to all parts of the continent and bring an appalling death toll. The same plague would then spread to every part of the world, and would be the most destructive one to ever visit the earth.

Revolt would break out in France and spread to Belgium and Holland, and finally to Germany and Italy, until all of Central Europe is in a state of siege to overthrow the Dictators. Scenes equalling the Dark Ages would return. A great revolt of tremendous proportions would sweep thru all the Orient, in defiance of the Japanese and their Rule of Terror.

In 1944: With Europe and Orient in revolt, and disorder everywhere, the War would begin to show signs of waning as the nations' fighting spirit would be spent. The "United Nations" would make every effort to bring "Peace out of Chaos", but the difficulty would be so insurmountable as to make it the most unparalleled task in all of human history.

Dr.Hollenbeck says this Prince (Anti-Christ) is already accepted by the Moslems as their Messiah, and by leaders of Jewry who have a magnificent replica of the Temple of Solomon already built in sections under guards in various American and European ports ready to be assembled at Jerusalem. When world is in chaos this Prince will perform such a miracle as to be accepted by many misled Christians as well as by Orientals. Fantastic! So were many predictions in AID! past 7 years. I consider it my Christian duty to call your attention to Dr.Hollenbeck's booklet. Read it carefully - prayerfully! God keep you.

4. It was further a part of the aforesaid conspiracy that the said defendants, and divers other persons to the Grand Jurors unknown, would use and make use of the publications, groups, organizations and committees, hereinbefore in paragraphs two and three of this indictment referred to and the Congressional Record, to publish, convey to and urge upon members of the military and naval forces of the United States of America and the people of the United States of America, for the purpose of obstructing, and designed and intended to impede, obstruct and defeat the preparation of our national defenses against aggression and invasion and the National War Effort, among other things in substance, that:

(i). The war now raging in all parts of the world, commonly known as "The War for Survival", is a dishonest war waged at the expense and measured in blood and dollars of the people of the United States solely for the benefit of and to insure the continuance of world domination by "International Jewry-Organized Finance", "British-American Capitalists", "British Imperialists", "International Bankers", "International Capitalists", "Mongolian Jews", Communists and other persons and groups opposed to our republican form of government;

(ii). The duly elected holders of public office and the Government of the United States are controlled by Communists and members of the Communist Internationale who are seeking to destroy the Constitution of the United States and our republican form of government and substitute therefor a Communist form of government under the rule of a dictatorship;

(iii). The people of the United States are being forced by dishonest, corrupt, and traitorous public officials to finance a war against nations and people who are friendly to the United States, and who have no aggressive designs upon the United States;

(iv). By supplying arms and munitions and other implements of war to the Government of Soviet Russia the Government of the United States is giving aid and comfort to a foreign power whose agents have already filtered into high public offices in the Government seeking to destroy the republican form of government of the United States and to prepare the way for the said foreign power to take possession of the United States;

(v). Germany and Italy have committed no aggressive act against any nation and are fighting a solely defensive war against British Imperialism, American Capitalists, and the desire of American public officials to rule the world, hence any act of war against them or either of them is unjust and immoral on the part of the United States;

(vi). The Japanese war against China is morally right and just and constitutes an effort by the Japanese to establish right and justice in territory formerly ruled by anarchists, brigands and Communists lying within the Japanese sphere of influence;

(vii). The Axis Powers are fighting to free the world from domination by Communism

and International Jewry, hence the United States should give no aid and comfort to the enemies of the Axis;

(viii). An honorable and just peace could be brought about speedily were it not for the opposition of Communists and International Jewry;

(ix). The peoples of nations opposed to the Axis Powers are politically and morally decadent, corrupt and degenerate;

(x). The cause of the Axis Powers is the cause of justice and morality;

(xi). To give aid to any of the nations and peoples opposed to the Axis Powers is to encourage the growth and spread of Communism;

(xii). If the Axis Powers are defeated all of Europe and Asia will be ruled by a Communistic form of Government;

(xiii). The nations opposed to the Axis Powers are not in fact friendly to the United States but are seeking under the guise of friendship and community of interest and ideals to obtain from the United States money, materials and men with which to fight an unjust war;

(xiv). The only interest the nations opposed to the Axis Powers have in the United States is how much in money and materials of war they can get from the United States free;

(xv). Great Britain is planning to destroy the independence of the United States and force the United States into a national union with the British Empire;

(xvi). As a result of sending and giving American arms, equipment and materials of war to foreign nations which are opposed to and seeking to destroy American ideals and our republican form of government, United States military and naval forces, inadequately armed, equipped and led, are being exposed to terrible physical hardships, diseases and death and are being "slaughtered like sheep";

(xvii). No real danger exists anywhere in the world to the United States, its possessions or its republican form of government;

(xviii). The Japanese attack upon Pearl Harbor was instigated by Great Britain.

5. It was further a part of the said conspiracy and one of the ends to the accomplishment thereof that said defendants, and divers other persons to the Grand Jurors unknown, would carry on a systematic campaign of personal vilification and defamation of the public officials of the United States Government and to that end would advise, counsel, urge, persuade and convince members of the military and naval forces of the United States and the people of the United States that such public officials are traitorous, corrupt, dishonest, incompetent, un-American and mentally unbalanced, among other things in substance, that;

(i). The holders of public office duly elected by the people to administer the affairs of the Government of the United States and other officials of the Federal Government are traitorous, dishonest, and corrupt and are dominated and controlled by foreign and domestic persons, groups and organizations and foreign governments seeking the overthrow of the Constitution of the United States and utterly opposed to American ideals of freedom and liberty;

(ii). The United States is governed, not by the duly elected representatives of the people, but by a secret foreign group of persons and organizations opposed to American principles and ideals and seeking to overthrow the Constitution of the United States;

(iii). The duly elected representatives of the people of the United States deliberately have violated their oath of office to support the Constitution and are planning to involve the United States in war as a means of enabling them to overthrow the Constitution and substitute government by a dictator for our republican form of government;

(iv). The war with Japan was provoked deliberately by officials of the United States Government as a means of enabling them to seize permanent control of the government of the United States under the guise of military necessity;

(v). The officials of the United States Government are bent on conquering the whole world and to that end have provoked war with Germany, Italy and Japan in order to have an excuse for sending American troops to far corners of the world in order to carry out their plan of world conquest;

(vi). "The War for Survival" was plotted deliberately by public officials of the United States who are in league with and members of the Communist Internationale;

(vii). The public officials of the United States, in violation of their oath to support and defend the Constitution, are plotting and planning to force the United States into a permanent political union with Great Britain and thus destroy our independence;

(viii). The public officials of the United States are atheistic and anti-religious;

(ix). The acts, proclamations and orders of the public officials of the United States are dishonest, illegal, corrupt and in direct violation of the Constitution of the United States;

(x). As a result of illegal and corrupt orders given by public officials members of the military and naval forces of the United States needlessly have lost their lives;

(xi). The public officials of the United States are insane murderers bent on ruling the whole world;

(xii). The public officials of the United States are squandering the wealth of the nation in order to carry out their plan for world dominion;

(xiii). The public officials of the United States are anti-Christian, Marxian dictators;

(xiv). The public officials of the United States are sacrificing deliberately the defense of the United States of America to rush to the defense of Godless, corrupt and degenerate nations;

(xv). The public officials of the United States are Judas-like betrayers of their country;

(xvi). The public officials of the United States are planning to mingle the blood of Negroes, criminals and Jews with that of Christian-American soldiers and sailors by means of transfusions and so-called "blood banks" with the deliberate intent and purpose of corrupting the blood of the said Christian-American soldiers and sailors.

It being the plan and purpose of said defendants, and divers other persons to the Grand Jurors unknown, to destroy the morale and faith and confidence of the members of the military and naval forces of the United States and the people of the United States in their public officials and republican form of government, the said defendants, and divers other persons to the Grand Jurors unknown, planning and intending to seize upon and use and misuse the right of freedom of speech and of the press to spread their disloyal doctrines, intending and believing that any nation allowing to its people the right of freedom of speech and of the press is powerless to defend itself against enemies masquerading as patriots and seeking to obstruct, impede, breakdown and destroy the proper functioning of its republican form of government under the guise of honest criticism, the said defendants, and divers other persons to the Grand Jurors unknown, knowing full well and intending that a government bereft of the faith and confidence of the members of the military and naval forces and of the people is powerless to defend the nation or the people against armed attack from without or treachery from within and cannot long survive.

6. It was further a part of the aforesaid conspiracy and a means to the accomplishment of the end and purpose thereof that the said defendants, and divers other persons to the Grand Jurors unknown, would use and make use of the instrumentalities hereinbefore described in paragraphs two and three of this indictment, in a continuous and systematic campaign of written and printed opposition and sabotage against any and all efforts of public officials of the United States to arouse the members of the military and naval forces of the United States and the American people to a realization of the grave and imminent danger threatening the national existence of the United States, and to this end would, by means of the instrumentalities hereinbefore described in paragraphs two and three of this indictment, advise, counsel, urge, persuade and convince members of the military and naval forces and the American people in substance, among other things, that:

(i). The activities and territorial acquisitions and plans of the Axis Powers constitute no real danger to the national existence and security of the United States or any of its territorial possessions;

(ii). None of the Axis Powers has any intention of threatening the United States, nor any designs upon or plans for the destruction of, or the conquest of the United

States or any of its territorial possessions;

(iii). Any expansion, strengthening or modernization of our armed forces, either by compulsory military training or otherwise, not only is unnecessary but is part of a deliberate plot and scheme designed by our public officials to involve the United States in a war in which the United States has no interest, either of self-defense or otherwise;

(iv). The public officials of the United States of America are trying deliberately to provoke war with peaceful nations, such as Germany, Italy and Japan, which are seeking only to live at peace with the world in general and the United States in particular;

(v). It is impossible from a military standpoint for any of the Axis Powers to wage war successfully against the United States or any of its possessions or to seize and occupy any United States territory;

(vi). The plan of the public officials of the United States Government to keep war away from America by giving aid and support to the nations at war against the Axis Powers is in reality part of a scheme deliberately to involve America in a foreign war;

(vii). The United States should refrain from interference in the "War for Survival" in any manner whatever and should keep its military and naval forces at home until such time as any nation actually attacks the United States;

(viii). The policy of hemispheric solidarity and Pan American cooperation for defense sponsored by the United States is doomed to failure because the people of Latin America are physically degenerate and politically corrupt;

(ix). The actions taken by Germany, Italy and Japan are justified in the eyes of God and far from being acts of aggression against, or a threat to the existence of any nation, constituting merely an attempt to throw off the yoke of harsh and unjust restrictions imposed upon the so-called Axis Powers by the Monroe Doctrine and by Great Britain and her allies of the first World War;

(x). Statements by public officials of the United States of America to the effect that it is in the best interests of the United States to aid nations opposed to the Axis Powers are false and designed to conceal from the people the true fact that such public officials are under the control and domination of British Imperialists and International Jews seeking only to serve their own interests at the expense of the people of the United States of America;

(xi). The public officials of the United States are guilty of murdering American soldiers and sailors killed while carrying out the illegal orders of such public officials.

7. It was further a part of the said conspiracy and one of the means to the accomplishment of the end and purpose thereof that the said defendants, and divers other persons to the Grand Jurors unknown, for the purposes hereinabove set forth, would print and publish and cause to be printed and published in the said publications, newspapers, periodicals, magazines, pamphlets, leaflets, documents and other writings, articles and writings to the following effect, among others:

(i). "Roosevelt should be impeached".

(ii). "No longer can it be claimed that this is a war to preserve democracy or one fought in behalf of any other government than the British Empire".

(iii). "There is no hope for America or England unless they repudiate their present leaders".

(iv). "And all this Jewish, Negro, and NOW -- penitentiary criminals donating to 'blood bank' holds terrible consequences for our white race. Mixing blood strains through 'transfusions' easily done with so many Jewish doctors and internes in hospitals and armed forces".

(v). "A man may be ever so good at home, but once he goes to take office the many powers now ruling the country are waiting for him and will either buy him away from those who elected him or break him if he proves recalcitrant. There is absolutely no use placing men in office until first we have removed the system and traitorous people at the top who corrupt our representatives as fast as we put them in office".

(vi). "Do not neglect your arsenals. Buy arms and keep them in a place where they are readily accessible. No immediate emergency foreseen, but there is no time to prepare like NOW. Also keep a plentiful supply of ammunition and do not let it

become over a year old it will deteriorate".

(vii). "Back in February 1912 Miss Troy reported that the official mouthpiece of the Duke of Connaught claimed that England's alliance with Japan was made to offer the tempting bait of the Philippines as a reward of the services which Japan must be ever prepared and ready to offer if necessary ... was the attack on Pearl Harbor that 'service', seeing as U.S.A. was slow entering the war, and the giving of Singapore another part of that bargain".

(viii). "The lesson to be learned from all this is that the Second American Revolution is due before very long (when national bankruptcy and starvation have forced the people into it) and only the Communists are prepared for it".

(ix). "On many occasions and in many wars Britain has shown that she would rather see half the population of Europe murdered than to give up her 'balance of power' and cease being the 'the policeman of Europe'".

(x). "If other nations allow the British to use them, that is not Britain's shame but the shame of the other nations. These other nations are so many prostitutes who do the master's bidding whenever he beckons".

(xi). "Thus the present war is a struggle for survival between the European peoples and the British Empire".

(xii). "Britain and France, preparing feverishly to make war on Germany to save their international bankers, suffered the effects of their own system. Money first, men second. Labor disputes and strikes, public discontent, political favoritism and money squandered on useless war preparations, graft, corruption, antagonistic groups fighting one another, battles between capitalists over the awarding of fat contracts, etc. The Germans, placing men first and money far in the background, utilizing every resource without endless disputes and political tangles, working on a Barter basis, held the advantage".

(xiii). "The Japs did Sunday just what Secretary of State Hull and his war-mongering pal, Lord Halifax of London, have been longing for. They attacked Honolulu and the Philippines. Now the U.S. has a war on its hands. So then what?"

(xiv). "The British and French (not the people, but their Jewish overlords) opened the war by declaring it against Germany in September 1939".

(xv). "The set-to between the U.S. and Japan is now taking the lives of hoards of fine, upstanding, American boys and chiefly to protect possessions that we are none too proud of. Are they worth the sacrifice?"

(xvi). "Germany has no designs on America or any other country. She wants no war, but she is determined to defend the New Order against the old Gold Lorn order".

(xvii). "End the war quickly".

(xviii). "For over two years we have been 'blitzing' Japan. Embargoes, giving arms, airplanes and men to the Chinese puppet government to kill Japs with. Small wonder the Japanese felt they were fighting America and Britain, not China. Chiang-Kai-Shek was a Chinese bandit. He took power by force, not election, and he is merely the Chinese stooge for British-American capitalism".

(xix). "While being fed pledges of peace we were led deliberately into the European slaughterhouse. And now we wave flags and applaud public scoundrels and knaves who did the job".

(xx). "We are in the war. We must fight it out. We must fight for 'national defense', which is a trick word employed by our leaders to cover an aggressive war to enable American capitalists to hold on to their ill-gotten gains in other countries".

(xxi). "But, fear not! At the height of his career the occupant of the WhiteHouse will suddenly pass on to his reward. A man-of-the-hour will arise and save your nation from the destruction which has been 'Planned that way'".

(xxii). "If we lose, the common people will lose; if we win, the common people will lose. Only super-capitalism will emerge the winner, not the people. It is to protect and defend the exploitation and ownership of vast property in all parts of the world of super-capitalism that the common people are being called upon to fight for, not 'national defense'. We are to send troops all over the world to fight, which could hardly be called a 'defensive' war".

(xxiii). "We propose that all Americans unite in denouncing domination of other peoples by any nation whatsoever. That they unite in urging the earliest possible ending of the present profitless conflict".

(xxiv). "The UN-PATRIOTIC, INTERNATIONAL leaders of the New Deal, who think of all others first and America last, who have lied to and deceived the American people who trusted them with great power and who have plunged the nation into foreign wars in which we stand to lose much and gain nothing, and who control the propaganda in America -- these traitors are raising a great hue and cry against FASCISM in America, falsely leading the people to believe that an American Fascist is a 'fifth columnist'".

(xxv). "The false leaders do not like PATRIOTIC societies opposed to communism and lying, deceiving, traitorous public officials".

(xxvi). "Any professed servant of Christ who could aid the church-burning, clergy-murdering, God-hating Soviet regime belongs either in the ranks of blind leaders of the blind or in the Ancient and Dishonorable Order of Judas".

(xxvii). "That boy said to me, insubstance, 'How come that the fighting planes and the bombers and the ships were not provided to aid my brother in making his fight for his country? How come they were over in the other, the eastern hemisphere?' And did I have an answer? No. There was no answer, except the one that we had sent the fighting planes, the bombers, the destroyers to aid Britain".

(xxviii). "Of course great numbers of Americans hate Hitler. Why shouldn't they when all the sinister forces in our country have done everything in their power to lie about him, to withhold the truth about him, to malign, vilify and misrepresent him?"

(xxix). "Yes, of course, millions of Americans hate Hitler, but the amazing thing is that probably many millions more have seen through this hate-hysteria and greatly admire the fine work he is doing for his people".

(xxx). "Ever since the President had his conference with Churchill on the high seas, we have been hearing from editorial writers, radio commentators, and New Deal spokesmen of the United Nations. Now comes a member of the President's Cabinet, Ickes; a member of the United States Supreme Court, Roberts; both of whom have sworn to uphold and defend the Constitution, and add their endorsement to the Judaslike betrayal of our people into and as one of a United States of the World."

(xxxi). "Is not Franklin Delano Roosevelt satisfied with being a third-time President of the United States, an honor which the patriotism of Washington forbade him to accept? Is he not satisfied with his opportunity of conquering the whole world, far greater than in Alexander's day? Are his spokesmen behind this move to surrender our independence, our national existence; become a part of a United States of the World, and make Franklin Delano Roosevelt the president of that world nation?"

(xxxii). "And yet these men, like Judas, who betrayed his Master, would, before we are fairly in this war, betray our people; surrender our independence; connive to destroy our liberty and our freedom. They would surrender that for which the war is being fought -- our national existence -- before the war is fairly begun".

(xxxiii). "Meanwhile, there is increasing advocacy of Fascism. It is mainly from young college men and women who now realize that they have been exploited by bribed professors and universities, and Jewish control of foundations and endowments. They declare that Hitler, Mussolini and Franco 'must be right', and that they will repudiate the new-deal national indebtedness. This reaction is spontaneous, following a revelation of a small part of the truth".

(xxxiv). "The aim of the International Financiers (Jewish) is world control by the creation of inextinguishable debt".

(xxxv). "Before making up his mind on the subject of a negotiated peace, Churchill ordered American Ambassador John G. Winant to Washington, to learn from Roosevelt whether or not the United States would promise to go ALL THE WAY, in a war on the side of England. Winant flew from London to Washington. For a few hours, Franklin Delano Roosevelt held the destiny of the world in his hands -- and had power to determine whether the war should continue. Being spokesman and representative for international Jewry. . . having inaugurated a system of Semitic control at Washington, his natural aversion to that phase of the Nazi philosophy which professes to be a reaction against Jewry is understandable. The scales were tipped on the side of continued warfare".

(xxxvi). "We have by every act and deed performable aggressively solicited war with the Axis."

(xxxvii). "The mighty 'Empire' on which the sun never sets is just sitting back waiting patiently for the good old U.S.A. to come to her rescue again".

(xxxviii). "Movies of the President, speaking on the war issue, give me the idea that he fairly smacks his lips about war to police the world to enforce the four freedoms, so-called".

(xxxix). "Radio gives the idea he relishes the proposed conflict, so bloody".

(xl). "Says Death Awaits U.S. Boys in Africa".

(xli). "There is unspeakable chagrin in Washington because our boys are not blazing away on the firing line."

(xlii). "True national defense does not, never did, and never will mean that America's first line of defense is in Europe, Asia, Africa or anywhere but in the United States of America".

(xliii). "AID RUSSIA AN INSULT TO GOD"

"What American Christian mother will want her son to fight and die in Soviet Red Russia or anywhere else in the world for the Rotten Red Flag, for Communism and World Revolution?"

(xliv). "We prepare for Germany, but if Britain wins, a war with Britain is probable -- most likely -- if we are unprepared".

(xlv). "Britain is a potential post war enemy and making her stronger than the U.S. at American taxpayers' expense is not National Defense, but will split our country, and is pure Treason".

(xlvi). "The price of every article and commodity will be fixed by the Government, solely for benefit of Jewish Speculators".

(xlvii). "In short, your white-livered and yellow-striped members of Congress gave and surrendered to the Mongolian Jew controlled Administration the right to take the shirt from your back and the gold from your teeth; and further permitting your wife and daughter to be regimented, enslaved and forced into prostitution".

(xlviii). "One must not be deceived by the pacific humanitarianism of the vocabulary of the White House. Mr. Roosevelt has perfectly understood that war is the one opportunity of allowing the Hebrew comrades of His Brain Trust to revenge themselves and to re-conquer Central Europe. Another war in which America would take the initiative or even active participation . . . seeing that the French and English were weakening he took the trouble to telephone personally to Sir John Simon and said to him: 'Go ahead, we will support you'".

(xlix). "But the British are not far behind in this talent for publicity reversals. With a fifth of the earth's people kept under their rule by force, they bleat of fighting to liberate subject populations. Fighting now for the triumph of the bloodiest dictatorship ever known -- Soviet Russia -- they microphone to listening Americans their pious horror of dictatorships".

(L). "We Propose

"That all Americans unite in denouncing domination of other peoples by any nation whatsoever.

"That they unite in urging the earliest possible ending of the present profitless conflict".

(CBH- the "Overt Acts" read the same except that Nos. 1 and 6 naming Dennett, Hill, and Viereck are omitted; also Quigley Adams box No. is "219" in No. 4 hereof, while in No. 5 above it is shown as "919" - maybe a typographical error, and maybe not. It is very

interesting, in this connection, to note my observations (w).

Contrary to the form of the statutes in such case made and provided (Section 11 of Title 18, United States Code and Section 34 of Title 50, United States Code), and against the peace and dignity of the United States of America.

JOHN T. M. REDDAN, Special Assistant to the Attorney General.

4327 Grant St., Omaha, Nebr. 8-11-42.

Dear Friend of the Cause of Justice and Righteousness:-

The foregoing is a condensation of the 28-page legal size indictment which charges me with very serious crimes, to which I plead "not guilty" when arraigned before Justice Morris at Washington, D.C., on July 30, 1942. The Judge kindly granted me until Aug. 20, 1942 in which to file motions, and notify the Court whether or not I had succeeded in securing counsel at Washington, so that in event of being unsuccessful the Court could assign counsel for me. The Judge was informed that the matter of counsel was dependent upon our ability to raise sufficient funds.

The wife and I are very grateful for the prayerful letters, kind words, and sums remitted so far - a few anonymously. None of the contributions have been large, but after paying for the \$5,000. bond, which thankfully was acceptable at Washington, and for some legal services rendered to date, and for the trip to Washington for formal arraignment, and increased telephone, telegraph, and mailing, postage, supplies, etc. expenses, we are glad to report a balance that is a starter towards the necessarily larger amount that will be necessary to enable us to fight this case to the finish.

We will try to get out a bulletin now and then to keep our friends informed, but the work incident to this affair is tremendous, and is requiring many days and nights.

We thank those attorneys who have already volunteered their services - gratis, for doing the research work, and for mere expenses in case their presence and talents will be required at Washington. Mr. Maloney tentatively asked the Court for the trial to be week of Oct. 7, 1942. As yet, we have no permanent counsel at Washington, D.C.

For some reason, while the press seems to say nothing about it, your editor is named 3 times each in the Overt Acts 9 and 7 respectively, and Mrs. Dilling twice in each case. It is noteworthy that outside of Dennett, Hill and Vierack, who are only named in the first 9 Overt Acts, the Garners, de Aryan, Kullgren, Mrs. Dilling and myself all have made their attacks on the "isms" and warnings to the Administration strictly from the standpoint of Christians basing their activities on the Bible and the Constitution of the United States, and on the Christian philosophies of our Founding Fathers. Of the 27 besides myself there are 13 that I have never met, and some of them that I had never heard of before. No doubt there will be a Judas or two who will attempt to involve some of us with false charges. That is the very nature of a conspiracy charge. I have never conspired, nor attempted to conspire, with anyone. AID! bulletins speak for themselves.

After AID! Nos. 314 and 316 exposed that "Jefferson Bream" herein is none other than "Dillard Stokes", the Washington Post 7-24-42 admits the identity, and also that Stokes is also the "Quigley Adams", but does not admit that he is apparently also the "R. Gaynor Dunsmore", discussed in #316. May God protect and bless you, who help us in this hour of trial.

For Christ & Country, CHAS. B. HUDSON.

Dear Sir:

By teletype dated July 2, 1942, in the above captioned matter, the Denver Field Division advised the Omaha and Butte Offices of a meeting to be held at Boise, Idaho, on July 4, 1942, and at which it was believed Subject would be present. By teletype dated July 3, 1942, the Omaha Office requested that this meeting be covered.

This is to advise that a convention involving the Ultramerican Party and the Yankee Freemen, apparently the same as that referred to in reference report, has been covered by this office and the results set out in the report of Special Agent [REDACTED] Butte, Montana, dated July 26, 1942, in the case entitled "AMERICAN SERVICE BROTHERHOOD, ULTRAMERICAN PARTY; SEDITION", Butte origin.

Copies of this report have been designated for the Omaha and Denver Field Divisions, and instant matter is being considered referred upon completion to the Omaha Office.

Very truly yours,

MEMORANDUM FOR MR. J. EDGAR HOOVER  
DIRECTOR, FEDERAL BUREAU OF INVESTIGATION

I attach hereto a list of individuals as to whom complaints have been received indicating possible violations of statutes within the Bureau's jurisdiction. As to certain of them, I believe current investigations are pending. It will be appreciated if you will make available at your earliest convenience summaries of any information and copies of any reports in your files, other than those previously furnished, concerning these subjects. For your assistance, I am also attaching a list of all of the reports reflected by the records of the Division of Communications and Records to have been forwarded by the Bureau to the Department in any of these cases.

In this connection it will be further appreciated if you will also procure and forward photostatic or other copies of all income or other tax returns as well as any supporting documents filed by these persons for the years 1939 to 1941, inclusive. In those cases in which the individuals have been identified by the Bureau with suspected subversive organizations, copies of the organizational returns, if any, are also requested. Any comment which the Bureau may care to make in the summaries asked for concerning the relevancy of any information appearing in such returns will be of assistance.

It is contemplated that the Treasury Department may be asked to make a field examination in certain of these cases and I should like to be advised as to whether such action will prejudice or interfere with any pending investigation or other action which the Bureau may have in mind. Any request for such examination made to the Treasury Department, of course, will include a request that the Bureau be offered an opportunity to participate therein.

MEMORANDUM FOR MR. LAWRENCE M. C. SMITH  
CHIEF, SPECIAL WAR POLICIES UNIT

RECORDED

Reference is made to your memorandum bearing reference "RPW," which is undated but was received at this Bureau October 13, 1942, and requested all available information and the securing of income tax returns concerning Elizabeth Dilling, Charles Hudson, Gerald L. K. Smith and [REDACTED]

Please be advised this Bureau has conducted no investigation in connection with its war effort concerning [REDACTED] of Chicago, Illinois.

All pertinent data have been furnished the Department in the cases relative to [REDACTED] and Gerald L. K. Smith.

Although no advice has been received from the Department in the premises, you will no doubt recall there has been considerable publicity apparently emanating from the Department to the effect that Elizabeth Dilling, [REDACTED] and Charles Hudson were among twenty-eight individuals indicted by a Federal Grand Jury in the District of Columbia on the charge of conspiracy to commit sedition and that these persons are awaiting trial pursuant to that charge. Mr. Ugo Carusi, Executive Assistant to the Attorney General, has recently advised me of the Attorney General's desire that this Bureau locate [REDACTED] another of the defendants indicted along with the three named hereinbefore in this paragraph. The Attorney General's desire in this regard is, of course, being complied with. All pertinent data in the files of the F.B.I. concerning these four persons have been furnished the Department, and you may wish to contact the Criminal Division concerning them as that Division would appear to be in possession of the facts in which you are interested.

In view of the above, no further action will be taken based on your memorandum pending receipt of a further request from you. Further, in view of the expressions of interest which have emanated from the Department in the past concerning those persons named hereinbefore other than [REDACTED] I am offering no comment in answer to your query concerning the relevancy of the information made available to you.

SEDITION

Dear Sir:

Reference is made to the report of Special Agent [REDACTED] dated at Omaha, Nebraska, April 11, 1942 in the above-entitled case which sets out an undeveloped lead for the Miami Field Division to ascertain the identity and reputation of Professor L. BOLDT, Hotel Albern, St. Petersburg, Florida who has corresponded with the subject. b7c

The Professor BOLDT mentioned in this lead has been ascertained to be identical with DR. HERMANN JOHANNES BOLDT concerning whom the Miami Field Division is presently conducting an investigation.

A copy of this letter is being designated for the Omaha Field Division, and there are being enclosed with this copy two copies of the summary report of Special Agent [REDACTED] dated at Miami, Florida, October 8, 1942 in the BOLDT case, which it is believed will furnish adequate information concerning this person. b7c

The HUDSON case in view of the foregoing is being considered REFERRED UPON COMPLETION TO THE OFFICE OF ORIGIN.

Weekly expose of un-Americanism in Education, Finance, Labor, Politics, and Religion.

BULLETIN NO. 319.

NOVEMBER 18, 1941

**WIN THE WAR** - Singing: "ONWARD CHRISTIAN SOLDIERS!" "GOD HELP AMERICA!"  
- Praying: "From Satan's Henchmen, Good Lord deliver us. Amen!"

**THANKSGIVING** Those who may have been afraid of the Talmudist Gestapo, should have courage. In press nor over radio have I heard mentioned the "real" answer to the Republican landslide of Nov. 3, yet it seems to be on everyone's lips (proving "control" over press and radio): "My vote against FDR-blessed candidates was a protest vote against the Jewish Nudael!"

Therefore, if you, dear reader, are one of those who felt that discretion prompted you to refrain from sending financial aid to AID!, you can be thankful there were some who had courage to help get the "TRUTH" to the American people. Wife and I cannot ever thank enough those who enabled us to carry-on. And we thank those "unknowns" who not only anonymously sent us aid, but did so to others who have been doing their part in educating Americans to the fact of a "real conspiracy". Below are a few of many current event proofs of that "conspiracy" against Christendom -- against you, if you are a Christian. After reading this bulletin, I hope a few from whom we have not yet had financial assistance, will remit substantially - anonymously if you must. This appeal does not apply to those who have already done their part. May God bless and protect you all!

**INDICTMENT.** Here's a sidelight on that "conspiracy". Dept. of Justice sent me this wire: "YOUR APPEARANCE SET BEFORE JUSTICE JAMES PROCTOR DISTRICT OF COLUMBIA TEN O'CLOCK FRIDAY MORNING OCTOBER TWENTY THIRD REGARDING LOCAL COUNSEL AND MOTIONS."

Since this telegram of Oct. 13 was first word from Washington since filing my Plea in Abatement on Aug. 14, attacking legality of the Indictment, we understood that there would be a hearing by the Court, not only on my Plea but on other motions filed by several of the defendants. Since some defendants had adequate counsel to debate such motions, and whatever decision arrived at by the Court would apply to all Pleas in Abatement, and since I do not yet have funds to hire the kind of counsel such an important trial on its merits deserves, I appeared in person before the Court.

That telegram (trick it appears) caused me unnecessary expense - thus eating into our limited funds being slowly accumulated for use in event of the trial proper. However, I had satisfaction of hearing Judge warn Wm. Power Maloney of Dept. of Justice that hereafter any correspondence with any of the defendants should be handled properly. He reminded Maloney too that I was not guilty of holding up Govt's prosecution, as he claimed, for the Court could hold no hearings on the motions until after the Govt had answered the Pleas that had been filed, which Govt had not done. Understand legally Govt should have answered my Plea by Aug. 19. Altho Court room crowded, and press present, nothing on this appeared in the newspapers.

After 5 meetings with 2 Judges, on 2 separate days (requiring me away from home 10 days, and expenses incident thereto), and after telling the Judge that in all my trips to Washington and contacts with different Federal agencies and personnel, I had been treated as a gentleman and was appreciative (with single exception of that Dept. of Justice), I acquiesced to Judge's request. He gave me until Nov. 6 to secure counsel there, or he would appoint. Consequently, counsel highly recommended, Mr. H. L. McCormick (Munsey Bldg., Washington, D.C.) was hired to represent me when hearings on Pleas in Abatement are held. I still do not have definite assurance as to trial counsel should it occur. Mr. McCormick cannot handle as he represents Mr. Lyman.

Treatment accorded me (and other defendants) by representatives of the Dept. of Justice reminds one of W. M. Kiplinger's article in Sept. "READER'S DIGEST" entitled, "JEWS IN WASHINGTON", wherein he describes the Dept. of Justice, saying: "Jews are so numerous, it is no wonder that the public which deals with them get the idea that Jews are quite as numerous in the whole government."

That this Talmudic "take-over" continues, not only in "key" positions at top of the

- 2 -

atorship-machine being setup, but also in back-stage "key" spots; I learned firsthand. I met a young Jew newspaperman from New York who was moving to Washington, having been appointed a "ghost writer" for Donald Nelson's War Production Board. Key writes speeches and articles for press for WPB dept. heads. Also, a Rabbi moved into Washington, having secured a \$5,000. job in the Administration. Upon suggesting he might get located quicker if he called on his Congressman, he said it was not necessary for him to have to make such contacts to get the job he wanted.

CONSPIRACY. Walter Winchell, one of mouthpieces for the Talmudic conspirator continues to try to poison people's minds against certain of the 28 indicted July 23, 1942 "conspiracy to commit sedition". Witness his 11-8-42 "desecration of Christian Sabbath", gloating that certain friends of one of the 28 (CCH - I hold no brief for this Smythe) had been arrested and others would be. In same breath saying Atty. Genl. Biddle is studying "internment laws", Winchell belittles any possible Communist threat to USA - pointing to small Communist vote on Nov. 3. Communist Party is and never was a "political" party, seeking its objectives thru the ballot - even Biddle has said so. It runs candidates in States where permitted to do so, merely for propaganda purposes, and to fool the public. Communist movements are but spokes of the Talmudic "world-slavery conspiracy" wheel now in motion killing off Christians and other obstructionists as it rolls towards its goal of 1945 (see B#318).

Witness CP Secy Earl Browder, recently released from prison by FDR, going into Ill. and campaigning against re-election of Sen. Brooks, who was wounded 7 times in World War while traitor Browder was a "slacker" in Federal prison. Notwithstanding Nudael and Communist opposition, Brooks was re-elected, as was Repr. Stephen Day, another thorn in side of Nudael. Another large thorn, Repr. Clare Hoffman was re-elected in Mich. with 69% of total vote cast, highest % ever, yet he rightfully warns against complacency in powerful speech - see CONGR. RECORD 11-12-42. All Cerald L. K. Smith did in Mich. was to jeopardize election of Republican Senatorial candidate. Defeated Sen. Brown is Nudael leader.

Sen. Norris was defeated (a shock to Nudaelors) because Nebraskans have slowly been getting their eyes opened as to who are behind him. Sen.-elect Wherry polled almost as many votes as Norris & Foster May (local Red whom AID! had exposed from time to time) together, despite big ads, big names, labor & FDR-blessings of Norris. Norris polled no better in his County than in State, and in 1936, of \$17,392.15 spent on his campaign (with \$40,902.94 spent in interest of FDR & Norris), only \$3,088. was given in Nebr., and not 1 cent came from his own home town! You can fool people only so long....

Even pro-Nudael columnist Raymond Clapper, way back on 9-26-42, voiced his fears of USA going into a dictatorship. Westbrook Pegler and Paul Mallon (and others) in past week commented darkly upon the queer notions of "democracy" voiced by V-P Henry Wallace at huge Communist celebration at New York City, Pegler reminding that Wallace is successor to FDR should anything happen to him. AID! long ago exposed the dictatorship complex of Henry-the-livestock-killer, cloaked under ballyhooed mysticism and so-called religion. Henry advocated Talmudic Intl. Finance for world control over all peoples, in reality the kind of "slavery" to which Christ objected. He desecrated Christian Sabbath further by advocating treatment of women as in Russia - as cattle and concubines. Despite this ballyhooed "planned-that-way" World Order is really that of the Antichrist, yet as AID! predicted some years ago, more and more emphasis is being laid on "religion" - a tactic to fool, as Christ prophesied, "even the elect". Note how many new leaders now are letting it be known thru controlled press releases that they are now "for" prayers, that their wives read them to sleep "from the Bible", that only the Allied Nations are fighting for "religion", etc. For fanatical "religion" none of them can equal the Japanese. Isn't it time for Christians in America and British Empire to realize that "Christianity" and "religion" are not synonymous? That the same control motivating the Axis powers has already bored from within and practically completed the "take-over" of Christendom?

As far as I know, AID! was first to expose that Dewey & Willkie were, and are under the "control". Sincere Republicans called me "defeatist" and AID! lost some subscribers at that time, but history has proven our estimate of Willkie was correct. He now goes to bat before Supreme Court on behalf of Russian-born alien W. Schneiderman (Jew?) and is rewarded by being awarded the AMERICAN HEBREW MEDAL for 1942. And all the world knows about his belling for a "Second Front" by USA & Britain to aid alleged ally Russia!

Beginning with #102 (1-16-1938), AIDI proved Dewey 9 tests, were radical voters, predicting there would be a political buildup for him, and that he might head Gestapo in USA. How pertinent is this editorial, almost 5 years later - from largest circulation weekly newspaper in America (Jewish) - THE JEWISH EXAMINER of Brooklyn, dated 11-6-42: "TO GOVERNOR-ELECT DEWEY - OUR LAST WORD ON THE gubernatorial campaign was an observation that while Messrs. Dewey and Bennett had been outspoken in denouncing race hatred, they had failed to give a definite pledge of legislative action to outlaw that disease. Our first word to Mr. Dewey, the successful candidate, is to inform him that we have no intention of abandoning our efforts to obtain legislation in this state to deal with the bigots. We repeat our oft-restated belief that racial discrimination and violence can be abolished by law.

"Governor-elect Dewey ought, on his record, to be the ideal man to crush the Jew-hate racket; he rose to fame on the strength of his racket-busting zeal and surely the technique involved in cleansing the community of such abhorrent elements as the Christian Front differs very little from that he was so successful with in driving the 'commercial' gangsters out of business..." (CHH- note the "anti-Christian hate."

Dewey is on Council Against Intolerance in America, whose Research Director is Communist Jew Jas. Waterman Wise, son of Rabbi Stephen S. Wise, who is also on this "Council" along with Nudalists, Financiers, Publishers, Educators, Labor Leaders, & Clergymen).

Now that there is ballyhoo for Dewey, Willkie, & Stassen as possible Republican presidential timber for 1944, well to remember that Stassen praises both Dewey & Willkie, and seems to be under the "control". Experience teaches no one is given press ballyhoo unless he is. However, as AIDI maintained from 1938 on that the 1940 presidential election would not be "bonafide" - and it certainly wasn't (no more than New Yorkers had any real choice for Gov. in 1942), I still maintain, unless a miracle happens, none in 1944. See B#318 for some of my reasons -- also for ANTI-CHRIST's program for next 3 years.

The "oft-stated belief" of Synagogue of Satan (Organized Jewry-Intl. Finance) is repeated forcibly in 10-2-42 JEWISH EXAMINER. Recalling that the type of clergymen who spout "brotherhood-of-man" (not "Brothers-in-Christ"), "Fellowship of Faiths", "Federal Council of Churches", "League of Nations", "Nat'l. Conference of Christians & Jews", etc., propaganda is symbolized in the editor of this leading Jewish paper, one Rabbi Louis D. Gross, please read horrifying implications in leading editorial: "HOW TO ABOLISH ANTI-SEMITISM":

"NOW, IN WARTIME, THERE IS a penalty for sedition to curb the howling and tireless anti-Semites. But let us remember that they are merely checked - not obliterated - and that only because they are deemed a detriment to the war effort has the government moved against them at all... If we (Jewry) are apprehensive, it is because of the make-shift, stop-gap, complacent nature of the action taken against the anti-Semites... After the war - what?

"The answer is: After the war - carte blanche to the Edmondsons, the Hudsons, the Dillings, the Currans and all the rest of that filthy brood of anti-Jewish demagogues - unless the Administration has the foresight to act now..." (CHH- 3 are of 28 indicted for "conspiracy to commit sedition", but Rev. Edw. Lodge Curran is Pres. of Intl. Catholic Truth Society. My warnings against current trends based on fact that Communism, Nazism, Fascism, Nudalism & Talmudism are not only un-Constitutional, un-American, but primarily anti-Christian. Rabbi Gross in these 2 editorials not only demands "state" but "national" legislation to "obliterate" and "exterminate" Protestants and Catholics, men, women and clergymen who stand for Christ & Constitutionalism).

Continuing that editorial: "... necessary to the creation of order and harmony in postwar America; (is the) enactment of national legislation to outlaw... anti-Semitism... such is the fundamental and over-all importance of crushing the bigot brigade that severe penal servitude must be made the reward of anyone in this country guilty of the heinous offense of preaching, practicing and spreading hatred and prejudice and harm against the Jew..." (CHH- this would outlaw preaching from the NEW TESTAMENT!)

"And furthermore, it should be made clear in such legislation that the crime is anti-Semitism, not the vague and indefinable anti-minority, anti-racial or anti-group activities... Nor would America be the pioneer in this matter, the Russians did it many years ago and automatically exterminated their fifth columnists (CHH- i.e., over 42,000,000, mostly CHRISTIANS; by torture, murder, starvation past 25 years), the deadly foe of the nation..." (CHH- what a boast for a Rabbi in USA to make!)

THE JEW, leading Jewish weekly published in Chicago, 8-13-42, also demanded "death penalty" for the 2 indicted by Dept. of Justice. Now that Talmudists (religious Jews who persecute Christians and demand their "extermination") seem so sure of Dewey carrying out their plans, based on his past performances in their behalf, is it, or is it not significant that Atty. Genl. Biddle (asking "death penalty" for sabotage) has submitted a "must" bill which would it is said give Talmudists the national legislation they desire? Isn't it significant, too, that the Indictment rendered against the "Edmondson Hudsons, Dillings, et al" is full of the word "Jew"? And, that, six members of the wealthy Biddle family as early as 1922 were contributors to the Communist movement when it was an underground criminal one?

Yes, Communism is but one phase of TALMUDISM, and following excerpts from Nov. 5, '41 letter by Atty. Geo. E. Sullivan to Pres. Roosevelt, give not only our problem, its solution but also Christ's condemnation of those non-Jews who serve the Talmudists:

"... Let us not forget the recent experiences of the French Republic. France became an easy prey of Hitler, after France had been virtually 'scuttled' during the so-called 'New Deal' administration of the leading Talmudist Leon Blum. The fact that some of your chief advisers are leading Talmudists is naturally disturbing to many loyal Americans, who cannot understand why they still enjoy your confidence and are still taking such prominent parts in American official life. Is it possible that you are unaware that such strange conditions are breeding considerable 'ANTI-SEMITISM' in our great Nation where race hatreds and prejudice should be non-existent? Surely, a truly American remedy should be applied before 'ANTI-SEMITISM' develops any further. The real Talmudists are not the sufferers from 'ANTI-SEMITISM'. The Jewish people generally constitute the sufferers, while the Talmudists repair to places of safety until the storm subsides. You must be well aware that the terms 'Talmudist' and 'Jew' are by no means synonymous. 'Jew' is a racial term. All Jews are not Talmudists, nor are all Talmudists 'Jews'. A Talmudist is one who has adopted the tenets of the Talmud, - a strange and anti-social set of tenets concocted by the Pharisees during the period of the Babylonian exile in the sixth pre-Christian Century (See official 1935 edition of Talmud, with Foreword by Chief Rabbi Hertz, in Library of Congress - RM500 .K6). Proselytes became Talmudists, and, as Christ told the Pharisees, were made -

"the child of hell twofold more than yourselves" (Matt. 23:15).

"The Talmudists seek to rule the Jewish people and all other peoples through the imposition of the Talmudic yoke, - a system 'having relation to every moment of life' so that the victim 'finds himself enmeshed in a net-work of prescriptions, which also in upon him on all sides, and reduce him to never-ending slavery' (THE TALMUD, pp. 85-6, by Arsene Darmesteter, published by The Jewish Publication Society of America).

"... The American people are not going to submit to any yoke, Talmudic, Nazi, Jap, Fascist, or Communist. Nor are they going to permit our AMERICAN CHARTER (U.S. Constitution) to be longer submerged by a lawless and void 'ATLANTIC CHARTER'. They are going to demand that Congress do something about it, and that it also stop the attempted surrender of American Independence through the medium of a World Government set-up. May I express the hope that you (Pres. Roosevelt) will help the efforts of the American people to right the wrongs which have been going on?..."

Mr. Sullivan, author of THE ROAD TO VICTORY, had previously written Pres. Roosevelt: (CBH- I'll mail insured that \$1. book, plus \$1. book PLANNED ECONOMY with its 3 famous Charts, plus 60¢ book THE OCTOPUS, plus copy of that infamous INDICTMENT -- \$2.80 worth for \$2.50). Mr. Sullivan had also written 7-p. letter on 9-25-42 to Congressmen, a "PETITION FOR REDRESS OF GRIEVANCES... URGING CONGRESSIONAL INVESTIGATION OF THE DEPARTMENT OF JUSTICE...", which I understand has caused much "whispering in the cloakrooms".

In it he quoted an article in the leading Jewish magazine - THE AMERICAN HEBREW of 7-24-42, upon which he warned: "... If there is a group or sect in the world so powerful that it can produce a World War in retaliation for anti-Semitism or for any other reason, it is high time that it should be definitely identified..."

Surely all this should drive home the fact that just because the Republicans think they have scored a victory, such revolt on part of Christians at the ballot-box may instead hasten the completion of Talmudic plans for world slavery. There should be no let-down in our out of Congress, by the informed! Watch for "must" legislation that must be scotched, or by Jan. '43 it will be another instance of "too little, too late". That

The Talmudists do much between now and Jan. '43. read those Rabbi-editorials. Now note further proofs that "real conspiracy" is making progress towards its goal of world-enslavement.

The new Czar in another war-effort-reorganization is ex-Justice of Supreme Court Jas. F. Byrnes, Economic Stabilization Director, but his "brain-truster" is longtime nudealer-behind-scenes "legislation-writer", Ben Cohen. Chas. E. Wilson, ex-employee of Jewish Genl. Electric Co., now Co-Chmn of War Production Bd supervising production of war supplies, has as his "Executive Asst.", another longtime Nudealer-behind-scenes, one Jew Mordecai Ezekiel, who more than anyone else is reputed as "brain-truster" for Secys. of Agriculture Wallace, Wickard, et al, to be responsible for chaos in agriculture -- so much chaos that Congressmen warn that starvation is ahead for Americans. Hard-boiled Jeffers, Czar over rubber, is longtime employee and ex-Pres. of Union Pacific RR, a Jew Kuhn-Loeb outfit. Reminding that Donald Nelson, with his Jewish "ghost writers", War Production Czar, was longtime employee of Jewish Sears-Roebuck. Wonder if our exposure of his all-day sitting in Synagogue in Sept. '39, wearing black skull-cap, has anything to do with rumours he is on way out - probably to England. Current Govt film urging scrap collection finds Czar Nelson explaining in detail how housewives must fix tin cans for scrap, etc., all the while trying to look serious or fierce - hard to tell which. His explanation of junk yards full of scrap "that it is so necessary" was pretty weak taken in conjunction with same film's statement that "in 30 days steel mills will have to shut down for lack of scrap". Now it is said that longtime Communist Jew Sidney Hillman will have more to do with manpower, now that more and more regimentation is planned for girls, boys, men and women. It is openly admitted in press that World War I Czar Jew Bernard Baruch and Jew Justice Felix Frankfurter practically run the White House. I don't often recommend Nudeal propaganda magazine "LIFE", but the pages of pictures in 1026-42 issue captioned: "THE WHITE HOUSE GANG" - 42 of 'em - tells the story to any halfway informed Christian American better than I can.

That fake war! JEWISH EXAMINER 10-30-42 front-pages Donald Nelson's picture with captions: "FAVORS JEWISH ARMY" "JEWISH ARMY GETS 'PRIORITY' FROM NELSON". Same issue glows about 100 Jews at Ft. Leonard Wood, Mo. attending Sept. New Year's services, having been given time off for that purpose; admits that "only about 260 men of Jewish faith are at Ft. Wood". Since this is a large camp (understand at the time 12,000 men were on maneuvers alone), the Christian thus has Jewish proof that (with possible exception of supply depts.) there are nowhere near the percentage of Jews in armed forces that they claim. Understand Christians have had to insist certain Draft Boards quit exempting Jews.

While British official Govt release for 11-16-42 states only 47,000 been killed (56,000 injured) past 37 months of war by Nazi bombers, USA losses in only 11 months and 5 days now total 48,956 (includes wounded, missing, captured). Yet we are thousands of miles away from our enemies while England's are but minutes away. While 2,750,000 home (to cause Britons to hate Germans) have been damaged, how strange that British shipyard continue to turn out battleships, airplane and munitions factories continue to increase flow of instruments of war? London AP 10-21-42 reports 2 new 35,000-ton battleships, Anson & Howe, begun in 1937, now completed and at sea. Significantly, London AP report 10-18-42 that the 287-acre Krupp of France armament factory making big guns for Germany was bombed for the first time of the war by RAF. Recall that last March (after 2 1/2 years of war), the London PATRIOT reported that millions of soldiers in English army camps have yet to fire a shot in anger or hear a bomb explode. Britisher on radio couple Sundays ago, broadcasting from London re RAF exploits on continent, stated they left Berlin alone. Thus, as AID! predicted when war started - little damage would be done to military objectives on both sides as reward for staging that war in which USA was to be inveigled one way or another in order to facilitate setting up military-economic-political dictatorship over USA. According to London PATRIOT 10-22-42, Britain had less than 1 division of armed troops when German Army had over 200 divisions at Dunkirk disaster. Why didn't Hitler invade England then? - if it wasn't a part of a bargain behind the scenes, similar to Churchill's boast in Jan. '42 that in Aug. '41, out on the Atlantic (where illegal ATLANTIC CHARTER born), he had arranged with FDR that if Japan didn't strike USA, the USA would strike Japan. Let's win this war quickly and stop such "Talmudic intrigue"! AP 10-7-42 quotes Britains representative, Sir Robert Wilkins, at Louisville, Ky., warning: "If all goes well with the Japanese they are counting on support of half of Russia, India, and China, when the Orientals align themselves against the White Race." She had never heard either SCHENK or his wife say anything about Hitler, but she said that neither of them appear to be in favor of this country very much. On one occasion Mrs. SCHENK said that she didn't like to live her in Battle Creek near the defense plants because of the danger of being bombed, and that she was going to move to Chicago. [REDACTED] advised that they lived very quietly, rarely had visitors, and do almost no traveling. She advised that he is employed at the Battle Creek Foods Company as a janitor.

Dec. 1, 1942.

Mr. Walter Winchell,  
N.Y. Daily Mirror,  
New York.

Dear Sir:

I wonder if you have seen the subversive sheet called "America in Danger", which is published by Charles B. Hudson, 4327 Grant St., Omaha, Neb.

Enclosed is one page from his "Bulletin No. 319, Nov. 18, 1942". The paragraph which I have bracketed indicates the misleading and under-handed nature of this publication. Because, of course, the British figures as to killed and wounded refer only to civilians and not military losses, while our losses include these. Hudson does not point out the discrepancy.

This is only one small sample of the anti-demitic, anti-British and therefore anti-American bilge that this unhampered (I got this sheet by mail) renegade sneaks out.

Yours truly,

██

Keep up your good work!

[REDACTED] tenant of an adjoining apartment in the same building advised that she is acquainted with [REDACTED] and believes her to be mentally unbalanced. She stated that [REDACTED] is a maiden lady about 50 years of age, who lives alone, has no company and spends a lot of time in the bathroom shouting to herself and cursing. [REDACTED] stated that for a long time she suspected that [REDACTED] was talking to someone else in her apartment, but after observing [REDACTED] go in and out of the apartment on several occasions alone, she ascertained that [REDACTED] must be talking to herself. She said that the words used by [REDACTED] were so terrible that she does not care to repeat them.

[REDACTED] said that on one occasion she addressed [REDACTED] on the stairs in the apartment in an effort to be friendly, and that [REDACTED] just stared beyond her, and said "I don't know you".

b7c [REDACTED] advised that [REDACTED] is crazy, and that he believes "she is just an old maid who wants a man". He stated that she is constantly shouting and cursing to herself and disturbing other tenants in the building, but that she pays her rent regularly, and takes good care of her apartment, and is otherwise a good tenant. On one occasion [REDACTED] said he was standing in the hall outside [REDACTED] apartment, and heard her swearing "God damn, God damn, I'll kill him, I'll kill him". [REDACTED] said he became alarmed, and therefore went and unlocked the apartment, and that [REDACTED] stuck her head out of the bathroom door and berated him for coming in to her apartment. [REDACTED] said that [REDACTED] is employed at the City Hall, Chicago, and that although he has heard her talking and cursing to herself a great deal he has never heard her say anything against the government of the United States.

AT EVANSTON, ILLINOIS

The writer ascertained that LUCY SHELTON STEWARD resides alone in a large 2½ story frame house at 2110 Orrington Avenue, Evanston.

[REDACTED] of MISS STEWARD, advised that MISS STEWARD is an old lady 72 years of age, who was educated at Northwestern University in Evanston, and has lived in Evanston all her life. [REDACTED] stated that MISS STEWARD lives alone in the house, which apparently was left to her by her family. She stated that MISS STEWARD has always been very much opposed to the New Deal, and is a member of the D.A.R., and some mothers' organization, possibly "We, the Mothers Mobilize, Inc." [REDACTED] stated that she is very well acquainted with MISS STEWARD and believes her to be harmless and certainly not in favor of the Nazi form of government. She said that MISS STEWARD has been emphatic

~~SECRET~~

~~CONFIDENTIAL~~

~~SECRET~~ ~~CONFIDENTIAL~~

b7c | in her refusal to be regimented by the New Deal, and that MISS STEWARD refused to sign up for sugar rationing because of her desire not be regimented. [redacted] also said that MISS STEWARD sends out campaign literature for Congressman STEPHEN DAY, who is being strongly supported for reelection by the Chicago Tribune, and MISS STEWARD once said to [redacted] "The FBI will probably be investigating me pretty soon".

[redacted] said that MISS STEWARD has very antiquated old fashioned ideas, lives all by herself in memory of the past, and has to have something to occupy her mind. She said that therefore MISS STEWARD has probably over-emphasized her feelings against the present administration, but that MISS STEWARD is certainly not subversive, and would not knowingly do anything to cooperate with the enemy.

During the latter part of May 1942 the writer had a conversation with MRS. ELIZABETH DILLING at the office of the Patriotic Research Bureau, 8 S. Dearborn, Chicago, Illinois, and again outside the chambers of the Federal grand jury in the U. S. Post Office in Chicago. On one of these occasions, the writer is not able to recall which, MRS. DILLING told the writer that her good friend CHARLIE HUDSON has been put in handcuffs by the FBI and taken to Washington for persecution by the New Deal administration. She also stated that "Poor old Charlie" is just a penniless preacher fighting Communism and the New Deal Communists. MRS. DILLING further advised the writer that she is the author of "The Octopus", and not CHARLIE HUDSON, and that HUDSON has merely distributed a few copies of the publication for her.

It is noted in the report of Special Agent [redacted] made at Omaha, Nebraska May 17, 1942, that subject has received mail from the Anglo-Saxon Federation of America, room 834 McCormick Building, Chicago, Illinois. It is noted that the Anglo-Saxon Federation is an anti-Semitic organization with offices in Chicago, and that its activities in Chicago have been supported, publicized, and it is believed partially financed by ELIZABETH DILLING and "We, the Mothers Mobilize, Inc." b7c

In the reference report, it is set out that [REDACTED] advised that on July 12, 1942, an automobile bearing Nebraska license 1-3240 stopped at HUDSON'S home, and two men got out and entered HUDSON'S house. One man was apparently a priest, and when he came out of Subject's house, he had a bundle of papers in his arm.

On July 13, 1942, a car bearing Nebraska license plate 1-30174 stopped at HUDSON'S home and two men got out, one of whom appeared to be the same priest who visited him on July 12, 1942. At the Auto License Bureau, Douglas County Court House, it was ascertained that an automobile bearing license plates 1-3240, was owned by the [REDACTED] and this automobile is a Ford Tudor Sedan, 1940 Model. It was ascertained that the automobile bearing Nebraska license plates 1-30174 was owned by [REDACTED]. This automobile is a Plymouth Tudor Sedan, 1941 Model.

In the report of Special Agent [REDACTED] made at Omaha October 2, 1942, in the case entitled "AMERICA FIRST COMMITTEE; INTERNAL SECURITY - G," of which Chicago is origin, reference is made to [REDACTED]

-67c-  
live at [REDACTED] It was also ascertained that the automobile bearing Iowa license 97-20153 belongs to HUDSON'S sister, [REDACTED] who resides in Council Bluffs, Iowa. It is noted that reference report states that an automobile bearing the above-mentioned license plate stopped at HUDSON'S home on July 12, 1942.

In an article published in the Omaha World-Herald January 5, 1942<sup>3?</sup>, it was stated that CHARLES B. HUDSON and 32 other defendants were indicted in Washington, D. C., by the Federal Grand Jury for violation of the wartime Sedition Statute in that they conspired to impair the morale of the Armed Forces. This article further stated that this indictment differed from the previous indictment against Subject and others in that it charged a conspiracy to undermine the morale of the Armed Forces, which began in 1933 and continued to date. This article pointed out that in this indictment five new persons were named. They are as follows: GEORGE E. DEATHERAGE of St. Albans, West Virginia; [REDACTED] of Chicago and Seattle; [REDACTED] Tacoma, Washington; PAQUITA De SHISHMAREFF alias Mrs. Paquita de Shishmarova alias Mrs. Leslie Fry, of Glendale, California, and New York City; and [REDACTED] Los Angeles, California. The new indictment also named [REDACTED] as a co-conspirator, but not as a defendant. The article published in the World-Herald indicated that this case would probably be tried during the middle of February, 1943.

Dear Sir:

There is enclosed herewith the issue, dated January, 1943, of the publication entitled America Speaks, of which WILLIAM KULLGREN is Editor. There is also enclosed a typewritten note which accompanied this publication and which note was evidently written by CHARLES B. HUDSON, as his name appears at the bottom of the note. Attempts were made to railroad this misnamed "War Security Act" (H.R. 2087) thru House without a quorum present. With couple amendments it was rushed thru House 4/2/43, without a record vote. Now coming up in Senate. Few newspapers that looked into this vicious "Gestapo" bill are now thoroly alarmed -- demanding it be defeated in the Senate! I had written hundreds of letters since last Oct. when Biddle demanded passage of his bill, warning that this "Gestapo" bill was the key to the arch of a completed dictatorship in USA. This censorship-spy-persecution-death-penalty bill envisions all that an informed person comprehends in the word "Gestapo". If you value the little freedom you have left, and intend that your boys shall come back from the war to a country worth coming back to, you had better write your Senators NOW! CHARLES B. HUDSON, it is pointed out, has been indicted in Washington, D. C., for conspiring to commit sedition; and it is believed that his trial may be pending in Washington, D. C.

A witch hunt... A smear campaign.  
Senator Robert A. Taft speaking  
the man who might be called the "father  
of the loyal opposition"

He was talking with great composure in his rooms in the Senate Office Building and said:

"I am deeply alarmed by the growing tendency to smear loyal citizens who are critical of the National Administration and of the conduct of the war."

Senator Taft was weighing his words carefully. He said:

"Something very close to fanaticism exists in certain circles here. I cannot understand it. I do not understand it. But I

"Freedom of speech itself is at stake unless the general methods pursued by the Department of Justice are changed."

He cited three instances of "the trend that causes the alarm. One is an indictment returned recently by a Federal grand jury in the District of Columbia against the Chinese."

the third has in the speeches of Archibald MacLellan when he was director of the Office of Facts and Figures.

"What would you say if, out of a clear sky, someone asked you if the Sons of the American Revolution were disloyal? If the descendants of the Sons of the

American Revolution were disloyal? In the descendants of the signers of the Declaration of Independence, the Sons of Liberty and the Mayflower Descendants.

and the Ladies of the Grand Army of the Republic had permitted themselves to be used to corrupt the American Army?  
**INDICTMENT RELEASED**  
MAY 10 1942

"What would you think if someone said that former Presidents Calvin Coolidge and Woodrow Wilson had been members of an unpatriotic organization?"

"What would you say? Absurd, ridiculous, impossible, of course."  
Tall nodded, and said:  
"Absurd, yes. Yet that is precisely the

charge which the Department of Justice has brought against those societies, to intimidation and interference, by an indictment or file in the District of Columbia.

He faced the indictment. It was released for publication by Attorney General Francis Biddle on July 23, and charged all persons with:

Interference with and impairment to the loyalty, morale, and discipline of the military and naval forces of the United States in time of peace — before Pearl Harbor.

Greater indoctrination, discipline, unity and esprit de corps in the military and naval forces since the war began.

"Among the 23 individuals who are named as defendants in the indictment are a number of men of known German connections and there are also

others among those who are not un-American. To that extent the Government commands the whole-hearted approval of every American."

"The famous—or infamous—conspiracy was the most outrageous framing in American history; for the conspiracy, exists, not on the part of the defendants but on the part of the Department of Justice; to be possible, the Attorney General's office for it is quite evident, on evidence of it that most of the defendants are unknown to each other. I believe I had met 4 of the 26 prior to my arrest. Now on the face of it I couldn't conspire with people I had never met, and of whose existence I did not even know. For instance, I was arraigned before Judge Proctor with three others: Mr. C. Leon de Aryan, of San Diego, whom I had met three times, twice in San Diego and once in Sacramento; David Baxter of San Bernardino, whom I met for the first time two days before my arrest. I did not know of his existence until he was called before the jury in Washington; so finding myself passing through San Bernardino, I was curious to know what type of man he was, and called on him; certainly no time for conspiracy, when the thing was already drawn up. The third man, a Mr. Flynn of Detroit, I had never even heard of before, as far as I can remember.

"

speech. Not a day number of the movement and a letter addressed to Attorney General Biddle by Mr. George E. Sullivan, of Washington, a prominent attorney. And as we have room we shall print a Motion to Quash, filed by one of the other defendants, Mr. Hudson De Priest, a man whom I met for the first time when I arrived in Washington, called there by the Department of Justice. We have also picked out at random, articles from the Congressional Record, the Washington Times-Herald, the Los Angeles Examiner and other sources, to show that the press is making exactly the same statements that I made, which the Attorney General's office calls sedition. We will even bring much stronger material from certain articles by various columnists, to the trial.

ally, to one purpose in presenting this number of AMERICA SPEAKS is to try to offset the damnable lying propa-  
ganda of the Communist press, the Red  
agencies and the various mouth-  
pieces of the Department of Justice. As  
one instance of this: while I did not per-  
sonally hear it, I have been repeatedly  
told by those who did hear it that "Walter  
Winchell stated in his broadcasts  
that I had been taken to Washington in  
chains and held there in jail." I was told  
while in New York, after he was taken West-  
inghouse, that he was still stating over the  
radio that I was in jail in Washington;  
so much for the truth of his vituperous  
utterances.

Speaking for myself, I have been tried and convicted by Walter Winchell, Look magazine, P M and a host of others. If they had confined themselves to the truth I would not object, but their statements are positively libelous, and they are going to find it out. Obviously I cannot quote these things at this time, but they will have a splendid opportunity to prove their libelous statements at the proper time and place.

\* The point is, who is responsible for this smear campaign? Whatever facts they do possess obviously came from the only source from which they were obtainable, namely, the Department of Justice office. And so I repeat: the conspiracy is that of the Attorney General's of-

lice a conspiracy to smear, defame, libel and persecute those charged in the indictment and to deprive them of their constitutional rights. Some of them go so far as to demand our execution; they say we should be liquidated as in Russia — forgetting that there has been no trial, up to date, excepting the air and in the press. Those gutter-singles, it is true, have arrived at a verdict, based on a pre-arranged plot and plan.

Now, why is this thing possible? It is possible because of two things: first, the spiritual and moral let-down of the American people, to such a degree that they can elect politicians to Congress who are not only crooks, but are also traitors. Second, this type of politician promptly surrendered their powers, powers that belong only in the hands of Congress, to the President of the United States, virtually making him the world's most powerful dictator; he in turn delivers the power to men whom we find in the newspapers, in the radio, in the papers at labor fairs, food fairs, etc., and museums. The lesser ones are known as commissars—note the Russian terminology. These men are not elected by the people, and many of their acts are entirely without legal authority; for instance, an undertaker had his pass to enter the White House, and he was told that the President was having a funeral.

With virtually the most-farmer is supposed to dig one up every three to five years. A farmer is under the threat of a \$10,000 fine and 10 years imprisonment if he makes a false statement that he needs rubber boots when he doesn't.

The Washington Times-Herald of November 20 stated that hotel managers in Washington no longer manage their hotels, they only obey orders from the White House and the various government agencies. On December 3rd San Francisco hotels were ordered to make a 15% pay increase to their help, retroactive to last March 15. Remember, rates and services have already been frozen, although the cost of same as a whole is about a third more than previous to the war. Do you hotel men still think I am an extremist, lacking in expediency and diplomacy? You recall I warned you of those things when I was secretary-treasurer of the Hotel and Restaurant Association of America. You said my ideas were fantastic; but you are now, wearing a ball and chain, believe it or not. I could go on and on giving instances.

Now this conspiracy case not only has the power to cast its shadow farther, but to date the defendants, at least, the few that I know of, have stood almost starkly some of them have spent almost six months in jail because the people whose battles they were fighting deserted them and left them to their fate. Baxter has a wife and two little children, left to shift for themselves, while he rots in jail for the past six months. I understand the bail has been reduced from \$5,000 to \$1,000, and I don't know what the result will be. In any case I would like to be in jail with him because upon those who have read *The Beacon Light*, I believe our readers are among the finest of those of any periodical in America, and yet comparatively few of them realize their obligation. In this case, most of our help has come from people in very strange circumstances. For instance, a woman living on a small north side in a dollar, I would say, tenement in Jackson, has written me and said, "I am a poor people's man. I am a poor man's friend. If *The Beacon Light* you could donate some money to help out in this case."

of their daily lives. These are the sources from which he has a right to expect substantial help, so as to be not class of readers has done practically nothing. God has abundantly blessed them with His world's goods, but they have not turned towards Him, and they will be losers of everything. Their spiritual lives you will find these people penniless, before they are dead, because they perverted God's abundant gifts and prophetic Christian exhortations, to be satisfied and persecuted without raising their financial hand to help them. May God have mercy on them when their hour comes. But I am afraid that the very exciting spiritual law will meet out to them their spiritual debts.

You may "Well, the Government has appointed an attorney for the case, so the Court has appointed an attorney. During the five weeks I was in the East I called on numerous attorneys, to find out what would cost for a fairly good defense attorney; the majority of them quoted from \$3,000 to \$5,000. One attorney in Washington said, "Whoever is appointed your attorney must dig down into his own pockets for at least \$3,000 (that means he faces bankruptcy). Now, if the case will be lengthy and second, he will not have time for any other law cases; and third, other clients will be afraid to hire him because he is fighting the government." And so the consensus of opinion of attorneys is that \$5,000 is a reasonable fee for defending any of the defendants. The case is so important that it calls for the best legal brains in the country. The \$5,000 will be paid by the attorney, T. J. Baughnigh, Colby, who is expert on constitutional law; men who demand and expect from \$25,000 to \$50,000.

Out of the meagre contributions we have received, we have shared with few that we knew who were less fortunate than ourselves, although we could ill afford to help anyone. We have borrowed, and sold off possessions, and so we have gotten by. It struck me as funny, as I stood before the Judge in court, when I suddenly thought myself of a hole in the seat of my pants.

Los Angeles Jail (The rapist crew  
put a patch on). I purchased that suit  
in 1935 or '36, for the sum of \$25. My  
last overcoat was purchased 15 years  
ago.

I have before me a letter from a prominent Washington attorney. I quote: "Nobody is coming up with any money at this end of the line and I do not know just what in the devil we are going to do. It certainly impresses me that the American public are very ungrateful to those who are fighting their battle. I expect a long and protracted trial."

Now each defendant should have not less than \$5,000 at the back of him when he goes into court. Several of the living costs in Washington are apt to prove very expensive, anywhere from \$500 to \$1,000 a month. Traveling expenses (in my case over 3,000 miles each way) witnesses subpoena from the west coast, who are apt to cost \$1,000 each for God knows how long they will be there, and in my case approximately a dozen, would be needed. Then the attorney, even though appointed by the court, must have some financial support from his client, lest he collapse. In the middle of the case, I met some of these men. They are living from hand to mouth with no resources; how can they carry on a lengthy case under these circumstances, without any remuneration at all? The government pays them nothing. Now I am giving it up to you: is it a square deal? Is this the way to treat your patriotic defendants? I forgot to say that our postage, telephone and telegraph bills are very substantial; the last latter we sent our first class mail, cost \$300 for postage alone. The total cost for the letter was around \$75 besides our own labor. This we sent out to sustain your morale, and to let you know that we are not in a hurry to get out of this. I am now reporting a broadcast by Winchell and Dwight we still in jail. About 20 copies were sent to our regular subscribers. We printed about 1,000 giving the balance away in bundles.

Now the question is, is America worth defending on the home front? There is already a complementary list of individuals

Sunday is a day they like to spend with their families, and some of them are still in the habit of going to church. But they do not go to church to pray for the world, they go to church to pray for their own families.

Now this case is being  
when you get this in your hands, I want you to  
spread it over the nation. Ask every man, woman,  
and child to protest so that we can have peace.  
I do not expect you to see me at the Court House  
Plaza. Jesus Christ was crucified here, and he died  
for our sins. Daniel was thrown into the lions' den  
for his faith; Paul was killed in prison; and St. Paul  
was not only an evangelist, but a lawyer of renown in his day. And Jeremiah was in the same fate. See Chapter 38 of Jeremiah. The king's  
read: Then took they Jeremiah and cast him into  
the dungeon of the wall. He was the son of Hanneiah,  
that was in the court of the prison; and they laid  
him there with cords. And in the conflict he was  
washed with water, but never came back again.  
I feel that if I had a thousand dollars, I would  
never forget the hundreds of people suffering that were  
sent to the Leavenworth County Jail; my wife and  
I, unable to pay, impotent to do anything, allowed  
to see me for 15 minutes, but a heavy wren,  
certainly no bird talk over the case and what to do.  
member, all letters coming and going are censored,  
so we were helpless. I am summing up, (this is YOUR case, and you are going to do about it.) Remember that spiritual law holds you responsible for every decision you make. Send contributions as quickly as possible. If you repeat, we don't want to rob the poor; we want it from men and women who give it without missing it, and its place in the country. The national bank has money; they have the Treasury of the United States to call upon - YOU, Treasurers.

## Motion to Quash "Propaganda Trial" Indictment

IN THE DISTRICT COURT OF THE  
UNITED STATES FOR THE  
DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA,  
Plaintiff,

— vs. —

GERALD B. WINROD, et al.,  
Criminal No. 70153 Defendants

Comes now defendant, Hudson De Priest, in his own proper person, and moves the honorable court to quash and dismiss the indictment, and discharge the defendants on the grounds that said indictment is defective upon its face, that it was drawn by an illegal grand jury, that it fails to make out a prima facie case, and that its form has never before been used in our Republic and, if sustained, would establish a dangerous precedent, destructive of our Bill of Rights.

In more specific detail the defects of and objections to said indictment — are here set forth, as follows:

1. **GRAND JURY ILLEGAL.** The grand jury was empaneled for the July 1941 term, to investigate violations of Section 233 of Title 22 of the United States Code, the so-called "Foreign Propaganda Registration Act." Although authorized to investigate "other criminal laws of the United States," the grand jury confined itself during the entire term of court to said "propaganda law" violations, including conspiracies to commit such offenses in violation of Section 23 of Title 18 of the United

States Code.

The defendant is informed and so charges the facts to be that said grand jury did not begin the investigation of violations of any other criminal laws during said July 1941 term of court.

In conformity with Section 23 of Title 22, U. S. Code, various members of the court ordered said grand jury to continue to sit during said succeeding three months term of court, for the sole purpose of finishing said investigations begun in the July 1941 term, but not concluded by the said grand jury during its prior sittings. The aforesaid defendant hereby specifically referred only to investigations of violations of the propaganda registration law by George Stryker Vieregk and others of Section 233, Title 22 of the U. S. Code. None of these court orders ever referred to Sections 9 and 11 of Title 18 nor of Section 23 of Title 50 of the U. S. Code, under which these defendants were finally indicted in July, 1942.

Said grand jury, obviously, as will more fully appear from the record on file, could not have been authorized in the July 1941 term of court to investigate violations of all sections 9 and 11 of Title 18, which is effective only while the United States is at war. Yet said indictment illegally and defectively charges violations, in Count two, of the aforesaid war-time statute, thus rendering said indictment null and void.

2. **BIASED INVESTIGATION: POLITICAL PERSECUTION.** The indictment upon its face gives evidence of having been "rigged up" by the prosecution for the purpose of political persecutions, of Anti-Communists and political opponents and critics of the national Administration. The prosecution selected Sections 9 and 11 of Title 18 to investigate the doings of Anti-Administration critics, but neglected to investigate violations of Section 10 of the same title (18), which covers the subversive activities of Communists. It is well known and admitted by the Attorney General himself in his official report on Harry Bridges, that the American Communists are engaged in violating the prohibitions of said Section 10 of Title 18.

The prosecution was also biased against Republicans and Anti-Communists and in favor of Communists and other left-wing favorites of the New Deal Administration.

Day by day, secrets of the grand jury room were published to the world by newspaper pets of the prosecution, and sometimes over the radio, with the idea of prejudging both the sitting grand jury and subsequent members of a petit jury. Stories attacking and Communist papers were published in the "Washington Post," "Wichita Beacon," etc., under the title of "The Vermin Press," thereby tending to prejudice the Washington grand jury itself against those anti-administration editors who came before the grand jury's inquisition, and who were later to suffer the ignominy and disgrace of this indictment.

Judging by these newspaper revelations of the grand jury room, not one Communist, New Dealer nor Administration supporter was ever called before this inquisitorial body. Not one of the persons exposed by the Dies Committee was ever listed before said grand jury. The indictment is invalid because of BIAS on the part of the grand jury and the prosecution, and therefore should be quashed.

3. **INDICTMENT NOT SPECIFIC.** By common and statute law, it is required and essential, in order to sustain the validity of an indictment, that it be specific and not general, and that the time and place of the commission of a crime shall be set forth in exact detail (the time element to guarantee defendants against being put twice in jeopardy for the same offense), and that the place of the crime shall be specifically stated, in order to establish venue or jurisdiction of the court thereon.

In examining the indictments for these legal requisites, it is discovered that the date for the commission of the crimes alleged in Counts One and Two are taken from the 15th books rather than from evidence before the grand jury. In Count One, the prosecution alleges June 22, 1940, because this was the date of the enactment of the Alien Registration Act, in which Sections 9 and 11 of Title 18 of

this indictment were enacted. The Court says the date of the indictment is selected by the prosecution, not by the grand jury because it was the date of the Resolution of Congress declaring war on Japan.

The defendant charges that it was not in the District of Columbia on either of said dates, nor for many months prior to or subsequent thereto, nor does he believe that more than two or three of the 23 defendants (whether of whom he knew until recently) were in or anywhere near said District of Columbia within a period of many months of said date. There can be no competent evidence that the defendant complied with all or any of the other defendants within the jurisdiction of this court, on these or any other dates, or ever conspired with anyone, anywhere, at any time.

4. **ALLEGED UTTERANCES NOT ILLEGAL.** Said indictment bears further internal evidence of being defective, artificial and without validity. The statements of the whole charge is "conspiring to urge and cause insurrection by the armed forces." The indictment lists alleged examples of how defendants "would not . . . publish . . . nor . . . print in newspapers and periodicals, and quotes without identification of alleged matter critical of the Administration (but not forbidden by statute), and yet said indictment does not quote one single instance of any illegal utterance urging revolt, insurrection or mutiny, etc.

5. **INDICTMENT DOES NOT SHOW CONSPIRACY.** The 23 statements and utterances in the indictment are all political, are not forbidden by law, and are privileged under the Constitution. Their equivalent in viewpoint can be found in the platforms of national political parties, and in thousands of political speeches, editorials, books and pamphlets over a period of one hundred and ten years.

An unbiased study of these 23 illustrations offers convincing proof of the fact that there was never any such conspiracy as the indictment falsely alleges; it fails to make out a valid case, besides, many of these utterances are in direct conflict, therefore could not be the result of concerted action, conspiracy or conspiracy. For example, item 20 on page 8 reads "He real doesn't exists anywhere in the world to the United States . . . or its Republican form of government"; and yet the defendants are charged by the indictment in this 20 page indictment with conspiring to "destroy" America's republican form of government."

6. **RIDICULOUS ALLEGATIONS.** Count Two of the indictment presents such a fantastic and ridiculous allegation and averment that its falsity must appear evident to all enlightened minds. It charges the defendants as again meeting and knowingly conspiring to commit treasonable crimes against their own beloved country — meeting of all places, in our nation's capital, where their crimes would most easily be found out; and of all times — on the very day our Congress is declaring war on Japan!

The indictment presupposes that the defendants, living thousands of miles apart, most of them not knowing each other, should by some sort of prearrangement, give that Japan was going to attack Pearl Harbor on December 7th, and that these defendants began some time before to start on their journey to meet in Washington, D. C., and to hold on December 8 a secret congress of their own in our great capital, all time with the war spirit and there to re-confer and re-conspire to violate the war-time sedition law, Title 50, Section 23. This this fictitious indictment gives place and venue to a conspiracy that never existed save in the wild imaginations of hysterical political prosecutors.

Just why the prosecution should impale and aver that the defendants having already done their conspiring, they should one-half year previously (Count One) and still think it necessary to come back to Washington to do it all over again (Count Two), is a matter for a psychiatrist to unravel.

7. **IMPROPER VENUE.** The indictment is defective in that it fails to establish beyond doubt the venue or jurisdiction of the court over these defendants. Their addresses have been shown

AT KANSAS CITY, MISSOURI

[redacted] permanent resident of Tulsa, Oklahoma, residing there at [redacted] and temporarily residing at the Robert E. Lee Hotel in Kansas City, Missouri at the time of his interview in the Kansas City Field Office, advised he is personally acquainted with defendants GERALD B. WINROD, and MRS. ELIZABETH DILLING, but states he is not personally acquainted with defendant CHARLES B. HUDSON, and his only knowledge of the latter individual is through HUDSON'S publications. [redacted] supplied the following information concerning each of these defendants:

Defendant GERALD B. WINROD

Concerning Defendant GERALD B. WINROD, [redacted] related that the first he heard of this defendant was the result of his numerous publications; that prior to 1936, he was particularly interested in defendant WINROD, due to the fact that he, WINROD, appeared to be an individual who was mutually interested in combating Communism; that in 1936, a convention was called in an effort to start an organization against Communism; that this convention was called at the suggestion of [redacted]

[redacted] that this convention was at Asheville, North Carolina; that prominent ministers throughout the Eastern part of the United States, including several Jewish Rabbis were invited to attend this convention at the invitation of [redacted] that immediately previous to the inception of this convention in Asheville, North Carolina, defendant WINROD determined that several Jewish Rabbis had been invited to this convention; that WINROD objected violently to this procedure and to the presence of the Jewish delegates. WINROD immediately "bolted" the convention and had a meeting sponsored by himself at Asheville, North Carolina, which meeting was attended by a small group who objected to the presence of the Jewish members of the convention. [redacted] related that this was his first knowledge of WINROD'S anti-Semitic attitude. He advised the movement sponsored by [redacted] as a movement of Christian people against Communism failed to obtain support and became dormant; that WINROD'S meeting, previously referred to, had the same purpose in mind, and that WINROD'S project met with similar results.

[redacted] advised that his next association with defendant WINROD was in 1937, when he made a trip to Wichita, Kansas to visit defendant WINROD; at that time he was [redacted]

[redacted] He advised that defendant WINROD was not responsive to the offer of his services and that no agreement could be made in that regard; that he visited defendant WINROD for a period of a few hours only and returned to his residence in Tulsa, Oklahoma.

[REDACTED]  
[REDACTED]  
[REDACTED]  
[REDACTED] advised the foregoing had been his last association with defendant WINSTON; that he had not had any interest in his writings or publications since that time; that he did not know of any additional publication on the part of defendant [REDACTED]

Defendant CHARLES H. HUDSON

Concerning defendant CHARLES H. HUDSON, [REDACTED] advised that he was not personally acquainted with this individual and his only knowledge of him had been as result of his reading defendant HUDSON'S publications and particularly the mimeographed pamphlet entitled, "AMERICA IN DANGER." That in 1940 defendant HUDSON had adopted the same anti-Semitic attitude as defendant WINSTON.

[REDACTED]

[REDACTED] believed that defendant HUDSON had been responsible for the distribution of the mimeographed circular originally edited by defendant WINROD in the Omaha territory.

He advised that Mrs. DILLING later became anti-Semitic in her attitude, sympathies and writings. He advised that he visited Mrs. DILLING in Chicago only on this one occasion. [REDACTED] related that in about 1940, an unknown individual wrote to defendant MRS. ELIZABETH DILLING at which time this individual requested from defendant DILLING her opinion of [REDACTED] of Tulsa, Oklahoma [REDACTED]

SEDITION

Dear Sir:

Reference is made to the Summary Report of Special Agent  
[redacted] Omaha, July 27, 1943.

This report refers to a signed statement taken from CHARLES B. HUDSON on June 5, 1942, which concerns his collaboration with Mrs. ELIZABETH DILLING. The original of this signed statement was forwarded to the Chicago Field Division on June 17, 1942, in connection with the case entitled, "ELIZABETH ELOISE DILLING, with aliases; et al; SEDITION; REGISTRATION ACT," of which Chicago was office of origin. Inasmuch as the Chicago Field Division no doubt will forward this signed statement to the Bureau in connection with the above entitled case, no request has been made of the Chicago Office to make this signed statement available to the Bureau.

The attention of the Bureau is at this time directed to the report of Special Agent [redacted] Washington, D. C., October 28, 1941, in the case entitled, "GERMAN ACTIVITIES - UNITED STATES; ESPIONAGE - G." This report sets out the results of a mail cover [redacted]. The report indicates that CHARLES B. HUDSON sent pro-Nazi printed matter which he publishes to [redacted] and that this matter had been photographed. In the summary report prepared on CHARLES B. HUDSON, no mention was made of this fact. If the Bureau feels that the receipt of this material by the [redacted] is pertinent to the above entitled case and should be introduced as evidence, it is requested that this office be so advised.

<p>CHARLES B. HUDSON was born at Omaha, Nebraska, January 18, 1892. He is married and has two children—[REDACTED] and [REDACTED] HUDSON'S father was born in England and his mother was born in Sweden. He presently resides at 4327 Grant Street, Omaha, Nebraska. <span style="float: right;">b7c</span></p> <p>From February, 1936, up until the time he was indicted at Washington, D. C., for conspiracy to commit sedition, he has been the editor and publisher of a weekly bulletin entitled, "AMERICA IN DANGER!". A review of these bulletins shows that the early issues concern themselves mostly with local matters and alleged Communist influence which he endeavored to expose. Subsequent issues are devoted mainly to an attack upon the Jews. HUDSON consistently states in his bulletins that he is opposed to Democracy and that he advocates a return to what he calls "the Christian constitutional representative republic."</p> <p>Investigation in this case has disclosed that the circulation of "AMERICA IN DANGER!" has never been large, and his subscription list in recent years was between five hundred and six hundred subscribers. He has apparently been supported for the most part by small contributions from friends and subscribers. In addition, he has distributed various pamphlets and charts for a small commission.</p> <p>Investigation shows that HUDSON has lived in a modest manner in Omaha for the past several years, and there has been no indication that he has been in affluent circumstances. On the contrary, his wife has taken in boarders in order to help defray expenses. HUDSON'S wife inherited a house, but this house was lost because of non-payment of taxes.</p> <p align="center"><del>DEFERRED RECORDING</del></p>

HUDSON'S friends and associates state that he is a religious man and is sincere in his convictions; that principal menace to the world is "Organized Jewry-Intl. Finance." Investigation has shown that HUDSON has collaborated with Mrs. ELIZABETH DILLING of Chicago, and that he has been on very good terms with and has collaborated with Mrs. LESLIE FRY, also known as PAQUITA DEER SHISMAREFF. HUDSON has informed Special Agent [REDACTED] that he considers these women to be the two greatest American women of the 20th century. HUDSON has stated further that Mrs. LESLIE FRY paid his expenses to attend a conference in Los Angeles, California, in August, 1938, and also to attend the American Christian Conference held August 20, 1937, at Kansas City, Missouri. He has also advised that he has been selling a chart prepared by Mrs. LESLIE FRY for one dollar apiece and has remitted seventy-seven cents to Mrs. FRY for each chart. b7c

HUDSON likewise has distributed on a large scale a booklet entitled THE OCTOPUS, and has remitted money for the sale of this booklet to Mrs. ELIZABETH DILLING of Chicago. He has likewise sold THE RED NETWORK and other publications of Mrs. DILLING. In addition, HUDSON sponsored a lecture by Mrs. DILLING at Omaha on May 24, 1938. He also went to Washington, D. C., in February, 1941, to oppose Congressional legislation, H. R. 1776, and at this time worked with Mrs. DILLING sponsoring the so-called "Mother's March." HUDSON has admitted to Special Agent [REDACTED] that he has received contributions from friends for the trip to Washington, D. C., in 1941, and that he assisted Mrs. DILLING financially out of these funds in connection with her stay in Washington, D. C. b7c

A review of past issues of "AMERICA IN DANGER!" reflects that HUDSON has endorsed and advertised various writings, including the following:

THE TALMUD IN MASSE, by Colonel E. N. SANCTUARY  
SEEKING FOREIGN TROUBLE, by RALPH TOWNSEND  
PLANNED ECONOMY, by Mrs. LESLIE FRY

HUDSON distributes the last two named pamphlets. It is noted that in Bulletin #131 of "AMERICA IN DANGER!", HUDSON published several releases from "The World Service", a German propaganda agency. Investigation in this case shows that HUDSON not only was the editor of "AMERICA IN DANGER!" but that he printed it and distributed it himself at his own home. His wife, and occasionally a friend, assisted him in mailing out these bulletins.

This report sets out HUDSON'S connections with other defendants in this case in accordance with previous instructions from the Bureau. No attempt is made here to show the seditious nature of HUDSON'S writings.

The following fingerprint record of CHARLES B. HUDSON appeared in the files of the Identification Division of the Bureau under #FBI-2719398, as of August 6, 1942:

CONNECTION WITH MRS. ELIZABETH DILLING

A. WITNESSES:

b7C

[REDACTED]

Will testify that he met Mrs. ELIZABETH DILLING on May 24, 1938, when she lectured at Omaha, Nebraska, and that he was introduced to her by HUDSON. Will also testify that HUDSON has related to him that he aided in the composition of the booklet entitled THE OCTUPUS, which booklet HUDSON sold. Will testify that he has contributed a considerable amount of money to HUDSON, and that in connection with HUDSON'S trip to Washington, D. C., in February, 1941, he contributed a sum of money thought to be about \$100, and that this contribution was also to aid Mrs. ELIZABETH DILLING in connection with her stay in Washington, D. C., to oppose H. R. 1776.

b7C

[REDACTED] enjoys a good reputation as a business man, but it should be noted he was on very friendly terms with HUDSON and has aided him financially in the past; however, [REDACTED] is said to be honest, and although perhaps he will be a reluctant witness, he can give considerable information about both ELIZABETH DILLING and CHARLES B. HUDSON.

[REDACTED]

Will testify that he attended three meetings held by the American Christian Conference in August, 1937, at the Phillips Hotel, Kansas City. Will testify that among those present were CHARLES B. HUDSON, Mrs. ELIZABETH DILLING, Mrs. LESLIE FREY, and GEORGE E. DEATHERAGE. Will testify that HUDSON made an anti-Semitic speech and that he was on good terms with the other defendants present.

[REDACTED]

Will testify to the same facts as Witness [REDACTED]

[REDACTED] Special Agent, Federal Bureau of Investigation, Omaha, Nebraska

Will identify signed statement dated June 5, 1942, at Omaha, Nebraska, which was obtained from CHARLES B. HUDSON.

Will also testify that HUDSON stated to him that he had contributed material to the booklet known as THE OCTOPUS.

The above mentioned statement reads as follows:

"Omaha, Nebr., June 5, 1942

"I, CHARLES B. HUDSON, make the following voluntary statement to [REDACTED] who has told me that he is a Special Agent of the FBI.

"Concerning the handling of the book known as THE OCTOPUS, I have handled orders for about 4,800 books, broken down approximately as follows: I remitted to Mrs. DILLING, the author, at rate of 26¢ per copy for most of them, and more recently at rate of 25¢ per copy. Some 2200 of the orders were sent in with remittances to her for filling, because the purchasers had sent in remittances at rate of 26¢ per copy and I could not afford to mail out the books from my stock at my cost. I filled orders for about 2,600 books locally during the past 18 months, getting from 30¢ to 60¢ per book from purchaser. Since P. O. Dept. denied THE OCTOPUS the book post rate of 1¢ per lb., I raised the prices to following as far as what I sold is concerned: 1 for 60¢; 2 for \$1.; 7 for \$3. Practically during all that time new or renewal subscribers to AMERICA IN DANGER! bulletin service at rate of \$5. per year, got a free copy which I paid for out of such remittances. On shipments, 100 at a time, received from Mrs. DILLING, after I started remitting 25¢ per copy as sold, I had to pay the express charges which as I recall run about 2¢ per copy. I paid for all

envelopes, wrapping paper, etc., money order fees, postage, etc. involved in handling all orders handled thru Omaha. Thus, I would calculate that on all orders received (plus remittances) from me, Mrs. DILLING actually grossed less than 25¢ per copy because when I was remitting on the 26¢ basis she was paying the express charges. I kept no books on these sales, but when the orders were quite numerous I remitted to Mrs. DILLING each week, accounting for the number sold and handled in the two manners outlined above, and for her as well as my information stating each time the number still on hand. I usually got the books from her in 200 lots, 100 to a box. For some time now I have been remitting only once a month because book sales are not heavy. I would judge that I have made about 10¢ per book profit on the around 2,600 sold here.

"I have never contributed any sums to Mrs. DILLING'S patriotic research work, other than a few dollars in connection with trips where we were mutually concerned, whereby I collected the money from friends specifically for purpose of helping her defray her traveling expenses. Of my own personal knowledge I do not know who contribute to the support of this work, except in one instance money was sent to me for my expenses to Washington in connection with the protests made in February 1941 to the passage of H.R. 1776 and I shared that money with Mrs. DILLING because she was staying at Washington longer than I could afford to do.

"I have read this statement of two pages and it is true.

**CONNECTION WITH MRS. LESLIE FRY**

**A. WITNESSES**

[REDACTED]

Will testify as to the presence of Mrs. LESLIE FRY at the convention held at the Hotel Phillips, Kansas City, Missouri, on August 20, 1937, which convention was said to have been sponsored by Mrs. FRY.

b7C [REDACTED]  
Will testify to the same facts as Witness [REDACTED]

[REDACTED] Special Agent, Federal Bureau of Investigation, Omaha, Nebr.

Will testify that on June 5, 1942, CHARLES B. HUDSON stated to him that he had been very friendly with Mrs. LESLIE FRY, alias PACQUITA De SHISHMAREFF, and that Mrs. LESLIE FRY paid HUDSON'S expenses to attend the convention at Los Angeles, California, in August, 1938, which convention was held at the German House there.

Will also testify that HUDSON stated to him that Mrs. FRY paid his expenses to Kansas City, Missouri, to attend the American Christian Conference in August, 1937. Also, that HUDSON has been distributing a chart prepared by Mrs. FRY, that he has sold the same for one dollar apiece, and has remitted to her 77¢ for each chart.

In this connection, it is noted that copies of Federal income tax returns which were made available to the Omaha Field Division show that in 1938 HUDSON received \$250 for trips to California, Chicago, and Cincinnati. In 1939 HUDSON listed the sum of \$150 as having been furnished for a trip to Washington, D. C.

DOCUMENTARY CONNECTION WITH OTHER DEFENDANTS

Bulletin #200 of AMERICA IN DANGER!, dated January 22, 1940, contains an extensive quotation from a letter by Mrs. LESLIE FRY to CHARLES B. HUDSON. HUDSON in commenting on this letter refers to Mrs. FRY'S splendid character.

b7C Bulletin #130, dated August 17, 1938, contains an account of the convention held at Los Angeles, California, on August 6, 1938, which was held at the German House, 634 West 15th Street. In this bulletin HUDSON states he was present as well as Mrs. FRY and an individual by the name of [REDACTED]

In Bulletin #173 of AMERICA IN DANGER!, January 17, 1938, HUDSON refers to a booklet by Mrs. LESLIE FRY entitled PLANNED ECONOMY. He states, "We endorse this to the extent of being a distributor." A leaflet advertising the fact that HUDSON takes orders for PLANNED ECONOMY and three charts by Mrs. LESLIE FRY were enclosed. This leaflet was obtained from Mrs. BELLE RYAN, Assistant Superintendent of Schools, City Hall, Omaha, Nebraska, and was received by her with the July 17, 1939, issue of AMERICA IN DANGER!

Bulletin #250 of AMERICA IN DANGER!, January 13, 1941, refers to [redacted] San Francisco, California. In this bulletin HUDSON states that [redacted] has written to him and is taking orders for "SEEKING FOREIGN TROUBLE." HUDSON endorses [redacted] warning that speed is urgent because "the internationalists are scheming to shut off sources of factual material." In this connection HUDSON has admitted to Special Agent [redacted] that he has distributed SEEKING FOREIGN TROUBLE in the past.

A leaflet entitled "LINDERBERGH'S DES MOINES SPEECH", which was attached to the October 21, 1941, issue of AMERICA IN DANGER!, was furnished to Special Agent [redacted] by [redacted] on April 22, 1942.

[redacted] of the Sterling Coal & Supply Company, Omaha, brought to the Omaha Office a copy of AMERICA SPEAKS, dated at Atascadero, California, January, 1943, WILLIAM KULLGREN being the editor. Attached to this paper was a typewritten memorandum prepared by CHARLES B. HUDSON.

Inasmuch as the memorandum prepared by the Criminal Division of the Department of Justice states that no further copies of the publications issued by the Defendants are desired by the Department, the issues of AMERICA IN DANGER! referred to in this report are not being forwarded at this time. It is believed that the Department of Justice as a file of AMERICA IN DANGER! However, the Omaha Field Office has secured back issues of AMERICA IN DANGER! beginning with Bulletin #4, dated March 3, 1936, and in the event any issues are desired, they are available.

In the event witnesses are needed to testify as to the printing of the bulletin AMERICA IN DANGER! the following information is set out: [redacted] Omaha, can testify that she has been in CHARLES B. HUDSON'S home a number of times and that she has assisted him in folding and mailing the bulletins. She can also testify that she has seen copies of the literature referred to in this report on file in HUDSON'S home. She can also testify that she heard HUDSON lecture in Omaha in 1939, at which time he urged his listeners to march to Washington to impeach the President.

He can testify that HUDSON brought to him a plate with the design of the V-card on it and requested him to print the cards in question. These cards contain a map showing North and South America and Africa with the heading, "West Africa is not Iceland--It's anything but a nice land!". It contains the line, "Shall we give American youth the 4 D's (Extended Draft, Distance, Diseases and Death)".

W SHOULD YOU HEAR MRS. DILLING?

"Mrs. Dilling will thrill any audience you bring together to hear her." From wire to San Francisco Junior Chamber of Commerce by Manson Havens, Secretary of the Cleveland Chamber of Commerce. That's typical of scores of reports on her talks.

Mrs. Elizabeth Dilling is wife of Albert Wallwick Dilling, attorney and consulting engineer listed in "WHO'S WHO IN AMERICA" and "WHO'S WHO IN CHICAGO"; mother of Kirkpatrick, aged 18, and Elizabeth Jane, aged 13 years; born in Chicago, educated at Chicago Normal School, Starrett School for Girls, and Uni. of Chicago.

After seeing conditions in Russia (1931) and being told boastfully that the Communist World Revolution would start with China (its there now), and end with the United States, she returned home, stirred to study this subject. Wrote a series of articles entitled "Red Revolution, Do We Want It Here?" for a Chicago paper in 1932; reprinted them in pamphlet form and distributed 10,000 at cost; these articles were also reprinted by the D.A.R. and distributed to every chapter in the U.S.A.

Published "THE RED NETWORK" (April 1934), and "THE ROOSEVELT RECORD" (Sept. 1936) herself to make them available at lowest possible price - \$1.00 and \$1.15 respectively. If put out by regular publishing house they would cost 2 or 3 times as much. Altho these books list powerful figures in public life as belonging to and active in subversive organizations, she has never been sued. The Communist Amn. Civil Liberties Union tried to discredit "THE RED NETWORK" in Febr.-March 1935 at San Diego, Calif, in what it called "probably the most outstanding" case on the Pacific Coast. Yet it lost in court, even tho it had high-powered distinguished attorneys, such as Samuel Untermyer of New York City. Over 100,000 of Mrs. Dilling's books have been bought by individuals and patriotic organizations.

She has lectured the past five years on "COMMUNISM IN RUSSIA AND IN THE UNITED STATES" sponsored by such organizations as the D.A.R., American Legion, Chambers of Commerce, Sojourners (Army & Navy Officers), Women's Clubs, Catholic and Protestant Women's Clubs, colleges, churches of all denominations, and over many radio stations, in all parts of the United States. This is her first lecture in Omaha.

As result of Mrs. Dilling's lecture at Detroit, Mich. on April 3, she was under patriotic sponsorship at Flint on April 18, where she was kept on the platform for 2 hours - the last one answering questions put to her by an audience of about 6,000. Many of them were workers who were being prevented from going to work by CIO pickets, who were trying to force them to pay dues in the CIO whether they wanted to or not. Mrs. Dilling's proof of the Red influence in this high-handed and un-American tactics resulted in the CIO calling off the strike which they had threatened to call, the very next day. Outside labor agitators are threatening to stop everything on wheels in Omaha about June 1st. It is hoped that a packed CITY AUDITORIUM the night of May 24, with folks from all walks of life present, will be so informed that Omahans will be saved the loss of wages that always accompanies a strike. Not to mention the saving of possible damage and lives!

Mrs. Dilling will broadcast over WAAW, from 6:30 to 7 PM, on Monday, May 23rd; and over WOW, right after the News Broadcast, from 9:45 PM to 10 PM, May 23rd.

The AMERICANISM MASS MEETING at the CITY AUDITORIUM begins at 8 PM, Tuesday, May 24. No admission, or collection. Her books will be on display.

The poster "HEAR ELIZABETH DILLING" invites everyone to attend. Read the letters by 2 National Leaders of the American Legion Auxiliary and the D.A.R. Many business houses will display this "poster" on employee Bulletin Boards from now until May 24. Boyles Business College not only does that, but President Boyles will also urge the 300 students and teachers to hear Mrs. Dilling - over the radio, and at the CITY AUDITORIUM. It is hoped that all patriotic citizens will not only attend personally, but will publicize this AMERICANISM MEETING to a huge success!

EVERY CITIZEN SHOULD HEAR MRS. DILLING!

"PLANNED ECONOMY" is a large booklet (9" x 12 $\frac{1}{2}$ " - 40 pages) with a pocket in back cover containing 3 Charts (21" x 24 $\frac{1}{2}$ "). Its unusual Index, by a system of numerals opposite the some 200 listed individuals, enables the reader instantly to know if a certain "Higherup" is on one or more of the Charts, and on what page or pages of the text that individual can be found, with evidence of his "un-American" activities.

This data was placed in hands of loyal military and naval personnel. Referred to by General Van Horn Moseley in his "trial" by the Dies Committee, it aroused great fear in that traitorous tribunal. When he insisted upon reading his prepared statement, the Chairman's: "Only providing it contains no names", brought forth that famous query by the General, so widely quoted in the press: "Gentlemen, whom are you trying to protect?"

Excerpts from the "Foreword" of "PLANNED ECONOMY" give you but a meager idea of the dynamite in that compilation. There is nothing like it in existence!!!

"The Sketch on 'Planned Economy' and the accompanying charts...were prepared for the Dies Committee investigating un-American activities. An optimistic belief in the sincerity of Congressman Martin Dies's public utterances prompted a genuine desire to help the Committee's investigation. For over a year, members of the groups of MILITANT CHRISTIAN PATRIOTS and AMERICAN LEAGUE OF CHRISTIAN WOMEN corresponded with Mr. Dies and even visited him in Washington, offering to help him with documentation on certain un-American and subversive 'isms', such as ZIONISM and INTERNATIONALISM.....

"The appointment to the Dies Committee of Congressman Jerry Voorhis (Calif.), of Communist Epic fame opened the eyes of deluded patriots. It became obvious that the Dies Committee was only another B'nai B'rith-Dickstein Committee under another name, and therefore would not investigate un-American activities with which, one at least, of its members was closely linked. The recent 'trial' of General Van Horn Moseley before the Dies Committee confirmed the apprehensions of Christian American patriots. Hence the work on PLANNED ECONOMY, cover-word for Socialo-Communist Soviet dictatorship, has been submitted to patriotic members of Congress and is now presented to the public.....

"All this 'planning' spells Despotism and the annihilation of Christian civilization, freedom and liberty in the U.S.A. The American people have a right to know what the 'plans' mean and who are the master minds behind visible 'planners'."

Since inserting one small section of the 3rd Chart in a speech on June 10, and in Congressional Record, by fearless Christian patriot, Congressman J. Thorkelson (of Montana), time after time New Deal leaders have tried to deprive him of the floor, while the "un-American" press has been busy "smearing" him as well as General Moseley.

If you desire to know what organizations, governmental, Jewish and otherwise (some not even listed in Congressional Directory), and "Higherups" are destroying us piece-meal, you need this booklet "PLANNED ECONOMY" and its 3 Charts. Price, including postage, - \$1.00. Ask for quantity prices. Order from Chas. B. Hudson (editor of weekly "expose" "AMERICA IN DANGER!" - 10¢ per copy), 4827 Erskine St., Omaha, Nebr.

## Is President Roosevelt Betraying Us Again?

*Mr. Roosevelt bragged of such act as far back as 1920.*

"Colonel Franklin D. Roosevelt was Secretary Daniels' assistant in the Navy Department throughout the war, and on a recent occasion declared that he furthered plans for the entry of the American Navy into the war on the side of the Allies from the first day of hostilities in Europe."

"Mr. Roosevelt boasted of his aid to Mr. Wilson's policy of 'following his designs far-sightedly'."

"Speaking last February in Brooklyn he declared that as acting head of the Navy he had committed enough illegal acts to send him to jail for 999 years, and his admission was applauded."

"Mr. Roosevelt also had a hand in the betrayal of the German cruiser 'Geier', incidental to the seizure of the Sayville and Tuckerton wireless stations by the Navy Department. After placing a censor in charge of the Sayville station the Marconi wireless station at Honolulu heralded broadcast, for the information of the Allied warships, the news that the 'Geier' had run into that port for the purpose of coaling."

The German stations were restrained from using the wireless, but the criminal scoundrels responsible for the flagrant violation of all decency allowed the Marconi station to continue to operate.

Such was the Roosevelt neutrality during the last war. A man of such low moral standard and of such criminal partiality cannot be trusted at any time. He will again betray this country into war when well meaning and honest representatives of the American people blindly trust and follow him as the nominal head of the American Government.

### *Senators and Congressmen:—*

I most earnestly urge you in these crucial times to distinguish at this eleventh-hour before it be too late — between the illustrious office of the President of the United States and . . . the character and make-up of its occupant.

The welfare of our country is at stake. You are not called upon to honor and appraise the Presidential office, but you are to judge its occupant by his past actions and his innermost nature revealed thereby.

If the man Roosevelt considered himself a criminal while Assistant Secretary of the Navy, and betrayed this country during the last war — will it then be wise for you, and patriotic, to trust this very same man as President, and to believe him when he says: "I will keep us out of war"? —

Remember — President Wilson also "kept us out of war" and Franklin D. Roosevelt boasted — he was "following Mr. Wilson's designs far-sightedly".

As history has proven that Wilson's "designs" were to bring the United States into the European War on the side of the Allies you can now positively conclude that Roosevelt's "designs" are also to push us into war to help the British and French war-debt-defaulters. No other conclusion is possible.

The people have overwhelmingly registered their determination to stay out of war and to remain strictly neutral.

Now — do your duty!

## Free Press Backed

Following are excerpts from an address on "The American Press" by U. S. Supreme Court Justice William O. Douglas June 24 before the Oregon Publishers' Association:

"We as a people know no substitute for a free press. Certainly, government cannot provide one.

"In the absence of a free and vigorous press advising the people in the execution of their sovereign power, we would face disintegration in time of peace and defeat in time of war. For the people cannot keep themselves mentally fit and alert in this unfamiliar, complicated, kaleidoscopically changing world without the aid and guidance of a free and masterfully competent press. And yet, the press is not free and effective simply by virtue of not being suppressed or bullied. It is free according to the spirit of our institutions only when it accepts the responsibility of its independence, and, of its own volition, helps the people advance toward the realization of their own aspirations. In the crisis we face today, we need the press — as Jefferson and Franklin needed the press when this country first fought for its life to prepare the people for the gigantic struggle ahead.

"Hitler never had any doubt that we would arm and that we would fight. But, with his cynical contempt for the intelligence of the common man and the integrity of democracy, he has been gambling against the ability of our millions of average families to understand our emergency, to respond to it with a singleness of purpose, and to cope with it realistically.

"When we have fought our way to victory, the Nazis will finally understand that the decisive secret weapon in our arsenal is the mind and the spirit of the average American, who wants the truth and who always wants to know how he can do his job better. This is the reason why the average American is counting on the ability of the press to keep him on the right course during these dark days.

"That is the help which the people now, more urgently than ever before, want from the press. The press is equipped to provide it. What the people emphatically do not want from the press — and, what the press emphatically is not equipped to provide — is propaganda. The native shrewdness of the American people will always see through it.

"The people resent propagandists. And the fact is that propagandists cannot have faith in the people or respect for their intelligence. For the people do not want plain truth concealed in fancy clothes. They do not want deviousness and indirection. The people know that they are in this war and that they must fight their way out of it. They don't want to be cajoled or high-pressured into fighting for what they, as Americans, hold sacred."

### PRESS NOT FOOLED

"The press, when it speaks truth (indeed, of course, the limits set by military necessity) and advocates improvement in time of trouble, can only win more respect than it already commands as an institution. It is by specious and unverifiable over-statement that it endangers its position with the public.

## Entrapment Seen By Hoffman In Indictment of 28

SEDITION CASES HELD  
SMEAR BY NEW DEAL

By WILLIAM STRAND

Serious charges of entrapment and conspiracy were made in the House yesterday against Government officials and private parties who engineered the indictment of 28 persons last summer as part of the smear campaign against Administration critics in Congress. An immediate Congressional inquiry into all phases of the campaign was urged to prevent destruction of the legislative branch of the Government.

Representative Clare E. Hoffman (R), of Michigan, author of a pending resolution calling for investigation and punishment of the smear brigade declared flatly that the indictment which charges the defendants with sedition, was merely one phase of the nation-wide plot to purge the House and Senate of members who are opposed to Communism and fought the foreign and domestic policies of the New Deal.

### HOFFMAN SEES RUSE

He charges that Dillard Stokes, a reporter for the Washington Post who collaborated with the Department of Justice in the grand jury inquiry and also wrote about it in his paper, used assumed names to lure a number of those later indicted to send him by mail copies of the alleged seditious utterances that are set forth in the charges.

Thus, the Michigan representative explained, Stokes became the key figure in establishing the Government's contention that the defendants had conspired with one another. The ruse also enabled William Power Maloney, the special Federal prosecutor, to secure the indictment in the District of Columbia, Hoffman continued, on the pretext that by mailing the material to Stokes here they had committed an offense within this jurisdiction.

### CHARGES ENTRAPMENT

Hoffman, a lawyer of many years' experience and noted for successful practice before the Supreme Court of his state, said that Stokes' action was clearly outside the fundamental rules of law prohibiting the ensnaring and entrapment of citizens into the commission of a crime. The aliases which Stokes used, as set forth in the indictment, were Jefferson Broom and Adam Quigley, Hoffman told the House.

"If it be admitted that the literature was seditious, that it was an offense to send it through the mail, why did Stokes write and ask that such literature be mailed to him here in Washington, if his purpose was not to induce the commission of a crime within the territorial limits of the District?" Hoffman asked.

### "MADE NO SECRET"

"The persons to whom Stokes, alias Broom, alias Quigley, wrote asking for what he terms seditious literature, according to Stokes' newspaper story, made no secret of its distribution; and according to Stokes, alias Broom, alias Quigley, made no effort to conceal its circulation. The services of a Sherlock Holmes were not, if we can believe the press, required to uncover the actions of the individuals to whom Stokes, alias Broom, alias Quigley, wrote, requesting that copies be sent to him."

The Michigan representative also

## The Right To Criticize

An article in a recent issue of Finance Magazine, by Dr. Ruth Alexander, under the title, "In Defense of the Right of Criticism," is printed on this page because of the public interest in the subject and especially because of the great public importance of the subject.

The nation has just concluded an election campaign in which there was much criticism of Government, the results of which were not in accordance with what the Government had expected or desired.

While there was a reasonably free expression of criticism in the campaign, there was also a persistent challenge throughout the campaign of the wisdom of permitting it—the point being made that ANY criticism of Government in war-time is obstructive.

Since the result of the election was not what the Government desired or approved, it is to be expected that the challenge to free criticism will be more persistent.

This is the situation which makes Dr. Alexander's informative article timely and valuable.

She begins by stating the problem with a blunt economy of words.

"Criticism of the Government by Government agencies is now under attack," she writes, "and criticism of the Government by private citizens who comprise the people has long been willfully interpreted as contributing to national disunity."

She then takes note of the protest, always made in this connection by Government spokesmen, that it is not criticism itself that is objectionable but only "destructive" criticism.

This is a familiar device, as Dr. Alexander observes.

"Most of us are inclined to divide it (criticism) into two kinds," she says, "which we call 'constructive' and 'destructive' criticism. Criticism favorable to us we interpret as constructive. Rebut we are apt to call destructive."

Which is, of course, the rule the harassed New Deal Administration desires to apply—assuming to itself the right to decide what is constructive and may be permitted and what is destructive and should be suppressed.

Application of that rule would have prevented the free election which we have just held. It would prevent all free elections in the future.

But we would not then be a democratic nation, or have Government representative of a majority of the people—for the following reason which Dr. Alexander states succinctly:

"Majority government is not government by unanimous consent, for human nature is such that unanimous consent could be got only from a nation of robots or by government repression of conflicting opinions of thoughtful people."

Hence, if we desire to preserve the American democratic system, she continues:

"We cannot deny the right to criticize and maintain the right of freedom of speech and freedom of thought."

"The only power the people have over the Government is the power to change parties, or rulers, for better or worse, from time to time. That is the watchdog of democracy, and in that sense only are the people the rulers of their own destiny."

Unmistakably, the American people

## "Smear" Drive Perils Freedom, Taft Warns

OHIO SENATOR CITES THREE INSTANCES OF GROWING FANATICISM IN U. S.

A witch hunt... A smear campaign... Senator Robert A. Taft speaking — the man who might be called the "leader of the loyal opposition."

He was talking with grave concern in his rooms in the Senate Office Building, and said:

"I am deeply alarmed by the growing tendency to smear loyal citizens who are critical of the National Administration and of the conduct of the war."

Senator Taft was weighing his words carefully. He said:

"Something very close to fanaticism exists in certain circles here. I cannot understand it—cannot grasp it. But I am sure of this:

"Freedom of speech itself is at stake, unless the general methods pursued by the Department of Justice are changed."

He cited three instances of the trend that causes the alarm. One is an indictment returned recently by a Federal Grand jury in the District of Columbia, another is the Chicago Tribune case, and the third lies in the speeches of Archibald MacLeish when he was director of the Office of Facts and Figures.

He posed a question to show what he meant:

"What would you say if, out of a clear sky, someone asked you if the Sons of the American Revolution were disloyal? If the descendants of the Sons of the American Revolution were disloyal? If the descendants of the signers of the Declaration of Independence, the General Society of Mayflower Descendants and the Ladies of the Grand Army of the Republic had permitted themselves to be used to corrupt the American Army? INDICTMENT RELEASED BY BIDDLE

"What would you think if someone said that former Presidents Calvin Coolidge and Woodrow Wilson had been members of an unpatriotic organization?"

"What would you say? Absurd, ridiculous, impossible, of course."

Taft nodded, and said:

"Absurd, yes. Yet that is precisely the charge which the Department of Justice has brought against those societies, by indirection and inference, in an indictment on file in the District of Columbia."

He turned to the indictment. It was released for publication by Attorney General Francis Biddle on July 23, and charged 28 persons with:

Interference with and impairment of the loyalty, morale, and discipline of the military and naval forces of the United States in time of peace — before Pearl Harbor.

Causing insubordination, disloyalty, mutiny and refusal of duty in the military and naval forces since the war began.

Senator Taft said: "Among the 28 individuals who are named as defendants in the indictment are a number of men of known German connections, and there are also some others among those 28 who are no doubt un-American. To that extent the indictment

residences and scenes of activity thousands of miles away from the District of Columbia. Only one or two ever lived in the District of Columbia, and then more as transient visitors than as permanent residents. Most of them had never been in Washington City until a few of them were called there by the political prosecution last April and May, "to give evidence against themselves" before the special grand jury in violation of their Constitutional rights.

If any of them were guilty of law violations, it was in their own States and districts, and they are entitled to trial in the "State and district where the offense was committed," as provided by the Constitution. The prosecution should be compelled, in answer to this motion, to reveal what evidence, if any, it has as to the alleged organization of a conspiracy in the District of Columbia, failing which, it would save both the Government and the defendants large sums of money to quash the indictment on the ground of jurisdiction alone and thus to right in some small degree the terrible injustice done to the persecuted defendants and to the injury of our Constitution.

**8. USES FICTITIOUS NAMES — NO VALID OVERT ACT.** The indictment is defective in that it uses fictitious names as the objectives of the "Overt Act" charged to the defendants. Alleging reasonable crime in each count, it was to be expected that scores of instances would be cited where the defendants contacted the armed forces with barrage after barrage of letters, articles, books and newspapers, "urging insurrection and sabotage"; but not one such instance is cited nor could be cited. The most harmless sort of contacts are listed as overt acts; they are not even alleged to be critical of the Administration, or illegal, or in the slightest degree seditious. Eight of the nine alleged overt acts concern "Jefferson Broom" and "Quigley Adams," which one Dillard Stokes, reporter for the "Washington Post," admits in his article of July 24, 1942, on page 5 of the "Post," are fictitious names used by him to obtain copies of publications from some of the defendants, as use in his attacks on free speech. "Overt acts must be to effect the object of the conspiracy"—namely "insurrection."

\* See Ryan v. U. S. 216 Fed. 13, 132 OCA 257; U. S. v. Munday, 186 Fed. 375.

The use of these fictitious names in lieu of real persons was for entrapment of certain of the defendants and placing these fictitious names in this indictment constitutes a fraud upon the Honorable Court. The indictment should, therefore, be quashed.

**9. NO MONETARY OR OTHER REASON ALLEGED.** The indictment is defective and invalid, and therefore should be quashed and dismissed, because

(a) It fails to "inform" the defendants of the nature and cause of the accusation against them. The charge of conspiracy is general and not specific. The defendants know that they never met in Washington, D. C., but the indictment should have stated the exact place within the District of Columbia where the alleged deed of conspiracy was committed, and the surrounding circumstances.

The overwhelming majority of the defendants are without records of criminality, most of them bearing good reputations in their home communities; some of them are of outstanding reputations for high character and patriotism.

(b) It is inconceivable that such persons should have suddenly turned against their native land—the finest in the world—and knowingly engaged in such a monstrous and treasonable conspiracy, WITHOUT SOME SORT OF FOREIGN BRIBERY OR MONETARY GAIN. Yet there is not one single allegation or hint, or the slightest possible proof, that there was ever any monetary influence in the alleged "conspiracy."

In many state jurisdictions, an indictment is at least ground to establish its nature as a cruel sham and a vicious persecution instead of excusable prosecution.

10. **FICTITIOUS CRIME.** The indictment is defective in that it creates an artificial and fictitious crime, without the authority of statute, in its interpretation of the Sections of the "Alien Registration Law" of June 28, 1940, under which the indictment is drawn. Its interpretation of the alleged quotations presented in the indictment, construing legitimate political vituperation as intending to induce "insurrection," etc. in the armed forces, constitutes a violation of Article I of the Amendments to the United States Constitution.

The courts have decided that statutes may restrict free speech only insofar as it advises "violation of law." Since nothing in the indictment indicates that any of the defendants advocated or urged violation of any law by anyone in or out of the armed forces, it is defective and should be quashed.

11. **NOT AGAINST STATUTES.** The indictment charges conspiracy to violate certain statutory laws and quotes certain wording of the statutes as having been transgressed by the defendants. But said indictment falls completely down by failing to follow through with a true case.

None of the following portions of the indictment states matters forbidden by the statutes in question:

Of Count One—Items 2, 3, 4, 5, 6, 7 and the 9 alleged "Overt Acts."

Defendant moves that these aforesaid portions (Items 2, 3, 4, 5, 6 and 7 and the 9 "overt acts") be stricken from the indictment, since they do not charge nor constitute violations of any statute.

Of Count Two—Item 2 and seven alleged "Overt Acts"—all duplications from Count One—should be stricken out; defendant moves that these aforesaid portions of Count Two be stricken from the indictment as they are plainly not matters forbidden by the statutes in question.

With these aforesaid portions of the indictment eliminated, said indictment fails to state a case, and being without support must fall of its own weight. It should be quashed in toto.

Your Honor will observe other demurrable defects in the indictment that are not here stated, which defendant is prepared to present in oral argument. He respectfully petitions the Honorable Court to act upon these defects accordingly now, "ex mero motu."

12. **ATTACKS AMERICAN WAY.** If none of the preceding eleven stated defects existed in the indictment, there would still be one mighty and unanswerable argument against sustaining it.

When the old Federalist party of 1798 passed its infamous sedition law, attacking the First Amendment, it did not centralize and try cases in our nation's capital, but tried them in the various states where the alleged seditions took place. The Federalists thus obeyed Article 3, Section 2, of our Constitution, and Amendment 6 thereof.

In this absolutely unique and unprecedented 1942, "mass indictment," the Administration's prosecutors not only attack free speech, attempting thereby to oppress and frighten the opposition editors of our beloved nation—"freezing free press," as Dean Carl W. Ackerman of the Columbia University School of Journalism asserted on October 20, 1942—but for the first time in our nation's history, they attempt to centralize the trials of administration critics in Washington, the prosecution's dangerously dominated jurisdiction, in open and flagrant violation of the spirit of the American "Declaration" and of our noble Constitution.

One cause of our Revolution in 1776 was that England had "transported our citizens beyond the seas and tried them for pretended offenses," in a strange and foreign jurisdiction, where no defense witnesses could be called.

So anxious were Washington, Madison, Franklin, Hamilton and all the "Founding Fathers" to avoid these cruel

"THE TRIAL OF ALL DEFENDANTS SHALL BE HELD IN THE STATE AND DISTRICT WHERE THE SAID CRIMES SHALL HAVE BEEN COMMITTED."

Under the assumption that accused persons would always be tried constitutionally in the district of the crime, Congress has confined defense witness subpoenas to a radius of one hundred miles from the trial court.

Most of the present defendant critics of the New Deal and of Communism are patriotic but poor publishers, authors, ministers, editors and pamphleteers, who lived and operated thousands of miles apart, did not know each other, did not correspond, were never in the District of Columbia, knew no co-defendant in said District, and certainly were never engaged in any nationwide "conspiracy," emanating from Washington or anywhere else.

#### INNOCENT ARE SMEARED

Several of the defendants have already been indicted or convicted of "seditious writings" in their respective districts. The Washington prosecution in this indictment does not hesitate to put such persons "twice in jeopardy," apparently for the purpose of prejudicing the cause of the innocent defendants, who never knew the convicted ones, but who nevertheless are listed for liquidation.

The difficulty confronting a fair and constitutionally loyal judge in conducting a fair trial in Washington lies not alone in the possibly prejudiced personnel available for jury duty there, but in the inability of the defendants, transported far from home, to obtain witnesses in their own behalf, while the government with untold billions at its command may summon its minions from the round world.

Shall this be America's first "Moscow trial"—the gateway to certain despotism?

Or, will this Honorable Court follow the example of Judge Anderson, who turned down President Theodore Roosevelt's indictment in Washington, D. C., of certain Indianapolis publishers, charging that they had libeled the President?

Judge Anderson said:

"To my mind that man has read the history of our institutions to little purpose who does not look with grave apprehension upon the possibility of the success of a proceeding such as this. If the history of liberty means anything, if constitutional guaranties are worth anything, this proceeding must fail. If prosecuting officers have the authority to select the tribunal, if there be more than one tribunal to select from, if the government has that power, and can drag citizens from distant states to the capital of the nation, there to be tried, then, as Judge Cooley says, this is a strange result of a revolution where one of the grievances complained of was the assertion of the right to send parties abroad for trial."

(See U. S. v. Smith, 173 Fed. 227.)

If, by some miscarriage of justice, this indictment should stand, and trial should result in a conviction of even a few who might be guilty of a limited conspiracy of some sort, it would not only crush free speech in America, totalitarian style, but would render any American anywhere unsafe, being in danger of "transportation to Washington for trial" on any sort of a charge.

Our great government stretches across three thousand miles, with over one hundred Federal Court Districts.

If there have been local seditions or sectional conspiracies, defendant prays and petitions that this Honorable Court sustain the Constitution by quashing this defective and utterly indefensible indictment, and let the various district grand juries from coast to coast do their duty, if any persons deserve indictment and trial.

Defendant strongly urges that this Honorable Court do not Nazify, Bolshevikize and crucify American justice before the eyes of the world by permitting this false and fraudulent indictment to stand, to the cruel injustice and possible ruin of innocent defendants, victims of

#### BOOKS YOU SHOULD READ:

In connection with the case we should certainly advise that you read "The Road to Victory," by George E. Sullivan, price \$1.00; also "The Native Nazi Purge Plot," by Joseph P. Kamp, price 50c, and his "What's Cookin'?" loc. Also "Prophecy of the War," by Gargilis. If you, morale is low this will help. Price is 50c.

We also have Harry Gardner's 194 "What's Next," price \$1.00, and the Moo Sign Book for 1943, \$1.05.

Now in 1940 we wrote an article, entitled "Our National Salvation," which was printed in the 1940 What's Next; in view of what has happened, this is more timely now than when it was written. It is a combination of Bible and astrology.

In 1941 we followed up with an article, "Preparing to Enter the Kingdom of God." This is an extremely prophetic article; again, it is a combination of astrology and Bible prophecy.

There are only a few of these available; if you haven't already read them, get a copy. Price, while they last, \$1.00 each, or 3 copies for \$2.00.

#### COFFEE OFFICIAL HITS RATIONING

There is plenty of coffee on hand making rationing which just started, unnecessary.

This yesterday was the assertion, E. B. Reagan, coffee company executive and an official of the Southern California Coffee Roasters Association.

"When the government announces coffee rationing, the principal reason is that it was feared enough boats would not be available to bring the coffee from South America," Reagan said.

"Now we find that boats have arrived and more are arriving; that the submarine menace isn't as bad as at first paid. As a consequence, there is more coffee on hand now than can be sold."

#### A Letter of Sympathy

Dear Mrs. Kullgren: My sympathies with you both in this great trouble will continue to pray as I have been praying for the men who are called to die by their faith in the right against false charges made.

I am praying too that God may give people to be generous in helping you this time. Am sending what I can in sympathy. ---

"Harken to me, ye that know righteousness, the people in whose heart my law. Fear ye not the reproach of men, neither be ye afraid of their taunts. For the moth shall eat them up like wool, and the worm shall eat them like wool. But my righteousness shall forever and my salvation from generation to generation." Isaiah 51:7-8.

Permit me to console you and Kullgren, that although your "has been very heavy and your very bitter, and yet without tainting the carrying of this burden, one have learned nothing, and just to think at the experience one has that he never would have, if he

## Motion to Quash "Propaganda Trial" Indictment

IN THE DISTRICT COURT OF THE  
UNITED STATES FOR THE  
DISTRICT OF COLUMBIA

UNITED STATES OF AMERICA,  
Plaintiff,

— vs. —

GERALD B. WINROD, et al.,

Criminal No. 70153 Defendants

Comes now defendant, Hudson De  
Priest, in his own proper person, and  
moves the honorable court to quash and  
dismiss the indictment, and discharge  
the defendants on the grounds that said  
indictment is defective upon its face,  
that it was drawn by an illegal grand  
jury, that it fails to make out a prima  
facie case, and that its form has never  
before been used in our Republic and, if  
sustained, would establish a dangerous  
precedent, destructive of our Bill of  
Rights.

In more specific detail the defects of  
and objections to said indictment — the  
grounds for quashing — are here set  
forth, as follows:

1. **GRAND JURY ILLEGAL.** The  
grand jury was empaneled for the July  
1941 term, to investigate violations of  
Section 233 of Title 22 of the United  
States Code — the so-called "Foreign  
Propaganda Registrations Act." Al-  
though authorized to investigate "other  
criminal laws of the United States," the  
grand jury confined itself during the en-

States Code.

The defendant is indicted and so  
charges the facts to be that said grand  
jury did not begin the investigation of  
violations of any other criminal laws  
during said July 1941 term of court.

In conformity with Section 421 of  
Title 28, U. S. Code, various justices of  
the court ordered said grand jury to con-  
tinue to sit during four succeeding three-  
months terms of court, for the SOLE  
purpose of finishing said investigations  
begun in the July 1941 term, but not  
concluded by the said grand jury during  
its prior sittings. The aforesaid subse-  
quent orders specifically referred only to  
investigations of violations of the propa-  
ganda registration law by George Sylves-  
ter Viereck and others, of Section 233,  
Title 22 of the U. S. Code. None of  
these court orders ever referred to Sec-  
tions 9 and 11 of Title 18 nor of Section  
33 of Title 50 of the U. S. Code, under  
which these defendants were finally in-  
dicted in July, 1942.

Said grand jury, obviously, as will  
more fully appear from the record on  
file, could not have been authorized in  
the July 1941 term of court to investigate  
violations of an act (Section 33 of Title  
50), which is effective only while the  
United States is at war. Yet, said indict-  
ment illegally and defectively charges  
violations, in Count two, of the afore-  
said war-time statute, thus rendering said  
indictment null and void.

2. **BIASED INVESTIGATION:  
POLITICAL PERSECUTION.** The  
indictment upon its face gives evidence  
of having been "rigged up" by the prose-  
cution for the purpose of political per-  
secutions of Anti-Communists and pol-  
itical opponents and critics of the national  
Administration. The prosecution select-  
ed Sections 9 and 11 of Title 18 to in-  
vestigate the doings of Anti-Administration  
critics, but neglected to investigate  
violations of Section 10 of the same  
Title (18), which covers the subversive  
activities of Communists, it being known  
and admitted by the Attorney General  
himself in his official report on Harry  
Bridges, that the American Communists  
are engaged in violating the prohibitions  
of said Section 10 of Title 18.

The prosecution thus shows its bias  
against Republicans and Anti-Communis-  
ts and in favor of Communists and  
other left-wing favorites of the New  
Deal Administration.

Day by day, secrets of the grand jury  
room were published to the world by  
newspaper pets of the prosecution, and  
sometimes over the radio, with the idea  
of prejudicing both the sitting grand  
jury and subsequent members of a petit  
jury. Stories attacking anti-Communist  
papers were published in the "Washing-  
ton Post," "Wichita Beacon," etc., un-  
der the title of "The Vermin Press" —  
thereby tending to prejudice the Wash-  
ington grand jury itself against those  
anti-administration editors who came  
before the grand jury's inquisition, and  
who were later to suffer the ignominy  
and disgrace of this indictment.

Judging by these newspaper revela-  
tions of the grand jury room, not one  
Communist, New Dealer nor Administra-  
tion supporter was ever called before  
this inquisitorial body. Not one of the  
persons exposed by the Dies Committee  
was ever haled before said grand jury.  
The indictment is invalid because of  
BIAS on the part of the grand jury and  
the prosecution, and therefore should be  
quashed.

3. **INDICTMENT NOT SPECIFIC.**  
By common and statute law, it is re-  
quired and essential, in order to sustain  
the validity of an indictment, that it be  
specific and not general, and that the  
time and place of the commission of a  
crime shall be set forth in exact detail  
(the time element to guarantee defend-  
ants against being put twice in jeopardy  
for the same offense), and that the place  
of the crime shall be specifically stated,  
in order to establish venue or jurisdic-  
tion of the court therein.

In examining the indictments for these  
legal requisites, it is discovered that the  
dates for the commission of the crimes  
alleged in Counts One and Two are tak-  
en from the law books rather than from  
evidence before the grand jury. In Count  
One, the prosecution selects June 28,

this indictment were legalized; and  
Count Two, the date of December  
1941 was selected by the prosecution  
presentment by the grand jury be-  
cause it was the date of the Resolution  
Congress, declaring war on Japan.

The defendant swears that he was not  
in the District of Columbia on either  
said dates, nor for many months pre-  
ceding or subsequent thereof, nor does  
he believe that more than two or three  
of the 28 defendants (neither of whom  
knew until recently) were in or any-  
where near said District of Columbia within  
period of many months of said date.  
There can be no competent evidence  
that the defendant conspired with all  
any of the other defendants within the  
jurisdiction of this court, on these or  
other dates, or ever conspired with any  
one, anywhere, at any time.

4. **ALLEGED UTTERANCES NO  
ILLEGAL.** Said indictment bears  
internal evidence of being defective,  
artificial and without validity. The  
grammar of the whole charge is "conspir-  
to urge and cause insurrection by  
armed forces." The indictment lists  
alleged examples of how defend-  
ants "would use . . . publish . . . urge . . .  
print" in newspapers and periodics  
and quotes without identification cer-  
tain alleged matter critical of the Adminis-  
tration (but not forbidden by statute),  
yet said indictment does not quote  
single instance of any illegal utter-  
ance urging revolt, insurrection or mutiny,  
etc.

5. **INDICTMENT DOES NOT  
SHOW CONSPIRACY.** The 105 al-  
legations and quotations in the indict-  
ment are all political, are not forbidden  
law, and are privileged under the Con-  
stitution. Their equivalent in vituperation  
can be found in the platforms of  
national political parties, and in thousands  
of political speeches, editorials, books  
and pamphlets over a period of one hun-  
dred and ten years.

An unbiased study of these 105 al-  
legations offers convincing proof of  
fact that there was never any such  
conspiracy as the indictment falsely al-  
leges. It fails to make out a valid case; be-  
cause many of these quotations are in  
conflict, therefore could not have been  
the result of concerted action, confes-  
sion or conspiracy. For example,  
xvii on page 8 reads "No real danger  
exists anywhere in the world to the U.  
States . . . or its Republican form  
government"; and yet, the defendant  
charged by the indictment in line  
page 12 with seeking to "destroy" A-  
merican republican form of government.

6. **RIDICULOUS ALLEGATIONS.**  
Count Two of the indictment pre-  
sents such a fantastic and ridiculous al-  
legation and averment that its falsity must  
be evident to all enlightened minds. It  
alleges that the defendants as again meeting  
knowingly conspiring to commit trea-  
sonable crimes against their own  
country—meeting, of all places, in  
the nation's capital, where their  
country would most easily be found out;  
at all times—on the very day our  
Country is declaring war on Japan!

The indictment presupposes that  
defendants, living thousands of  
miles apart, most of them not knowing  
each other, should by some sort of pre-  
determined divine plan that Japan was going  
to attack Pearl Harbor on December 7,  
that these defendants began some  
time before to start on their journeys to  
Washington, D. C., and to hold  
December 8 a secret congress of  
their own in our great capital, aflame  
with war spirit, and there to re-con-  
fess and re-conspire to violate the  
sedition law, Title 50, Section 33.  
This eccentric indictment gives place  
venue to a conspiracy that never  
existed in the wild imaginings of  
political prosecutors.

Just why the prosecution should  
allege and aver that the defendants  
already done their conspiring of  
one-half years previously (Count  
One) should think it necessary to come  
to Washington to do it all over  
(Count Two), is a matter for a  
strait to unravel.

7. **IMPROPER VENUE.** The  
indictment is defective in that it

AGENTS WANTED to sell AMERICA SPEAKS

## The Great Conspiracy

The famous—or infamous—conspiracy case, is the most outrageous frame-up in American history: for the conspiracy exists, not on the part of the defendants but on the part of the Department of Justice; to be specific, the Attorney General's office. For it is quite evident, on the face of it, that most of the defendants are unknown to each other. I believe I had met 4 of the 28 prior to my arrest. Now on the face of it I couldn't conspire with people I had never met, and of whose existence I did not even know. For instance, I was arraigned before Judge Proctor with three others: Mr. C. Leon de Aryan, of San Diego, whom I had met three times, twice in San Diego and once in Sacramento; David Baxter of San Bernardino, whom I met for the first time two days before my arrest. I did not know of his existence until I read in the papers about the hearing called before the grand jury in Washington; so finding myself passing through San Bernardino, I was curious to know what type of man he was, and called on him; certainly no time for conspiracy, when the thing was already known up. The third man, a Mr. Lyman of Detroit, I had never even heard of before as far as I can remember.

Now in this number, we are printing the indictment, also a letter addressed to Attorney General Biddle by Mr. George F. Sullivan, of Washington, a prominent attorney. And if we have not, we will print a Motion to Quash, filed by one of the other defendants, Mr. Thomas De Priest, a man whom I met for the first time when I arrived in Washington, called there by the Department of Justice. We have also picked out at random, articles from the Congressional Record, the Washington Times-Herald, the Los Angeles Examiner and other sources, to show that the papers are making exactly the same statements that I made, which the Attorney General's office calls sedition. We will even bring much stronger material from certain articles by various columnists, to the trial.

Now our purpose in presenting this number of AMERICA SPEAKS is to try to offset the damnable lying propaganda of the Communist press, the Red commentators and the various mouthpieces of the Department of Justice. As one instance of this: while I did not personally hear it, I have been repeatedly told by those who did hear it that Walter Winchell stated in his broadcasts that I had been taken to Washington in chains and held there in jail; I was told while in New York, after leaving Washington, that he was still stating over the radio that I was in jail in Washington; so much for the truth of his vituperous utterances.

Speaking for myself, I have been tried and convicted by Walter Winchell. Look magazine, P M and a host of others. If they had confined themselves to the truth I would not object, but their statements are positively libelous, and they are going to find it out. Obviously I can not quote these things at this time, but they will have a splendid opportunity to prove their libelous statements at the proper time and place.

The point is, who is responsible for this smear campaign? Whatever facts they do possess obviously came from the only source from which they were obtainable, namely, the Department of Justice office. And so I repeat: the conspiracy is that of the Attorney General's of-

fice, a conspiracy to smear, defame, libel and persecute those charged in the indictment, and to deprive them of their constitutional rights. Some of them go so far as to demand our execution; they say we should be liquidated as in Russia—forgetting that there has been no trial, up to date, except on the air and in the press. These gutter-snipes, it is true, have arrived at a verdict, based on a pre-arranged plot and plan.

Now, why is this thing possible? It is possible because of two things: first, the spiritual and moral let-down of the American people, to such a degree that they sent cheap politicians to Congress instead of statesmen or even business men; second, this low type of politician promptly surrendered their powers, powers that belong only in the hands of Congress, to the President of the United States, virtually making him the world's most powerful dictator; he in turn delivers the power to men whom we find blazoned on the front pages of our newspapers as labor czars, food czars, etc. and nauseum. The lesser ones are known as commissars—note the Russian terminology. These men are not elected by the people, and many of their acts are entirely without legal authority; for instance, an undertaker had his gas ration cut in half because he had no return load from the cemetery, according to Fulton Lewis, Jr. over the air on December 11th; evidently the undertaker is supposed to dig one up every time he plants one. A farmer is under the threat of a \$10,000 fine and to years imprisonment if he makes a false statement that he needs rubber boots when he doesn't.

The Washington Times-Herald of November 24 states that hotel managers in Washington no longer manage their hotels, they only obey orders from the White House and the various government agencies. On December 3rd San Francisco hotels were ordered to make a 15% pay increase to their help, retroactive to last March 15. Remember, rates and services have already been frozen, although the cost of same as a whole is about a third more than previous to the war. Do you hotel men still think I am an extremist, lacking in expediency and diplomacy? You recall I warned you of those things when I was secretary-treasurer of Charter 61, Hotel Greeters of America. You said my ideas were fantastic; but you are now wearing a ball and chain, believe it or not. I could go on and on, giving instances.

Now this conspiracy charge is not my case, it is your case, the case of John Q. Public; yet up to date the defendants, at least the few that I know of, have stood almost alone; some of them have spent almost six months in jail because the people whose battles they were fighting deserted them and left them to their fate. Baxter has a wife and two little children, left to shift for themselves, while he rots in jail for the past six months. I understand the bail has been reduced from \$5,000 to \$1,000, and I believe the same is true of de Aryan. In my case I would still be in jail if it had depended upon those who have read The Beacon Light. I believe our readers are among the finest of those of any periodical in America, and yet comparatively few of them realize their obligation in this case. Most of our help has come from people in very meagre circumstances. For instance, a woman living on \$16 a month sends in a dollar. I would rather perish in jail than to rob people like that. There are many readers of The Beacon Light who could donate a thousand dollars and not miss it there

sources from whom we have a right to expect substantial help, but up to date that class of reader has done practically nothing. God I am abundantly blessed with this world's goods, but they have failed in their stewardship, and they will be stripped of everything. That is spiritual law. You will find these people penniless before they get through, because they permitted God's ambassadors and prophets, Christian crusaders, to be crucified and persecuted without raising their financial finger to help them. May God have mercy on them when their hour comes. But I am afraid that the very exacting spiritual law will mete out to them their just deserts.

You say, "Well, the Court has appointed an attorney for us." Yes, the Court has appointed an attorney. During the five weeks I was in the east I called on numerous attorneys, to find out what it would cost for a fairly good defense attorney; the majority of them quoted from \$3,000 to \$5,000. One attorney in Washington said, "Whoever is appointed your attorney must dig down into his own pockets for at least \$3,000; that means he faces bankruptcy, first because the case will be lengthy, and second, he will not have time for any other law cases; and third, other clients will be afraid to hire him because he is fighting the government." And so the consensus of opinion of attorneys is that \$5,000 is a reasonable fee for defending any of the defendants. The case is so important that it calls for the best legal brains in the country, men of the calibre of Senator Taft, Bainbridge Colby; men who are experts on constitutional law; men who demand and expect from \$25,000 to \$50,000.

Out of the meagre contributions we have received, we have shared with a few that we knew who were less fortunate than ourselves, although we could ill afford to help anyone. We have borrowed, and sold off possessions, and so we have gotten by. It struck me as funny, as I stood before the Judge in court, when I suddenly bethought myself of a hole in the seat of my pants, almost big enough to put my fist through—sabotage by moths while I lay in the Los Angeles jail (The repair crew has put a patch on). I purchased that suit in 1935 or '36, for the sum of \$25. My last overcoat was purchased 15 years ago.

I have before me a letter from a prominent Washington attorney. I quote: "Nobody is coming up with any money at this end of the line and I do not know just what in the devil we are going to do. It certainly impresses me that the American public are very ungrateful to those who are fighting their battle. I expect a long and protracted trial."

Now each defendant should have not less than \$5,000 at the back of him when he goes into court. Several months' living costs in Washington are apt to prove very expensive, anywhere from \$500 to \$1,000; traveling expenses (in my case over 3,000 miles each way); witnesses to subpoena from the west coast, who are apt to cost \$1,000 each for God knows how long they will be there, and in my case approximately a dozen would be needed. Then the attorney, even though appointed by the court, must have some financial support from his client, lest he collapse in the middle of the case. I met some of these men. They are living from hand to mouth with no resources; how can they carry on a lengthy case under these circumstances, without any remuneration at all? The government pays them nothing. Now I am putting it up to you: is it a square deal? Is this the way to treat your patriotic defenders? I forgot to say that our postage, telephone and telegraph bills are very substantial; the last letter we sent you, first class mail, cost \$30 for postage alone. The total cost for that letter was around \$75 besides our own labor. This we sent out to sustain your morale, and to let you know how the fight was progressing. Many of you had heard the false reports broadcast by Winchell and thought me still in jail. About 800 copies were sent to our regular subscribers; we printed about 1500, giving the balance away in bundles.

Now the question is, is America worth defending on the home front? There is already a smoldering hot bed of revolu-

language, and some of these individuals who smugly think they are clear. The program is exacting of the communists when over in Russia, hence the real persecution.

Now this case is likely to when you get this. In this edition shown you the picture, and whom you profess to believe in, does not expect you to act like Pilate. Jesus Christ was arrested on the cross and died; was sedition. Daniel was thrown into the lions' den for the same. Paul languished in prison; so St. Paul was not only an evangelist, but a lawyer of renown in his day. Jeremiah was in the same Chapter 38 of Jeremiah. The reads: "Then took they Jeremiah and cast him into the dungeon of the son of Hammelech, that is, the court of the prison; and they Jeremiah with cords. And in the den there was no water, but Jeremiah sunk in the mire." If I live to be a thousand years old, I can never forget the humiliations suffering that were mine in the gees county jail; my wife, away, frantic, impotent to do anything, allowed to see me for 15 minutes through a heavy screen, certainly not talk over the case and what I member, all letters coming are censored, so we were he sum it up, this is YOUR case, are you going to do about it? that spiritual law holds you for every decision you make. contributions as quickly as we repeat, we don't want to rob we want it from men and we can give it without missing it, are plenty in the country. The tion have spent enormous money; they have the Treasury of the United States to call upon Treasury.

Money can be sent anonymously or express, if you are using your own name on any money order. A per centage received will be used to help fortunate than myself after our expenses are taken care of. If space I could tell you stories of suffering of not only the men wives and families, mental anguish; and remember, they it for you, the American people, men in jail, could be working at good salaries; I know but I choose the path of duty and that the enemies of our are exposed.

Hon. Francis Biddle,

Attorney General of the United States,  
Department of Justice,  
Washington, D. C.

Re: NEDED CRIMINAL PROSECUTIONS UNDER SEC. 51 OF TITLE 18, U. S. CODE.

Dear Mr. Attorney General:

One of the most important, but seemingly overlooked, provisions of the U. S. Code is Section 51 of Title 18, reading: "CONSPIRACY TO INJURE PERSONS IN EXERCISE OF CIVIL RIGHTS. If two or more persons conspire to injure, oppress, threaten, or intimidate any citizen in the free exercise or enjoyment of any right or privilege secured to him by the Constitution or laws of the United States, or because of his having so exercised the same, \* \* \* they shall be fined not more than \$5,000, or imprisoned not more than ten years, and shall, moreover, be thereafter ineligible to any office, or place of honor, profit, or trust created by the Constitution or laws of the United States."

I am writing to ask for the immediate institution of criminal prosecutions against participants in such conspiracies. Toleration of such infamous conspiracies will spell the doom of our great Republic. It is idle to boast about transporting freedom to other parts of the world, while causing, or permitting, it to be destroyed here.

WILLIAM POWER MALONEY, JOHN T. M. REDDAN, WEND. ELL BERGE, EUGENE MEYER, DILLARD STOKES AND WALTER WINCHELL.

You will doubtless have no difficulty in verifying that all six of the above-named have been in active collaboration in devising, perfecting and executing a scheme or plan to injure, oppress, threaten and intimidate citizens of the United States who loyally exercise the freedom of expression secured to them by the Constitution of the United States and who loyally and courageously direct such freedom of expression toward the saving of the American Republic. I believe you will also have no difficulty in proving that the recent use of an indictment to reflect upon persons and organizations not indicted is the culmination of machinations by said group in violation of the above-quoted section. The fact that three members of said group are officials of the Department of Justice gives none of them immunity from criminal prosecution, but, instead, strongly suggests an aggravated condition calling for immediate action. The indictment to which I refer is the one filed July 21, 1942 in Criminal No. 153, United States v. Gerald B. Winrod et al., District Court of the United States for the District of Columbia.

Any defendant to said indictment, either alone or in conspiracy with other person or persons, planned or attempted to cause insubordination, disloyalty, mutiny or refusal of duty by members of the military or naval forces of the United States, the prosecution and punishment of such person or persons would not be retarded or confused by dealing as defendants loyal Americans, but less by mis-using the text of the indictment to reflect upon other loyal Americans and American organizations even indicted. Those who drafted, or caused the drafting of, said indictment could hardly have been unaware of the impropriety and criminality of such use thereof. It is impossible to conceive of a more serious and outrageous violation of section 51 of Title 18 of the U. S. Code.

Section 51 of Title 18 of the U. S. Code states how simple, concrete and inevitable is a properly drawn indictment of conspiracy to cause insubordination by members of the military and naval forces. The indictment in that case

is a masterpiece of presentation. It did not make the charge that the defendants had conspired to organize as illegal groups known as patriotic groups actually established long before the claimed conspiracy and having loyalties not subject to honest attack. Nor did it attempt to substitute for concrete and informative charges a series of miscellaneous extracts from speeches and writings, official and unofficial, by various persons, some of whom were neither indicted nor named, in order to argumentatively and artificially contend that criticisms contained in such speeches and writings would or might tend to create such distrust of those in high official positions as to breed mutiny, notwithstanding the speakers and writers advocated only lawful and peaceful remedies.

The reckless abandon, abuse and indifference exhibited by the indictment in United States v. Winrod et al. has been ably and clearly explained by Senator Taft in a recent interview (Washington Times-Herald of August 17, 1942). The American people want no lawlessness by any group, official or private, and, above all things, want no examples in lawlessness set by the Department of Justice, the special Governmental Department dedicated to law enforcement.

II. "FRIENDS OF DEMOCRACY, INC." L. M. BIRKHEAD, NATIONAL DIRECTOR, FIDELITY BUILDING, KANSAS CITY, MO. REX STOUT, PRESIDENT, 103 PARK AVENUE, NEW YORK, N. Y.

Those constituting the above-named group would seem also to be eligible for criminal prosecution under Section 51 of Title 18, U. S. Code, by reason of the issuance by said group of its July 1942 bulletin, seeking to injure, oppress and intimidate a number of loyal Americans well-known for their freedom of expression in behalf of the saving of the American Republic, including Stephen A. Day, Clare Hoffman, Merwin K. Hart, Charles A. Lindbergh, and George E. Sullivan (the writer), by and through the false and baseless stigmatization of them as "American Quislings" (a term falsely, deliberately and maliciously used to convey that such loyal Americans are really traitors to the American Republic and aids of Nazism).

An investigation of the above-named group may disclose a link between it and the heretofore mentioned William Power Maloney group, and that, instead of two separate conspiracies, the members of both groups are parties to a conspiracy of an extensive nature and character to silence loyal American citizens generally.

III. "THE JEWISH SURVEY, INC." 1123 BROADWAY, NEW YORK, N. Y. LOUIS HARAP, MANAGING EDITOR, MAX WEBER AND VIOLA BROTHERS SHORE, MEMBERS OF EDITORIAL BOARD.

Those constituting the above-named group are patently eligible for criminal prosecution under Section 51 of Title 18, U. S. Code, in consequence of page 3 of issue of THE JEWISH SURVEY of August, 1942, seeking to injure, oppress and intimidate George E. Sullivan, a loyal American citizen, because of his exercise of freedom of expression on behalf of the American Republic in writing and publishing an authentic and patriotic booklet entitled "THE ROAD TO VICTORY." In order to conceal the real purpose of said group in thus seeking to injure, oppress and intimidate said loyal American author (the writer), and avoid having to specify what cannot be substantiated, it is falsely and wickedly asserted in said article in THE JEWISH SURVEY that the booklet contains "foul lies" constituting "un-American filth" too foul for quotation. To further divert attention from the real purpose of said group, such published article is headed:

"MEMO

to the Department of Justice." Whether a copy has, or has not, been transmitted to the Department of Justice, the criminal responsibility for its publication and circulation to injure, oppress and intimidate a loyal American author still remains. In order that the viciousness and baselessness of said attack upon the author may be apparent to the Attorney General, a copy of said authentic

booklet, "THE ROAD TO VICTORY" is enclosed herewith.

The writer's status as a loyal American citizen has never been challenged by any respectable person or group, and no disreputable group, official or unofficial, is going to silence him in exercising his constitutional rights. He was born in the Nation's Capital, October 20, 1881, and has been engaged in the active practice of the legal profession in the Nation's Capital since October 20, 1902—nearly 40 years. In Sullivan v. Meyer, 67 App. D. C. 228, 229, the Court of Appeals of the District of Columbia stated they were "glad to affirm" of their "own knowledge" that his "character and motives" are "of the highest." The booklet "THE ROAD TO VICTORY" is the result of six years of intensive and impartial research by the writer into the causes of the ever-increasing plight of the American Republic and of the world, and it was published as a matter of patriotic duty wholly at the writer's expense. Everyone participating in the aforesaid defamations must be well aware of these facts, yet schemes to injure, oppress and intimidate the writer in the hope of thereby punishing him, and if possible silencing him in the future, in the matter of his loyal and courageous contributions to the saving of the American Republic.

Very sincerely,

GEORGE E. SULLIVAN.

similar action of King George III which was one of the motivating factors in precipitating the American revolution.

### CITES JEFFERSON

In the famed indictment of the king written by Thomas Jefferson and now cherished as our Declaration of Independence, Hoffman recalled the colonists complained that royal assent had been given "for transporting us beyond the seas to be tried for pretended offenses."

In all, the graying Congressman held the floor and the respectful attention of his colleagues for more than an hour, delivering a speech which Representative Rankin (D), of Mississippi, declared "ought to be put in the hands of every true American." Other members on both sides rose at frequent intervals to side with him and add their protests over the purge campaign. Not one voice was raised to defend the Roosevelt Administration, although a number of White House stalwarts were seen in their accustomed places.

### WAS "PURGE" TARGET

Hoffman, grim-faced and wiry of build, is known for his ability to give and take in the rough and tumble of House debate and has been one of the most outspoken critics of the Administration. He was one of the first to be marked for liquidation by the New Dealers with the result that he was, elected last month by a larger majority than he enjoyed in the 1936 Presidential year.

The purge attempt which was aimed at more than 100 members of the House and Senate received the active support of Eastern interventionists, Wilkieites, Communists, and the left-wing press of New York City. Their smears were directed at both Democrats and Republicans, both pre-war interventionists and non-interventionists, most of the victims apparently being judged primarily by their votes for or against collectivism on domestic issues.

For their part in the grand jury investigation, on which the bulk of the charges of disloyalty against Congressmen were based, Stokes and Prosecutor Maloney were named as having participated in alleged purge conspiracy.

## "Smear" Drive Perils Freedom, Taft Warns

Continued From Page One

Pellely, Silver Shirt leader, appealing from a 15-year prison term for sedition. The Senator continued:

"But there is more in this indictment. There are things which remind me of the 'witch hunting' of the first war, except that this witch hunt is more dangerous, more calculated and vicious than that of '17'."

He explained:

"Twenty-seven organizations are mentioned in the indictment. They are not indicted. No charge is brought against them."

"The indictment says that they were 'used' by the defendants to further their conspiracy. And among these 27 organizations are many committees and societies of known loyalty."

He quoted the language of the indictment:

"And it was further a part of the aforesaid conspiracy that the said defendants, and divers persons to the grand jurors unknown, would organize and cause to be organized, support, use, control, contribute to financially and otherwise aid at divers places within and without the United States of America, committees, groups and organizations, under the following names, among others:

Senator Taft, son of one-time President William Howard Taft of the United States, said:

"The indictment was adroitly drawn. It lists, among those 'controlled' and 'used' organizations such notoriously unpatriotic groups as the German-American Bund and the Silver Shirts."

"And then—linked to that company, it names such groups as the Coalition of Patriotic Societies and the America First Committee. It does not say how they were used."

The America First Committee we know. But the Coalition of Patriotic Societies may need some amplification. PATRIOTIC GROUPS LINKED TO ENEMIES

Among member societies of the coalition are the Sons of the American Revolution and the Veterans of Foreign Wars, whose men have fought throughout the world to keep America free!

Other groups holding membership in the coalition are:

The National Constitution Day Committee. Descendants of the Signers of the Declaration of Independence.

General Society of the War of 1812.

General Society of Mayflower Descendants.

ROTC Association of the United States.

Society of the Daughters of the U. S. Army.

U. S. Naval Reserve Officers' Association. (Largely inactive now, since its members are at sea with their country's fleet.)

Daughters of the Revolution.

Ladies of the Grand Army of the Republic.

Such a list, Senator Taft said, scarcely needs comment. But the membership of those societies are interested. Take the Sons of the American Revolution, for instance. Among its members, living and dead are:

Calvin Coolidge, Woodrow Wilson, Warren Harding, Gen. John J. Pershing, Theodore Roosevelt, Charles Evan Hughes, Governor Whitman of New York, Gen. Charles G. Dawes and Rufus Dawes.

Senator Taft said:

"Anyone who knows the facts knows that those societies were neither controlled nor used to the detriment of their country."

### ARMY MEN IN HIGH POSITIONS SMEARED

He cited more names—leaders of the America First Committee: Gen. Robert E. Wood, member of the Advisory Board of the Chicago Ordnance District; Gen. Thomas S. Hammond, who left his post as president of the Whiting Corporation to serve with the Ordnance District, where on August 14 he was confirmed as deputy chief; R. Douglas Stuart, Jr., now a lieutenant in the armed forces and Col. Hanford MacNider, whose promotion to the rank of Brig. Gen. was

by our leaders to cover an aggressive war to enable American capitalists to hold on to their ill-gotten gains in other countries."

(xxi)  
"But, fear not! At the height of his career the occupant of the White House will suddenly pass to his reward. A man-of-the-hour will arise and save your nation from the destruction which has been planned that way."

(xxii)  
"If we lose, the common people will lose; if we win, the common people will lose. Only super-capitalism will emerge the winner, not the people. It is to protect and defend the exploitation and ownership of vast property in all parts of the world of super-capitalism that the common people are being called upon to fight for, not 'national defense.' We are to send troops all over the world to fight, which could hardly be called a 'defensive war.'"

(xxiii)  
"We propose that all Americans unite in denouncing domination of other peoples by any nation whatsoever. That they unite in urging the earliest possible ending of the present profitless conflict."

(xxiv)  
"The UN-PATRIOTIC, INTERNATIONAL leaders of the New Deal, who think of all others first and America last, who have lied to and deceived the American people who trusted them with great power and who have plunged the nation into foreign wars in which we stand to lose much and gain nothing, and who control the propaganda in America—these traitors are raising a great hue and cry against FASCISM in America, false leading the people to believe that American Fascism is a 'fifth column'."

(xxv)  
"The false leaders do not like PATRIOTIC societies opposed to communism and lying, deceiving, traitorous public officials."

(xxvi)  
"Any professed servant of Christ who could aid the church-burning, clergy-murdering, God-hating Soviet regime belongs either in the ranks of blind leaders of the blind or in the ancient and dishonorable Order of Judas."

(xxvii)  
"A boy said to me, in substance, 'The same that the fighting planes and the bombers and the ships were not provided to aid my brother in making his fight for his country? How come they were over in the other, the eastern hemisphere? And did I have an answer? No. There was no answer, except the one that we had sent the fighting planes, the bombers, the destroyers to aid Britain.'"

(xxviii)  
"Of course great numbers of Americans hate Hitler. Why shouldn't they when all the sinister forces in our country have done everything in their power to lie about him, to withhold the truth about him, to malign, vilify and misrepresent him?"

(xxix)  
"Yes, of course, millions of Americans hate Hitler, but the amazing thing is that probably many millions more have seen through this hate-hysteria and greatly admire the fine work he is doing for his people."

(xxx)  
"Ever since the President had his conference with Churchill on the high seas, we have been hearing from editorial writers, radio commentators, and New Deal spokesmen of the United Nations. Now comes a member of the President's Cabinet, Ickes; a member of the United States Supreme Court, Roberts; both of whom have sworn to uphold and defend the Constitution, and add their endorsement to the Judas-like betrayal of our people into and as one of a United States of the World."

(xxxi)  
"Is not Franklin Delano Roosevelt satisfied with being a third-time President of the United States, an honor which the patriotism of Washington forbade him to accept? Is he not satisfied with his

our national existence; become a part of a United States of the world, and make Franklin Delano Roosevelt the president of the world nation?"

(xxxii)  
"And yet these men, like Judas, who betrayed his Master, would, before we are fairly in this war, betray our people; surrender our independence; connive to destroy our liberty and our freedom. They would surrender that for which the war is being fought—our national existence—before the war is fairly begun."

(xxxiii)  
"Meanwhile, there is increasing advocacy of Fascism. It is mainly from young college men and women who now realize that they have been exploited by bribed professors and universities, and Jewish control of foundations and endowments. They declare that Hitler, Mussolini and Franco 'must be right,' and that they will repudiate the new deal national indebtedness. This reaction is spontaneous, following a revelation of a small part of the truth."

(xxxiv)  
"The aim of the International Financiers (Jewish) is world control by the creation of inextinguishable debt."

(xxxv)  
"Before making up his mind on the subject of a negotiated peace, Churchill ordered American Ambassador John G. Winant to Washington, to learn from Roosevelt whether or not the United States would promise to go ALL THE WAY, in a war on the side of England. Winant flew from London to Washington. For a few hours, Franklin Delano Roosevelt held the destiny of the world in his hands—and had power to determine whether the war should continue. Being spokesman and representative for international Jewry... having inaugurated a system of Semitic control at Washington, his natural aversion to that phase of the Nazi philosophy which professes to be a reaction against Jewry is understandable. The scales were tipped on the side of continued warfare."

(xxxvi)  
"We have by every act and deed performed aggressively solicited war with the Axis."

(xxxvii)  
"The mighty empire 'on which the sun never sets' is just sitting back waiting patiently for the good old U.S.A. to come to her rescue again."

(xxxviii)  
"Movies of the President, speaking on the war issue, give me the idea that he fairly smacks his lips about war to police the world to enforce the four freedoms, so-called."

(xxxix)  
"Radio gives the idea he relishes the proposed conflict, so bloody."

(xl)  
"Says Death Awaits U. S. Boys in Africa."

(xli)  
"There is unspeakable chagrin in Washington because our boys are not blazing away on the firing line."

(xlii)  
"True national defense does not, never did, and never will mean that America's first line of defense is in Europe, Asia, Africa or anywhere but in the United States of America."

(xliii)  
"AID RUSSIA AN INSULT TO GOD."

(xliv)  
"What American Christian mother will want her son to fight and die in Soviet Red Russia or anywhere else in the world for the ROTTEN RED FLAG, for COMMUNISM and World Revolution?"

(xlv)  
"We prepare for Germany, but if Britain wins, a war with Britain is probable—most likely—if we are unprepared."

(xlvi)  
"Britain is a potential post war enemy and making her stronger than the U. S. as American taxpayers' expense is not National Defense, but will split our country, and is pure TREASON."

(xlvii)  
"The price of every article and commodity will be fixed by the Government."

"In short, you white-washed and yellow-striped members of Congress gave and surrendered the Mongolian Jew controlled Admiralty the right to take the shirt from your back and the gold from your teeth; and further permitting your wife and daughter to be regimented, enslaved and forced into prostitution."

(xlviii)  
"One must not be deceived by the pacific humanitarianism of the vocabulary of the White House. Mr. Roosevelt has perfectly understood that war is the one opportunity of allowing the Hebrew comrades of his Brain Trust to revenge themselves and to reconquer Central Europe. Another war in which America would take the initiative or even active participation... seeing that the French and English were weakening he took the trouble to telephone personally to Sir John Simon and said to him: 'Go ahead, we will support you.'"

(xlix)  
"But the British are not far behind in this talent for publicity reversals. With a fifth of the earth's people kept under their rule by force, they blent of fighting to liberate subject populations. Fighting now for the triumph of the bloodiest dictatorship ever known—Soviet Russia—their microphone to listening Americans their pious horror of dictatorships."

(L)  
"We propose:  
"That all Americans unite in denouncing domination of other peoples by any nation whatsoever.  
"That they unite in urging the earliest possible ending of the present profitless conflict."

(iii) The nations opposed to the Axis Powers are not in fact friendly to the United States but are seeking under guise of friendship and community of interest and ideals to obtain from the United States money, material and men which to fight an unjust war;

(iv) The only interest the nations opposed to the Axis Powers have in the United States is how much in money materials of war they can get from the United States free;

(vii) No real danger exists anywhere in the world to the United States, its possessions or its republican form of government;

(viii) The Japanese attack upon Pearl Harbor was instigated by Great Britain.

It was further a part of the said conspiracy and one of the ends to the accomplishment thereof that said defendants and divers other persons to the Grand Jurors unknown, would carry on systematic campaign of personal vilification and defamation of the public officials of the United States Government to that end would advise, counsel, persuade and convince members of military and naval forces of the United States and the people of the United States that such public officials are traitors, corrupt, dishonest, incompetent, American and mentally unbalanced, doing other things in substance, that;

The holders of public office duly elected by the people to administer the affairs of the Government of the United States and other officials of the Federal Government are traitorous, dishonest, corrupt and are dominated and controlled by foreign and domestic persons, associations and organizations and foreign governments seeking the overthrow of the Constitution of the United States and utterly opposed to American ideals of freedom and liberty;

The United States is governed, not by the duly elected representatives of the people, but by a secret foreign group of persons and organizations opposed to American principles and ideals and seeking the overthrow of the Constitution of the United States;

The duly elected representatives of the people of the United States deliberately have violated their oath of office to support the Constitution and are planning to involve the United States in war by means of enabling them to overthrow the Constitution and substitute government by a dictator for our republican form of government;

The war with Japan was provoked deliberately by officials of the United States Government as a means of enabling to seize permanent control of government of the United States in the guise of military necessity;

The officials of the United States Government are bent on conquering the world and to that end have provoked war with Germany, Italy and Japan in order to have an excuse for sending American troops to far corners of the world in order to carry out their world conquest;

"The War for Survival" was deliberately by public officials of the United States who are in league with members of the Communist International;

The public officials of the United States, in violation of their oath to

(xvi) The public officials of the United States are planning to mingle the blood of Negroes, criminals and Jews with that of Christian-American soldiers and sailors by means of transfusions and so-called "blood banks" with the deliberate intent and purpose of corrupting the blood of the said Christian-American soldiers and sailors.

It being the plan and purpose of said defendants, and divers other persons to the Grand Jurors unknown, to destroy the morale and faith and confidence of the members of the military and naval forces of the United States and the people of the United States in their public officials and republican form of government, the said defendants, and divers other persons to the Grand Jurors unknown, planning and intending to seize upon and use and misuse the right of freedom of speech and of the press to spread their disloyal doctrines intending and believing that any nation allowing to its people the right of freedom of speech and of the press is powerless to defend itself against enemies masquerading as patriots and seeking to obstruct, impede, break down and destroy the proper functioning of its republican form of government under the guise of honest criticism, the said defendants, and divers other persons to the Grand Jurors unknown, knowing full well and intending that a government bereft of the faith and confidence of the members of the military and naval forces and of the people is powerless to defend the nation or the people against armed attack from without or treachery from within and cannot long survive.

6. It was further a part of the aforesaid conspiracy and a means to the accomplishment of the end and purpose thereof that the said defendants, and divers other persons to the Grand Jurors unknown, would use and make use of the instrumentalities hereinbefore described in paragraphs two and three of this indictment, in a continuous and systematic campaign of written and printed opposition and sabotage against any and all efforts of public officials of the United States to arouse the members of the military and naval forces of the United States and the American people to a realization of the grave and imminent danger threatening the national existence of the United States, and to this end would, by means of the instrumentalities hereinbefore described in paragraphs two and three of this indictment, advise, counsel, urge, persuade and convince members of the military and naval forces and the American people in substance, among other things, that:

(i) The activities and territorial acquisitions and plans of the Axis Powers constitute no real danger to the national existence and security of the United States or any of its territorial possessions;

(ii) None of the Axis Powers has any intention of threatening the United States, nor any designs upon or plans

modernization of our armed forces, either by compulsory military training or otherwise, not only is unnecessary but is part of a deliberate plot and scheme designed by our public officials to involve the United States in a war in which the United States has no interest, either of self-defense or otherwise;

(iv) The public officials of the United States of America are trying deliberately to provoke war with peaceful nations, such as Germany, Italy and Japan, which are seeking only to live at peace with the world in general and the United States in particular;

(v) It is impossible from a military standpoint for any of the Axis Powers to wage war successfully against the United States or any of its possessions or to seize and occupy any United States territory;

(vi) The plan of the public officials of the United States Government to keep war away from America by giving aid and support to the nations at war against the Axis Powers is in reality part of a scheme deliberately to involve America in a foreign war;

(vii) The United States should refrain from interference in the "War for Survival" in any manner whatever and should keep its military and naval forces at home until such time as any nation actually attacks the United States;

(viii) The policy of hemispheric solidarity and Pan American co-operation for defense sponsored by the United States is doomed to failure because the people of Latin America are physically degenerate and politically corrupt;

(ix) The actions taken by Germany, Italy and Japan are justified in the eyes of God and far from being acts of aggression against, or a threat to the existence of any nation, constituting merely an attempt to throw off the yoke of harsh and unjust restrictions imposed upon the so-called Axis Powers by the Monroe Doctrine and by Great Britain and her allies of the first World War;

(x) Statements by public officials of the United States of America to the effect that it is in the best interests of the United States to aid nations opposed to the Axis Powers are false and designed to conceal from the people the true fact that such public officials are under the control and domination of British Imperialists and International Jews seeking only to serve their own interests at the expense of the people of the United States of America;

(xi) The public officials of the United States are guilty of murdering American soldiers and sailors killed while carrying out the illegal orders of such public officials.

7. It was further a part of the said conspiracy and one of the means to the accomplishment of the end and purpose thereof that the said defendants, and divers other persons to the Grand Jurors unknown, for the purposes hereinabove set forth, would print and publish and cause to be printed and published in the said publications, newspapers, periodicals, magazines, pamphlets, leaflets, documents and other writings articles and writings to the following effect, among others:

(i) "Roosevelt should be impeached."

(ii) "No longer can it be claimed that this is a war to preserve democracy or one fought in behalf of any other government than the British Empire."

(iii) "There is no hope for America or England unless they repudiate their present leaders."

(iv) "And all this Jewish, Negro, and NOW—penitentiary criminals donating to 'blood banks' holds terrible consequences for our white race. Mixing blood strains through 'transfusions' easily done with so many Jewish doctors and internes in hospitals and armed forces."

(v) "A man may be ever so good at home, but once he goes to take office the many powers now ruling the country are waiting for him and will either buy him away from those who elected him or break

corrupt our representatives as fast as we put them in office."

(vi) "Do not neglect your arsenals. Buy arms and keep them in a place where they are readily accessible. No immediate emergency foreseen, but there is no time to prepare like NOW. Also keep a plentiful supply of ammunition and do not let it become over a year old or it will deteriorate."

(vii) "Back in February 1912 Miss Troy reported that the official mouthpiece of the Duke of Connaught claimed that England's alliance with Japan was made to offer the tempting bait of the Philippines as a reward of the services which Japan must be ever prepared and ready to offer if necessary. . . . Was the attack on Pearl Harbor that 'service,' seeing as U. S. A. was slow entering the war, add the giving of Singapore another part of that bargain."

(viii) "The lesson to be learned from all this is that the Second American Revolution is due before very long (when national bankruptcy and starvation have forced the people into it) and only the Communists are prepared for it."

(ix) "On many occasions and in many wars Britain has shown that she would rather see half the population of Europe murdered than to give up her 'balance of power' and cease being 'the policeman of Europe.'"

(x) "If other nations allow the British to use them, that is not Britain's shame but the shame of the other nations. These other nations are so many prostitutes who do the master's bidding 'whenever he beckons.'"

(xi) "Thus the present war is a struggle for survival between the European people and the British Empire."

(xii) "Britain and France, preparing feverishly to make war on Germany to save their international bankers, suffered the effects of their own system. Money first, men second. Labor disputes and strikes, public discontent, political favoritism and money squandered on useless war preparations, graft, corruption, antagonistic groups fighting one another, battles between capitalists over the awarding of fat contracts, etc. The Germans, placing men first and money far in the background, utilizing every resource without endless disputes and political tangles, working on a Barter basis, held the advantage."

(xiii) "The Japs did Sunday just what Secretary of State Hull and his war-mongering pal, Lord Halifax of London, have been longing for. They attack Honolulu and the Philippines. Now the U. S. has a war on its hands. So then what?"

(xiv) "The British and French (not the people, but their Jewish overlords) opened the war by declaring it against Germany in September 1939."

(xv) "The set-to between the U. S. and Japan is now taking the lives of hoards of fine, upstanding American boys and chiefly to protect possessions that we are none too proud of. Are they worth the sacrifice?"

(xvi) "Germany has no designs on America or any other country. She wants no war, but she is determined to defend the New Order against the old Gold Loan order."

(xvii) "End the war quickly."

(xviii) "For over two years we have been 'blitzing' Japan. Embargoes, giving arms, airplanes and men to the Chinese puppet government to kill Japs with. Small wonder the Japanese felt they were fighting America and Britain, not China. Chiang-Kai-Shek was a Chinese bandit. He took power by force, not election, and he is merely the Chinese stooge for British-American capitalism."

(xix) "While being fed pledges of peace we

for General MacArthur in Australia.

Senator Taft said:

"The Army does not seem to think these men are allowing themselves to be used nor that their presence is disruptive to the loyalty of the forces."

And he continued:

"If these committees and societies did violate the law, if they were unpatriotic, even unwittingly, the Department of Justice should have indicted them directly."

"Obviously, the Department of Justice knew it could not obtain findings against them directly, and so it dragged them in, in this manner, in order to carry out what seems to be a policy of smear."

"Handled in this way these committees and societies have no means of defending themselves. They cannot come into court and, in answer to a charge, clear themselves."

"Every man or organization whose name is mentioned in connection with aiding the enemy or corrupting the Military and Naval forces is condemned without a hearing by many millions of his fellow-citizens, no matter how innocent he may be."

#### MEMBERS OF CONGRESS LIABLE TO ATTACK

Some of these attacks, he said, might have been completely outrageous, but:

"If that principle is carried to its logical conclusion, no one could utter a word of criticism without being subject to possible indictment, on the ground that he was shaking the confidence of a soldier in his civilian government."

"They could indict nearly all the Senators on that ground."

"The department could draw an indictment against a considerable proportion of Congressmen and of the nation's editors on approximately the grounds stated in this part of the indictment."

He paused to consider the fantastic proportions of such a principle, and continued:

"I doubt if this principle were carried to its extreme, whether during an election campaign an editor could oppose an incumbent official who was seeking reelection, without laying himself open to the charge of corrupting soldiers' morale by criticizing a civilian official."

#### A LITTLE CHILD SHALL LEAD

The following is an extract from a letter from Mrs. David Baxter:

"Our boy stepped in the fire and caught his pant leg, burning about a four-inch square, but it is healing nicely and I used a part of your gift for the Christmas bill. We are going to have a very nice Christmas. David says we don't need much, let's just sing carols and be glad Jesus was born. We are hoping Daddy will be home; that would be the very best present we could have."

"The Baxter children, about 6 and 7, are two of the most well-trained children I have seen in many a day, and they speak well for their parents. I would say it is a Christian home of the highest type. It pulled at my heart-strings when I read what little David had to say about Christmas; I think he is six, if I remember rightly. We sent a small sum of money to Mrs. Baxter because we knew that she was in need."

"When will Christian America awake to a sense of duty?"

It was further a part of the aforesaid conspiracy that the said defendants and divers other persons to the Grand Jurors unknown, would use and make use of the publications, groups, organizations and committees, hereinbefore in paragraphs two and three of this indictment referred to and the Congressional Record, to publish, convey to and urge upon members of the military and naval forces of the United States of America and the people of the United States of America, for the purpose of obstructing, and designed and intended to impede, obstruct and defeat the preparation of our national defenses against aggression and invasion and the National War Effort, among other things in substance, that:

(i) The war now raging in all parts of the world, commonly known as "The War for Survival," is a dishonest war waged at the expense and measured in blood and dollars of the people of the United States solely for the benefit of and to insure the continuance of world domination by "International Jewry-Organized Finance," "British-American Capitalists," "British Imperialists," "International Bankers," "International Capitalists," "Mongolian Jews," Communists and other persons and groups opposed to our republican form of government;

(ii) The duly elected holders of public office and the government of the United States are controlled by Communists and members of the Communist Internationale who are seeking to destroy the Constitution of the United States and our republican form of government and substitute therefor a Communist form of government under the rule of a dictatorship;

(iii) The people of the United States are being forced by dishonest, corrupt, and traitorous public officials to finance a war against nations and people who are friendly to the United States, and who have no aggressive designs upon the United States;

(iv) By supplying arms and munitions and other implements of war to the Government of Soviet Russia the Government of the United States is giving aid and comfort to a foreign power whose agents have already filtered into high public offices in the Government seeking to destroy the republican form of government of the United States and to prepare the way for the said foreign power to take possession of the United States;

(v) Germany and Italy have committed no aggressive act against any nation and are fighting a solely defensive war against British Imperialism, American Capitalists, and the desire of American public officials to rule the world, hence any act of war against them or either of them is unjust and immoral on the part of the United States;

(vi) The Japanese war against China is morally right and just and constitutes an effort by the Japanese to establish right and justice in territory formerly ruled by anarchists, brigands and Communists lying within the Japanese sphere of influence;

(vii) The Axis Powers are fighting to free the world from domination by Communism and International Jewry, hence the United States should give no aid and comfort to the enemies of the Axis;

(viii) An honorable and just peace could be brought about speedily were it not for the opposition of Communists and International Jewry;

Press said little about bill demanded by Communist Atty. Gen. Biddle, rightly called "Oestapo" bill by such as Chicago, TRIBUNE, Boston W. L. AMERICAN, N. Y. JOURNAL-AMERICAN. Attempts were made to railroad this misnamed "War Security Act" (H.R. 8067) thru House without a quorum present. With couple amendments it was rushed thru House 4-8-43, without a record vote. Now coming up in Senate. Few newspapers that looked into this vicious "Oestapo" bill are now thoroughly alarmed - demanding it be defeated in the Senate! I had written hundreds of letters since last Oct. when Biddle demanded passage of his bill, warning that this "Oestapo" bill was the key to the arch of a completed dictatorship in USA. This censorship-espionage-death-penalty bill envisions all that an informed person comprehends in the word "Oestapo". If you value the little freedom you have left, and intend that your boys shall come back from the war to a country worth coming back to, you had better write your Senators now! We are alarmed press now realize that the two (and pending 3rd) indictments illegally imposed upon 28 and now 33 citizens, are part-and-parcel to the dictatorship conspiracy being engineered by the real enemies of the U.S.A. I need your financial aid to fight this history-making turning-point case. For Christ & Country, Chas. B. Hudson

USA to become a dictatorship - people slaves to an International Octopus now fast choking off at home the very freedoms which we are now fighting to restore abroad. What you and your friends do - or don't do - now will decide freedom or slavery for you and your children. Get down on your knees - to God now, imploring Him for mercy and guidance, and then write your Congressmen, or you will surely be beaten to your knees by the decrees and devilry of that Intl. Octopus.

91013

Two recent events prove there is still hope. In New York City and So. Calif., hotbeds of the "isms", and hdqtrs for said Intl. Octopus, rugged Americanism asserted itself. A Christian policeman, Jas. L. Drew, whose "crime" was that he had subscribed to publications of 3 of the 33 indicted for "conspiracy to commit sedition", and had contributed modestly to defense funds (of Mrs. Dilling, Col. Sanctuary and myself), and therefore must be fired and made an example of so as to intimidate other Christian Americans, after much publicity as to his "crime" and "trial" -- was re-instated, much to discomfiture of Jewish and Communist organizations and press.

In So. Calif., a Christian farmer, indicted by a grand jury for allegedly counseling a nephew to escape the draft, but whose "crime" seemed to be that he was "opposed to Roosevelt and his Jewish advisors" -- was found "not guilty" by jury in 45 minutes. FBI had broken into that farm home, had seized files, had influenced draft board, and bail was set at \$26,000. Farmer had corresponded with Mrs. Dilling, too.

His nephew, graduate and experienced farmer, had 3 brothers in the service. Three Senators had advised this farmer how to appeal for deferment for the nephew needed to operate the farm (but deferment had been denied despite dire need for food for war effort). Farmer had sufficient units to entitle nephew to deferment. Farmer is a famous inventor whose cartridge, patented, used to start airplane motors, is licensed to U.S. & British Govts, but denied to Germany & Russia. He is a veteran of a suicide tank brigade in World War I, honorably discharged.

According to Eliz. Dilling's Aug. bulletin (25¢ - Rm. 708, 8 So. Dearborn, Chicago, Ill.): "The FBI was 'administered a fulminant lashing' for 'looting R.A. Coffman's home without a search warrant', and Judge 'ordered all his papers, magazines and documents returned'."

Now, former subscribers to AID! - and newcomers - because of immediate necessity of getting little-known facts to Congressmen and other leaders (to help them act so as to save USA - to which this bulletin service is dedicated) - should, in view of foregoing, be encouraged to renew financing of our work. May God bless you.

Why should you write Congressmen? Terrific pressure is constantly brot upon them to yield to the conspiracy of said Intl. Octopus. They need facts and moral support to withstand and to fight it. Only you can do it. They need your prayers and visual evidence that you are thinking thru our pressing problems with them. They need warnings against and understanding of that Intl. Octopus' plans and operations. (Chas. Phillips, Box 373, Lincoln, Nebr.; Wm. Kullgren, Atascadero, Calif.; Dr. Gerald B. Winrod, Wichita, Kas.; T.A. Parker, 5653 Post Road, New York, 63, N.Y. - all publish valuable helps to understanding). My bulletin service aims to inform you and Congress - a few samples follow:

There are many vicious aims to that Intl. Octopus, but four right now are subtly insinuating and reaching for strangle-holds, which if successful, mean the end of our once Christian Constitutional Representative Republic - and slavery for all of us. Supreme Court has declared USA a Christian nation. Did you know that Christian colleges, as well as homes, produced the men that created our Republic? 47 of the 55 who signed the Declaration of Independence were graduates of Christian colleges. No wonder our laws originally were from the Bible. No wonder that the symbolism, such as in the Great Seal (see \$1. bill), on our coins ("In God We Trust" - not gold, usury, bonds, force, regimentation, etc.), and in our language and customs - so many have Christian significance (not Marxian, nor Communist, Socialist, Fascist, Nazi, nor Judaic, Mohammedan, Confucian, Buddhist, nor Talmudic.)

The first danger is practice of "compromising", rather than adhere to principles.

61-7474-186

The so-called - in a derogatory way - "Nationalism" and "Isionism" principles of our Founding Fathers, were based on the Bible. Every President up to Wilson adhered to those Christian principles. But he was a modernistic college professor. Too many of them, not educated in Christian colleges, are now in key positions, and responsible for much of the confusion and departure-from-basic-principles with which the world is cursed today. Through confusion Satan takes-over. Truly it is that without Christ we have chaos. Constant "compromising" in Congress helps destroy that Congress. One of chief aims of the Intl. Octopus. Observe widespread publicity given to incidents in Congress, or actions of Congressmen, which seeks to destroy confidence in the law-making and funds-appropriating body of our Govt. USA today seeing repetition of tactics that led to overthrow of similar bodies in Russia and Germany - ending up in anti-Christian dictatorships!

91014

Columnists, commentators, lecturers, papers, magazines and books fill the eye and ear - with most vicious attacks being made on the truly courageous Christians in and out of Congress. Walter Winchell, thru radio and press, tells millions of Americans they MUST read "Under Cover" - a \$3.50 book by John Roy Carlson (good American-sounding name). Large city newspapers run 1 1/2 column book-review by Philip Adler to effect that you are not a good American unless you read it and believe it. It is in its 8th printing. Chmn of Nudéal Writers' War Board, Rex Stout (leader in trying to defeat Christian Congressmen in 1942 elections) says: "I would like to see UNDER COVER in the hands of every American", etc. Russell Davenport, married to a Jewess, companion and speech-writer for Wendell Willkie during 1940 campaign, participant in fooling Republicans with "campaign oratory", and editor of FORTUNE magazine, employer of "Under Cover" author, blesses that book, as do Struthers Burt, Cecil Browne, Carl Van Doren, Louis Adamic, Red Jew Clifton Fadiman, the Book-of-the-Month Club News, Chicago Daily News, N.Y. Herald-Tribune, and Jewish-owned N.Y. Times and Phila. Enquirer, and the official Communist DAILY WORKER, ad nauseum. "PM", NYCity's "uptown" Daily Worker, day-by-day for about a month smeared certain Congressmen and the 33 indicted, paving way for "Under Cover", devoting full page to me.

Book was released latter part of July, timed to discredit and intimidate Congress, and poison public's mind so that when trial of said 33 takes place at Washington, D.C., the Intl. Octopus hopes to keep Congress from coming to our rescue with pending legislation. Also hopes to secure convictions in order to intimidate public at large, so that the kind of off-setting influence on Congress by you and me, will be scared off. Do you "scare" that easy???

Why so much about this particular book? As pictured in Sunday magazine section of Communist DAILY WORKER 8-22-43 - most of p.12 devoted to ballyhoo for "Under Cover" - it is intended as the "WHO'S WHO of U.S. Fascists". It is designed to offset Mrs. Dillings' unrefuted-documented works: "The Red Network"; "The Roosevelt Red Record"; "The Octopus" (I have a few copies left - priced \$1. and 60¢ respectively - all 3 for \$2.50 sent pp insured upon receipt of remittance - 1,055 pp. of documentation and indexes for \$2.50 - compared with the \$3.50 "Under Cover" 544 pp. of lies, smears, and gossip.)

If, as Winchell says, the Govt has bought 5,000 of "Under Cover" for distribution to camps, since our armed forces are supposed to be non-political, then Congress should insist that the Govt purchase an equal number of "The Red Network", which incidentally, as protested in the Jewish press, is being used by the Govt to weed out subversive agents in key positions in said Govt.

Reputed author of "Under Cover" was so sure he was going to get policeman J.L. Drew fired, that he bragged on p.433: "I believe that if I'm put to it I can fully prove my case against him as an accomplice of Ernest F. Elmhurst,..." Instead, alias John Roy Carlson was forced to divulge his real name (not used in "Under Cover") - Arthur Derounian - an alleged Armenian born in Greece. As a pretended-Christian Italian he joined and worked in many organizations, from America First Committee to the Bund. This alien-born of at least 7 aliases, also was forced to tell who financed him during the 4 years he was boring-from-within many splendid American and some bad organizations. Claimed he worked for the FBI, Friends of Democracy, Inc. (one of chief Judeo-Red outfits that tried to defeat Christian Congressmen, and takes credit for my indictment and others of the 33), Russell Davenport, etc.

Altho this alien-born pretends to be a Christian, yet he wrote under his true name Derounian for such Communist press as the monthly magazine SOVIET RUSSIA TODAY, he glorifying the Bolshevizing of Armenia in its Nov.1936 issue. He wrote under one of his ad-

61-7878-186

mitt 3 (in "Under Cover") yes, George Paige, in the Red REPUBLIC magazine 6-16-1941, which foreign-owned magazine was another spearhead in the attack on Christian Congressmen in the 1942 campaign. As THE CHICAGO TRIBUNE brought out, altho this alien-born brags thruout his book that he lied and lied, yet Americans are asked to believe statements libeling Christian Americans in that same book! Truly we are living in the latter days of Satan's world wherein Christ warned that many would prefer to believe lies, and even the "elect" (avowed Christians) would be deceived!

Even a casual student knows how the Turks for centuries have slaughtered Christian Armenians. Yet this alien-born liar and smear-monger, trying to build up a Christian background, on p.17 boasts: "Father was district manager for the Singer Sewing Machine Co. (at Alexandropolis, Greece). Grandfather on mother's side had been an architect to the Sultan in Constantinople. Other uncles and grandparents had been jewelers, translators and right-hand men to various Turkish Sultans." If true, then this alien-born greasy black-haired seel is of that mongrel breed referred to by St. John: Rev. III, 9: "Behold, I will make them of the synagogue of Satan, which say they are Jews, and are not, but do lie;..."

To illustrate how totally unreliable this highly touted book is, on p.386 are 8 specific lies, not counting insinuations. E.g.: "An intimate collaborator with countless fascist operatives, Hudson had served the nationalist cause with uncommon fealty and was cited by World Service." One lie: instead of collaborating with even one fascist, I have consistently maintained in AID! and elsewhere that all dictators are but stooges for the Intl. Octopus, i.e., the Synagogue of Satan. By linking "nationalist cause" with a German anti-Communist news service called "World Service" (which in a Mch 1, 1938 issue, without my knowledge, had listed me and AID! as worthy of support by Americans desiring to be informed), "Under Cover" seeks to convey the impression that "nationalism" and "fascism-naziism" are synonymous. In one breath Naziism thus is both nationalistic and internationalistic. Actually, every President and true American from Washington to Wilson were "Nationalists".

On next page, "Under Cover" accuses me of "associating with" certain individuals and one organization - 7 more lies. Even quotes me on following page as not joining any organizations, operating entirely as a free-lance (which is true), and yet maintains that an "admission" was forced from me that I had associated with a certain organization. No such admissions to anyone! This Derounian, traveling as Italian Pagnanelli, had lunch with wife and I, shortly after July 4, 1942 (when he claims being on FBI payroll), in our home, and while we suspected him of being what he undoubtedly is, yet, as always, Red or Patriot, we treat them courteously, converse freely as to our beliefs, and our work, as we have nothing to hide.

He works up to a climax on p.388 wherein he presumes to put words into my mouth, making out that the Associated Farmers of Calif., using the "Vigilante Plan", "had taken the law into their hands, resorting to terrorism toward anyone they regarded as 'Communist'." In fact, Sheriffs had appointed citizens as Deputies, subject to call, who hurried to fellow farmers' places where Communists held up perishable crops, pouring kerosene on lettuce, etc., and by that method law and order were restored on West Coast - the strictly American legal way of combatting criminal operations that get beyond the ability of small police forces to handle.

He calls me "Poison Cup Charlie", "Woodpecker Hudson"; describes me as short, bald-pated, plump, fanatic, uninteresting-faced (but with eyes burning with zealot fire, etc.). By "associating" me on page-after-page with such as Genl. Moseley (2nd in command when retired in 1938), Congressmen Thorkelson, Hoffman, Senators Taft, Nye, etc., the book seeks to discredit courageous Christian Congressmen and intimidate them. Book uses same tactics all the way thru, associating a few actual foreign agents with some crackpots, and with sincere Christians in and out of Congress, in society, in business and professional world, etc.

Book devotes one chapter to history of 11 deemed most dangerous to "Democracy" (i.e. Communism, Nudism, Jewry). First described is Col. E.N. Sanctuary, publisher of "THE TALMUD UNMASKED", "Roosevelt and the Real Fifth Column", "The Roosevelt Saga", etc. He is 72, was personnel man in World War I at Washington, D.C., author of 500 patriotic and Christian songs, head of a Christian Mission in New York City, and he and his wife have devoted many years to exposing the "isms". In the Special Index devoted to the 33 indicted, there are 16 lines of page references to Col. Sanctuary. 61-7878-186

The 3 Nazi agents among the 33 indicted (thrown into the pot in order to smear all irregardless of innocence), are referred to as shown: Hans Diebel - twice; H.M. Schwinn

on 6 pages; Geo.S.Viered lines. Contrast those few references with Col.Sanctuary's 18 lines; over 8 lines of M.Gerald B.Winrod; Geo.Deatherage's 11½ lines; Pelley's 11 lines, and with 11½ line devoted to Mrs.Dilling, and an equal number to myself.

In that special chapter about the "most dangerous 11", while Col.Sanctuary is No.1, Mrs.Fry is No.2 (I still have a few of her "PLANNED ECONOMY" books with 3 Charts - at \$1. Deatherage is No.3, I am No.4, Mrs.Dilling No.5, Jas.True and Robt.Edw.Edmondson, both in their 70's I understand, and who have published nothing since 1940, rank Nos.6 and 7, with Wm.Kullgren No.8, Christians No.9, Pelley No.10, and Edw.Jas.Smythe No.11. With Nos.9 & 10 in jail, observe the tactic of grouping some who have been actuated in exposing alien "isms" as being not only "un-American and un-Constitutional", but also "un-Christian", with others actuated by mixed motives, and with 2 in prison. July 23, 1942 and Jan.3, 1943 saw indictments returned by Federal Grand Juries in Washington against all but No.9. Both been practically quashed, but reported that Justice Dept. trying to get more airtight 3rd indictment this month. I am not guilty of conspiring with anyone!

In Main Index of "Under Cover" (5 indexes to give scholarly aspect to this alleged "WHO'S WHO of U.S. Fascists" - to be used by writers, speakers, etc.), the America First Committee rates 17½ lines of page references as a "Fascist" organization. Compare that with only 15 lines for the German-American Bund. Compare the over 9 lines for Col.Lindbergh, as an "un-American", with only 4 lines of page references given to Fritz Kuhn, an actual Nazi agent, now free of prison, but supposed to be at Ellis Island. Gen.Moseley rates 7 lines compared with less than 4 lines to Mussolini. Col.Robt.R.McCormick rates 6 page references, while THE CHICAGO TRIBUNE gets about 15 pages as "un-American".

91016

Proving the real purpose of this diabolical smear book, it has a special "Congressional Index" of Representatives & Senators. Just as Communist & Jewish press constantly attack the Dies Committee, "Under Cover" has 3 lines of page references to that Com., and over 5 lines to Repr.Martin Dies. Hamilton Fish rates over 7 lines, and Clare E. Hoffman rates 10 lines, sub-indexes giving his alleged associations with Mrs.Dilling, Geo.Deatherage, Wm.Kullgren and myself - 4 of the 33. Sen.Nye rates over 11 lines; Sen.Reynolds 8 lines; Sen.Taft smeared on 6 pages, and Sen.Wheeler rates 10½ lines. 38 past and present Representatives, and 14 Senators are thus favored on one or more pages.

Thus, altho the scare-type blurb on front cover of "Under Cover" promises the reader: "My four years in the Nazi underworld of America ... The amazing revelations of how Axis agents and our enemies within are now plotting to destroy the United States...", yet the truth is that very little attention is paid to Axis agents. Stress is on smearing and intimidating Congress and Christians who have warned against the dangers in such "isms" as pacificism, internationalism, socialism, communism, nazism, fascism, war-mongering, International Finance, Judaism, Modernism (opposed to acceptance of Bible, of Christ's real teachings, and His return as King), Talmudism, and Nudealism, which is a composite of all said "isms".

Second arm of Intl.Octopus is "UNION NOW". There is definite campaign working thru all possible channels - political, labor, educational, religious, financial, society, etc. selling leaders and public on accepting a departure from our Christian Constitutional Representative Republic, and entering an unholy merger with Britain, China and Russia. Even before war is over - if promoters thereof are fearful of an awakening among the people. Whether you fully appreciate the dire danger in that "sell-out" of our Christian independence, definitely insist that this be fought and investigated - by a Congressional Committee - members to be Christians, for it takes Christians to defend our USA. FDR's only visitors 9-4-43 were Jew A.H.Sulzberger, publisher of N.Y.Times, and Churchill, who 9-6-43 called for "common citizenship" for Britons and Americans alike; and Gov.Dewey of N.Y. says "Amen" at Republican leaders conference at Mackinac Island, Mich., where such traitors were defeated by such as Sen.Taft, the Resolution adopted being OK.

Third great danger arises from campaign selling civilians, and women in particular, on dictatorship - i.e., slavery, wherein different members of a family could be scattered all over the globe. Fantastic? Read hearings before Senate Com. last April - headed by same Sen.Reynolds upon whom so much heat is being poured in "Under Cover" and elsewhere. So-called Republican sponsors for S.686 admit such possibilities. God warned us against that danger by seeing to it that that bill was so numbered. St.John, Rev.XIV, paints picture of conditions to prevail here at time of setting up in power the Anti-Christ who

fool even the "elect" Verses 19 & 16! "And that no might buy or sell, save  
hat had the mark, or name of the beast, or the number of his name. Here is wis-  
dom, let him that hath understanding count the number of the beast: for it is the num-  
ber of a man; and his number is Six hundred three score and six."

How significantly the bill that preceded our entry into this war, by which regiment-  
ation to the Nth degree is being put over, carried House No. H.R.1776. See what Repr.  
Jones warned about Lend-Lease, reported in press 9-2-43. Lend-Lease Act, H.R.1776, undid  
all and more that 1776 means in our history. How singular that members of the Senate  
are now promoting S.666 - with its Bible significance - a bill that will complete our de-  
struction as a Christian Constitutional Representative Republic, the way for which was  
paved by House-originated H.R.1776, made a law in Mch '41. Senate had opportunity to  
correct the weakness resulting from lack of understanding of fundamental principles at  
stake in H.R.1776 - but failed. Truly this Congress this Fall offers the last chance to  
break away from unholy entangling alliances, thru legislative action.

History, as well as Bible, proves that failure to get back to first principles ends  
in chaos. Witness what happened to previous White Men's civilizations the past 3000 yrs.  
Christian Lincoln in the WhiteHouse stayed off the disintegrating chaos that was planned  
for USA 100 years ago by same elements that make up the Intl.Octopus today. By so doing,  
Lincoln softened the blows that continued to fall upon the world. But paid with his life  
(as did Christ), because he knew too much, had too much Christian courage, and had he  
lived no doubt would have prevented the Intl.Octopus from using the aftermath of that War  
to increase its power and tighten its strangle-hold on USA. Defeat S.666!

91017

Fourth danger is sensed in a subtle program by which Congress, leaders and people  
may be sold on doing as England did 3 years ago --- have no 1944 election! Fantastic?  
It would be easy to make it appear as "patriotic" - to drop the election. Remember AID!  
from 1938 on predicted no "bonafide" election in 1940. When Socialistic Democrat Willkie  
(another FDR) was suddenly pulled out of a hat as a "Republican" candidate for President,  
AID! warned what he was. History has more than confirmed. Today Red press lolligags  
over Willkie and his book "One World". We exposed now Gov.Dewey, and altho his crassness  
on his trip out West destroyed his 1940 usefulness (Willkie used instead by Intl.Octopus),  
yet Dewey served his masters at Mackinac, and is being kept in limelight in reserve. An-  
other stooge, so-called Republican Ex-Gov.Stassen of Minn., likewise is on leash. All  
for confusion. Recall that such as Willkie, Dewey, et al, favor making "anti-Semitism"  
a crime. Most important Ann.Jewish Conf. at NYCity, 9-3-43, resolved for organized ef-  
fort to have "anti-Semitism outlawed" by national legislation and thru international  
pacts. Jewish & Communist press boast that its been outlawed in Russia since 1917. Anti-  
Semitic Christians in Russia the past 25 years have been "liquidated" by the millions!

Fall of Mussolini 7-25-43, surrender of Italy 9-8-43 (truce started 9-3), with bulk  
of German forces on Russian front, creates "apparent" opportunity to land in Western Eur-  
ope. W.Pegler, 9-8-43, warns against yielding to clamor by Reds for an early 2nd front.  
Just as AID! predicted pact by Stalin & Hitler (which was only way Germany could seize  
Poland, France, et al, while Russia gobbled up half of Poland and other countries), so  
has AID! maintained that after Russia had milked us of materiel (thus robbing us of our  
own preparedness), then Russia, Germany & Asia would merge forces. Thus could arise the  
"amazing emergency" that would make it "patriotic" to call off the 1944 elections!

Not long ago I was a "crackpot" for voicing such warning, but in a sense the 2 in-  
dictments against me stem from it. How discouraging now at this late date, to read and  
hear radio comments that maybe Russia is not a true Ally. Some feel that after having  
landed large forces in Western Europe we will awake to find Russia and Germany have  
joined. Then how we will mourn the 6,000 tons daily of food and war materiel that we  
have poured thru Iran alone to Russia. Not to mention the shiploads going thru Japanese  
waters unmoled. Not to mention costly convoys to Murmansk. Not to mention the ter-  
rific damage to our transportation systems. Not to mention the fear of famine. Not to  
mention the thousands of Communists in key positions thruout our whole political, indus-  
trial, labor, financial, religious economy. Not to mention sabotage!

How misleading was the disbanding of the Comintern, when the organization of so-  
called "Free Committees" has begun, in Moscow, openly advocating civil wars, and so far  
without informing either the British or U.S. Govts in advance.

May God have mercy and save us from going the full route of chaos that plagues the  
rest of the world. Congress must undo some of its actions, and prevent Intl.Octopus  
from completing its programs here - if we are to deserve Divine compassion. C.B.HUDSON.

AMERICA IN DANGER

4327 Grant St.

Chas. B. Hudson.

Omaha, 3, Nebr.

Expose of Totalitarian and Collectivist "ISMS" as being un-American, un-Constitutional, anti-Christian. 8 issues for \$1. by first-class No.324. mail. Gifts to aid increased circulation gratefully received. 10/13/43.

Thankful for responses from faithful, many of whom sent in renewals to AID! altho nothing due from them. Considered money sent previously as gifts to our "defense fund". Since over 140 Congressmen get AID!, your help is a God-send. Would that some who can well afford it, would remit. Today is no time to fear to aid those fighting your fight to preserve the Christian Constitutional Representative REPUBLIC millions have died for! Write your Congressmen. Encourage them to stand on their Christian Oath of Office!

Repr. John E. Rankin's 7-1-43 speech "Communist Influence on Racial Disorders" illustrates bold "pressures" being put on Congress. But he erroneously suggests Russia once had Communism. All reliable reports prove, confirmed by such outstanding Red leaders as Rabbi Stephen S. Wise, that Bolshevik Russia has been and still is ruled by a Burocracy, dominantly Jewish. Ditto Burocracy rules rest of world, using as "fronts" some non-Jews, but many part-Jews, posing as non-Jews. That's why tactics used thruout the world are identical - by which "they" usurp power. With a Jew censoring all information coming out of Russia (and our observers kept out); and with USA's Office of War Information (subject so much criticism by 5 Senators returned from War Fronts) planning to open a news bureau in Moscow headed by Russian-born Jew Samuel Spewack, Hollywood playwright; and with polo-player inherited-wealth W. Averell Harriman front for Intl. Jewish Bankers Kuhn Loeb & Co., succeeding hard-boiled Admiral Standley as U.S. Ambassador to Moscow, those are samples of tactics above.

Pressure on Congress flows thru every possible channel. Witness Lou Schneider (same name in WHO'S WHO IN AMERICAN JEWRY), in his column 10-11-43, tipping off: "... In guessing, Wall streeters see WorldWarII bringing about a worldwide combination of countries via a United Nations - sort of League of Nations. That being so, Pres. Roosevelt could qualify for the job as head of the United Nations. Mrs. Roosevelt's goodwill tours, plus America's vast shipments of lend-lease supplies (also subject strong criticism by Senators back from War Fronts)-CBH) to all parts of the world, could make it so ... And the fact that securities prices took a tumble this week reflects that 'big people' see a weakening of German morale." I.e., "... some rather important people believe that in spite of recent nazi resistance, the war's end is not far off..."

Another form of pressure seen in Communist Genl. Secy. Earl Browder's boast at second front rally in Chicago, that, even tho USA and Britain at war with Japan: "... It is an illusion for the USA to expect that they (Russia) will be able or willing to also undertake the burden of the military struggle against Japan. All this chatter about the Soviets giving us bombing bases in Siberia is harmful nonsense." Confirms what AID! maintained for years - that Red Russia could never be a true ally to USA.

Another seen in neutral dictator-ruled Portugal donating 10-12-43 the Azores to Britain & USA as bases against nazi U-boats - for which we should be grateful. But reminds of forecasts in Moritz Gomberg's Map, which portrays postwar world divided into 3 major camps (as AID! been predicting for years) - with Russia dominating Europe & Asia, Britain enlarged by acquisition of Africa and various island empires, and with USA dominating our hemisphere. AID! #314, 6-23-42, urged Congress to investigate who and what behind that map-program, pointing out that 6 weeks after that \$1. map had been copyrighted, Britain suddenly took Madagascar from the French, thereby confirming prophetic accuracy of said map's compiler. That map also forecast that USA would hold the Azores and certain other islands, and bases on Africa -- to protect Britain's possessions!

Another observed in 10-13-43 declaration of war by Italy against Germany, which recalls that beginning about a week before Italy surrendered 9-8-43 to Britain, Russia & USA, the prominent Italian financier, Signor Giovanni Fummi, bro-in-law of the Earl of Crawford, had intrigued British banking circles, by his moving around London freely, he having been allowed to fly to Britain in capacity of financial adviser to the Vatican. On 9-4-43, Pope Pius XII reportedly had 50-min. phone conversation with FDR. And France had been left out of that deal. No doubt Italy gets lease-lend supplies, as a reward.

Pressure on Congress to accept "secret diplomacy" machinations continues from all directions. Why should 5 Senators - our hired representatives - hold secret sessions with

fellow Senators, upon return from War Fronts? Our Govt, according to our Constitution - all Govt officials and employ take a solemn oath to support is the servant of the sovereign people, not their master. The people in every way are vitally concerned with findings of their representatives. We, the people, should have those reports. Note the arrogance of Prime Minister Churchill, insulting us 10-13-43, by attacking our Congress. Geo. Washington maintained: "... the Constitution which at any time exists, till changed by an explicit and authentic act of the whole people is sacredly obligatory upon all."

Is this secrecy part of scheme, in name of "unity", to deprive us of reports on how our money is being spent, our goods used, and our boys sacrificed? Not only are we losing boys, but more than in any other war, our highly trained leaders being sacrificed. KOWH broadcast 10-11-43 that in this short war we have lost 30 Generals, 7 Admirals, etc.

Is all this "pressure" to forestall investigations by Congress? On 3-31-43 I wrote some leaders quoting a student who had found some remarkable "timing" parallelisms between this and World War I, and in the Bible. He forecast in Febr. that 3-24-43 should see an event that would begin wrecking the agreements between USA, Britain & Russia. I noted that AP 3-26-43 reported Russia had renewed its Fishing Pact with Japan. That student forecast that Aug. 11-21 there would be a "helluva" fight in Congress over the "creating" of money in this war; that a false peace might be maneuvered by Russia about Dec. 11. Why was Congress sent home? Isn't it a fact that had Congress been on the job there may have been a "helluva" fight when "Allied Military Currency" came to light?

Carl H. Mote, in his powder-keg monthly, AMERICA PREFERRED (5685 Central Ave., Indianapolis, Ind.) Sept. '43 says: "On Aug. 2, 1943, during a recess of Congress, Henry Morgenthau, Jr., who, as secretary of the treasury, does clerical work for the Shylocks of International finance, made the announcement to the press of a consummated act which should have brot the members of Congress posthaste back to Washington, D.C., to arrange for his expulsion from office. The U.S. Constitution vest in Congress the authority and duty to 'coin money, regulate the value thereof, and of foreign coin.' Legally, such authority and duty vest exclusively in Congress. The Congress surrendered such power and abandoned such duty long ago to an international plunderbund, Morgenthau's announcement was the first open acknowledgment that a vital clause in the Constitution had been scrapped and that the power and duty of the country's supreme legislative body had been blithely ignored. The American press all but ignored this brazen defiance of Constitutional and orderly govt - the printing and distribution in Sicily of printing press 'Allied Military Currency', furnished in 'huge stocks' without even the fiat of law for use and circulation on foreign soil....

"Was this unlawful venture, conceived and executed by our dictatorship designed to discredit paper money, lawfully issued in accordance with the country's needs at a given time, such as the Greenbacks of Abraham Lincoln which won the Civil War?... Is such currency (Morgenthau's), issued in payment to our troops or to the troops of Britain for military and naval service, exchangeable for domestic currency and upon what terms? Is this 'inflation' or is it madness? Was this a prelude to and the beginning of repudiation? Was it not the beginning of repudiation by inflation - such inflation as that which almost destroyed Germany after World War I? What will Congress do when it reconvenes on Sept. 14?.... On Aug. 19, 1943, while Congress was still on a vacation, Morgenthau made another announcement. He announced a revised plan for postwar currency stabilization, so called, which, treasury experts said, 'would largely deprive Congress of its power to change the gold content of the dollar.' There is also, it seems, to be an international currency stabilization fund of 8 billion dollars gold, the purpose of which is to restore 'economic equilibrium,' so called, betw. n the various nations after the war,..."

Watch Nov. 26-Dec. 11. Foregoing reminds that John Maynard Keynes, described some years ago as "the Englishman who rules America", was in Washington, D.C. again, in Sept. CHICAGO TRIBUNE 9-23-43 front-page editorial comments: "... The two Keynes' plans are intended to provide means by which Britain, when peace returns, is to go on getting goods from us year after year without being obliged to pay. Other nations are to be cut in on this permanent lend-lease..." Since that courageous editorial, Sen. Butler 10-12-43 reports that "labels marking canned goods sent to the British thru lend-lease were soaked off and British stamps and markings were put on them". Thus Britain was given credit for gifts by other nations who are being "cut in" ahead of peace. Maybe this was one reason why the Administration attempted to remove "trade-names" from American goods!

Another pressure on Congress seen in attacks by columnists, writers, radio commentat-

s, such as Winchell and L. Shirer. Part of that smear campaign no doubt is Atty. Gen. iddle's 10-4-43 announcement that another federal grand jury would be asked to return a 3rd indictment against an undisclosed number of persons charged with a "nazi conspiracy" to violate sedition laws. O. John Rogge, radical asst., is handling the case of 33 persons including myself. Altho Constitution guarantees a quick trial before a jury of peers in jurisdiction where crime, if any, was committed, yet I was indicted in July '42, again in Jan. '43, in Washington, not in Omaha as Constitution provides -- and no trial as yet. In meantime books, magazine and newspaper articles have been written, and radio smears nationwide, lying and intimidating, to prejudice not only the public, but the jury whenever the trial materializes. Since many courageous Congressmen are linked with some of the indicted, thus marches the attacks on Congress.

That "smear campaign" is working up to some kind of climax. The alien-born mongrel John Roy Carlson (1 of 7 aliases), reputed author of UNDER COVER, was speaker at a War Bond Rally at Cambridge, Mass. 9-28-43. When he was subjected to criticism by a few fearless ladies (God bless 'em!), one Orville S. Poland, U.S. Treasury Dept. representative conducting said rally, came to his rescue. (A Joseph Poland is in WHO'S WHO IN AMN. JEWRY, and Poland's boss, Morgenthau is also in it.) This Carlson (Pagnanelli, Dercounian, etc.) also spoke to 700 school children of Cambridge High and Latin School, and was guest of School Teachers Club at a reception and tea.

THE REPORTER of Direct Mail Advertising (slickpaper magazine circulating among advertising men), Henry Hoke of New York City publisher, who in winter '42 attacked The America First Com., Lindbergh, etc. before a church group, viciously attacked Howard B. Rand (editor of DESTINY) in July & Aug. issues, and in defense of UNDER COVER, smeared among others, Mrs. Dilling, Edmondson, Kemp, Kullgren, Genl. Moseley, Col. Sanctuary, Rev. Winrod, and myself. Then a "Peter Edson" column attacks some of above and others. And "PM", the New York uptown DAILY WORKER, reports 10-3-43 that the Judeo-Red Anti-Nazi League will ask the Fed. Communications Com. (being investigated by Congress because of Reds therein) to investigate what they call "the conspiracy to throttle public interest" in UNDER COVER "because of Frank E. Gannett's previous implied threats of libel suits", following WGY's cancellation of said Carlson's broadcast on "books".

Then Communist NEW MASSES 10-5-43, which has previously full-paged praise of UNDER COVER, lengthily reviews a book by a new young Communist writer, Alex. Saxton, product of Harvard and Chicago U., who claims: "... We got to prove we're tougher than the Ku Kluxers and the anti-Semites and the Red-hunters and the fascists..."

This leading Communist weekly also praises the Fulbright Resolution recently passed in the House, awaiting consideration in Senate now. It editorially glorifies the American Legion Convention at Omaha for its stabbing Congressman Ham. Fish, one of Legion's founders, in the back. (see SAT. EVE. POST 10-9-43, p. 53, article re Repr. Al. J. Engel, for truth about use of Congressmen's franks).

It tells about Office of War Inform. participating (FDR sent his greetings, too) in Writers Congress at Los Angeles Oct. 1-4, attended by a flock of Pinks, Reds, Jews - commentators, writers, playwrights, etc. Page after page demands a 2nd front in Europe.

It features article "VICTORY HAS A PRICE" by Earl Browder, who demands that second front in western Europe, and on the home front, "the rigorous suppression of the fifth column, the outlawing of racial incitations such as anti-Semitic and anti-Negro agitation ..... full planning and control of the national economy."

Editorially on "Manpower Shortage?", it demands: "... (1) there is an imperative need for definite and firm administration leadership; (2) the people's movements, and in particular organized labor, must bring continual and increasingly powerful pressure on the legislators; .." Editorial praises Russian-born Red Jew Sidney Hillman's (one of FDR's advisers) formation of the CIO's Political Action Committee, "... for that is the sort of approach which Congressmen, of all people, most readily understand and respond to."

Largest circulation weekly in America, THE JEWISH EXAMINER, Brooklyn, N.Y., editor Rabbi Louis D. Gross, reports a plea to Christian churches to launch an intensive campaign against "fascist anti-Semitism", quoting the World Alliance News Letter, organ of Church Peace Union and the World Alliance for Intl. Friendship Thru the Churches, urging as a "practical objective" - launching cooperative community efforts to isolate the "virus of anti-Semitism", and church backing of sound legislation to curb racial and religious discrimination. Last Oct. this newspaper editorially demanded Congress pass a law to inflict death sentence on me and 4 others - by name - as typical of those who should be "liquidated" as Russia has been doing since 1917. Estimated 40-50 millions been so liquidated!

## Communitistic Influence on Racial Disorders

SPEECH

OF

# Hon. John E. Rankin

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

THURSDAY, JULY 1, 1943

MR. RANKIN. Mr. Speaker, the gentleman from New York (Mr. Celler) said a moment ago that they ought to seize the farmers' meat and cattle in order to feed the people in New York. Now, if he will send that gang of communistic Jews and Negroes that came down here day before yesterday and tried to storm the House restaurant, and went around here arm in arm with each other in this Capitol, if he will just send them down into Texas, or out into the West, or anywhere else in the cattle-growing belt, to do the seizing of those cattle, they will not have so many people to feed in New York.

It is dawning on the American people who is creating and promoting this race trouble and these race riots throughout the country.

I want to say to the gentleman from New York (Mr. Celler) that when they dig into those race riots in Detroit and elsewhere, they will find that the same element promoted them, and they will find the same element stirring up race trouble here in Washington.

When those communistic Jews—of whom the decent Jews are ashamed—go around here and hug and kiss these Negroes, dance with them, intermarry with them, and try to force their way into white restaurants, white hotels and white picture shows, they are not deceiving any red-blooded American, and, above all, they are not deceiving the men in our armed forces—as to who is at the bottom of all this race trouble.

The better element of the Jews, and especially the old line American Jews throughout the South and West, are not only ashamed of, but they are alarmed at, the activities of these communistic Jews who are stirring this trouble up.

They have caused the deaths of many good Negroes who never would have got into trouble if they had been left alone, as well as the deaths of many good white people, including many innocent, unprotected white girls, who have been raped and murdered by vicious Negroes, who have been encouraged by these alien-minded Communists to commit such crimes.

They are spreading their poisonous doctrine of hate among the Negroes and thereby making it impossible for them to live in peace with the white people around them.

Communism is dying in Russia, or rather it is being run out of Russia by the Russians themselves, but it is still active in this country, as the records of these race riots show.

I have before me a letter written by a patriotic American soldier from Detroit, Mich., in which he tells of these Communists stirring up trouble among the Negroes in Detroit. He said that one night in August 1942 he went into "Paradise Valley" and witnessed a big Communist turn-out, attended very largely by the Negroes of Detroit. The Communists, he said, set up loudspeakers and in a short time a large crowd had gathered, and in 10 minutes those Communist agitators were spreading their doctrine of hate and revolution among those Detroit Negroes. One of these speakers, he said, shouted, "The party of the Negro people is the Communist Party." They told them, "If you want to be free and happy, you should join the Communist Party of Michigan as soon as possible." They also shouted, "If you want good homes, you must fight for them." One of the speakers said, "The rich capitalists, white people of Detroit have robbed you of the good homes and schools that you should rightfully have. The Communist Party is your only hope of getting back what is yours."

He said the Communist Party sponsored meetings of this kind almost every week in Detroit, and had the Negroes there stirred up almost to the point of revolution—"after some of these crafty Communist orators had finished their outpouring of hate." He said that all these meetings were designed "to turn Negroes against whites," and that "This latest bloody outburst is just the beginning, if communism is allowed to continue its revolutionary program in Detroit and the United States of America."

This young man says further: "I am preparing to lay down my life on a distant battlefield for my country. There are millions of us who are now training for war against the Jap and Nazi aggressors. In the name of God, in the name of our country, in the name of our Republic let us destroy that horrible beast known as the Communist International."

He says in conclusion, "If it is not done now, we will do it when the mess is cleaned up over there."

Mr. Speaker, that young soldier expresses the views of millions of our brave boys who are now in the service, as well as those of a vast majority of the people at home. If these Communists are able to stir a race war in America, it will have the most demoralizing effect on this country, and especially on the men in our armed forces, of anything else that could possibly occur.

The disgusting spectacle we saw here in this Capitol on the day before yesterday ought to be enough to arouse the most complacent individual to the dangers that confront this country here at home.

While our boys are fighting and dying to protect our country from without, let us see to it that our sacred institutions are not destroyed from within.

Omaha, 3, Nebr.

Expose of Totalitarian and Collectivist "ISMS" as being un-American, un-Constitutional, anti-Christian. 8 issues for \$1. by first-class

No.325. mail. Gifts to aid increased circulation gratefully received. 10/27/43.

DAYTON INDEPENDENT, Dayton, 2, Ohio (5¢ - \$1. per yr.), fearlessly publishes local and national news; and exposes of un-American activities. Atty. Geo. E. Sullivan, 226 Woodward Bldg., Washington, D.C., has addressed 2 statements to Congress, 9-30-43 and 10-15-43, that are masterpieces. Throw light on Synagogue of Satan - its plans, activities and leaders. Should awaken Congress to dangers that threaten Christian America - from within, as well as from without. Invaluable! Write Mr. Sullivan.

Besides AID!, only literature I sell are a few books: The Octopus - 60¢; Red Network - \$1.; The Roosevelt Red Record & Its Background - \$1. - all by Mrs. Eliz. Dilling; and book Planned Economy - \$1. Its 3 large charts expose some strange Interlocking Directorates.

Socialized Medicine. Natl. Physicians Com. for the Extension of Medical Service, Pittsfield Bldg., Chicago, Ill., is issuing timely literature warning against Communistic provisions in the Sen. Wagner-Murphy (S. 1161) Bill, and urging you to write your Congressmen.

Reminds of report that the War Planning Bd is to send an "invitation" to every nurse in USA, appealing to her heart and asking her to fill out certain papers which may give Planners the power to tell them where and when they shall work. It seems to tie in with S. 666 which would enable Planners to send men, women and children all over the world.

AID! been warning against S. 666 for months. Incidentally, in re Biblical significance of "666", AID! #267, in Spring of 1941, quoted Dr. W. D. Herrstrom (publisher Bible News Flashes - 25¢ a yr., Box 77, Lake St. Stn., Minneapolis, Minn.) about proposed use of invisible ink on hands or heads of workers, he pointing out that would be a literal fulfillment of Rev. XIII: 16, 17, 18. Press now reports: "Invisible ink and secret codes are now being used to identify workers at some war plants in the Chicago area. Identification is made by thrusting the hands, which have been marked with a secret ink, under an ultra-violet light, which causes the ink-markings to glow."

Pressure for "socialized medicine" in England illustrates parallel operations of the World-Planners, Intl. Finance, Intl. Gangsters, Intl. Octopus, Synagogue of Satan - or what ever you may call the conspiracy against Christendom, which, unless Divine intervention, seems on verge of complete success.

THE PATRIOT (London) 9-30-43 reports that the annual meeting Sept. 22 of British Medical Assn. passed resolutions - "that it was not in the public interest that the State should convert the medical profession into a salaried branch of central or local government services, and that the State should not assume control of doctors rendering individual or personal health services" ... "All this, of course, is anathema to the extreme Socialist and Communist who want everything from birth to the coffin standardised by the State on the assumption that mankind will thereby be so much happier and so much better served. Of their superior intelligence these extremists have never given the least proof, but the State, as they conceive it, has to be under their direction."

Incidentally showing W. Winchell's inaccuracies in his "smear" attacks, his column Oct. 1 accused Judge N. W. Rogers, Tompkins Corners, N.Y., of "publishing a weekly sheet called 'The Patriot', recent issues of which contain snide attacks upon our valiant allies." Truth was, the Judge had merely typed quotations from THE PATRIOT for a few friends. Know-all Winchell doesn't know this magazine was founded by 8th Duke of Northumberland in 1922! It goes thru the censors of both England and USA - thru the mails. It prints the truth!

Frank A. Parker (publisher The Green Mountaineer - 2 1/2¢ per page, 5653 Post Road, New York, 63, N.Y.), 10-15-43, gives past and present history of Intl. Finance. Quotes prominent English historian, Wm. Cobbett, who wrote in 1825: "An Act of Parliament was passed, in the year 1694... the title of which Act is in the following words; words that every man should bear in mind; words fatal to the peace and happiness of England; words which were the precursor of a scourge greater than ever before afflicted any part of God's creation: - 'An Act for granting to their Majesties several rates and duties upon Tonnage of ships and vessels, and upon beer, ale, and other liquors, for certain recompenses and advantages in the said Act mentioned, to such persons as shall voluntarily advance the sum of fifteen hundred thousand pounds towards carrying on the war against France'. This Act lays certain duties sufficient to pay the interest of this sum of 1,500,000 L. (which you will note is 10%). Then it points out the manner of subscribing; the mode of paying interest, or annu-

ities; and when it provides, that, if so much of the whole sum be subscribed by such a time, the subscribers shall have a charter, under the title of 'THE GOVERNOR AND COMPANY OF THE BANK OF ENGLAND'!" Parker comments: "Now take due notice of the fact that in order to get this loan to carry on a religious war of aggression against France, which the lenders, as can be shown from other works, had stirred up themselves with this purpose of granting the monopoly of Usury to 'The Bank of England', the King had to make an assignment of the taxes accruing and no limit set, to the pretended lenders, who, according to Del Mar (Jew) in other histories concerning the CATTLE AND COINAGE ACT, 1665, had bribed enough of Parliament to pass this act without question.

"Note 'subscribers' is plural. But from the very practical circumstances of collecting both principal and interest on money pretended to have been lent the King, and which money - paper bank notes of course - the provided-for 'COMPANY OF THE BANK OF ENGLAND' must necessarily create - and bearing the debt of the King himself, the same as our privately created Federal Reserve Notes bear the debt of the U.S. Govt; this act of Parliament could not be consummated except by just one powerful company. And who must they be?

"Going back into other histories, it appears that a BRITISH EAST INDIA COMPANY had, thru the CATTLE AND COINAGE ACT, which 'they had similarly bought' with silver stolen in Mexico and So. America, and traded it in India for gold on the basis of 8 to 1 (not 16 to 1) had a practical monopoly on vessels of the high seas. This act of a 'Tax on Tonnage of Ships and Vessels', would be simply a case of the British East India Company's ships paying said tax over to their own company THE BANK OF ENGLAND - from one pocket to the other, whereas they were also given this 'letter of marque' to tax their competitors both domestic and foreign either out of business, or use them as slaves and/or as slave ships to bring Africans to the Americas as slaves. (Cobbett - 402) 'Thus arose loans, funds, bankers, banknotes, and a NATIONAL DEBT; things that England had never heard, or dreamed of before this war for "preserving the Protestant religion as by law established"... and Usury..... Jews did it...'" (10 pages for 25¢ - of which foregoing is part of 1 page).

Bringing war-makers uptodate, following about "unofficial President of the USA" Jew Bernie Baruch is significant. As reported. In first edition of New York Times (Jewish) of 9-15-1939, Baruch remarked - "... and in that event Germany's barter system will be destroyed." Obvious a barter system places in jeopardy the graft of the usurers. So, the truth becomes known thru a chance remark of Baruch to Felix Belair, Jr., the Times reporter who, reporting Baruch's interview with Roosevelt the previous day, recorded it. The exclusion from later editions is more than significant in my opinion.

St. Louis Post-Dispatch, 11-1-1938, quoted Baruch: The USA must speak out against foreign ideological invasion (presumably "barter system") of So. America "in the only language the aggressor can understand - that of FORCE." (England declared war 9-3-1939).

In my opinion this note in Peterson's "Propaganda For War", p. 267, indicates Baruch's patriotism: Baruch admitted clearing \$476,168 as a result of this slump, vis. at the time of Wilson's peace offer the N.Y. Times stated: "Sales of more than 300,000 shares force most violent slump known in fifteen years."

Note his forecast of "rationing" and its possible uses. Congr. Record 10-12-1939, page 626, quotes Baruch as saying, during the Munitions Report, 944, pt. 4, pp. 45-46. He said: "I can say that if a man be called and found unfit for military service but fit for other work in the essentials lists (of industries) he must so employ himself or be cut off from rations. ("starvation" methods enabled Intl. Gangsters to entrench themselves in Russia).

Repr. Leon H. Gavin, 6-8-43, presented to House Subcommittee of Com. on Interstate and Foreign Commerce (headed by Repr. Lyle H. Boren) data on "Post-War Planning" by Chas. Phillip (editor The Individualist, P.O. Box 373, Lincoln, Nebr. - 7 issues for \$1.). It told about English Jew chain-store owner, Israel Moses Sieff, sponsor of P.E.P. which paved way for "rationing" in England. Upon verifying he was secretly advisor to OPA, Subcommittee haled Sieff before it 6-16-43. Hearings "Brand Names and Newsprint" Part 1, of above Subcom., starting p. 485; and Part 2, beginning p. 28 (Sieff's answers), are so enlightening it is too bad all Americans cannot have access to them. Congressmen who fearlessly quizzed him deserve thanks. Sieff was so evasive that they reacted as men should. Result - months later, Repr. Emanuel Celler inserts in Appendix of 10-13-43 Congr. Record, starting p. A4569, over 10½ pp. of fine print - Sieff's "reply" to Subcom. Enai Brither Celler (born 1888 - was govt appeal agent on draft bd in World War I) attacks his fellow Congressman: "... A perusal of the record of his (Sieff's) experience before this subcommittee clearly indicates that ... neither hospitable nor friendly, etc..." Many inconsistencies in Sieff's

Incidentally, official JO'S WHO IN AMERICAN JEWRY says Is H. Amberg, now special asst. to Secy of War, altho born 1890, was asst. to Felix Frankfurter (now on Supreme Court) in office of Secy of War, in 1917. If one had time and means to check the "key" positions held by same interventionists in both World Wars I & II, what a story it would tell! How illuminating that pp. 8637-9 of Congr. Record 10-19-43 also disclose that Communist V. Stefan-son is "advisor to U.S. Govt"; that the U.S. financed \$138,000,000 Canadian oil project will cost us \$46,000. a barrel, or more, against \$1.294 a barrel cost to produce new oil in USA, close to transportation, markets, war effort, etc. That Jew Congressman Sol Bloom is still using a car, driven by chauffeur, illegally bought by Sol 7-1-1936, but finally paid for by Govt. That the U.S. Constitution Sesquicentennial Commission (which Sol headed), for which said car had been bought, expired 12-31-1939. That Sol has been using a Govt car almost 4 years after it should have been turned back to the Govt.

Is it any wonder that certain people and certain newspapers want to prevent Congressmen from mailing out Congressional Record reprints under their frank - and thus deprive the taxpayer of access to the only uncensored press that is still available?

Particularly, when reading p. 8709 of CR 10-21-43, you find that a Subcommittee took sworn testimony for 3 weeks of startling importance, yet no newspapers carried anything about it, altho newspapermen were present. Sen. Shipstead testifies he had written I.C.C. that Kuhn, Loeb & Co. (Intl. Jew bankers) 'stood' to make over \$10,000,000 extra profit on a \$28,000,000 railroad bond deal, by I.C.C. permitting it to go thru "without competitive bidding". Bureaucrats ignored the Senator and insulted him in the correspondence! Control?

Yet if those for whom Jew Geo. Seldes (editor "IN FACT") speaks have their way, they would "get at" certain persons by having our libel laws changed. His 10-18-43 issue: "... only in Canada and in the 3rd Republic of France were falsehoods against races, religions, minorities, peoples, labor unions, etc., considered libels. In the US it is legal to lie about any religious group - Coughlin and Mrs. Dilling are notorious examples of professional liars - and the Peglers and Kaltenborns can slander and villify labor without danger of a suit..." "Truth" constitutes "libel" when its told about un-American "liars" et al.

China. Congr. Record 10-21-43 shows that the so-called Chinese Exclusion Act was repealed - without a record vote. I would think many Congressmen would be ashamed of that vote - to permit 76 Chinese to come in from China every year - the plea being that such an act would help the war effort, and make China love us!!! Japan, fast propagandizing all Asia to "liquidate" the White Race, will make capital of it. As ALDI has said time and again, I have only sympathy for all peoples (but no use for some of their leaders). Believe history demonstrates our Founding Fathers were right we could best serve the World by making and keeping USA a Christian Constitutional Representative Republic. They knew that only White Men built civilizations, while Asiatics destroy them. Congress should know it.

Sob-stuff was pulled about the Chiang Kai-Sheks, and apparently influenced the vote. Just who are these "privileged" characters? Press now calls Chiang "President", but it was only yesterday he was "Generalissimo", and a few years before that he was the great 'Christian' Generalissimo! Yes, that kind that sent his son to be educated in Godless and anti-Christ Moscow! His wife's sister, Mme. Sun Yat-sen, lived for years in Moscow and headed the Communist movement in China. Yes, Chiang's Bible may be pencilled in the margins.

That's the way I read Communist and Jewish literature, but I'm still neither a Red nor a Jew. Surely Hallett Abend, famous correspondent-author, representing N.Y. Times in China from 1926 on - in the very years Chiang sprang from a low-salaried clerk in a Shanghai brokerage office to what he is now - can reasonably be depended upon to report what he saw. Try to get his book "Tortured China", written in 1930, from your Public Library -- it was hidden away in ours. Chiang was not the big-shot then, but there is a lot about him, his Cadets, his Nationalist (Revolutionary) Army, his Nanking Govt, and the Kuomintang which just now made him President. People never voted for him. China no more of a Republic than is Russia or Germany or Japan. Abend claims Chiang seized millions, even welfare funds; that his armies were built by defecting other "generals", adding their gangsters to his; that he promised he would drive the "white devils" out. That, altho he had had aid of all kinds from Red Russia, England, and Germany (he sent Cadets there for training), and that his flyers flew American planes which they used to bomb innocent villages indiscriminately, yet he never really got into power in China until after he had spent some time in Japan. His soldiers? slaughtered women and children (and American missionaries). When he captured a town they forced women and children at point of bayonets into thatched huts and set them on fire. Yes, Stalin was educated in a seminary, and Chiang may read a Bible, but those 2 evil dictatorships have liquidated over 50,000,000 lives between them! For America "It is much later than you think"!!!

## Communist Influence on Racial Disorders

SPEECH

OF

Hon. John E. Rankin

OF MISSISSIPPI

IN THE HOUSE OF REPRESENTATIVES

THURSDAY, JULY 1, 1943

MR. RANKIN. Mr. Speaker, the gentleman from New York (Mr. Celler) said a moment ago that they ought to seize the farmers' meat and cattle in order to feed the people in New York. Now, if he will send that gang of communistic Jews and Negroes that came down here day before yesterday and tried to storm the House restaurant, and went around here arm in arm with each other in this Capitol, if he will just send them down into Texas, or out into the West, or anywhere else in the cattle-growing belt, to do the seizing of those cattle, they will not have so many people to feed in New York.

It is dawning on the American people who is creating and promoting this race trouble and these race riots throughout the country.

I want to say to the gentleman from New York (Mr. Celler) that when they dig into those race riots in Detroit and elsewhere, they will find that the same element promoted them, and they will find the same element stirring up race trouble here in Washington.

When those communistic Jews—of whom the decent Jews are ashamed—go around here and hug and kiss these Negroes, dance with them, intermarry with them, and try to force their way into white restaurants, white hotels and white picture shows, they are not deceiving any red-blooded American, and, above all, they are not deceiving the men in our armed forces—as to who is at the bottom of all this race trouble.

The better element of the Jews, and especially the old line American Jews throughout the South and West, are not only ashamed of, but they are alarmed at, the activities of these communistic Jews who are stirring this trouble up.

They have caused the deaths of many good Negroes who never would have got into trouble if they had been left alone, as well as the deaths of many good white people, including many innocent, unprotected white girls, who have been raped and murdered by vicious Negroes, who have been encouraged by these alien-minded Communists to commit such crimes.

They are spreading their poisonous doctrine of hate among the Negroes and thereby making it impossible for them to live in peace with the white people around them.

Communism is dying in Russia, or rather it is being run out of Russia by the Russians themselves, but it is still active in this country, as the records of these race riots show.

I have before me a letter written by a patriotic American soldier from Detroit, Mich., in which he tells of these Communists stirring up trouble among the Negroes in Detroit. He said that one night in August 1942 he went into "Paradise Valley" and witnessed a big Communist turn-out, attended very largely by the Negroes of Detroit. The Communists, he said, set up loudspeakers and in a short time a large crowd had gathered, and in 10 minutes those Communist agitators were spreading their doctrine of hate and revolution among those Detroit Negroes. One of these speakers, he said, shouted, "The party of the Negro people is the Communist Party." They told them, "If you want to be free and happy, you should join the Communist Party of Michigan as soon as possible." They also shouted, "If you want good homes, you must fight for them." One of the speakers said, "The rich capitalists, white people of Detroit have robbed you of the good homes and schools that you should rightfully have. The Communist Party is your only hope of getting back what is yours."

He said the Communist Party sponsored meetings of this kind almost every week in Detroit, and had the Negroes there stirred up almost to the point of revolution—"after some of these crafty Communist orators had finished their outpouring of hate." He said that all these meetings were designed "to turn Negroes against whites," and that "This latest bloody outburst is just the beginning, if communism is allowed to continue its revolutionary program in Detroit and the United States of America."

This young man says further: "I am preparing to lay down my life on a distant battlefield for my country. There are millions of us who are now training for war against the Jap and Nazi aggressors. In the name of God, in the name of our country, in the name of our Republic let us destroy that horrible beast known as the Communist International."

He says in conclusion, "If it is not done now, we will do it when the mess is cleaned up over there."

Mr. Speaker, that young soldier expresses the views of millions of our brave boys who are now in the service, as well as those of a vast majority of the people at home. If these Communists are able to stir a race war in America, it will have the most demoralizing effect on this country, and ~~harmless~~ <sup>harmful</sup> on the men in our armed forces, ~~of anything else that could possibly occur.~~ <sup>FEDERAL BUREAU OF INVESTIGATION</sup>

The disgusting spectacle we saw here in this Capitol on the day before yesterday ought to be enough to arouse the most complacent individual to the dangers that confront this country here at home. <sup>attach</sup> ~~re~~

While our boys are fighting and dying to protect our country from without, let us see to it that our sacred institutions are not destroyed from within.

In preparing this matter for trial, the Department has requested the Bureau to examine its files for the purpose of determining whether information is available therein indicating overt acts on the part of Charles B. Hudson within the District of Columbia subsequent to January 3, 1941.

In conducting a search of the material in the Bureau's files, a possible instance of this nature was noted in the report of Special Agent [REDACTED] captioned "Charles B. Hudson, Internal Security - C, Registration Act, Sedition," dated May 17, 1942, at Omaha, your file 97-20. Your attention is directed to Page 8, paragraph 5, of Agent [REDACTED] report which commences "By confidential source it was ascertained that when Hudson went to Washington at the time of the Mothers march, which march he sponsored . . ." This statement would indicate Hudson's presence and activity in the District of Columbia during the pertinent period.

Prior to calling this instance to the Department's attention, it is desired that you immediately furnish the identity of the confidential source mentioned in the above-described report. If the source in question is an individual, it is desired that the Bureau be advised whether the informant would be competent to testify to the information in his possession; also, the source should be contacted in order that it might be determined whether this person would willingly testify in the event the Department desires to utilize this informant as a witness in the forthcoming trial.

This matter should receive prompt attention and the information requested submitted to the Bureau within seven days of the receipt of this communication.

SEDITION

Reference is made to your memorandum of January 8, 1944, bearing the caption, "United States Versus [REDACTED] et al; Sedition", wherein you requested that the Bureau's files be reviewed for any evidence or indication of overt acts on the part of the defendants involved in this case, such overt acts being committed subsequent to January 3, 1941.

Pursuant to your request, the pertinent files relative to the above captioned defendant have been reviewed and the following information of possible pertinence to the subject matter of your request has been noted.

From the report of Special Agent [REDACTED] entitled "Charles B. Hudson; Internal Security - G; Registration Act; Sedition", dated May 17, 1942, at Omaha, (a copy of which was furnished to Mr. L. M. C. Smith of the Department on May 29, 1942) it is noted on page 8, paragraph 5, a confidential source had advised that Hudson sponsored the Mother's march to Washington and was in the City in furtherance of this demonstration during February, 1941. In this connection, the attached letter to the Bureau from our Omaha Field Division Office is self explanatory.

It is noted that in the report of Special Agent [REDACTED] dated April 11, 1942, at Omaha, captioned as above, (a copy of which was forwarded to Mr. Wendell Berge of the Department on April 27, 1942) Hudson's mailing list appears. It has been reported that this mailing list was used by Hudson in the mailing of the February 18, 1942, issue of his publication "America in Danger". Your attention is invited to pages 40 through 43 of this report wherein there are reflected the names of individuals in Washington, D. C., who apparently received this publication.

For your further consideration, there is attached a copy of a letter dated March 30, 1942, from Charles B. Hudson to [REDACTED] Washington, D. C. Enclosed with this communication was a copy of "America in Danger" dated March 26, 1942. This particular edition of Hudson's publication was also transmitted to Mr. Berge on April 21, 1942.

The data set forth in the above paragraphs are called to your attention with the thought it may possibly amount to or bear suggestion of the type of evidence pertaining to Hudson referred to in your memorandum of January 8, 1944.

I have a "hunch" that it might be well for Cruiser Car officers covering this part of the city, if they would be instructed to drive by our house, 4327 Grant St., and be on the alert for possible criminal attentions, such as the window-smashing and rotten-egging episodes of 1939 (plus the night-after-night phoned death threats then and in 1942), wherein two of your officers chased and caught up with a Studebaker sedan containing two Jewish lads. Public policy, and protection to my wife, in case I am called suddenly to Washington, D.C., during the next 30 days, prompt that suggestion.

This "hunch" is predicated on a number of things. First, altho the first two indictments were thrown out of court for being obvious frame-ups, yet the radical Mr. Rogge, assistant to Mr. Biddle, is now trying to get a 3rd indictment out of a Washington grand jury, and the Jewish N.Y. Post 11-9-43 reports he expects to do so by Christmas.

Second, The Jewish Press 11-26-43, quotes Mr. Biddle as calling upon people to help the Govt in the work of combatting so-called anti-Jewish activities. Also, the foreign-born Armenian-of-7-aliases who claimed to have cooperated with the Dept. of Justice when he spoke here over radio and at Central Hi auditorium (brought here by Jewish Community Center), reported that it was up to civilians to take care of such problems in their respective neighborhoods. Predicting in same breath that Jewish youths are to be beaten up in Omaha soon (by whom he didn't say) - that, no doubt was said to inspire Jewry to act locally against the writer, who is accused by said lecturer-author, et al, of being a leading anti-Semite.

Third, The Jewish Press 11-19-43, editorial "Laws With Teeth Against Anti-Semitism", hopes that the Soviet policy of exterminating so-called anti-Semites will be adopted by the United Nations, saying: "We pray and hope that the time is not far off." But, the largest-circulation-in-USA, The Jewish Examiner of 11-12-43, editorially commenting on CIO Convention resolution that "anti-Semitism today is treason to America", and on the resolutions "condemning anti-Semitism" now being urged upon organizations from boys' clubs thru religious societies to City Councils, and on legislation proposed in Congress to make it a criminal offense, winds up by inciting Jewry to get "tough" and rout their enemies "by getting down into the arena of physical combat".

Fourth, what appears in line with above Rabbi's "gangster" advice, may be the ad in 11-28-43 World-Herald: "WANTED - AMERICANS TO FIGHT THE 5TH COLUMN ENEMY. The fifth column enemy is spreading poisonous lies and propaganda for the sole purpose of disrupting our national unity and our All Out Effort for Victory. The Home front must expose and exterminate the 'rats' that menace our freedom and our way of life. If you aren't afraid to fight, join us at once. Box 7380, World-Herald."

It seems to me, Fritz, that if you have not already done so, you can well afford to require the World-Herald to divulge who it is that is organizing on a "fight" to "exterminate someone" basis. Certainly, as I know from sitting-in with you in the past, your department, working as you do with the FBI and G-2 of the Army, are well equipped to take care of any real "5th column" activity, particularly as up to date the FE reports no Axis-inspired sabotage committed so far in USA. The wording of that ad sounds suspicious. Omaha has long prided itself on freedom from gangsterism, and now would be no time to tolerate criminal activities of the kind intimated in that ad.

In order that friends locally, and nationally, as well as my friends in Congress and in other positions of power are acquainted with the foregoing, I am sending copies of this letter to them.

CHRISTMAS GREETINGS. Enjoy so much the beautiful cards, kind words, and gifts already received. Good wife and I wish our old friends and new acquaintances the "peace that passeth understanding" - praying you will meet trying times ahead with that firm faith that brings thankful living from day to day despite devil-inspired destruction all about us. Gleams of light pierce the gloom. Altho our Founding Fathers gave us a Christian Constitutional Representative Republic - from which Christic path we have strayed - an incident portrays the Prodigal's Return. Altho prayer opens daily sessions of Congress (one of proofs we are essentially a Christian Nation - as Supreme Court has so held), yet when Chaplain Rev.Jas.Shera Montgomery, D.D. at noon Nov.18, '43 offered a prayer and then asked all Members of the House to join in the LORD'S PRAYER - a precedent was set, according to Repr.Lambertson (smeared in "UNDER COVER" and by Winchell). How timely and important it is to think in terms of seeing Christ's Kingdom set up in this wicked Satan's World. Man's miserable mess should convince that compromise with evil no longer holds forth any promise of good. Truly is- Christ or Chaos!

WATCH AND PRAY! A good watchman makes his rounds. Doesn't sit with his hands folded. Faith without works is dead. Eternal vigilance is the price of Liberty! The salvation of the State is the vigilance of the Citizen. Salvation of the vigilant citizen is in Christ. It takes Christian citizens to make a Christian State!

In our humble way AID! seeks to put into practice above philosophy. Christ, when He criticized wickedness in high places - and He did a lot of it - didn't pull His punches! He pitied and helped the poor, the sick, the unfortunate victims of a civilization dominated by the Synagogue of Satan. Talmudists had "taken-over" professions, politics, business and finance. He drove the "money-changers" out with a whip! He affirmed it was "love of money" the root of all evil. I believe you will find in the New Testament that He emphasized, not false socialistic programs operating thru organizations, but individual responsibility for civic righteousness. Satan works thru organizations; Christ thru the heart of the individual. Note anti-Christians always ask: "Who or what organization is behind him?" "Who or what organization is financing him?" The free-lance missionary they cannot understand. Note attempts to prove "conspiracy (organized) to commit sedition" against the "free-lance" writings and lecturing work of certain men and women. Until we were indicted, some of us had never heard of each other before. Now anti-Christians are promising us a 3rd indictment as a Christmas present!

Illustrations follow, how anti-Christians seek to achieve their evil programs thru organizational channels: One spearhead of the attacks on Christians and on our Christian Constitutional Representative Republic, is the Union For Democratic Action. Its chmn, Reinhold Niebuhr, is a religious (not Christian) "front" - kind Christ no doubt had in mind when He called Talmudic proselytes "two-fold more" the child of Hell than the Talmudist is. Its secy is a Murray Gross and its exec.sec'y is James Loeb, Jr. - both Jewish names. Radical Socialist, Howard Y. Williams is Field Director. One of its vice-chmn is big-shot educator, Red Geo.S.Counts, while another is Polish-born Jew, Jos.Willen. Bd of Directors include such as editors of anti-Christian publications - NEW REPUBLIC, NATION, PM, and 4 natl.committeemen of Civil Rights Defense Com., which is trying to free 18 Trotskyite Communists convicted for advising insubordination (sabotage) to duty by members of the armed forces. At least 5 are likewise connected with Amm.Civil Liberties Union which just protested Supreme Court's refusal to review the case of those 18 Trotskyites. UDA's directors also include a Negro Red; and of total of 31, half have Jewish names, with 7 in WHO'S WHO IN AMERICAN JEWRY. One Red Jew is Louis Fischer who is to be at Omaha's Jewish Community Center 2-23-44. Another director is educator-author Harold Rugg, whose perverted social science books flood our schools by hundreds of thousands. In a few cities his books have been thrown out by "vigilant citizens"!

UDA's real purpose sensed in its current letter soliciting Christmas subscriptions to its "UDA Congressional Newsletter", wherein it makes such slurs as these: "Xmas

comes but once a year. Let Congressmen are always mail a letter--usually at your expense. If they get away with it, it's your fault, for doodling at nation counters, fighting tooth and nail for baubles, when you could sit down quietly with last year's desk set and indite us an authorization to shower your kith, kin and chums with News-letters.... A serene Yuletide, and a happy new election year of intelligent voters and defeated dunderheads...."

91005

If you believe Congressmen should have AID! to keep them informed of anti-Christian and un-American tactics and attacks, you could follow above advice. Gifts now coming in enable me to mail AID! to about 180 Congressmen. You can increase that coverage.

Union For Democratic Action subjects to its smears, Congressmen who vote Constitutionally, and demands their defeat in 1944. So does Friends of Democracy, Inc. which has set out to defeat 150 Members of the House, and 52 Senators. Congressmen such as you find discredited and attacked in "UNDER COVER" - now enjoying largest sale of \$3.50 book in American history (what a travesty on our "intelligent" civilization!). Such as you find in another Winchell-ballyhooed book - "SABOTAGE", a Harper & Bros. output. Sunday night Winchell insisted his radio listeners must buy "SABOTAGE", and also Monday PM. July 1942 edition of "SABOTAGE" smears 26 Congressmen (and 17 of the 33 indicted men and women, of which I am 1). New edition just out undoubtedly increases the numbers smeared. Followup of "UNDER COVER" smears of 33 indicted ones, and some 50 Congressmen.

Whereas purported author of "UNDER COVER" is a foreign-born Armenian, probably Jewish, hiding under 7 known aliases, and a draft-dodger hired by Friends of Democracy (which boasts of his "historic" contribution to the times), authors of "SABOTAGE" are Michael Sayers and Albert E. Kahn. Latter is a Dartmouth '34 grad, former exec-secy of American Council Against Nazi Propaganda (of which the late Wm. E. Dodd, former Ambassador to Germany, was chmn.). This Dodd's son is one of the 3 - other 2 are Lovett and Watson (both active in Amn. Civil Liberties Union and other un-American organizations) - who, backed by Ickes and other Nud Dealers, are fighting an Act of Congress which denied funds to Depts. for which they worked at big salaries unless nominated by FDR by Nov. 15 and confirmed by Senate, which was not done. This is another attack on the Constitutional powers of Congress!

"SABOTAGE" Kahn, until early this year was editor of THE HOUR, a confidential newsletter devoted to exposing such as the 33 indicted ones and smearing Congress. It was sent to editors, columnists, radio news-commentators, and THE HOUR (along with above mentioned) took credit for inspiring Govt action against such as myself. Having proved his versatility in mixing a few truths with half-truths and a lot of lies and insinuations, in Mch '43 Kahn comes forth as editor of an expensively gotten up magazine, NEW CURRENTS - A NEW JEWISH MONTHLY. Its first issue lies about me - see pages 7, 9 & 18. Devotes 2 pages to: "A Message to the House of Representatives", listing some of 1250 signers of a letter demanding: "Abolish the Dies Committee". Sponsored by National Federation For Constitutional Liberties with both New York City and Washington, D.C. headquarters. Among those signers we find leaders of the aforementioned organizations - whose activities are pledged to destroy "Constitutional Liberties"! Other signers are Communists such as Joe Curran, Theo. Dreiser, Albert Einstein, Waldo Frank, Langston Hughes. Others are Rabbis. The kind typified by Rabbi Louis D. Gross, editor of largest-circulation-in-USA weekly newspaper, JEWISH EXAMINER, whose 12-17-43 editorial compliments uptown-Daily Worker, PM, and attacks Congressman Rankin, using such terms as: "a foul reactionary"; "a malicious and unprincipled scoundrel"; "vicious anti-Semites".

Kahn's Jewish magazine devotes page to "Congress and The People", just as official Communist weekly NEW MASSES does - advising readers how to bombard Congressmen with letters and wires, for and against certain measures. While Communists demand "outlawing of anti-Semitism" (as Soviet Union did 1917 whereby 50,000,000 have been liquidated), Kahn's magazine, like other Jewish press, demands passage of Dickstein and Lynch bills, which would bar anti-Semitic propaganda from the mails. Kahn sings the usual song that "anti-Semitism is treason"!

His Sept. '43 issue of NEW CURRENTS carries "The Pledge" taken by 1,867 ministers "to carry out the program of the Textbook Commission of THE PROTESTANT to eliminate anti-Semitic statements in American textbooks." Here's "The Pledge": "We free Church Ministers must speak plainly about the cowardly propaganda of anti-Semitism. Jesus

was not murdered by Jewish people, who followed him their multitudes and 'heard him gladly', their enemies, the Quislings at day hiding behind a synthetic 'Jewish Front' mob, just as today his spirit is being murdered again all over the Western World by similar betrayers using synthetic 'Christian Front' mobs..... Whatever deflects from our own consciences the penetrating glance of God by making a scapegoat of the Jews or any other race, must be stricken from our teaching and from our texts. Therefore, we support the work of the Textbook Commission of 'THE PROTESTANT' in its efforts to obtain the removal of discriminatory passages from textbooks and both in conjunction with its work and individually we pledge to do all in our power to effect such removal and to undo through our preaching and teaching the ill effects of previous false teaching."

91006

Christ, whose birth we celebrate this week, must weep when He observes His alleged followers taking such a "pledge", that, as does the Talmud, perverts the truth. Note those 1,867 ministers admit previous "false" teaching; that the small letter "h" is used. Observe twisting of fact that "Gentiles heard Him gladly", into lie that the Jewish people did. They did not then, nor have they since in 1900 years. Proof of power behind this anti-Christ campaign seen in full page ad: "SMASH ANTI-SEMITISM" in 11-16-43 CHICAGO SUN, the Nudal newspaper trying to nullify truths in THE CHICAGO TRIBUNE. Ad lists part of 1,951 Ministers pledged as above. Dr. J.W. Pressly of Omaha is 1 signer!

Who is this outfit that scoured the nation for such signers? Chmn of Textbook Com. and editor of its expensively gotten up mouthpiece, THE PROTESTANT (published every 2 mos.), is a radical by name, Kenneth Leslie. Associated with him is Austrian-born Jew Joe Brainin, editor of Seven Arts Feature Syndicate, supplying Anglo-Jewish press with editorial matter, and chmn of Am. Jewish Press Assn. This explains several mysteries, for this Brainin is also associate of Kahn, editor of NEW CURRENTS. Thus the supposedly Christian magazine THE PROTESTANT and the strictly leftist Jewish magazine NEW CURRENTS carry same kind of articles, featuring same writers.

Akin to the 1,951 Ministers' "pledge" - to crucify Christ again, for that's what their action means - is the Communist-sponsored "Open Letter to the American People". Signed by 1,000 ministers, rabbis, professors, politicians, writers, etc., many of them in high places, that letter pressures public and Congress, containing these statements: "... the Christian faith or racial freedom or democratic institutions, depends on a military victory and enduring peace which can only be obtained through collaboration with Soviet Russia.... The American people have confidence in our Commander-in-Chief, President Roosevelt.... We appeal to the American people to be vigilant in identifying these elements (isolationists, Christian Front, Hearst and McCormick-Patterson press), in exposing them, combating them, depriving them of influence and power..."

No wonder you find in Methodist CLASSMATE (Oct. 24, '43), youth and adult weekly of The Methodist Publishing House, not only ballyhoo for the Talmudic "Union" - the Natl. Conf. of Christians & Jews, whose activities reported constantly in Jewish and Communist press - but an article "Learning from Russia". It praises the "amazing experiment of the U.S.S.R.", glossing over the "liquidation" of the Kulaks, not mentioning that referred to starving, butchering to death 50,000,000, mostly Christians the past 25 years. It climaxes: "... It seems clear that Russia has achieved a new thing under the sun, a social system which on the credit side appears to have abolished poverty, unemployment, competition for profits, illiterary, and prostitution, an extraordinary feat in a quarter of a century. If that can be accomplished over the vast area of Russia, including, as it does, many different races, is it beyond human ability to construct the union of Europe or even of the world, learning by the Russian mistakes and avoiding their cruelties? What finer task for Christians than to work for such a world plan?" Words fail me!!! Christ said - you are either for Me or against Me!

Communist Jew Albert Einstein is reported to give "key" to all foregoing: "Why is it possible that a minority can subject the mass of the people to its own lusts - people who have only to suffer and to lose by war? The answer appears to be that the minority has the schools, the press, and most of all, the religious organizations in its hands. By these means it rules and controls the feelings of the great masses, and makes of them its involuntary tools." Read that again and again!!!

Now, associated with above Leslie and Brainin, in this campaign to "smash anti-

"Semitism" out of India, out of the Bible, textbooks, stories, etc., and at same time put the "heat" on Congress, you find another Winchell-allyhoood writer - Pierre van Paassen, said to be Holland-born Jew, but poses as a Christian. His latest book "THE FORGOTTEN ALLY" places this Zionist leader - in his ego, on p.317, he admits:

"... And as to the allegation about trying to please Herr Hitler, I can only say that the Frankfurter Zeitung of January 15, 1943, named me second, after Winston Churchill himself, along with ten other men and women as being chiefly responsible for bringing America into the war on Britain's side. When some seek to daub existing vices with virtue and charge that denunciation of evil amounts to creating disunity, I answer that I will not be deterred from repeating what Churchill, Atlee, Morrison, and Lloyd George once called the 'immoral,' 'illegal,' 'unjustified,' 'cowardly,' 'contrary-to-Britain's-interests' action of the Colonial Office and of the appeasement government of Chamberlain in tricking Parliament into passing the White Paper of 1939, which, if it is now fully enforced, dooms vast numbers of Jewish human beings to nameless suffering and a great people to continued bitter exile, besides branding the fair British name with the odium of betrayal..." I.e., patriotic Englishmen are "traitors" and "anti-Semites".

Erika Mann, another foreign-born propagandist (who before this war desired to see American mothers' sons shed their blood overseas so she could get revenge on Hitler), was at Omaha's Jewish Community Center 12-16-43, where she discussed Palestine, insisting too that Britain must, under its mandate, allow Jews to enter Palestine despite the White Paper which bars them after Mch '44. This all part of "pressure" campaign expecting Congress, FDR, and State Dept. to force Britain to yield to Organized Jewry's demands. This Mann family (at least 2 are Communists, and Mrs. said to be a Jewess) all seem to be in USA, with Thomas Mann, "fake Christian" head of household, one of the 1,100 signers of the Communist "Open Letter" discussed on p.3 herein. He is also on Natl. Committee of Friends of Democracy, Inc. - see p.2 herein.

None of these Palestine-for-Jews propagandists tell why it is a "must" program for the Allied Nations, right now when we have a world war on our hands. They put out the "sob stuff" about a homeland for the Jews. That's mere smokescreen. Back in June 1940 JEWISH FORUM you find the real reason. It estimates mineral wealth, in petroleum alone in the Dead Sea area, to be worth \$1,200 BILLION - about 4 times total wealth of USA! You hear considerable today about how our petroleum deposits are being robbed, to the point, that we, a nation more dependent on petroleum than any other nation in the world, have only a few years more supply underground! Need I blue-print this any further?

Also, if you read van Paassen's book, then re-read "THE NEW WORLD ORDER MAP" expose of the Gomberg Map, which plots the way the world is to be divided up after this war. Van Paassen plots it out pretty much the same way, and starting on p.330 he tells of a "confidential memorandum drawn up by a liberal British statesman and circulated privately among leaders of the inner cabinets of the Empire and the great self-governing Dominions of Canada, New Zealand, Australia, and South Africa. The document is a guide to the future imperial world policy of the Empire. A copy of it came into my hands, not quite by accident, in May, 1943....."

Since the "inner cabinet" in USA is pretty much Jewish, I believe you'll find the same thing in the British Empire. How else could Organized Jewry's tool, a mere writer van Paassen, ever obtain that "secret" memorandum for this book (finished Aug. 28, '43)? Particularly when making it public, serves as a "pressure medium" upon USA and Britain to give Palestine to the Jews now, or suffer the penalty of having the Orient turn upon the White Race! Yes, while van Paassen doesn't tell all the truth about Palestine, yet to anyone who has read AID! for a few years, his book is extremely enlightening. It verifies and gives substance to the warnings we have made the past six years!

The conceit of van Paassen - going thru the motions of "advising" USA and Britain what they must do - or else! Bait for giving up India (as well as Palestine), is that Britain can have all of Africa, with its unlimited unexploited wealth. That Palestine is to be the laboratory of the world (with world dependent upon it). That synthetic products from minerals and vegetation will revolutionize the world, with Palestine as its headquarters. He even mentions the rebuilding of Solomon's Temple at Jerusalem, the new Capitol of the World. To whom is the bait of the Presidency of the World being offered, in order to hasten the setting up of this "Anti-Christ" Kingdom? If Congress acts, USA need not go the full route into Talmudic Slavery. WATCH, WORK, and PRAY!!!

The indictment returned by the special Grand Jury on January 3, 1944, sets forth that in 1933 the National Socialist German Workers Party, also known as the Nazi Party, came into power in Germany upon a program announced by its leaders to destroy democracy throughout the world and establish

fascist forms of government in place of the forms of government then existing in the United States and other countries. As a means of accomplishing their objective the Nazi Party carried on a campaign of propaganda designed and intended to impair and undermine the loyalty and morale of the military and naval forces of the United States and other countries; The persons listed above joined in this movement and program and actively cooperated with each other and with the leaders of the Nazi Party to accomplish the objectives of said Nazi Party in the United States.

The 30 persons above-listed in violation of Section 11, Title 18, U. S. Code, unlawfully, wilfully, feloniously and knowingly conspired with each other and officials of the German Reich to commit acts prohibited by Section 9, Title 18, U. S. Code in that they, with intent to interfere with, impair and influence the loyalty, morale and discipline of the military and naval forces of the United States

1. Advised, counseled and caused insubordination, disloyalty, mutiny and refusal of duty by members of the military and naval forces of the United States; and
2. Distributed and caused to be distributed written and printed matter, advising, counseling, and urging insubordination, disloyalty, mutiny and refusal of duty by members of the military and naval forces of the United States.

The indictment goes on to point out that the defendants, in carrying out the conspiracy printed, published and distributed many magazines, books, leaflets, circulars, etc., and also organized, supported, used and controlled a number of organizations, and further that through the publications and organizations they disseminated oral, written and printed statements charging among other things, that democracy was decadent and that a National Socialist Fascist form of government should be established in the United States.

The indictment lists many other charges disseminated by the 30 defendants and which charges are aimed at the leaders of the United States and the democratic system and are designed to undermine the loyalty and morale of the armed forces.

Two copies of the indictment which were furnished to the Washington Field Division by the Bureau are being made a part of the Washington Field Office file in the case entitled "U.S. VS. GERALD B. WINROD, with aliases, et al, SEDITION."

1. [REDACTED]

On January 17, 1944, Attorney JOHN REDDAN, Special Assistant to the Attorney General, Department of Justice, Washington, D. C., advised that the special Grand Jury which returned the indictment against the 30 persons on January 3, 1944, was still in session, and that additional testimony was being given. However, he did not expect any additional subjects to be added to the 30 already indicted. He advised that as a matter of convenience for the defendants and also as a matter of economy, the defendants were to be arraigned just before the trial. He anticipated that all would plead not guilty. He further stated that unless a number of unforeseen things happen the trial should commence about March 1, 1944.

Dear [REDACTED]

Your letter of March 13, 1944, with enclosures has been received. You may be sure that this material will receive appropriate attention.

I thought you might like to know that the FBI did not make a recommendation concerning the evacuation of Japanese from the West Coast for such matters are not within our jurisdiction.

With reference to the other questions contained in your letter, it is suggested you might wish to communicate with the War Relocation Authority, United States Department of Interior, Barr Building, 910 Seventeenth Street, N. W., Washington, D. C. The other data you mentioned is not available for distribution by the FBI, and I am returning the six cents in postage which you so thoughtfully enclosed.

Sincerely yours,

John Edgar Hoover  
Director

Enclosure

The enclosures appear to be material distributed by Charles B. Hudson, Bureau File 61-7474, who is one of the 30 individuals indicted for sedition by the District of Columbia Jury.

Cameron, Mo.  
March 13, 1944.

My Dear Mr. Hoover:

Several months ago I received this jumble of words that I am sending on to you. I am sure you know all important facts concerning this fellow, but I cannot understand why I was selected to receive this choice bit of important information. Unless it is because I am listed as a Republican voter and highly critical of the New Deal, but this fellow seems to be like Calvin Coolidge's preacher was about sin, he seems to be agin every body and every thing.

At the present time, I am preparing a club paper for the ~~Federatio~~ of Clubwomen on the subject "Know Your Enemies." I understand you had asked permission to move the Japs from our west coast long before it was done. Public opinion here in the mid-west seems to be quite certain all Japs are fine creatures and that they were mis-treated, in fact our Government was cruel in moving them.

And I cannot understand why Jap students are allowed to attend our mid-western colleges, while my boys and thousands of other boys, were yanked out of school regardless of the type of careers they were preparing themselves for, to become cannon fodder. And I do not believe our country can continue foolish practices of this kind and long endure, so I have started a one woman crusade to bring this matter before the public at every opportunity. Do you know by what arrangement the Jap students are attending our colleges, rather than serving in our army or being made to do some useful work related to the war effort? And do you have any material that you care to send me that will picture the Jap in his true color, any justification for being stern with both the Japs and the German?

You have sent me valuable information for club paper in the past and I am deeply grateful, and shall be grateful for any help you can give me on this.

Very truly yours.

Set forth below is the content of a memorandum recently received from  
Mr. C. John Rogge, Special Assistant to the Attorney General;

"The report of Special Agent [REDACTED] of April 11, 1942, at b7C  
Omaha, Nebraska, captioned 'Charles R. Hudson' states that a Con-  
fidential Informant by the name of [REDACTED] had advised him that in May, b7C, b7D  
1941, Charles R. Hudson had furnished him with a copy of the 'Free  
American' dated May 15, 1941, and also with copies of the newspaper  
'Publicity' published in Wichita, Kansas, together with 'America in  
Danger'. Hudson stated that he had exchanged literature with different  
publishing companies such as the publishing company of the 'Free  
American' which is the organ of the German American Bund.

"In a memorandum under date of November 13, 1943, we are advised  
that [REDACTED] has been interviewed and has stated that he does not wish  
to testify because he is afraid that such action might jeopardize his  
present employment.

"I wish you would again interview [REDACTED] and find out whether he  
knows any additional facts concerning the relationship of the defendant  
Hudson to any of the other defendants, and whether, as a result of an  
interview, [REDACTED] can be quieted as to his apprehensions about testifying."

It is desired that [REDACTED] who is [REDACTED]  
Omaha, Nebraska, be reinterviewed along the lines requested by Mr. Rogge. It is  
noted from a review of the Bureau's file in this matter that your Office by a  
letter dated October 28, 1943, advised that [REDACTED] had declined to testify in this  
matter for fear he might jeopardize his present employment.

Inasmuch as this case is scheduled to commence on April 17, 1944, the  
above requested interview should be handled immediately.

SEDITION

Set forth below is the content of a memorandum recently received from Mr. O. John Rogge, Special Assistant to the Attorney General:

b7C

"A report of Special Agent [REDACTED] made at Omaha on May 9, 1942, on Elizabeth Eloise Dilling, refers at page 5 to a letter dated July 20, 1941, from the Des Moines Field Division to the Bureau, setting out [REDACTED]

I am advised that [REDACTED] is now with [REDACTED]. I should like to have an agent interview [REDACTED] and get his full story as to [REDACTED] anything else he knows about Hudson and Dilling and any of the other defendants."

From an examination of the Bureau's files in this matter it is noted that [REDACTED] was interviewed on October 29, 1943, by an Agent of your Office relative to his appearing as a witness in this case and he advised that he expected to be out of the United States for from six to nine months and therefore would not be available to testify. Information in this connection is set forth in the report of Special Agent [REDACTED] dated November 8, 1943, at New York, New York, and captioned "United States vs. Gerald B. Winrod, et al; Charles B. Hudson, Defendant; Sedition." However, in view of the above memorandum from Mr. Rogge, it is desired that [REDACTED] be recontacted in order to definitely determine whether [REDACTED] is in the United States at the present time. In the event he is located, he should be interviewed along the lines requested by Mr. Rogge. For your assistance in this connection there is enclosed herewith a copy of the letter dated July 20, 1941, from the Des Moines Office, as well as copies of typewritten statements setting forth the results of [REDACTED]. This material should be thoroughly reviewed before [REDACTED] is contacted in order that the interviewing Agent may be in a position to refresh his memory as to the data he received from Hudson. The report of Special Agent [REDACTED] dated May 9, 1942, at Omaha, Nebraska, is not being forwarded to you inasmuch as it is not believed to contain additional information of pertinence to this particular matter.

In the event [REDACTED] is determined that [REDACTED] is not in the United States you should, if possible, ascertain when he is scheduled to return.

He was informed that the Department of Justice desired to know whether he would be willing to testify in the event the Department should feel it necessary to issue a subpoena to him in the coming Sedition trial. He stated that his wife did not want him to become involved in any publicity at all and that he could only go to Washington for the purpose of testifying in this case in the event that no publicity concerning him would result. RECORDED

UNITED STATES vs. [REDACTED] et al;  
CHARLES B. HUDSON, Defendant  
Sedition

The Criminal Division of the Department has recently addressed the following memorandum to the Bureau relative to the above entitled matter:

"I am in receipt of a letter under date of April 3, 1944, from [REDACTED] of Omaha, Nebraska, in which he states that [REDACTED] and [REDACTED] kept a file on Hudson's America in Danger which ran from some time in 1937 through April, 1942. This file was turned over to F.B.I. Agent Abbott on April 22, 1942."

"We have some of this material in our files, but we do not have all of it. We should like to have the balance of this material obtained from the F.B.I. Field Office in Omaha, Nebraska, and transmitted to us."

It is noted, of course, that you have from time to time forwarded copies of various issues of Hudson's "America in Danger" to the Bureau and copies of practically all of the issues thus forwarded have been furnished to the Criminal Division. As a matter of fact it would appear that the Criminal Division is already in receipt of some of the publications made available by [REDACTED] and [REDACTED]. However, the Criminal Division is now desirous of securing the balance of this material, that is, publications, et cetera, received from [REDACTED] and [REDACTED]. Accordingly, you should immediately examine your file for the Hudson case and transmit forthwith any publications or other materials pertinent to Hudson which have been furnished by [REDACTED] or [REDACTED]. Inasmuch as the trial of this matter commences at Washington, D. C., on April 17, 1944, it is absolutely imperative that this request be complied with at once.

For your assistance in this regard it is noted that on page seven of the summary report submitted in the Hudson case at Omaha on July 27, 1943, by Special Agent [REDACTED] a statement is set forth to the effect that a number of copies of various issues of "America in Danger" (apparently furnished by [REDACTED]) were being retained in the files of the Omaha Field Division inasmuch as at that particular time the Criminal Division had signified that it was not interested in receiving copies of further publications issued by Hudson. As a matter of emphasis it is again stated that at this particular time the Criminal Division is interested in securing only copies of publications and material furnished by [REDACTED] and [REDACTED] and it is not interested in receiving copies of Hudson's publications which may have been received by you from various and random sources.

Detroit, Michigan  
May 12, 1944.

A few weeks before the present sedition trials one of the defendants, Chas. Hudson, spoke to nationalistic groups in several cities, including Cleveland, O.

He made the charge that in nearly a score of American cities the Federal Housing projects had been set up at strategic points, commanding highways and approaches, with adequate room to garrison soldiery; that the New Deal intended in case of defeat in 1944 elections to seize power and use these projects as one of their starting points in intimidating the citizens.

INSPECTOR STEIN:

On January 12, 1945 you directed a letter to Washington Field Office inquiring as to the status of the Sedition Case in Washington, D.C., having noted that mistrial had been declared upon the death of the presiding Judge. No reply has been received. It is suggested that you follow up your letter. Consideration should also be given to having Washington Field declared the Office of Origin since it is also the Office of Prosecution. Of course a change of origin must be based upon Bureau approval.

Your suggestions in this matter will be followed.

DETAILS:

AT WASHINGTON, D. C.

This report is being prepared to reflect the present status of the prosecutive action against thirty individuals for having violated Section 11, Title 18, United States Code.

Inasmuch as all thirty defendants were charged and jointly tried as conspirators, only one report is being prepared to reflect the present prosecutive status against all of the thirty defendants.

Sufficient copies are being prepared in order that the Bureau will be provided with five copies of the report for its file entitled, "UNITED STATES versus [REDACTED] with aliases, Et Al, [REDACTED] Defendant, SEDITION (Bureau File 61-7850)", and also in order that the Bureau may place one copy in the individual case file on each of the thirty defendants hereinafter listed. Each of these latter reports will contain the name of the particular defendant in the title of the report. This same procedure is being followed in the case files in the Washington Field Division. Two copies of this report containing the name of the individual defendant in the title are being transmitted to the office of origin.

Docket No. 75086, Criminal Division, United States District Court for the District of Columbia, reflects that on January 3, 1944, the following persons were indicted by a Special Grand Jury in the District of Columbia, for violating Section 11, Title 18, United States Code:

1. [REDACTED]  
2. GEORGE E. DEATHERAGE

Prior to the beginning of the trial, the defendants were arraigned on April 17, 1944, and a plea of not guilty was entered in their behalf.

On April 20, 1944, the empaneling of the jury began, which was completed on May 16, 1944, at which time the jury was sworn in and thereafter a joint trial of all thirty defendants started in the United States District Court for the District of Columbia.

On May 4, 1944, defendant EIMER J. GARNER died, whereupon a certificate of death was filed with the Court on May 10, 1944, and the case against EIMER J. GARNER abated. A disposition sheet is being submitted to the Bureau as an enclosure in the report entitled, "UNITED STATES vs. [REDACTED] with aliases, Et Al, EIMER J. GARNER, Defendant, SEDITION".

On July 13, 1944, on the oral motion of the Government Attorney, the Court granted a severance to defendant [REDACTED] with the consent of [REDACTED] counsel. The Court explained that this severance was granted on the grounds that [REDACTED] impaired hearing would interfere with his obtaining a fair and impartial trial.

Also, on July 13, 1944, on the oral motion of the Government Attorney, the Court granted a severance to defendant [REDACTED]. [REDACTED] attorney objected to the severance, but was over-ruled by the Court. The Court explained that the severance was granted to [REDACTED] on the grounds that his conduct in the courtroom was obstructive and obstreperous.

On July 14, 1944, on the oral motion of the Government Attorney, the Court granted a severance to defendant JAMES TRUE. TRUE'S attorney objected to the severance, but was over-ruled by the Court. The Court explained that the severance was granted to TRUE on the grounds that his prolonged ill health would interfere with the progress of the trial.

The trial of the remaining twenty-six defendants continued until November 30, 1944, when Chief Justice EDWARD C. EIGHER, of the United States District Court for the District of Columbia, who was the presiding Justice at instant trial, suddenly died. Therefore, on December 7, 1944, a mistrial was declared and the jury was dismissed.

Through the course of instant trial, numerous motions, petitions and pleas were entered by all defendants, none of which are being set forth in detail, inasmuch as they are of no apparent value in this case.

# AMERICA IN DANGER!

Christ or Chaos!

No. 344.

Charles B. Jett Hudson, 4515 Grant St., Omaha 3, Nebr.  
8 issues for \$1. mailed firstclass.

4/21/45.

"Pray for me," Pres. Harry S. Truman asks his friends. All Christian Americans so doing, for USA today in about same crisis as confronted Abe Lincoln. Jewry brags they practically made Lincoln; and history tells part Red Jew Sidney Hillman and his revolutionaries played in making Truman Vice-Pres. Lincoln soon awakened to the plot and partly thwarted it by placing strong Americans around him. He refused to play the "international financiers" game. Instead, issued "Greenbacks" to partially finance the war; and warned that a greater danger existed behind his back than the Confederates at the front; and that it must be dealt with after the war. He never lived to free us from bondage of "international finance." So - the real fruits for which Civil War was fought, were denied the American people.

We can all be sorry over plight of Pres. Roosevelt, alone, away from members of family, with not even his personal physician present - going to meet the Great Judge. Only that mysterious Russian-born painter, Mme. Eliz. Schoumatoff, present, who skipped out before reporters could question. FDR died of blood clot on brain at Warm Springs, Ga. 3:35 pm, 4/12/45; Mr. Truman became Pres. 7:09 pm. We can all pray that the new Pres. will live up to his name - that he will prove to be the "true man" of the hour; that he will emulate Lincoln, and live to complete the emancipation Abe began.

Terrific pressures upon Truman. How he reacts to 3 discussed herein decides fate of our Republic. Not only your prayers, but strong urgings should be made to Congress. For Congress is where the power to decide our future should reside. Be sure that the domestic and foreign enemies of our once Christian Constitutional Representative Republic know that everything is at stake - NOW! They are making the supreme effort. What are you doing? If you are opposed to slavery, thru a World Organization, being imposed upon you and yours, you'd better tell your Congressman! Official Communist Sunday THE WORKER 4/15/45 reports that "only 3% of the thousands of persons writing letters to the State Dept on Dumbarton Oaks proposals are against it..." Think that thru --- then ACT!

One test of Truman's reaction to pressure by those who may claim they made him will be his handling of Justice Dept. CIO Pres. Philip Murray has written strong letter to Atty Genl Francis Biddle, demanding immediate retrial of the "26 traitors whose original trial was halted thru the death of Federal Judge Eicher." CIO has urged all its affiliates to bring like pressure. Jewish press April 13 & 20 ran stories - some on front pages - based on N.Y. Herald Tribune 4/3/45 feature story (see AID #343), which object to Mrs. Dilling's and my bulletins, and attribute Justice Dept delay in staging retrial to difficulty in getting a Judge to preside.

One phase of that "pressure" seen in JEWISH PRESS 4/20/45 front page Jewish Telegraphic Agency dispatch from Washington: "TRUMAN FOE OF ANTI-SEMITISM, DEFENDED JEWS", claiming: "... In Oct. 1943, he voluntarily appeared at the St. Louis B'NAI B'RITH Centennial Meeting and denounced slurs which had been made on the Jewish part of the war effort. During his term as Grand Master of the Masons in Missouri, Truman appointed a rabbi as lodge chaplain.... On March 17, 1945,... he said: 'Bigotry and intolerance are the munitions of our enemies. Evil doctrines of discrimination frequently imported from gangster nations plague certain areas in America. Racial and religious intolerance is being preached here by agents of our enemies as well as by innocent victims of their propaganda.'...."

Real Americans close to Truman would do well to advise him to start his house-cleaning in Justice Dept. Not only stop said retrial of those guilty only of being "anti-Jewish, anti-Russian and anti-Roosevelt" (i.e., thus actually "pro-Christian, pro-American and pro-Constitution, which Truman has taken solemn oath on Bible to uphold), but also have all 3 indictments dismissed. Anyone reading Jewish & Communist press knows that the dangerous "bigotry and intolerance... imported from gangster nations" is Talmudic. And, that every true Christian is obligated to expose and protest Satanic machinations no matter whether they show up in religion, education, business, labor, professions, politics or Govt. Price of real "Liberty" is always "Eternal Vigilance"! Law-abiding Christians deserve protection of, and not persecution by, the administrators of a Govt of Laws (not of men). For, with the disappearance of freedom to oppose evil, then evil, and not God, reigns.

Truman, both a farmer and a Vet, should be warned that much of the program of our real enemies has already been carried out. A CIO-NewDeal mouthpiece, Jay Franklin (real name said to be Franklin Carter?), allegedly wrote a book "WHAT WE ARE ABOUT TO RECEIVE", copyrighted in 1932. He predicted that a leader would "rouse the people against the farmer and crush him as an obstacle to the national welfare," advancing the idea that it was good politics to appear to be helping the farmer, with the real end in view of destroying him. He praised Russia for discovering that the farmer "is simply so much mud on the paths of progress and must be swept aside if society is to advance."

He became an official of the Resettlement Administration of Dept of Agriculture! Part of plan is to "move" 20% of the farmers to cities whether they like it or not! Suggest Truman read to find out what Franklin (and his co-conspirators) had planned for the Vets. Who can deny that his attitude and program towards farmers has not been carried out since 1932?

Discussion of "pressure" campaign on Vets follows; and what Truman and Congress do about it will determine future of our Republic. First, must remind that apparently only one knows much of what happened between the Big Three at their secret sessions - Harry Hopkins, the Rasputin of the NewDeal. Who can trust Harry the Hop? Too bad that the American Major Genl Edwin M. Watson, FDR's secretary and military aide, died 2/20/45 returning from Yalta.

Is recent treatment accorded the ex-soldier Hugh Callan a sign? Sentenced 20 years (cut to 10 by FDR) for allegedly saying in presence of "inductees" that the President was "a dirty politician whose only interest is gaining power as a politician and safeguarding the wealth of Jews," and similar remarks. So far we haven't heard Winchell attack War Dept, like he did in case of Socialist Weber (who refused to obey orders in the Army, which certainly is more of a crime than Callan's remarks). Regardless of Winchell's or any other "pressure" - fact remains Weber's life imprisonment was cut down to a few mos. Wonder if the subversive Amm. Civil Liberties Union, which never went to bat for the poor Christians on trial at Washington, will actually do anything for ex-soldier Callan? Personally, I would not have accepted their aid.

As part of the problems confronting Truman in re the Vets overseas and at home, and the campaign to push us into a World Organization at San Francisco, he must realize we have already been forced into a precarious situation in the countries we are "liberating." THE PATRIOT (London) 3/22/45, with large circulation among British armed forces, warns: "... The Hungarians, Rumanians and Bulgars, who, owing to British weakness in 1939-41, were forced to be satellites of Germany, were eliminated from the war by Allied bombing. They give way to Soviet domination... Some weeks ago there was a Slovakian town, Presov, a few miles behind the front line. The Russians could have destroyed this town, but they did not. In Presov there is not a single factory destroyed by American bombers... Three weeks ago Prague was bombed by the Americans. This city is much more than a city - it is Czech history. In 1938, under Mr. Benes, the Czechs capitulated before Germany under the threat that in war against Germany Prague would be destroyed. Unfortunately, American bombers smashed the historical centre of the city. Nove Ceskoslovensko, the paper of Czech Communists in London, was quite satisfied with this bombing, and there is some reason for their attitude. They know very well that Soviet Russia does not bomb any town in Central Europe. This work is reserved for the Western Christian Powers. It is the best way of convincing the people that there is no salvation for them outside the Soviets..."

We were most hated nation after WorldWarI. Where will we be after WorldWarII? Europeans know that 5½ years of Nazi plane and robot bombing of 44,000,000 Britishers killed only 60,585 civilians. They compare that small loss with what they have suffered from Allied bombings. For us to place Jews over conquered cities (Wm. Bullitt, Gov. of BadenBaden, Germany; Jew Chief of Police in Cologne; Isadore Lubin, USA representative on Moscow Reparations Commission; etc.) makes no friends for us, as witness the increased anti-Semitism complained of in Jewish press. We are doing almost everything (by Lend-Lease, bombing tactics, and mishandling of UNRRA by Intl. Banker Jew Lehman, and above) to force starving remnants of Europeans to accept USSR domination. What good can come to our Vets overseas or at home if we enforce an Intl. Bank, a Gold Standard (when they have none in conquered countries), a World Police, etc., whether we label it "Brotherhood of Man" or any other high-sounding name? Dumbarton Hoax? God save them and us!

And, in

regard to the Baltic States (Latvia, Lithuania and Estonia), another part of Europe, THE PATRIOT (London) 3/15/45 says that the Treaty between England & Russia, as long ago as 5/26/42, treated said Baltic States as if they were already a part of USSR. Proves the Atlantic Charter had been discarded 2½ years before FDR admitted there never had been one. Yet, propaganda seeking to push us into a World Organization still spouts ideals of that non-existent blue print for a New World Order.

Since regardless of whether we become a part of proposed New World Order, hatreds are being aroused against us, it is but wisdom to arm ourselves for eventuality of Lend-Lease being sent back to us as Japan is sending back to us - carrying death and destruction - what we sold them before Pearl Harbor. Can it be that Russia is not only not bombing Europeans to facilitate their "take over", but also so as not to destroy the war-making machinery of Central Europe? After Germany defeated, against whom will such munitions be turned? What is there to prevent the art of soundless robot bombs- construction and launching - being acquired by Russia? Don't forget for almost 10 years USSR has had many airplane bases in the Arctic Circle. Shooting bomber planes and robot bombs over North Pole to destroy our major cities (all in north half of USA) not impossible. Isn't it time to put up war equipment - such as, anti-aircraft guns - around our major war-production plants and cities? Should not civilians be trained to use them, subject to instant mobilization? Even if Dumbarton Hoax proposals are adopted, nothing therein to stop USSR from carrying out its avowed intent to "take us over." All such a "hoax" would do would be to lull us to sleep. That's why Reds are for it!

Since Communists brag about part they are playing in war, and since War Dept dropped ban of Reds in key positions, and since some are in propaganda depts, how significant is alleged 3/24/45 War Dept release on "FASCISM"! Red Jew Geo. Selde's IN FACT (claims 500,000 readers - many in armed forces) 4/16/45 gloats over that release which it quotes almost in full. Net effect of these "official instruction sheets" is to prepare returning Vets' minds for mopping up on the "Fascists" when they get home! Since it is commonly reported that many Vets have expressed themselves as anxious to "clean up the Jews after they get thru with the Japs," the import of this alleged War Dept release to its 175,000 orientation and education officers is to sick the Vets onto Christian patriots instead.

IN FACT says that the War Dept is telling those "officers of the armed services to hold discussion groups, prepare lectures, and help prepare the minds of our 10,000,000 now in the services to combat native fascism at home when they return to civil life." Pointing out to Vets who to look for, when they hunt down such "native fascists," said release refers to as typical, the "30 Americans" who were indicted by a Federal Grand Jury and tried, with case ending in mistrial due to death of presiding judge. States: "The question of re-indictment is still under consideration."

This alleged War Dept release tells our returning Vets that almost anyone who says anything about the Jews - is a Fascist! Who exposes "brotherhood of man" - is a Fascist. Who opposes the Dumbarton Oaks proposals - is a Fascist! Who uses terms "Communist" or "Red" as a political device - is a Fascist!

There's a real problem on Truman's and Congress's laps! Is it a part of the war effort to use machinery of armed forces educational system, etc. to incite returning Vets to Civil War??? That is what the Reds want! Congress should assert its powers as representing the people at home and overseas -- and investigate! And, not stop there! But see to it that every member of armed forces receive an official printed repudiation of such release. That repudiation might further state that under our Constitution & Bill of Rights, every citizen has the inalienable right to express himself about Jews, Communists, religion, Dumbarton Oaks, or his Govt, or anything else. This alleged War Dept release is telling returning Vets to kick out of office all Congressmen who support the Constitution, which they are under sacred oath to do. YOU CAN TELL YOUR CONGRESSMEN TO ACT ON THIS - NOW!!!

A third test for Mr. Truman and the Congress - is - what is going to be done about Tyler Kent? Since British Govt has not only released Capt. Ramsay, who was supposed to have been involved with American Embassy decoding clerk Kent, but has permitted Ramsay's return to Parliament without any charges having been preferred against him, and with no trial, there is no good reason why American citizen Kent should remain in British prison.

- It is probable that the hold that Stalin apparently had on Churchill and FDR was the

knowledge of their alleged code cabling in 1939 prior to Britain's declaration of war on Germany, in which FDR allegedly promised Churchill aid in case of war?

To prevent even belated justice to Kent - let alone permitting Americans to find out the truth about persons and actions involved in this war - it appears that a bill was rushed thru the Senate providing for \$10,000 fine and 10 years imprisonment for unauthorized disclosure of information received via coded message. Sen. Homer Ferguson has asked Senate to reconsider it which prevents House action until Senate decides. Looks like this bill was aimed to prevent Tyler Kent disclosing truth about contents of code messages between Churchill and FDR; also to prevent such as finding out the truth about Pearl Harbor, etc. Write your Congressmen warning about that bill.

If Truman should permit Biddle to start retrial of the 26 so-called Seditiousists; if he does nothing about the alleged War Department release on "Fascism"; and should he sign such a bill as above, in my opinion, Christian Americans must be prepared for the worst. Truman has control of above 3 tests - which will prove to be signposts showing whether we are turning to the right (thus earning Divine intervention); or to the left, with its train of evil consequences. While it is important to resist the Dumbarton Oaks, Bretton Woods, etc. plans of the internationalist warmongers posing as peace-makers - much of that is already outside of Truman's control. He cannot be held equally responsible therein as he can on the 3 tests outlined above.

May God guide Pres. Truman. And, may he see quickly the Christian necessity of having "no fellowship with unbelievers" - such as unofficial advisor Bernard Baruch, Felix Frankfurter, Sam Rosenman, Sidney Hillman, and the whole tribe - including B'NAI B'RITH Intl. Pres. Henry Monsky, the Amn. Jewish Conference consultant to be at San Francisco Conf.

Of passing interest is fact that the Treas. Dept, Comr. of Internal Revenue, at Washington has ruled that notwithstanding radical organizations may receive donations which can be deducted by donors for income tax purposes, yet "the law makes no provision for the deduction for Federal income tax purposes of contributions made to facilitate the work of an individual where there is no form of organization whatever, regardless of the merits of the work carried on by that individual." (letter dated 4/12/45). Now Jew columnist Leonard Lyons 4/14/45 reports that "contributions of second-hand clothing to Henry Kaiser's Clothes Relief organization - the fair appraisal value - are deductible items on income tax returns." Yet gifts to help save our Republic not deductible!

Illustrating another perversion, not only did representatives of 25 Protestant denominations sign a resolution endorsing Dumbarton Oaks proposals last Nov. when Methodist Bishop G. Bromley Oxnam became Pres. of Federal Council of Churches (presuming to speak for 26,000,000 Protestants), thus paving way for San Francisco Conf. starting 4/23/45, but at the Conference itself even worse "pressure" tactics are in order. JEWISH PRESS 4/20/45 reports that a petition urging free entry of Jews into Palestine (irregardless of Arabs' rights there past 1,900 years), signed by prominent church leaders and public figures is to be presented to Australian delegates and to Prime Minister John Curtin. Wonder if he will give such petitioners the kind of brush-off that Ambassador Halifax did recently?

What is about zenith in "pressure" tactics, is spectacle of leading Methodist Bishop Francis J. McConnell (past Pres. of Federal Council of Churches, and affiliated with many subversive organizations) using his time, stationery, office and staff at Methodist Bldg., 150 Fifth Ave., New York 11, N.Y., to write letters appealing for funds for the Workers Defense League. As a once lifelong Methodist it hurts to see the prestige of that Church and its Bishops used to destroy our once Christian Constitutional Representative Republic! McConnell even takes time to write penned personal appeals at bottom of typed letters. It would take a whole bulletin to begin to give you picture of the anti-Christian personnel of that League and its devilish activities. Dies Com. files have a great deal on that League. Yet its activities meet with approval of THE B'NAI B'RITH MESSENGER and other Jewish newspapers. Latest to come to my attention, the WDL is appealing for money (McConnell doing so), to use to punish a Florida Sheriff who tried to put idle Negroes at work on farms to increase food supply necessary to war effort. WDL tried to get Florida Governor to punish. He refused, after investigation. WDL then got Justice Dept into it. Grand Jury failed to indict Sheriff. Now trying to get Justice Dept to pressure another Grand Jury. claiming it willing to do so. Ah me!

AID! #344 urged you to contact Congressmen - warning against 5 eventualities; (1) Dumbarton Oaks Plan; (2) retrial of 26 so-called Seditionists; (3) War Dept release "Fascism"; (4) bill prohibiting disclosing contents of coded messages; (5) Possibility USSR bombing USA cities. Congress knows USA pilots lost here in training much greater than in combat. Sabotage? Congress better stop idea of abandoning thousands of 4-engine bombers in Europe after war. Even if it costs something, better ship them back to USA so can't be used by USSR against us. May need them to defend our cities soon! USSR now in Berlin. Is it true we got there first, but had to withdraw to let USSR take Berlin? Was that fake "German surrender" 4/28/45 concocted to belittle our leadership before 46 United Nations delegates at San Francisco where Reds insult us and attempt to dominate the Conference? IN FACT 4/23/45 reports 1,000,000 German soldiers taken prisoners by USSR have been given intensive training to prepare them to run Germany. Such Red training plus destruction of their people and cities by our planes makes them itch to use our bombers against us!

Jew Congressman Sabath put that War Dept release on "Fascism" in Congr. Record 4/19. Climaxed his comments with: "Mr. Speaker, I only regret that the rules and regulations of the War Dept precluded the naming of outstanding American Fascists, such as the Duponts, the Pews, the Girdlers, the Weirs, (Genl) Van Horn Moseley, H.W. Prentiss, Jr., Merwin K. Hart, and others, including the 30 fascists charged with conspiracy and seditious activities and tried, but due to the untimely death of the trial judge, they are still at large." In view of my analysis in #344, Sabath favors Civil War in USA that Reds are promoting; and which said War Dept release facilitates! Largest-circulation-in-America JEWISH EXAMINER 4/27/45, whose Rabbi-editor in Oct. 1942 demanded "death sentence" for 3 of said "30 Fascists" (Mrs. Dilling, Edmondson, Hudson), thru passage of national legislation, pats Sabath on back for that insertion in CR.

Rabbi Alstat in same EXAMINER admits there were so many Jews in "secret employ of the Gestapo" in Europe, that it gave our State Dept "excuse for eyeing all German Jewish refugees with suspicion and denying to thousands of them the privilege of finding a haven here..." Yet, despite that State Dept fear, hundreds of thousands (some say "millions") of Jew refugees have come to USA! At least 2 such refugees, used by Justice Dept as witnesses against native Americans in the trial at Washington, admitted they had been accused of being Gestapo agents in USA! In view of savagery displayed in Russia, by Jewish OGPU, wherein torture carried to unmentionable extremes helped liquidate during past 25 years some 50,000,000 persons; and in view of Rabbi Alstat's admissions, can it be that the gruesome liquidations now attributed to the Gestapo were carried out by same kind of beasts?

If true, Christian Americans better beware - for, with 8,000,000 of our best manpower scattered all over world, and your cities denuded of same, the example in Chicago where 500 Jewish youth hurled stench bombs, broke windows, threatened Christians peaceably assembled in AForL hall, and spit upon them, requiring 150 policemen to defend - bodes no good for America. Now editor of Philadelphia JEWISH TIMES 4/20/45 commends: "... When some (CBH- Jewish youths) were questioned further by a representative of one of the organizations interested in fighting anti-Semitism he was told that they would take care of the so-and-so gentiles. They were going to organize their own gang to fight back. Is this a coming trend?"

This referred to 3 gentiles and 6 Jews meeting in a store, words exchanged, and fight between a gentile and a Jewish vet. Latter was knocked out, but when police came none of the Jews reported anything had happened. Phila. editor doesn't condemn Jews becoming gangsters! Now Rabbi-editor of 4/20/45 JEWISH EXAMINER threatens: "... A demand has been made on the law enforcing authorities of the borough that the culprits must be apprehended and punished (CBH- referring to alleged vandalism in synagogues)... If it is not done we will have to take the matter into our own hands and in self-defense apply primitive methods to the skulking savages who do their filthy work under cover of darkness and understand no other language than violence. We call for a speedy termination of this abominable business. We do not intend to let Brooklyn become another Boston - or Berlin."

What is to prevent Jewish gangsters (like those in Chicago above; in German Gestapo; in USSR's OGPU) doing damage to synagogues on purpose so as to create apparent justifica-

tion for retaliation - in which Christian Americans, who know much and have displayed too much courage, would be picked up dead in or near synagogues? Dead Americans would be unable to tell truth; and the ages-old "fear of the Jews" would bar any real investigation. Are the above Jewish editors tipping us off as to what to expect?

Congress should investigate what has happened to historically valuable documents, books, etc. in Library of Congress under administration by radical Archibald MacLeish - before he leaves. AID! #337 exposed how said Library refused Sen. Langer a copy of PROTOCOLS OF ZION, claiming no longer in files. Now it appears that a book giving background (not to his credit) of father of Prime Minister Churchill, has been replaced with later edition, which does not contain data appearing in original published before author's death. Just as Christ accused Jewry in His day of keeping truth from the people - Jewry having then and for hundreds of years, a monopoly on transcribing and keeping records in libraries; just so today we are seeing, under regimes headed by stooges of Jewry, the destroying of records that, throwing light on truth, would handicap Jewry in its plans for total enslavement of all peoples under a World Organization.

In line with "keeping truth from people", radio is abolishing the little even half-way preaching of truths Christ taught. Since so many delvers into prophecy, spread lie that Jews are "God's Chosen People"; and since there can be so many interpretations (particularly when premise is a lie) of Bible "prophecy" as to cause confusion, it appears more and more radio listeners are to be plagued by a flood of prophetic inconsistencies. Satan seduces by means of confusion. Thus creating "build-up" for appearance of World Ruler who will promise "peace and security" - after conferences fail.

Wherever possible Jewry uses proselyted gentiles whom Christ condemned as being "two-fold more the child of hell" than the Talmudic Jew is. Witness radio evangelist Chas. E. Fuller now broadcasting above type of "prophecy" from Los Angeles. He attempted to wield his influence on clergy at Philadelphia to break up a protest meeting. AID! #341 told you about 16 Christian broadcasters having their contracts cancelled by WPEN as of 4/2/45. Despite all kinds of efforts to prevent (such as Fuller's interference; newspaper conflicting items to discourage attendance; offering separate contracts; and other pressures), 14,500 Christians staged a protest meeting in Philadelphia's Convention Hall 3/15/45. In historic birthplace of our Constitution (based on Bible), the Anti-Christ is setting censorship precedents there - no doubt feeling out the temper of Christians. Was that Christian meeting prophetic of our eventual "turn to the Right?"

In line with "keeping truth from people", JEWISH TIMES of Philadelphia printed not a word about that Christian protest meeting, but its 4/20/45 issue hints at existence of militant Christians in our Liberty Bell city. Read with understanding: "SAYS FASCISTS USING PHILA. AS TESTING GROUND Scoring the hush-hush policies of Jewish and Gentile agencies that are set up to fight anti-Semitism, Ben Richardson in an article in the current edition of 'THE PROTESTANT' (CBH- gentile "front" pro-Jew, pro-Red outfit exposed in prior AID! - outfit that rounds up signatures of clergy on petitions to Congress and such as "pledge" signed by 1,951 clergy "to eliminate anti-Semitic statements in American textbooks", Sunday School literature, etc - i.e., keeping truth from people - see AID! #329) says that Philadelphia is being made the testing ground by the Fascists in their efforts to get a foothold in the USA. Specifically citing the Anmuth case which concerned the beating of a West Philadelphia business man by two policemen when he (Anmuth - Jew) booed Dewey at the 30th St. station on Sept. 7, 1944, Richardson writes that repeated attempts on the part of Anmuth's attorney, George Pressman, to secure assistance from Jewish defense organizations (CBH- like B'NAI B'RITH Anti-Defamation League?) failed... He cites other anti-Semitic incidents covered previously in TIME's stories as evidence that the Christian Fronters have shifted their focus from Boston to Philadelphia."

Now observe the pressure that Bishop Jas. P. DeWolfe (Long Island Episcopal Diocese of over 200 clergy) brot upon himself when he announced that his church should withdraw from the Federal Council of Churches unless it repudiated a pamphlet containing doctrinal statements on baptism and holy communion by John D. Rockefeller, Jr.; being distributed by said Federal Council. Jew-owned N.Y. TIMES 4/21/45 runs almost column headed "MINISTERS OPPOSED TO BISHOP'S STAND 16 Are Critical of DeWolfe's Call for Withdrawal From the Federal Council..." One of 16 is Wm. H. Melish of Holy Trinity, Brooklyn, who is feature writer for Communist leading weekly NEW MASSES! Wonder if the

good Bishop DeWolfe is aware that the President of Federal Council of Churches, Methodist Bishop G. Bromley Oxnam is also a feature writer for Communist press? DeWolfe should ask THE NATION ASSOCIATES at 20 Vesey St., New York 7, NY, for copy of speech Oxnam made 1/2/45 at Madison Square Garden. There Oxnam extolled Communists who illegally were recruited in USA, went to Spain in 1937 and participated in Red Army slaughter-torture of innocent men, women and children, even burning clergy alive! (Recall that leading weekly, THE AMERICAN HEBREW boasted then that 1/3 of 100,000 in Intl. Brigades fighting in Spain, were Jews from all over the world. Many now in USA & Mexico). Despite such facts, Oxnam uttered such blasphemies as these: "... I desire the severance of all diplomatic relations with Franco Spain because I want to keep my faith, in myself and what men are and in what we may be. The hands of democracy must be clean. I do not want the hand of democracy made foul by clasping the hand of fascism... I speak, not only as a citizen, but also as a churchman. No churchman can accept the fascist without repudiating the Christ..." Yet, further on in same speech Oxnam claims "Jesus believed in the uttermost worth of the down-most man... insisted all men are brothers..." Of course Oxnam lied when he says Christ "insisted all men are brothers"; but, his assuming that lie as truth, as he does, shatters his own logic.

In line with such fantastic logic, only natural to find Oxnam writing feature article in leading Communist monthly, April SOVIET RUSSIA TODAY. Under caption "A CHURCHMAN EVALUATES YALTA", Oxnam reiterates "the agreement reached at Yalta is 'applied idealism' of a high order." He makes much of "the Atlantic Charter is referred to specifically three times in the official statement of the Crimea Conference. It appears that the fundamental principles of the Atlantic Charter are to be regarded as a guide to the United Nations in the San Francisco Conference." Now Oxnam should know there never was an Atlantic Charter, yet he, like other anti-Christ propagandists, acts if there was one. It should be self-evident, even to an over-educated Bishop, that a conference basing its operations on a lie can get nowhere.

Bishop DeWolfe should take heart - he is trying to observe Christ's injunction that when you find yourself in collaboration with anti-Christ, you should come out from among them. Not all Methodists agree with anti-Christ activities of their New York Bishop - the present President of Federal Council of Churches. A dissenting group of Methodists who charge "modernism" (CBH- i.e., what Oxnam and Federal Council stand for) in the Methodist Church took the first step 4/24/45 at Atlanta, Ga. toward a permanent organization. 47 delegates were welcomed from So. Carolina and mid-south groups, and a spokesman said: "We are not willing to be a party to a group who dishonors God's word and uses church literature to call attention to what they term mistakes and discrepancies and who speak lightly of miracles."

9 years ago AID! was trying to awaken good Methodists to what was going on in its hierarchy; quoting from Methodist literature to prove what apparently some Methodists and Episcopalians are now just finding out. Thank God! that an awakening is taking place. Now, will Bishop DeWolfe and those Southern Methodists give proof of their clean break -- by coming out publicly, repudiating the endorsements of the anti-Christ San Francisco Conference?

51 clergy and religious leaders sent statement 4/22/45 to American delegation at San Francisco, declaring the Dumbarton Oaks Plan "is almost certain to prove a mere camouflage for the continuation of imperialistic policies and the exercise of arbitrary power by the Big Three for the domination of other nations." They miss mark - for the way that Conference is going, it is not the Big Three, but anti-Christ USSR that dominates! Being internationalistic-minded clergy the 51 think the evil tree can be made to bear good fruit if a little pruning or grafting-in is done. They should know Divine Laws Christ gave - that only a good tree can bear good fruit; that Christians must have no fellowship with unbelievers! Because we have been expecting the impossible, and break that latter law, the world is in an unholy mess.

Confirming said law, many readers will recall how we warned against and exposed the diseased Kagawa, who was ballyhooed as "greatest living Christian" and toured USA under auspices of Federal Council of Churches. We read his writings, heard his lecture here - all proving correctness of our exposes. Now TIME 4/16/45 reports Kagawa "is broadcasting anti-American propaganda over the Japanese Govt radio."

Nothing pictures more clear than design on litera-

ture of Natl. Conf. of Christians & Jews. During so-called "Brotherhood Week" last Febr., sponsored by said "holding company" of Federal Council of Churches and affiliated radical Catholic and Jewish outfits, and endorsed by FDR, Governors, Mayors, etc., their literature carried the Talmudic 6-pointed Star above the Christian Cross! That star was on a cogwheel transmitting its power thru another cogwheel labelled "Teamwork!" harnessed up to cogwheel emblazoned with the Cross! Significantly, the WATCH TOWER OVER TOMORROW movie is now being shown, which features Secy of State Stettinius in closeups trying to sell World Organization to Americans - shows United Nations delegates going thru immense doors of World Capitol - doors bearing 6-pointed stars! That "holding company" of Satan, the NCC&J puts out a 2-color magazine "CONFERENCE", recent issue of which devotes inside of front cover to pictures of Wendell L. Willkie and Alfred E. Smith, glorifying those two politicians as "TWO GREAT AMERICANS who were active members of the National Conference." Basil O'Connor, chmn of Red Cross, is likewise glorified as Co-Chmn of the National Conference's 1945 Financial Campaign - \$2,000,000. for its campaign against "intolerance and bigotry." Red ink bold letters on back cover urge you to: "Also MAKE A REQUEST TO THE NATIONAL CONFERENCE IN YOUR WILL."

Movies now showing a dramatization of "Springfield Plan" - a design to make an entire city a laboratory of human relations. That is result of NCC&J using Springfield, Mass. as an experimental laboratory. In Oct. 1939 the Supt. of Schools was used to put over a program that eventually embraced, not only schools, but newspapers, radio, public forums, film forums, non-partisan political meetings, Council of Social Agencies, School Placement Bureau, adult evening classes, etc. Even experimented on selected students - 1 to each teacher in elementary schools. All harnessed up to Talmudic 6-pointed star "wheel": - "In this fashion is Springfield waging 'total war' on intolerance, bigotry, and the foes of democracy."

Now NCC&J seeks various funds - one of \$36,000. for "Adaptation of 'The Springfield School Plan' to 300 church and synagogue parishes, for 3 years." Typical of propaganda in name of "total war on intolerance", the Asst. to President, Rev. Willard Johnson, devoted whole lecture before about 500 teachers, clergy, welfare workers, students, etc., gathered from about 8 States, to AID! and your editor. This advocate of "tolerance" warned them to go back home and see to it no one like Hudson should get a following. To impress them, he painted picture that Hudson controlled State Legislature and that it dare not appropriate money for teachers, etc., without Hudson's OK. That was summer of 1939! He also wrote me to effect that I was to be put out of business. Built his "bugaboo" presentation on a tissue of lies! As to his prophecy - well - we've had 3 Federal Grand Jury indictments, a trial of 7½ mos. in Washington, death threats, and been butt of a smear campaign over radio, in press, books, magazines, forums, etc., and await another trial --- for being, according to Jewish press --- anti-NewDeal, anti-Jew, anti-Russia. (i.e., it is a crime to be pro-Constitution, pro-Christian, and pro-America!)

Now Jewish leaders of NCC&J are demanding at San Francisco Conference that the United Nations "outlaw anti-Semitism as an instrument of national and international policy." USSR constantly held up as model to follow - where anti-Semitism is outlawed, punished in many cases - by death! Such "outlawing" past 25 years has resulted in "liquidation" of estimated 50,000,000 persons! JEWISH TIMES 4/20/45 of Philadelphia throws light on that practice: "... The Soviet handling of the Jews has, .. turned out to be the greatest success of the Russian Revolution... Jewish problems in Rumania, Bulgaria, Yugo-Slavia and Hungary are being solved more quickly and radically than in the West-European countries. Anti-Semitism and anti-Semites are being eradicated more thoroughly there than in France, Belgium and Holland. Jews in those East-European countries are also being re-instated more quickly into their old positions, particularly in the trades, professions and government work. The Universities and Schools are being purged of anti-Semitism and of anti-Semitic professors and the rights of the Jewish students are being rigorously enforced." Yet, same Jewish press complain about increasing anti-Semitism in Europe!

Since regular press admits Moscow is keeping us in dark as to what is actually going on in those East-European countries, the above is enlightening taken in conjunction with this Paris dispatch in THE JEWISH PRESS 4/27/45: "Rene Toupin, who translated German anti-Jewish literature into French during the German occupation, was sentenced to 5 years at hard labor for helping the Nazis disseminate anti-Jewish propaganda." All this is kind of "outlawing" Jewry demands!

Time is getting short in which to stem the trend "to the Left." Write Congressmen!

We have calls for the  
Tyler Kent we are reprint-  
ing it below. He remembered  
that Tyler Kent is the American  
Embassy official who was imprisoned  
in England because he reported code  
messages between President Roose-  
velt and Winston Churchill pledging  
America's aid in case England went  
to war. The following "appeal for  
fairness" was presented to the Dem-  
ocratic National Convention by Mrs.  
Kent, his mother:

**MY APPEAL FOR FAIRNESS  
— A PETITION —**

For Justice on Behalf of a Loyal  
American Against Whom Injustice  
Continues

by  
Mrs. Ann H. P. Kent

Citizen of the United States and  
Resident of Virginia.

Fellow American Delegates to the  
Democratic National Convention:  
Your party's reputation is at stake  
in the unjust detention of my son in  
England.

Your personal reputation as a fair-  
minded citizen and delegate is  
at stake.

Millions of indignant Americans  
have learned of this outrageous in-  
justice. You and your fellow dele-  
gates have the power to end it.

The case is without reasonable  
foundation in law. It is already a  
grave international scandal. It de-  
fies our national sovereignty and in-  
dependence. Every day that this  
wrong goes unchecked it dishonors  
our government and particularly the  
Democratic party.

I appeal to you for prompt action.  
Countless individuals and groups sup-  
port this appeal. We respectfully ask  
that you adopt a party resolution re-  
ferable to President Roosevelt for  
the immediate release of Tyler Kent.

Let me give you the main facts:

...Why the British Held My Son ...

All available information indicates  
that my son, Tyler Kent, was seized  
and imprisoned, not because he did  
anything criminal, but because of  
what he knew.

Details of this astounding British  
procedure are enough to make any  
decent American's blood boil. Here  
they are as I have gathered them  
from lawyers' reports, verified by  
dispatches and revelation in the Brit-  
ish House of Commons:

Tyler Kent was arrested by British  
authorities in May of 1940, when  
he was a clerk in the American Em-  
bassy in London.

Some months before, in 1939, he had worked at en-  
coding and decoding a number of  
messages between Winston Churchill  
and President Roosevelt.

The contents of these messages  
greatly alarmed my son. In his  
judgment they imperilled the future  
peace of our country. He was un-  
der oath as a foreign service man  
to guard the welfare of our nation as  
his first and unflinching loyalty. Re-  
member that America was not then  
at war. President Roosevelt had de-  
clared himself emphatically for peace  
and strict neutrality.

That was in 1939 when Churchill  
was not prime minister. My son was

startled at the strange, irregularity  
of a foreigner's having use of our  
country's confidential code. More  
startling still was the nature of the  
messages which Mr. Churchill, the  
British citizen, sought to conceal  
from his own government by using  
American code facilities.

The messages, it appears, dealt in-  
timately with Mr. Churchill's plans  
to bring America into the war as a  
matter of British policy. That was  
two years before Pearl Harbor. Nat-  
urally my son was alarmed. Dis-  
traught, it seems that he confided in  
a member of the House of Commons,  
a Captain Ramsay, one of Mr.  
Churchill's political foes. It appears  
that the contents of the 1939 secret  
cablegrams soon became important  
political gossip in London.

Tyler Kent's Secret and Illegal Trial

As soon as Winston Churchill had  
gained the Prime Ministry in May of  
1940 he ordered the seizure and im-  
prisonment without trial of hundreds  
of his more outspoken political critics  
including Captain Ramsay, Member  
of Parliament. From all that can be  
learned Captain Ramsay has never  
been officially charged with any of-  
fense or tried in any way, although  
still imprisoned along with numerous  
others.

My son, Tyler Kent, was ordered  
tried. Here the more outrageous fea-  
tures of the case begin to appear. My  
son was entitled to trial by an Amer-  
ican court alone by virtue of his Em-  
bassy position. By the laws of our  
country he was entitled to an open  
trial. He got neither an American  
trial, which would have required  
sending him back to this country, nor  
an open trial, wherein his offense  
if any, could be publicly weighed by  
the American people.

Why this strange procedure?

Who was it who did not want the  
American people to know what Tyler  
Kent knew? Who in our government  
was responsible for yielding to de-  
mands for a foreign trial which sac-  
rificed my son's American constitu-  
tional rights? Whose political aims  
required that my son be secretly and  
illegally stowed away and kept sil-  
enced?

What of our country's aims of  
unity and civil rights in this war,  
then? Are these not proper ques-  
tions? And are they not proper questions for you  
yourselves to ask where they seem  
warranted?

Remember that it was the Amer-  
ican code that my son was handling.  
So whatever he did regarding it was  
rightfully the concern of the Amer-  
ican government.

But in defiance of the legal rights  
evident in these facts, my son was  
delivered over to the British to be  
secretly sentenced to seven years' im-  
prisonment. He has been confined  
in England for more than four years.

Indignation Over This Injustice Is  
Now Widespread

The scandal of this case has broken  
openly in both England and America.  
Long an open secret in London, it  
became public news after recent con-  
troversies in the House of Commons.  
On June 19th of this year the issue  
was forced on our own Congress by  
dispatches from England.

Radio and newspaper accounts have

now acquainted millions of Amer-  
icans with the main facts. As indig-  
nation mounts, messages from every  
quarter assure me of hourly increas-  
ing support.

Malice And Slander Will Not Hide  
This Infamy

The evil elements accountable for  
this infamy against my son stop at  
nothing. They circulate vicious slan-  
ders in the hope of so blackening my  
son's name that people will think him  
undeserving of help or even simple  
justice.

I will not trouble to answer in de-  
tail these vile slurs. Suffice to say  
that they began to be heard when  
widespread support for my appeal for  
justice began to appear.

Even if true, the irrelevant slan-  
ders upon my son's character would  
not distract thinking Americans from  
certain gravely important questions.

What was Winston Churchill doing  
using the American code in 1939 to  
conceal what he said from his own  
people and his own government?  
What was he saying that so alarmed  
my son, a loyal American, that he  
felt driven to consult friends as to  
what to do about it?

The secret messages are stated to  
have arranged for America's entry  
into the war. Under our Constitution  
only Congress has authority to com-  
mit our country to war. What was  
Churchill doing?

My son was alarmed for the wel-  
fare of America. He did his best,  
fearlessly, to serve America. He had  
in his heart the same earnest hope  
for American peace, save as we be  
willfully attacked, that you, gentle-  
men, have eloquently expressed in  
your previous party convention.

When my son sought advice, —in  
alarm over the Churchill messages,  
President Roosevelt was emphatically  
repeating from time to time the  
declaration that our nation was to  
remain neutral. Thus my son was  
obeying his oath of office and the  
declared policy of our government as  
expressed publicly by our President.  
My son was obeying also the an-  
nounced aims of the Demo-  
cratic National Conventions of 1938  
and 1940.

What Earnest Americans Ask Now

The countless patriotic Americans  
who support me in this appeal ask  
that the Democratic National Con-  
vention of 1944, please, would  
help provide the American people of  
the full facts of this case.

We therefore urge that you adopt  
in this convention a resolution. First  
to end the injustice to my son, and  
second, to secure my  
son for testimony. As a loyal Amer-  
ican, fearlessly patriotic in 1939 and  
fearlessly so now, the full disclosure  
fully with all information that he  
possesses.

The American people are entitled  
to the full facts. To withhold them  
prompts rumors which may be dan-  
gering to our national morale at this  
time. To fail to seek the full facts  
in this case would seriously injure  
the name of the Democratic National  
Convention and Democratic Party.

May I earnestly urge Gentlemen,  
your immediate action upon this  
highly prominent matter?

Sincerely,  
Ann H. P. Kent

W.B. Tuttle, Moundsville, W. Va., sums up so well about as I understand, that I quote:  
"In Jan. 1932, the London International Bankers arranged with Dr. Schacht, President of the German Reichsbank and Mr. Thyssen, a German industrial baron, to finance Hitler into power. Russia was making inroads with Communism thru Europe and as Communism interferes with the International plans the big bankers wanted Hitler to destroy Russia.

"But there was one part of the plan which the big bankers concealed from Hitler and the German Industrialists and that was: that after a long, destructive war between Germany and Russia, both countries would be so exhausted that England and France would find it easy to quickly suppress what was left of Germany and Russia and then could recover their European markets, restore their balance of power and remove any future threat of Russian influence in Persia, Turkey or India.

"Six years later in 1938, after Germany had built up a large and modern navy, a mechanized army and a large air-force, and had taken Austria and Czecho-Slovakia; Prime Minister Chamberlain met Mr. Hitler in the now famous conference at Godesburg. At this conference Mr. Chamberlain plaintively reminded Mr. Hitler that he had been given the money (international banker money) to re-arm Germany, upon Mr. Hitler's definite promise that he would then attack Russia. Mr. Hitler replied evasively that he still needed more time for preparation; and that being the best answer Mr. Chamberlain could get, he made his sorrowful return to London. But at this conference Mr. Hitler had outsmarted Mr. Chamberlain, for the Prime Minister's words had all been taken down on a dictograph record and the record put aside for future use.

"Some months later when it was clear that Hitler was double-crossing the International Bankers who had financed him and was not going to attack Russia; English agents went to Moscow and for two months TRIED TO PERSUADE STALIN TO START A WAR AGAINST GERMANY. For that matter what did the International Bankers care whether Stalin or Hitler started the war, so long as they were at war.

"At the last moment when it seemed Stalin MIGHT sign up with Britain and France, Von Ribbentrop took his dictograph record and played it for Stalin-- the record in which Mr. Chamberlain had reminded Mr. Hitler that Germany had been re-armed for an attack on Russia. Von Ribbentrop then said to Stalin, 'Do you now see the plot whereby Russia and Germany were to destroy each other so that the International Bankers thru the armies of England and France could restore their balance of power in Europe? Stalin DID see; and startled the world by announcing an alliance with Germany.

"After Russia and Germany finally did get into war, it was Mr. Churchill who said: 'He hoped that Germany and Russia would annihilate each other.'

"The above are a series of historical events which were the direct cause of World War II. When Hitler and Stalin 'shook hands', Great Britain and France made war on Germany. When it got too hot for the English, they 'beat a hasty retreat', leaving France and the other countries of Europe to be destroyed by the German war machine Britain herself helped to build up. Then Uncle Sam 'horned into the war' to save civilization and incidentally the British Empire. It is a sad but true fact Great Britain mixed up in all of America's wars. The Revolutionary War and War of 1812 were fought against Britain. Britain furnished the war material for the South to fight the North in the Civil War. She profited from our wars with Mexico, and exploits the uncivilized natives of the islands we took from Spain in the Spanish-American War. She got all the countries we took over in the two World Wars, except those that are being seized by Russia. The only thing we got out of our Imperial Wars was great losses of money and men as is shown below: World War I: 41 billion, 765 million dollars. Loss of lives 250,000.

"World War II: 274 billion dollars and over one million lives. By the time the Japs are licked, we will have lost over one million 500 thousand. Let's be smart and dodge World War III. Save our boys and money to make our nation the best country on earth." (CBH- Mr. Tuttle evidently means "casualties" instead of "lives").

Now is appreciated why all the "heat" was poured on Chas. Lindbergh when he warned about Hitler's air force and war-machine. Why Senator Nye, whose committee had unearthed America's part in building Hitler's war-machine, had to be defeated in 1944 election. Senators Walter F. George and Vandenberg are only ones left in Congress who were on that Senate

Armaments Investigatio. Recall FDR's attempt to "front" for Internationalists behind San Francisco Treaty, and become a party to its birth as 1 of 8 signers representing USA? Could it be that he and Harold E. Stassen (another participant-signer widely ballyhooed as Presidential timber for 1948) were promised Republican Party leadership? As to E.R. Stettinius, Jr., see bottom p.4 herein. Sol Bloom, Jew "hoochy-koochy" proprietor of years ago, no doubt as participant-signer was there to help stage the show and serve as "leak" to Organized Jewry in re what went on in secret conferences. Cordell Hull, signer, too ill to attend. Virginia C. Gildersleeve, just another Madame Perkins nonentity, probably represented women at SFCong. Sen. Tom Connally and Repr. Chas. A. Eaton completed the 8 participant-signers. Mr. Mote correctly appraised them all - see AID! #350.

One nation, Liberia, had 5 signers - see #350 also. Pages 7234-5 of CONGR. RECORD 7/2/45 give all 153 signers. Treaty itself starts on P. 7225; presented to Senate by Pres. Truman as "United Nations Charter" signed by 50 nations on 6/26/45. Also statute of the Intl. Court of Justice is annexed to it. Senate Foreign Relations Com. OKs said Treaty, without any changes, on 7/14/45, thus proving the power of the "powerful unseen forces" Sen. Eastland discussed - see #350. What chance has Sen. Bushfield of securing even these few reservations during Senate debate: (1) deny the World Organization Super-Govt being set up thru said Treaty the power to order use of U.S. troops without approval of Congress; (2) refuse it authority to limit American armaments; (3) bar the Security Council from interference with the Monroe Doctrine; and (4) provide for Congressional definition of the powers of American representatives?

For better understanding of fatal error in USA surrendering its sovereignty to the Anti-Christ Internationalists, send for and read (then WIFE your Senators): THE INDIVIDUALIST, P.O. Box 373, Lincoln, Nebr.; THE GREEN MOUNTAINEER, 5653 Post Road, New York 63, N.Y. (Mr. Parker dubs himself a "BLACK MARKET pamphleteer" who "digs out a few things and possibilities, if not absolute probabilities, that neither Bushfield, nor any other Congressman dare tell them, even if he thinks of these probabilities."); and Carl H. Mote's AMERICA PREFERRED, and his booklet "POLITICAL THEOLOGICALS and THEOLOGICAL POLITICIANS", 5685 Central Ave., Indianapolis 5, Ind. You will find my "weasel-worded document" description of said Treaty in #350 is mild indeed. Work, write and pray for a miracle to stop it in the Senate!

May some Senators who signify approval of Treaty despite its defects and calculated deceit, because they feel it is their Christian duty to help set up a World Organization for "peace", have a change of heart and understanding. Christ asks no one to condone a delusion or participate in a crime. There will be wars until He returns to set up His Kingdom! One calling himself a Christ must obey Christ's Laws. One basic law is that a Christian (individual or Nation) must have no fellowship with unbelievers. When a Christian (individual or Nation) breaks a Divine Law, he creates the atmosphere for his own punishment. An honest man (or Nation) cannot hope to prevail in collaboration with thieves and murderers. To say, "Well, it serves him right, he ought to have known better", is bad enuf applied to an individual; but when fate of hundreds of millions of helpless men, women and children is at stake, and they are betrayed by their Representatives, then an informed Christian in such a key position as a Congressman has more than saving his conscience at stake. He has a sacred obligation to God, as well as to his constituents and his Nation, to obey Christ's Laws.

Remember, Christ listened to Satan only long enuf to get his proposition, and then told him to get the hell out of here! Yes, Satan offered Christ what is being offered our Senate today. He gave us the only answer. There can be no compromise. We either accept or reject Satan's false promises of "peace, when there is no peace." When we accept, we automatically come under Satan's regime; when we reject, we have "elected" to be on Christ's side. Oh! that I had the power of words to awaken you to TRUTH, dear reader - particularly you SENATORS!

Another of Christ's basic laws - only a good tree can bear good fruit. That Treaty "tree" was planted by Satan. His agents nurturing it, trimming it, and grafting onto it "false peace" foliage, seek to hide its crooked limbs that ache to be crosses on which to crucify Christendom. Christ looked down, asked God to forgive the hirelings for they knew not what they had done; but Christ never asked forgiveness for the "false leaders" of His day - who kept TRUTH from the people and exploited them in misery and slavery. He accused them of knowing what they were doing; that they and their kind earned damnation. Knowing they and their kind would rule this earth under Satan, until His return, He asked

God to extend protection to us then and future follower to the Lord's Prayer - slowly - think every word, - understand it. It gives you the key to understanding.

Illustrating "pressure" being put on Senators to OK this "false peace", the Omaha Committee of AMERICANS UNITED FOR WORLD ORGANIZATION (exposed in AID: #342 on) ran almost 1/3rd page ad in Sunday Omaha WORLD-HERALD 7/8/45 captioned: "A SALUTE TO NEBRASKA'S SENATORS." Pictures below, then: "In The Halls of the United States Senate the world's future is being decided. The nations of the world look to the United States for leadership. We in the United States must look to the Senate to put our Country's name on the World Peace Charter. We in Nebraska look to our own Senators - Hugh Butler and Kenneth Wherry. And today, we look to them with pride! Senator Butler and Senator Wherry have pledged themselves, so the newspapers say, to 'support the United Nations Charter as an instrument of peace whether it suits in all its details or not.' Petty details, (CBH- see below whether "petty" or not) partisan politics, selfish motives are being outlawed this time, That's Statesmanship. The world cannot stand another war. Our Senators must make the peace a lasting one, and OURS say they will do their part. We can't personally thank the men and women who died in battle. But may God help the rest of us if they died in vain! We can't personally thank every American who fought. But we know our debt to them will be everlasting. We CAN - and do - thank the two men who will lead Nebraska in the battle for Permanent Peace. We salute Nebraska's Senators - Kenneth Wherry and Hugh Butler."

Who signed this large "pressure" ad so very subtly worded? Leaders of the Natl. Conf. for Christians & Jews, a "tree" planted by old Satan, financed by Organized Jewry, and which AID! predicted in summer of 1939 would grow into the strongest "holding company" pressure outfit working for Anti-Christ Internationalists in the USA! AID! in past years has detailed wee bits of the tremendous program followed thru by that Anti-Christ NCC&J. As is that gang's tactic, they rounded up some signatures of other citizens, who, if any of them ever read thru the Treaty with any understanding of its weasel-worded octopus-like provisions, I doubt very much. The Intl. Pres. of pro-Communist anti-Christ B'NAI B'RITH, Henry Monsky; his henchman on Omaha City Commission, Harry Trustin; Leo Rozell, gentile front for another henchman, Mr. Jacobs, owners of advertising agencies that dominate advertising business in this section; and Francis P. Matthews, natl. head of Knights of Columbus (exposed years ago in AID!) are the guiding geniuses of this unholy ad. May God forgive the other signers who may not have known, like Christ's crucifiers of old, what they were doing. Had those signers been readers of AID! they need not have been trapped.

Just imagine those among the signers of that ad, such as clergy, demanding our Senators break their Oath of Office - a sacred Oath to support and defend the Constitution against all enemies. Senator Busfield on p. 7264 of CONGR. RECORD 7/3/45, points out that not just one, but Articles 24, 34, 37 and 42 of that Treaty "are in direct violation of the Constitution." Now, such as Henry Monsky, a smart lawyer, and one of leading "consultants" to the U.S. delegation at San Francisco Conference, definitely knew what he was doing, when he signed that ad (and somebody must have written it, rounded up the other signatures, and paid for it), so he is definitely in the same category as the Sanhedrin leaders who mobilized "pressure" to cause Gentiles to hang Christ - a non-Jew also - on the cross!

Singularly emuf, at top of that same page in WORLD-HERALD was this caption: "Luzon Graves Are Well Tended; 5,000 Americans Buried at Santa Barbara". Picture showed hundreds of crosses - and only 2 Six-pointed Stars of Judah - thus telling the story of modern "crucifixion" going on! That picture undoubtedly was taken in order to show those 2 6-pointed Stars, for if it had been taken from other spots only the thousands of crosses would have been photographed. I have another (Acme) photo of the "Crosses in Normandy mark (ing) the graves of 5,000 Americans who died in the invasion landing on 'Omaha' beach" --- of the hundreds of crosses in sight, not one Six-pointed Star is seen! When, oh! when, are Christians going to read the Gospels of Saints Matthew, Mark, Luke and John with understanding? Christ warns you - words couldn't be plainer - against the liars, thieves, false prophets, and murderers in high places!

Current events from CONGRESSIONAL RECORDS (CR), page numbers indicated. AIRPLANES: (6480) scout planes slow and unarmed; officer appraises: "Oh, my God! that is nothing more than an American suicide plane comparable to the Jap idea." Accidents: (7148-50) Gen. H.H. Arnold, Chief of Army Air Corps reported up to 10/2/44, loss of 17,500 planes in

in training in USA, compared with 5,600 lost in actual combat. How many crashed while in combat because of faulty construction and defective parts will never know. Truman on radio told shocking story of his investigation of Curtiss-Wright plant at Lockland, Ohio on 10/5/43. Altho Truman promised 10/19/43 in letter to Sen. Langer, no reports to date on investigation supposedly made of such sabotage going on in certain airplane factories.

Needled by speeches on this subject by Sen. Langer, the Mead Com. (Sen. Mead succeeded Truman as chmn) sent its chief investigator to Buffalo. He advertised in press for Curtiss-Wright employees to meet him at his hotel with their evidence of sabotage, but C-W spotters so thick in that hotel that C-W employees afraid to respond to such a crude invitation. Mead Com., with \$100,000 appropriation for such investigation, invited Sen. Langer to attend hearing and bring his 9 witnesses (inspectors who had disclosed acts of sabotage to him), but discouraged him from doing so by saying he would have to pay his own expenses. Requested names, etc. of his witnesses, but given in confidence he refused. In previous speeches Sen. Langer had related persecutions extended to honest inspectors who refused to be parties to sabotage under orders from higher-ups in certain airplane plants. So - Sen. Langer didn't go to Buffalo last week-end.

Sen. Langer quotes letter from newspaperman re Curtiss-Wright cocktail parties and flying junkets using Army transport plane, staging party for about 40 newspaper and magazine writers at Jefferson Hotel, St. Louis, Mo., including in these days of scarce foods, a 12-course dinner, an imported strip tease dancer, with "feminine companions available". At taxpayers expense! That was Langer's 11th speech about airplane accidents.

(7269-88 CR 7/3/45) Sen. Langer makes 12th speech, and places in CR (then Senator) Truman's report of 7/19/43, which ends with: "... In addition to the foregoing the committee has been engaged in a study of military plane crashes and at a subsequent date will report on this subject. The committee is concerned about the large number of such casualties, particularly in noncombat operational flights in this country." That was 2 years ago, and the press has been reporting day-after-day, like the little 6-line AP dispatch of 7/14/45 reading: "Thirteen men were killed and one was injured Friday when a four-engine bomber from nearby Tyndall Army Air Field crashed about six miles northwest of here." Yet no report has been made as to what is causing wholesale slaughter of our pilots at home!

Sen. Langer reports most crashes keep the causes secret, but in 1 instance, a wing of a plane was saved. In that wing there were places for 116 bolts. At the coroner's inquest it was found that 96 of the bolts never had been put in their places in that wing. Four people were killed in that crash at San Diego. It was just by chance that that particular wing was recovered. Inspectors who would let a plane go thru inspection with only 20 bolts out of a required 116, in a wing, surely knew they were condemning to early death whoever rode in that plane.

With such sabotage going on when Communists were more or less for the war effort, because Germany was fighting Russia, now that the change has been made in the "party line" since Germany's defeat, and with the host of present sit-down, slow-down, absenteeism "unauthorized" strikes in certain key industries effecting the war effort, what must be the inescapable conclusion? Yet the Jewish and Communist press walls "persecution" when Repr. Rankin announces that the successor to the Dies Com. is going to investigate "un-American activities" on the West Coast, particularly in Hollywood where much of the Red leadership and cash comes from. With a man like Sen. Mead at head of old Truman Com., no wonder no investigation as Truman promised 2 years ago, has ever been made, let alone reported on.

(7270-1) Sen. Langer, quoting from Truman's 1943 report, that part of it discussing the crookedness and criminal practices of certain big businesses in the war effort (making many millions in profits), says: "... Mr. Truman is now talking about the U.S. Steel Corp. and one of its subsidiaries. He tells how they cheated the Govt. That is the same U.S. Steel Corp. whose chairman of the board for a long time was Edward Stettinius.... the physical tests to which the finished steel plates (for Navy, etc.) were subjected to determine their tensile strength were faked and falsified.... But, Mr. President (of Senate), did a single one of these men go to jail? The soldier boys are dead; but did Mr. Truman or anyone else send anyone to the penitentiary...?; they are promoted. They are put in charge of the Govt... former chairman the President has named at the head of this... peace movement."

even been recommended by members of Congress. These persecuted thirty American patriots had suffered untold agonies by having been branded as traitors etc. over all radio stations, by the press, in the movies and even from the pulpits. This long drawn-out trial and following suspense had killed two of the defendants and left the remaining 28 ruined financially and with impaired health.

Had the one-sided pro-Communist New Deal reporting of the trial of 7½ months not overdone its vicious smear campaign, the American people might not have seen through this swindle and might perhaps not come to suspect the real cause for this trial -- to try to silence all opposition in this country to world communism.

People may laugh to-day over the ridiculous attempt of the New Deal Department of Justice to force through such a miscarriage of justice as that "Mass Sedition Trial" of 1944 at Washington -- but it is even to-day no laughing matter for the financially ruined survivors of this judicial monstrosity, because not all of them have yet paid off all their debts caused by this New Deal outrage.

I referred to this "circus" in an orderly out-door meeting of the Christian Front held in Queens Village on October 6, 1945 and pointed out that the farcically tried thirty American patriots had really been the crusaders in the campaign against Communism which then was starting to get under way in this country. The American Jewish Committee had sent the head of the Queens County Chapter of the Jewish War Veterans with sundry other 'agents provocateurs' to induce teen-agers to interrupt the twelve to fourteen speakers and to try to break up the rally.

The worst offender was one

who (after unsuccessfully trying to create disorders) then took it on himself to arrest (in his capacity as a private citizen) one of the speakers, for alleged disorderly conduct, while at the police station, another of the speakers, one caused arrest on the same charge, arguments on the cross-complaints were to be heard the next morning in the Ridgewood Felony Court.

I had come to court merely to listen and was astounded to see and five officials of the American Jewish Committee run in and out of the sitting Magistrate's chambers for two hours with the result that the since then long discharged Judge, included me in an additional charge of "inciting to riot" holding me and

Subsequently and I were railroaded in Special Sessions Court to six months workhouse

Two of the judges have since died. The presiding Judge, as known, was promoted for this to the Chief Justice of Special Sessions Courts and the prosecuting asst. district attorney, one

was appointed to be a Magistrate, all due to the maneuvers behind the scenes of the American Jewish Committee and the "Anti-Defamation League of B'nai B'rith".

and I fought our conviction on the charge changed to "unlawful assembly" up to the Supreme Court and likewise unsuccessfully appealed to the then the then Attorney General, Tom Clark, to New York State Governor Thomas E. Dewey as well as to President Truman against this evident pressure by groups who have "friendly relations to higher-ups", but without avail.

In contrast, the Department of Justice, on specific instructions of U. S. Attorney General, J. Howard McGrath, discontinued the prosecution for mail fraud against said Isidore Ginsberg in the federal court of the Eastern District of New York.

That person was also convicted by Queens County Judge

Hon. Newbold Morris  
Special Investigator  
and Assistant Attorney General  
Department of Justice Building  
Washington D. C.

Dear Mr. Morris:-

In your ensuing investigation of the Department of Justice and its alleged subversion by alien elements and pro-Communist functionaries, permit me to draw your attention to a few instances which have an earlier and somewhat deeper background and already came into existence with all their nefarious excrescences under Francis Biddle and Tom C. Clark.

I, as the author of this country's most thoroughly documented anti-communist book, THE WORLD HOAX, set out in 1936/37 to study the whole communist issue from its profound underlying psychological basis. In 1938 my findings were published and placed on the book market but all that time the communist stooges of the New Deal regime left nothing undone to disseminate the doctrines of Marxism, Leninism and Stalinism -- in short, Communism was spread in pure Soviet style all that time without challenge.

In 1943, when "peace-loving democratic" Stalin and the Moscow Communists were glorified as our allies, pro-Moscow elements in the U. S. considered the time as ripe to use the U. S. Dept. of Justice under Francis Biddle to maliciously propagandize that I and 29 noted anti-communist American citizens had conspired to "impair the morale of the U. S. armed forces by undermining Democracy". Practically none of the 30 accused patriots had even known of each other's existence.

On Jan. 3, 1944, a monstrously vicious indictment was brought against us thirty citizens and from April 17 to December 1, 1944, a "Mass Sedition Trial" was staged in true Moscow style in the District Court in Washington, D. C. That since then totally discredited Oette John Rogge (who later made a pilgrimage to the Kremlin) acted as special Assistant Attorney General for the New Deal regime. Judge Edward C. Richey presided during the 7½ months of the most vicious smear, until he died of exhaustion. A mistrial was declared and the indictments were kept pending, while Oette John Rogge made trips all over the U. S. and Europe to unearth new material for the prosecution. His large salary and his equally large expense account might even have continued until the present time, had he not double-crossed his boss, the then U. S. Attorney General, Tom C. Clark, who then fired Rogge and consigned in July 1946 the whole "sedition" humbug to the waste basket, without even bothering to notify the then still living 28 defendants. It was by mere chance that an inquiring newsman discovered months later that the previously so propagandized "sedition" trial had been buried by the Department of Justice.

For over a year Tom C. Clark had been dined and wined by the misnamed "Anti-Defamation League of B'nai B'rith" -- who had been the principal instigators of this "Mass Sedition Trial" -- in the hope that Mr. Clark would bring this case again to trial and win a conviction for the glory of the shady elements who had helped him concoct this miscarriage of justice under war hysteria.

Had Mr. Clark not been a politician first, last and always, his first act after becoming U. S. Attorney General in 1945 should have been to boot out this false indictment against thirty patriotic anti-Communist American patriots, whom the pro-Communist officeholders in the Roosevelt New Deal regime had conspired to silence and ruin (see the American Jewish Monthly, a B'nai B'rith publication, of 1946-47).

Mr. Clark resisted all demands for an appropriate compensation of the innocent victims of that "Mass Sedition Trial", although it had

Farrell for some twenty additional cases of using the mail to defraud and not repaying the swindled concerns, but a Judge Froessel released

b7c

and the American Jewish Committee and the "Anti-Defamation League of B'nai B'rith" saw to it that Froessel was elected to the N.Y. State Supreme Court.

This should prove that the Department of Justice has since Francis Biddle's days been a cesspool of corruption and "influence" and as a further proof of my contention I state that on May 15, 1949, at the yearly rally and dinner at the New York Waldorf Astoria Hotel, the New York director of the "Anti-Defamation League of B'nai B'rith, the New York State Supreme Court Judge, Meier Steinbrinck, had the unbelievable gall to declare:

"We (Jews) must influence our courts in such a way that every person not complying with the principles of "democratic liberties", as laid down in our (the Jews) "Civil Rights Program" shall be dealt with accordingly".

"We (Jews) must so direct the head of the F. B. I. that every person whom we (the Jews) want to have investigated, shall be investigated and eventually brought before the bar of justice".

"We (Jews) must put such pressure upon our U. S. Department of Justice that every individual known for his "un-American" and "un-democratic" view shall be indicted and held for prosecution."

If such Jewish gangster organizations can demand that the viewpoints of a mere fraction of the 4 % Jewish minority in this country be regarded as the supreme law of the land, then there is evidently something wrong with our present system of dispensing justice. It is not anymore EQUAL JUSTICE UNDER LAW !

Inasmuch as I have hit the nail on the head with my book, THE WORLD HOAX, and the House un-American Activities Committee has published during 1948 - 50 five pamphlets "Hundred questions you should know about Communism" on most of which I had arrived at the same conclusions ten to twelve years prior and the same thing being the case in that House Committee's most recent booklet "These shameful years", i. e. that more than 70 % of the individuals named as having been active in spying activities for the Soviet Union with its Communist regime being -- JEWS, it is self-evident that authors and lecturers as I should not have been persecuted by the U. S. Department of Justice and in New York Courts..

The unrestricted infiltration into our American Judiciary by a pro-Soviet minority group is the root of the present corruption and influence peddling in our government offices which you are called to investigate and remedy. A mere "white Wash" will never do !

I shall be glad to testify before your investigating body and bring further proof of judicial misconduct.

Very respectfully yours,

*Ernest F. Blum*

Personal Attention if possible

Dear Mr. Hoover:

Probably your agents have the address of Charles B. Hudson, P. O. Box B, Englewood, Colorado, who spreads hate literature in the mails and solicits funds to expand his activities which he mistakenly considers "Christian" and patriotic.

Somehow I got on his list through a local member of his group. One tends to throw such literature in the wastebasket and do nothing more about it but deplore the situation. I started to do this but managed to save some of the literature to answer it.

It may be a complete waste of time for me to have done this rather detailed job of answering it, but I feel better for having done it. I am enclosing a copy of my letter. It is poorly typed and edited but I hope you can spare a little time to see if this is one way to fight such activities. Or should one forget it?

I have been in education and administration many years among Eskimos and Indians and have seen people with great potential reduced to hopelessness, alcoholism, and crime because some of us, like Mr. Hudson with his perverted values, are BAD Writers. I have seen signs "No Indians or dogs." Or, perhaps more politely, "Indian Trade Not Solicited."

I am glad to say that this type of thing has been greatly reduced in my time. One of my great joys has been to see young men and women (Indian & Eskimos) who were labelled "Hopeless" or "Criminal" come out of it and develop into good citizens, sometimes with college degrees as engineers, nurses, technicians, etc. This happened because people of good will could see beyond the nasty symptoms and help them to help themselves. It is a thrill to have a former student of this kind greet you like a long lost friend. It is easy to see they have lost that "Me poor Indian" shyness or antagonism and have become self-respecting and self-confident.

I don't want to bore you, but let me return to Mr. Hudson and what we should do about such cases. He may be just a crank and a hair-shirt we have to endure; but with his religious fervor and his talk of Vigilantes (his page 2) he may be using the funds he collects to promote violence.

61-7474-248

If you find anything in my poorly written letter which can be used in your talks throughout the country, feel free to adapt or use it in any way you see fit. I have always admired your work and the organization you built. I hope you will have successors prepared to carry on the work when you leave it.

Sincerely yours,

Your Gift  
Is needed,

"What can I do, Lord," I plead in anguish, "to save our land from communism's cruel hand? From that vile order, which like a cancer, gnaws at the vitals of our nation, and would destroy even our Salvation?" Came the answer clear and strong: "You can pray." But, will prayer save our land so fair, from enemy so powerful? Give me something with which to fight, that I may win, and save Thy people from such awful sin. And, it was then that I plainly heard the Lord declare: "NEVER WAS WEAPON MADE MORE POWERFUL THAN PRAYER." Prayer-poem by a Crusader many years past three score and ten, still active, whose letter contained her gift along with other expressions proving her understanding of crisis ahead.

How imperative it is to have that "understanding", and how urgent to realize we must get on our knees, is driven home when we read a letter by head of powerful order. Defends Jews and Supreme Court and resorts to outright lies: "... There is nothing in the Constitution or the Supreme Court decisions that establishes this nation as a Christian country..." Tragedy is that 2 candidates for USA Presidency in 1964 are members, one who betrayed his followers in 1960 and 1964, proud of his Jewish blood And that the Pope brainwashes peoples by blessing antichrist UNITED NATIONS, meeting with 48 top Jew leaders on 10/4/1965, headed by former member of USA Mission to UN, and past Intl Pres of antichrist secret society (B'nai B'rith) Philip Klutznick, at the Holy Family Church Parish for the UN, with representative groups of Catholic and Protestant religious communities of America, also present. Isn't it vital that we Christians learn what God's Word (the BIBLE) has to say about all this?

"This is a CHRISTIAN NATION" is an extract from the "Holy Trinity" case decision by the U.S. Supreme Court, per Justice Brewer, Feb 29, 1892, 143 U.S. 457. The last paragraph of the Constitution reads: "Done in convention by the unanimous consent of the States present the 17th Day of September, in the year of OUR LORD (Jesus Christ) 1787, and of the Independence of the USA, the 12th." Benjamin Franklin was the presiding officer and most influential member of the convention that wrote and adopted the first Constitution of State of Pennsylvania, which, among other things, effectively limited citizenship to Christians by requiring profession under oath of belief in the Trinity and in the divine inspiration of the BIBLE. Upon Ben's death, Jewry pressured Legislature to lift that ban. Our Christian Founding Fathers suffered unto death as Christ's Disciples - because of the Jews - did 1700 years earlier.

Founding Fathers tried to outlaw Jews. Vol 5 of James Madison's letters devoted to exchanges with other Founding Fathers re adoption of our Constitution. Madison to Jefferson 10/17/1788 (p 272): "... one of the objections in New England was that the Constitution by prohibiting religious tests, opened a door for Jews, Turks & Infidels." Madison to Edmund Randolph 10/7/1787 (p 8): "... It is said that Mr. S. Adams objects to one point only viz. the prohibition of a religious test." Other letters voiced same objection. Madison, chief salesman of compromised Constitution, overcame that objection with this reasoning in letter to Edmund Pendleton 10/28/1787:

"... Is not a religious test as far as it is necessary, or would operate, involved in the Oath itself? If the person swearing believes in the Supreme Being who is invoked, and in the Penal consequences of offending Him, either in this or a future world or both, he will be under the same restraint from perjury as if he had previously subscribed a test requiring this belief..." Securing the compromise and seeming to bar admission of "Jews, Turks & Infidels", Madison pled in the 1st Congress, 2nd session, 1790 (pp 436,7) of Vol 5, for admission only of aliens who would "add to strength and wealth of community." His Bill became law 3/26/1790 providing for admission, only "free white aliens of good moral character after residence in USA of 2 years."

That was intended to outlaw Jews & Turks, for both were considered Asiatics (not whites), and only Christians were deemed to be of "good moral character." Jews claim Madison owed Haym Solomon, and neither he nor relatives ever paid; and insinuation is that Madison kept "No Jew, No Turk a Citizen" plank out of our Constitution.

ENCLOSURE 100 200115 2

Jews infiltrated USA as they had Europe for past 1000 years, corrupting and destroying civilizations of Greece, Rome, then eastern and western Europe. Documentation for foregoing first exposed in my AMERICA IN DANGER! #234, 9/16/1940. The volumes of Founding Fathers letters had been hid in basement of Omaha Public Library, for 40 years had never been issued to readers. Chmn of Book Com. for many years until his death, was leading Rabbi Cohn. I.e., what Omahans read for years was controlled by a Rabbi who predicted early in 1937: "USA is to pattern after USSR." Prophet???

While our Christian Founding Fathers sought to establish a Christian Constitutional Representative Republic, and were thwarted in part, we live in an age when it seems no persons with influence and power know the BIBLE as did our Founding Fathers. Jewry thus able to confuse and deceive. Witness even Conservatives using words which convey a "smear" applied to Christians - to discredit and destroy them. Jewry has made "anti-Semite" a smear word. One image is that Jews are Semites, a lie, for most Jews are mixed-breeds, whereas the Arabs whom Jewry rapes, robs, persecutes and kills are real Semites. The White Race are Semites, so Whites are not anti-Semites, unless by serving Jewry, they become two-fold more the child of hell than the Jew is - Jesus Christ so condemned Whites who sell out. Despite the facts, Jewry instills such fear that many cringe at that of being called an anti-Semite.

"Israelites" another misused word. Jewry makes it synonymous with Jews, despite BIBLE clearly exposes that Jews were "Satan's Chosen", liars, murderers, thieves, while Israelites were Jesus Christ's followers, "God's Chosen", who were to become known by another name - Christians. Jewry, considering non-Jews dumb goyim (cattle), join "British" with "Israel", creating the "smear" word "British-Israel" - real meaning of which would be British Christians. But this creation is given an aura of sinister power - financial, political, religious, etc. "Anglo-Israel" is a similar smear word. I am called a B-I by some who should know better, just as I am called an anti-Semite - by same Jews. I am "anti" the antichrists, and "pro" Christians, a minority everywhere, whose crime is knowing who the "enemy" is, and refusing to be an anti-christ slave. Whatever power exists is in individuals, unorganized, seeking TRUTH, passing on to others as they find it. Any other charges are based on myths. Jews particularly hate Christians who believe that Jesus Christ is not a Jew, and that He will return to rule all nations - the wicked ones with a rod of iron!

"Vigilantes" is another misused word. Jewry paints it as criminal, whereas a vigilante is a citizen appointed by proper police authorities, to aid in emergencies. This country would never have grown, had Sheriffs not appointed vigilantes to handle local crime situations. Jewry is deathly afraid of Christians arming themselves (as provided for in the Constitution) to back police and informing police as to their availability. Jew-manufactured world wars created millions of citizens who know how to handle a gun. Thank the Good Lord that all our manpower was not destroyed in Jewry's Christians-killing-Christians wars.

The importance of knowing who our "enemy" is, and the equal importance of the genealogy of Jesus Christ and His followers is realized when you read the very first chapter of NEW TESTAMENT wherein Divine Promise is made: (Matt 1:21): ".. for he shall save his people from their sins." "His people" - not "His enemies." No better way of determining the identity of Christ's enemies, and His people is the references in St Matthew and St John of NEW TESTAMENT. Chapter and verses designated with quotations as found, my underlining is for emphasis and/or clarification:

#### St Matthew

- 2:5 Jesus born in Bethlehem, south of Jerusalem in Judaea- Dec 25 we celebrate.  
 2:6 "for out of Juda shall come a Governor, that shall rule my people Israel.  
 2:13-23 Joseph, Mary and Jesus flee for their lives to Egypt; return to Israel, north of Judaea, but for fear of Herod's son, go to Nazareth in Galilee north of Judaea; fulfilling prophecy that Jesus "shall be called a Nazarene." Not Jew!  
 3:7-17 John the Baptist in Judaea accuses Pharisees and Sadducees of being vipers, not descendants of Abraham; tree which bringeth not forth good fruit is

St. Matthew

- 3:7-17 is hewn down, and cast into the fire; Jesus will gather His wheat into the garner; but He will burn up the chaff with unquenchable fire. Voice from heaven "This is my beloved Son, in whom I am well pleased."
- 4:1-11 Jesus tempted by devil Satan, proving this is Satan's world who has power to deliver, providing one worships him. No wonder Jesus gave us Lord's Prayer in which we ask not to be tempted beyond divine protection and we ask to be delivered from evil. "Man shall not live by bread alone, but by every word that proceedeth out of the mouth of God." Man to obey His Laws.
- 4:4 "Thou shalt not tempt the Lord thy God." 4:10 "Thou shalt worship the Lord thy God, and him only shalt thou serve." John the Baptist jailed by Jews, Jesus goes north into safe Galilee, then to Capernaum still further north of Nazareth, on Sea of Galilee, thereby fulfilling prophecy that He would dwell in Capernaum, "by the way of the sea, beyond Jordan, Galilee of the Gentiles; The people which sat in darkness saw great light:.."Non-Jews, Gentiles, Galileans, Nazarenes thus learned of Christ's identity, and from those non-Jews He selected His disciples. "And Jesus went about all Galilee, teaching in their synagogues, and preaching the gospel of the kingdom (CBH - to be brot on earth by obeying God's Laws) and healing all manner of disease among the people.... from all Syria, Galilee, Decapolis (on both sides of river Jordan), from Jerusalem, and Judaea."
- 4:18-22 Sermon On the Mount. Beatitudes 5:3-11. Gave His disciples His Laws and taught them how to conduct themselves in Satan's world. Those persecuted to be rewarded - remember that prophets before them had been so persecuted.
- 4:23-25 Disciples are salt of the earth, the light of the world; their good works "glorify your Father which is in heaven." Even tho this is Satan's world.
- 5:6,7 Jesus not to destroy God's Laws, but to fulfill; disciples who do and teach God's Laws to be "called great in the kingdom of heaven."
- 5:1-12 He downgrades scribes and Pharisees (CBH - scribes were powerful in courts, skilful lawyers, secretaries, writers, keepers of records, and commissaries to the armies). Warns disciples to stay out of Jew-controlled courts.
- 5:13-16 Disciples to refrain from double-talk, evasions, deal in "Yes" or "No".
- 5:17-19 Jesus warns His disciples again to stay out of Jew-controlled courts. Chapters 5,6,7 go into detail explaining God's Laws, and Jesus warns as to rewards and punishments on earth, now and in future, repeatedly stating God The Father is in heaven. This is Satan's world.
- 5:20 Love your enemies, but nowhere are we to love Christ's enemies.
- 5:25 Hypocrites, their alms, prayers not to be copied by His disciples. Gives them The Lord's Prayer (6:9-13) His Kingdom to come on earth when His will (Laws obeyed- CBH) is done on earth as it is in heaven. One by one, God's Laws today are being ignored, broken, many perverted, and yet there are those who don't understand that we are being punished - on earth - as an individual, as a people, and as a Nation, because of our national sins of commission and omission. "Ye cannot serve God and mammon" is a basic Law.
- 5:37 "But seek ye first the kingdom of God (His Laws), and his righteousness; and all these things (necessities of life) shall be added unto you." (on earth now even tho this is Satan's world, for God is greater than Satan).
- 5:40 Hypocrites not qualified to judge others.
- 6:2-15 "Give not that which is holy unto the dogs, neither cast ye your pearls before swine, lest they trample them under their feet, and turn again and rend you." "Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Ye shall know them by their fruits... A good tree cannot bring forth evil fruit, neither can a corrupt tree bring forth good fruit..." 7:19 "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."
- 6:24 "Not every one that saith unto me, Lord, Lord, shall enter into the kingdom of heaven; but he that doeth the will of my Father which is in heaven," Some boast of their works, but Christ condemns: "then will I profess unto them, I never knew you: depart from me, ye that work iniquity." Who would want to be in shoes of the Reverends and Doctors and Bishops of NCC.

- 7:28-29 People astonished at Christ's doctrine: "For He taught them as one having authority, and not as the scribes." 9:3-4 Scribes accuse Jesus of blasphemy. Pharisees attempted to undermine His disciples: "Why eateth your Master with publicans and sinners?" Then John's disciples asked: "Why do we and the Pharisees fast oft, but thy disciples fast not?"
- 9:34 "But the Pharisees said: "He (Jesus) casteth out devils through the prince of the devils." Note that scribes and Pharisees step up their attacks.
- 10:2-4 Names 11 disciples "and Judas Iscariot, who also betrayed him (Jesus)."
- 10:5-7 Jesus coaches and sends the 12 to heal and preach "The Kingdom of heaven is at hand" (on earth), but the 12 must stay away from Gentiles and Samaritans. Go first to the "lost sheep of the house of Israel." (fellow White men).
- 10:16 Gives disciples more Laws. "Be ye therefore wise as serpents (Jews) and harmless as doves." Beware of Jews in synagogues: "But when they deliver you up, take no thought how or what ye shall speak: for it shall be given you in that same hour what ye shall speak." I saw that Law operate when Jew-headed House Subcommittee "put General Moseley on trial" at Washington.
- 10:22-23 Jesus instructs His disciples that when persecuted in one city, flee to another, for they shall be persecuted because they are Christians.
- 10:25 Jesus smeared by Jews calling Him "Beelzebul" - a heathen diety. Jews use "smear" tactic today. Disciples should not be afraid of Jews: verses 16, 17, 18, 19, 22, 23, 24, 26, 28, 31, 36.
- 11:19 Jews criticize Jesus for eating with publicans and sinners.
- 12:2 Pharisees criticize Jesus because His disciples ate corn on the Sabbath.
- 12:14 Pharisees hold a council against Jesus, how they might destroy Him.
- 12:21 "And in His name (Jesus') shall the Gentiles trust." Gentiles then and today do not trust Jews. Until this generation, Christians were trusted, missionaries all over the world generally trusted by the heathen (Gentiles).
- 12:24-37 Pharisees again accuse Jesus of casting out devils by Beelzebul, giving Jesus the opportunity to condemn Pharisees and ridicule their reasoning. He lays down this Law: "He that is not with me is against me;..." Another: "the blasphemy against the Holy Ghost shall not be forgiven unto men." Jesus condemns Pharisees: "O generation of vipers, how can ye, being evil, speak good things? for out of the abundance of the heart the mouth speaketh." Another Law: "For by thy words thou shalt be justified, and by thy words thou shalt be condemned."
- 12:38-39 Scribes and Pharisees ask Jesus for a sign, but He refuses, calls them "an evil and adulterous generation" and "this wicked generation."
- 12:45
- 13:10-17 Disciples ask Jesus why He speaks to crowds in parables, so, with Jew leaders seeking to discredit Him, Jesus explains: "Because it is given unto you to know the mysteries of the kingdom of heaven, but to them (Jews) it is not given... because they seeing see not; and hearing they hear not, neither do they understand." He didn't want them to understand for they might become converted, and then Jesus would have to heal them.
- 13:18-30 Parables of sower - Enemy sowed tares among the wheat, but at harvest the tares will be gathered first and burned. Jesus explains significance- the field is the world, children of the kingdom are good seed, but the tares are the children of the wicked one, the enemy sower of the tares is the devil, while the sower of the good seed is Christ.
- 13:49-50 At the end of the age, angels shall sever the wicked from among the just, and shall cast the wicked into the furnace of fire: amid wailing and gnashing of teeth.
- 13:54-58 Jesus sought to teach His neighbors in Nazareth, but they prevented Him from doing mighty works because of their unbelief, causing Jesus to say: "A prophet is not without honor, save in his own country, and in his own house!"
- 14:1-12 John the Baptist beheaded by Herod. The antichrists are closing in for the kill. Scribes and Pharisees from Jerusalem question why Christ's disciples don't observe Talmudic "traditions of the elders". Jesus condemns the Talmud, and the Scribes and Pharisees as hypocrites. Talmud transgresses the commandments of God. "Not that which goeth into the mouth defileth a man; but that which cometh out of the mouth, this defileth a man."
- 15:1-14
- 15:1-20

- 15:1-20 Disciples told Jesus the "Pharisees were offended," but Jesus told His disciples to leave them alone, for "they be blind leaders of the blind. And if the blind lead the blind, both shall fall into the ditch." Re-read that!
- 15:22-28 Mixed-breed woman of Canaan (worshippers of most evil Baal) begs Jesus to deliver her daughter of a devil. Jesus ignores her, and disciples want to get rid of her. He justifies with very significant statement: "I am not sent (by God The Father) but unto the lost sheep of the house of Israel" (see Chapter 10:6 - same instructions to His disciples. Israelites when conquered, many escaped northward and westward, being the Caucasians - the Anglo-Saxons, Nordics, Celts that became Europe, and later North America). Jesus reminded her of her racial-religious background: "It is not meet to take the children's bread, and to cast it to dogs." Her reply so impressed Jesus that He granted her request, because of her faith. Christ was not interested in converting Jews and other mixed-breeds, and so instructed His disciples to carry out His program.
- 15:31 Multitude saw the dumb speak, the maimed made whole, the lame to walk, and the blind to see - they "glorified the God of Israel" (not the Jews).
- 16:1-4 Pharisees and Sadducees seek to tempt Jesus - He condemns them as hypocrites - a wicked and adulterous generation. Jews today emphasize "sex".
- 16:6-12 Jesus warns His disciples against the "leaven" of the Pharisees and Sadducees, the Talmudic doctrine that made religion a financial, political racket - slavery - imposed upon the people. Jews so control Christendom today!
- 16:15-20 Jesus secretly confirms to disciples that He is "Jesus the Christ", "Son of the Living God". Obviously Jesus is not a son of Satan - not a Jew!
- 16:21 Jesus warns His disciples that He must go to Jerusalem (Jews congregated in large cities then as today - so states Roman historian Strabo, the authority that Jews controlled the Roman Empire because they controlled large cities - just as they do today.) Jesus warns His disciples He will there in Jerusalem "suffer many things of the elders and chief priests and the scribes (see 5:20 p 3), and be killed, and be raised again the third day." Those guilty were and are Jews, despite Pope decrees of October 1965!
- 17:1-10 Story of the Transfiguration. God announces that Jesus is "my beloved Son"
- 17:12-13 "hear ye Him." Jesus warns that the same Scribes who killed John the Baptist will do likewise to Him. As Son of God, Jesus cannot be a Jew!
- 17:21 Jesus drives home that His disciples must fast and pray to do His works.
- 17:22-23 Jesus, in Galilee, warns the 3rd time that He will be betrayed and killed.
- Because the reader has the pattern somewhat in detail in foregoing, from now on I will make brief as possible the steps in the Jewish Conspiracy.
- 18:16 "Take with thee one or two more, that in the mouth of two or three witnesses every word may be established." A law basic in our jurisprudence.
- 19:1-9 Leaving safe Galilee to Judaea, Pharisees tempted Jesus again, seeking to entrap and discredit Him before the large audiences. Same tactic used today!
- 19:28 His 12 disciples to judge the 12 tribes of Israel (not the Jews or heathen)
- 20:18-19 Jesus repeats to His 12 disciples that at Jerusalem He shall be betrayed unto the chief priests and scribes (Jews) and they shall condemn Him to death, using the Gentiles to mock, scourge, and to crucify Him, but He will rise again. Using others to do their dirty work is today a Jew tactic.
- 20:28 Christ's program "to minister, and to give his life a ransom for many".
- 21:11 Again, Jesus is both a Nazarene and a Galilean - not a devilish Jew!
- 21:12-13 Jesus drove the "moneychanger" Jews out of the temple because they had made it a "den of thieves."
- 21:31 Publicans and harlots to go into Kingdom of God, but Jews cannot.
- 21:43 Kingdom of God taken away from Jews. Then how can they be "God's Chosen"? God's Kingdom given to Christian Nations that do His work, in Satan's world.
- 21:46 Jews tried to lay their hands on Jesus. 22:15 Pharisees plot against Jesus.
- 22:18 Jews are hypocrites, and wicked. 22:34-35 Jews plot against Christ.
- 23:1-39 Christ warns both the disciples and the people against the Jews.
- 23:13 Scribes and Pharisees are hypocrites. Ditto 23:14 and 23:15.

St Matthew

- 23:15 Jews proselyte Jews and make them "two-fold" be the child of hell than the Jew is.
- 23:16-19 Scribes and Pharisees are blind, blind guides, and fools.
- 23:23-29 " " " hypocrites, blind guides, hypocrites (4 times).
- 23:31 Jews of Christ's day were children of them who killed the prophets.
- 23:33 Jews are serpents and vipers.
- 23:34 Jews to scourge the prophets in their synagogues; persecute, and crucify.
- 23:35 That upon you (Jews) may come all the righteous blood shed upon the earth.
- 23:37 Jerusalem killed the prophets.
- 23:38 Behold, your (the Jews) house is left unto you desolate. (Kingdom of God on earth taken away from Jews, and given to Christian Nations - see 21:43).
- 24:9 Christ's followers to be persecuted.
- 24:15 Abomination of desolation (those who claim to be Jews - Synagogue of Satan) in the holy place (Jerusalem is holy to Moslems & Christians) is a sign of the close of this age. Present seizure of Palestine by Jews driving hundreds of thousands of Moslems and Christians into the desert - is today's fulfillment of that prophecy. When so-called misled Christians support the false Jews in their stealing of Palestine is another sign.
- 24:24 False prophets will deceive (now doing so) even the "very elect."
- 25:24-41 Everlasting fire and punishment for devil and his angels (Jews and non-Jew proselytes). See 23:15.
- 26:2-4 Christ warns again that He is to be crucified. Jews plot to kill Him.
- 26:14-30 Judas (the Jew, the "devil" - see St John 6:70-71) betrays Christ.
- 26:32 After He is risen, Christ returns to safe Galilee, land of Gentiles.
- 26:47-49 Judas "kiss of death".
- 26:57-68 Elders, Scribes, and High Priest (Jews) use false witnesses, sentence Him to death; spit on Him, and slap Him - a Defenceless One. Typical of Jews!
- 26:69 Jesus Christ of Galilee. 26:71 Jesus Christ of Nazareth. Thus, TRUTH is driven home, by repetition. Jesus definitely not a Jew.
- 27:1-2 Jews plot Christ's death.
- 27:5 Judas hangs himself. Suicide is a favorite "out" of Jews today.
- 27:20 Jews incite the mob to destroy Jesus - and free the criminal Barabbas.
- 27:25 Jews invite "His blood be on us and on our children".
- 27:29 Soldiers, who didn't know what they were doing, mocked Him, saying in derision, "Hail, King of the Jews."
- 27:37 Set up over His head His accusation written, This is Jesus, the King of the Jews. This done in defiance of the Jews who didn't like it at all.
- 27:41 Jews mocked Jesus Christ.
- 27:42 Jesus Christ was and is The King of Israel (not of the Jews). Israelites, true followers of Christ, were to be known by another name - Christians!
- 27:55 Jesus of Galilee. Truth that He was a Galilean, not a Jew, repeated again.
- 27:62 Jews plot to keep Christ from rising from the dead.
- 28:7 Christ returns to safe Galilee. 28:10 Christ is seen in Galilee.
- 28:11-15 Jews plot, and bribe the soldiers to tell lies.
- 28:16 Disciples go to Galilee. Thus, Christ's Mission, His choosing of His disciples, and most of His time, begins and ends in Galilee - the land of the Gentiles (non-Jews).

St John

St John

- 1:19 Jews at Jerusalem.
- 1:43 Jesus Christ goes to Galilee, and finds Philip. 1:45 Jesus of Nazareth.
- 1:47 Jesus finds Nathanael, whom He calls an "Israelite, in whom is no guile."  
Jesus keeps repeating that Jews were full of guile, lies, murders. He makes the vitally important distinction between an Israelite and a Jew. He chose Israelites, not Jews as His Disciples, except "devil" Judas.
- 1:49 Christ is Son of God; also King of Israel (not of the Jews).
- 2:13-16 Christ flogs Jew "moneychangers" out of the Temple.
- 2:18 Jews seek to discredit Christ.

St John

- 3:1-2 Nicodemus, ruler, visits Jesus Christ secretly for fear of the Jews.  
 3:34-36 Jesus Christ is Son of God. Couldn't be a Jew for Jesus condemned Jews as being children of the devil.  
 4:3 Jesus goes again to Galilee. 4:9 Samaritan woman calls Him a Jew; that didn't make Him one. 4:26 Jesus Christ is The Messiah.  
 4:39-42 Many Samaritans (not Jews) believed on Jesus Christ.  
 4:43 Christ again goes to Galilee. 4:45-54 Galileans received Him, but Jews sought to, and finally did kill Him.  
 5:10 Jews criticize Jesus for healing.  
 5:16-47 Jews sought to kill Jesus because He claimed to be the Son of God.  
 5:38 & 42 God's word not in Jews. 5:46 Jews didn't believe Moses.  
 6:1 Jesus again goes to Galilee. 6:38 Jesus Christ came from heaven.  
 6:41 Jews murmur against Christ. 6:52 Jews question Jesus again.  
 6:64 Jesus knew from the beginning who would betray Him - Judas-Jew-Devil.  
 6:69 Jesus Christ is Son of God.  
 6:70-71 Jesus says He chose one of the Twelve Disciples - a Devil - Judas (Jew).  
 7:1 & 9 Jesus in Galilee (for fear of the Jews) for they sought to kill Him.  
 7:10 The people feared the Jews. 7:10-13 Jesus goes to Jerusalem - in secret - for fear of the Jews. 7:17 None of the Jews keep Moses laws.  
 7:19 Jews seek to kill Jesus Christ.  
 7:20 The people, at first, didn't believe that the Jews were out to kill Him.  
 7:25 Jews seek to kill Jesus Christ. 7:28 Jews knew not God.  
 7:30-32 " " " " " "  
 7:35 Jews ask did Jesus go to teach the Gentiles?  
 7:41 Shall Jesus Christ come out of Galilee? 7:44-47 Jews afraid to seize Jesus.  
 7:48 No Pharisees believed in Jesus Christ.  
 7:50-52 Nicodemus, ruler, visits Jesus secretly; Jews accuse Nicodemus of being a Galilean. Similar today to Christians being smeared as "anti-Semites."  
 8:3-10 Jews seek to entrap Jesus.  
 8:17-18 Testimony of two men is true, i.e., testimony of 2 or more witnesses establishes the truth. Not only St Matthew and St John, but also St Mark, St Luke, and St Paul all testify to the same things about the Jews.  
 8:19 Jews know not God. 8:20 Jews afraid to seize Jesus.  
 8:23 Jews are from beneath, but Jesus Christ is from above. Another way of saying that Jews are "Satan's Chosen" from hell, while Jesus is from God.  
 8:31 If Jews remained converted, it would be a miracle.  
 8:37-59 Jews are of Israelite Abraham's seed, but are not his children. Jewish authorities admit today that the Jew is a mixed breed - a mixture of black, yellow and white races - the result of disobeying God's Laws re mixing bloodstreams. Jews not only not Abraham's children, but have been killers of the prophets down thru the ages up to the present day.  
 8:44 Jews' father is the Devil. Obviously, they cannot be our God's "chosen".  
 8:47 Jews are not of God. 8:44-55 Jews are liars, murderers.  
 8:48 Jews call Jesus Christ a "Samaritan", i.e., a non-Jew.  
 8:55 Jews do not know God. 8:59 Jesus Christ hides from the Jews.  
 9:18 Jews did not believe in Christ's miracles.  
 9:22 Fear of the Jews. 9:29 Jews didn't believe in Christ.  
 9:35 Jesus Christ is Son of God. 9:41 Jews unconverted.  
 10:1-18 He knows His own and they know Him. 10:27 ditto.  
 10:19-25 Jews don't believe in Christ 10:26 Jews are not Christ's sheep.  
 10:31 Jews sought to kill Jesus Christ. 10:39 Jews sought to kill Jesus Christ.  
 11:7-10 Jews in Judea sought to kill Him. 11:46-53 Jews plot to kill Jesus Christ.  
 11:54 Fear of the Jews kept Jesus away from Judea. (He was safe everywhere else).  
 11:57 Jews to seize Jesus. 12:10 Jews plot Lazarus' death.  
 12:42 Fear of the Jews. 13:2 Devil in Judas.  
 13:11-21 Jesus Christ knew who would betray Him.  
 13:26-30 Satan in Judas. Judas handled the money, - many Jews are treasurers today.  
 14 & 15 Jesus Christ is God. His followers (Christians) are "God's Chosen."  
 16:2 Jews will kill Christ's followers. Jew World Wars one way of doing it.  
 17:2 Judas is "son of perdition" - the only one whom Christ lost!

St John

- 17:1-26 Jesus Christ prayed to His Father to protect His disciples from the Jews.  
 18:2-14 Judas betrays Christ to Jews - for money.  
 18:20 Jews frequent the synagogues. 18:37 Christ admits He is a King.  
 18:38-40 Pilate tried to release Christ 4 times, but Jews prevented him doing it.  
 19:4-12 Ditto.  
 19:3 Soldiers, in derision, called Christ the King of the Jews.  
 19:11 Jews committed the greater sin by forcing Pilate to crucify Christ. Jews used then, and use today, stooges and "fronts" for criminal activities.  
 19:15 Jesus Christ was not the Jews' King. 19:19 Christ of Nazareth - King.  
 19:21 Jews protest that Title being applied to Christ.  
 19:38-39 Fear of the Jews. 20:19 Fear of the Jews. 20:31 Christ, the Son of God.  
 21:14 The third time that Christ showed Himself to His Disciples - in Galilee.

REVELATION

- 2:9 "I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, but are the Synagogue of Satan."  
 3:9 "Behold, I will make them of the Synagogue of Satan, which say they are Jews, and are not, but do lie; behold, I will make them to come and worship before thy feet, and to know that I have loved thee."  
 22:18-19 "For I (Jesus Christ) testify unto every man that heareth the words of prophecy of this book, If any man shall add unto these things, God shall add unto him the plagues that are written in this book: And if any man shall take away from the words of the book of this prophecy, God shall take away his part out of the book of life, and out of the holy city, and from the things which are written in this book." God wouldn't break His Laws against race-mixing; so Jesus, His Son, couldn't be a mixed-breed as Jews are.

We must accept, and obey, all of Christ's teachings. Christendom is suffering the "plagues" (wars, corruption, immorality, hunger, poverty, disease, etc.) because too many who call themselves Christians have failed to teach all that Christ taught. Not only do they not warn against, but they glorify (as do Jews today) such as Esther, yet that Book warns what happens when Jews get into control of a nation. Many clergy do praise Jews, yet Christ condemns. Jews, about 500 years before Christ's birth, infiltrated, then controlled, and killed tens of thousands of citizens of country the Jews took over. Since 1900 AD same false Jews guilty of destroying tens of millions, mostly Christians. Esther 8:17 boasts that "for fear of the Jews", many people living in 127 provinces between India and Ethiopia "became Jews." History repeats! One occasion by which mixed-breeds became "Jews." In Christ's time (about 500 years later), such "Jews" had infiltrated every city of any size in Roman Empire, and took control thru finance, govts, courts, press, libraries, education, business, labor, societies, entertainment and religion. No wonder Pilate caved in to Jew pressure!

Our Founding Fathers were "wise as serpents" and tried to create a Republic that bars Jews, but bribed (?) and "for fear of the Jews" co-founders prevented the Constitution itself incorporating, in black and white, such a ban, for all posterity to be warned and benefit thereby. Founded as a Christian (successors to Israelites) nation we have suffered increasingly from the "plagues", because Satan's "Chosen" were not only admitted to our shores, but permitted more and more to become our rulers! Look what's happened to Europe, once Christendom, where Jews and their stooges have been in control from Roman Empire days down to this, with here and there temporary ban of Jews enabled Christianity to survive. Non-Christian nations also Jew controlled, so virtually the whole world. Yet history teaches such control destroys nations.

Christ's promise that eventually the Jews will be forced to bow down to rule by Christians - is our only hope, with Christ's return to bring it about with Him as our King. Otherwise, with nuclear weapons and mad men, all flesh will be destroyed off the earth, except "for the elects sake", as promised, our punishment be shortened. Urge our readers to become of "the elect" and pray as never before this Christmas.

# JEW-COMMUNISTS BEHIND RACE MIXING

**MARX**  
Jewish Founder  
of Communism

**SPINGARN**  
Jewish President  
of N.A.A.C.P.

**Marvin Rich**, Jew head of  
**CORE** (Congress of Racial  
Equality) directs beatnik  
negro marches in South.

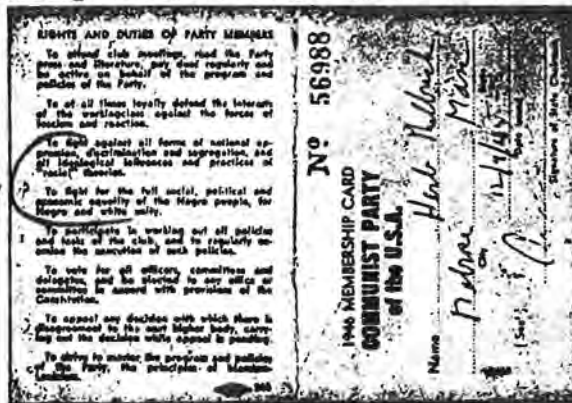

**Jew Nicholas Katzenbach**  
forces 2nd Reconstruction  
on South by using Federal  
registrars to place un-  
qualified negroes on vot-  
ing rolls.

Arthur Spingarn, the fanatical Jew at left, is President of the National Association for the Advancement of Colored People (N.A.A.C.P.). Spingarn has recently been condemned by the Un-American Activities Committee for his Communist activities. In 1955 the N.A.A.C.P. was exposed as a Red front. Yearly the N.A.A.C.P. awards the Jewish Spingarn medal to Negroes and Jews for Race-Mixing and other Communist activities. Jewish leaders daily plan Supreme Court decisions regarding Race-Mixing (Integration). The N.A.A.C.P. was founded by Joel Spingarn, Arthur's brother, who organized the first regiment of Negro army officers during World War I. Arthur Spingarn has been leader of the N.A.A.C.P. since 1939 the year Joel Spingarn died. Jews have always led the N.A.A.C.P. On Jan. 24th, 1961 Jewish Judge Irving R. Kaufman ruled illegal any attempt to prevent Race-Mixing. The final goal of the N.A.A.C.P. is total mongrelization of the White Race.

## Jews Founded Communism

Pictured at left is the "father" of Communism, the Jew Karl Marx (real name Mordecai). Marx founded Communism as a modern Jewish religion for domination of the Gentile. Communism calls for the immediate destruction of White nations. In a letter to Marx the Jew, Baruch Levy stated, "The Jewish People as a whole will be it's own Messiah. It will attain world domination by mixing the races and the abolition of nations." In writing the Communist Manifesto Marx's greatest helper was the Jew, Friedrich Engels. All leaders of the Communist Party in America have been Jews. The Jewish Rosenbergs were electrocuted for giving Russia information during the Korean war. Eight of the nine members of the Rosenberg spy ring were Jews.

## HIRE WHITES ONLY

N.S.R.P. calls upon all Whites to protect themselves by "firing all negroes" and hiring loyal Whites only, except in few cases where unconstitutional laws actually force Whites with large number of employees to hire negroes. Ostracize all Jews, communists, negroes and negro-lovers - have nothing to do with them. They are our enemies. America belongs to us Whites and we must stop all race-mixing.

## The APE

## The NEGRO

# Scientists Say Negro Still In Ape Stage

## Races Positively Not Equal

(1) The Negro's head shows the archaic form. The front of the Negro's skull is much smaller than the white man's thus giving the Negro less room for the higher faculties, such as affection, self control, will power, reason, judgement, apperception, orientation and a feeling for the relationship of personality to environment.

(2) Formation determines the amount of intelligence that will be reflected just as the size and shape of a glass pitcher determines the size and shape of the water in it. If this were not so there would be no law governing intelligence and one organism would reflect as much mind as another regardless of its construction.

(3) The Negro's whole skull capacity is much undersize so that the black brain weighs 35 ounces as against 45 ounces for the Caucasian brain.

(4) In the Negro the cranial bones are very thick and the cranial sutures unite early in life. This checks the development of the brain and explains the sudden stunting of the Negro intellect shortly before puberty.

(5) The Negro's hair is flat and without a center core or duct. It is not a true human hair but resembles the wool of the lower animals and it can be felted.

(6) The Negro's eyeball is tinged with yellow as is the ape's. The jaws protrude so that the facial angle of the Negro is 70 degrees as in the ape. The white man's facial angle is 82.

(7) The Negro's nose is concave at the bridge as is the ape's. The nostrils turn up and show the red inner lining. The lips are everted and show the red mucous membrane.

(8) In the white man the alveolar arch and palatine area of the mouth became shortened and widened and the tongue became shortened and more horizontally flattened which allows for greater refinement in pronunciation while the Negro palate and tongue remained ape like (macrodon) and he is unable to pronounce sibilant sounds. Sibilant sounds are unknown in Negro dialect.

(9) The Negro carries stench glands as does the dog and in his natural state these may serve as a means of identification in place of a name. This stench (from extra sweat glands) is partly under control and is put out when the Negro is excited.

(10) The black skin of the Negro has nothing to do with climate. It is caused by animal coloring matter between the true and the scarf skins. It is proven the world over that black and yellow skins are signs of mental and spiritual inferiority and that no tinged race can create a civilization.

(11) A few mulattoes may appear to be brilliant but this brilliance never allows them to invent or create which shows they have not bridged the gap between the black and white, for no archaic form can become modern.

(12) The Negro is much closer to the ape than any other race physically and consequently mentally for form must determine mental and moral qualities and like must produce like. Every race is different physically and thereby mentally. With the Negro, the body - hence mind - is the lowest of all.

(13) No amount of imitation and apeing will instill a creative or inventive instinct into the Negro nor will education or sympathetic aid.

(14) The Negro has had just as long as the white man to develop. Tens of thousands of years have passed by and the Negro has not produced a civilization. Where is his art, his science, his religion? What single aspect of civilization has he contributed to present day culture?

(15) The Negro has no morals. He is not immoral but non-moral. Without the white man to control him the Negro reverts to savagery and practices torture, cruelty and witchcraft. The Negro is a natural cannibal and on his native doorstep may be found choice cuts of human flesh. In Africa the Negro even sells his dead relatives and will eat human flesh after it has become decomposed.

(16) As the black genes of the Negro are more powerful than white genes - the Negro has thereby destroyed every white civilization that he has come in contact with or has left that civilization stagnant and rotting and dependent upon the last drop of white blood from outside to keep it going.

(17) Negro blood which differs from all other human blood and has a sickle shaped cell has destroyed Egypt, India, Carthage, Greece, Rome, and caused the deep animal sleep to fall upon China, Portugal, Spain and Turkey.

Unless the Negro race with its deadly sickle celled blood is separated from the white race it will completely destroy America.

Dear Mr. Hudson:

I share your concern about Communism and have read all your literature including your Biblical and historical references. Let me outline our common points, our differences, and some conclusions based upon long and deeply reassuring experiences. I hope they will be helpful to you.

1. I am anticommunist, white, Christian, and zealous to do something about the evils that could destroy America and even poison all life on earth.
2. Like you, I believe that a thorough study of man is vital to understand him. I have followed studies of sociology, education, and anthropology for a generation and have worked nearly all my life with various minority groups.
3. Like you, I believe the Bible includes basic wisdom that can guide us all.

Now let me discuss our differences as objectively as I can. I hope you can read this part with patience for my aim is not to be hateful but helpful. After all I went through some of your thinking earlier in life so what I say below is to some extent based on my own experiences in prejudice and error.

When I came to the conclusion of your eight pages of Scriptural references against Jews it was apparent that hatred distorts your vision: It is sacrilege to suggest that Christ and his disciples did not mean these fundamental statements about the Christian and democratic way of life IN :

"God forgive them for they know not what they do.." (God forgive you likewise!.)  
"God is love." (That is why our motto "In God We Trust" is so meaningful to the many immigrants of all races & creeds who make this a great United Nations. Another motto "E Pluribus Unum" illustrates this.

"He that hateth his brother (i.e. his fellow man) is a murderer." *Are you?*  
"Though I (you) speak with the tongue of men and of angels and have not love, it profiteth me nothing .... And now abideth faith, hope and love; but the greatest of these is love." *do read I Corinethian 1-13 and try to make it work in your life*  
Christ says the greatest commandments are to love God and your neighbor (your fellow man as he clearly indicates by his parable). He says that upon these two commandments hang all laws. This is true of our constitution too.

"Love your enemy. Do good to them that hate you?" Are you doing this? Many people have a good batting average in this philosophy: the teacher who overlooks the hateful symptoms of a delinquent and brings him back to self-respect, faith in mankind, and a life of constructive work. (I have witnessed this many times and have even been rewarded by such successes myself..I would be most gratified in winning you back to ways of love: they work better than anything else!)  
..read Lincoln's Gettysburg address given in the midst of a great civil war: you will not find even a hint of hatred even though he was the object of more hatred than most men. Like Christ, he could say shortly before his assassination "With malice toward none..." You don't begin to have his reasons for hate so get rid of it: it poisons your personality and all whom you lead from faith, hope, and love into fear and hatred of our neighbors and even our enemies...If we fight with the Christianity and democratic attitudes of a General MacArthur we can end our careers like he did, with the respect and even love of his enemies. (I cannot forget the genuine emotion of this type shown on TV when the General was honored by the Japanese before he left Japan. Here was a matchless stroke for

democracy and the brotherhood of mankind...Had he belonged to your Hate group can you imagine the 100% hatred and continuing bloodshed we would have inherited from all Japanese and Orientals?

Let us speak frankly about Jews: I know many who are selfish, arrogant, and hateful; just as I do of my own race and group. You and your group, for instance. ...I know many more Jews, who by reason of their sufferings and persecutions have appreciated freedom, democracy and our American way of life, and are contributing greatly—even their lives—to preserving it and bringing about the brotherhood of man.

Let us speak frankly about "Jew-Communists", as your hate-sheet puts it. It is true that Lenin happened to be a Jew. The man who really put Communism on the map as a world force from the early 20's until his death in the mid 50's was a non-Jew, Stalin; and his greatest disciple is a non-Jew, the leader of Red China... You and so many people whose thinking is poisoned by hatred continually confuse effect with cause: it is a fact of history that minorities of any kind, since they look act, and perhaps worship differently, tend to be forced (perhaps indirectly by economic or social factors) into ghettos—unemployment of poorest jobs, poorest education, etc. Then the haters (not genuine Christians) condemn them for their low standards...effect & cause reversed...Fortunately good, genuine Americans and Christians helped the great majority of these immigrants—Scotch, Irish, Italians, Poles, Swedes et al—so that today many of them are leaders in our great democracy.

The lot of the Jews was far more difficult: Until this last year the Jew was branded as a "Christ-killer" in the dogma of the Catholic Church..By some strange act of un-Christian hate (in spite of Christ's dying prayer "Father, forgive them; for they know not what they do") so-called Christian nations through 20 centuries have segregated, robbed, and murdered them by thousands and millions. If you and I had been born Jews how hateful would we act in response to such hate? No wonder so many of them fought heroically to preserve our democracy and lie by the thousands in heroes graves under the Star of David.

And now let us put aside hatred so we can see Karl Marx honestly. He participated in the revolutions against absolutism in 1848 and fled to England. He was not a believer in God so was not acceptable as a devout Jew...His book, "Das Kapital" showed a brilliant mind but it was colored by hatred of the evils (slums, exploitation of child and adult labor) of the the young Industrial Revolution. He visualized a better world where the workingman would rule. He thought that the capitalists (including many Jews) were so selfish that they would never let the working man have a better life, that governments were dominated by capitalists so the only solution was revolution...If he should awaken today and see the immense gains in living standards in the capitalistic countries where he thought revolts inevitable, he might well reverse himself..For the only countries in the world where communism took a hold are those where he thought it would have the greatest difficulties—the absolutisms like his home country Germany (Hitler's breeding ground) and Russia! He thought religion covered superstition and exploitation.

You do not <sup>defeat</sup> evil with evil...Hate generates hate...Don't prove that Karl Marx was right by showing that your religion is full of hate and a sham to exploit minorities.

Don't fear so much for fear begets hate. Have more faith, hope, and love in Christianity and democracy and you will see that our minorities, as they become freed from the hatred and evils of prejudice, will again become democracy's best disciple as they have throughout our history. Love will drive out even your worst fears. To me it is marvelous to see the increasing signs of progress: hence my letter to you to reverse yourself..Feel free to use parts of this letter as handouts: You need to make up for all the poison of Hate you have spread through the mails.

Yours sincerely

A Firm Believer in our Democracy

An Enemy of Hatred, with Faith that Haters can change.

#### Correlator's Note

The investigation of Charles B. Hudson disclosed that he was an associate of Elizabeth Eloise Dilling, subject of Bureau file 61-7055, who used the nom de plume of Rev. Frank Woodruff Johnson, in signing an anti-Semitic book entitled, "The Octopus." Dilling arranged with Hudson for the distribution of this book. In this connection he endorsed checks under the name of Rev. Frank Woodruff Johnson and forwarded these checks so endorsed to Dilling, and he also received mail addressed to Johnson at his Omaha address. Because of these activities, Hudson was also given the alias of Frank Woodruff Johnson, and he was also incorrectly identified as the writer of "The Octopus".

The following references on Charles B. Hudson, Omaha publisher of an anti-Semitic weekly "America in Danger", pertain to an undated chart issued by Hudson. This chart listed a number of individuals and set out their connection with various questionable organizations which implied a tie-up between organizations by virtue of individual persons belonging to each or several of the organizations. The following references on Charles B. Hudson of Omaha, Nebraska, in the main files indicated below reported that these individuals and Hudson had actively cooperated with each other to carry out a pro-Nazi propaganda campaign designed to impair and undermine the loyalty and morale of the military and naval forces of the US and other countries. They printed, published and distributed printed material, and also organized, supported, used and controlled a number of organizations through which they disseminated oral and written statements charging, among other things, that democracy was decadent and that a National Socialist or Fascist form of government should be established in the US. Indictments of these individuals and Hudson were returned by a Special Grand Jury in WDC, on 7/21/42, 1/4/43 and 1/3/44 for having violated the Peace Time Sedition Statute. Hudson was arraigned on 4/17/44, and a plea of not guilty entered; joint trial for all defendants commenced 5/16/44; mistrial was declared 12/7/44; dismissal of all indictments granted by the court and defendants discharged 12/2/46; and an appeal was filed by the Government on 12/6/46. The aforementioned activities of Hudson covered the approximate period 4/23/38 to 2/21/51.
